GENERAL LAWS OF TEXAS.

TWENTY-SEVENTH LEGISLATURE, 1901.

MILEAGE AND PER DIEM OF MEMBERS—TWENTY-SEVENTH LEGISLATURE.

H. B. No. 1.]

CHAPTER I.

An Act appropriating one hundred and ten thousand dollars (\$110,000) to pay mileage and per diem of members, and per diem of officers and employes of the Twenty-seventh Legislature.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the sum of one hundred and ten thousand dollars (\$110,000) be and the same is hereby appropriated out of any money in the State treasury, not otherwise appropriated, to pay the mileage and per diem of members, and per diem of officers and employes of the Twenty-seventh Legislature.

SEC. 2. There now being no funds to pay the members and officers of the Twenty-seventh Legislature, creates an emergency and an imperative public necessity requiring the suspension of the constitutional rule requiring bills to be read on three several days, and said rule is so suspended, and this act shall take effect and be in force from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by a two-thirds vote, yeas 108, nays 0; and passed the Senate by a two-thirds vote, yeas 23, nays 0.]

Approved January 11, 1901.

Became a law January 11, 1901.

CONTINGENT EXPENSES—TWENTY-SEVENTH LEGISLATURE.

H. B. No. 2.]

CHAPTER II.

An Act appropriating twenty thousand dollars (\$20,000) to pay the contingent expenses of the Twenty-seventh Legislature.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the sum of twenty thousand dollars (\$20,000) be and the same is hereby appropriated out of any money in the State treasury, not otherwise appropriated, to pay the contingent expenses of the Twenty-seventh Legislature.

SEC. 2. There now being no funds to pay the expenses of the Twenty-seventh Legislature, creates an emergency and an imperative public necessity requiring the suspension of the constitutional rule requiring all bills to be read on three several days, and said rule is so suspended, and this act shall take effect and be in force from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 113, nays 0; and passed the Senate by two-thirds vote, yeas 23, nays 0.]

Approved January 11, 1901.

TWENTY-EIGHTH JUDICIAL DISTRICT.

S. B. No. 20.]

CHAPTER III.

An Act to reorganize the 28th Judicial District, transferring the county of Duval from the 49th to the 28th Judicial District, and fixing the times of holding the terms of the district court therein.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the 28th Judicial District shall hereafter be composed of the counties of Cameron, Hidalgo, Starr, Duval and Nueces.

SEC. 2. That the terms of the district court shall hereafter be held in said district as follows:

In Cameron county on the first Monday in February and September, and continue in session four weeks.

In Hidalgo county on the fourth Monday after the first Monday in February and September, and continue in session two weeks.

In Starr county on the sixth Monday after the first Monday in February and September, and continue in session two weeks.

In Duval county on the eighth Monday after the first Monday in February and September of each year, and continue in session two weeks.

In the county of Nueces on the tenth Monday after the first Monday in February and continue in session eight weeks, and on the tenth Monday after the first Monday in September and continue in session four weeks.

SEC. 3. That all laws and parts of laws in conflict herewith be and the same are hereby repealed.

SEC. 4. The fact that the term of the district court of Nueces county now in session commencing on the first Monday in January and continuing for five weeks will conflict with the time of holding court in Cameron county as herein fixed, creates an imperative public necessity and an emergency that the constitutional rule requiring bills to be read on three several days be suspended, and said rule is hereby suspended, and that this act come in force and effect from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 25, nays 0; and passed the House of Representatives by two-thirds vote, yeas 89, nays 0.]

Approved January 21, 1901.

Became a law January 21, 1901.

TWENTY-THIRD JUDICIAL DISTRICT.

S. B. No. 36.]

CHAPTER IV.

An Act to regulate the terms and to fix the times for holding the district court in the 23rd Judicial District of Texas, and to regulate and validate the returns of all writs and processes heretofore and hereafter issued from the district courts of said judicial district, and to repeal all laws and parts of laws in conflict with this act, and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the 23rd Judicial District of Texas shall be composed of the counties of Brazoria, Fort Bend, Jackson, Matagorda, Waller and Wharton, and the terms of the district court to be held therein shall be held as follows:

1st. In the county of Brazoria, on the second Monday in February and the first Monday of September of each year, and may continue in session four (4) weeks.

2nd. In the county of Waller on the fourth Monday after the second Monday in February and on the fourth Monday after the first Monday in September of each year, and may continue in session four weeks.

3rd. In the county of Fort Bend on the eighth Monday after the second Monday in February and on the eighth Monday after the first Monday in September of each year, and may continue in session four weeks.

4th. In the county of Wharton on the twelfth Monday after the second Monday in February and on the twelfth Monday after the first Monday in September of each year, and may continue in session four weeks.

5th. In the county of Jackson on the sixteenth Monday after the second Monday in February and on the seventeenth Monday after the first Monday in September of each year, and may continue in session two weeks.

6th. In Matagorda county on the eighteenth Monday after the second Monday in February and on the nineteenth Monday after the first Monday in September of each year, and may continue in session two weeks.

SEC. 2. All writs and processes heretofore issued or hereafter issued from the district courts of any of the counties of the Twenty-third Judicial District are hereby validated and they shall be returnable to their respective terms of said courts as by this act specified.

SEC. 3. All laws and parts of laws in conflict with this act are hereby repealed.

SEC. 4. The present condition of the terms of the courts in the 23rd Judicial District creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and the said rule is hereby suspended and this act shall take effect and be in force from and after its passage and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 22, nays 0; and passed the House of Representatives by two-thirds vote, yeas 91, nays 0.]

Approved January 22, 1901.

Became a law January 22, 1901.

TAXES—EXTENDING TIME OF PAYMENT IN CERTAIN COUNTIES.

H. B. No. 153.]

CHAPTER V.

An Act to extend the time of the payment of the State and county taxes for the year 1900 in the counties of Brazoria, Colorado, Galveston, Grimes, Matagorda, Fort Bend, Harris, Waller, Austin, Wharton, Jackson, Chambers, Brazos, Burleson, Robertson, Montgomery and Washington for ninety days, from and after the first day of February, 1901.

Whereas, the counties of Brazoria, Colorado, Galveston, Grimes, Matagorda, Fort Bend, Harris, Waller, Austin, Wharton, Jackson, Chambers, Brazos, Burleson, Robertson, Montgomery and Washington, were, on the 8th day of September, 1900, visited by storm of unprecedented calamity whereby many lives were lost and property of great value destroyed and damaged and whereby a great number of people were left homeless and without resources either of property or money; and,

Whereas, it is contemplated that at the present session of the Legislature there will be enacted proper legislation for the permanent relief of the suffering people of the counties above named, but before such legislation can be had the tax collectors of said counties will under the law proceed to the enforced collection of the State and county taxes for the said counties, Brazoria, Colorado, Galveston, Grimes, Matagorda, Fort Bend, Harris, Waller, Austin, Wharton, Jackson, Chambers, Brazos, Burleson, Robertson, Montgomery, and Washington; therefore

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the time for the collection and payment of all county and State taxes in the counties of Brazoria, Colorado, Galveston, Grimes, Matagorda, Fort Bend, Harris, Waller, Austin, Wharton, Jackson, Chambers, Brazos, Burleson, Robertson, Montgomery and Washington for the year 1900, be extended for ninety days from and after the first day of February, 1901.

SEC. 2. The fact that there is now no law of the State of Texas conferring upon State and county tax collectors any power and discretion extending the time for the enforced collection of taxes, and the fact that the said collectors of taxes for the counties of Brazoria, Galveston, Grimes, Matagorda, Fort Bend, Harris, Waller, Austin, Wharton, Jackson, Chambers, Brazos, Burleson, Robertson, Montgomery, Washington and Colorado, respectively, will, on the first day of February, 1901, proceed to the enforced collection of the taxes of said counties for the year 1900, thereby inflicting upon the tax payers of said counties respectively great hardships and irreparable loss and damage, creates an imperative public necessity and an emergency requiring the suspension of the constitutional rule requiring bills to be read on three several days, therefore the said constitutional rule is hereby suspended and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 100, nays 2; and passed the Senate by two-thirds vote, yeas 26, nays 0.]

Approved January 30, 1901.

Became a law January 30, 1901.

LAND OFFICE—APPROPRIATION TO BUY STAMPS FOR.

S. B. No. 34.]

CHAPTER VI.

An Act to appropriate the sum of \$225.00 for the use of the General Land Office to purchase stamps to enable said office to conduct business for the remainder of the year ending February 28, 1901.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the sum of \$225.00 be and the same is hereby appropriated out of any monies in the State treasury, not otherwise appropriated, for the use of the General Land Office to buy stamps to enable said office to conduct business for the remainder of the year ending February 28th, 1901.

SEC. 2. The fact that the appropriation for the postal, telegraph and contingent expenses of the General Land Office will be exhausted on the 15th inst., and that the business of said office will be brought to a standstill unless this bill is passed immediately, creates an emergency and an imperative public necessity warranting the suspension of the constitutional rule requiring bills to be read on three several days, and said rule is hereby suspended, and this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 22, nays 0; and passed the House of Representatives by two-thirds vote, yeas 114, nays 0.]

Approved February 1, 1901.

Became a law February 1, 1901.

STONEWALL COUNTY—JURISDICTION OF COUNTY COURT.

S. B. No. 76.]

CHAPTER VII.

An Act to restore and confer upon the county court of Stonewall county the civil and criminal jurisdiction heretofore belonging to said court under the Constitution and general statutes of Texas; to define the jurisdiction of said court; to conform the jurisdiction of the district court of said county to such change; to fix the time of holding court, and to repeal all laws in conflict with this act.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the county court of Stonewall county shall hereafter have exclusive original jurisdiction in civil cases wherein the matter in controversy shall exceed in value two hundred dollars and shall not exceed five hundred dollars, exclusive of interest, and shall have concurrent jurisdiction with the district court of said county when the amount in controversy shall exceed five hundred dollars and shall not exceed one thousand dollars.

SEC. 2. Said court shall have appellate jurisdiction in civil cases over which the justice court have original jurisdiction when the judgment of the court appealed from or the amount in controversy shall exceed twenty dollars, exclusive of interest, and said county court shall have the power to hear and determine the cases brought up from the justice court

on certiorari, under the provisions of the Revised Statutes of 1895 relating thereto.

SEC. 3. The county judge of said county shall have authority either in term time or vacation to grant writs of injunction, sequestration, mandamus, garnishment, attachment, certiorari, supersedeas, and all other writs necessary to the enforcement of the jurisdiction of said court, and shall also have power to issue writs of habeas corpus in all cases in which the Constitution has not exclusively conferred the power upon the district court or the judge thereof.

SEC. 4. That said county court shall have and exercise the general jurisdiction of a probate court, shall probate wills, appoint guardians of minors, idiots, lunatics, persons non compos mentis and common drunkards, grant letters testamentary and of administration, settle accounts of executors, administrators and guardians, transact all business pertaining to the estate of deceased persons, minors, idiots, lunatics, persons non compos mentis and common drunkards, including the partition, settlement and distribution of the estate of deceased persons, and to apprentice minors as provided by the general laws, and to issue all writs necessary for the enforcement of the jurisdictions, orders and decrees.

SEC. 5. That said county court shall have jurisdiction in the forfeiture of all bonds and recognizances taken in criminal cases of which said court has original or appellate jurisdiction.

SEC. 6. Said county court shall have exclusive original jurisdiction of all misdemeanors except misdemeanors involving official misconduct and excepting those misdemeanors in which the highest penalty that may be imposed by law is a fine without imprisonment that does not exceed two hundred dollars, and said court shall have concurrent jurisdiction with that of the justice of the peace in criminal cases and appellate jurisdiction with trial de novo in criminal cases in which the justice of the peace and other inferior tribunal of said county have original or appellate jurisdiction.

SEC. 7. The district court of said county shall no longer have jurisdiction of misdemeanors except misdemeanors involving official misconduct, and shall no longer have jurisdiction of cases which the county court of said county by the provisions of this act has original or appellate jurisdiction.

SEC. 8. It shall be the duty of the district clerk of said county, within thirty days after this act shall take effect to make full and complete transcripts of all orders on the criminal and civil docket then pending before the district court of said county of said cases by the provisions of this act original and appellate jurisdiction is given to the said county court and to deliver said transcript, together with the original papers in each case, to the county clerk of said county, and the said county clerk shall file the same and enter said cases on their respective docket for trial by said court.

SEC. 9. The said county court shall have power to hear and determine all motions against sheriffs and other officers of the court for failure to pay over money collected under the process of said court or other defalcations of duty in connection with said process, and shall have power to punish by fine not exceeding one hundred dollars and by imprisonment in the county jail not exceeding two days, any person guilty of contempt of said county court, and all other powers and jurisdictions conferred on the county court by the Constitution and the general laws of the State.

SEC. 10. The terms of said court shall commence on the first Monday in February, and on the first Monday in May, and on the first Monday in August and on the first Monday in November of each year, and shall continue in session for each term until the business may be disposed of; provided, that the county commissioners court of said county may hereafter change the terms of said county court when it may be deemed necessary.

SEC. 11. All laws and parts of laws in conflict with this act, in so far as they relate to Stonewall county, Texas, be and the same are hereby expressly repealed. The crowded condition of the docket of the district court of Stonewall county creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and that this act take effect from and after its passage, and said rule is so suspended and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 26, nays 0; and passed the House of Representatives by two-thirds vote, yeas 112, nays 0.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the first day of February, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—JOHN G. TOD, Secretary of State.]

Became a law February 13, 1901.

STOCK LAW—AMENDMENT.

S. B. No. 2.]

CHAPTER VIII.

An Act to amend Section 1, of Chapter CLII, of the Acts of the Twenty-sixth Legislature, sent to the Governor for approval on the 27th day of May, 1899, amending Article 5001, Title 102, of the Revised Civil Statutes of the State of Texas, of 1895, relating to the stock law.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the act of the Twenty-sixth Legislature of the State of Texas, amending Article 5001, Title 102, of the Revised Civil Statutes of the State of Texas, of 1895, the same being House Bill 847, on page 261, of the acts of the regular session of the Twenty-sixth Legislature, be, and the same is hereby amended so as to hereafter read as follows: Article 5001. The counties of Refugio, Aransas and Bee are exempted from the provisions of this chapter.

SEC. 2. The fact that the county of Cooke, where a stock law is absolutely necessary, was by mistake embraced in the act of the Twenty-sixth Legislature, exempting certain counties from the operation of Article 5001, and the fact that there is now no law in said Cooke county to determine whether sheep, hogs or goats shall be permitted to run at large in said county, or in a subdivision thereof, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and the same is therefore

hereby suspended, and this act shall take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 22, nays 0; and passed the House of Representatives by two-thirds vote, yeas 100, nays 0.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the twenty-first day of January, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objection thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

Became a law February 1, 1901.

STATE GOVERNMENT—REGULATING FISCAL YEAR.

H. B. No. 27.]

CHAPTER IX.

An Act to amend Articles 2504, 2505, 2506 and 2507, of the Revised Civil Statutes of the State of Texas, regulating the termination of the fiscal year, requiring all appropriations made for the support of the State government to conform thereto, the time when the accounts of the public officers shall be closed and reports compiled, to whom the reports shall be transmitted and the date when, providing for the printing of the same by the Secretary of State and transmission of the printed copies to the Legislature, making reports of all officers uniform as to the termination of the fiscal year and the date when they shall close their accounts and compile and make their reports, and to repeal all laws or parts of laws in conflict with the same, by adding Article 2507a.

Whereas, under the act approved December 11, 1857, acts of the Seventh Legislature styled therein as Chapter 21, and entitled "An Act to change and provide a uniform time for the termination of the fiscal year of the several officers of the State," the termination of the fiscal year was fixed on the thirty-first day of August of each year, said act requiring all officers, who are required by law to report annually or biennially to the Legislature or Governor, to close their accounts on said date, and as soon thereafter as practicable to prepare and compile their respective reports; said act also requiring all such reports, intended for the use of the Legislature, to be transmitted by the respective officers to the Secretary of State on or before the first day of November before the assembling of the Legislature; and also requiring that the Secretary of State shall cause the same to be printed in accordance with the laws regulating public printing before the assembling of the Legislature; and also requiring that upon the organization of the Legislature the Secretary of State shall transmit to the presiding officers of both houses ten copies of each printed report for the use of the members of the Legislature; and

Whereas, subsequent to the enactment of said above named law other offices, departments and institutions have been created and other laws enacted requiring such particular officers to make their reports and to close their accounts and make their said reports at other and different dates than the one required by the said above named act, thereby repeal-

ing by implication so much of said act of 1857 as would affect the said officers, departments and institutions, and thereby causing confusion and want of uniformity in reference to the termination of the said fiscal year and the time within which said reports shall be compiled; and

Whereas, uniformity as to the termination of the fiscal year and the date of compiling their reports is desired, applying to all officers, departments and institutions alike, required by law to report annually and biennially to the Legislature and Governor aforesaid; and

Whereas, the appropriations made for the support of the State government should be for the same period as the fiscal year conforming thereto; therefore

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the said Title XLVII, of the Revised Civil Statutes of the State of Texas, shall be amended to read as follows:

Article 2504 (2436). The fiscal year of the State shall terminate on the thirty-first day of August of each year, and the appropriations made for the support of the State government shall conform thereto.

Article 2505 (2437). All officers who are required by law to report annually or biennially to the Legislature or Governor, shall close their accounts on said date, and as soon thereafter as practicable shall prepare and compile their respective reports.

Article 2506 (2438). All annual or biennial reports intended for the use of the Legislature or Governor shall be transmitted by the respective officers to the Secretary of State on or before the first day of November, and the Secretary of State shall cause the same to be printed in accordance with the laws regulating public printing, as soon as practicable; all biennial reports to be printed before the assembling of the Legislature.

Article 2507 (2439). Upon the organization of the Legislature the Secretary of State shall transmit to the presiding officers of both houses ten copies of each printed report for the use of the members of the Legislature.

Article 2507a. The purpose of this act is to require all appropriations for the support of the State government to conform to the fiscal year as provided in Article 2504; and all officers that are required by law to report annually or biennially to either the Legislature or Governor to close their accounts, transmit their reports at a uniform date; and all laws or parts of laws in conflict with this act are hereby repealed.

SEC. 2. Whereas, there is now no uniform law regulating or requiring reports of all the departments of the State, creates an emergency and an imperative public necessity that the constitutional rule, requiring bills to be read on three several days, be and the same is hereby suspended, and that this act shall take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 112, nays 0; and passed the Senate by two-thirds vote, yeas 26, nays 0.]

NORTH TEXAS NORMAL COLLEGE—ESTABLISHING.

S. B. No. 48.]

CHAPTER X.

An Act to amend Section 4 of an act entitled "An Act to provide for the establishment, maintenance and government of a State normal school, to be located at Denton, Texas, and be known as the North Texas Normal College," being Chapter LIII, of the General Laws of the State of Texas, passed at the Regular Session of the Twenty-sixth Legislature, approved March 31, 1899, and to regulate admission of students to said college, and provide for the maintenance of the same, and to declare an emergency.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That Section 4 of an act entitled "An Act to provide for the establishment, maintenance and government of a State Normal School, to be located at Denton, Texas, and be known as The North Texas Normal College," being Chapter LIII of the General Laws of the State of Texas, passed at the regular session of the Twenty-sixth Legislature, approved March 31, 1899, be amended so as hereafter to read as follows:

Tuition in said normal shall be free to all students who are at least sixteen years of age, of good moral character, and who wish to prepare themselves for the profession of teaching, and it shall be the duty of the Comptroller of Public Accounts to set apart annually, beginning September 1st, 1901, out of the general revenue, the sum of twenty thousand dollars for the maintenance of said normal school, together with such other sums as may be appropriated by the Legislature for defraying a part of the expenses of the students appointed from year to year by Senators and Representatives, such sum or sums to be placed to the credit of such State normal school, and which shall be paid out upon warrants approved by the Governor and attested by the State Board of Education. The Board of Education is hereby authorized to receive from the agent of the Peabody Education Fund such sums as he may tender for the aid of the said State normal school, to be disbursed in such manner as may be prescribed by the donor. All State students attending such college shall sign a written obligation, in a book to be kept for that purpose, binding said student to teach in the public schools of this State for as long a period of time as they attend said college, for which teaching they shall receive the same compensation as other teachers, and said Board of Education shall make rules by which students may receive diplomas and certificates as qualifications as teachers, authorizing them to teach without further examination.

SEC. 2. The fact that there is now no law regulating and providing for the maintenance and operation of the North Texas Normal College, an institution created by the Twenty-sixth Legislature, and the further fact that in its present condition it is without value as a State institution, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 24, nays 0; and reported to the House of Representatives, where it was amended and passed by two-thirds vote,

yeas 87, nays 10; Senate concurred in House amendments, yeas 18, nays 3.]

Approved February 18, 1901.

Takes effect ninety days after adjournment.

EPILEPTIC ASYLUM.

H. B. No. 365.]

CHAPTER XI.

An Act to amend Sections 7, 8 and 10 of "An Act to provide for the location and building of a branch asylum for the care and treatment of the epileptic insane of the State, and to make an appropriation therefor," passed by the Twenty-sixth Legislature of the State of Texas, and approved February 9, 1899; and to repeal an act of the First Called Session of the Twenty-sixth Legislature on the same subject, approved February 20, 1900, and all other laws in conflict herewith.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Sections 7, 8 and 10 of "An Act to provide for the location and building of a branch asylum for the care and treatment of the epileptic insane of the State, and to make an appropriation therefor," passed by the Twenty-sixth Legislature of the State of Texas, and approved February 9th, 1899, be amended so as to read as hereinafter set out; and that the act of the first called session of said Twenty-sixth Legislature on the same subject, approved February 20th, 1900, and all other laws in conflict herewith be, and the same are hereby repealed:

"Section 7. That there shall be constructed upon said grounds, so selected, suitable and permanent buildings, consisting of an administration building, hospital, and cottages for epileptics, together with the necessary equipments for furnishing water, heat, light, sewerage, ventilation, and other necessary appurtenances and contingencies, together with one laundry of sufficient capacity for the needs of said asylum. That said buildings be built of rock or Texas made brick, and sufficiently plain and economical in construction as not to cost exceeding \$200,000. The Governor shall, as soon as possible after the passage of this act, together with the Comptroller and State Treasurer, receive bids for the construction of said buildings and other improvements mentioned herein, and shall accept the lowest reasonable bids made for said construction, within the limits hereinbefore mentioned, who shall give a good and sufficient bond for the completion of said improvements, according to the contract entered into by them; provided, that said board shall have the right to reject any and all bids as they may see proper."

"Section 8. That there shall be, and is hereby appropriated out of the general revenue of the State not otherwise appropriated, the sum of \$75,000 for the fiscal year 1901, and the further sum of \$125,000 accruing for the fiscal year 1902, for the erection of said buildings and other improvements and fixtures mentioned in Section 7 of this act, as may be necessary towards building, equipping, establishing and operating said asylum, and for contingent expenses."

"Section 10. The commissioners appointed by the Governor shall select the site for said asylum at or near the city of Abilene; provided,

that the city of Abilene shall donate to said asylum 640 acres of good arable land within three miles of said city, and at a convenient distance to the lake, to be determined by said commissioners, and shall agree and bind itself to furnish said asylum, for a period of seventeen years, all the water said asylum may need, for any purpose whatsoever, at a rate not to exceed $2\frac{1}{2}$ cents for each 1000 gallons—said water to be pure and healthy—and to be furnished in the lake, and pumped and taken out of the lake by said asylum; and provided further, that said city shall also bind itself, by proper and legal agreement, that water shall after the expiration of said seventeen years, be furnished in said lake to said asylum free of any charge whatsoever, but should said city fail or refuse to make said donation of land and water, as hereinbefore provided, then the board of construction appointed by the terms of this bill, shall be free to select said site anywhere in Texas, subject to said terms and conditions as the Governor may require.”

SEC. 2. Whereas, there are about two hundred epileptic insane in the several asylums of the State who are in great need of separation from the other insane at the asylums; and whereas, there are also about two hundred epileptic insane throughout the State who are in great need of care and treatment, and cannot be admitted into the several asylums of the State on account of the crowded condition of said asylums, therefore, an emergency and an imperative public necessity exists which makes it necessary that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 96, nays 0; and passed the Senate by two-thirds vote, yeas 22, nays 0.]

Approved February 21, 1901.

MEDICINE—REGULATING THE PRACTICE OF.

H. B. No. 173.]

CHAPTER XII.

An Act to repeal Title LXXXII, of the Revised Statutes of the State of Texas, and to pass in lieu thereof this act: To license physicians and surgeons and endeavor to regulate the practice of medicine, and to punish persons violating the provisions thereof in the State of Texas.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Title LXXXII, Articles 3777, 3778, 3779, 3780, 3781, 3782, 3783, 3784, 3785, 3786, 3787, 3788, 3789, of the Revised Statutes of Texas, be and are hereby repealed, and the following be enacted:

SEC. 2. There shall be established three boards of medical examiners for the State of Texas, to be named and styled “the Board of Medical Examiners for the State of Texas,” “the Board of Eclectic Medical Examiners for the State of Texas,” and “the Board of Homeopathic Medical Examiners of the State of Texas,” said boards to consist of nine members each, whose terms of office shall be for two years or until

their successors have been appointed and qualified; provided, that no member shall be a professor or teacher in any medical school.

SEC. 3. The said boards shall each consist of men learned in medicine and surgery now in active practice, who shall have resided in the State of Texas, and shall have practiced medicine for not less than five years prior to their appointment, having complied with the laws relating to the practice of medicine already in force in the State of Texas, and shall be appointed by the Governor on the tenth day of May following his inauguration, from a list of names twice the number to be appointed, to be furnished him and recommended by the Texas State Medical Association, the Eclectic Medical Society of the State of Texas, the Homeopathic Medical Society of the State of Texas; provided, however, in case the Governor shall consider any of the persons so recommended unsuitable he may decline to appoint any such person or persons, and communicate the fact to the presiding officer of the society presenting the nomination, and such society shall, within sixty days thereafter, make other recommendations; and provided, that no one shall be eligible to appointment or service on such medical board who is addicted to intoxication or the habitual use of morphine, cocaine, or other such drugs. Vacancies occurring in such board shall be filled from the list already in the hands of the Governor for unexpired terms.

SEC. 4. The members of such boards shall qualify by taking the usual oath of office before the county judge of the county in which they shall respectively reside. The officers of said board shall be a president, vice-president, and secretary, who shall also act as treasurer. Six members shall constitute a quorum. Regular meetings of the boards shall be held at least twice a year at such times and places as the boards may from time to time determine. Due notice of said meetings shall be given by publication in such papers as may be selected by the boards. Special meetings may be held upon the call of the president and two members. The board may prescribe rules, regulations and by-laws for their own proceedings and government, and for the examination by its members of applicants for the practice of medicine, surgery and midwifery.

SEC. 5. It shall be the duty of said boards at any of their meetings to examine all persons making application to them who shall desire to commence the practice of medicine, surgery, midwifery in this State, and who shall not by the provisions of this act be exempt from such examination, and when an applicant shall have passed a satisfactory examination a certificate signed by all members of the board shall be issued to said applicant entitling him or her to practice medicine, surgery, obstetrics in the State of Texas and shall have affixed to it the seal of the State of Texas.

SEC. 6. In case any applicant shall fail to pass a satisfactory examination he or she shall not be permitted to stand any further examination within one year thereafter, and in no event shall an applicant who stands rejected by one of said boards be examined or licensed by either of the other boards. If an applicant desires to practice a system not represented by any of the boards hereby established, he or she may elect for himself or herself the board before which he or she will appear for examination; provided, that no applicant shall be rejected because of his or her adherence to any particular school of medicine or system of practice, nor on account of his or her views as to the method of treatment, and cure of

disease; and provided further, when in the opinion of the presidents of the boards any applicant has been unavoidably prevented from appearing before the board at their regular meeting, said president shall, upon notification appoint a committee of three members to examine such applicant and if the examination be satisfactory notify the secretary, who shall issue him or her a temporary certificate, which shall have the same force and effect as though granted by the full board until the applicant shall have the opportunity to appear before the board at its next regular meeting when said temporary certificate shall become void. No applicant shall be admitted to examination who cannot submit satisfactory evidence that he or she is more than twenty-one years of age, and is of good moral character. Applications for license must be made in writing and presented to the president or secretary of the board before which the applicant desires to appear and must be accompanied by a fee of fifteen dollars; provided, when an applicant desires to practice midwifery alone the fee shall be five dollars.

SEC. 7. The boards of examiners shall keep a record of their proceedings in a book kept for that purpose, showing name, age, place and duration of residence of each applicant, the time spent in medical study in or out of medical schools which have granted said applicant any degree or certificate of attendance upon lectures in medicine; said register shall show also whether said applicant was rejected or licensed and shall be prima facie evidence of all matters contained therein.

SEC. 8. From and after the passage of this amendment it shall be unlawful for any person to practice medicine, surgery or obstetrics in this State except: First, all those who were practicing medicine in Texas prior to January 1st, 1885. Second, all those who began the practice of medicine in this State after the above date who have complied with the laws of this State regulating the practice of medicine in force prior to the passage of this act; provided, that those who had diplomas recorded since January 1, 1891, shall present to the State Boards of Medical Examiners herein provided for satisfactory evidence that their diplomas were issued by bona fide medical colleges of respectable standing, receive a certificate from said boards, which shall be recorded as herein provided for, and provided that no fees shall be required for the issuing of such certificates. Third, all persons who shall hereafter receive certificates from the Board of Medical Examiners of this State as above provided for, and who shall also in all other respects have complied with the provisions of this act. Fourth, and provided, that all persons who may change their residence to the State of Texas, on filing a true copy of a license granted by the board of medical examiners of another State or territory, certified by the affidavits of the president and secretary of said board, with satisfactory proof of the genuineness of the same, and showing that the standard of requirements of the medical laws of said State or territory and that adopted by said board of medical examiners are equal to that provided for in this act, and who, on payment of the usual fee of fifteen dollars, may be registered and receive a license from the board of medical examiners of Texas to practice in this State. Fifth, and provided further, that all persons who desire to hereafter begin the practice of midwifery in this State, and charge for their services, shall make application to the medical examining boards, said application to be accompanied with the fee of five dollars as herein provided, and when the said medical examining boards

may admit to examination such applicant, and after passing a satisfactory examination in this special branch, will be granted a license to practice midwifery in the State of Texas; provided, this shall not apply to those who do not follow midwifery as a profession, and who do not advertise themselves as midwives, or hold themselves out to the public as practicing the profession of midwifery.

SEC. 9. Any person shall be regarded as practicing medicine or surgery within the meaning of this act who shall profess publicly to be a physician or surgeon and shall offer for practice as such for those needing medical or surgical aid, and shall charge therefor money or other compensation. This act shall be so construed as to include persons not pretending to be physicians who offer for sale publicly on the streets or other public places remedies not manufactured and compounded within this State which they recommend for the cure of disease, but this act shall not apply to any commissioned officer or contract surgeon of the United States army, navy or marine hospital service in the performance of their duties as such, nor to any legally qualified and registered dentist under the laws of this State, nor to any lawfully qualified physician or surgeon residing in other States or territories, meeting registered physicians and surgeons of this State in consultation.

SEC. 10. The applicant shall be examined in the following branches: Anatomy, physiology, chemistry, materia medica, therapeutics, histology, pathology, practice of medicine, surgery, including diseases of the eye, ear, nose and throat; obstetrics, gynecology, hygiene, and medical jurisprudence.

SEC. 11. The fund realized from the fees aforesaid shall be applied first to the payment of the necessary expenses of the boards of examiners, each board receiving only such fees as are collected from applicants which appear before said board. In addition to expenses the secretary shall receive ten dollars per day while in actual attendance upon regular meetings. If any balance be left in the treasury of the boards it shall be divided among the members in attendance as compensation for loss of time.

SEC. 12. Before any person obtaining a license under the provisions of this act can lawfully practice medicine, surgery or midwifery in this State he or she shall cause the said license to be recorded in the district clerk's office in the county in which he or she offers to practice. The license shall be recorded by the clerk of the district court in a book to be kept for that purpose, which shall be properly indexed. The clerk shall receive from the applicant a fee of fifty cents for recording this instrument.

SEC. 13. Any person who shall practice medicine, surgery or midwifery in this State in violation of the provisions of this act shall be fined not less than fifty dollars nor more than five hundred dollars for each offense or by both fine and imprisonment not exceeding six months and it shall not be lawful for him or her to recover by action, suit, motion, or warrant, any compensation for services which may be claimed to have been rendered by him or her as such physician, surgeon or midwife; provided, that the provisions of this act do not apply to persons treating disease who do not prescribe or give drugs or medicine.

SEC. 14. That Title LXXXII, of the Revised Statutes of Texas, and Articles 3777, 3778, 3779, 3780, 3781, 3782, 3783, 3784, 3785, 3786,

3787, 3788, 3789, of said title be and the same are hereby repealed, and all laws and parts of laws in conflict with this act be and are hereby repealed.

SEC. 15. The fact that there is no law in force adequately providing for the license of physicians, surgeons and midwives creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and this act be placed on its final passage and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 92, nays 2; and passed the Senate by two-thirds vote, yeas 23, nays 0.]

Approved February 22, 1901.

Takes effect ninety days after adjournment.

BONDS—REGULATING THE ISSUANCE OF.

H. B. No. 164.]

CHAPTER XIII.

An Act amending Articles 883 and 918e, of Chapter 2, Title 25, Revised Statutes of Texas, 1895, relating to the issuance of bonds by counties, and the registration by the Comptroller of bonds issued by counties, cities and towns; providing for the cancellation of old bonds when new ones are issued in lieu thereof; providing that Articles 903, 904, 905, 906, 907 and 908 shall remain in full force so far as they relate to bonds heretofore issued under Article 902 and all laws of which said article is amendatory; repealing all laws in conflict herewith and particularly Article 902, and declaring an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Articles 883 and 918e, of Chapter 2, Title 25, Revised Statutes of Texas, 1895, be so amended as to hereafter read as follows:

Article 883. Where bonds have been legally issued, or may be hereafter issued, by any county for any of the purposes above named, new bonds bearing the same, or a lower rate of interest, may be issued, in conformity with existing law, in lieu thereof.

Article 918e. When said bonds have been examined by the Attorney General, and his certificate attached thereto, they shall be registered by the Comptroller, in a book to be kept for that purpose, and the certificate of the Attorney General to the validity of such bonds shall be preserved of record, for use in the event of litigation; provided, that in the case of funding or refunding bonds, the Comptroller shall not register the same until the old bonds, in lieu of which such funding or refunding bonds are issued, are presented to him for cancellation, whereupon, after registration of the new bonds he shall cancel the old, and deliver such new bonds to the proper party or parties; provided further, that the old bonds may be so presented for cancellation in installments, and a like amount of the new bonds registered and delivered as herein provided.

SEC. 2. That all laws and part of laws in conflict herewith, and particularly Article 902, are hereby repealed; provided, that Articles 903, 904, 905, 906, 907 and 908, Revised Statutes of Texas, 1895, shall remain in full force and effect in so far as they relate or pertain to any

and all bonds heretofore issued under said Article 902 and all laws of which said article is amendatory.

SEC. 3. There being now no law authorizing counties to fund bonded indebtedness issued since January 1, 1895, and many counties having now outstanding bonds issued since said date, which may be funded by issuing new bonds bearing a much lower rate of interest, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and said rule is so suspended, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 88, nays 10; and passed the Senate by two-thirds vote, yeas 23, nays 0.]

Dry goods and clothing.....	526 00

FOR THE DEAF, DUMB AND BLIND ASYLUM FOR COLORED.

Groceries, provisions and miscellaneous.....	2,510 09
--	----------

SEC. 2. Whereas, there are no appropriations for the support of the institutions named, an emergency and an imperative public necessity exists for the suspension of the constitutional rule requiring bills to be read on three several days, and that this act shall take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 101, nays 1, and was reported to the Senate where it was amended and passed by two-thirds vote, yeas 21, nays 0; House concurred in Senate amendment by two-thirds vote, yeas 103, nays 0.]

CORPORATIONS—AMENDMENT TO LAW AUTHORIZING CREATION OF.

S. B. No. 9.]

CHAPTER XV.

An Act to amend Subdivision 56, of Article 642, of Chapter One Hundred and Thirty, of the acts of the Regular Session of the Twenty-fifth Legislature, entitled "An Act to amend Articles 641 and 642, Chapter 2, Title 21, of the Revised Civil Statutes of Texas, relating to corporations."

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Subdivision 56, of Article 642, of the above recited act sought hereby to be amended, be and the same is hereby amended so as to hereafter read as follows:

(56) The stockholders of all private corporations created for profit and with an authorized capital stock, under the provisions of this chapter, shall be required to pay in at least \$100,000, in cash, of their authorized capital stock, or to subscribe at least fifty per cent., and pay in at least ten per cent. of their authorized capital, before they shall be authorized to do business in this State, and whenever the stockholders of any such company shall furnish satisfactory evidence to the Secretary of State that at least \$100,000 of its authorized capital stock has been

paid in, in cash, or that at least fifty per cent. of its authorized capital has been subscribed and ten per cent. paid in, it shall be the duty of said officer to receive, file and record the charter of such company in the office of the Secretary of State upon application, and the payment of all fees therefor, and to give his certificate showing the record of said charter, and authority to do business thereunder; provided, that foreign corporations obtaining permits to do business in this State shall show to the satisfaction of the Secretary of State that at least \$100,000, in cash, of their authorized capital stock has been paid in, or that fifty per cent. of their authorized capital stock has been subscribed and at least ten per cent. of the authorized capital has been paid in, before such permit is issued.

SEC. 2. Whereas, the permits of various corporations which have made investments in Texas in accordance with law have expired, and are about to expire, and there is now no law authorizing the renewal of same, without which they will be compelled to realize on all investments, and withdraw from the State, thereby causing great hardships to them and their debtors, therefore, an emergency exists and an imperative public necessity demands that the constitutional rule which requires bills to be read on three several days in each house be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 21, nays 3; and passed the House of Representatives by two-thirds vote, vote not given.]

STATE TREASURER—AUTHORITY TO REFUND MONEY TO COUNTIES, ETC.

S. B. No. 68.]

CHAPTER XVI.

An Act authorizing the State Treasurer when money is remaining in the State treasury to the credit of any county, city or town after the obligations for which such money was placed in the treasury have been fully paid off, to return such money to the county, city or town to which it belongs.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* Whenever there is any money in the State treasury placed there to pay off any of the obligations due by any county, city or town, and it is made to appear to the Comptroller, by certified copy of the records of county commissioners court, or by other satisfactory evidence, that said obligations are no longer outstanding against such county, city or town, then it shall be the duty of the Comptroller to draw a warrant on the State treasury in favor of such county, city or town for the amount of money so remaining in the treasury, and the State Treasurer shall pay such money on said warrant of the Comptroller to the treasurer of such county, city or town.

SEC. 2. The fact that there is now no general law authorizing the Treasurer to return money remaining in the treasury after paying off

the obligations for which such money has been paid, and the fact that there is now in the treasury money due to counties, cities and towns, creates an emergency and imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 24, nays 0; and passed the House of Representatives by two-thirds vote, yeas 97, nays 0.]

Approved March 5, 1901.

COUNTY JUDGES—APPOINTMENT OF SPECIAL JUDGES IN CONDEMNATION PROCEEDINGS.

S. B. No. 15.]

CHAPTER XVII.

An Act to provide for the selection or appointment of special county judges in condemnation proceedings as provided for in Chapter 8, Title XCIV, of the Revised Civil Statutes of the State of Texas, when the county judge is disqualified.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That where any petition or statement for condemnation be presented to a county judge as provided in Article 4447 of the Revised Civil Statutes of the State of Texas, and such judge shall be disqualified to act by reason of any of the matters mentioned in Article 1129 of the Revised Civil Statutes of the State of Texas, he shall endorse his certificate of such disqualification upon such petition or statement for condemnation and file the same with the county clerk, who shall make a certified copy of such petition or statement for condemnation and of such endorsement thereon, and forward the same forthwith to the Governor; whereupon the Governor shall proceed to appoint some person learned in the law to act as special judge who shall have and exercise all of the powers conferred upon the county judge by Chapter 8, Title XCIV, of the Revised Civil Statutes of the State of Texas, and shall proceed to make the appointment of commissioners as provided by Article 4448 of the said statutes upon the said petition or statement for condemnation already filed, and in the event objections shall be filed by either party to the award of commissioners, the person so appointed by the Governor shall preside at all trials of the cause in the county court until such time as the disqualification of the county judge may have ceased; provided, that any time before such disqualification is so certified to the Governor, the parties by agreement may select such special judge.

SEC. 2. Whereas, there is now no law of the State of Texas providing for the appointment of a judge to act in condemnation proceedings where the county judge is disqualified, and the fact that in one or more counties in the State where the right of condemnation is sought to be exercised, the county judge is disqualified, creates an imperative public necessity and emergency for the suspension of the constitutional rule

requiring bills to be read on three several days and that this act take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 23, nays 0; and passed the House of Representatives by two-thirds vote, yeas 95, nays 2.]

Approved March 7, 1901.

Became a law March 7, 1901.

FISH LAW—AMENDMENT.

H. B. No. 4.]

CHAPTER XVIII.

An Act to amend Chapter 153, of the General Laws of the State of Texas, passed at the Regular Session of the Twenty-fifth Legislature and amended at the Regular Session of the Twenty-sixth Legislature, entitled "An Act to prohibit the taking of fish from the fresh waters and streams of this State otherwise than by means of the ordinary hook and line and trot line, and to prohibit the sale or shipping of game fish in this State, and to provide penalties for the violation thereof," by exempting the county of Cherokee and other counties from the provisions of this act.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Chapter 153 of the General Laws of the State of Texas, passed at the Regular Session of the Twenty-fifth Legislature and amended at the Regular Session of the Twenty-sixth Legislature, be amended so as to hereafter read as follows:

Chapter 153. That if any person shall at any time during the year take, catch, ensnare or entrap any fish, except minnows for bait, by means of nets, traps, poison or dynamite or in any other manner than the ordinary hook and line or trot line, in any of the fresh waters, lakes or streams of this State, such person shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined not less than \$25.00 and not more than \$100.00; provided, that minnows for bait shall not be taken by poison or dynamite; provided further, that the following counties are hereby exempt from the provisions of this act, except as refer to the taking, catching or ensnaring of fish by poison or dynamite or by means of nets or seines, or by ditching, draining or muddying in any lake, pond or pool without the consent of the owner of said lakes, ponds or pools: Stephens, Eastland, Palo Pinto, Panola, Comanche, Knox, Shackelford, Young, Archer, Throckmorton, Baylor, Delta, Franklin, Camp, Red River, Burnet, San Jacinto, Polk, Cooke, Collin, Ellis, Hill, Kaufman, Mason, Llano, Nacogdoches, Coryell, Fannin, Rockwall, Johnson, Trinity, Walker, Lavaca, Bosque, Hamilton, Brazos, Gregg, Shelby, Sabine, Zapata, Starr, Hidalgo, Cameron, Titus, Morris, Hardin, Jefferson, Tyler, Liberty, Grimes, Jasper, Montgomery, Caldwell, Goliad, DeWitt, Montague, Newton, San Augustine, Cherokee, Wood, Cass, Upshur, Hopkins, Harrison, Walker, Galveston, Brazoria, Wharton, Chambers, Matagorda, Freestone, Lamar, Hunt, Hood, Austin, Rains, Brown, Denton and Angelina; provided, that Webb county is hereby exempted from all the provisions of this act.

SEC. 2. All laws and parts of laws in conflict herewith are hereby repealed.

SEC. 3. The fact that the people of Cherokee county demand the passage of this law, and the further fact that the people of adjoining counties are now enjoying the advantages that the passage of this act will afford Cherokee county, creates an emergency and an imperative public necessity, requires the suspension of the constitutional rule requiring bills to be read on three several days, and the rule is hereby suspended and this act shall take effect and be in force from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 110, nays 1; and passed the Senate by two-thirds vote, yeas 22, nays 0; Free Conference Committee report adopted by the House by two-thirds vote, yeas 91, nays 1; and adopted by the Senate by two-thirds vote, yeas 22, nays 0.]

Approved March 7, 1901.

Became a law March 7, 1901.

FOURTH JUDICIAL DISTRICT—REORGANIZATION OF.

H. B. No. 413.]

CHAPTER XIX.

An Act to reorganize the Fourth Judicial District of Texas, and to designate the counties which compose the same, and to transfer the county of Gregg from the Seventh Judicial District of Texas to the Fourth Judicial District: to prescribe the time for holding the district courts therein; to validate all process, writs and bonds issued or executed prior to the taking effect of this act and returnable to the terms of said court, as heretofore fixed by law, and to make same returnable to the terms of said court as fixed by this act, and to repeal all laws and parts of laws in conflict herewith, and declaring an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* The Fourth Judicial District shall hereafter be composed of the counties of Rusk, Harrison, Panola and Gregg.

SEC. 2. The terms of the district court shall hereafter be held in said district as follows:

In the county of Rusk, on the first Monday in January and July, and may continue in session five weeks.

In the county of Harrison, on the fifth Monday after the first Monday in January and July, and may continue in session seven weeks.

In the county of Panola, on the twelfth Monday after the first Monday in January and July, and may continue in session four weeks.

In the county of Gregg, on the sixteenth Monday after the first Monday in January and July, and may continue in session until the business is disposed of.

SEC. 3. That all process, writs and bonds issued or executed prior to the taking effect of this act and returnable to the terms of said court, as heretofore fixed by law in the several counties composing the said district, are hereby made returnable to the terms of said court in the several counties as fixed in this act; and all process heretofore returned, as well as all bonds and recognizances heretofore entered into in any of said courts, shall be as valid as if no changes had been made in the time of holding said courts.

SEC. 4. All laws and parts of laws in conflict with this act are hereby repealed.

SEC. 5. The crowded condition of the calendar and the near approach of the close of the session of the Legislature, and the fact that the present terms of the Fourth District Court, as now arranged, interfere with the dispatch of business, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 100, nays 0; and passed the Senate by two-thirds vote, yeas 27, nays 0.]

Approved March 7, 1901.

Became a law March 7, 1901.

FOURTH JUDICIAL DISTRICT—ADDITIONAL TERMS OF COURT FOR SMITH COUNTY.

H. B. No. 447.]

CHAPTER XX.

An Act to provide for the holding of two additional terms of the district court in Smith county, and to prescribe the time for holding the same.

Whereas, the county of Gregg, which has heretofore constituted a part of the Seventh Judicial District, has been transferred to the Fourth Judicial District, leaving the time heretofore prescribed for the holding of the district court in Gregg county undisposed of; and

Whereas, the accumulation and volume of litigation in Smith county renders it necessary to provide for the holding of additional terms of the district court in said county; therefore,

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That two additional terms of the district court, in addition to the terms of said court now by law provided to be held in Smith county, be held in said county of Smith each year; said additional terms to begin on the fourteenth Monday after the first Monday in September and February, respectively, and each of said terms may continue in session four weeks.

SEC. 2. The near approach of the close of this session of the Legislature and the crowded condition of the docket of the district court of Smith county necessitating additional terms of said court in said county, create an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and this bill put upon its third reading and final passage, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 101, nays 0; and passed the Senate by two-thirds vote, yeas 27, nays 0.]

Approved March 11, 1901.

Became a law March 11, 1901.

DISTRICT CLERKS—FEES OF.

S. H. B. No. 7.]

CHAPTER XXI.

An Act to regulate and define the fees of the clerks of the district courts of the State of Texas in civil cases.

SEC. 2. Whenever in any suit a certified copy of any petition or any other instrument is necessary in the district court, it shall be lawful for the plaintiff or defendant to prepare such true and correct copy thereof, and submit the same to the clerk of the district court, whose duty it shall be to compare the same with the original instrument, and if found to be correct he shall attach his certificate of true copy. For such services he shall receive 50 cents for each certificate and seal, and in addition thereto the sum of 10 cents per page, three hundred words to the page, for each page of each copy.

SEC. 3. But nothing in this act shall be construed as repealing the maximum fixed by existing law upon the total compensation allowed to district clerks.

SEC. 4. All laws and parts of laws in conflict herewith are hereby repealed.

SEC. 5. The fact that the fees allowed clerks of the district courts are uncertain and not sufficient in many instances to secure efficient service constitutes an emergency that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, vote not given, and was reported to the Senate where it was amended and passed by two-thirds vote, yeas 22, nays 0; House concurred in Senate amendments, 1, 2, 3, and 4, by two-thirds vote, yeas 88, nays 2, and in Senate amendment No. 5, by two-thirds vote, yeas 92, nays 5.]

Approved March 12, 1901.

GAMING—AMENDMENT TO PENAL CODE.

H. S. for H. B. No. 11.] CHAPTER XXII.

An Act to amend Articles 379 and 381, Chapter 3, Title XI, of the Penal Code of the State of Texas.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Articles 379 and 381, Chapter 3, Title XI, of the Penal Code of the State of Texas, be so amended as to read as follows:

Article 379. If any person shall play at any game of cards at any house for retailing spirituous liquors, store house, tavern, inn, or other public house, or in any street, highway or other public place, or in any outhouse where people resort, or at any place except a private residence occupied by a family; or if any person shall bet or wager any money or other thing of value, or representative of either, at any game of cards, except in a private residence occupied by a family, and the provisions of this act that permits gaming in a private residence shall not apply in case such residence is one commonly resorted to for the purpose of gaming, he shall be fined not less than ten nor more than twenty-five dollars.

Article 381. In prosecutions under the two preceding articles it shall not be necessary for the State to prove that any money or article of value, or the representative of either, was bet at such game when the prosecution is for playing cards at a house for retailing spirituous liquors, store house, tavern, inn, or any other public place, or in any street, highway or other public place, or in any outhouse where people resort, or at any place except a private residence occupied by a family; provided, that nothing in this title shall be so construed as to prevent the playing of any game for amusement at a private residence occupied by a family.

SEC. 2. The fact that the present law is insufficient, and that there is great complaint made by the people with regard to gaming, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act be put on its third reading and final passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, vote not given, and reported to the Senate where it was amended and passed, vote not given; House concurred in Senate amendments, vote not given.]

Approved March 12, 1901.

Takes effect ninety days after adjournment.

RAILWAYS—RELIEF OF THOSE FAILING TO CONSTRUCT THEIR LINES WITHIN THE TIME REQUIRED BY LAW.

S. B. No. 30.]

CHAPTER XXIII.

An Act for the relief of railway corporations and belt and suburban railway companies having charters granted or amended since the first day of January, 1887, and which have failed, or about to fail, to construct their roads and branches, or any part thereof, within the time required by law.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the time within which any railway corporation, chartered under the laws of the State of Texas, since the first day of January, 1887, or the charter of which has been amended since that date, is required to begin the construction of its road, and construct, equip and put in good running order, as provided in Article 4558, of the Revised Statutes of the State of Texas, and the same hereby is, as to any unfinished portion of such road, extended two years from the taking effect of this act; and any railway company having been chartered since January 1, 1887, or the charter to which has been amended since said date, which shall have forfeited its corporate existence or any of its rights and powers, or is about to do so, by reason of the failure to comply with said Article 4558, or any part of said article, shall have restored and preserved to its corporate existence and it shall have and enjoy all of the corporate franchises, property, rights and powers held or acquired by it previous to any cause of forfeiture on account of such failure as aforesaid; provided, that no railway company which shall be revived or the time extended by virtue of this act shall claim or exercise any right or franchise not allowed, granted or permitted to other railway corporations under the laws as now in force in this State, and such railroad company as may be revived or time extended by this act shall comply with the laws of this State now in force pertaining to railway corporations, and the provisions of this act shall extend to and embrace suburban and belt railroads heretofore chartered under the laws of this State.

SEC. 2. Any railway corporation chartered since the first day of January, A. D. 1887, and which by its original charter, or by amendment thereto, filed since said first day of January, A. D. 1887, has provided for the locating, constructing, maintaining, owning and operating, or any extension or branch line or lines of railway, and which have failed or is about to fail to complete the same or any part thereof within the time required by law, shall, upon the payment of all its franchise tax, be and is hereby restored to and granted all and singular the rights, privileges and franchises acquired by such original charter, or by such amendment to its articles of incorporation as if the same were filed and recorded in the office of the Secretary of State on the day of the taking effect of this act, and such corporation shall, upon the payment of its franchise tax, be and is hereby authorized to project, complete, construct, own and operate any such extensions and branch line or lines of railway under and as provided for in its charter, or in any such amendment to its articles of incorporation; provided, that such extensions and branch lines of railway shall be by such corporation completed and put in running order at the rate of at least ten miles within one year from the taking effect of this act, and twenty additional miles for each and every

year thereafter until all of said extensions or branch line or lines so provided for are completed.

SEC. 3. The fact that no good can result to the State from the forfeitures provided against in this act, and that the public interest and convenience will be promoted, and citizens in many parts of the State having invested in railway enterprises subject to great loss, unless the relief herein provided for be granted, therefore, an emergency and an imperative public necessity authorizing the suspension of the constitutional rule requiring bills to be read on three several days is created, and it is so suspended, and demanding that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 24, nays 0; and passed the House of Representatives by two-thirds vote, yeas 100, nays 1.]

Approved March 12, 1901.

Became a law March 12, 1901.

STOCK LAW—AMENDMENT OF.

S. B. No. 42.]

CHAPTER XXIV.

An Act to amend Section 1, Chapter 128, of an act passed by the Twenty-sixth Legislature of the State of Texas, and sent to the Governor for his approval on the 20th day of May, A. D. 1899, and entitled "An Act providing a mode by which horses, mules, jacks, jennets and cattle may be prevented from running at large in the following counties, or in any subdivision of said counties, viz.: Cooke, Bell, Ellis, Montague, Fayette, Johnson, Collin, Rockwall, Lamar, Milam, Denton, Falls, Navarro, Fannin, Hunt, Tarrant, Grayson, Guadalupe, Dallas, Austin, Brazos, Lavaca," so as to place Lavaca, Colorado, Washington, Williamson, Smith and Delta counties under the provisions of said chapter, and to declare an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Section 1, Chapter 128, of the Revised Civil Statutes of the State of Texas, be and the same is hereby amended so as to hereafter read as follows:

Upon the written petition of one hundred freeholders of any of the following named counties, Cooke, Bell, Ellis, Montague, Fayette, Johnson, Collin, Rockwall, Lamar, Milam, Denton, Falls, Navarro, Fannin, Hunt, Tarrant, Grayson, Guadalupe, Dallas, Austin, Brazos, Lavaca, Colorado, Washington, Williamson, Smith and Delta counties, Texas, or upon the petition of fifty freeholders of any subdivision of any of the above named counties, the commissioners court of said county, shall order an election to be held in said county or subdivision on same day named in the order, for the purpose of enabling the freeholders of such county or subdivision to determine whether horses, mules, jacks, jennets and cattle, shall be permitted to run at large in such county or subdivision; provided, that where there is an application for an election to include an entire county, there shall not be less than twelve freeholders from each justice precinct of said county as signers to the petition for such election.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given; and reported to the House of Representatives where it was amended and passed, no vote given; Senate concurred in House amendments, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the thirteenth day of March, A. D. 1901, but was not signed by him nor returned to the House in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—JOHN G. TOD, Secretary of State.]

Takes effect 90 days after adjournment.

PRESIDENTIAL ELECTORS—APPROPRIATION TO PAY MILEAGE AND PER DIEM.

S. B. No. 27.]

CHAPTER XXV.

An Act making an appropriation to pay mileage and per diem of the presidential electors of Texas.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the sum of sixteen hundred and fifty dollars, or so much thereof as may be necessary, is hereby appropriated out of any money in the treasury not otherwise appropriated, to pay the mileage and per diem of the presidential electors. That the certificate of the secretary of the college stating the number of days that the college was in session, shall be sufficient authority to the Comptroller to draw his warrant upon the Treasurer for the amount due each elector; provided, that Hon. John J. Cox, the duly elected elector from the Eighth Congressional District, who, from sickness in his family and delayed trains, did not arrive at the capital until after the electoral college had met and organized, shall be entitled to receive his mileage from Goldthwaite, Texas, and two days per diem, and the Comptroller is hereby authorized to draw his warrant on the Treasurer accordingly.

SEC. 2. Whereas, the electoral college is about to meet, public policy demands that they should be paid, an emergency exists and necessity demands that the constitutional rule requiring the bill to be read on three several days be suspended and that this act shall take effect from its passage. It is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 21, nays 0; and was reported to the House of Representatives where it was amended and passed by two-thirds vote, yeas 102, nays 0; Senate concurred in House amendments by two-thirds vote, yeas 24, nays 0.]

Approved March 22, 1901.

Became a law March 22, 1901.

LIBEL LAW.

S. B. No. 25.]

CHAPTER XXVI.

An Act to define civil libel, to declare certain newspaper reports to be privileged communications: to allow certain matters to be pleaded and proved in mitigation of exemplary damages in civil libel cases, and to declare an emergency.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. A libel is a defamation expressed in printing or writing, or by signs and pictures, or drawings, tending to blacken the memory of the dead, or tending to injure the reputation of one who is alive, and thereby expose him to public hatred, contempt or ridicule, or financial injury, or to impeach the honesty, integrity or virtue or reputation of any one, or to publish the natural defects of any one, and thereby expose such person to public hatred, ridicule or financial injury.

SEC. 2. In any action for libel the defendant may give in evidence, if specially pleaded, in mitigation of exemplary or punitive damages, the circumstances and intentions under which the libelous publication was made, and any public apology, correction or retraction made and published by him of the libel complained of. The truth of the statement or statements in such publication shall be a defense to such action.

SEC. 3. The publication of the following matters by any newspaper or periodical, as defined in Section 1, shall be deemed privileged, and shall not be made the basis of any action for libel without proof of actual malice.

1. A fair, true and impartial account of the proceedings in a court of justice, unless the court prohibits the publication of the same, when in the judgment of the court the ends of justice demand that the same should not be published, and the court so orders; or any other official proceedings authorized by law in the administration of the law.

2. A fair, true and impartial account of all executive and legislative proceedings that are made a matter of record, including reports of legislative committees, and of any debate in the Legislature and in its committees.

3. A fair, true and impartial account of public meetings, organized and conducted for public purposes only.

4. A reasonable and fair comment or criticism of the official acts of public officials and of other matters of public concern published for general information.

SEC. 4. Nothing in this act shall be construed to amend or repeal any penal law on the subject of libel, nor to take away any existing defense to a civil action for libel, nor shall this act affect any suits now pending, or that may hereafter be brought upon a cause of action arising prior to the taking effect of this act.

SEC. 5. The fact that there is now no law in this State defining libel and privileged publications creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and this act shall take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 25, nays 1, and was reported to the House

of Representatives where it was amended and passed by two-thirds vote, yeas 86, nays 13; Senate concurred in House amendments, no vote given.]

Approved March 26, 1901.

Takes effect 90 days after adjournment.

RAILROADS—FIXING VENUE OF SUITS AGAINST.

S. S. B. No. 35.]

CHAPTER XXVII.

An Act to fix the venue of suits against railroad corporations or against any assignee, trustee or receiver operating railways for damages arising from personal injuries, resulting in death or otherwise, and to repeal all laws and parts of laws in conflict with the provisions of this act.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That all suits against railroad corporations, or against any assignee, trustee or receiver operating any railway in the State of Texas, for damages arising from personal injuries, resulting in death or otherwise, shall be brought either in the county in which the injury occurred, or in the county in which the plaintiff resided at the time of the injury; provided, that if the defendant railroad corporation does not run or operate its railway in or through the county in which the plaintiff resided at the time of the injury, and has no agent in said county, then said suit shall be brought either in the county in which the injury occurred, or in the county nearest that in which the plaintiff resided at the time of the injury, in which the defendant corporation runs or operates its road, or has an agent; and provided further, that in case that the plaintiff is a non-resident of the State of Texas, then such suit may be brought in any county in which the defendant corporation may run or operate its railroad or may have an agent; provided, that when an injury occurs within one-half mile from the boundary line dividing two counties suit may be brought in either of said counties.

SEC. 2. That all laws and parts of laws in conflict with any of the provisions of this act be and the same are hereby repealed.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given, and was reported to the House of Representatives where it was amended and passed, no vote given; Senate concurred in House amendments, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the twenty-seventh day of March, A. D. 1901, but was not signed by him nor returned to the House in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—JOHN G. TOD, Secretary of State.]

Takes effect 90 days after adjournment.

MINERAL SURVEY OF PUBLIC LANDS.

H. B. No. 135.]

CHAPTER XXVIII.

An Act to provide for a mineral survey of the lands belonging to the public schools, University and asylums or of the State, and to make appropriation therefor; and to provide a penalty for unlawfully disclosing information obtained by such survey; and to loan and authorize the removal to the University of the geological and scientific equipments, collections, specimens and publications now in charge of the Commissioner of Agriculture, Insurance, Statistics and History; and also declaring an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* The Board of Regents of the University of Texas are authorized and directed as soon as practicable to have made a mineral survey of all the lands belonging to the public schools, University, asylums, or of the State.

SEC. 2. Said board shall employ for that purpose persons skilled and who have had at least five years experience in the science of mineralogy, geology and chemistry, who shall conduct said survey under the direction of said board.

SEC. 3. Said board shall publish annually for free distribution among the people of the State all practical information collected in the prosecution of said survey as the same progresses; but the information obtained by a survey of the public school, university, asylum or State lands shall not be communicated by said board or by the person or persons making said survey to any person whomsoever until said information is published for the benefit of the general public; and anyone violating this provision shall, upon conviction, be fined in any sum not exceeding one thousand dollars, or by imprisonment not to exceed two years in jail.

SEC. 4. In connection with the work of said survey provision shall be made for assays, analyses and other scientific examinations of specimens of mineral substances found in the State, and for the collection and distribution of statistics relating to the mineral production of the State, and such assays, analyses and examinations shall be made at the request of any citizen of the State, and a certificate thereof given, and a uniform and reasonable charge shall be fixed by said board for such assays and analyses. It is especially provided, however, that assays and analyses of mineral specimens found upon any of the public lands of the State shall be made free of charge when requested by the Governor or by the Commissioner of the General Land Office.

SEC. 5. In connection with said survey, said board shall make provision for instruction in the University of Texas, in practical economic and field geology and mineralogy, and shall have prepared and transmitted to the A. and M. College, for educational purposes, duplicate specimens of all mineral and other substances obtained from the survey.

SEC. 6. The geological and scientific equipments, collections, specimens and publications now in charge of the Commissioner of Agriculture, Insurance, Statistics and History are hereby loaned to said board until such time as the State may desire to otherwise use them, and their removal to the University of Texas is hereby authorized.

SEC. 7. For the purpose of carrying out the provisions of this act the sum of ten thousand dollars per annum for two years or so much thereof

as may be necessary is hereby appropriated out of the general revenue of the State; provided, that said mineral survey of the State shall be completed within two years.

SEC. 8. All laws and parts of laws in conflict with the provisions of this act are hereby repealed.

SEC. 9. Whereas, there is now no provision for a mineral survey of the public lands of the State, and as a result the mineral value of such lands is not known, and said lands are being sold without regard to their mineral value, whereby great loss is resulting to the public free school, asylum and University funds of the State; and whereas, there is now no provision for the collection and preservation of authentic data concerning the mineral resources of the State; and whereas, no provision now exists whereby reliable official assays, analyses and examinations may be obtained by citizens of Texas, whereby great loss is suffered by people of the State; therefore it is declared that an emergency is created and an imperative public necessity exists for the immediate passage of this act, and the constitutional rule requiring bills to be read on three several days be and is hereby suspended, and that this act take effect and be in force from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 86, nays 16, and was reported to the Senate, where it was amended and passed by two-thirds vote, yeas 21, nays 1; House concurred in Senate amendments by two-thirds vote, yeas 99, nays 3.]

SOUTHWEST TEXAS NORMAL SCHOOL.

S. B. No. 142.]

CHAPTER XXIX.

An Act to provide for the organization, control, management and active operation of the Southwest Texas Normal School, located at San Marcos, Hays county, Texas; the control and improvement of the grounds belonging to the same; the erection of the necessary buildings for said school; furniture for same, water, lighting and heating of said buildings; and appropriating money for those purposes.

Whereas, by act of the Twenty-sixth Legislature, a school to be known as the Southwest Texas Normal School was located at San Marcos, Hays county, Texas, eleven acres of land known as Chautauqua Hill was donated to the State of Texas by the city of San Marcos for the purposes of said school and which donation has been accepted by the State by the approval of the title to said land by the Governor and Attorney General; and

Whereas, for the educational convenience and needs of Southwest Texas, said school is a pressing necessity, therefore,

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That said Southwest Texas Normal School be and the grounds belonging to same are placed under the management, control

and direction of the State Board of Public Education for the State, and that said board at the earliest practical moment proceed to have erected on the aforesaid eleven acres of land, suitable and necessary buildings for the accommodation of the pupils in said school, said buildings to be substantial and first-class in every particular, supplied with the necessary furniture, lights, water and heating apparatus, such as may be deemed proper by said board, and the grounds improved and beautified to the extent that the said board may deem necessary.

SEC. 2. The Board of Education shall have the same power and control as to admission of the pupils to the Southwest Texas Normal School as it has to the admission of the pupils to the Sam Houston Normal Institute, and the rules and regulations provided by law for the government of the Sam Houston Normal Institute shall apply in all respects so far as applicable to the government and control of the Southwest Texas Normal School.

SEC. 3. The State Board of Education shall appoint a local board of three trustees for the said Southwest Texas Normal School, who shall be residents of the city of San Marcos and who shall perform such duties as may be required by the State Board of Education and such other duties as are required by law of the local board of the Sam Houston Normal Institute and shall receive the same compensation; and the State Board of Education shall exercise all of the powers and control over the Southwest Texas Normal School that said board is authorized by law to exercise over the Sam Houston Normal Institute and the salaries of teachers shall never exceed what is allowed by law for teachers in the Sam Houston Normal.

SEC. 4. The sum of thirty-five thousand dollars is hereby appropriated out of the general revenue, twenty-five thousand dollars of which shall be for the purpose of erecting and equipping the buildings for the Southwest Texas Normal School and ten thousand for the running expenses of such institution after the completion of said buildings.

SEC. 5. The money appropriated by this act may be drawn upon for the purposes aforesaid by the State Board of Education on vouchers audited by said board and approved by the Governor and on filing such vouchers with the Comptroller he shall draw his warrant on the State Treasurer for the amount in favor of said board; provided, that this money shall not be drawn unless the Governor in his discretion thinks the condition of the treasury will permit the use of the money for the purposes of this act.

SEC. 6. So soon as the necessary buildings for said Southwest Texas Normal School are completed or in condition for the reception and accommodation of pupils, the Board of Public Education shall make this fact known in such way as said board may deem effective and shall at once proceed to at once open and organize said school by the employment of the necessary number of teachers, and the number of teachers may be increased by the board from time to time as the increased attendance of pupils may demand; provided, at no time any debt shall be created by the board in excess of the money appropriated for the purposes of said act and for the support and maintenance of this school.

SEC. 7. The fact that there is no normal school in Southwest Texas and the education and training of teachers is badly needed in that section, creates an imperative public necessity that the constitutional rule

requiring bills to be read on three several days be suspended, and that said rule is hereby suspended.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by yeas 20, nays 4; and was reported to the House of Representatives where it was amended and passed, no vote given; Senate concurred in House amendments, no vote given.]

Approved March 28, 1901.

Takes effect 90 days after adjournment.

PRAIRIE VIEW NORMAL COLLEGE—ESTABLISHING
COURSE, AND MAKING APPROPRIATION
THEREFOR.

S. B. No. 17.]

CHAPTER XXX.

An Act to establish and maintain a four year college course of classical and scientific studies at the Prairie View Normal and Industrial College at Prairie View, Waller county, Texas.

Be it enacted by the Legislature of the State of Texas:

That the sum of twenty-five hundred dollars for the first year and eighteen hundred dollars for the second year be set apart and is hereby appropriated out of the general revenue for the inauguration and maintenance of a four year college course of classical and scientific studies at the Prairie View State Normal and Industrial College, to which graduates of the normal course shall be admitted without examination and to which others may be admitted after having passed a satisfactory examination in the branches comprised in the normal course; provided, that no State student shall be admitted to the privileges of the said course, and provided further, that the diploma conferred on the completion of the said course shall entitle the holder without other or further examination to teach in any of the colored public free schools of the State.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given, and was reported to the House, where it was amended and passed, no vote given; Senate concurred in House amendments, no vote given.]

Approved March 28, 1901.

Takes effect 90 days after adjournment.

COKE COUNTY—ROAD LAW.

S. B. No. 24.]

CHAPTER XXXI.

An Act to amend an act passed by the Twenty-sixth Legislature in the year A. D. 1899, entitled An Act to amend Chapter 134, Sections Nos. 1, 7 and 15, of the General Laws of the Twenty-fourth Legislature, of an act to create a more efficient road system for Hill, Coke, Hunt, Jackson, Bee and Victoria counties, Texas; and making the county commissioners of said counties ex-officio road commissioners, and prescribing their duties as such; providing for their compensation as road commissioners; providing for the appointment of deputy road commissioners, and defining the powers and duties of said commissioners; and providing for the appointment of road overseers and defining their duties; and for the working of county convicts upon the public roads of said counties; and providing for officers' fees and rewards for the capture of escaped convicts; and providing for the manner of trimming of hedges along any public road; and providing for the summoning of teams for road work, and for an allowance of time of road service for same; and fixing a penalty for the violation of this act; and repealing all laws in conflict with this act," so as to exempt Coke county from the provisions of said act, and place it under the general provisions of the Constitution and statutes of the State pertaining to public roads; and repeal all laws in conflict with this act in so far as relate to Coke county.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the county of Coke be and is hereby exempt from the provisions of Sections 1, 7 and 15, Chapter 134, passed by the regular session of the Twenty-sixth Legislature, A. D. 1899, creating a public road system for said county.

SEC. 2. That the said Coke county be and is hereby placed under the general road laws, as provided by the Constitution and the general statutes of the State for the provisions and government of its public road system.

SEC. 3. That all laws and parts of laws in conflict herewith be, and they are hereby, repealed in so far as they relate to said Coke county.

SEC. 4. Whereas, the present road system for Coke county is inapplicable, and is not suited to said county, and was passed by and through a mistake, and that said Coke county is now without a suitable and efficient road law, creates an emergency and public necessity that require the suspension of the constitutional rule, requiring bills to be read on three several days, and said rule is therefore suspended, and it is enacted, that this act take effect and be in force from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given, and passed the House of Representatives, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 28th day of March, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—JOHN G. TOD, Secretary of State.]

Takes effect 90 days after adjournment.

CLAY COUNTY—ROAD LAW.

H. B. No. 53.]

CHAPTER XXXII.

An Act to create a more efficient road system for Clay county, Texas, and making the county commissioners of said county ex-officio road commissioners; prescribing their duties as such; providing for their compensation as road commissioners; providing for the appointment of deputy road commissioners, and defining their duties; for the working of county convicts partly on farm and partly on public roads, or other public works of said county; for compensation of said convicts; offering suitable rewards for recapture of convicts, charging costs of same against said convicts; in discretion of said court, providing mode of punishment for insubordination of convicts; providing for the condemnation of any land needed for road purposes; providing for taking timber, gravel, earth, stone or other material for the improvement of the roads; providing for annual reports of road commissioners and their deputies; for contracting out work when deemed necessary; providing for penalty for violation of this act; repealing all laws in conflict with this act.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* The members of the commissioners court of Clay county, Texas, shall hereafter be ex-officio road commissioners of their respective districts, and under the direction of the commissioners court shall have charge of all the teams, tools and machinery belonging to the county and placed in their hands by the court, and it shall be their duty under such rules and regulations as the court may prescribe, to superintend the laying out of new roads, the making or changing of roads, and the building of bridges. Each of said commissioners shall, before entering upon the discharge of the duties of his office, execute a bond of one thousand dollars in addition to his bond as commissioner, with two or more good and sufficient sureties, payable to the county judge of said county, for the use and benefit of the road and bridge fund, conditioned that he will perform all the duties required of him by law or by the commissioners court, and that he will account for all moneys or other property belonging to the county that may come into his possession; provided, that any one of the commissioners may, with the consent of the commissioners court, be allowed to appoint any competent person as deputy road commissioner, who shall be required to execute the same bond, with like conditions, as is required of commissioners in this section, and such deputy road commissioner shall be entitled to the same compensation that is allowed county commissioners for the same service; provided, the county commissioners shall not be allowed any compensation as road commissioners when a deputy road commissioner has been appointed.

SEC. 2. The commissioners court of said county shall have full power and authority, and it shall be their duty to adopt such system of working, laying out, draining and repairing the public roads in said county as they may deem best, and from time to time said court may change its plans or system of working. Said commissioners court shall have authority to purchase such teams, tools and machinery as may be necessary for the working of its roads. Said court shall have power and authority to construct, grade or otherwise improve any road or bridge by contract. In such case said court or the county judge may advertise, in such manner as the court may determine, for bids to do such work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond, payable to the county judge of said county, for the use and benefit of the

road and bridge fund, with two or more good and sufficient sureties, to be approved by said court and in such sum as said court may determine, for the faithful compliance with the terms of said contract, but said court shall have the right to reject any and all bids. At the time of making said contract the court shall direct the county treasurer to pass the amount to a particular fund for that purpose, and the treasurer shall keep a separate account of such fund, and the same shall not be used for any other purpose, and can only be paid out on the order of said court; and said court shall have authority to employ hands, teams and tools under such regulations and for such price as they may deem best.

SEC. 3. The commissioners court shall require all county convicts, not otherwise employed, to labor upon the public works and roads, under such regulations as it may prescribe, and each convict so worked, shall receive a credit on his fine first, and then on the cost, of fifty cents for each day he may labor.

The commissioners court may, at a regular term, allow to the officers and witnesses such amount of their costs for the arrest and conviction of said convict, as it may deem best; provided, that it shall not allow any officer an amount greater than the following: county judge \$3.00, county attorney \$5.00, including commissions, county clerk and justices of the peace \$1.70, sheriffs or constables \$2.00, which amount shall be paid to the officers out of the road and bridge fund, on the warrant of the commissioners court; provided, that this act shall not be so construed as to relieve any convict from the payment of all costs for which he may be liable under the laws of the State. The commissioners court may grant a reasonable commutation of time for which a convict is committed, as a reward for faithful services and good behavior; provided, that such commutation shall in no case exceed one-tenth of the whole time.

The commissioners court may provide the necessary houses, prisons, bedding, clothing, food, medicine, medical attention and guards for the safe and humane keeping of convicts, and provide for the reasonable punishment of convicts for insubordination, among other modes of punishment, provide for placing convicts on a diet of bread and water until such subordination ceases; in no case shall corporeal bodily punishment be resorted to.

The commissioners court may also provide for offering rewards of not more than ten dollars for the capture and return of escaped convicts each; provided however, that no officer, guard, or other person from whose custody a convict may escape, shall be entitled to receive such reward; provided further, that said commissioners court may tax the amount of reward and all other costs of recapture against said escaped convict, and he may be required to pay the same, in the same manner as other fines and costs are paid.

SEC. 4. Whenever it shall be necessary to occupy any land for the opening, widening, straightening, changing or draining any road or part thereof, if the owner of said land cannot agree with the commissioners court as to the damage to be paid, the court may proceed to condemn the same, in the same manner that a railroad company can condemn land for a right of way, and the same proceedings may be had, and the same right shall exist to each party, that would exist if the proceedings were by a railroad company, except that in no case shall the county be required to give bond.

SEC. 5. When it may appear to be expedient to make causeways, build bridges or gravel any public road, the timber, earth, stone or other material most convenient therefor may be used; but in such cases the owner of the timber, gravel, earth, stone, or other necessary material, shall be paid out of the road and bridge fund, by the county treasurer, a fair compensation for the same, to be determined by the commissioners court, upon application of such owner.

SEC. 6. In all cases where the cost of labor or material exceeds two hundred dollars, it shall be the duty of said court, or the court may in its discretion construct such work, grade, gravel, bridge or otherwise improve said road by contract, the same to be advertised for as provided by said commissioners court.

SEC. 7. Each commissioner or his deputy, when acting as road commissioner and performing the duties imposed on him by law, or the commissioners court, shall be entitled to two dollars per day, to be paid out of the road and bridge fund, for services actually performed; provided, that he shall not receive more than one hundred dollars per quarter, which amount shall be paid by warrant out of the road and bridge fund; said account to be sworn to by the person performing the service, and the oath shall state that the same is just, due and unpaid, and shall specify the number of days work actually performed by him, and that it was necessary to be done, and no commissioner shall be entitled to pay as a road commissioner when performing the duties of county commissioner.

SEC. 8. Each commissioner or his deputy shall make and present to the commissioners court a report up to and including the last day of October of each year, at the regular meeting of said court in November of each year, a full and complete report for the year, closing said report on the last day of October prior thereto; said report shall include such items of information as will enable the court to have a full knowledge of the conditions of the roads, bridges, crossings, culverts, with suggestions for future improvement, amount of money expended, including salary, together with a list of tools and other property, its condition, under his control, and such other data and information as the court may require; and the last quarter of his salary shall not be paid until said report has been approved by the commissioners court.

SEC. 10. This act shall be cumulative of all general laws on this subject, and shall be taken notice of by all courts in the same manner as the General Laws of the State on the subject of roads and bridges when not in conflict therewith; but in case of conflict this act shall control as to Clay county, and all laws conflicting therewith are hereby repealed.

SEC. 11. The fact that there is now no sufficient general road law in force in this State, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days, be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 93, nays 0; and passed the Senate by two-thirds vote, yeas 24, nays 0.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 28th day of March, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his

objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—JOHN G. TOD, Secretary of State.]

FORT BEND COUNTY—AN ACT EXTENDING RELIEF TO.

H. B. No. 217.]

CHAPTER XXXIII.

An Act to extend relief to Fort Bend county, and to authorize said county to have certain bonds heretofore issued by it canceled and annulled; and providing service by publication to the holders thereof where their names or residence is unknown.

Whereas, the commissioners court of Fort Bend county, Texas, on the 12th day of May, 1884; 27th day of March, 1885, issued bonds to Sidney Meed, and known as River Bridge Bonds, to the amount of twenty-eight thousand dollars, which were to be dated on the 27th day of October, 1884, and 28th day of May, 1886, and bearing 8 per cent. interest, due and payable in five, ten, fifteen and twenty years, all of which have been paid, except the following:

Series No. 1, payable to Sydney Meed, dated October 27, 1884, registry No. 13, issue No. 15; amount \$500.00.

Series No. 1, payable to Sydney Meed, dated October 27, 1884, registry No. 14, issue No. 16, amount \$500.00. Series No. 2, payable to Sydney Meed, dated October 27, 1884, registry No. 5, issue No. 21, amount \$500.00. Series No. 3, payable to Sydney Meed, dated May 28, 1886, registry No. 4, issue No. 12, amount \$500.00. Series No. 3, payable to Sydney Meed, dated May 28, 1886, registry No. 5, issue No. 13, amount \$500.00. Series No. 3, payable to Sydney Meed, dated May 28, 1886, registry No. 9, issue No. 17, amount \$500.00. Series No. 3, payable to Sydney Meed, dated May 28, 1886, registry No. 10, issue No. 18, amount \$500.00. Series No. 4, payable to Sydney Meed, dated May 28, 1886, register No. 11, issue No. 5, amount \$500.00. Series No. 4, payable to Sydney Meed, dated May 28, 1886, registry No. 12, issue No. 6, amount \$500.00. Series No. 4, payable to Sydney Meed, dated May 28, 1886, registry No. 13, issue No. 7, amount \$500.00. Series No. 4, payable to Sydney Meed, dated May 28, 1886, registry No. 7, issue No. 1, amount \$500.00, which have never been presented for payment, nor has any demand ever been made for principal or interest due thereon; and

Whereas, said commissioners court of Fort Bend county, Texas, on the 13th day of July, 1885, and on the 6th day of January, 1886, issued bonds to the amount of six thousand dollars to William Boyd and known as Jail Bonds, which said bonds were due in five years after date, bearing 8 per cent. interest; and

Whereas, on the register of bonds kept by the treasurer of said county same are not marked paid, though no payment of principal or interest due thereon has been demanded or requested for more than ten years, and all of said bonds are believed to have been paid or destroyed; therefore,

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That said county of Fort Bend is authorized to institute suit in the dis-

strict court of Fort Bend county, Texas, against the said Sydney Meed and William Boyd, and the unknown owners and holders or any one holding, owning or claiming an interest in said above described bonds, in the manner now provided by law for suits and service by publication against non-resident defendants, or where defendants' name or residence is unknown, and upon proper and satisfactory proof being made to have judgment or decree of said court canceling or annulling said bonds, and the coupons thereto attached, and relieving said county of all liability therefor.

SEC. 2. The fact that said bonds stand as a valid outstanding obligation, and as such must be taken into consideration and so treated by the commissioners court of said county in issuing other bonds, and the further fact that said county has about reached its limit for the issuance of bonds, creates an urgent and imperative necessity for the suspension of the constitutional rule requiring bills to be read on three several days, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and passed the Senate by two-thirds vote, yeas 23, nays 0.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 28th day of March, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—JOHN G. TOD, Secretary of State.]

RANGER FORCE—ORGANIZATION OF.

H. B. No. 52.]

CHAPTER XXXIV.

An Act to provide for the organization of a "Ranger Force" for the protection of the frontier against marauding and thieving parties, and for the suppression of lawlessness and crime throughout the State; to prescribe the duties and powers of members of such force, and to regulate their compensation.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the Governor be and is hereby authorized to organize a force to be known as the "Ranger Force," for the purpose of protecting the frontier against marauding or thieving parties, and for the suppression of lawlessness and crime throughout the State.

SEC. 2. The "Ranger Force" shall consist of not to exceed four separate companies of mounted men, each company to consist of not to exceed one captain, one first sergeant and twenty privates, and one quartermaster for the entire force. The captains of companies and the quartermaster shall be appointed by the Governor, and shall be removed at his pleasure; unless sooner so removed by the Governor, they shall serve for two years and until their successors are appointed and qualified.

SEC. 3. The pay of officers and men shall be as follows: Captains,

one hundred (\$100) dollars each, per month; sergeants, fifty (\$50) dollars each, per month; and privates forty (\$40) dollars each, per month. The payments shall be made at such times and in such manner as the Adjutant General of the State may prescribe.

SEC. 4. The Governor shall appoint a quartermaster for this force, who shall discharge the duties of quartermaster, commissary and paymaster, and shall rank and receive the pay of a captain.

SEC. 5. That this force shall always be under the command of the Governor, to be operated by his direction in such manner, in such detachments and in such localities as the Governor may direct.

SEC. 6. The Governor is hereby authorized to keep this force, or so much thereof as he may deem necessary, in the field as long as in his judgment, there may be necessity for such a force; and men who may volunteer in such service shall do so for such term not to exceed two years, subject to disbandment in whole or in part at any time, and reassemblage or reorganization of the whole force, or such portion thereof as may be deemed necessary by order of the Governor.

SEC. 7. That the quartermaster, or if so directed by the Adjutant General, company commanders shall purchase all supplies hereinafter provided for, and shall make a certificate on the voucher of the party or parties from whom the supplies and purchased, to the effect that "the account is correct and just, and the articles purchased were at the lowest market prices."

SEC. 8. Each officer, non-commissioned officer and private of said force shall furnish himself with a suitable horse, horse equipment, clothing, etc.; provided, that if his horse is killed in action it shall be paid for by the State at a fair market value at the time when killed.

SEC. 9. That the State shall furnish each member of said force with one improved carbine and pistol at cost, the price of which shall be deducted from the first money due such officer or man, and shall furnish said force with rations of subsistence, camp equipage and ammunition for the officers and men, and also forage for horses.

SEC. 10. The amount of rations and forage shall not exceed the following, to wit: For each man's daily allowance, twelve ounces bacon or twenty ounces beef, twenty ounces of flour or corn meal, two and two-fifths ounces of beans or peas, one and three-fifths ounces of rice, three and one-fifth ounces of coffee, three and one-fifth ounces of sugar, one-sixth gill of vinegar or pickles, one-sixth ounce candles, one-third ounce of soap, two-thirds of an ounce of salt, one-twenty-fourth of an ounce of pepper, four and four-fifths ounces of potatoes, sixteen twenty-fifths of an ounce of baking powder. The forage for each horse shall not exceed twelve pounds of corn or oats, and fourteen pounds of hay per day, and two ounces of salt per week; provided, that when in case of emergency the members of said force are employed in such duty that it is impracticable to furnish the rations herein provided for, each member of said force so employed shall be allowed for his necessary actual expenses for such subsistence not to exceed one dollar and fifty cents (\$1.50) per day; and provided further, that when it becomes necessary to move the members of said force from one place to another by railroad, the actual necessary expenses of such transportation shall be paid.

SEC. 11. The officers, non-commissioned officers and privates of this force shall be clothed with all the powers of peace officers, and shall aid

the regular civil authorities in the execution of the laws. They shall have authority to make arrests, and to execute process in criminal cases, and in such cases they shall be governed by law regulating and defining the powers and duties of sheriffs when in discharge of similar duties; except that they shall have the power, and shall be authorized to make arrests and to execute all process in criminal cases in any county in the State. They shall, before entering on the discharge of these duties, take an oath before some authority legally authorized to administer the same, that each of them will faithfully perform his duties in accordance with law. In order to arrest and bring to justice men who have banded together for the purpose of committing robbery or other felonies, and to prevent the execution of the laws, the officers, non-commissioned officers and privates of said force may accept the services of such citizens as shall volunteer to aid them, but while so engaged such citizen shall not receive pay from the State for such services.

SEC. 12. When said force, or any member or members thereof, shall arrest any person charged with the commission of a criminal offense, they shall forthwith convey said person to the county where he or they stand charged with the commission of an offense, and shall deliver him or them to the proper officer, taking his receipt therefor, and all necessary expenses thus incurred will be paid by the State.

SEC. 13. The Governor and Adjutant General shall cause to be made such regulations for the government and control of the organization herein provided for, and for the enlistment and employment of non-commissioned officers and privates, as they may deem necessary, to the end that the force so provided shall be as effective as possible.

SEC. 14. All laws and parts of laws, both general and special, in conflict with the provisions of this act, are hereby repealed.

SEC. 15. The fact that the Revised Statutes are indefinite; and that a defect exists, in that the privates of said force have no authority to execute criminal process, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and passed the Senate by two-thirds vote, yeas 23, nays 3.]

Approved March 29, 1901.

EVIDENCE—ABSTRACT OF TITLES COMPETENT EVIDENCE
WHEN.

H. B. No. 147.]

CHAPTER XXXV.

An Act to amend an act entitled "An Act to amend Article 2313, Chapter 4, Title XL, of the Revised Civil Statutes of the State of Texas, 1895, relating to the introduction of certain abstracts of title as evidence," passed by the Twenty-fifth Legislature, being Chapter 108, of the General Laws of the Regular Session thereof.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Article 2313, of Chapter 4, Title XL, of the Revised Civil Statutes of the State of Texas, of 1895, as amended by an act of the Twenty-fifth Legislature of the State of Texas, be amended so as to hereafter read as follows, to wit:

Article 2313. All abstracts of land titles, or land abstract books to lands in this State, compiled from the records of any county in this State, prior to the year 1890, which said records were partially or wholly destroyed or lost from any cause during the month of May, 1874, March, 1876, and January, 1889, shall hereafter be competent prima facie evidence of the truth of the data or memoranda therein contained and compiled prior to the year 1890, and shall be admissible in evidence in the courts of this State; provided, that the compiler or compilers of such abstracts of land titles or land title abstract books shall have made heretofore, or before offered in evidence, affidavit before some officer authorized at the time of making such affidavit to take acknowledgments to deeds in this State, and to the effect that said abstracts of land titles or land title abstract books were compiled by him from the records of the county prior to their destruction or loss, and that they contain a true and correct statement of the matters and things to which they relate; and provided, also, that it shall be admissible to offer in evidence any testimony tending to discredit or substantiate the reliability of such abstract of land titles or land title abstract books, or tending to show the compiler thereof to have been incompetent or unreliable, or competent and reliable; and provided further, that a copy of such abstract shall be filed in the papers of the cause in which it is sought to be used, and notice given to the opposite party at least five days before the trial, and the same defense may be made as if copies of the original record had been filed; provided further, that the party offering such abstracts of land titles or land title abstract books in evidence, shall himself or by his agent or attorney have made affidavit that the original instrument to which the said data or memorandum relates is not then on record; and that he has made diligent search and inquiry for the same in places and from persons where and in whose possession it would most probably be found, and has been unable to find the same; that to his best knowledge and belief the same is lost or destroyed; and provided further, that the owner of said abstracts of land titles or of land title abstract books shall have filed with the county commissioners court his application in writing (which may be granted or refused, in the discretion of said court, and if refused this article shall not become of force as to said application so refused) for an order of said court admitting to record in said court the contract of the said owner in writing, wherein the said owner

shall bind himself, his heirs and assigns, as follows: That said owner, his heirs or assigns will, whenever requested in writing setting forth the data required by any party to any suit interested in introducing said abstracts of land titles or land title abstract books, produce the same without charge on the day demanded for introducing in evidence and upon the trial of any cause in this State; provided, that if said owner, his heirs or assigns, are required to produce said abstracts of land titles or land title abstract books in courts of any other county than that to the lands of which said abstract of land titles or land title abstract books pertain, they shall be by the party at whose instance such production is required, reasonably compensated in advance for the time and expense of the said owner, his heirs or assigns. And the said owner in said contract shall bind himself, his heirs and assigns, to answer in full damages to any party damaged by the failure or default of the said owner, his heirs or assigns; without good cause, to produce said abstracts of land titles or land title abstract books, data or memoranda, when demanded, as herein provided. And said contract shall further stipulate that no charge shall ever be made by said owner, his heirs or assigns, in excess of one dollar for each instrument or remove in any title in the compilation of a complete abstract or title to the lands in the county to which said abstracts of land titles or land title abstract books pertain, and that said owner, his heirs and assigns, will, upon request and payment of the fees therefor by any person, either make, compile and certify, or cause to be made, compiled or certified, within a reasonable time, a complete abstract of title to any land to which said abstracts of land titles or land title abstract books pertain; provided, that nothing herein contained shall ever be construed to in any way affect or apply to any suit or suits pending in any of the courts in this State on the 12th day of July, 1891; provided further, that the provisions of this article shall not apply if it can be shown by competent evidence that any such deeds were improperly recorded; provided, that whenever any person, company or corporation has heretofore complied with the law which is amended hereby, in order to make an abstract evidence, the said person, company or corporation shall not be required to do anything more or further under this act, in order to have the benefits thereof.

SEC. 2. Whereas, the enacting at this session of the present Legislature of the legislation contemplated by this bill is imperiled by the great number of bills pending before the body, therefore an emergency exists, creating an imperative public necessity, justifying the suspension of the constitutional rule requiring bills to be read on three several days; and it is therefore suspended, and that this act take effect and go into force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 91, nays 0; and was reported to Senate where it was amended and passed by two-thirds vote, yeas 23, nays 1; House concurred in Senate amendments by two-thirds vote, yeas 94, nays 0.]

RAILROADS—ACQUIRING RIGHT OF WAY FOR CERTAIN PURPOSES.

S. B. No. 16.]

CHAPTER XXXVI.

An Act to amend an act entitled "An Act to amend Article 4445 of the Revised Civil Statutes of the State of Texas, and to authorize railroad corporations to acquire new right of way for the purpose of shortening the line or reducing the grades," being Chapter 68 of the General Laws of the State of Texas, passed at the Regular Session of the Twenty-sixth Legislature, and to authorize railroad corporations to acquire new right of way for the purpose of shortening the line or reducing the grades, and to acquire land for the construction of reservoirs for water supply, and to provide that the limitation of width prescribed in Article 4425 of the Revised Civil Statutes shall not apply to real estate acquired for purposes other than right of way, and that such other real estate need not adjoin or abut on the right of way.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That Article 4445, of the Revised Civil Statutes of the State of Texas, be and the same is hereby amended so that it shall hereafter read as follows:

Article 4445. If any railroad corporation shall at any time be unable to agree with the owner for the purchase of any real estate or the material thereon required for the purposes of its incorporation or the transaction of its business for its depots, station buildings, machine and repair shops, for the construction of reservoirs for the water supply or for the right of way or for new right of way for change or relocation of road bed to shorten the line or any part thereof or to reduce its grades or any of them (which is hereby authorized and permitted) or for any other lawful purpose connected with or necessary to the building, operating or running its road, such corporation may acquire such property in the manner provided in this chapter; provided, that the limitation in width prescribed in Article 4425, shall not apply to real estate or any interest therein required for the purposes herein mentioned, other than right of way, and that real estate or any interest therein to be acquired for such other purposes or any of them need not adjoin or abut on the right of way; provided further, that no change of the line through any city or town or which will result in the abandonment of any station or depot, shall be made except upon written order of the Railroad Commission of Texas, authorizing such change; and provided further, that no railroad corporation shall have the right under this act to condemn any land for the purposes mentioned in this section situated more than two miles from the right of way of such railroad corporation.

SEC. 2. The fact that it is now doubtful whether railroad companies, under the present law, have all the powers conferred by Section 1, hereof, and that the public interest will be promoted by the exercise of such powers, creates an emergency and imperative public necessity for the suspension of the constitutional rule requiring bills to be read on three several days, and that this act take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 24, nays 5; and was reported to the House of Representatives, where it was amended and passed, no vote

given; Senate refused to concur in House amendments, and asked for Free Conference Committee; report of Free Conference Committee adopted by the Senate by two-thirds vote, yeas 23, nays 1; report of Free Conference Committee adopted by the House by two-thirds vote, yeas 94, nays 11.]

Approved April 1, 1901.

COKE COUNTY, KIMBLE COUNTY—JURISDICTION OF COUNTY COURT.

H. B. No. 23.]

CHAPTER XXXVII.

An Act to restore to and confer upon the county courts of Coke county and Kimble county the civil and criminal jurisdiction heretofore belonging to said courts under the Constitution and general statutes of the State; to conform the jurisdiction of the district court of said counties to such change; and to repeal all laws in conflict with the provisions of this act in so far as they relate to Coke and Kimble counties.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the county courts of Coke county and Kimble county shall hereafter have exclusive original jurisdiction in civil cases, where the matter in controversy shall exceed in value two hundred dollars and shall not exceed five hundred dollars, exclusive of interest, and that they shall have concurrent jurisdiction with the district court of said counties when the matter in controversy shall exceed five hundred dollars and not exceed one thousand dollars.

SEC. 2. Said county court shall have appellate jurisdiction in civil cases over which justice courts have original jurisdiction when the judgment of the court appealed from on the amount in controversy shall exceed twenty dollars; and said county courts shall have power to hear and determine cases brought up from justice's courts by certiorari under the provisions of the title of the Revised Statutes relating thereto.

SEC. 3. The county judges of said county shall have authority, either in term time or in vacation, to grant writs of mandamus, injunction, sequestration, garnishment, attachment, certiorari, supersedeas, and any and all other writs necessary to enforcement of the jurisdiction of said courts, and shall have power to issue writs of habeas corpus in all cases in which the Constitution has not exclusively conferred the power on the district court or judge thereof.

SEC. 4. Said county courts shall have jurisdiction in the forfeiture and judgment of all bonds and recognizances taken in criminal cases of which said courts have jurisdiction.

SEC. 5. Said county courts shall have exclusive original jurisdiction of all misdemeanors, except misdemeanors involving official misconduct, and except in cases in which the highest penalty of fine that may be imposed under the law may not exceed two hundred dollars; and said courts shall also have appellate jurisdiction in criminal cases of which justices of the peace and other inferior tribunals of said counties have original jurisdiction.

SEC. 6. The district court of Coke county and Kimble county shall no longer have jurisdiction of cases of which the county courts of said counties, by the provisions of this act, have exclusive original or appellate jurisdiction; and it shall be the duty of the clerk of the district court of Coke county and Kimble county, within thirty days after the passage of this act, to make a full and complete transcript of all orders on the docket and minutes in cases now pending before the district court, of which cases, by the terms of this act, exclusive jurisdiction is given to said county courts, and he shall deliver said transcript, together with the original papers and certified bill of costs, to the clerks of said county courts, and said county clerks shall enter said cases on the docket for trial by said county courts.

SEC. 7. The county courts of said counties shall hereafter hold their regular terms for civil and criminal business as provided in the Constitution and General Laws of the State, and process heretofore issued from the district court of said counties, in cases to be transferred under this act to the county courts of Coke county and Kimble county shall be returnable to the first term held by said county courts after this act shall go into effect, and all cases transferred shall be entered as appearance cases upon the docket of said county courts.

SEC. 8. The county courts of Coke county and Kimble county shall have, as now, the general jurisdiction appertaining to probate matters or courts for the probate of wills, appointment of guardians of minors, idiots, lunatics, persons non compos mentis and common drunkards, and for the issuance of letters testamentary and of administration, settlement of accounts of administrators and guardians, and the settlement and distribution of estates of decedents, and the apprenticeship of minors, and all other necessary powers conferred by law upon courts of probate.

SEC. 9. That all laws and parts of laws in conflict with the provisions of this act, in so far as relate to the counties of Coke and Kimble, be and the same are hereby repealed.

SEC. 10. Whereas, the county courts of Coke county and Kimble county are without jurisdiction, which is necessary for the just and proper administration of the law, creates such an emergency and public necessity that require the suspension of the constitutional rule requiring bills to be read on three several days, and said rule is therefore suspended, and it is enacted that this act shall take effect and be in force from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and passed the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 29th day of March, A. D. 1901, but was not signed by him nor returned to the House in which it originated with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

Takes effect 90 days after adjournment.

HOOD COUNTY—ROAD SYSTEM.

H. B. No. 64.]

CHAPTER XXXVIII.

An Act to provide a more efficient public road system for the county of Hood.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That each member of the commissioners court of Hood county shall be ex-officio road commissioner of his respective district and, under the direction of the commissioners court, shall have charge of all teams, tools and machinery belonging to the county and placed in their hands, and it shall be their duty, under such rules and regulations as the commissioners court may provide, to superintend the laying out of new roads, and the making, changing and repair of roads, and the building and repair of bridges. Each of said commissioners shall, before entering upon the duties of his office, in addition to their regular bond as such commissioner, execute a bond of one thousand dollars, with two or more good and sufficient sureties, payable to the county judge of the county, for the use and benefit of the road and bridge fund, conditioned that they will perform all the duties required of them by law or by the commissioners court, and that they will account for all property or money belonging to the county that may come into their possession, provided, that with the consent of the commissioners court, any one of said commissioners shall be allowed to appoint a competent person as deputy road commissioner, who shall be required to execute the same bond as required of commissioners in this section; and such deputy road commissioner shall be entitled to the same compensation that is allowed county commissioners for the same service; provided, that county commissioners shall not be allowed any compensation as road commissioners when a deputy commissioner has been appointed, except for work done by him as such road commissioner in case of urgent necessity.

SEC. 2. The commissioners court of said county shall have full power and authority, and it shall be its duty to adopt such system for working, laying out, draining and repairing the public roads in said county as it may deem best, and from time to time said court may change its plan or system of working. Said commissioners shall have power to purchase such teams, tools and machinery for the working of its roads. Said court shall have power to construct, grade or otherwise improve any road or bridge by contract. In such cases said court or county judge may advertise, in such manner as said court may determine, for bids to do such work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond, payable to the county judge of said county, for the use and benefit of the road and bridge fund, with good and sufficient sureties, to be approved by said court, and in such sum as said court may determine, for the faithful compliance with the terms of said contract; but said court shall have the right to reject any and all bids. At the time of making such contract the court shall direct the county treasurer to pass the amount to a particular fund for that purpose, and the same shall not be used for any other purpose, and it can only be paid out on the order of said court, and the said court shall have authority to employ any hands or teams to work on the roads, under such regulations and for such price as they may deem best.

SEC. 3. The commissioners court of said county shall require all county convicts, not otherwise employed, to labor upon the public roads, under such regulations as they may prescribe, and each convict so worked, shall receive a credit of fifty cents a day on his fine first and then on the costs for each day he may labor. Said commissioners court may provide such regulations and punishments as may be necessary to cause such convict to perform good work, and may provide a reward not exceeding ten dollars, to be paid out of the road and bridge fund, for the capture and delivery of any escaped convict, to be paid to any person other than the guard or person in charge of such convict at the time of his escape, which reward shall be taxed against such convict and worked out or paid by him as part of the cost. The commissioners court may grant a reasonable commutation of time for which a convict is committed, as a reward for faithful service and good behavior, in no case to exceed one-sixth of the whole time. The commissioners court may, at a regular term, make such provision for prisons, clothing, bedding, food, medicine and medical attention and guards for the safe keeping and humane treatment of convicts. Said court may allow to the officers and witnesses such amount of their costs for the arrest and conviction of such convict as it may deem best; provided, that it shall not allow to any officer an amount greater than the following: County judge, \$3.00; county attorney, \$5.00, including commissions; county clerks and justices of the peace, \$1.70; sheriffs and constables, \$5.00; which amount shall be paid to the officers out of the road and bridge fund, upon the order of said court, when such fine and costs shall have been worked out as provided in this section; provided, that this section shall not be construed as to relieve any convict from payment of all costs for which he would be liable under the General Laws of this State.

SEC. 4. Each county commissioner shall have control over all road overseers in his district; and shall deliver to each of them all teams, tools and machinery necessary in working the roads in the district of said overseer, so far as he has been supplied therewith by the commissioners court, taking receipt of said overseer therefor, specifying each item and giving its value, which receipt shall be a full answer of the liability of the commissioners and shall fix the liability of the overseers; and any commissioner or overseer who shall have been entrusted with any teams, tools or machinery belonging to said county shall be liable for any damage to the same while in his possession, caused by his negligence or want of due care of the same, and shall not use or permit the same to be used for private purposes without the consent of the commissioners court. It shall be the duty of the road overseer, when he has finished work on his road, to return to said commissioner all teams, tools and machinery received from him, and take up the receipt given therefor.

SEC. 5. It shall be the duty of the county commissioner when acting as road commissioner to inform himself of the condition of the public roads of his district, and shall determine what character of work shall be done upon said roads, and shall direct the manner of grading, draining or otherwise improving the same, which directions shall be observed and obeyed by all road overseers of his district and the provisions of this section shall extend to work done under contract, unless by special provisions in the contract the road commissioner is relieved of the duties herein required.

SEC. 6. The commissioners may require each road overseer in his district to call out the hands in such numbers as may be sufficient to perform the work, but no road hand shall be required to work exceeding five days in any one year, or two days with himself and team, unless the term of service, as prescribed by the General Laws of the State shall be extended beyond that time; and provided, that all road hands in any district shall, as far as practical, be worked a uniform time. Each road overseer, or in his absence, anyone deputed by him, shall have full control of all road hands within his road district, and shall see that each hand, when he is called out, performs a good day's work; if any hand when so called out shall fail or refuse to perform a good day's work or to work in the manner the overseer may direct, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons. The commissioners may allow any overseer who shall be engaged in the discharge of the duties of his office for more than five days in any one year a compensation not to exceed one dollar a day for the time so served; provided, that he shall make oath that the account is just and due.

SEC. 7. Any citizen of Hood county liable for road duty who shall before the February term of the commissioners court of each year, pay to the county treasurer the sum of three dollars, shall be exempt from road duty for such year. The treasurer shall receive and receipt for all moneys so paid him, and shall place the same to the credit of the road and bridge fund, and shall keep a separate account for each district from which it is received. The treasurer shall, on the first day of the February term of the commissioners court, or as soon thereafter as practical, furnish to each county commissioner a list of all persons in their respective districts that have paid the sum provided in this section.

SEC. 8. Every person liable to work on roads by paying to his road overseer, at any time before the day appointed to work on his road, the sum of one dollar for each day that he is summoned and one dollar and fifty cents for each day he is summoned to furnish his team for road work shall be exempt from working or furnishing his team for each day paid for, and also exempt from any penalties for failure to work or furnish such team for the time for which he has so paid.

SEC. 9. Each person summoned to work on a road shall take with him an axe, pick, spade, plow, scraper, or such other tool as may be desired and directed by the overseer, or, if he has no such tool as is desired and directed by the overseer to take with him, he shall take such suitable tools as he may have; provided, the county shall be liable for and the commissioners court under such regulations as they may prescribe, shall pay for all breakage or damage to such tools as may have resulted from public road work and not caused by the negligence of the person furnishing the same. Such road overseer may also summon and require such road hand to bring with him for public road work such team or teams as he may have on hand suitable for road work; provided, that such hand shall be allowed two and one-half days' time for each day put in by a hand with his team, and one and one-half days' time for his team without such hand.

SEC. 10. If any person liable to work on the public roads, after being legally summoned, shall intentionally fail or refuse to attend either in person or by able and competent substitute, or fail or refuse to furnish

his team or tools at the time and place designated by the person summoning him, or to pay such overseer one dollar per day for each day he may have been notified to work the road, or to pay to said overseer the sum of one dollar and fifty cents for each day he may have been summoned to furnish himself and team for road work, or having attended shall fail to perform good service or any duty required of him by law or the person under whom he may work, shall be guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not exceeding ten dollars.

SEC. 11. At the regular term of the commissioners court in February of each year, all road overseers shall make their reports, under oath, upon forms furnished by said court, which said report shall be examined by said court; and all accounts for services or labor performed for over work by such overseer during the past year, and of moneys had and expended by him, shall be audited and settled; and as soon thereafter as possible said commissioners court shall appoint and commission road overseers for the succeeding year. Any road overseer intentionally failing to perform his duties as said road overseer, or failing or refusing to make his report as required by law, or failing or refusing to serve and perform the duties of overseer when appointed by said court, or to perform any other duty required of him by law or the commissioners court or by the commissioner of his district or his deputy, shall be guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not exceeding twenty-five dollars.

SEC. 12. Whenever it shall become necessary to occupy any land for the opening, straightening, widening or draining or repair of any road or part thereof, if the owner and the commissioners court cannot agree upon the price of such land or the damage to be paid, the county may proceed to condemn the same in the same manner that a railroad can condemn land for right of way, and the same proceedings may be had and the same rights shall exist to each party as would exist if the proceedings were by a railroad company, except that the county shall in no case be required to give bond.

SEC. 13. It shall be lawful for any delinquent poll taxpayer in Hood county to perform two days service upon the public roads in his road precinct in each and every year, in discharge of said delinquent poll tax, unless the poll tax now provided for by the General Laws of Texas shall be changed, in which case a proportionate time for service shall be held to discharge said delinquent for one year's poll taxes; provided further, that this act shall not be held to annul any laws upon the General Statutes of Texas for the collection of delinquent poll taxes, but cumulative thereto in Hood county; and provided further, that such delinquent taxpayers shall perform such road service under the direction of the overseer, under the same regulations herein provided for parties subject to road service under the General Laws of the State; and it shall be the duty of the tax collector to furnish a list of all delinquent poll taxpayers of each district to the commissioner of said district before the first day of March of each year.

SEC. 14. The commissioners court shall be authorized to levy and collect a tax of not exceeding fifteen cents on the hundred dollars, to be used exclusively for road and bridge purposes, and the same shall be disbursed by the said court as they may deem best; provided, said court

shall set aside annually, out of said fund, a sum sufficient to pay interest and provide a sinking fund necessary to discharge all outstanding road and bridge bonds as they mature.

SEC. 15. Whenever two-thirds of the property taxpayers of Hood county voting at an election for that purpose, shall favor, the commissioners court of said county shall be authorized to levy and collect a special tax of not exceeding fifteen cents on the one hundred dollars for road and bridge purposes, the same to be disbursed as hereinbefore provided.

SEC. 16. The fact that there are outstanding against said county, twelve thousand five hundred dollars in bonds for bridge purposes exclusive, and provision to meet the exigencies of these bonds, out of the road and bridge fund, operates a disadvantage to the public roads of said county, therefore, whenever a majority of the property taxpayers of Hood county voting at an election for that purpose, shall favor, the commissioners court shall be authorized to negotiate the sale of twelve thousand five hundred dollars in forty year bonds of said county to be sold at or above par, and not to bear exceeding four per centum per annum, the same to be used for road and culvert purposes exclusive.

SEC. 17. Whenever the cost of a piece of road improvement or the cost of a bridge shall exceed two hundred dollars, the commissioners court shall cause the same to be done by contract as hereinbefore provided.

SEC. 18. Every county commissioner shall, as soon as practical, after the February term of the commissioners court take a list of all hands in his district, and also the number of miles of road in his district to be worked; provided, that no third class road, except those leading to or towards the county seat, shall be included, and the condition of such roads severally, and the approximate amount of work each and every road shall require to keep the same in, as far as possible, uniform condition, and apportion said hands so that no set of hands shall be required to do more than their proportionate share of road work in said district. All third class roads contrary to the provisions of this section are hereby killed.

SEC. 19. Every county commissioner, when acting as road commissioner and performing the duties imposed upon him by law or by the commissioners court, shall be entitled to two dollars per day for the services actually performed, provided, said sum to be paid him shall not exceed thirty dollars per quarter, which amount shall be paid out of the road and bridge fund, when the account shall have been approved by the commissioners court, and the court shall not approve said account unless the commissioner presenting it shall sign an oath that the account is just, due and unpaid, specifying the number of days work actually performed by him, and that it was necessary to be done; and no commissioner shall be entitled to pay as road commissioner either for himself or his deputy while he is performing the duties of county commissioner, nor shall he receive any additional pay than that provided by this section for inspecting and riding over his roads, or for any other road service.

SEC. 20. This act shall be taken notice of by all the courts in the same manner as a general law of this State, and it shall be construed to be cumulative of all General Laws of the State on the subject of roads and bridges, when not in conflict therewith, but in case of conflict this act

shall control as to Hood county; and all local or special laws in conflict herewith are hereby repealed.

SEC. 21. The fact that there is now no sufficient general road law in this State creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and passed the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 29th day of March, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

Takes effect 90 days after adjournment.

THIRTY-SECOND JUDICIAL DISTRICT — REORGANIZATION OF.

H. B. No. 122.]

CHAPTER XXXIX.

An Act to reorganize the Thirty-second Judicial District of Texas, and to designate the counties which compose the same; to prescribe the time for holding the district courts therein; to validate all process, writs and bonds issued or executed prior to the taking effect of this act, and returnable to the terms of said court as heretofore fixed by law, and to make same returnable to the terms of said court as fixed in this act, and to repeal all laws and parts of laws in conflict herewith.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* The Thirty-second Judicial District shall hereafter be composed of the counties of Nolan, Mitchell, Howard, Martin, Midland, Ector, Borden, Glasscock and Ward, and the unorganized counties of Andrews, Gaines, Terry, Yoakum, Crane, Upton, Dawson and Garza.

SEC. 2. That the terms of the district court shall hereafter be held in said district as follows:

In the county of Midland, on the first Monday in February and September in each year, and may continue in session two weeks.

In the county of Martin, on the third Monday of February and September in each year, and may continue in session two weeks.

In the county of Howard, on the fourth Monday after the first Monday in February and September of each year, and may continue in session two weeks.

In the county of Glasscock, on the sixth Monday after the first Monday in February and September in each year, and may continue in session one week.

In the county of Borden, on the seventh Monday after the first Monday in February and September in each year, and may continue in session two weeks.

In the county of Nolan, on the ninth Monday after the first Monday in February and September in each year, and may continue in session three weeks.

In the county of Ector on the twelfth Monday after the first Monday in February and September in each year, and may continue in session two weeks.

In the county of Ward, on the fourteenth Monday after the first Monday in February and September in each year, and may continue in session two weeks.

In the county of Mitchell, on the sixteenth Monday after the first Monday in February, and on the seventeenth Monday after the first Monday in September of each year, and may continue in session until all business is disposed of.

SEC. 3. The unorganized counties of Crane and Upton, are hereby attached to Midland county for judicial and surveying purposes.

The unorganized counties of Andrews, Gaines, Yoakum and Terry are attached to Martin county for judicial and surveying purposes.

The unorganized county of Dawson, is hereby attached to Howard county for judicial and surveying purposes.

The unorganized county of Garza, is hereby attached to Borden county for judicial and surveying purposes.

SEC. 4. That all process, writs and bonds issued or executed prior to the taking effect of this act, and returnable to the terms of said court, as heretofore fixed by law, in the several counties composing said district, are hereby made returnable to the terms of said courts as fixed in this act; and all process heretofore returned as well as all bonds and recognizances heretofore entered into in any of said courts, shall be as valid as if no change had been made in the time of holding said courts.

SEC. 5. All laws and parts of laws in conflict with the provisions of this act are hereby repealed.

SEC. 6. The fact that the crowded condition of the docket of El Paso county, a county in the same judicial district as that from which Ward county is taken by this act, is such as to require all of the time of the court heretofore given to Ward county, therefore the convenience of the people and the crowded condition of the docket of said El Paso county, create an emergency, and an imperative public necessity exists for the suspension of the constitutional rule requiring bills to be read on three several days in each branch of the Legislature and a great public necessity exists, and the emergency requires that this bill take effect from and after its passage; said rule is therefore suspended and this act shall be in force and effect from and after the passage thereof, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate by two-thirds vote, yeas 24, nays 0.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 28th day of March, A. LEON COUNTY—ROAD SYSTEM.

H. B. No. 244.]

CHAPTER XL.

An Act to create a more efficient road system for Leon county, Texas, and making county commissioners of said county ex-officio road commissioners, and prescribing their duties as such, and providing for their compensation as road commissioners; and defining the powers and duties of such county commissioners; and providing for the appointment of road overseers, and defining their duties; and for the working of county convicts on the public roads of said county; and providing for officers' fees and rewards and penalties for said convicts, and rewards for the capture of escaped convicts; and to provide for the manner of training and maintaining hedges along all public roads; and to provide for the summoning of teams for road work, and for allowance for time of road service for the same; and fixing a penalty for violation of this act; and to repeal all laws in conflict herewith.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the members of the commissioners court of Leon county shall be ex-officio road commissioners of their respective districts, and under the direction of the commissioners court shall have charge of all teams, tools and machinery belonging to the county, and placed in their hands by said county; and it shall be their duty, under such rules and regulations as the commissioners court may prescribe, to superintend the laying out of new roads and the building of bridges. Each of said commissioners shall, before entering upon the duties of his office, in addition to his regular bond as such county commissioner, execute a bond of one thousand dollars, with two or more good and sufficient sureties, payable to the county judge of said county, for the use and benefit of the road and bridge fund, conditioned that he will perform all the duties required of him by law or by the commissioners court, and that he will account for all money or property belonging to the county that may come into his possession.

SEC. 2. The commissioners court of said county shall have full power and authority, and it shall be its duty, to adopt such system of working, laying out, draining and repairing the public roads in said county as it may deem best, and from time to time said court may change its plan or system of working. Said commissioners court shall have power to purchase such teams, tools and machinery as may be necessary for the working of its roads. Said court shall have the power to construct, grade or otherwise improve any road or bridge by contract. In such case said court, if they deem it necessary, or the county judge, may advertise, in such manner as the court may determine, for bids to do such work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond, payable to the county judge of said county, for the use of the road and bridge fund, with good and sufficient sureties, to be approved by said court, and in such sum as said court may determine, for the faithful compliance with the terms of said contract; but said court shall have the right to reject any and all bids. The said court shall have authority to employ any hands or teams to work on the roads, under such regulations and for such price as they may deem best.

SEC. 3. The commissioners court of said county shall require all county convicts, not otherwise employed, to labor upon the public roads, under such regulations as they may prescribe, and each convict so worked

shall receive a credit of fifty cents on his fine and costs for each day he may so labor. Said commissioners court may provide such reasonable regulations and punishments as may be necessary to require such convicts to perform good work; and may provide a reward, not exceeding ten dollars, to be paid out of the road and bridge fund, for the recapture and delivery of any escaped convict, to be paid to any person other than the guard or person in charge of such convict at the time of his escape, which reward shall be taxed against such convict, and worked out or paid by him as a part of the costs. The commissioners may grant a reasonable commutation of time for which a convict is committed as a reward for faithful services and good behavior, in no case to exceed one-tenth of the whole time. Said court may provide the necessary houses, prisons, clothing, bedding, food, medicine, medical attention and guards for the safe and humane keeping of convicts. The commissioners court may, at a regular term, allow to the officers such amount of their costs for the arrest and conviction of said convict as it may deem best; provided, that it shall not allow to any officer a greater amount than he is now or may hereafter be allowed by general laws; provided, that this shall not be construed to relieve any convict from the payment of all costs for which he would be liable under the General Laws of this State.

SEC. 4. Each county commissioner shall have control of all road overseers in his district, and shall deliver to each of them all tools and machinery necessary in working the roads in the district of said overseer, so far as he has been supplied therewith by the commissioners court, taking receipt of said overseer therefor, specifying each item and giving its value, which receipt shall be a full answer of the liability of the commissioner, and shall fix the liability of the overseer; and any commissioner or overseer who shall have been intrusted with any teams, tools or machinery belonging to said county shall be liable for any damage that may occur to the same while in his possession, caused by his negligence or want of due care of same, and shall not use or permit the same to be used for private purpose without the consent of the commissioners court. It shall be the duty of the road overseer when he has finished work on his roads to return to said commissioner all tools and machinery received from him, and take up the receipt given therefor.

SEC. 5. It shall be the duty of the county commissioner, when acting as road overseer, to inform himself of the condition of the public roads in his district, and he shall determine what character of work shall be done upon said roads, and shall direct the manner of grading, draining or otherwise improving the same, which direction shall be observed and obeyed by all road overseers of his district.

SEC. 6. The commissioner may require of each overseer in his district to call out the hands in such numbers as may be sufficient to perform the work, but no road hand shall be required to work exceeding five days in any one year, or two days with himself and team, unless the term of service as prescribed by the general laws shall be extended beyond that time; and provided, that all road hands in any particular district, as far as practicable, be worked a uniform time. Each road overseer, or, in case of his absence, any person deputized by him, shall have full control of all road hands within his road district, and shall see that each hand when called out shall perform a good day's work; and if any hand when so called out shall fail or refuse to perform a good day's work,

or to work in the manner the road overseer directs, shall be liable to the same penalty as if he had failed to appear in obedience to the summons.

SEC. 7. Any citizen of Leon county liable for road duty who shall on or before the first day of February of each year pay to the county treasurer the sum of three dollars shall be exempt from all road duty for such year, beginning on the first day of February. The treasurer shall receive and receipt for all moneys so paid him, and shall place the same to the credit of the road and bridge fund. The treasurer shall, on the third day of February, or as soon thereafter as practicable, furnish to each county commissioner a list of all persons in their respective districts that have paid said sum as provided in this section.

SEC. 8. Every person liable to work on roads, by paying his road overseer, at any time before the day appointed to work on his road, the sum of one dollar for each day that he is summoned to work, and one dollar and fifty cents for each day that he is summoned to furnish his team for road work, shall be exempted from working or furnishing his team for each day paid for, and also be exempt from any penalties for failure to work or furnish such team for the time for which he has so paid.

SEC. 9. Each person summoned to work on a road shall take with him an ax, hoe, pick, spade, plow, scraper, or such other tool as may be desired or directed by the overseer, or if he has no such tools as are desired by the overseer to take with him, he shall take such other suitable tool as he may have; provided, the county shall be liable for, and the commissioners court, under such regulations as they may prescribe, shall pay for all such breakage or damage to such tools as may have resulted from public road work, and not caused by the negligence of the person furnishing the same. Such overseer may also summon and require such road hand to bring with him for public road work such team or teams as he may have on hand suitable for road work; provided, such hand shall be allowed two and one-half days' time for each day put in by hand with his team, and one and one-half days' time for his team without such hand.

SEC. 10. If any person liable to work on public roads, after being legally summoned, shall intentionally fail or refuse to attend, either in person or by able and competent substitute, or fail or refuse to furnish his team or tools at the time and place designated by the person summoning him, or to pay to such overseer the sum of one dollar for each day he may have been notified to work on the road, or to pay such overseer the sum of one dollar and fifty cents for each day he may have been notified to furnish his team for road work, or having attended shall have failed to perform such good service or any other duty required of him by law, or the person under whom he may work, shall be deemed guilty of a misdemeanor, and on conviction thereof, fined in any sum not exceeding ten dollars.

SEC. 11. At the regular term of the commissioners court in February of each year, all road overseers shall make their report, under oath, upon forms to be furnished them by said court, which said reports shall be examined by the said court, and all accounts of moneys had and expended by him shall be audited and settled; and as soon thereafter as practicable, said commissioners court shall appoint and commission road overseers for the succeeding year, and in the event of the death, refusal or inability to act upon the part of any road overseer so appointed, the county com-

missioner of the precinct shall have authority to fill the vacancy, and report his action in writing to the county clerk, who shall record the same in the minutes of the commissioners court, either in term time or vacation. Any overseer intentionally failing to perform his duties as such overseer, or failing or refusing to make his report as required by law, or failing or refusing to serve and perform the duties of overseer when appointed by said court, or to perform any other duties required of him by law or by the commissioners court, or by the commissioner of his district, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any sum not exceeding twenty-five dollars.

SEC. 12. Whenever it shall be necessary to occupy any land for opening, widening, straightening or draining any road or part thereof, if the owner of such land and the commissioners court cannot agree upon the damage to be paid, the county may proceed to condemn the same in the manner that a railroad company may condemn land for a right of way, and the same proceedings may be had, and the same rights shall exist to each party as would exist if the proceedings were by a railroad company, except that the county shall in no case be required to give bond; provided, that nothing contained in this section shall be held to repeal the provisions of the general law relating to the opening of public roads by juries of view, but this section shall be cumulative thereof, and the commissioners court of Leon county may act under such general law or the provisions of this section, at their option, in such case.

SEC. 13. It shall be the duty of the overseer to keep all hedges on or near the public road trimmed, so that the same shall not obstruct said road, and shall not be of greater height than eight feet. The owner of any such hedge who shall refuse to have same trimmed, the overseer upon an order from the county commissioner of his precinct shall cause the same to be trimmed in accordance with the provisions of this act.

SEC. 14. Each county commissioner, when acting as road commissioner, and performing the duties imposed upon him by law, or by the commissioners court, shall be entitled to three dollars per day for services actually performed; provided, that he shall not draw such pay for more than thirty-five days per quarter, which amount shall be paid out of the road and bridge fund, when the account shall have been approved by the commissioners court, and the court shall not approve such account unless the commissioner presenting it shall sign an oath that the account is just, due and unpaid, and specifying the number of days actually performed by him, and that it was necessary to be done; and no commissioner shall be entitled to pay as road commissioner while he is performing the duties of county commissioner, nor shall he receive any additional pay than that provided by this section for inspecting or riding over roads, or for other road service.

SEC. 15. This act shall be taken notice of by all courts in the same manner as the General Laws of the State, and it shall be construed to be cumulative of all General Laws of the State on the subject of roads and bridges, when not in conflict therewith, but in case of conflict this act shall control as to the county of Leon, except where otherwise provided herein.

SEC. 16. The fact that there is now no sufficient general road law in force in this State, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several

days be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate by two-thirds vote, yeas 23, nays 0.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 29th day of March, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. CORYELL COUNTY—ROAD SYSTEM.

H. B. No. 249.]

CHAPTER XII.

An Act to create a more efficient road system for Coryell county, Texas, and making the county commissioners of said county ex-officio road commissioners, and prescribing their duties as such, and providing for their compensation as such road commissioners; prescribing the duties of the road overseers; providing for exclusive use of road funds on public roads, and for ordering an election; providing for the payment of a tax by road hands in lieu of working the roads; providing a compensation to be allowed for use of tools and teams on road; providing for the condemnation of land for public road purposes; providing for the working of delinquent poll taxpayers on public roads, and relieving them from such work by the payment of three dollars; providing for the amount of money to be paid to hands on road; and providing further, making this law cumulative of the General Laws of the State, and in case of a conflict, this act to govern as to Coryell county, and declaring an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the members of the commissioners court of Coryell county shall be ex-officio road commissioners of their respective districts, and under the direction of the commissioners court, shall have charge of all teams, tools and machinery belonging to the county, and placed in their hands by said court; and it shall be their duty, under such rules and regulations as the commissioners court may prescribe, to superintend the laying out of new roads, the making or changing of roads, and the building of bridges.

Each of said commissioners shall, before entering upon the duties of his office, execute a bond of one thousand dollars, with two or more good and sufficient sureties, payable to the county judge of said county, for the use and benefit of the road and bridge fund, conditioned that he will perform all the duties required of him by law, or by the commissioners court, and that he will properly account for all money or property belonging to the county that may come into his possession; provided, that with the consent of the commissioners court, any one of said commissioners shall be allowed to appoint any competent person as deputy road commissioner, who shall be required to execute the same bond that is required of the commissioners in this section; and such deputy road

commissioner shall be entitled to the same compensation that is allowed county commissioners for the same service; provided, that a county commissioner shall not be allowed any compensation as road commissioner when a deputy road commissioner has been appointed.

SEC. 2. The commissioners court of said county shall have power and authority, and it shall be their duty to adopt such system for working, laying out, draining and repairing the public roads in said county as they may deem best, and from time to time said court may change its plan or system of working; provided, that all culverts and bridges shall be of sufficient size to carry the waters of the heavy rains, and that all ditches shall be cut on the outer edge of the road when not prevented by some natural obstacle.

Said commissioners court shall have power, and it shall be their duty to purchase such teams, tools and machinery as may be necessary for the working of its roads.

SEC. 3. Each county commissioner shall have control over all road overseers of his district, and together with them, shall oversee the working of all the roads in said districts. Each commissioner shall have control of all teams and tools and machinery belonging to his district, and shall oversee the working of all bad or difficult places in any of the roads in said district.

He shall have the authority to employ such a number of hands as he may find necessary to operate such machinery as he may have; provided, that he shall not have the authority to employ such hands when a sufficient number of road hands can be had at the time. When the commissioner wishes to work any part of any road in his district, he shall notify the road overseer of that part of the road, at such time and in such manner as he may think best, of his intentions, and direct said overseer to furnish, or warn out, for his use, such a number of road hands belonging to said road as the commissioner may think necessary to perform the work contemplated by him. If there be not a sufficient number of hands on such road who have not put in full time or paid their road tax, the commissioner shall have the authority to employ hands to do the work; provided, that he shall, at all times, give preference to hands belonging to such road. Each commissioner shall do good and substantial work on all first and second class roads in his district, but he shall have some regard for any contribution of money or labor given by the hands of any road to assist in the working of their road, and when necessity does not require him to work elsewhere, he shall work the road offering the greatest contribution.

The county commissioner shall, while acting as road commissioner, oversee the construction of any bridge to be erected in his district, and when the nature of the work is such as to require the employment of a proficient workman, he shall employ such workman at not exceeding three dollars per day. The commissioner shall furnish such other hands as may be necessary.

The commissioners court shall not have the right to enter into any contract to have work done upon the public roads, but should any part of any road need working and the commissioner has not the time to do the work, he shall direct the road overseer to proceed to do the necessary work. Nothing contained in this section shall be so construed as to prevent the county commissioners court from entering into contracts for

the construction of bridges the cost of which exceeds two thousand dollars.

SEC. 4. Each commissioner shall keep an account, or memorandum, of all money spent by him upon the public roads, showing each every item spent and the object or thing purchased; said memorandum shall show the number of hands employed, the name of each, and the number of days each was employed and the amount of money paid to each. He shall make a report to the commissioners court at the end of every three months setting forth the contents of the memorandum aforesaid, and showing the amount of money received by him as road taxes and the name of each person so paying the same. He shall be required to testify to the correctness and truthfulness of said report before the county judge of Coryell county.

SEC. 5. Each road overseer shall, during each year, call out all hands subject to road duty, to work five days, and in case the term of service as prescribed by the General Laws of the State shall be extended beyond that time, then they shall be called out to work as many days as may be so allowed. Each road overseer, when not working in connection with the county commissioner, shall have control of road hands within his road district, and he shall see that each hand, when called out, shall perform a full day's work consisting of eight hours, and if any hand when so called out shall fail or refuse to perform a good day's work, or work in the manner the overseer may direct, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons.

Any road overseer may, when he deems it expedient, and at the time of notifying any hand to work upon the road, also summons such hand as may be the owner of a team suitable for road work, to bring such team with him to be used in working upon the road during such time as the hand may be notified to work upon the road, and after such notice given, if such hand fail or refuse to bring his team as notified to do, he shall be liable to the same penalty as if he failed to appear in obedience to the summons; provided, that any hand furnishing a team shall be allowed two days' work for himself and team, or one day's work for his team alone.

SEC. 6. Any citizen of Coryell county liable to road duty, who shall pay the county treasurer by the first day of February of each year, or who shall pay the commissioner of his district at the time of receiving his notice to work the road, or at any date previous to receiving such notice, the sum of three dollars, shall be exempt from road duty for such year, beginning on the first day of January; any person liable to road duty who fails to pay said tax of three dollars, shall for all days he fails to appear and work the road after receiving legal notice be required to pay the sum of one dollar; provided, that he shall have the privilege of sending in his stead an able bodied person. No person shall have the right to work out his road tax.

The treasurer or the county commissioner to whom the money may be paid shall receive the same and receipt for it, and when any money shall be so paid to the commissioner, it shall be by him promptly paid to the county treasurer, who shall also receive and receipt for all money paid to him by such commissioner, and when the treasurer may receive any money under the provisions of this section he shall place the same to the credit of the road and bridge fund, and he shall keep a separate account

for each road district from which it is received; and the county treasurer shall, as soon after each payment hereunder as practicable, furnish to each commissioner a list of all persons in their respective road districts that have paid said sum as provided in this section; together with the name of the road overseer under whom each man so paying said tax belonged. The commissioner shall keep a separate account of all money paid in by the hands belonging to each road, and at no time shall he use the money belonging to one road or part of a road upon a road to which the hand so paying the same did not belong.

SEC. 7. It shall be the duty of each overseer to report in writing and under oath to the commissioners court of his county at the first regular term thereof in each year, upon forms to be furnished them by said court, giving the number of the hands and their names in his precinct liable to work on the roads; the number of days he has caused his road to be worked; the condition of such road; the number of days each hand has worked; the amount of money spent by him upon such road; and, if authorized to receive money by the commissioner, the amount of money received and receipted for by him and the names of the hands from whom said money was received; provided, that no road overseer shall be authorized to receive or collect any money connected with the road and bridge fund until he has made a good and sufficient bond, payable to the county judge of Coryell county, for the benefit of the road and bridge fund, in such sum as the commissioners court may prescribe, said bond to be approved by the commissioners court, and which shall be conditioned that he will promptly account for, and promptly pay over to the county treasurer, all the money coming into his hands as road overseer. It shall be the duty of the road overseers to keep the commissioners of their districts informed as to the condition of the roads under their charge.

Any overseer intentionally failing to perform his duties as such overseer or failing or refusing to make his report as required by law, or to perform any other duty required of him by law, or the commissioners court, or by the commissioner of the district, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any sum not exceeding twenty-five dollars.

SEC. 8. Every delinquent poll taxpayer of Coryell county who shall fail or refuse to pay his poll tax, and if such tax cannot be otherwise collected by law, shall be compelled to pay such tax by working on the public county roads of such county for three full days.

In order to enforce the provisions of this section, the tax collector of the county shall furnish to the several road commissioners of the county the names of all defaulting poll taxpayers of the county, on the first day of March of each year, giving the place of residence of such defaulting taxpayer, together with the amount due and unpaid by him.

It shall be the duty of the road overseer, whenever any defaulting poll taxpayer shall have discharged and paid the same, as herein provided, to report the same back to the tax collector, who shall credit the party on the tax rolls for the amount paid and shall thereupon forward him a receipt for the amount; said overseer shall also report the same in his regular report to the commissioners court.

The person required to do road duty under the provisions of this section, shall be subject to prosecution for failure to so work, and subject

to the same liabilities and punishments provided by the criminal laws of the State for other cases for failure to appear and do good work when summoned so to do. And when they are convicted for so failing to work the roads they shall satisfy the fine and costs as in other convictions of misdemeanor.

But any person summoned to work on the road, under the provisions of this section, may satisfy said summons and be relieved from said duty by paying to the road overseer, road commissioner or county treasurer, the sum of three dollars, all of which shall go to the road and bridge fund.

This article shall apply as well to the delinquent poll taxpayers in incorporated cities and towns as to those outside of said cities and towns.

SEC. 9. Whenever it shall be necessary to occupy any land for the purpose of opening, widening, straightening, grading, making embankments, filling or draining any road, or part thereof, if the owner of such land and the county commissioners court cannot agree upon the damage to be paid, the county may proceed to condemn the same in the same manner that a railroad company can condemn land for a right-of-way, and the same proceedings may be had and the same rights shall exist to each party as would exist if the proceedings were by a railroad company, except that the county shall in no case be required to give bond.

SEC. 10. Any road commissioner may enter upon and take from any land adjacent to any first or second class road, earth, gravel, stone or other material necessary for the construction, repair, grading or improving of such road, except fuel and wood, paying therefor, if the owner of such land and the commissioner can agree on the price thereof, the value of such material taken and the amount of damage occasioned to such land or appurtenances, and if such owner and road commissioner cannot agree, then the value of such material and the damage occasioned to such real estate may be ascertained, determined and paid as provided for in Articles 4446 and 4447, of the Revised Statutes of 1895.

SEC. 11. Each county commissioner, when not using the teams and tools and machinery belonging to the road of his district, may have the authority, under such conditions and regulations as the commissioners court may provide, to loan out or let out to any one or more road overseers of his district, said teams, tools and machinery for use upon the public roads.

SEC. 12. Each county commissioner, when acting as road commissioner and performing the duties imposed upon him by law, or by the commissioners court, shall be entitled to two dollars per day for services actually performed; provided, he shall not receive more than seventy-five dollars per quarter, which amount shall be paid out of the road and bridge fund when the account shall have been approved by the commissioners court, and approved and signed by the county judge; provided, that the commissioners court, acting as such, and the county judge, acting as such, shall not approve said account unless the commissioner presenting it shall sign an oath that the account is just, due and unpaid, and specifying the number of days work actually performed by him, and that it was necessary to be done, and no commissioner shall be entitled to pay as road commissioner while he is performing the duties of a county commissioner.

The road commissioners shall have the authority to pay any hands

they may employ under the provisions of this act, when such hands can not be had for a less sum, the amount of one dollar and fifty cents per day for hands to operate any road machinery, and one dollar per day for all other hands, not heretofore provided for; provided, that no hands shall be employed when a sufficient number of road hands can be had.

The commissioners court may allow to any overseer, who shall be engaged in the discharge of the duties of his office for more than five days during one year, a compensation not to exceed one dollar and twenty-five cents per day for the time so served, when such extra work is ordered by the commissioner of his precinct. The commissioners court shall at no time create a deficiency in said road and bridge fund, nor shall any bonds be issued under any of the provisions of this act.

SEC. 13. All taxes that may be paid into the road and bridge fund of the county of Coryell, State of Texas, after the passage of this act, or that may be on hand in such fund at the time of the passage of this act, shall be used for the exclusive use and benefit of said road and bridge fund, and it shall be unlawful for the commissioners court to transfer any part of it to any other fund or to use any part of it for any other purpose.

SEC. 14. That this act shall be taken notice of by all courts in the same manner as the General Laws of this State, and it shall be construed to be cumulative of the General Laws of the State, on the subject of roads and bridges, when not in conflict therewith, but in case of conflict this act shall control as to the county of Coryell.

SEC. 15. The fact that the Legislature is rapidly drawing to a close, and the condition of the road system of Coryell county is such as to require immediate action, creates an emergency and an imperative necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and that all laws and parts of laws in conflict herewith be and the same are hereby repealed, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and was reported to the Senate, where it was amended and passed by two-thirds vote, yeas 24, nays 0; House concurred in Senate amendments, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 29th day of March, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. INDEPENDENT SCHOOL DISTRICTS—AUTHORITY TO LEVY
TAXES FOR CERTAIN PURPOSES.

H. B. No. 106.]

CHAPTER XIIII.

An Act to authorize independent school districts which have been or may hereafter be created by special act of the Legislature to levy and collect taxes for the support, maintenance and equipment of public schools; to issue and sell bonds for the purchase of school sites and the erection, equipment and furnishing of school buildings; to further define and declare the duties of trustees in the conduct of such districts; to make it the duty of the Attorney General to examine said bonds and to approve the same if satisfied that they are valid and binding obligations of the district by which they purport to have been issued; and to repeal those provisions of special laws creating such districts which may conflict with this act.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* Independent school districts heretofore created by special act of the Legislature, shall have the power to levy and collect taxes; to issue and dispose of bonds; to provide for the payment thereof, and to do and perform any and all other acts as by this law provided.

SEC. 2. Whenever twenty or more qualified taxpaying voters of any such district shall make a request to that end by application to the board of trustees of such district, said board shall enter an order for an election to be held in said district to determine whether a tax shall be levied or not; the said application shall designate the amount of tax asked to be levied, or shall designate an amount of tax of which the whole, or so much thereof as may be deemed necessary by said board of trustees, is asked to be levied; and the order of said board shall state the date of said election, which shall not be less than thirty nor more than sixty days after the date of said order, and shall designate at what point or points the polls shall be opened; and said order shall further designate the amount of the tax, or the amount which is not to be exceeded as aforesaid, that is to be voted upon; provided, no election shall be held to determine the levy of a tax exceeding the limit of the taxing power of said district as fixed by law; and if a levy of less than said limit shall have been made, then, though a further election may be held to determine the levy of an additional tax, the sum of all such levies shall never exceed said limit.

SEC. 3. After the making of said order for an election the board of trustees shall provide for the posting of notices of such election at three public places in said district, which posting shall be at least three weeks prior to the date fixed for the election; and after one election has been held no other election can be held for the space of one year.

SEC. 4. The board of trustees shall appoint a presiding officer to hold such election at the voting place or places, and such presiding officer shall on or before the day of election select two judges and two clerks of election for each voting place, and said presiding officer with said judges and said clerks shall be managers of election, and said presiding officer and said judges and clerks of election shall take the oath prescribed by statute as in general elections; and it shall be the duty of said presiding officer to make a return of said election to said board of trustees, which return is to be made as is required by law in case of a general election; and all persons who favor taxation for school purposes

shall have written or printed on their tickets: "For school tax," and all persons opposed to such taxation shall have written or printed on their tickets: "Against school tax"; and if an election be to determine whether a tax shall be increased each voter favoring the increase of the school tax shall have written or printed on his ballot: "For increase of school tax," and those opposing such increase shall have written or printed on their ballots: "Against increase of school tax."

SEC. 5. All persons who are legal, qualified voters of this State and of the county of their residence, and who are resident property taxpayers in said district as shown by the last assessment roll of the county, shall be entitled to vote in any such school district; and if at any such election two-thirds of such qualified voters voting at such election shall vote for the tax, it shall be declared by the said board of trustees to have been carried in said district, and be so entered upon the records of said board; and in all cases the returning officer of election shall make a full and complete return as in other elections to said board within five days after said election has been held, and said return shall be opened and counted at the first regular meeting of said board of trustees and the result declared.

SEC. 6. Any person may challenge a voter, but if the challenged party take an oath that he is a qualified voter of the State and county, and that he is a resident property taxpayer in said district, he shall be entitled to vote.

SEC. 7. If the result of the election shall be in favor of the levy of the tax or the increase of the tax, as the case may be, then or at any time thereafter it shall be the duty of the board of trustees to levy said tax or said increase thereof upon all of the taxable values within such district, and to certify by writing under the seal of said district and signed by the president of said board to the county assessor of the county wherein such district is situated that said levy of said tax or increase of tax has been made, and thereupon it shall be the duty of the tax assessor of said county to assess the same as other taxes, and to make an abstract showing the amount of the special tax assessed against such district and to furnish the same to the board of trustees on or before the first day of September of the year for which said taxes are assessed, and said assessment of taxes shall be made in all regards as other taxes are now or may hereafter by law be prescribed to be assessed; and the taxes levied upon the property in said district shall be a lien thereon and the same shall be sold for unpaid taxes in the manner and at the time sales occur for State and county taxes, and be in every other regard collectible as is now or may be provided for the collection of State and county taxes; and the assessor shall be paid by the board this compensation, to say, one cent for each hundred dollars of value on all valuations up to two million dollars, and one-fourth of one cent for each hundred dollars of value on all sum in excess of two million dollars.

SEC. 8. The tax collector of the county wherein said district is situated shall collect the taxes levied for said district as other taxes, and shall pay all such taxes so collected to the treasurer of the board of trustees of said district, and shall receive a commission to be paid to him by the board for collecting said taxes of five per cent. on all sums collected up to four thousand dollars, and one and one-fourth per cent. on all sums collected in excess of four thousand dollars.

SEC. 9. The board of trustees is authorized to require of the county assessor a bond with two or more sureties satisfactory to said board, payable to the State of Texas, conditioned in a sum not exceeding one thousand dollars, for the faithful discharge by said assessor of his duties in making the assessment for said district; and the board may require of the county collector a bond with two or more sureties satisfactory to said board and to be payable to the State of Texas, in a sum not to exceed the total amount of taxes which he will collect, conditioned for the faithful discharge of his duties in the collection of taxes for said board and the payment of all moneys that may be received by him on said account to the treasurer of said board. And upon these bonds recovery may be had by the board of trustees in behalf of said school district for any breach thereof.

SEC. 10. Such independent school district shall have the power to issue bonds in order to acquire money with which to purchase grounds or sites for school buildings and to erect, furnish and equip school buildings as the board of trustees may determine, but subject to these restrictions upon said bond issue, to say:

1st. The bonds shall be issued in the name of said school district and shall be its obligations, and may be in such form as the board of trustees determine; but they shall mature not more than forty years after their date, and the rate of interest which they bear shall not exceed six per cent. per annum, and they may contain provisions as the board may deem proper whereby they may be paid before maturity.

2nd. The limitation upon the amount of such bond issue shall be, that, upon the basis of the taxable values in the district as ascertained by the assessment on the first day of January prior to the election to determine whether a tax shall be levied, the tax so levied pursuant to said election shall pay the expense of the assessment and collection of said taxes as before provided, the annual interest accruing on said bonds, and create the necessary sinking fund to pay said bonds at maturity; and no bonds shall be issued unless at the time provision shall be made to assess and collect annually a sum sufficient to pay said expense of assessment and collection of taxes and to pay the interest on said bonds and to create the necessary sinking fund, which shall not be less than two and a half per cent.

3rd. In any and all cases where an election has been held in any such independent school district under an order of its board of trustees, with or without petition therefor, at a time not more than three years prior to the approval of this act, and such election has resulted in favor of the levy of said tax, then said election shall warrant the issuance of bonds by said school district to the extent authorized as aforesaid by the taxable values of the property in said district as of date January the first prior to said election, and as such values may have been ascertained under the provisions of law creating such district. And in order to have a valid bond issue it shall not be necessary in such case to either have another election or another ascertainment of the values of taxable property.

SEC. 11. After providing for the payment of the assessing and collecting of said taxes and for the interest on said bonds and creation of the proper sinking fund, then the board of trustees of such district is authorized and empowered to expend any balance remaining of the taxes

collected, upon the support and maintenance of schools including further equipments of buildings, purchase of furniture, and payment of salaries of teachers.

SEC. 12. It shall be the duty of the Attorney General of the State, upon the presentation of such aforesaid bonds for his inspection, carefully to examine the same, inquiring into all the circumstances which may be necessary to determine their validity, and if satisfied that the said bonds were issued in conformity with law, and that they are valid and binding obligations of the district by which they purport to have been issued, he shall thereupon certify to their validity, and shall deliver his certificate to that effect to the said board of trustees, and a duplicate to the Comptroller; and should the said bonds be purchased from the said district, or from any authorized agent for it in the negotiation or sale of said bonds, they shall hereafter be held in every action or proceeding in which their validity may be called in question to be valid and binding obligations of the district issuing the same, unless issued fraudulently or in violation of constitutional limitations; and in every such action the said certificate of the Attorney General shall be admitted and received as *prima facie* evidence of the validity of the bonds and coupons thereto.

SEC. 13. This act shall repeal all portions of any special acts creating independent school districts which portions may be in conflict herewith but shall not impair or affect said special acts creating said districts so far as the same are not inconsistent with the provisions of this act, or impair or affect anything done or performed under said special acts prior to the passage of this act; and in all regards where neither said special act or acts nor this law have expressly prescribed the rule for guidance of the board of trustees in discharge of their duties as such, or in the conduct, management and operation of said school districts, then the provisions of the general law regulating schools in incorporate cities and towns assuming control thereof shall govern and apply.

SEC. 14. No provisions of this act shall apply to any school districts or independent school districts except such as have been created by special act of the Legislature or may hereafter be so created.

SEC. 15. The fact that there have been created independent school districts by special acts of the Legislature, and that a doubt has arisen as to their power to issue bonds, creates an emergency and an imperative necessity that the constitutional rule be suspended requiring bills to be read on three several days, and that this act shall take effect from and after its passage, and it is so enacted.

AMENDMENT TO ARTICLE 642, REVISED STATUTES OF TEXAS.

H. B. No. 433.]

CHAPTER XLIII.

An Act to amend Subdivision 39, of Article 642, of Chapter 130, of the Acts of the Regular Session of the Twenty-fifth Legislature, entitled "An Act to amend Articles 641 and 642, Chapter 2, Title XXI, of the Revised Civil Statutes of Texas, relating to corporations," and to add to said Article 642 three new subdivisions, to be known as Subdivisions 58, 59 and 60, providing for the organization of fruit, vegetable and tobacco companies, and for the organization of exchanges, with authority to deal in the stocks of mining companies and for conducting the business of undertaker and embalmer.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Subdivision 39, of Article 642, of the above recited act sought hereby to be amended, and which reads as follows: "The establishment of land companies to buy, own, sell and convey real estate in any State or foreign country; but such company shall own only such real estate in this State as may be necessary for its office," be and the same is hereby amended so as to hereafter read as follows:

39. For the purpose of doing business in any State or foreign country:

a. The establishment of land companies to buy, own, sell and convey real estate and minerals and engage in mining, agriculture and stock raising.

b. Doing a general business in merchandise and manufactures.

c. The acquisition, construction, maintenance, operating and owning of power and illuminating plants, and systems of every character.

d. The acquisition, construction, maintenance, operating and owning of urban and other lines of railway and all other kinds of transportation and communication.

e. The improvement of harbors and rivers, and the acquisition, construction, ownership and operating of canals, irrigation works, wharves and warehouses, and all kinds of machinery, tools and materials used for all the purposes enumerated in this subdivision; provided, that any corporation organized under the provisions of this subdivision shall only own such real estate in this State as may be necessary for its office; provided further, that for every charter granted under the provisions of this act which may include more purposes than are contained in any one paragraph of this subdivision a separate franchise fee or tax shall be paid to the State of Texas for the additional purposes for which such corporation is organized under the various paragraphs of this subdivision.

SEC. 2. That Article 642 of the Revised Civil Statutes of the State of Texas, as amended by Chapter 130 of the General Laws of the Twenty-fifth Legislature, be amended by adding thereto Subdivisions 58, 59 and 60, to read as follows:

58. For the organization of companies for growing and selling of fruits, vegetables and tobacco.

59. For the organization of exchanges, with authority to deal in the stocks of mining companies.

60. For conducting the business of undertaker and embalmer.

SEC. 3. Whereas, many citizens of the State of Texas are desirous of forming corporations for the purpose of engaging in business in Mexico, Cuba, Puerto Rico, and the Philippine Islands, and various other foreign countries; and whereas, our present corporation laws are inadequate to confer such corporate powers as are necessary to the formation of such companies for the purposes and upon the terms provided in this act, and are now seeking incorporation in other States of the Union which allow incorporation for such purposes, thus depriving the State of Texas of the legitimate revenues that should be derived from the business enterprise of her citizens; and whereas, the present session of the Legislature is nearing its close and the calendars of the Senate and House are in a crowded condition, therefore, an emergency exists, and an imperative public necessity demands that the constitutional rule requiring bills to be read on three several days in each house be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and was reported to the Senate, where it was amended and passed, no vote given; House concurred in Senate amendments, no vote given.]

Approved April 2, 1901.

Takes effect 90 days after adjournment.

HILL, GRIMES, COOKE, HUNT, JACKSON, BEE, VICTORIA
AND FALLS COUNTIES—ROAD SYSTEM—
AMENDMENT.

H. B. No. 196.]

CHAPTER XLIV.

An Act to amend Chapter 134 of the General Laws of the Twenty-fourth Legislature, as amended by the Twenty-sixth Legislature, entitled "An Act to create a more efficient road system for Hill, Grimes, Cooke, Hunt, Jackson, Bee and Victoria counties, Texas, and making county commissioners of said counties ex-officio road commissioners, and prescribing their duties as such, and providing for their compensation as road commissioners; and providing for the appointment of deputy road commissioners, and defining the powers and duties of such county commissioners; and providing for the appointment of road overseers, and defining their duties; and for the working of county convicts upon the public roads of said counties; and providing for officers' fees and rewards for the capture of escaped convicts; and to provide for the manner of training hedges along any public road; and to provide for the summoning of teams for road work, and for an allowance of time of road service for same; and fixing a penalty for the violation of this act, and repeal all laws in conflict with this act," by extending the provisions of this act to Falls county; and providing for the fees of county judge where convicts are worked upon the public roads, and declaring an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Chapter 134, General Laws of the Twenty-fourth Legislature, as amended by the Twenty-sixth Legislature, be so amended as hereafter to read as follows:

That each member of the commissioners courts of Hill, Hunt, Jackson, Bee and Falls counties shall be ex-officio road commissioners of their res-

pective districts, and under the direction of the commissioners courts shall have charge of all teams, tools and machinery belonging to the county, and placed in their hands by said county; and it shall be their duty, under such rules and regulations as the commissioners court may prescribe, to superintend the laying out of new roads, and making or changing of roads, and the building of bridges. Each of said commissioners shall, before entering upon the duties of their office, in addition to their regular bond as such county commissioner, execute a bond of one thousand dollars, with two or more good and sufficient sureties, payable to the county judge of their county for the use and benefit of the road and bridge fund, conditioned that they will perform all the duties required of them by law or by the commissioners court, and that they will account for all money or property belonging to the county that may come into their possession; provided, that with the consent of the commissioners court, any one of said commissioners shall be allowed to appoint any competent person as deputy road commissioner who shall be required to execute the same bond as is required of the commissioners in this section; and such deputy road commissioners shall be entitled to the same compensation that is allowed county commissioners for the same services; provided, that the county commissioners shall not be allowed any compensation as road commissioners when a deputy road commissioner has been appointed.

SEC. 2. The commissioners court of said counties shall have full power and authority, and it shall be its duty, to adopt such system for working, laying out, draining, and repairing the public roads in said counties as it may deem best, and from time to time said court may change its plan or system of working. Said commissioners courts shall have power to purchase such teams, tools and machinery as may be necessary for the working of its roads. Said courts shall have the power to construct, grade, or otherwise improve any road or bridge by contract. In such cases said courts, or the county judges, may advertise, in such manner as said courts may determine, for bids to do such work, and the contract shall be awarded to the lowest responsible bidder who shall enter into bond, payable to the county judge of said county, for the use of the road and bridge fund, with good and sufficient sureties, to be approved by said court, and in such sum as said court may determine, for the faithful compliance with the terms of said contract, but said court shall have the right to reject any and all bids. At the time of making such contract the court shall direct the county treasurer to pass the amount to the particular fund for that purpose, and the treasurer shall keep a separate account of such funds, and the same shall not be used for any other purpose and can only be paid out on the order of said court; and the said court shall have authority to employ any hands or teams to work on the roads, under such regulations and for such price as they may deem best.

SEC. 3. The commissioners courts of said counties shall require all county convicts not otherwise employed to labor upon the public roads under such regulations as they may prescribe, and each convict so worked shall receive a credit of fifty cents on his fine first and then on the costs for each day he may labor. Such commissioners courts may provide such reasonable regulations and punishments as may be necessary to require such convicts to perform good work, and may provide a reward not exceeding ten dollars to be paid out of the road and bridge fund for the recap-

ture and delivery of any escaped convict to be paid to any person other than the guard or person in charge of such convict at the time of his escape, which reward shall be taxed against such convict and worked out or paid by him as a part of the costs. The commissioners court may grant a reasonable commutation of time for which a convict is committed as a reward for faithful services and good behavior, in no case to exceed one-tenth of the whole time. Said courts may provide the necessary houses, prisons, clothing, bedding, food, medicine, medical attention and guards for the safe and humane keeping of convicts. The commissioners courts may at a regular term allow to the officers and witnesses such amount of their costs for the arrest and conviction of said convict as it may deem best; provided, that it shall not allow to any officer an amount greater than the following: county judge, \$3.00; county attorney, \$5.00, including commissions; county clerks and justices of the peace, including commissions, one dollar and seventy cents; sheriffs or constables, \$5.00, which amount shall be paid to the officers out of the road and bridge fund upon the order of said courts, when said fine and costs have been worked out as provided in this section, that this shall not be construed as to relieve any convict from the payment of all costs for which he would be liable under the General Laws of this State.

SEC. 4. Each county commissioner shall have control over all road overseers in his district, and shall deliver to each of them all teams, tools and machinery necessary in working the roads in the district of said overseer, so far as he has been supplied therewith by the commissioners courts, taking receipt of said overseer therefor, specifying each item and giving its value, which receipt shall be a full answer of the liability of the commissioner and shall fix the liability of the overseer, and the commissioner or overseer who shall have been entrusted with any teams, tools or machinery belonging to said county shall be liable for any damages that may occur to the same while in his possession caused by his negligence or want of due care of same, and shall not use or permit the same to be used for private purposes without the consent of the commissioners courts. It shall be the duty of the road overseer when he has finished work on his roads to return to said commissioner all teams, tools and machinery received from him, and take up the receipt therefor.

SEC. 5. It shall be the duty of the county commissioner, when acting as road commissioner, to inform himself of the condition of the public roads of his district, and shall determine what character of work shall be done upon said roads, and shall direct the manner of grading, draining or otherwise improving the same, which direction shall be observed and obeyed by all road overseers of his district.

SEC. 6. The commissioners may require each road overseer in his district to call out the hands in such number as may be sufficient to perform the work, but no road hand shall be required to work exceeding five days in any one year, or two days with himself and team, unless the term of service as prescribed by the general law shall be extended beyond that time; and provided, that all road hands in any particular district shall, as far as practicable, be worked a uniform time. Each road overseer, or in case of his absence any person deputized by him, shall have full control of all road hands within his district, and shall see that each hand when called out shall perform a good day's work: and if any hand when so called out shall fail or refuse to perform a good day's work, in the

manner the overseer may direct, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons. The commissioners court may allow any overseer who shall be engaged in the discharge of the duties of his office for more than five days during any one year, a compensation, not to exceed one dollar and fifty cents per day for the time so served.

SEC. 7. Any citizen of Hill, Hunt, Jackson, Bee and Falls counties liable to road duty who shall, on or before the first day of January of each year, pay to the county treasurer the sum of three dollars, shall be exempt from road duty for such year, beginning on the first day of January. The treasurer shall receive and receipt for all money so paid him, and place the same to the credit of the road and bridge fund, and shall keep a separate account for each road district from which it is received. The treasurer shall, on the third day of January, or as soon thereafter as practicable, furnish to each county commissioner a list of all persons in their respective districts that have paid said sum as provided in this section.

SEC. 8. Every person liable to work on roads, by paying to his road overseer at any time before the day appointed to work on his road the sum of one dollar for each day that he is summoned to work and one dollar and fifty cents for each day he is summoned to furnish his team for road work, shall be exempt from working or furnishing his team for each day paid for, and also exempt from any penalties for failure to work, or furnish such team for the time for which he had so paid.

SEC. 9. Each person summoned to work on the road shall take with him an axe, hoe, pick, spade, plow, scraper, or such other tool as may be desired and directed by the overseer, or if he has no such tools as are desired and directed by the overseer to take with him, he shall take such other suitable tool as he may have; provided, the county shall be liable for, and the commissioners court, under such regulations as they may prescribe, shall pay for all such breakage or damage to all such tools as may have resulted from public road work and not caused by the negligence of the person furnishing the same. Such overseer may also summon and require such road hand to bring with him for public road work such team or teams as he may have on hand suitable for road work; provided, such hand shall be allowed two and one-half days' time for each day put in by a hand with his team, and one and one-half days' time for his team without such hand.

SEC. 10. If any person liable to work upon the public roads, after being legally summoned, shall intentionally fail or refuse to attend, either in person or by able and competent substitute, or fail or refuse to furnish his team or tools, at the time and place designated by the person summoning him, or to pay to such overseer the sum of one dollar for each day he may have been notified to work on the road, or to pay to such overseer the sum of one dollar and fifty cents for each day he may have been notified to furnish his team for road work, or having attended shall fail to perform good service, or any other duty required of him by law or the person under whom he may work, shall be deemed guilty of a misdemeanor, and on conviction thereof fined in any sum not exceeding ten dollars.

SEC. 11. At the regular term of the commissioners courts in November of each year all road overseers shall make their reports under oath

upon forms to be furnished them by said courts, which report shall be examined by said court and all accounts for services or labor performed for overwork by such overseer during the past year and of moneys had and expended by him shall be audited and settled, and as soon thereafter as practicable said commissioners courts shall appoint and commission road overseers for the succeeding year. Any road overseer intentionally failing to perform his duties as such overseer, or failing or refusing to make his report as required by law, or failing or refusing to serve and perform the duties of overseer when appointed by said court, or to perform any other duty required of him by law or by the commissioners court or by the commissioner of his district, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any sum not exceeding twenty-five dollars.

SEC. 12. Whenever it shall be necessary to occupy any land for opening, widening, straightening or draining any road or part thereof, if the owner of such land and the county commissioners courts cannot agree upon the damage to be paid the county may proceed to condemn the same in the same manner that a railroad company can condemn land for right of way and the same proceedings may be had and the same right shall exist to each party as would exist if the proceedings were by a railroad company except that the county shall in no case be required to give bond.

SEC. 13. Every owner of a farm or other lands upon which a hedge of any description grows on or near the public road shall be required to keep the same trimmed so that the same shall not obstruct said road, and such owner who shall fail or neglect to so trim such hedge shall be notified in writing by the road overseer of that district to trim such hedge as herein required; and in such case if such owner shall, after receiving such notice, fail or refuse to trim such hedge within a reasonable time he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any sum not exceeding twenty dollars per week from and after the time that he received such notice, such fine to be paid into the county treasury and to be placed to the credit of the road and bridge fund of said county. If any owner of any farm shall fail or refuse or refuse, after being notified as herein required, to trim his hedge as required by this act, then the overseer shall cause the same to be trimmed in accordance with the provisions of this act, to be paid for out of the road and bridge fund of the county.

SEC. 14. Each county commissioner, when acting as road commissioner and performing the duties imposed upon him by law or by the commissioners courts, shall be entitled to two dollars per day for the services actually performed; provided, said sum to be paid him shall not exceed ninety dollars per quarter, which amount shall be paid out of the road and bridge fund when the account shall have been approved by the commissioners court, and the court shall not approve said account unless the commissioner presenting the same shall sign an oath that the account is just, due and unpaid, and specifying the number of days actually performed by him and that it was necessary to be done; and no commissioner shall be entitled to pay as road commissioner either for himself or for his deputy while he is performing the duties of county commissioner, nor shall he receive additional pay than that provided by this section for inspecting or riding over his roads or for other road service.

SEC. 15. This act shall be taken notice of by all courts in the same manner as the General Law of the State, and it shall be construed to be cumulative of all General Laws of the State on the subject of roads and bridges when not in conflict therewith, but in case of conflict this act shall control as to the counties of Hill, Hunt, Jackson, Bee and Falls.

SEC. 16. The fact that there is now no sufficient general road law in this State creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and passed the Senate by two-thirds vote, yeas 21, nays 0.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 2nd day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

Takes effect 90 days after adjournment.

MONTGOMERY COUNTY—ROAD SYSTEM.

S. B. No. 212.]

CHAPTER XLV.

An Act to provide a more efficient public road system for the county of Montgomery.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That each member of the commissioners court of Montgomery county shall be ex-officio road commissioner of his respective district and, under the direction of the commissioners court, shall have charge of all teams, tools and machinery belonging to the county and placed in their hands, and it shall be their duty, under such rules and regulations as the commissioners court may prescribe, to superintend the laying out of new roads, and the making, changing and repair of roads, and the building and repair of bridges. Each of said commissioners shall, before entering upon the duties of his office, in addition to their regular bond as such commissioner, execute a bond of one thousand dollars, with two or more good and sufficient sureties, payable to the county judge of the county, for the use and benefit of the road and bridge fund, conditioned that they will perform all the duties required of them by law or by the commissioners court, and that they will account for all property or money belonging to the county that may come into their possession; provided, that with the consent of the commissioners court, any one of said commissioners shall be allowed to appoint a competent person as deputy road commissioner, who shall be required to execute the same bond required of commissioners in this section; and such deputy road commissioner shall be entitled to the same compensation that

is allowed county commissioners for the same service; provided, that county commissioners shall not be allowed any compensation as road commissioners when a deputy commissioner has been appointed, except for work done by him as such road commissioner is case of urgent necessity.

SEC. 2. The commissioners court of said county shall have full power and authority, and it shall be its duty to adopt such system for working, laying out, draining and repairing the public roads in said county as it may deem best, and from time to time said court may change its plan or system of working. Said commissioners shall have power to purchase such teams, tools and machinery for the working of its road. Said court shall have power to construct, grade or otherwise improve any road or bridge by contract. In such cases said court or county judge may advertise, in such manner as said court may determine, for bids to do such work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond, payable to the county judge of said county, for the use and benefit of the road and bridge fund, with good, sufficient sureties, to be approved by said court, and in such sum as said court may determine, for the faithful compliance with the terms of said contract; but said court shall have the right to reject any and all bids. At the time of making such contract the court shall direct the county treasurer to pass the amount to a particular fund for that purpose, and the same shall not be used for any other purpose, and it can only be paid out on the order of said court, and the said court shall have authority to employ any hands or teams to work on the roads, under such regulations and for such price as they may deem best.

SEC. 3. The commissioners court of said county shall require all county convicts, not otherwise employed, to labor upon the public roads, under such regulations as they may prescribe, and each convict so worked shall receive a credit of fifty cents a day on his fine first and then on the costs for each day he may labor. Such commissioners court may provide such regulations and punishments as may be necessary to cause such convicts to perform good work, and may provide a reward not exceeding ten dollars, to be paid out of the road and bridge fund, for the capture and delivery of any escaped convicts, to be paid to any person other than the guard or person in charge of such convict at the time of his escape, which reward shall be taxed against such convict and worked out or paid by him as part of the cost. The commissioners court may grant a reasonable commutation of time for which a convict is committed, as a reward for faithful services and good behavior, in no case to exceed one-sixth of the whole time. The commissioners court may, at a regular term, make such provisions for prisoners' clothing, bedding, food, medicine and medical attention and guards for the safe keeping and humane treatment of convicts. Said court may allow to the officers and witnesses such amount of their costs for the arrest and conviction of such convict as it may deem best; provided, that it shall not allow to any officer an amount greater than the following: county judge, three dollars; county attorney, five dollars, including commissions; county clerks and justices of the peace, one dollar and seventy cents; sheriffs and constables, five dollars, which amount shall be paid to the officers out of the road and bridge fund, upon the order of said court, when such fine and costs shall have been worked out, as provided in this section; provided, that this

shall not be construed as to relieve any convict from payment of all costs for which he would be liable under the General Laws of this State.

SEC. 4. Each county commissioner shall have control over all road overseers in his district; and shall deliver to each of them all teams, tools and machinery necessary in working the roads in the district of said overseer, so far as he has been supplied therewith by the commissioners court, taking receipt of said overseer therefor, specifying each item and giving its value, which receipt shall be a full answer of the liability of the commissioners and shall fix the liability of the overseers; and any commissioner or overseer who shall have been entrusted with any teams, tools or machinery belonging to said county shall be liable for any damage to the same while in his possession, caused by his negligence or want of due care of the same, and shall not use or permit the same to be used for private purposes without the consent of the commissioners court. It shall be the duty of the road overseer, when he has finished work on his roads, to return to said commissioner all teams, tools and machinery received from him, and take up the receipt given therefor.

SEC. 5. It shall be the duty of the county commissioner when acting as road commissioner to inform himself of the condition of the public roads of his district, and shall determine what character of work shall be done upon said roads, and shall direct the manner of grading, draining or otherwise improving the same, which direction shall be observed and obeyed by all road overseers in his district, and the provisions of this section shall extend to work done under contract, unless by special provisions in the contract the road commissioner is relieved of the duties herein required.

SEC. 6. The commissioner may require each road overseer in his district to call out the hands in such numbers as may be sufficient to perform the work, but no road hand shall be required to work exceeding five days in any one year, or two days with himself and team, unless the term of service, as prescribed by the General Laws of the State, shall be extended beyond that time; and provided, that all road hands in any district shall, as far as practical, be worked a uniform time. Each road overseer, or in his absence, any one deputed by him, shall have full control of all road hands within his road district, and shall see that each hand, when he is called out, performs a good day's work; if any hand when so called out shall fail or refuse to perform a good day's work or to work in the manner the overseer may direct, shall be liable to the same penalty as if he had failed to appear in obedience to the summon. The commissioners may allow any overseer who shall be engaged in the discharge of the duties of his office for more than five days in any one year a compensation not to exceed one dollar a day for the time so served; provided, that he shall make oath that the account is just and due.

SEC. 7. Any citizen of Montgomery county liable for road duty who shall before the February term of the commissioners court of each year pay to the county treasurer the sum of three dollars, shall be exempt from road duty for such year. The treasurer shall receive and receipt for all moneys so paid him, and shall place the same to the credit of the road and bridge fund, and shall keep a separate account for each district from which it is received. The treasurer shall, on the first day of the February term of the commissioners court, or as soon thereafter as practical,

furnish to each county commissioner a list of all persons in their respective districts that have paid the sum provided in this section.

SEC. 8. Every person liable to work on roads by paying to his road overseer, at any time before the day appointed to work on his road, the sum of one dollar for each day that he is summoned and one dollar and fifty cents for each day he is summoned to furnish his team for road work, shall be exempt from working or furnishing his team for each day paid for, and also exempt from any penalties for failure to work or furnish such team for the time for which he has so paid.

SEC. 9. Each person summoned to work on a road shall take with him an ax, pick, spade, plow, scraper, or such other tool as may be desired and directed by the overseer, or if he has no such tool as is desired and directed by the overseer to take with him, he shall take such suitable tools as he may have; provided, the county shall be liable for, and the commissioners court, under such regulations as they may prescribe, shall pay for all breakage or damage to such tools as may have resulted from public road work, and not caused by the negligence of the person furnishing the same. Such road overseer may also summon and require such road hand to bring with him for public road work such team or teams he may have on hand suitable for road work; provided, that such hand shall be allowed two and one-half days' time for each day put in by a hand with his team, and one and one-half days' time for his team without such hand.

SEC. 10. If any person liable to work on the public roads, after being legally summoned, shall intentionally fail or refuse to attend either in person or by able and competent substitute, or fail or refuse to furnish his team or tools at the time and place designated by the person summoning him, or to pay such overseer one dollar per day for each day he may have been notified to work the road, or to pay said overseer the sum of one dollar and fifty cents for each day he may have been summoned to furnish himself and team for road work, or having attended shall fail to perform good service or any duty required of him by law or the person under whom he may work, shall be guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not exceeding ten dollars.

SEC. 11. At the regular term of the commissioners court in February of each year all road overseers shall make their reports, under oath, upon forms furnished by said court, which said report shall be examined by said court, and all accounts for services or labor performed for over work by such overseer during the past year, and of moneys had and expended by him shall be audited and settled, and as soon thereafter as possible said commissioners court shall appoint and commission road overseers for the succeeding year; any road overseer intentionally failing to perform his duties as said road overseer, or failing or refusing to make his report as required by law, or failing or refusing to serve and perform the duties of overseer when appointed by said court, or to perform any other duty required of him by law or the commissioners court or by the commissioner of his district, or his deputy, shall be guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not exceeding twenty-five dollars.

SEC. 12. Whenever it shall become necessary to occupy any land for the opening, straightening, widening or draining or repair of any road or part thereof, if the owner and commissioners court cannot agree upon

the price of such land or the damage to be paid, the county may proceed to condemn the same in the same manner that a railroad can condemn land for right of way, and the same proceedings may be had and the same rights shall exist to each party as would exist if the proceedings were by a railroad company, except that the county shall in no case be required to give bond.

SEC. 13. It shall be lawful for any delinquent poll taxpayer in Montgomery county to perform two days service upon the public roads in his road precinct in each and every year, in discharge of said delinquent poll tax, unless the poll tax now provided for by the General Laws of Texas shall be changed, in which case a proportionate time for service shall be held to discharge said delinquent for one year's poll taxes; provided further, that this act shall not be held to annul any laws upon the general statutes of Texas for the collection of delinquent poll taxes, but cumulative thereto in Montgomery county; and provided further, that such delinquent taxpayers shall perform such road service under the direction of the overseer, under the same regulations herein provided for parties subject to road service under the General Laws of the State; and it shall be the duty of the tax collector to furnish a list of all delinquent poll taxpayers of each district to the commissioner of said district before the first day of March of each year.

SEC. 14. The commissioners court shall be authorized to levy and collect a tax of not exceeding fifteen cents on the hundred dollars to be used exclusively for road and bridge purposes, and the same shall be disbursed by the said court as they may deem best; provided, said court shall set aside annually, out of said fund, a sum sufficient to pay interest and provide a sinking fund necessary to discharge all outstanding bridge bonds as they mature.

SEC. 15. Whenever a majority of the property taxpayers of Montgomery county, voting at an election for that purpose, shall favor, the commissioners court of said county shall be authorized to levy and collect a special tax of not exceeding fifteen cents on the one hundred dollars for road and bridge purposes, the same to be disbursed as hereinbefore provided.

SEC. 16. Whenever the cost of a piece of road improvement or the cost of a bridge shall exceed two hundred dollars, the commissioners court shall cause the same to be done by contract as hereinbefore provided.

SEC. 17. Every county commissioner shall as soon as practical, after the February term of the commissioners court, take a list of all hands in his district, and also the number of miles of road in his district to be worked; and the condition of such roads, and the approximate amount of work each and every road shall require to keep the same in, as far as possible, uniform condition, and apportion said hands so that no set of hands shall be required to do more work than their proportionate share of road work in said district.

SEC. 18. Every county commissioner, when acting as road commissioner and performing the duties imposed upon him by law or by the commissioners court, shall be entitled to two dollars per day for services actually performed; provided, said sum to be paid him shall not exceed thirty dollars per quarter, which amount shall be paid out of the road and bridge fund, when the account shall have been approved by the

commissioners court, and the court shall not approve said account unless the commissioner presenting it shall sign an oath that the account is just, due and unpaid, specifying the number of days actually performed by him, and that it was necessary to be done; and no commissioner shall be entitled to pay as road commissioner, either for himself or his deputy, while he is performing the duties of county commissioner, nor shall he receive any additional pay than that provided by this section for inspecting or riding over his roads, or for any other road service.

SEC. 19. This act shall be taken notice of by all courts in the same manner as a general law of this State, and it shall be construed to be cumulative of all General Laws of the State on the subject of roads and bridges, when not in conflict therewith, but in case of conflict this act shall control as to Montgomery county; and all local or special laws in conflict herewith are hereby repealed.

SEC. 20. The fact that there is now no sufficient general road law in this State creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 24, nays 0; and passed the House of Representatives by two-thirds vote, yeas 103, nays 0.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 2nd day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. MATAGORDA COUNTY—ROAD SYSTEM.

H. B. No. 360.]

CHAPTER XLVI.

An Act to create a more efficient road system for Matagorda county, Texas, and making the county commissioners of said county ex-officio road commissioners, and prescribing their duties as such, and providing for their compensation as such road commissioners; and providing for the working of county convicts upon the public roads of said county, and providing for a penalty for the escape of county convicts; and providing the amount of compensation in road time to be allowed by overseers to road hands for teams and road work; and providing for the condemnation of land for public road purposes; and providing for the working of delinquent poll taxpayers on the public roads, and relieving road hands from the performance of road work by the payment of the sum of three dollars; and providing for elections for issuance for bonds for bridge purposes; and providing further, making this law cumulative of the General Laws, and in case of a conflict this act to govern as to Matagorda county, Texas, and creating an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the members of the commissioners court of Matagorda county, Texas, shall be ex-officio road commissioners of their respective districts,

and under the direction of the commissioners court shall have charge of teams, tools and machinery belonging to the county and placed in their hands by the said court. And it shall be their duty under such rules and regulations as the commissioners court shall prescribe to superintend the laying out of new roads, the making or changing of roads, and the building of bridges.

Each of said commissioners shall before entering upon the duties of his office execute a bond of \$1000, with two or more good and sufficient sureties payable to the county judge of said county, for the use and benefit of the road and bridge fund of the county, conditioned that he will perform all the duties required of him by law or by the commissioners court and that he will properly account for all money or property belonging to the county that may come into his possession.

SEC. 2. The commissioners court of said county shall have full power and authority and it shall be their duty to adopt such system for working, laying out, draining and repairing the public roads in said county; as they may deem best, and from time to time said court may change its plans or system of working. Said commissioners court shall have power to purchase such teams, tools and machinery as may be necessary for the working of its roads. Such court shall have the power to construct, grade or otherwise improve any road or bridge by contract. In such case such court or the county judge may advertise in such manner as said court may determine for bids to do such work, and the contract shall be let to the lowest responsible bidder, who shall enter into bond payable to the county judge of said county, for the use of the road and bridge fund, with good and sufficient sureties to be approved by said court, and in such amount as said court may determine, for the faithful compliance with the terms of said contract, but said court shall have the right to reject any and all bids. At the time of making any such contract, the court shall direct the county treasurer to pass the amount to a particular fund for that purpose, and the treasurer shall keep a separate account of such fund, and the same shall not be used for any other purpose, and can only be paid out on the order of said court, and the said court shall have the authority to employ any hands or teams to work on the roads under such regulations and for such prices as they may deem best.

SEC. 3. The commissioners court of said county may require all county convicts not otherwise employed to labor upon the public roads under such regulations as it may prescribe, and each convict so worked shall receive a credit of fifty cents on his fine first, and then on the costs, for each day he may labor, and for each Sunday while confined. The commissioners court shall at a regular term allow to the officers and witnesses one-half their costs for the arrest and conviction of said convict, provided he works out his entire fine and costs, which amount shall be paid to the officers out of the road and bridge fund on the warrant of the county judge. The commissioners court may provide the necessary houses, prisons, food, medicine, medical attention, and guards for the safe and humane keeping of said county convicts.

SEC. 4. The commissioners court shall lay off each commissioner's district into a convenient number of road precincts, numbering each and defining as accurately as possible the boundaries thereof.

SEC. 5. An overseer shall be appointed by said court for each road

precinct at the time of establishing the same, and at the first regular term of the court in each year the said court shall appoint an overseer for each road precinct in the county, who shall under the direction of the road commissioner of his district have charge of all the public roads and all the hands liable for work on the same that are situated or reside in his precinct. It shall be his duty to call out all hands liable to road work service and to cause all the roads in his respective precinct to be worked at least twice in each year and at such other times as may be necessary. He shall also work on the public roads of his precinct any county convicts that may be assigned to him under direction of the commissioners court or county judge, and shall have authority to call out any person liable to road duty to act as guard for said convict or convicts in his precinct.

SEC. 6. Each county commissioner shall have control of all road overseers in his district, and shall deliver to each of them all teams, tools and machinery that may be necessary in working the roads in the precinct of said overseer, so far as he has been supplied therewith by the commissioners court, taking receipt of said overseer therefor, specifying each item and giving its value, which receipt shall be a full answer for the liability of the commissioner, and shall fix the liability of the road overseer. And any commissioner or overseer shall be liable for any damage that may occur to same while in his possession, caused by his negligence or want of due care of the same, and shall not use or permit the same to be used for private purposes without the consent of the commissioners court. It shall be the duty of the overseer, when he has finished work on his roads, to return to said commissioner all teams, tools and machinery received from him, and take up the receipt given therefor.

SEC. 7. It shall be the duty of the county commissioner when acting as road commissioner, to inform himself of the condition of the public roads of his district, and shall determine what character of work shall be done upon said roads, and shall direct the manner of grading, draining or otherwise improving the same, which direction shall be observed and obeyed by all road overseers of his district.

SEC. 8. Each road overseer shall during each year call out all hands subject to road duty to work five days, and he shall see that each hand when called out shall perform a good day's work, and if any hand when so called out shall fail or refuse to perform a good day's work, or to work in the manner that the overseer shall direct, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons. And any road overseer, when he deems it expedient, and at the time of notifying any hand to work upon the road, may also summon such hand as may be the owner of a team suitable for road work, to bring such team with him to be used in working upon the road during such time as the hand may be notified to work upon the road. And after such notice given if such hand shall fail or refuse to bring his team with him as notified to do, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons; provided, that any hand for so doing shall be credited with and allowed two and one-half days upon the time for which he is liable for road duty for each day he may work in connection with and while furnishing such team, and one and one-half days for his team without such hand.

SEC. 9. A "good day's work" under this act shall consist of eight hours labor for road hands, or for county convicts, and ten hours labor for hired hands.

SEC. 10. The commissioners court may allow to any overseer engaged in the discharge of the duties of his office for more than five days during any one year a compensation not to exceed more than one dollar and fifty cents per day for the time so served, when such extra work is ordered by the commissioner of the precinct. The term of service of the road overseer shall be from the time of service of the order of appointment until the first term of the commissioners court of the succeeding year.

SEC. 11. Any citizen of Matagorda county liable for road duty, who shall on or before the first day of February of any year pay to the county treasurer, or the commissioner of his precinct, the sum of three dollars, shall be exempt from road duty for such year, beginning on the first day of February.

The treasurer or commissioner to whom the money shall be so paid, shall receive the same and receipt for it, and it shall be placed to the credit of the road and bridge fund, to be expended in the resident precinct of such payor, and the treasurer shall keep a separate account for each road precinct from which said money is received, and the county treasurer shall at the regular term in February furnish to the court a list of all persons in their respective precincts who have paid said sum as provided in this section.

SEC. 12. Every person liable to work on the roads by paying to his road overseer, at any time before the day appointed to work on his road, the sum of one dollar for each day he is summoned to work, and one dollar and fifty cents for each day he is summoned to furnish his team for road work, shall be exempt from working or furnishing his team for each day paid for, and also exempt from any penalty for failure to work or furnish such team for the time which he had so paid.

SEC. 13. Each person summoned to work on a road shall take with him an axe, hoe, pick, gun, spade, plow, scraper or other tool as may be desired and directed by the overseer, or if he has no such tools as may be desired and directed by the overseer to take with him, he shall take such suitable tools as he may have; provided, the county shall be liable for, and the commissioners court under such regulations as they may prescribe shall pay for all such breakage or damage to all such tools, as may have resulted from public road work, and not caused by the negligence of the person furnishing the same.

SEC. 14. If any person, liable to work upon the public roads after being legally summoned, shall intentionally fail or refuse to attend, either in person or by able and competent substitute, or fail or refuse to furnish his teams or tools at the time and place designated by the person summoning him, or to pay such road overseer the sum of one dollar for each day he may have been notified to work on the road, or to pay such overseer the sum of one dollar and fifty cents for each day he may have been notified to furnish his team for road work, or having attended, shall fail to perform good service, or any other duty required of him by law, or the person under whom he may work, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any sum not exceeding ten dollars.

SEC. 15. At the first regular term of the commissioners court of each year all road overseers shall make their report under oath, upon forms to be furnished by the said court, which said report shall be examined by said court, and all accounts of moneys had and expended by him shall be audited and settled, and as soon thereafter as practicable said commissioners court shall appoint and commission road overseers for the succeeding year, and in the event of the removal, death, or refusal, failure, or inability to act on the part of any road overseer so appointed, or on account of any vacancy in such office, the commissioners court or commissioner of the precinct shall have authority to fill the vacancy, and report his action in writing to the county clerk, who shall record the same in the minutes of the commissioners court either in term time or vacation.

Any overseer intentionally failing to perform his duties as such overseer, or failing or refusing to make his report as required by law, or to perform any other duty required by law, or the commissioners court, or by the commissioner of the district, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any sum not exceeding twenty-five dollars.

SEC. 16. The county collector of Matagorda county, shall as soon after the first day of February of each year as practicable furnish to each road overseer a list of all delinquent poll taxpayers for the previous year in their respective road precincts, and the persons so appearing on said lists, and who are such delinquent poll taxpayers, shall be subject to road duty for the period of three days during the ensuing year, and they shall be summoned as in other cases to work the roads in the road district or precinct in which said person may reside, and the performance of the road service provided for in this section shall not exonerate the person from any other road duty to which the person performing the same may be subject, but this shall be taken as cumulative. The persons subject to do road duty under this section shall be subject to prosecution as provided in Section 14 of this act or other law of this State and subject to the same liabilities and punishments provided for in other cases for failing to appear and do good work when summoned to do so, as provided for in this act or other laws of this State, and all such laws shall apply to persons required to work roads under the provisions of this section, and when they are convicted they shall satisfy the fine and costs as in other misdemeanor convictions. But any person summoned to work on the road under the provisions of this section may satisfy such summons and be relieved from such duty by paying the amount of poll tax required by law, to be apportioned as the law directs, and exhibiting to the overseer, or person summoning him, on or before the day on which he is summoned to work, the receipt of the county collector for such poll tax.

SEC. 17. If any county convict shall escape from any person or persons having said county convict in charge for said county, said county convict so escaping shall be guilty of an offense, and upon conviction shall be fined not less than ten nor more than twenty-five dollars.

SEC. 18. Whenever it shall be necessary to occupy any land for the purpose of opening, widening, straightening, grading, making embankments, filling or draining any road or part thereof, if the owner of such land and the county commissioners court cannot agree upon the damages

to be paid, the county may proceed to condemn the same in the same manner that a railroad company can condemn land for a right-of-way, and the same proceedings may be had and the same rights shall exist to each party as would exist if the proceedings were by a railroad company, except that the county shall in no case be required to give bond.

SEC. 19. It shall be unlawful for the commissioners court of Matagorda county to issue the bonds of said county for the purpose of building bridges, unless a proposition for the issuance of such bonds shall have been first submitted to a vote of the qualified voters, who are property taxpayers of said county, and unless a majority of the said qualified taxpayers, voting at said election, are in favor of the proposition for the issuance of bonds, then the said bonds shall not be issued. If the proposition for the issuance of bonds be sustained by a majority of the said property taxpayers, voting at said election, then the said bonds shall be authorized and shall be issued by the said commissioners court; provided, that this act shall not be construed to authorize and render valid bonds without being first submitted to the Attorney General, and certified to by him as now required by law.

SEC. 20. Whenever a petition signed by fifty or more qualified voters, who are property taxpayers in the county of Matagorda, shall be presented to the commissioners court of said county at any regular session thereof, asking that the question of a bond issue be submitted to a vote of the qualified taxpayers of the county, it shall not be necessary to give any formal notice before the court shall act on same, but the court shall act thereon without notice, and at such regular term shall make an order for such election to take place at any time thereafter, not less than thirty nor more than sixty days. Said order shall distinctly specify the purpose for which the bonds are to be issued, the amount thereof, the time in which they are payable and the rate of interest, and all voters desiring to support the proposition to issue bonds, shall have written or printed upon their ballots the words "For Issuance of Bonds," and those opposed shall have written or printed upon their ballots the words "Against the Issuance of Bonds."

SEC. 21. The commissioners court shall determine the time and places of holding said election, and the manner of holding the same shall be governed by the laws of the State regulating general elections.

SEC. 22. This act shall not apply to funding bonds issued or to be issued in lieu of any valid outstanding bonds of Matagorda county, nor to any issue of bonds when for a sum less than two thousand dollars when issued for the purpose of repairing bridges.

SEC. 23. Each county commissioner, when acting as road commissioner and performing the duties imposed upon him by law, or by the commissioners court, shall be entitled to two dollars per day for the services actually performed; provided, said sum to be paid him shall not exceed twenty dollars per quarter, which amount shall be paid out of the road and bridge fund when the account shall have been approved by the commissioners court, and the court shall not approve said account unless the commissioner presenting it shall sign an oath that the account is just, due and unpaid, and specifying the number of days of work and date of same actually performed by him, and that it was necessary to be done, and no commissioner shall be entitled to pay as road commissioner while he is performing duties as county commissioner.

SEC. 24. The county collector, for furnishing a list of the delinquent poll taxpayers to the overseers, and the county treasurer, for his services in Section 11, shall be exempt from the road service for each year that such list is furnished or service performed as a compensation for such work.

SEC. 25. This act shall be taken notice of by all courts in the same manner as the General Laws of this State and it shall be construed to be cumulative of the General Laws of the State on the subject of roads and bridges, when not in conflict therewith, but in case of conflict, this act shall control as to the county of Matagorda.

SEC. 26. It shall be the duty of the district judge of this judicial district to charge the grand jury of the district court of Matagorda county to diligently inquire into and faithfully report all delinquencies of duty by the officers under this act, and to indict all such delinquents in the ordinary way as other officers are indicted for negligence in efficiency or malfeasance in office.

SEC. 27. The fact that there is now no sufficient general road law in force in this State, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 99, nays 0; and passed the Senate by two-thirds vote, yeas 21, nays 0.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 2nd day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. RUSK COUNTY—BRAZOS COUNTY—ROAD SYSTEM.

H. B. No. 497.]

CHAPTER XLVII.

An Act to create a more efficient road system for Rusk and Brazos counties, and further defining the duties of county commissioners, and providing for the appointment of road superintendents, and defining their powers and duties; providing for the working of county convicts and delinquent poll taxpayers on the public roads of said counties; providing for the rewards and penalties for escaped convicts, and providing for the relieving of delinquent poll taxpayers from road duty by the payment of three dollars; providing for the appointment, the duties and powers of road overseers; prescribing penalties for road overseers and road hands when they fail to comply with the requirements of the law as herein defined; providing for the summoning of teams and tools with hands, and for penalties upon failure to comply; providing for the adoption of a system of road working by the commissioners court of said counties; providing for the relieving of road hands from road service upon the payment of four dollars; providing for the making this law cumulative of the General Laws of the State, and in case of conflict this act to govern as to Rusk and Brazos counties, and to repeal all laws in conflict with this act, and providing an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:*

The county commissioners courts of Rusk and Brazos counties may at any regular or called term of said courts appoint any number of road superintendents for Rusk and Brazos counties, not exceeding one for each commissioners district, who shall serve as such superintendents for one year, unless removed by said court for good cause; and in case of vacancy from any cause said court may appoint a successor who shall hold office for the unexpired term; said superintendent to be under the management and control of the commissioners court of said county. Said superintendents shall have charge of all wagons, teams, tools and machinery belonging to the county and placed in their hands by said commissioners court, and it shall be their duty, under such rules and regulations as the commissioners court may prescribe, to superintend the working of all roads and the laying out of new roads, the changing of roads and the building and repairing of bridges and culverts. Each of said superintendents shall before entering upon the duties of his office execute a bond of one thousand dollars, with two or more good and sufficient sureties, payable to the county treasurer of said county, and to be approved by the commissioners court for the use and benefit of the road and bridge fund of said county, conditioned that he will perform all the duties required of him by law or by the rules of the commissioners court, prescribed for his directions, and that he will account for all moneys or other property belonging to the county that may come into his possession.

SEC. 2. Each road superintendent shall receive such salary as may be fixed by the commissioners court to be paid on the order of said court at stated intervals. The salary of superintendents shall never exceed six hundred dollars per year.

The commissioners court shall have authority to suspend the work of any number or all of the road superintendents at any time they may deem it for the best interest of the county, or when the money set apart to the road and bridge fund has been exhausted, and in such case the salary of the superintendents suspended shall cease and their appointment expire, and the county shall not be responsible to any superintendent for his salary after the date of such suspension by order of the commissioners court.

SEC. 3. The commissioners court of said county shall have full power and authority, and it shall be its duty to adopt such system for working, laying out and draining and repairing of the public roads and the building and repairing of bridges and culverts of said county as it may deem best, and the road superintendents shall follow the directions of said court in working the road and the building of bridges and culverts, and from time to time said court may change its plan or system of working the roads or building and repairing of bridges.

Said commissioners court shall have full power, and it shall be its duty, to purchase or hire such teams, tools and machinery as may be necessary for the working of its roads, and materials for the building and repairing of bridges and culverts; the said court shall also have power to construct, grade or otherwise improve any road or bridge by contract. In such case said court or county judge of said county may advertise, in such manner as said court may determine, for bids to do such work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond, if required by said commissioners

court so to do, payable to the county treasurer and his successors in office of said county for the use of the road and bridge fund, with good and sufficient sureties, to be approved by the county judge, and in such sum as said county judge or commissioners court may determine, for the faithful compliance with said contract, but said court shall have the right to reject any and all bids; and the said court shall have authority to prescribe the rules by which the road superintendents may employ any hands or teams to work on the roads or bridges, under such regulations and for such price as they may deem best.

SEC. 4. The commissioners court shall require all county convicts not otherwise employed, to labor on the public roads under such regulations as they may prescribe, and each convict so worked shall receive a credit of fifty cents on his fine first and then on the costs for each day he may labor.

The commissioners courts shall, at each term, allow the officers and witnesses such amount of their costs as have been satisfied in full by labor of such convicts, for the arrest and conviction of such convicts as it may deem best, not to exceed one-half of such costs, which amount shall be paid to the officers and witnesses out of the road and bridge fund on the warrant of the county judge; provided, that this shall not be so construed as to relieve any convict from the payment of all costs for which he may be liable under the laws of this State. The commissioners court may grant a reasonable commutation of time for which a convict is committed as a reward for faithful service and good behavior; provided, that such commutation shall in no case exceed one-tenth of the whole time.

The commissioners court may provide the necessary houses, prisons, clothing, bedding, food, medicine, medical attention and superintendents and guards for the safe and humane keeping of the convicts. The commissioners court shall provide such reasonable regulations and punishments as may be necessary to require such convicts to perform good work, and to provide a reward, not to exceed ten dollars, to be paid out of the road and bridge fund, for the recapture and delivery of any escaped convict, to be paid to any person other than the guard or person in charge of such convict at the time of his escape, which reward shall be taxed against the convict, with all other actual costs for the recapture and returning of said convict, and worked out by him as part of the costs. A county convict in the meaning of this section is any person who has been convicted of a misdemeanor in any court of Rusk and Brazos counties, and his punishment assessed at a fine or a fine and imprisonment in the county jail, and who is unable to pay said fine and costs.

SEC. 5. The commissioners court shall require all delinquent poll taxpayers of said counties to work on the public roads. They shall obtain from the tax collector of said counties on the first of April of each year, or as soon thereafter as practicable, a sworn statement, giving a full and complete list by precincts of all the delinquent poll taxpayers of said counties for the previous year, and the persons so appearing on said lists, and who are delinquent poll taxpayers, shall be subject to road duty for a period of three days during such year, and the performance of the road service provided for in this section shall not exonerate the person from any other road duty to which the person performing the

same may be subject, but this shall be taken as cumulative, and all persons so appearing on said list, who are delinquent poll taxpayers, and reside in any incorporated town in the county, shall also be subject to road duty for a period of three days during such year, and they shall be subject to all the laws, rules and regulations as herein provided as if they resided in the country. Said delinquent poll tax list, when received by the commissioners court, shall be turned over to the road superintendents or road overseers, and said road superintendents or road overseer shall issue his summons by subpoena, which shall be served by the sheriff, his deputy or any constable or any road overseer of said counties. Such subpoena shall state the time and place where such delinquent poll taxpayer is to meet the road superintendent or road overseer to discharge the three days work as required in this section. Said delinquent poll taxpayer shall have three full days notice of the time and place for his appearance. Such subpoena when served shall be returned by the person serving same, with the date of service, to the person issuing the same on or before the day stated for the appearance of such delinquent poll taxpayers. It shall be the duty of the road superintendent or overseer when any defaulting poll taxpayer shall have discharged and paid the same as herein provided, to report the same back to the tax collector, who shall credit the party on the tax roll for the amount paid; and said overseer shall also report the same in his regular report to the commissioners court.

If any person who is required to do road duty under this section shall fail or refuse to appear when duly summoned so to do, or having appeared refuse to do a reasonable day's work, or refuse to perform any reasonable duty required of him by the road superintendent or road overseer, shall be deemed guilty of a misdemeanor and subject to prosecution for failing to so appear or work, and subject to same liabilities and punishment provided by the General Laws of this State for other cases for failing to appear and do good work when summoned so to do; and when they are convicted for so failing to appear or failing to do a reasonable day's work, or any reasonable duty required of him by the superintendent or road overseer, he shall be required to satisfy the fine and costs as in other convictions of misdemeanor.

But any person summoned to work on the road under the provisions of this section may satisfy said summons and be relieved from said duty by paying to the road overseer or superintendent the sum of three dollars, all of which shall go to the road and bridge fund. This section shall apply as well to the delinquent poll taxpayers in incorporated cities and towns as to those outside of said cities and towns.

SEC. 6. The commissioners courts of Rusk and Brazos counties shall apportion all road hands and appoint all road overseers as now directed by the statutes of the State of Texas; and all road hands and road overseers of Rusk and Brazos counties shall be under the control of the road superintendent, under such rules and regulations as may be prescribed by the commissioners courts, and the commissioner of each precinct shall have control co-extensive over the road overseer and road hands as herein given the road superintendent. No road overseer in Rusk and Brazos counties shall have the right or authority to call out the road hands at any time to work the roads in his precinct, unless so directed or authorized by the road superintendent or county commissioner of his precinct;

and when so directed by the road superintendent or county commissioner, the road overseer shall summon and call out the road hands on his road section in such numbers as may be directed by the road superintendent or county commissioner, and all hands called out by the direction of the road superintendent shall report to him at the time and place designated by the road overseer or other person summoning them, and shall be controlled, managed and worked by the road superintendent. But no road hand shall be required to work exceeding five days in any one year unless the term of service as prescribed by the General Laws shall extend beyond that time, in which event all hands may be required to work the number of days as prescribed by the General Laws; and provided, that all road hands in any particular district shall, as far as practical, be worked a uniform time. The road superintendent shall see that each hand when called out shall perform a good day's work, and if any hand when so called out shall fail or refuse to do a good day's work, or refuse to work in the manner the road superintendent may direct, shall be liable to the same penalty as if he had failed to appear in obedience to the summons as now provided by the General Laws of the State of Texas. A good day's work is meant by this section to be eight hours of actual service working on the road.

SEC. 7. In case the road superintendent, from any cause, shall not be able to work all the hands in his precinct the full five days in each year, he, or the county commissioner, shall have the right and authority to notify the road overseers of that fact in his precinct, and require said overseers to call out all their hands who have not worked out their full time under the road superintendent, and require said overseer to work his section of the road the remainder of the five days, which may include the entire five days. Said road overseer shall work, grade and repair the roads, bridges and culverts according to the plans and system adopted by the commissioners court for the working of roads and the repairing of bridges and culverts. Any overseer who shall fail or refuse to call out the hands on his section of road when directed either by the road superintendent or county commissioner, or refuse to work or repair the roads, bridges and culverts according to the rules and systems adopted by the commissioners court, or fail or refuse to work the road when directed by the road superintendent or county commissioner, or fail or refuse to see that each road hand working under him does a good day's work of eight hours service, or fail or refuse to report any road hand who fails to appear when lawfully summoned, or who fails or refuses to do a good day's work as herein defined, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in a sum not exceeding ten dollars.

Each road overseer, when required to summon or call out the hands in his road precinct by the road superintendent, shall be entitled to one day's service for each day he may be required to summons the hands and for each day he may be required to work the road hands under the direction of the road superintendent or county commissioner; provided, he shall not be required to work more than five days in any one year without extra compensation for each day so worked over the five days, which compensation shall be one dollar for each day so worked over the five days, to be paid by order of the commissioners court.

SEC. 8. Each road superintendent shall have control of all over-

seers in his precinct, and shall deliver to each of them such teams, tools and machinery necessary in working the roads in the precinct of said overseer, so far as he has been supplied therewith by the commissioners court, taking a receipt therefor, specifying each item and giving its value, which receipt shall be a full answer for the liability of the road superintendent, and shall fix the liability of the road overseer; and the road superintendent or road overseer who shall have been intrusted with any teams, tools, or other machinery belonging to the county shall be liable for all damages that may occur to the same while in his possession, caused by his negligence or want of due care of same.

It shall be the duty of the road overseer, when he has finished work on his road, to return to said road superintendent all teams, tools and machinery received from him and take up the receipt given therefor.

SEC. 9. It shall be the duty of the road superintendent to inform himself of the condition of the public roads in his precinct, and from the system of working roads adopted by the commissioners court shall determine what character of work shall be done on said roads, and shall direct the manner of grading, draining or otherwise improving the same, which direction shall be followed and obeyed by him and all road overseers of his precinct.

SEC. 10. The road superintendent, under the direction of the commissioners court, may require each road overseer in his precinct to call out the hands in such numbers as may be sufficient to perform the work under his direction.

Each road superintendent shall have full control of all road hands in his precinct, and shall see that each hand, when called out, shall perform a good day's work; and if any hand, when so called out, shall fail or refuse to do a good day's work, or to work in the manner his superintendent, county commissioner or road overseer may direct, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons, as now provided by the General Laws of the State of Texas. And the road overseer may, when so directed to do by the road superintendent or the commissioners of his precinct or county, and at the time of notifying any hand to work upon the road, also summons such hand as may be the owner of a team suitable for road work, to bring such team with him to be used in working upon the public roads during such time as the hand may be notified to work upon the public roads, and after such notice given, if such hand shall fail or refuse to bring his team with him as notified to do, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons; provided, that any hand for so doing shall be credited with and allowed two and one-half days' time for which he is liable for road duty for each day he may work with his double team in connection with and while furnishing such team, and one and one-half days for his team without such hand and two days for himself and single team.

SEC. 11. A person liable for road duty in Rusk and Brazos counties who shall, on or before the first day of February of any year, pay to the county treasurer the sum of four dollars, shall be exempt from road duty for such year, beginning on the first day of February. The county treasurer or road superintendent shall receive and receipt for all money so paid him and place the same to the credit of the road and bridge fund, and he shall keep a separate account for each precinct and road section

from which it is received. The county treasurer shall, on the first day of February, or as soon thereafter as practicable, furnish to each road superintendent a list of all persons in their respective precincts that have paid said sums, as provided in this section.

SEC. 12. When to the commissioners court it may appear expedient to change, build, repair or maintain any public road in their county, the land, timber, earth, stone, gravel or other necessary material most convenient therefor may be used, but in such case the owner thereof shall be paid out of the road and bridge fund of such county a fair compensation for the same as may be agreed upon by the owner thereof or his agent and the commissioners court; provided, however, that should said owner or his agent and said commissioners court fail to agree upon the compensation to be paid therefor then the county, upon the order of said court, shall proceed to condemn the same in the same manner that a railroad company can condemn lands for right of way, and the same proceedings shall be had as would exist if the proceedings were by a railroad company, except as hereinafter provided.

SEC. 13. The county shall not be required, in proceedings to determine the compensation to be paid for the roadbed, material to build, repair or maintain public roads, in any case to give bonds for costs, and the commissioners appointed to condemn such property necessary as aforesaid shall receive for their services two dollars for each and every day that they may be necessarily engaged in the performance of their duties as such commissioners, to be paid out of the road and bridge fund on the order of the commissioners court, and the compensation awarded by said commissioners for the necessary material shall be paid to the owner or deposited with the county treasurer to the credit of such owner, and when so paid or deposited the county shall have the right to enter upon and use said roadbed or material. If the owner of such material or said county is not satisfied with the compensation awarded, said owner, or said county, may appeal therefrom as in cases of appeal in proceedings by railroad companies to condemn right of way.

SEC. 14. If any person liable to work upon the public roads, after being legally summoned, shall fail or refuse to attend, either in person or by able and competent substitute, or fail or refuse to furnish his team or tools at the time and place designated by the person summoning him or to pay to such road overseer the sum of one dollar for each day he may have been notified to work on the public roads, or to pay to such overseer the sum of one dollar for each day he may have been notified to furnish his double team, and fifty cents for each day he may have been notified to furnish his single team for road work, or having attended, shall fail or refuse to perform good service, or any other duty required of him by law, or the person under whom he may work, or if any one shall fail to comply with any duty required of him as provided by law, shall be deemed guilty of a misdemeanor, and upon conviction thereof fined in any sum not exceeding twenty-five dollars.

SEC. 15. The road superintendent shall have the control, management and working of all county convicts and delinquent poll taxpayers, as well as the road hands as hereinbefore defined, and shall work them on the public roads of Rusk and Brazos counties under such rules and regulations as the commissioners courts may adopt and direct, and in case any delinquent poll taxpayer and road hand, when summoned to work

the roads, fail to appear or do a reasonable day's work or any reasonable duty required of him, as provided in Sections 5 and 6 herein, it shall be the duty of the road superintendent to so notify the county attorney of said county and file complaint against said delinquent poll taxpayer or road hand as now provided under the General Laws of the State of Texas. Said road superintendent shall be responsible on his bond for the loss, injury, damage or destruction of any teams, tools, wagons or machinery placed in his charge by the commissioners court, unless such loss or damage occurred without his fault and negligence, and in case of his removal, resignation or suspension of work by the commissioners court he shall deliver to the county judge or commissioners court all teams, tools and machinery in good condition placed in his possession and take a receipt for same, which shall exonerate him from further liability. The said road superintendent shall keep a record of the daily labor of all county convicts, delinquent poll taxpayers and road hands separately under his charge and worked by him on the roads and bridges, and shall keep an itemized account of all receipts and disbursements made by him, and shall make such monthly report to the county judge and commissioners court as they may require of him; giving a detailed account of all work, and by whom done and the full amount expended during the month.

SEC. 16. The county commissioner shall see that the road superintendents and road overseers work the roads and build and repair bridges according to the system and plans adopted by the court, and in order to fully carry out this provision each county commissioner shall be allowed two dollars per day for each day he is supervising said work, not to exceed three days in each month.

SEC. 17. The provisions of the foregoing act shall be held and construed to be cumulative of all general laws of this State on the subject of roads, when not in conflict therewith, but in case of such conflict this act to control as to Rusk and Brazos counties.

SEC. 18. The great necessity for this law, there being no law existing upon this subject that is sufficient to enable the people of Rusk and Brazos counties to improve and construct the road and bridges as they should be, creates an emergency and an imperative public necessity requiring the suspension of the constitutional rule that bills be read on three several days in each house be suspended, and the same is hereby suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

RAINS COUNTY—AMENDMENT TO ROAD LAW.

H. B. No. 229.]

CHAPTER XLVIII.

An Act to amend Chapter 35, of the General Laws of the Twenty-fifth Legislature, said chapter being entitled "An Act to create a more efficient road system for Rains county, Texas; making provision for the appointment by the commissioners court of said county of a road commissioner for said county; prescribing his duties and compensation; providing for the appointment of road overseers; defining their duties and liabilities; providing for the working of county convicts and delinquent poll taxpayers upon the public roads of said county, and regulating the same; providing for officers' fees and rewards in convicting convicts and recapturing convicts; for the summoning of teams and tools for road work, and compensation for same; and providing penalties for violation of this act; and to repeal all laws in conflict with this act"; and providing for county commissioners to act as road commissioners, by changing Section 18 to Section 19, and adding between Sections 17 and 19 Section 18, and by amending Section 11.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Section 11, Chapter 35, General Laws of the State of Texas, passed at the Regular Session of the 25th Legislature, be amended so as to hereafter read as follows:

Section 11. At the regular term of the commissioners court in February, A. D. 1902, and at the same time in each year thereafter, all road overseers shall make their reports under oath, upon forms to be furnished them by said court, which said report shall be examined by said court, and all accounts for services or labor performed for overwork by him shall be audited and settled; and as soon thereafter as practicable said commissioners court shall appoint and commission road overseers for the succeeding year. Any overseer intentionally failing to perform his duties as such overseer, or failing or refusing to make his report as required by law, or failing and refusing to serve and perform the duties of overseer when appointed by said court, or to perform any other duty required of him by law or by the commissioners court, or by the road commissioner, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any sum not less than the sum of twenty-five dollars nor more than one hundred dollars; provided, it shall be *prima facie* evidence of his failure to perform his duty, if his road or roads be found in bad condition, and that he has not worked all the hands liable to road duty in his road precinct for the time for which they are liable in that year; and provided further, that it shall be the duty of each overseer to report to the commissioners court the state of his account with his hands; and provided further, that it shall be lawful for any overseer to deputize some one of his hands who is fitted for the place to perform his duties, whose acts shall have the same force and effect as if performed by the overseer himself; but the overseer shall be responsible for the negligence of his said deputy the same as if he himself were guilty of such negligence.

SEC. 2. And that Section 18 be changed to Section 19, and that Section 18 be added between Sections 17 and 19, to read as follows:

Section 18. When, under the provisions of Section 3 of this act, any convict has worked out on the public roads the full amount of his fine and costs, the officers entitled to such costs shall receive only fifty cents on each dollar of said costs, and when such convict has worked only a

portion of such costs, such officers shall receive only fifty cents on each dollar of the pro rata of costs due such officers.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 1st day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk and Acting Secretary of State.]

CHAPTER XLIX.

An Act to create a more efficient road system for Fayette, Uvalde and Frio counties, Texas, and making the county commissioners of said counties ex-officio road commissioners, and prescribing their duties as such, and providing for their compensation as such road commissioners; and providing for working of county convicts upon the public roads of said counties, and providing for a reward to be offered for the recapture of an escaped county convict, and taxing said reward and all actual costs of capture and delivery of said convict against said convict, and providing for a penalty for the escape of a county convict; and providing the amount of compensation to be allowed to road hands for teams, plows, scrapers and wagons; and providing for the condemnation of land for public road purposes; providing for the working of delinquent poll taxpayers residing in cities and towns as well as in the country on the roads, and relieving them from the performance of said work by the payment of the sum of three dollars; providing for the ages of male persons liable to serve as overseers and to work on the public road of the county; providing for a special road and bridge tax to be levied for Fayette, Uvalde and Frio counties; and providing further, making this law cumulative of the general laws, and in case of a conflict this act to govern as to Fayette, Uvalde and Frio counties, Texas, and to repeal special road law, Chapter 54, Acts 1891, Twenty-second Legislature, as to Fayette and Frio counties.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the members of the commissioners courts of Fayette, Uvalde and Frio counties shall be ex-officio road commissioners of their respective precincts, and under the direction of the commissioners court shall have charge of all teams, tools, machinery and appliances belonging to the county and placed in their hands by the said court; and it shall be their duty, under such rules and regulations as the commissioners courts shall prescribe, to superintend the laying out of new roads, or changing of established roads, and the building or repairing of bridges, the working, laying out, draining, building and repairing of public roads, the control over all road overseers and such other matters pertaining to public roads and bridges in their respective precincts as the commissioners courts may require.

SEC. 2. Each of said commissioners shall, before entering upon the duties of his office, execute a bond of one thousand dollars, with two or

more good and sufficient sureties, payable to the county judge of said county and his successors in office, for the use and benefit of the road and bridge fund, conditioned that he will perform all duties required of him by law, or by the commissioners courts, and that he will properly account for all money or property belonging to the county and that may come into his possession.

SEC. 3. It shall be the duty of the road commissioner to inform himself of the condition of the public roads and bridges in his precinct, and he shall determine what character of work shall be done upon said roads or bridges, and shall direct the manner of grading, draining or otherwise improving the roads, or repairing bridges, which directions shall be observed and obeyed by all road overseers and employes of his precinct.

SEC. 4. Each road commissioner shall have control over all road overseers in his precinct, and shall deliver to each of them all teams, tools and machinery necessary in working the roads in the said overseer's road district, so far as he has been supplied therewith by the commissioners courts, taking the receipt of said overseer therefor, specifying each item and giving its value, which receipt shall be a full answer for the liability of the commissioner, and shall fix the liability of the overseer, and any commissioner or overseer who shall have been entrusted with any team, tool or machinery belonging to said county shall be liable for any damage that may occur to the same while in his possession, caused by his negligence or misconduct.

SEC. 5. Each road commissioner shall take charge of all teams, machinery, tools and implements placed under his control by the commissioners courts, and execute his receipt therefor, which shall be filed with the county clerk, and he shall be responsible for the safe keeping of all such teams, machinery, tools and implements, and the proper expenditure and paying out of any money belonging to the road or bridge fund that may come into his hands by donations, or so far as he has been supplied therewith by the commissioners courts, and upon the expiration of his term of office, or in case of his resignation or removal, he shall deliver all such property and money to his successor, or such other person as the commissioners court may direct.

SEC. 6. Each road commissioner shall see that all roads and bridges in his precinct are kept in good repair and he may, under the direction of the commissioners courts, inaugurate and carry out a system of working, grading and draining the public roads in his precinct. He shall have the general supervision over all county convicts worked on roads in his precinct, but this shall not prevent the commissioners court from employing some other person to watch and manage such convicts and direct the work done by them.

SEC. 7. Each road commissioner may require each road overseer in his precinct to call out the hands in such numbers as may be sufficient to perform the work, and require overseers to work all the road hands in their particular district for the term of five days in each year, and shall see to it that overseers measure their roads, set up mile posts, place proper index boards, and replace mile posts and index boards as required by law.

SEC. 8. Each road commissioner shall keep an accurate account of all moneys received by him on account of the road fund or bridge fund

portion of such costs, such officers shall receive only fifty cents on each dollar of the pro rata of costs due such officers.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate, no vote given.]

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the members of the commissioners courts of Fayette, Uvalde and Frio counties shall be ex-officio road commissioners of their respective precincts, and under the direction of the commissioners court shall have charge of all teams, tools, machinery and appliances belonging to the county and placed in their hands by the said court; and it shall be their duty, under such rules and regulations as the commissioners courts shall prescribe, to superintend the laying out of new roads, or changing of established roads, and the building or repairing of bridges, the working, laying out, draining, building and repairing of public roads, the control over all road overseers and such other matters pertaining to public roads and bridges in their respective precincts as the commissioners courts may require.

SEC. 2. Each of said commissioners shall, before entering upon the duties of his office, execute a bond of one thousand dollars, with two or

more good and sufficient sureties, payable to the county judge of said county and his successors in office, for the use and benefit of the road and bridge fund, conditioned that he will perform all duties required of him by law, or by the commissioners courts, and that he will properly account for all money or property belonging to the county and that may come into his possession.

SEC. 3. It shall be the duty of the road commissioner to inform himself of the condition of the public roads and bridges in his precinct, and he shall determine what character of work shall be done upon said roads or bridges, and shall direct the manner of grading, draining or otherwise improving the roads, or repairing bridges, which directions shall be observed and obeyed by all road overseers and employes of his precinct.

SEC. 4. Each road commissioner shall have control over all road overseers in his precinct, and shall deliver to each of them all teams, tools and machinery necessary in working the roads in the said overseer's road district, so far as he has been supplied therewith by the commissioners courts, taking the receipt of said overseer therefor, specifying each item and giving its value, which receipt shall be a full answer for the liability of the commissioner, and shall fix the liability of the overseer, and any commissioner or overseer who shall have been entrusted with any team, tool or machinery belonging to said county shall be liable for any damage that may occur to the same while in his possession, caused by his negligence or misconduct.

SEC. 5. Each road commissioner shall take charge of all teams, machinery, tools and implements placed under his control by the commissioners courts, and execute his receipt therefor, which shall be filed with the county clerk, and he shall be responsible for the safe keeping of all such teams, machinery, tools and implements, and the proper expenditure and paying out of any money belonging to the road or bridge fund that may come into his hands by donations, or so far as he has been supplied therewith by the commissioners courts, and upon the expiration of his term of office, or in case of his resignation or removal, he shall deliver all such property and money to his successor, or such other person as the commissioners court may direct.

SEC. 6. Each road commissioner shall see that all roads and bridges in his precinct are kept in good repair and he may, under the direction of the commissioners courts, inaugurate and carry out a system of working, grading and draining the public roads in his precinct. He shall have the general supervision over all county convicts worked on roads in his precinct, but this shall not prevent the commissioners court from employing some other person to watch and manage such convicts and direct the work done by them.

SEC. 7. Each road commissioner may require each road overseer in his precinct to call out the hands in such numbers as may be sufficient to perform the work, and require overseers to work all the road hands in their particular district for the term of five days in each year, and shall see to it that overseers measure their roads, set up mile posts, place proper index boards, and replace mile posts and index boards as required by law.

SEC. 8. Each road commissioner shall keep an accurate account of all moneys received by him on account of the road fund or bridge fund

and shall make a report under oath to the commissioners courts at each regular term thereof, showing an itemized account of all money belonging to the road or bridge fund he has received, from whom or what source received, and what disposition he has made of the same; the condition of all roads, bridges and culverts in his precinct; what, if any, new roads, and kind, should be opened or discontinued; and what, if any, bridges, culverts or other improvements are necessary to place the roads in his precinct in good condition, and the probable cost of such improvement; the name of every overseer who has failed to work the road or in any way neglected to perform his duty, and such other matter as the court may desire information upon; and shall make such other report at such times as such court may require.

SEC. 9. Each road commissioner shall obtain from the tax collector of his county, after the first day of February and before the first day of March, of each year, a full list of the delinquent poll taxpayers of his precinct for the previous year, and the persons in said list as delinquent poll taxpayers, shall be subject to road duty for the period of three days during such year, and shall be summoned as in other cases, to work the roads in the road district or precinct in which such person may reside; and the performance of the road service provided for in this article shall not exonerate the person from any other road duty to which the person performing the same may be subject, but this shall be taken as cumulative; and all persons so appearing on said list, who are delinquent poll taxpayers, and residing in incorporated cities or towns in the county, shall also be subject to road duty for the period of three days during such year, and they shall be apportioned among the overseers in charge of roads leading out of such city or town in which they reside, as the road commissioner may deem best, to be summoned by such overseers as in other cases, to work the roads in the road precinct to which they are assigned.

It shall be the duty of the road overseer, whenever any defaulting poll taxpayer shall have discharged the poll tax by labor, to report the same to the road commissioner, who in turn reports the same to the commissioners courts, to be credited to the party on the delinquent tax rolls returned by the tax collector to the court for the amount thus satisfied; said overseer shall also report the same in his regular report to the commissioners courts.

But any person delinquent for poll taxes, summoned on the road under the provisions of this article, may satisfy said summons and be relieved from said duty by paying to the road commissioner the sum of three dollars, all of which shall go to the road fund to the credit of the commissioners precinct in which such person resides; and said road commissioner shall keep strict and accurate account of all money received, report the same to the commissioners courts, and pay over the same promptly to the county treasurer, who shall credit same to the special road fund, to be kept by him for such precinct.

If any person, liable under the law to work upon the public roads, shall wilfully fail or refuse to attend, either in person or by substitute, at the time and place designated by the road overseer of his district or precinct, after being legally summoned, or shall fail, on or before the day for which he is summoned to attend, to pay such overseer the sum of one dollar per day for each day he may have been notified to work on the

road, or having attended, shall fail to perform any duty required of him by law and such overseer, he shall be deemed guilty of a misdemeanor, and on conviction, shall be fined in any sum not exceeding ten dollars.

SEC. 10. Each road commissioner shall be entitled to two dollars per day for service actually performed, not to exceed seventy-five dollars in any one quarter, said per diem to be paid out of the road fund, when the account shall have been approved by the commissioners court; and the court shall not approve said account unless the commissioner presenting it shall sign an affidavit to same, that the account is just, due and unpaid, and that the work was actually performed by him, and that it was necessary to be done; and said account shall specify the number of days work by him, and the dates thereof, and no commissioner shall be entitled to pay as road commissioner while he is performing the duties of county commissioner and receiving pay therefor.

COMMISSIONERS COURT.

SEC. 11. The commissioners courts of Fayette, Uvalde and Frio counties shall have full power and authority, and it shall be their duty to adopt such system for working, laying out and draining and repairing the public roads in said counties as they may deem best, and from time to time said counties may change their plan and system for working the same. The commissioners courts of said counties shall have power to purchase such teams, tools and machinery as may be necessary for the working of their roads, or to hire all necessary road machinery, tools, implements, teams and labor or either, to grade, drain, build or repair the roads of such counties, and to make all reasonable and necessary rules, orders and regulations not in conflict with law for laying out, working and otherwise improving the public roads, and to utilize the labor and the money expended thereon and to enforce the same. But no change in any road shall be made that lengthens the same, unless same be made to place the road on better ground.

SEC. 12. The commissioners courts of said counties may make contracts for all supplies and materials to be used in feeding the hands and teams employed on the public roads and in the work of the same, and may provide the necessary tents for the same.

SEC. 13. The commissioners court or road commissioners may accept donations of money, lands, labor and men, teams, tools, implements or machinery or any other kind of property or material to aid in building roads or bridges in the county or precinct, and the court may authorize any person to make a drain along any public road for the purpose of draining his land, and require the person draining his land to do such work under the direction of the road commissioner of the precinct.

SEC. 14. The commissioners courts shall see that the road and bridge funds of their respective counties is judiciously and equitably expended on the roads and bridges of the counties, and, as nearly as the conditions and necessity of the roads will permit, it shall be expended in each justice's precinct in proportion to the amount collected in such precinct; and in expending money in building permanent roads the money shall first be used only on first or second class roads.

SEC. 15. The commissioners courts of said counties shall have power and authority to build or construct, or cause to be built or constructed,

in their respective counties, lasting or permanent county roads and bridges of some permanent or durable material, to be selected and agreed upon by said commissioners courts, and may also construct drains and ditches to carry off the water from such road or roads and from lands adjacent thereto, whenever same can be done, and may take and condemn any land or lands necessary for the purpose of constructing roads or drains, and it may authorize the road commissioners, overseers or contractor to enter upon and take from any land adjacent to any public road, earth, gravel, stone or other material necessary for the construction, repair, grading or improvement of such roads or drains under its general powers of eminent domain.

SEC. 16. Whenever the said courts shall deem it necessary or expedient to build or construct permanent roads and bridges or either, they may order such roads and bridges to be surveyed and laid out and proper profiles and estimates thereof made by a competent civil engineer, the county surveyor, or other competent person, to be employed by the county for that purpose, and constructed under the supervision of the road commissioner and a civil engineer or county surveyor or other competent person.

SEC. 17. Whenever it shall be necessary to occupy any land for the purpose of opening, widening, straightening, grading, making embankments, filling or draining any road or part thereof, if the owner of such land and the commissioners court cannot agree upon the damages to be paid, the county may proceed to condemn the same in the same manner that a railroad company, under the law now existing or hereafter passed, may condemn land for right of way, and the same proceedings may be had and the same rights shall exist to each party as would exist if the proceedings were by a railroad company, except that the county shall in no case be required to give bond; provided, that nothing contained in this section shall be held to repeal the provisions of the General Law relating to the opening of public roads by jury of view; this section shall be held to be cumulative thereof, and the commissioners courts of Fayette, Uvalde and Frio counties may act under such General Law or the provisions of this section at their option in such case.

SEC. 18. The commissioners courts of said counties may require all county convicts, not otherwise employed, to labor upon the public roads of such counties, under such regulations as they may prescribe for the working of such convicts within the limits of said counties, and each convict so worked shall receive a credit of fifty cents on his fine and costs for each day he may labor. Such courts may provide such reasonable regulations and punishments as may be necessary to require such convict to labor; but no convict shall be required to labor on Sunday. Said courts may provide such reasonable remedies necessary to prevent a convict from escaping, and may provide necessary houses, prisons, provisions, clothing, bedding, food, medicine and medical attention for the convicts, and guards for the safe keeping of the convicts; and may provide a reward, not to exceed ten dollars, to be paid out of the road fund, for the recapture and delivery of any escaped convict, to be paid to any person, other than the guard or person in charge of such convict at the time of his escape, which reward shall be added to said convict's fine and costs, and he shall be required to work out the same.

Said courts shall, at a regular term, allow to the officers and witnesses

so much of the amount of their costs for the arrest and conviction of said convicts due them, and adjudged against said convicts as have been worked out at fifty cents per day, as is provided for in Article 3742, Revised Civil Statutes of 1895. The said amount shall be paid out of the road fund upon the order of the court, when said fine and costs have been worked out as provided in this section; provided, that this act shall not be construed so as to relieve any convict from payment of all costs for which he would be liable under the General Laws of this State.

SEC. 19. Whenever a special tax for the maintenance of the public roads is levied and collected, as provided for in Section 9, of Article 8, of the Constitution, or otherwise, the commissioners courts of said counties shall not be compelled to require persons subject to road duty to work on the roads, as prescribed in existing General Laws, but said courts may cause said roads to be worked wholly by taxation, or by taxation in connection with road service, as such courts may deem best. And the said courts shall have authority to employ such labor as may be necessary to work the public roads of the counties, to be paid for out of the road fund; such labor shall be under the control of the road commissioner of the precinct in which the road is located; provided, that no contract shall be made that will necessarily extend beyond the term of office of commissioners making such contract.

SEC. 20. The commissioners courts of said counties may, when deemed best, construct, grade, gravel, drain, or otherwise improve any road or bridge by contract. In such case said courts or the county judges may advertise, in such manner as the courts may determine, for bids to do such work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond in such amount as said courts may determine, with good and sufficient sureties, payable to the county judges and their successors in office, for the faithful compliance with such contract, but said courts shall have the right to reject any and all bids.

SEC. 21. Whenever the commissioners courts of said counties may deem best to build or construct, or cause to be built or constructed, lasting or permanent roads in the counties, or grade, gravel or otherwise improve such road, by contract or otherwise, and find it necessary to widen the road or to make as straight a road as is practicable, said courts shall have power and may employ a competent surveyor, who shall be an engineer, to make a proper survey of such road or so much thereof as said courts may deem necessary to be built, constructed or otherwise improved, together with the frontage of each tract of land abutting on said road.

SEC. 22. The surveyor shall, as soon as practicable after his employment, proceed to make an accurate survey and system of levels of the necessary grade line of said road, and shall cause substantial stakes or monuments to be placed along said lines at intervals of one hundred feet, together with such intermediate stakes as may be necessary, numbered progressively, and shall establish permanent marks along said lines at intervals of one mile or less, as may be necessary, and establish by stake or monument of different character and appearance from all other stakes and monuments, the highest point upon said road between natural water courses crossed by said road; said surveyor shall also meas-

ure and establish by suitable marks the frontage of each tract of land abutting on said road, and ascertain and give the name of each owner thereof, and if there be a natural waterway adjacent to the line of said road and the same is necessary to be utilized as an outlet to lead the water at any point from said road and its ditches, the surveyor shall measure the distance to same, and run the line of levels thereto at the nearest practicable point on said road and ditch. He shall prepare a map showing the location of said road, together with the positions of stakes or monuments with numbers corresponding with those on the ground and the position of marks, with the elevations referred to. Said map shall also show the lines and distances of the frontage of adjacent land and the name of the owner and the course and distances to any adjacent water course, together with a profile of the line of the road, which shall show the assuming datum, the natural grade line of the road and the proposed grade line of the road, not to rise or fall in lineal course more than fifteen inches to the sixteen and one-half feet; and the said map, or the explanation of the same, shall, in tabular form, give the height of grade, width at bottom and width at top, and at each 100 feet stake or monument upon the following basis or datum: For first class roads entire width to be 60 feet, grade 20 feet wide at bottom; second class roads to be 50 feet wide, grade 16 feet at bottom; third class roads thirty feet wide, grade fifteen feet wide at bottom. Said map or explanation to the same shall show the total number of yards to be excavated, and the number of yards to fill, and an estimate of the cost of each portion of the road lying between each 500 feet stake or monument, together with an estimate of the total cost of the whole work for said road and the proper drainage; and the surveyor shall, as soon as the survey is completed, prepare and file, together with his report and map as herein provided for, specifications in detail for the execution of the same, together with the statement of the locality of all necessary culverts or drainage and the dimensions and character of material required therefor. The survey report map, explanations, specifications and estimates herein provided for shall be filed by the surveyor with the clerk of the commissioners courts as soon after his employment as may be practicable, having in view an accurate and complete report upon the physical conditions to be met with in the construction of said road or section thereof.

SEC. 23. At any regular, called or special session of the commissioners court, after the filing of the surveyor's report, map, explanation, specifications and estimate of the surveyor, provided for in this act, it shall appear to the courts from such a report, that it be necessary to occupy any lands adjacent to the road surveyed for the purpose of opening, widening, straightening, grading and draining, or either, any such road or any part thereof, if the owner of such land and the county cannot agree upon the damages, if any, to be paid, the county may proceed to condemn the same as herein provided for in Section 17 of this act, or the owner may appoint five freeholders of the county, not interested directly in the construction of the proposed work as a land owner adjacent to or abutting on said road, and not kin to any of the parties so directly interested therein, who shall constitute a jury of view, who shall meet at a time and place to be specified by said court in the order appointing them and the clerk of the court shall thereupon issue to each of the said jury of view a copy of the order of court and a precept to the

sheriff to serve the same upon the jurors, within ten days after such order was made, and the sheriff receiving such copies shall serve the same upon the jurors by delivering to each of them in person a copy of the order provided for, or by leaving such copy at the usual place of abode of such juror within ten days after the sheriff receives said copies, and he shall make his return to the clerk on the precept, stating the date and manner of service, or, if service has not been made, stating the cause of his failure to make same; and any juror, summoned as such, who shall fail or refuse to perform the services required of him by law as such juror shall forfeit and pay for every such failure the sum of ten dollars, to be recovered by judgment upon suit of the county attorney in the name of the county, in any court of competent jurisdiction of the county in which such defaulter may reside.

SEC. 24. The jury of view shall proceed, with the road commissioner of the precinct where the surveyed road is located, who shall take with him the original report, map, explanation, specifications and estimate of the surveyor, for the use of the jury, at the time and place specified in the order of the court appointing them, after notice has been given to each abutting land owner as hereinafter provided, and after having taken the following oath before any officer authorized to administer the same, to wit: "I do solemnly swear that I am not directly interested in the construction of the proposed road, or any lands abutting on the same, and that I will assess the damages to land owners, if any there be, according to law, without bias or prejudice, malice or hatred, to the best of my knowledge and ability, so help me God." And after viewing the road and abutting lands surveyed by the engineer, and after hearing all protests, claims and remonstrances offered and presented, taking into consideration the relative amount of benefit derived by said land from the construction of such road, and they shall assess the amount of damages or compensation due to each land owner, if any, for land to be taken, necessary to be occupied for the purpose of opening, widening, straightening, grading and draining, or either, any such road or any part thereof, or through whose land any lateral ditch or drain is or may be constructed under the order of appointment, necessary to drain the road; which damages or compensation assessed, if any, shall first be ordered to be paid by the county, out of the road fund of the county, and the treasurer shall have paid the same, or secured its payment by special deposit of the amount in his office, subject to the order of such owner, and shall notify such owner by mail or otherwise of such deposit.

SEC. 25. The road commissioner shall issue a notice in writing to the land owner of each abutting tract of land along said road a part of whose land is sought to be taken for the road, and to each land owner through whose land a ditch or drain for the road is sought to be made, or to his or their agent or attorney, of the time and place when the jury will assess the damages incidental to the taking of the land or construction of a ditch for the road, which notice shall be served by any person competent to testify, or through mail by registered letter, upon such owner, his agent or attorney at least five days before the day named therein. If such owner is a non-resident and his address is known, and has no agent or attorney in the county, the notice shall be given by registered letter through the mail ten days prior, and if his residence or address is unknown, by publication for four weeks in a newspaper pub-

lished in the county, prior to the date named for the meeting of the jury of view. The cost of such registered mail notice and such publication shall be paid by the county, on an order of the court, and proper returns of said notice showing how same has been served shall be filed with the report of the jury of view.

SEC. 26. Any person whose land may be affected by such road and its lateral drain ditches, if any, may at any time stated in such notice or previously thereto present to the jury a statement in writing of any objections to or dissatisfaction therewith, and any claim for damages which he may have sustained by the reason of the taking of his land for road purposes and the making of lateral drain ditches, and a failure to make such objections or claims for damages or compensation in writing, as herein specified, shall be deemed a waiver of all claim or right thereto, all of which objection or claim shall be returned to the commissioners court in connection with the report of the jury of view; provided, that any abutting land owner shall have the right also to appear before and be heard by the commissioners court on his protest or remonstrance or claim against the action of the jury of view.

SEC. 27. The jury of view shall make a report to the commissioners court, as soon as practicable after their meeting, signed by at least three of said jury, and duly verified under oath, of their actions and findings in the manner, and shall return with their report the name of each land owner, the number of acres and the amount of damages assessed or compensation awarded for each land owner. The road commissioner shall carefully preserve from damage and duly return with the report of the jury of view the maps, profile, explanation, specifications and estimates of the surveyor, and all claims and objections presented by the land owners, and all notices and returns of service thereof on land owners, agents and attorneys, and the same shall be filed with the clerk of the commissioners court and shall become a public record and be preserved as such, and the court shall act upon such report at the next regular term, and approve or reject the same.

SEC. 28. If the commissioners court shall approve of the report of the jury and order that such road and lateral ditches, if any, to be opened, they shall consider the assessment and damages by the jury and claimant's statement thereof, and allow to such owner just damages or adequate compensation for the land taken, and when paid, or secured by deposit with the county treasurer to the credit of such land owner, they may proceed to have such road and lateral drain ditches, if any, opened and constructed, by contract or otherwise, as they deem best.

If the land owner is not satisfied with the assessment by the commissioners court he may appeal therefrom as in cases of appeal from judgments of justices court, but such appeal shall not prevent the commissioners court from opening the road and drain ditches, if any, and improve the same, but shall be only to fix the amount of damages in controversy between the owner and the county, and if a greater amount of damages is obtained on appeal, the county shall pay the excess and the costs, but if no greater damages are obtained the party taking the appeal shall pay all costs.

SEC. 29. The said jury of view shall each receive the sum of two dollars per day as compensation for their services for each day so actually engaged; and said surveyor and engineer shall receive as compen-

sation such sum as may be allowed by the commissioners court, not to exceed five dollars per day.

SEC. 30. In all cases where the cost of material and labor exceed the sum of two hundred dollars, it shall be the duty of said court to construct, grade or gravel or otherwise improve any road or bridge by contract, the same to be advertised for as provided by said commissioners court.

SEC. 31. At the regular or at any called term in November, 1901, and every two years thereafter at its November term, the commissioners court shall appoint overseers for each first, second and third class public road, or for each road precinct in the county, and to remove the same at any regular or called term in the year, when they prove inefficient or incapable upon the report of the road commissioner, and to appoint others in their places, and the court shall also apportion all the able bodied male persons in the county, subject to road duty, to the several road overseers, and the hands shall, as near as practicable, be apportioned to work on the road or road precinct nearest to their place of abode.

SEC. 32. The commissioners court may allow to any overseer who shall be engaged in the discharge of the duties of his office for more than five days during any one year, a compensation not to exceed one dollar and twenty-five cents per day, when such service is performed by him upon a written order or recommendation of his road commissioner; and the court may allow to any owners who have been warned by an overseer of a public road upon the written order of the road commissioner to bring any teams and wagons, plows, scrapers or any road implements, for service on the roads, pay at the rate of one dollar and fifty cents per day for double teams, two dollars per day for double team and wagon, and one dollar and fifty cents per day for single team and wagon or cart.

SEC. 33. In order that the intent and provisions of this bill may be carried out, and further, if it is found necessary, in order to raise the funds to meet the costs of this road system, the commissioners court of Fayette, Uvalde and Frio counties are hereby authorized, if in their judgment it becomes necessary, to assess and collect a tax on all property of the counties not to exceed fifteen cents on the one hundred dollars valuation, this tax to be known as the road and bridge tax, and is to be applied only to the construction, grading, graveling, draining or otherwise improving any roads or bridges in the counties, and for no other purpose, and it is understood that all other funds that are now used for road and bridge purposes are to be continued as they are now used, and the tax specified and authorized by this section is to be considered supplemental thereto, and in no case shall the tax contemplated added to any other road or bridge tax ever exceed the sum of fifteen cents on the one hundred dollars of taxable values for road and bridge purposes.

SEC. 34. As this act contemplates a system of good roads for Fayette, Uvalde and Frio counties, which will necessarily take a number of years to complete, nothing in this act is to be construed to prevent the assessment and collection of road and bridge taxes not to exceed fifteen cents per one hundred dollars of taxable values in these counties when an election for that purpose has been held according to law, as provided for in Section 9, Article 8, of the Constitution, in these counties.

ROAD OVERSEER AND ROAD HANDS.

SEC. 35. All male persons between the ages of twenty-one and fifty years shall be liable, and it is hereby made their duty, when appointed to serve as overseers, and to work on, repair, clean out and perform such labor on the public roads, under provisions of the General Law on roads and bridges of the State and of this act, except invalids, members of any company of volunteer guards organized under provisions of the title "militia" and the members of all volunteer fire companies in the active discharge of their duties as firemen, who shall be exempt; and no person shall be compelled to serve as overseer or to work on a road who has not been residing in the county in which he is summoned to work for the space of fifteen days immediately preceding such summons.

SEC. 36. All persons liable to road duty in the counties of Fayette, Uvalde and Frio shall be compelled to serve as overseer or to work on any public road or roads five days in each year and not less than five days in each year, but no person shall be compelled to work outside of his road precinct.

SEC. 37. The term "road," as used in this act, includes roadbed, ditches, drains, bridges, culverts, and every part of such road, and the term "work" and "working" include the opening and laying out of new roads, widening, constructing, draining, repairing and everything else that may be done in and about any road.

SEC. 38. Any able bodied male person residing in these counties and subject to road duty may, by paying the sum of three dollars to the road commissioner of his precinct, who shall give his receipt for same, expressing that it is in lieu of road service for that year, and who exhibits such receipt to the overseer of the precinct or to the person working him, such receipt will be sufficient excuse when shown to the overseer or person working him to work the road, the overseer making a note of such receipt and returning same in his report to the commissioners court. No hand is to be excused from service on the road for a term of five days in each year for any temporary sickness or disability, but each one must work at least five days in each year, and in case of removal from one section to another of the county, the road overseer shall, upon request of such road hand, give him a certificate showing the number of days he has actually worked during the year, and such hand will be due the remainder of the time to the county wherever he may reside in it, and he must be required to work his full time out, unless excused in accordance with this act.

SEC. 39. It shall be the duty of the hands after being warned by a proper person, as now provided for under the General Laws of the State in regard to roads and bridges, to promptly appear at the place and at the time warned to appear and report to the overseer of the road, and to obey the orders of the overseer or road commissioner, and proceed to work under their directions; and shall bring with him an axe, grub-hoe, mattock, shovel, crow-bar or such other tool as the overseer may direct, or such as he may have suitable for road work.

SEC. 40. Any road overseer who shall have been entrusted with any teams, tools, implements or machinery belonging to the county necessary in working the road in his precinct shall be liable for any damages that may occur to the same while in his possession, caused by his negligence

or want of due care of same, and he shall not use or permit the same to be used for private purposes whatever, and it shall be his duty, when he has finished work on his road, to return to the road commissioner of his precinct all teams, tools, implements or machinery received from him and take up receipt given therefor.

SEC. 41. Every overseer of the said counties shall cause the road or roads in his precinct to be worked at least five days in each year.

SEC. 42. Each overseer shall report in writing and under oath to the commissioners courts of these counties at the November regular term thereof in each year, giving the number of hands and their names, and the names of the farms or places from which he got the hands in his precinct liable to work on the roads, the number of days he has caused his road to be worked; the condition of such road and bridges, culverts and drains; number of proper mile posts set up, all sign boards put up at forks or crossings of his road with others; the amount of funds received by him for his road, and from whom received and for what purpose, and to whom and for what purpose paid out or expended; and the amount, if any, of funds that remain in his hands; and he shall pay over to the road commissioners any such funds which may remain in his hands, take receipt therefor and to state in his report; also what plows, scrapers, implements, machinery or other tools belonging to the county are in his possession and where they are located, and he shall make a like report to the road commissioner of his precinct on the first Monday in February, May, August and November of each year, and such other reports as such road commissioner may require from time to time, that are reasonable and necessary to subserve the interest of the county.

SEC. 43. This law shall be cumulative of all other laws on the subject of roads and bridges not in conflict herewith, and when otherwise provided herein such general laws shall apply; but in case of conflict with other general laws the provisions of this act shall govern so far as concerns Fayette, Uvalde and Frio counties, and an act passed at the regular session of the Twenty-second Legislature, _____ day of _____, 1891, Chapter 54, Acts 1891, providing a special law for Grayson, Dallas, Galveston, Brown, Comanche, Mills, Fannin, Travis, Hunt, Kaufman and Fayette counties is hereby repealed as to Fayette county; and this act shall be taken notice of by all courts in the same manner as the General Laws of this State.

SEC. 44. The great necessity for this law, there being no law existing upon the subject that is sufficient to enable the people of these counties to improve and construct the roads and bridges as they should be, creates a public necessity and emergency requiring that the rule that bills be read on three several days in each house be suspended, and the same is hereby suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and was reported to the Senate, where it was amended and passed by two-thirds vote, yeas 23, nays 0; House concurred in Senate amendments, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 1st day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objec-

tions thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

Takes effect 90 days after adjournment.

HOUSTON COUNTY—ROAD SYSTEM.

H. B. No. 375.]

CHAPTER L.

An Act to create a more efficient road system for Houston county, Texas, and making the county commissioners of said county ex-officio road commissioners, and prescribing their duties as such, and providing for their compensation as such road commissioners; and providing for working of county convicts upon the public roads of said county, and providing for a reward to be offered for the recapture of an escaped county convict, and taxing said reward and all actual costs of capture and delivery of said convict against said convict, and providing for a penalty for the escape of a county convict, and providing for the employment of surveyor or engineer; and providing the amount of compensation to be allowed to road hands for teams, plows, scrapers and wagons; and providing for the condemnation of land for public road purposes; providing for the working of delinquent poll taxpayers residing in cities and towns as well as in the country on the roads, and relieving them from the performance of said work by the payment of the sum of two dollars; providing for the ages of male persons liable to serve as overseers and to work on the public roads of the county; providing for a special road and bridge tax to be levied for Houston county; and providing further, making this law cumulative of the general laws, and in case of a conflict this act to govern as to Houston county, Texas.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the members of the commissioners court of Houston county shall be ex-officio road commissioners of their respective precincts, and under the direction of the commissioners court shall have charge of all the teams, tools, machinery and appliances belonging to the county and placed in their hands by the said court, and it shall be their duty, under such rules and regulations as the commissioners court shall prescribe, to superintend the laying out of new roads, or changing of established roads, and the building or repairing of bridges, the working, laying out, draining, building and repairing of public roads, the control over all road overseers, and such other matters pertaining to public roads and bridges in their respective precincts as the commissioners court may require.

SEC. 2. Each of said commissioners shall, before entering upon the duties of his office, execute a bond of one thousand dollars, with two or more good and sufficient sureties, payable to the county judge of said county and his successors in office, for the use and benefit of the road and bridge fund, conditioned that he will perform all the duties required of him by law, or by the commissioners court, and that he will properly account for all money or property belonging to the county and that may come into his possession.

SEC. 3. It shall be the duty of the road commissioner to inform himself of the condition of the public roads and bridges in his precinct, and he shall determine what character of work shall be done upon said roads or bridges, and shall direct the manner of grading, draining or otherwise improving the roads, or repairing bridges, which directions shall be observed and obeyed by all road overseers and employees of his precinct.

SEC. 4. Each road commissioner shall have control over all road overseers in his precinct, and shall deliver to each of them all teams, tools and machinery necessary in working the road in the said overseer's road district, so far as he has been supplied therewith by the commissioners court, taking the receipt of said overseer therefor, specifying each item and giving its value, which receipt shall be a full answer of the liability of the commissioner, and shall fix the liability of the overseer, and any commissioner or overseer who shall have been entrusted with any team, tool or machinery belonging to said county shall be liable for any damages that may occur to same while in his possession, caused by his negligence or misconduct.

SEC. 5. Each road commissioner shall take charge of all teams, machinery, tools and implements placed under his control by the commissioners court, and execute his receipt therefor, which shall be filed with the county clerk, and he shall be responsible for the safe keeping of all such teams, machinery, tools and implements, and the proper expenditure of any money belonging to the road or bridge fund that may come into his hands by donation, or so far as he has been supplied therewith by the commissioners court, and upon the expiration of his term of office, or in case of his resignation or removal, he shall deliver all such property and money to his successor, or such other person as the commissioners court may direct.

SEC. 6. Each road commissioner shall see that all the roads and bridges in his precinct are kept in good repair, and he may, under the directions of the commissioners court, inaugurate and carry out a system of working, grading and draining the public roads in his precinct. He shall have the general supervision over all the county convicts worked on roads in his precinct, but this shall not prevent the commissioners court from employing some other person to watch and manage such convicts and direct the work to be done by them.

SEC. 7. Each road commissioner may require each road overseer in his precinct to call out the hands in such numbers as may be sufficient to perform the work, and require overseers to work all the hands in their particular district, for the term of five days in each year, and shall see to it that overseers measure their roads, set up mile posts, place proper index boards and replace mile posts and index boards as required by law.

SEC. 8. Each road commissioner shall keep an accurate account of all moneys received by him on account of the road fund or bridge fund, and shall make a report under oath to the commissioners court at each regular term thereof, showing an itemized account of all moneys belonging to the road or bridge fund he has received, from whom or what source received, and what disposition he has made of the same; the condition of all roads, bridges and culverts in his precinct; what, if any, new roads, and kind, should be opened or discontinued; and what, if any, bridges, culverts or other improvements are necessary to place the roads in his precinct in good condition, and the probable cost of such improvement; the name of every overseer who has failed to work the road or in any way neglected to perform his duty, and such other matters as the court may desire information upon; and shall make such other report at such times as the court may require.

SEC. 9. Each road commissioner shall obtain from the tax collector

of his county, after the first day of February and before the first of March of each year, a full list of the delinquent poll taxpayers of his precinct for the previous year, and the persons in said list as delinquent poll taxpayers shall be subject to road duty for the period of two days during such year, and they shall be summoned as in other cases to work the road in the road district or precinct in which such person may reside; and the performance of the road service provided for in this article shall not exonerate the persons from any other road duty to which the person performing the same may be subject, but this shall be taken as cumulative; and all persons so appearing on said list who are delinquent poll taxpayers and residing in incorporated cities and towns in the county shall also be subject to road duty for the period of two days during such year, and they shall be apportioned among the overseers in charge of roads leading out of such city or town in which they reside, as the road commissioner may deem best, to be summoned by such overseers as in other cases to work the roads in the road precinct to which they are assigned.

It shall be the duty of the road overseer, whenever any defaulting poll taxpayer shall have discharged the poll tax by labor, to report the same to the road commissioner, who in turn reports the same to the commissioners court, to be credited to the party on the delinquent tax rolls returned by the tax collector to the court for the amount thus satisfied; said overseer shall also report the same in his regular report to the commissioners court.

But any person delinquent for poll taxes summoned on the road under the provisions of this article may satisfy said summons and be relieved from said duty by paying to the road commissioner the sum of two dollars, all of which shall go to the road fund to the credit of the commissioners precinct in which such person resides; and said road commissioner shall keep strict and accurate account of all such money received, report same to the commissioners court, and pay over the same promptly to the county treasurer, who shall credit same to the special road fund, to be kept by him for such precinct.

If any person liable under the law to work upon the public roads shall wilfully fail or refuse to attend, either in person or by substitute, at the time and place designated by the road overseer of his district or precinct, after being legally summoned, or shall fail, on or before the day for which he is summoned to attend, to pay to such overseer the sum of one dollar per day for each day he may have been notified to work on the road, or having attended shall fail to perform any duty required of him by law and such overseer, he shall be deemed guilty of a misdemeanor, and on conviction shall be fined in any sum not exceeding ten dollars.

SEC. 10. Each road commissioner shall be entitled to two dollars per day for services actually performed, not to exceed seventy-five dollars in any one quarter, said per diem to be paid out of the road fund when the account shall have been approved by the commissioners court; and the court shall not approve said account unless the commissioner presenting it shall sign an affidavit to same that the account is just, due and unpaid, and that the work was actually performed by him, and that it was necessary to be done; and said account shall specify the number of days work performed by him, and the dates thereof, and no commissioner shall be

entitled to pay as road commissioner while he is performing the duties of county commissioner and receiving pay therefor.

COMMISSIONERS COURT.

SEC. 11. The commissioners court of Houston county shall have full power and authority, and it shall be its duty, to adopt such system for working, laying out and draining and repairing the public roads in said county as it may deem best, and from time to time said county may change its plan and system for working the same. The commissioners court of said county shall have power to purchase such teams, tools and machinery as may be necessary for the working of its roads, or to hire all necessary road machinery, tools, implements, teams and labor, or either, to grade, drain, build or repair the roads of such county, and to make all reasonable and necessary rules, orders and regulations not in conflict with law for laying out, working and otherwise improving the public roads, and to utilize the labor and money expended thereon and to enforce the same. But no change in any road shall be made that lengthens the same unless same be made to place the road on better ground.

SEC. 12. The commissioners court of said county may make contracts for all supplies and materials to be used in feeding the hands and teams employed on the public roads and in the work of the same, and may provide the necessary tents for the same.

SEC. 13. The commissioners court or road commissioner may accept donations of money, lands, labor and men, teams, tools, implements or machinery or any other kind of property or material to aid in building roads or bridges in the county or precinct, and the court may authorize any person to make a drain along any public road for the purpose of draining his lands, and require the person draining his land to do such work under the direction of the road commissioner of the precinct.

SEC. 14. The commissioners court shall see that the road and the bridge funds of their county is judiciously and equitably expended on the roads and bridges of the county, and, as nearly as the conditions and necessity of the roads will permit it shall be expended in each justice's precinct in proportion to the amount collected in such precinct; and in expending money in building permanent roads the money shall first be used only on first or second class roads.

SEC. 15. The commissioners court of said county shall have power and authority to build or construct, or cause to be built or constructed, in the county lasting or permanent county roads and bridges of some permanent or durable material, to be selected and agreed upon by said commissioners court, and may also construct drains or ditches to carry off the water from such road or roads and from lands adjacent thereto whenever and wherever same can be done, and may take and condemn any land or lands necessary for the purpose of constructing roads or drains, and it may authorize the road commissioners, overseer or contractor to enter upon and take from any land adjacent to any public road earth, gravel, stone or other material necessary for the construction, repair, grading or improvement of such road or drains under its general powers of eminent domain.

SEC. 16. Whenever the said court shall deem it necessary or expe-

dient to build or construct permanent roads and bridges, or either, they may order such roads and bridges to be surveyed and laid out and proper profiles and estimates made by a competent civil engineer, the county surveyor, or other competent person, to be employed by the county for that purpose, and constructed under the supervision of the road commissioner and a civil engineer or county surveyor or other competent person.

SEC. 17. Whenever it shall be necessary to occupy any land for the purpose of opening, widening, straightening, grading, making embankments, filling or draining any road or part thereof, if the owner of such land and the commissioners court cannot agree upon the damages to be paid, the county may proceed to condemn the same in the same manner that a railroad company, under the law now existing, and hereafter passed, may condemn land for right of way; and the same proceedings may be had and the same rights shall exist to each party as would exist if the proceedings were by a railroad company, except that the county shall in no case be required to give bond; provided, that nothing contained in this section shall be held to repeal the provisions of the general law relating to the opening of public roads by jury of view; this section shall be held to be cumulative thereof, and the commissioners court of Houston county may act under the general law or the provisions of this section at their option in such case.

SEC. 18. The commissioners court of said county may require all county convicts, not otherwise employed, to labor upon the public roads of such county, under such regulations as they may prescribe for the working of such convicts within the limits of said county, and each convict so worked shall receive a credit of fifty cents on his fine and costs for each day he may so labor. Such court may provide such reasonable regulations and punishment as may be necessary to require such convicts to labor; but no convict shall be required to labor on Sunday. Said court may provide such reasonable remedies necessary to prevent a convict from escaping, and may provide the necessary houses, prisons, provisions, clothing, bedding, food, medicines and medical attention for the convicts, and guards for the safe keeping of the convicts; and may provide a reward, not to exceed ten dollars, to be paid out of the road fund, for the recapture and delivery of any escaped convict, to be paid to any person other than the guard or person in charge of such convict at the time of his escape, which reward shall be added to said convict's fine and costs, and he be required to work out the same.

Said court shall, at a regular term, allow to the officers and witnesses so much of the amount of their costs for the arrest and conviction of said convicts due them and adjudged against such convicts as has been worked out at fifty cents per day, as is provided for in Article 3742. Revised Civil Statutes of 1895. The said amount shall be paid out of the road fund upon the order of the court when said fine and costs have been worked out as provided in this section; provided, that this act shall not be construed so as to relieve any convict from payment of all costs for which he would be liable under the General Laws of this State.

SEC. 19. Whenever a special tax for the maintenance of the public roads is levied and collected, as provided for in Section 9, of Article 8, of the Constitution, or otherwise, the commissioners court of said county shall not be compelled to require persons subject to road duty to work

on the roads, as prescribed in existing general laws, but said court may cause said roads to be worked wholly by taxation, or by taxation in connection with road service, as such court may deem best. And the said court shall have authority to employ such labor as may be necessary to work the public roads of the county, to be paid for out of the road fund; such labor shall be under the control of the road commissioner of the precinct in which the road is located; provided, that no contract shall be made that will reasonably extend beyond the term of office of commissioners making such contract.

SEC. 20. The commissioners court of said county may, when deemed best, construct, grade, gravel, drain or otherwise improve any road or bridge by contract. In such case said court or the county judge may advertise, in such manner as said court may determine, for bids to do such work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond in such amount as said court may determine, with good and sufficient sureties, payable to the county judge and his successors in office, for the faithful compliance with such contract; but said court shall have the right to reject any and all bids.

SEC. 21. Whenever the commissioners court of said county may deem best to build or construct, or cause to be built or constructed, lasting or permanent roads in the county, or grade, gravel or otherwise improve such road, by contract or otherwise, and they find it necessary to widen the road or to make as straight a road as is practicable, said court shall have power and may employ a competent surveyor, who shall be an engineer, to make a proper survey of such road or so much thereof as said court may deem necessary to be built, constructed or otherwise improved, together with the frontage of each tract of land abutting on said road.

SEC. 22. The surveyor shall, as soon as practicable after his employment, proceed to make an accurate survey and system of levels of the necessary grade line of said road, and shall cause substantial stakes or monuments to be placed along said lines at intervals of one hundred feet, together with such intermediate stakes as may be necessary, numbered progressively, and shall establish permanent marks along said lines at intervals of one mile or less, as may be necessary, and establish by stakes or monuments of a different character and appearance from all other stakes and monuments the highest point upon said road between natural water courses crossed by the road; said surveyor shall also measure and establish by suitable marks the frontage of each tract of land abutting on said road, and ascertain and give the name of each owner thereof, and if there be a natural waterway adjacent to the line of said road and the same is necessary to be utilized as an outlet to lead the water at any point from said road and its ditches, the surveyor shall measure the distance to same, and run the line of levels thereto at the nearest practicable point on said road and ditch. He shall prepare a map showing the location of said road, together with the position of stakes or monuments with numbers corresponding with those on the ground and the position of marks, with the elevations referred to. Said map shall also show the lines and distance of frontage of adjacent land and name of the owner, and the course and distance to any adjacent water course, together with a profile of the line of the road, which shall show the assumed datum, the natural grade line of the road and the proposed grade line of the road, not to rise or fall in lineal course more than

fifteen inches to the sixteen and one-half feet; and the said map, or the explanation to the same, shall, in tabular form, give the height of grade, width at the bottom and width at the top, and at each one hundred feet stake or monument, upon the following basis or datum: For first-class roads entire width to be 60 feet, grade 20 feet wide at bottom; second-class roads to be 50 feet wide, grade 16 feet at bottom; third-class road 30 feet wide, grade 15 feet wide at bottom. Said map or explanation to the same shall show the total number of yards to be excavated, and number of yards to fill, and an estimate of the cost of each portion of the road lying between each five hundred feet stake or monument, together with an estimate of total cost of the whole work for said road and proper drainage; and the surveyor shall, as soon as survey is completed, prepare and file, together with his report and map as herein provided for, specifications in detail for the execution of the same, together with the statement of the locality of all necessary culverts for drainage and the dimensions and character of material required therefor. The survey report, map, explanation, specifications and estimates herein provided for shall be filed by the surveyor with the clerk of the commissioners court as soon after his employment as may be practicable, having in view an accurate and complete report upon the physical conditions to be met with in the construction of said road or section thereof.

SEC. 23. At any regular, called or special session of the commissioners court, after the filing of the surveyor's report, map, explanation, specifications and estimate of the surveyor provided for in this act, it shall appear to the court from such report that it be necessary to occupy any lands adjacent to the road surveyed for the purpose of opening, widening, straightening, grading and draining, or either, any such road or part thereof, if the owner of such land and the county cannot agree upon the damages, if any to be paid, the county may proceed to condemn the same as herein provided for in Section 17 of this act, or the court may appoint five freeholders of the county, not interested directly in the construction of the proposed work as a land owner adjacent to or abutting on said road, and not of kin to any of the parties so directly interested therein, who shall constitute a jury of view, who shall meet at a time and place to be specified by said court in the order appointing them, and the clerk of the court shall thereupon issue to each of said jury of view a copy of the order of the court and a precept to the sheriff to serve the same upon the jurors within ten days after such order was made, and the sheriff receiving such copies shall serve the same upon the jurors by delivering to each of them in person a copy of the order provided for, or by leaving such copy at the usual place of abode of such juror within ten days after the sheriff receives said copies, and he shall make his return to the clerk on the precept, stating the date and manner of service, or if service has not been made, stating the cause of his failure to make the same; and any juror summoned as such who shall fail or refuse to perform the services required of him by law as such juror shall forfeit and pay for every such failure the sum of ten dollars, to be recovered by judgment upon suit of the county attorney in the name of the county in any court of competent jurisdiction of the county in which such defaulter may reside.

SEC. 24. The jury of view shall proceed, with the road commissioner

of the precinct, where the surveyed road is located, who shall take with him the original report, map, explanation, specifications and estimate of the surveyor, for the use of the jury, at the time and place specified in the order of the court appointing them, after notice has been given to each abutting land owner as hereinafter provided, and after having taken the following oath before any officer authorized to administer the same, to wit: "I do solemnly swear that I am not directly interested in the construction of the proposed road, nor in any lands abutting on the same, and that I will assess the damages to land owners, if any there be, according to law, without bias or prejudice, malice or hatred, to the best of my knowledge and ability, so help me God." And after viewing the roads and abutting lands surveyed by the engineer, and after hearing all protests, claims and remonstrances offered and presented, taking into consideration the relative amount of benefit to be derived by said land from the construction of such road, and they shall assess the amount of damages or compensation due to each land owner, if any, for land to be taken necessary to be occupied for the purpose of opening, widening, straightening, grading and draining, or either, any such road or any part thereof, or through whose land any lateral ditch or drain is or may be constructed under the order of appointment necessary to drain the road; which damage or compensation assessed, if any, shall first be ordered to be paid by the county, out of the road fund of the county, and the treasurer shall have paid the same, or secured its payment by a special deposit of the amount in his office, subject to the order of such owner, and shall notify such owner by mail or otherwise of such deposit.

SEC. 25. The road commissioner shall issue a notice in writing to the land owner of each abutting tract of land along said road a part of whose land is sought to be taken for the road, and to each land owner through whose land a ditch or drain for the road is sought to be made, or to his or their agent or attorney, of the time and place when the jury will assess the damages incidental to the taking of the land on construction of a ditch for the road, which notice shall be served by any person competent to testify, or through mail by registered letter, upon such owner, his agent or attorney at least five days before the day named therein. If such owner is a non-resident and his address is known, and has no agent or attorney in the county, the notice shall be given by registered letter through the mail ten days prior, and if his residence or address is unknown, by publication for four weeks in a newspaper published in the county prior to the date named for the meeting of the jury of view. The cost of such registered mail notice and of such publication shall be paid by the county on an order of the court, and proper returns of said notice showing how same have been served shall be filed with the report of the jury of view.

SEC. 26. Any person whose land may be affected by such road and its lateral drain ditches, if any, may at any time stated in such notice or previously thereto present to the jury a statement in writing of any objections to or dissatisfaction therewith, and any claim for damages which he may have sustained by reason of the taking of his land for road purposes and the making of lateral drain ditches, and a failure to make such objections or claim for damages or compensation in writing, as herein specified, shall be deemed a waiver of all claim or right thereto, all of which objection or claim shall be returned to the commissioners

court in connection with the report of the jury of view; provided, that any abutting land owner shall have the right also to appear and be heard by the commissioners court on his protest or remonstrance or claim against the action of the jury of view.

SEC. 27. The jury of view shall make a report to the commissioners court, as soon as practicable after their meeting, signed by at least three of said jury, and duly verified under oath, of their action and findings in the manner, and shall return with their report the name of each land owner, the number of acres and the amount of damages assessed or compensation awarded for each land owner. The road commissioner shall carefully preserve from damage and duly return with the report of the jury of view the map, profile, explanation, specifications and estimates of the surveyor, and all claims and objections presented by the land owners, and all notices and returns of services thereof on land owners, agents or attorneys, and the same shall be filed with the clerk of the commissioners court, and shall become a public record and be preserved as such, and the court shall act upon such report at the next regular term, and approve or reject the same.

SEC. 28. If the commissioners court shall approve of the report of the jury and order that such road and lateral ditches, if any, to be opened, they shall consider the assessment and damages by the jury and claimant's statement thereof, and allow to such owner just damages or adequate compensation for the land taken, and when paid or secured by deposit with the county treasurer to the credit of such land owner they may proceed to have such road and lateral drain ditches, if any, opened and constructed, by contract or otherwise, as they may deem best.

If the owner of the land is not satisfied with the assessment by the commissioners court he may appeal therefrom as in cases of appeal from judgments of justices' court, but such appeal shall not prevent the commissioners court from opening the road and drain ditches, if any, and improve the same, but shall be only to fix the amount of damages in controversy between the owner and the county, and if a greater amount of damages is obtained on appeal, the county shall pay the excess and the costs, but if no greater damages are obtained, the party taking the appeal shall pay all costs.

SEC. 29. The said jury of view shall each receive the sum of two dollars per day as compensation for their services for each day so actually engaged; and said surveyor and engineer shall receive as compensation such sum as may be allowed by the commissioners court not to exceed five dollars per day.

SEC. 30. In all cases where the cost of material and labor exceeds the sum of two hundred dollars, it shall be the duty of said court to construct, grade or gravel or otherwise improve any road or bridge by contract, the same to be advertised for as provided by said commissioners court.

SEC. 31. At the regular or called term in November of each year and as soon as practicable the commissioners court shall appoint overseers for each first, second and third class public road or for each road precinct in the county, and to remove the same at any regular or called term in the year when they prove inefficient or incapable upon the report of the road commissioner, and to appoint others in their places, and the court shall also apportion all the able bodied male persons in the county

subject to road duty to the several overseers, and the hands shall, as nearly as practicable, be apportioned to work on the road or road precincts nearest to their place of abode.

SEC. 32. The commissioners court may allow to any overseer who shall be engaged in the discharge of the duties of his office for more than five days during any one year a compensation not to exceed one dollar and twenty-five cents per day, when such service is performed by him upon a written order or recommendation of his road commissioner; and the court may allow to any owners who have been warned by an overseer of a public road upon the written order of the road commissioner to bring any teams and wagons, plows, scrapers or any road implements for service on the road pay at the rate of one dollar and fifty cents per day for double team, two dollars per day for double team and wagon, and one dollar and fifty cents per day for single team and wagon or cart.

SEC. 33. In order that the intent and provisions of this bill may be carried out, and further, if it is found necessary in order to raise the funds to meet the costs of this road system, the commissioners court of Houston county are hereby authorized, if in their judgment it becomes necessary, to assess and collect a tax on all property of the county not to exceed fifteen cents on the one hundred dollars of valuation, this tax to be known as a road and bridge tax, and it is to be applied to the construction, grading, graveling, draining or otherwise improving any roads or bridges in the county, and for no other purpose, and it is understood that all other funds that are now used for road and bridge purposes are to be continued as they are now used, and the tax specified and authorized by this section is to be considered supplemental thereto.

SEC. 34. As this act contemplates a system of good roads for Houston county, which will necessarily take a number of years to complete, nothing in this act is to be construed to prevent the assessment and collection of road and bridge taxes not to exceed fifteen cents per the one hundred dollars of taxable values in this county when an election for that purpose has been held according to law, as provided for in Section 9, Article 8, of the Constitution, in said county.

ROAD OVERSEERS AND ROAD HANDS.

SEC. 35. All male persons between the ages of twenty-one and forty-five years shall be liable, and it is hereby made their duty, when appointed, to serve as road overseers, and to work on, clean out and perform such labor on the public roads, under the provisions of the general law on roads and bridges of the State, and of this act, except invalids, members of any companies of volunteer guards organized under provisions of the title "militia," and the members of all volunteer fire companies in the active discharge of their duties as firemen, who shall be exempt; and no person shall be compelled to serve as overseer or to work on a road who has not been residing in the county in which he is summoned to work for the space of fifteen days immediately preceding such summons.

SEC. 36. All persons liable to road duty in the county of Houston shall be liable and may be compelled to serve as overseer or to work on any public road or roads five days in each year, and not less than five days in each year: but no person shall be compelled to work outside of his road precinct.

SEC. 37. The term road, as used in this act, includes roadbed, ditches, drains, bridges, culverts, and every part of such road, and the terms work and working include the opening and laying out of new roads, widening, constructing, draining, repairing, and everything else that may be done in and about any road.

SEC. 38. Any able-bodied male person residing in this county and subject to road duty may, by paying the sum of three dollars to the road commissioner of his precinct, who shall give his receipt for same, expressing that it is in lieu of road service for that year, and who exhibits such receipt to the overseer of the precinct or to the person warning him, such receipt will be sufficient excuse when shown to the overseer or person warning him to work the road, the overseer making a note of such receipt and returning same in his report to the commissioners court. No hand is to be excused from service on the road for a term of five days in each year for any temporary sickness or disability, but each one must work at least five days in each year, and in case of removal from one section to another of the county the road overseer shall, upon request of such road hand, give him a certificate showing the number of days he has actually worked during the year, and such hand will be due the remainder of the time to the county wherever he may reside in it, and he must be required to work his full time out unless excused in accordance with this act.

SEC. 39. It shall be the duty of the hands after being warned by a proper person, as now provided for under the General Laws of the State in regard to roads and bridges, to promptly appear at the place and at the time warned to appear and report to the overseer of the road, and to obey the orders of the overseer or road commissioner, and proceed to work under their directions; and shall bring with him an axe, grub-hoe, mattock, shovel, crowbar or such other tool as the overseer may direct, or such as he may have suitable for road work.

SEC. 40. Any road overseer who shall have been entrusted with any teams, tools, implements or machinery belonging to the county necessary in working the road in his precinct shall be liable for any damages that may occur to the same while in his possession caused by his negligence or want of due care of same, and he shall not use or permit the same to be used for private purposes whatever, and it shall be his duty, when he has finished work on his road, to return to the road commissioner of his precinct all teams, tools, implements or machinery received from him and take up the receipt given therefor.

SEC. 41. Every overseer of the said county shall cause the road or roads in his precinct to be worked at least five days in each year.

SEC. 42. Each overseer shall report in writing and under oath to the commissioners court of this county at the November regular term thereof in each year, giving the number of the hands and their names, and the names of the farms or places from which he got the hands in his precinct liable to work on the roads, the number of days he has caused his road to be worked; the condition of such road and bridges, culverts and drains; number of proper mile posts set up, all sign boards put up at forks or crossings of his road with others; the amount of funds received by him for his road; from whom received and for what purpose, and to whom and for what purpose paid out or expended; and the amount, if any, of funds that remain in his hands; and he shall pay over to the

road commissioner any such funds which may remain in his hands, take receipt therefor and so state in his report; also what plows, scrapers, implements, machinery or other tools belonging to the county are in his possession, and where they are located, and he shall make a like report to the road commissioner of his precinct on the first Monday in February, May, August and November of each year, and such other reports as such road commissioner may require from time to time that are reasonable and necessary to subserve the interest of the county.

SEC. 43. This law shall be cumulative of all other General Laws on the subject of roads and bridges not in conflict herewith, and where not otherwise provided the General Laws shall apply; but in case of conflict with other general laws the provisions of this act shall govern so far as concerns Houston county, and this act shall be taken notice of by all courts in the same manner as the General Laws of this State.

SEC. 44. The great necessity for this law, there being no law existing upon the subject that is sufficient to enable the people of Houston county to improve and construct the roads and bridges as they should be, creates a public necessity and emergency requiring that the rule that bills be read on three several days in each house be suspended, and the same is hereby suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate by two-thirds vote, yeas 23, nays 0.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 1st day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

Takes effect 90 days after adjournment.

NORTHERN TEXAS TRACTION COMPANY—AUTHORITY TO BUILD CERTAIN LINES.

S. B. No. 303.]

CHAPTER LI.

An Act to provide for and to authorize the Northern Texas Traction Company to extend its electric road now owned and operated by it from the city of Fort Worth, in the county of Tarrant, State of Texas, through the counties of Tarrant and Dallas to and into the city of Dallas, in said Dallas county, in said State, and to empower said traction company to condemn lands and other property for the uses and purposes of said corporation, and to provide the method therefor, and to authorize said corporation to exercise the same rights and powers over the line so constructed as it now exercises over the line of road now owned and operated by it, and to do such other things and assume all rights and obligations necessary to the accomplishment of the purposes of this act.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the Northern Texas Traction Company, a corpora-

tion duly chartered and incorporated as a street railway, under the provisions of Chapter 2, Title XXI, of the Revised Civil Statutes of the State of Texas, for the purpose of constructing, owning and operating lines of street railway in the city of Fort Worth, be and it is hereby authorized, with the consent of the city council of Fort Worth, to construct, acquire, maintain and operate an inter-urban electric road from the city of Fort Worth through the counties of Tarrant and Dallas to and into the city of Dallas, in said Dallas county, Texas, by the extension of the lines of road now owned by it from Fort Worth, in Tarrant county, Texas, through the said counties of Tarrant and Dallas to and into the said city of Dallas; provided, that said traction company shall not be authorized to construct, lease, purchase or operate any street railway in said city of Dallas other than so much as may be necessary to make proper entrance into said city and prepare necessary loops, sidings and switches therein, and this only with the consent of the proper authorities of said city of Dallas.

SEC. 2. Said Northern Texas Traction Company is hereby vested with the right, power and authority to survey, lay out its road, acquire its right of way, not exceeding two hundred feet in width, and where necessary to acquire such right of way it shall have the power to enter upon, condemn and appropriate the land, right of way, easements and property of persons, firms or corporations, and the method and manner of its surveys, laying out its roadway, acquiring its right of way, either by contract or condemnation, shall be the same as now provided by law in case of railroads in Chapter 8, Title XCIV, Revised Statutes of the State of Texas, and amendments thereof, and it shall be subject to the same duties, liabilities and have the same rights as is prescribed in said chapter with reference to railroads; provided, this shall not be so construed as to authorize the condemnation of public streets or highways.

SEC. 3. If said traction company shall engage in the business of carrying freight other than personal baggage, express and mail matter, packages, fruits, vegetables, poultry, meat, dairy products and other things for market, it shall thereby be and become subject to the control of the Railroad Commission of Texas.

SEC. 4. Said corporation shall be and is hereby made subject to the provisions of Title 57, of the Revised Statutes of the State of Texas.

SEC. 5. This act shall not be so construed as applying any of the provisions of Title 94. of the Revised Statutes of the State of Texas, and amendments thereof, to said corporation, except those hereinbefore specified and the provisions of Chapter 12b of said title; provided, that the right is reserved by the State to apply the provisions of said title, or any part thereof, to said corporation at such time as the public interest may require; and provided, that the right is expressly reserved by the State to amend the law under and by virtue of which said corporation is chartered and incorporated.

SEC. 6. Whereas, there is now no law existing authorizing the organization of private corporations for the purpose of constructing inter-urban electric railways and to condemn right of way, therefore an emergency and imperative public necessity authorizing the suspension of the constitutional rule requiring bills to be read on three several days is created, and it is so suspended, and demanding that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 26, nays 0; and passed the House of Representatives by two-thirds vote, yeas 107, nays 0.]

Approved April 5, 1901.

Became a law April 5, 1901.

COURTS OF CIVIL APPEALS—CONCLUSIONS OF LAW AND FACT.

H. B. No. 255.]

CHAPTER LII.

An Act to amend Article 1039, Chapter 21, Title XXVII, of the Revised Civil Statutes of Texas, and to add thereto Article 1039a, prescribing the proceedings of the Courts of Civil Appeals in making and filing conclusions of fact and law.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Article 1039, Chapter 21, Title XXVII, of the Revised Civil Statutes of Texas, be and the same is hereby amended so as to hereafter read as follows:

Article 1039. In all cases hereafter decided by the Courts of Civil Appeals in which the Supreme Court has jurisdiction of an application for writ of error, it shall be the duty of the Court of Civil Appeals, within thirty days after the decision of the case, to make and file a conclusion of fact and law upon each material point assigned as error in that court. The evidence need not be stated, except when necessary to determine upon the correctness of some ruling of the court. In cases where the judgment of the trial court shall be reversed and the cause remanded, the Court of Civil Appeals shall state its reason for the judgment.

SEC. 2. *Be it further enacted by the Legislature of the State of Texas,* that Article 1039a shall be added to the aforesaid chapter and title and shall read as follows:

Article 1039a. If either party to a case hereafter decided by a Court of Civil Appeals shall be of the opinion that the findings of fact are insufficient upon any material issue assigned in that court as error, such party may, in his motion for rehearing, specify the point upon which there is no finding of fact, or upon which the finding made by the court is insufficient, and ask the Court of Civil Appeals to make and file conclusions of fact upon the points indicated in the motion. If that court shall refuse to make such finding, or if the finding made be insufficient, such action may be assigned as error in the application to the Supreme Court for a writ of error.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate, no vote given.]

Approved April 10, 1901.

Takes effect 90 days after adjournment.

WRITS OF ERROR.

S. B. No. 271.]

CHAPTER LIII.

An Act to amend Article 943, of Chapter 3, Title XXVII, of the Revised Civil Statutes, prescribing the action of the Supreme Court upon petitions for a writ of error to that court.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. Article 943, of Chapter 3, Title XXVII, of the Revised Statutes of the State of Texas, be and the same is hereby amended so as to hereafter read as follows:

Article 943. If, upon an inspection of the petition for writ of error and the record of the cause, it shall appear that a Court of Civil Appeals has failed to file conclusions of fact, or that it has not complied with the requirements of the law in filing its conclusions of fact, and if it shall further appear that such conclusions of fact are necessary to enable the Supreme Court to properly determine the rights of the parties, then the Supreme Court may suspend action on the petition for writ of error and return the record to the Court of Civil Appeals, with the instructions to make and return conclusions of fact upon the points indicated by the Supreme Court. If upon examination of a petition for writ of error the Supreme Court shall find that there is error in the judgment of the Court of Civil Appeals, it shall grant a writ of error returnable within the time and in the manner prescribed by the rules of that court.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given; and passed the House of Representatives, no vote given.]

Approved April 10, 1901.

Takes effect 90 days after adjournment.

MANDATES—REGULATING THEIR ISSUANCE FROM THE
SUPREME COURT AND COURTS OF CIVIL
APPEALS.

S. B. No. 69.]

CHAPTER LIV.

An Act to amend an act passed by the Twenty-fifth Legislature, entitled "An Act to amend Article 976, Chapter 8, Title 27, of the Revised Civil Statutes of the State of Texas, relating to the payment of costs and returning mandates in the Supreme Court," by adding thereto Article 976a, regulating the time in which mandates may be taken out of the Supreme Court or Courts of Civil Appeals, the same being Chapter 138 of the General Laws passed at the Regular Session thereof.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That Article 976 of the Revised Civil Statutes, as amended by Chapter 138 of the General Laws passed at the Regular Session of the Twenty-fifth Legislature, be amended so as to read as follows, and, further, by adding thereto a new article numbered 976a, as hereinafter set out:

Article 976. The judgment of said court shall be final at the expira-

tion of fifteen days from the rendition thereof when no motion for rehearing has been filed, and upon the rendition of final judgment the clerk of the Supreme Court, or Courts of Civil Appeals, upon payment of costs, shall issue the mandate in the case; provided, that if the party against whom the said costs are adjudged shall make affidavit of his inability to pay the same or give security therefor he may apply to the Supreme Court, or Courts of Civil Appeals, for an order to require the clerk of said court to issue the said mandate, which motion shall be sustained unless the clerk of the court or any party to the record shall controvert the truth of said affidavit and satisfy the court that said motion should not be granted. If for any cause the said court should set aside its judgment after the mandate has been issued, the clerk of the Supreme Court or Courts of Civil Appeals shall at once notify the party to whom the mandate was directed to return it at once. All mandates from the said court shall issue to the court in which the original judgment was rendered.

Article 976a. No mandate shall be taken out of the Supreme Court, or Courts of Civil Appeals, and filed in the court wherein said cause originated unless the same is so taken within the period of twelve months after the rendition of final judgment of the Supreme Court or Courts of Civil Appeals, or the overruling of a motion for rehearing. The provisions of this act shall only apply to cases which are by the Supreme Court, or Courts of Civil Appeals, reversed and remanded and if any cause is reversed and remanded by said Supreme Court, or Courts of Civil Appeals, and the mandate is not taken out within twelve months as herebefore provided, then upon the filing in the court below of a certificate of the clerk of the Supreme Court, or Courts of Civil Appeals, that no mandate has been taken out the case shall be dismissed from the docket of said lower court; provided, that in any cause which has heretofore been reversed and remanded by the Supreme Court, or the Courts of Civil Appeals, the mandate in all such cases shall be taken out within twelve months from and after the passage of this act, and not thereafter.

SEC. 2. The fact that there is no provision under the existing law for the issuance of mandates from the Supreme Court, or Courts of Civil Appeals, except upon the payment of costs, works a great hardship upon many deserving but destitute litigants, and many mandates are now held in the Supreme Court, or Courts of Civil Appeals, owing to the pecuniary distress and inability of the parties who are required to pay for them before they can issue and in order to make effective the principle that pervades our system of law that the courts shall be at all times open to the redress of grievances to the poor as well as to the rich create an emergency and a public necessity exists that the constitutional rule requiring bills to be read on three several days be and the same is hereby suspended, and that this act take effect and be in force from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given, and was reported to the House of Representatives where it was amended and passed, no vote given; Senate concurred in House amendments, no vote given.]

Approved April 10, 1901.

Takes effect 90 days after adjournment.

SEC. 2. That all laws and parts of laws in conflict with this act be and the same are hereby repealed.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and passed the Senate, no vote given.]

Approved April 10, 1901.

Takes effect 90 days after adjournment.

LEON, WALKER AND MADISON COUNTIES—TWELFTH JUDICIAL DISTRICT—TIMES OF HOLDING COURT.

H. B. No. 142.]

CHAPTER LVI.

An Act to amend an act passed by the Twenty-sixth Legislature of the State of Texas, entitled "An Act to amend Section 12, of Article 22, Title IV, of the Revised Civil Statutes of the State of Texas, changing the time of holding the district court in Trinity county," so as to change the time of holding the district court in Leon, Walker and Madison counties, and to repeal all laws and parts of laws in conflict herewith.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:*

That Section 12, Article 22, Title IV, of the Revised Civil Statutes of the State of Texas, be amended so as to hereafter read as follows:

Article 22. The Twelfth Judicial District shall be composed of the counties of Trinity, Leon, Walker, Madison and Grimes, and the district court shall be held in said counties as follows:

In the county of Trinity, on the first Monday in February and August, and may continue in session three weeks.

In the county of Leon, on the third Monday after the first Monday in February and August, and may continue in session four weeks.

In the county of Walker, on the seventh Monday after the first Monday in February and August, and may continue in session four weeks.

In the county of Madison, on the eleventh Monday after the first Monday in February and August, and may continue in session three weeks.

In the county of Grimes, on the sixteenth Monday after the first Monday in February and August, and may continue in session until the business is disposed of.

This act shall take effect and be in force from and after August 1, 1901.

SEC. 2. All processes and writs heretofore issued, or which may be issued up to the time this act takes effect, by or from the district court of said counties, and made returnable to the terms of said courts as now fixed by law, and which terms are changed by this act before said writs are returnable, shall be returnable to the next ensuing term of said courts after the issuance of said writs and processes as prescribed by this act; and all such writs and processes are hereby legalized and validated as if the same had been made returnable to the terms of said courts as fixed by this act; and that all laws and parts of laws in conflict with this act be and the same are hereby repealed.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and passed the Senate, no vote given.]

Takes effect 90 days after adjournment.

ATTORNEYS AT LAW—DEFINING "BARRATRY."

S. B. No. 145.]

CHAPTER LVII.

An Act to amend Article 290 of the Penal Code of the State of Texas, to further define "barratry" so as to include the fomenting of litigation by attorneys at law by soliciting employment or advancing money or other things of value to the parties to litigations in order to procure employment.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That Article 290 of the Penal Code, be, and is hereby amended so as to hereafter read as follows:

Article 290. If any person shall wilfully instigate, maintain, excite, prosecute or encourage the bringing of any suit or suits at law or equity in any court of this State in which such person has no interest, with the

intent to distress or harrass the defendant therein, or shall wilfully bring or prosecute any false suit or suits at law or equity, of his own, with the intent to distress or harrass the defendant therein, or if any attorney at law shall seek or obtain employment in any suit or case at law, or in equity, to prosecute or defend the same by means of personal solicitation of such employment or by procuring another to solicit for him employment in such cause, or who shall by himself or another seek or obtain such employment by giving to the person from whom the employment is sought money or other thing of value, or who shall directly or indirectly pay the debts or liabilities of the person from whom such employment is sought, or who shall loan or promise to give, loan or otherwise grant money or other valuable thing to the person from whom such employment is sought before such employment in order to induce such employment whether the same shall be done directly by him or through another, shall be deemed guilty of barratry, and shall upon conviction be punished by fine in any sum not to exceed five hundred dollars, and may in addition thereto be imprisoned in the county jail not exceeding three months. The term attorney at law shall include counselor at law; and any attorney at law violating any of the provisions of this act, shall in addition to the penalty hereinbefore provided, forfeit his right to practice law in this State, and shall be subject to have his license revoked and be disbarred in the manner provided by law for dishonorable conduct or malpractice, whether he has been convicted for violating this act or not.

SEC. 2. The near approach of the end of the session and the large number of bills to be considered by the Legislature, creates an emergency and an imperative public necessity for the suspension of the constitutional rule requiring bills to be read on three several days, and such rule is so suspended and this act shall take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 26, nays 0; and passed the House of Representatives by two-thirds vote, yeas 103, nays 0.]

SEC. 3. That all laws and parts of laws in conflict with the provisions of this act be and are hereby repealed.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given; and passed the House of Representatives, no vote given.]

Approved April 10, 1901.

Takes effect 90 days after adjournment.

DISTRICT ATTORNEY—PROVIDING FOR ELECTION IN FIFTY-FIRST DISTRICT.

S. B. No. 288.]

CHAPTER LIX.

An Act to amend Article 276, Title XII, Chapter 1, of the Revised Statutes of 1895, so as to include the Fifty-first District in the list of those which elect a district attorney.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That Article 276, Title XII, Chapter 1, of the Revised Statutes of 1895, be so amended so as to hereafter read as follows: Article 276 (242). The following judicial districts in the State shall each respectively elect a district attorney, viz: First, Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth, Ninth, Twelfth, Thirteenth, Twentieth, Twenty-first, Twenty-second, Twenty-third, Twenty-fourth, Twenty-fifth, Twenty-seventh, Twenty-eighth, Twenty-ninth, Thirtieth, Thirty-first, Thirty-second, Thirty-third, Thirty-fourth, Thirty-fifth, Thirty-sixth, Thirty-seventh, Thirty-eighth, Forty-sixth, Forty-seventh, Fiftieth and Fifty-first, also the Twenty-sixth and Fifty-third districts combined, and the criminal district composed of Galveston and Harris counties.

The near approach of the end of the present session and the crowded condition of the calendar creates an emergency and an imperative necessity that the rule requiring bills to be read on three several days be suspended and the rule is hereby suspended.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given, and was reported to the House of Representatives,

where same was amended and passed, no vote given; Senate concurred in House amendments by two-thirds vote, yeas 24, nays 0.]

Approved April 10, 1901.

Takes effect 90 days after adjournment.

THIRTY-SIXTH JUDICIAL DISTRICT—TIME OF HOLDING COURT.

S. B. No. 231.]

CHAPTER LX.

An Act to prescribe the time of holding the terms of the district court in the Thirty-sixth Judicial District of the State of Texas and in the Thirty-eighth Judicial District of the State of Texas, and to repeal all laws and parts of laws in conflict herewith.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the following counties shall compose the Thirty-sixth Judicial District, towit: Dimmit, LaSalle, Atascosa, McMullen, Live Oak, Aransas, San Patricio and Frio, and the terms of holding court therein shall be as follows:

In the county of Dimmit on the second Monday after the third Monday in August, and second Monday after the first Monday in February, and may continue in session one week.

In the county of LaSalle on the third Monday after the third Monday in August and the third Monday after the first Monday in February, and may continue in session two weeks.

In the county of McMullen on the fifth Monday after the third Monday in August, and the fifth Monday after the first Monday in February, and may continue in session one week.

In the county of Atascosa, on the sixth Monday after the third Monday in August and sixth Monday after the first Monday in February, and may continue in session three weeks.

In the county of Live Oak on the ninth Monday after the third Monday in August, and ninth Monday after the first Monday in February, and may continue in session two weeks.

In the county of Aransas on the eleventh Monday after the third Monday in August and eleventh Monday after the first Monday in February, and may continue in session two weeks.

In the county of San Patricio on the thirteenth Monday after the third Monday in August and the thirteenth Monday after the first Monday in February, and may continue in session two weeks.

In the county of Frio on the fifteenth Monday after the third Monday in August, and the fifteenth Monday after the first Monday in February, and may continue in session until the business is disposed of.

SEC. 2. The following counties shall compose the Thirty-eighth Judicial District, towit: Bandera, Kendall, Kerr, Medina, Edwards, Zavala and Uvalde, and the times of holding the district courts therein shall be as follows:

In the county of Bandera on the first Mondays in March and September, and may continue in session two weeks.

In the county of Kendall on the second Mondays after the first Mondays in March and September and may continue in session two weeks.

In the county of Kerr on the fourth Mondays after the first Mondays in March and September and may continue in session three weeks.

In the county of Medina on the seventh Mondays after the first Mondays in March and September, and may continue in session four weeks.

In the county of Edwards on the eleventh Mondays after the first Mondays in March and September and may continue in session two weeks.

In the county of Zavala on the thirteenth Mondays after the first Mondays in March and September, and may continue in session two weeks.

In the county of Uvalde on the fifteenth Mondays after the first Mondays in March and September and may continue in session until the business in said county is disposed of.

SEC. 3. All laws and parts of laws in conflict with the provisions of this act are hereby repealed.

SEC. 4. All writs, process and bonds issued or executed prior to the taking effect of this act and returnable to the former terms of said courts as fixed by law in the several counties composing said districts are hereby made returnable to the terms of said courts as fixed by this act; and all process heretofore returned, as well as all bonds and recognizances heretofore entered into any of said courts, shall be as valid as if no change had been made in the time of holding said courts.

SEC. 5. The near approach of the close of this session of the Legislature and the crowded condition of the calendar creates an emergency and an imperative public necessity exists for the suspension of the constitutional rule requiring bills to be read on three several days in each branch of the Legislature and therefore said rule is hereby suspended.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given, and was reported to the House of Representatives, where it was amended and passed, no vote given; Senate concurred in House amendments, no vote given.]

Approved April 10, 1901.

Takes effect 90 days after adjournment.

FORTY-FIRST JUDICIAL DISTRICT—REORGANIZATION.

S. B. No. 237.]

CHAPTER LXI.

An Act to reorganize the Forty-first Judicial District of Texas; to prescribe the time of holding the district court therein; to make the terms of the Thirty-fourth Judicial District in El Paso county to conform thereto; to provide for a district attorney for the Forty-first in said El Paso county and to provide for a clerk of the district court of the Forty-first Judicial District in said El Paso county and empowering the district court of the Thirty-fourth Judicial District to empanel the grand jury for said county and giving authority to the judges of either of said two courts in said El Paso county to transfer causes from their respective courts to the other of said courts; and to repeal all laws and parts of laws in conflict herewith.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. The Forty-first Judicial District of the State of Texas,
9—G. L.

shall be composed of the counties of Jeff Davis, Brewster, Pecos, Val Verde, Kinney, Maverick and El Paso, and the terms of the district courts shall be held in said counties as follows:

Beginning in the county of Jeff Davis on the first Mondays of March and September and continue in session one week.

In the county of Brewster on the first Mondays after the first Mondays in March and September, and continue in session two weeks.

In the county of Pecos on the third Mondays after the first Mondays in March and September and continue in session two weeks.

In the county of Val Verde on the fifth Mondays after the first Mondays in March and September and continue in session two weeks.

In the county of Kinney on the seventh Mondays after the first Mondays in March and September and continue in session two weeks.

In the county of Maverick on the ninth Mondays after the first Mondays in March and September and continue in session two weeks.

In the county of El Paso on the eleventh Mondays after the first Mondays in March and September and continue in session until the last Saturdays in February and June unless the business in said court in said county be sooner disposed of.

The district courts of the Thirty-fourth and Forty-first Judicial Districts aforesaid in El Paso county, shall have concurrent jurisdiction with each other through the limits of said county of El Paso of all matters, civil or criminal, of which jurisdiction is given by the district courts, by the Constitution and laws of the State; provided, that the judge of the Forty-first Judicial District shall never empanel a grand jury in said courts; but may at any time reconvene the grand jury empaneled by the judge of the Thirty-fourth Judicial District when in his judgment a necessity therefor exists; provided further, that the district attorney of the Thirty-fourth Judicial District, shall do and perform all the duties pertaining to said office of district attorney for both of said district courts in and for said El Paso county.

The clerk of the district court of El Paso county as heretofore constituted and his successors in office, shall be the clerk of both said district courts in said El Paso county, and shall perform all the duties pertaining to the office of both district courts.

Either of the judges in said district courts in said El Paso county may in their discretion, either in term time or vacation transfer any cause or causes, civil or criminal that may at any time be pending in his court to the other district court in said El Paso county by order or orders entered upon the minutes of said court and when such transfer or transfers are made, the clerk of said courts shall enter such cause or causes upon the docket of the court to which such transfer or transfers are made, and when so entered upon the docket the judge of said court shall try and dispose of said cause in the same manner as if said cause was originally filed in said court.

SEC. 2. All laws and parts of laws in conflict with the provisions of this act are hereby repealed.

SEC. 3. That all process, writs and bonds issued or executed prior to the taking effect of this act and returnable to the terms of said court as now fixed by law in the several counties composing said district, are hereby made returnable to the terms of said courts as fixed in this act: and all process heretofore returned, as well as all bonds and recogniz-

ances heretofore entered into any of the courts, shall be as valid as if no change had been made in the time of holding said courts.

SEC. 4. The near approach of the close of this session of the Legislature and the crowded condition of the calendars, and the great necessity for the passage of this law in order that the crowded condition of the dockets of said courts in El Paso county may be relieved, created an emergency and an imperative public necessity exists for the suspension of the constitutional rule requiring bills to be read on three several days in each branch of the Legislature, and a great public necessity exists and the emergency requires that this bill take effect from and after its passage; said rule is therefore suspended, and this act shall be in force and effect from and after the passage thereof, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given; and passed the House of Representatives, no vote given.]

Approved April 10, 1901.

Takes effect 90 days after adjournment.

TWENTY-FOURTH JUDICIAL DISTRICT—TIME OF HOLDING COURT.

S. B. No. 213.]

CHAPTER LXII.

An Act to prescribe the time of holding the terms of the district court in the Twenty-fourth Judicial District of Texas, and to regulate the issuance of process in said district.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the terms of the district court of the 24th Judicial District of Texas shall hereafter be held in the several counties therein as follows, viz.:

In the county of Bee on the second Monday in February and the first Monday in September and may continue in session three weeks.

In the county of Karnes on the third Monday after the second Monday in February and the first Monday in September, and may continue in session three weeks.

In the county of Goliad, on the sixth Monday after the second Monday in February and the first Monday in September, and may continue in session three weeks.

In the county of Refugio, on the ninth Monday after the second Monday in February and the first Monday in September, and may continue in session one week.

In the county of Calhoun, on the tenth Monday after the second Monday in February and first Monday in September, and may continue in session one week.

In the county of Victoria, on the eleventh Monday after the second Monday in February and the first Monday in September and may continue in session four weeks.

In the county of DeWitt on the fifteenth Monday after the second

Monday in February, and after passage of this act, the winter term of the district court for said DeWitt county shall begin on the first Monday in January of each year, and each session of the district court for said county of DeWitt may continue in session until the business is disposed of.

SEC. 2. That all process and writs issued or served before this act goes into effect, returnable to the district courts in said judicial district, shall be considered returnable to said courts in accordance with the terms as prescribed by this act, and all such process is hereby legalized; and all grand and petit juries drawn and selected under the existing laws in any of the counties of said judicial district shall be considered lawfully drawn and selected for the next terms of the district court held in said counties, respectively, after this act takes effect, and all such process is hereby legalized and validated.

SEC. 3. The importance of the passage of this act to the people of the various counties of the said judicial district, the crowded condition of the calendar of each house, and the near approach of the close of the present session of the Legislature, creates an imperative public necessity and emergency requiring that the constitutional rule that bills be read on three several days in each house be suspended, and the said rule is therefore suspended, and this bill is put upon its third reading and final passage, and that this act take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 24, nays 0; and passed the House of Representatives, vote not given.]

Approved April 10, 1901.

Takes effect 90 days after adjournment.

FORTIETH JUDICIAL DISTRICT—TIMES OF HOLDING COURT.

H. B. No. 184.

CHAPTER LXIII.

An Act to change and prescribe the time for holding district courts in the Fortieth Judicial District of this State; to conform all writs and processes from such courts to such changes, and to repeal all laws in conflict herewith.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* The Fortieth Judicial District shall be composed of the counties of Kaufman, Collin, Rockwall and Ellis, and the terms of the district court within and for said counties shall be held each year, as follows:

Beginning in Kaufman county on the first Monday in February, and lasting six weeks; beginning in Collin county on the sixth Monday after the first Monday in February and lasting seven weeks; beginning in Rockwall county on the thirteenth Monday after the first Monday in February, and lasting two weeks; beginning in Ellis county on the fifteenth Monday after the first Monday in February, and lasting eight weeks; beginning in Kaufman county on the third Monday in August, and lasting six weeks; beginning in Collin county on the sixth Monday

after the third Monday in August, and lasting seven weeks; beginning in Rockwall county on the thirteenth Monday after the third Monday in August, and lasting two weeks; and beginning in Ellis county, on the fifteenth Monday after the third Monday in August, and lasting nine weeks; provided, that said courts shall not remain in session longer than is necessary to dispose of pending business.

SEC. 2. That all writs, processes and bonds, civil and criminal, which may have heretofore issued or executed or which may be issued or executed up to the time when this act takes effect, by or from the district courts of the several counties named in this act, or under the order of said courts, and made returnable to the terms of said courts as they are now fixed by law, shall be returnable to the next ensuing term of said courts in each county as they are prescribed in this act; and all such writs, processes and bonds above mentioned are hereby legalized and validated to all intents and purposes as if the same had been returnable to the terms of said court as are herein prescribed; provided, that should this act go into effect while a term of the district court is being held in any county in said district, the business of such term shall not in any manner be prejudicially affected by this act, but such term may continue for the time mentioned in this act for the district court of such county, and all acts done, proceedings had, and judgments rendered during such terms, including the extended term thereof, are hereby legalized and validated to all intents and purposes as if this act had been in effect when such term began.

SEC. 3. That all laws and parts of laws heretofore enacted in conflict with this act are hereby repealed.

SEC. 4. The fact that the dockets of the district courts of Kaufman and Collin counties are crowded, and the terms of court for said counties as now fixed by law do not give sufficient time to try the same and the further fact that the district court of Collin county is now in session, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and it is so suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 106, nays 0; and passed the Senate by two-thirds vote, yeas 28, nays 0.]

Approved April 10, 1901.

Became a law April 10, 1901.

TWENTY-SEVENTH JUDICIAL DISTRICT. THIRTY-THIRD
JUDICIAL DISTRICT, THIRTY-FIFTH JUDICIAL
DISTRICT—TIME OF HOLDING COURTS.

S. B. No. 144.]

CHAPTER LXIV.

An Act to reorganize the Twenty-seventh, Thirty-third and Thirty-fifth Judicial Districts; to name the counties composing the same; to fix the terms of holding courts therein; to provide for the extension and return of process issued out of said courts; and to repeal all laws and parts of laws in conflict therewith.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the Twenty-seventh Judicial District of this State

shall be composed of the following counties, towit: Lampasas and Bell, and the terms of court shall be holden therein each year as follows: In the county of Lampasas on the first Monday in April and October, and may continue in session four weeks. In the county of Bell on the first Monday in January, June and November, and may continue in session until the business is disposed of.

SEC. 2. The Thirty-third Judicial District shall be composed of the counties of Blanco, Gillespie, Mason, Kimble, San Saba, Burnet and Llano, and the terms of court shall be holden therein each year as follows:

In the county of Blanco on the first Monday in February and September and may continue in session two weeks.

In the county of Gillespie on the third Monday in February and September and may continue in session two weeks.

In the county of Mason on the fourth Monday after the first Monday in February and September and may continue in session three weeks.

In the county of Kimble on the seventh Monday after the first Monday in February and September and may continue in session two weeks.

In the county of San Saba on the ninth Monday after the first Monday in February and September and may continue in session three weeks.

In the county of Burnet on the twelfth Monday after the first Monday in February and September and may continue in session two weeks.

In the county of Llano on the fourteenth Monday after the first Monday in February and September, and may continue in session until the business is disposed of.

SEC. 3. The Thirty-fifth Judicial District of this State shall be composed of the following counties: Coleman, Runnels, Concho, Mills, McCulloch and Brown, and the district court shall be holden therein each year as follows:

In the county of Coleman on the first Monday in February and September and may continue in session four weeks.

In the county of Runnels on the fourth Monday after the first Monday in February and September and may continue in session four weeks.

In the county of Concho on the eighth Monday after the first Monday in February and September and may continue in session two weeks.

In the county of Mills on the tenth Monday after the first Monday in February and September and may continue in session three weeks.

In the county of McCulloch on the thirteenth Monday after the first Monday in February and September and may continue in session two weeks.

In the county of Brown on the fifteenth Monday after the first Monday in February and September and may continue in session until the business is disposed of.

SEC. 4. That all process issued or served before this act goes into effect, returnable to the district courts in said judicial districts, shall be returnable to said courts as fixed by the terms of this act and said process is hereby legalized and validated and all grand and petit jurors selected and drawn under existing laws in any of the said courts of said judicial districts shall be considered lawfully drawn and selected for the next term of the district court of the respective counties, held after this act takes effect, and all appearance bonds and recognizances taken in and for said courts shall bind the parties there obligated to appear at the next term of such courts held under this act.

SEC. 5. That all laws and parts of laws in conflict with this act shall be, and the same are hereby repealed; provided, however, that in the event any term of the district courts in any of the counties herein affected be in session when this act takes effect, same shall in no manner affect said term of court, but same shall continue in session under the old law for said term, and this act shall only affect subsequent terms of court in said county.

SEC. 6. The fact that many causes docketed in the district court of Bell county cannot be reached for trial for want of sufficient time and that a change in the composition in said districts is necessary to provide sufficient time, creates an imperative public necessity and emergency justifying the suspension of the constitutional rule requiring bills to be read on three several days, and it is so suspended, and that this act take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 22, nays 1; and reported to the House of Representatives, where it was amended and passed, no vote given; Senate concurred in House amendments, no vote given.]

Approved April 10, 1901.

Takes effect 90 days after adjournment.

LIBERTY COUNTY—ROAD SYSTEM.

H. B. No. 312.]

CHAPTER LXV.

An Act to authorize and create a more efficient system of public roads and bridges for Liberty county; for the issuance of bonds for said county, for the purpose of constructing permanent public roads; to authorize the investment of the public school fund of the State and of said county in such bonds; to provide for and limit the expenditure of moneys arising from the sale of such bonds; to prescribe and define the powers and duties of the commissioners court in reference thereto, and to validate public roads heretofore laid out and established in said county.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That all roads heretofore laid out or used as public roads in Liberty county, Texas, upon which overseers have been appointed, or to which hands have been assigned, be and the same are hereby declared to be public roads within the meaning of the General Laws governing the same, and the location and laying out of the same is hereby validated.

SEC. 2. The county commissioners court of Liberty county, may, as hereinafter provided, build or construct, or cause to be built or constructed, in said county, lasting or permanent county roads and bridges of some permanent or durable material selected and agreed upon by said commissioners court, may also construct drains or ditches to carry off the water from such road or roads and from lands adjacent thereto, whenever and wherever the same can be done without conflicting with the rights of private property owners, and may take or condemn any lands necessary for the purpose of constructing roads under its general powers of eminent domain.

SEC. 3. Whenever the commissioners court of said county shall deem

it necessary or expedient to build or construct any public roads and bridges of the character herein provided for, they shall pass a resolution, which may be done at any regular or special meeting of said court, setting forth that it is the sense of said court that public roads and bridges of a lasting and permanent nature should be constructed or built in said county, and that the county shall issue its bonds to raise money for that purpose. Said resolution shall be submitted to a vote of the property owners of said county, at any regular or special election, which may be ordered by the commissioners court for that purpose; if at said election a majority of the votes cast shall be for said resolution the same shall be adopted, but if a majority of the votes cast shall be against said resolution it shall be rejected. Such election shall be governed in all respects by the laws governing elections in this State, and the returns shall be made and canvassed in the same manner, and the result declared by the county judge, which proclamation shall be posted in at least three public places in said county, and at the option of the commissioners court published in some newspaper in said county.

SEC. 4. No person shall be permitted to vote at any election as provided for in Section 3 of this act, unless he is a property owner and taxpayer in said county of Liberty; and unless he is otherwise a qualified voter of said county. Those desiring to vote for said resolution shall have written or printed on their ticket the words, "For the resolution to issue bonds to build permanent county roads and bridges," and those desiring to vote against the resolution shall have written or printed on their ticket the words, "Against the resolution to issue bonds to build permanent county roads and bridges." Such tickets shall be written or printed on plain white paper with black ink, and shall contain no distinguishing marks or device, except the words above set out, and if printed shall be in type of uniform size and face.

SEC. 5. If at the election herein provided for, a majority of the qualified voters at such election shall vote in favor of the resolution provided for in Section 3 of this act, and after the commissioners court has canvassed the said vote, and declared the result, and after the proclamation of the county judge declaring the result, has been posted for at least thirty days, it shall be the duty of the commissioners court to prepare and execute the bonds of the county for such sum as may be deemed advisable by said commissioners court; said bonds to bear not exceeding five per cent. interest, payable annually, and which shall be redeemable in not less than ten years, and not more than forty years from date thereof, the maturity to be expressed on the face of said bonds, and the same shall not be sold or negotiated for less than their face or par value; provided, that in no case shall said county issue bonds under this act for a greater sum than a levy of fifteen cents on the one hundred dollars valuation of such county, as will yield sufficient revenue to pay the interest as it accrues, and at the same time create a sinking fund sufficient to pay the principal at maturity; provided further, that the issuance of all bonds under this act shall in all respects conform to the General Laws of this State in regard to the issuance of bonds by counties, cities and towns, and especially in conformity with and under the provisions of Articles 918d, 918e and 918f, Revised Statutes of 1895.

SEC. 6. When the bonds of the county are issued and sold under the provisions of this act it shall be the duty of the county commissioners

court of said county to levy an annual ad valorem tax on all property in the county subject to taxation, which tax when collected shall be used only for the purpose of paying the interest on the county road and bridge bonds, and create a sinking fund to pay the principal of same; and after the adoption of the resolution herein provided for, it shall be unlawful for the county commissioners court to transfer any fund from the road and bridge fund to any other fund of said county or to divert the funds arising from the sale of such bonds or any fund that may be diverted from the road and bridge tax of said county to any other purpose than the construction and maintenance of the county roads and bridges of said county.

Should the commissioners court of said county divert any funds contrary to the provisions of this act, they, and each member of said court so acting or voting, shall be deemed guilty of malfeasance in office, and on conviction shall be punished by a fine of two hundred dollars, and may be removed from office.

SEC. 7. Whenever there shall be or remain in the treasury of this State any moneys to the credit of the permanent school fund, uninvested, the State Board of Education is authorized and empowered to lend the same to said county, when it shall have complied with the foregoing provisions of this act, by purchasing at par the permanent road and bridge bonds of said county, when satisfactory evidence is presented to said board that all the provisions of this act, as well as all other laws, relating to the investment of the school fund of this State, have been complied with, the State Board of Education shall have the preference to purchase said permanent road and bridge bonds when there is sufficient permanent school funds in the treasury, and they are satisfied that all the requirements of the law in reference to the issuance of said bonds, as well as all other laws, relating to the investment of the school fund of this State, have been complied with. Should there not be sufficient money in the treasury to the credit of the permanent school funds to purchase the whole issue of such county road and bridge bonds, then the State Board of Education may purchase said bonds to the extent of the funds on hand, or the county commissioners court may, at its option, place said issue of bonds elsewhere as to them may seem best for the interest of the county; and in like manner the county permanent school fund may be invested in such bonds; and whenever said county shall have on hand permanent school funds uninvested, the said county shall have the preference to invest said funds in the road and bridge bonds of said county.

SEC. 8. The moneys arising from the sale of the bonds herein provided for shall not be used for any other purpose than the construction of durable and permanent county roads and bridges and the purchase of material therefor, and the county commissioners court or any county commissioner, or any other person who shall misapply or convert the same or any part thereof to any other purpose than the one named shall be deemed guilty of malfeasance in office and on conviction shall be punished as hereinbefore provided for that offense.

SEC. 9. All roads and bridges built under the provisions of this act, shall be laid out and constructed under the supervision of the county commissioners court and a competent civil engineer, the county surveyor or other competent person to be employed by the court for that purpose.

SEC. 10. That each member of the commissioners court of Liberty county shall be ex-officio road commissioners of their respective districts, and under the direction of the commissioners court shall have charge of all teams, tools and machinery belonging to the county, and placed in their hands by said court; and it shall be their duty, under such rules and regulations as the commissioners court may prescribe, to superintend the laying out of new roads, the making and changing of roads and building of bridges. Each of said commissioners shall, before entering upon the duties of his office, execute a bond of one thousand dollars, with two or more good and sufficient sureties, payable to the county judge of said county for the use and benefit of the road and bridge fund, conditioned that they will perform all the duties required of them by law or by the commissioners court; and that they will account for all money or other property belonging to the county that may come into their possession; provided, that with the consent of the commissioners court, any one of the commissioners shall be allowed to appoint any competent person as a deputy road commissioner, who shall be required to execute the same bond that is required of commissioners in this section; and such deputy road commissioner shall be entitled to the same compensation that is allowed county commissioners for the same service; provided, that county commissioners shall not be allowed any compensation when a deputy road commissioner has been appointed.

SEC. 11. The commissioners court of said county shall have full authority, and it shall be their duty, to adopt such system for laying out, constructing, working, draining, and repairing the public roads in said county as they may deem best, and from time to time may change its plans or system of working. Said commissioners court shall have power to purchase teams, tools and machinery as may be necessary for the construction or working of said roads. Said court shall have power to construct, grade, or otherwise improve any road or bridge by contract. In such case said court, or the county judge, may advertise, in such manner as said court may determine, for bids to do such work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond payable to the county judge of said county, for the use of the road and bridge fund, with good and sufficient sureties to be approved by said court, and in such sum as said court may determine, for the faithful compliance with the terms of said contract, but the said court shall have the right to reject any and all bids. At the time of making such contract the court shall direct the county treasurer to pass the amount to the particular fund for that purpose, and the treasurer shall keep a separate account of such funds, and the same shall not be used for any other purpose, and can only be paid out on the order of said court; and the said court shall have the authority to employ any hands or teams to work on the roads, under such regulations and for such price as they may deem best.

SEC. 12. In all cases where the cost of material and labor exceeds two hundred dollars, it shall be the duty of said court to construct, grade or otherwise improve any road or bridge by contract; the same to be advertised for as provided for by said commissioners court.

SEC. 13. Each county commissioner shall have control of all road overseers in his district, and shall deliver to each of them all teams, tools and machinery necessary in working the roads in the district of said

overseer so far as he has been supplied therewith by the commissioners court, taking the receipt of said road overseer therefor, specifying each item and giving its value, which receipt shall be a full answer of the liability of the commissioner, and shall fix the liability of the overseer; and any commissioner or overseer who shall have been intrusted with any tools, teams, or machinery belonging to said county, shall be liable for any damage that may occur to the same while in his possession. It shall be the duty of the road overseer when he has finished work on his road to return to said commissioner all teams, tools and machinery received from him, and to take up the receipt given therefor.

SEC. 14. It shall be the duty of the county commissioner to inform himself of the condition of the public roads in his district, and shall determine what character of work shall be done on said roads, and shall direct the manner of grading, draining or otherwise improving the same, which direction shall be observed and obeyed by all road overseers of his district.

SEC. 15. The commissioner may require each road overseer in his district to call out the hands in such numbers as may be sufficient to perform the work, but no hand shall be required to work exceeding five days in any one year, unless the term of service prescribed by General Law shall be extended beyond that time; and provided, that all road hands in a particular district shall, as far as practicable be worked a uniform time. Each road overseer shall have full control of all road hands within his road district, and he shall see that each road hand, when called out, shall perform a good day's work, and if any hand when so called out shall fail or refuse to perform a good day's work, or to work in the manner the overseer may direct he shall be liable to the same penalty as if he had failed to appear in obedience to the summons. The commissioners court may allow to any overseer who shall be engaged in the discharge of the duties of his office for more than five days during any one year, a compensation not to exceed one dollar and fifty cents per day for the time so served.

SEC. 16. Any citizen of Liberty county liable for road duty, who shall on or before the first day of January of any year, pay to the county treasurer the sum of five dollars, shall be exempt from road duty, for such year beginning on the first day of January. The treasurer shall receive and receipt for all moneys so paid him, and place the same to the credit of the road and bridge fund and he shall keep a separate account for each road district from which it is received. The treasurer shall on the third day of January, or as soon thereafter as practicable, furnish to each county commissioner a list of all persons in their respective districts that have paid said sum as provided in this section.

SEC. 17. Whenever it shall be necessary to occupy any land for the purpose of opening, widening, straightening, or draining any road or part thereof, if the owner of such land and the county commissioners court cannot agree upon the damage to be paid, the county may proceed to condemn the same in the same manner that a railroad company can condemn land for a right of way and the same proceedings may be had and the same right shall exist to each party as would exist if the proceedings were by a railroad company except that the county shall in no case be required to give bond.

SEC. 18. Each county commissioner when acting as road commis-

sioners shall be entitled to two dollars per day for services actually performed; provided, he shall not receive more than twenty-five dollars per quarter for such services, which amount shall be paid out of the road and bridge fund when the account shall have been approved by the commissioners court, and the court shall not approve said account unless the commissioner presenting it shall sign an oath that the account is just, due and unpaid, and specifying the number of days work actually performed by him, and that it was necessary to be done; and no commissioner shall be entitled to pay as road commissioner while he is performing the duties of county commissioner.

SEC. 19. Should the voters of Liberty county determine against the issuance of bonds as provided for in sections 3, 4, 5, and 6 of this act nothing herein contained shall be construed as in way or manner affecting the right of said county to levy the special road tax under the General Laws, and in the manner provided for in Articles 4786, 4787, 4788 and 4789 of the Revised Civil Statutes of 1895.

SEC. 20. This act shall be taken notice of by all the courts in the same manner as the General Laws of the State, and it shall be construed to be cumulative of all General Laws of the State on the subject of roads and bridges, when not in conflict therewith.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and passed the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval, on the 6th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

Takes effect 90 days after adjournment.

PANOLA COUNTY—LLANO COUNTY—ROAD SYSTEM.

H. B. No. 313.]

CHAPTER LXVI.

An Act to create a more efficient road system for Panola and Llano counties, Texas, and making the county commissioners of said counties ex-officio road commissioners, and prescribing their duties as such, and providing for the appointment of road overseers, and defining their duties; and for the working of county convicts upon the roads of said counties, and providing for the working of insolvent poll taxpayers upon the roads of said counties, and to provide for the summoning of teams for road work, and for allowance of time for road service for same, and fixing penalties for violations of this act, and to repeal all laws in conflict with this act as to Panola and Llano counties.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the members of the commissioners courts of Panola and Llano counties shall be ex-officio road commissioners of their respective districts, and under the direction of the commissioners court, shall have charge of all teams, tools and machinery belonging to the county, and placed in their hands by said county, and it shall be their duty, under

such rules and regulations as the commissioners court may prescribe to superintend the laying out of new roads, the making or changing of roads, and the building of bridges.

Each of said commissioners shall, before entering upon the duties of his office, in addition to his regular bond as such county commissioner, execute a bond for one thousand dollars, with two or more good and sufficient sureties, payable to the county judge of said county for the use and benefit of the road and bridge fund, conditioned that he will perform all the duties required of him by law or by the commissioners court, and that he will account for all moneys or property belonging to the county that may come into his possession.

SEC. 2. The commissioners courts of said counties shall have full power and authority, and it shall be its duty, to adopt such system for working, laying out and draining and repairing the public roads of said counties as they may deem best, and from time to time said counties may change their plans or systems of working. Said commissioners court shall have full power to purchase or hire such teams, tools and machinery as may be necessary for the working of its roads; the said court shall have the power to construct, grade or improve any road or bridge by contract. In such case said court or county judge of said county may advertise, in such manner as said court may determine, for bids to do such work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond, payable to the county judge of said county for the use of the said road and bridge fund, with good and sufficient sureties, to be approved by said court, and in such sum as said court may determine, for the faithful compliance with the terms of said contract, but said court shall have the right to reject any and all bids. At the time of making such contract the court shall direct the county treasurer to pass the amount to a particular fund for that purpose, and the treasurer shall keep a separate account of such funds, and the same shall not be used for any other purpose, and can only be paid out upon the order of said court, and the said court shall have authority to employ any hands or teams to work on the roads, under such regulations and for such price as they may deem best.

SEC. 3. The commissioners courts of said counties may require all county convicts to labor on the public roads, under such regulations as they may prescribe, and such convicts so worked shall receive a compensation of fifty cents on his fine first, and then on the costs, for each day he may work. The commissioners court may provide such reasonable regulations and punishment as may be necessary to require such convicts to perform good work; and may provide a reward, not to exceed ten dollars, to be paid out of the road and bridge fund, for the recapture and delivery of any escaped convict, to be paid to any person other than the guard or other person in charge of the convict at the time of his escape. Said reward, when offered and paid, shall be taxed against said convict, with all other actual costs for recapturing and returning said convict, and said convict shall be required to pay said reward and other costs in recapturing and returning said convict. The commissioners court may grant a reasonable commutation of time for which a convict is committed as a reward for faithful service and good behavior, in no case to exceed one-tenth of the time. Said court may provide the necessary houses, prisons, clothing, bedding, food, medicine and medical attention, and guards for the safe and humane keeping of convicts.

SEC. 4. Every insolvent poll taxpayer of Panola and Llano counties, who shall fail or refuse to pay his poll tax, and if such tax cannot be otherwise collected by law, shall be compelled to pay such tax by working on the public county roads of such county for three days. In order to enforce the provisions of this section the tax collector of the county shall furnish to the several road commissioners of the county the names of the defaulting taxpayers of the county, on or before the first day of March of each year, giving the place of residence of such defaulting taxpayer together with the amount due and unpaid by him. It shall be the duty of the road overseer when any defaulting poll taxpayer shall have discharged and paid the same, as herein provided, to report the same back to the tax collector, who shall credit the party on the tax roll for the amount paid; and said overseer shall also report the same in his regular report to the commissioners court.

The persons required to do road duty under the provisions of this article shall be subject to prosecution for failure to so work, and subject to the same liabilities and punishment provided by the criminal laws of the State for other cases for failure to appear and do good work when summoned so to do. And when they are convicted for so failing to work the roads they shall satisfy the fine and costs as in other convictions of misdemeanor.

But any person summoned to work on the road under the provisions of this article may satisfy said summons and be relieved from said duty by paying to the road overseer, road commissioners or county treasurer the sum of three dollars, all of which shall go to the road and bridge fund.

This article shall apply as well to the delinquent poll taxpayers in incorporated cities and towns as to those outside of said cities and towns.

SEC. 5. Any citizen of said counties liable for road duty, who shall on or before the first day of February of any year, pay to the county treasurer, the commissioner of his precinct, or the road overseer, in case the road overseer is authorized to receive the same, of his road district, the sum of four dollars shall be exempt from road duty for such year, beginning on the first day of February; and any person so liable to road duty may at any time before he has worked out the full five days as required, pay to the county treasurer, the commissioner of his precinct, or to the road overseer of his district, the sum of seventy-five cents for each day of the remaining time for which he may be still liable to road duty, and by so doing shall be exempt from road duty for such year.

The treasurer or the road overseer to whom the money may be so paid shall receive the same and receipt for it, and when any money shall be so paid to any road overseer it shall be by him promptly paid to the county treasurer, who shall also receive and receipt for all the money so paid to him by such road overseer, and when the treasurer may receive any money under the provisions of this section he shall place the same to the credit of the road and bridge fund, and he shall keep a separate account for each road district from which it is received; and the county treasurer shall, as soon after each payment hereunder as practicable, furnish to each county commissioner a list of all persons in their respective districts that have paid said sum as provided in this section.

SEC. 6. Each county commissioner shall have control of all road overseers in his district and shall deliver to each of them so far as he has been supplied by the commissioners court, all teams, tools and machinery

necessary in working the roads in the district of said overseer, taking receipt of said overseer therefor, specifying each item and giving its value, which receipt shall be a full answer of the liability of the commissioner, and shall fix the liability of the overseer, and any commissioner or overseer who shall have been intrusted with any teams, tools or machinery belonging to said county shall be liable for any damage that may occur to the same while in his possession caused by negligence or want of due care of same, and shall not use or permit the same to be used for private purposes. It shall be the duty of the road overseer, when he has finished work on his road to return to said commissioner all tools, teams and machinery received from him and take up the receipt given therefor.

SEC. 7. It shall be the duty of the commissioners when acting as road commissioners to inform themselves of the condition of the public roads in their district, and they shall determine what character of work shall be done upon said roads, and shall direct the manner of grading, draining or otherwise improving the same, which direction shall be observed and obeyed by all overseers in their district.

SEC. 8. The commissioners court may require each road overseer in his district to call out the hands in such numbers as may be sufficient to perform the work, but no road hand shall be required to work exceeding five days in any one year, or three days with himself and team, unless the term of service as prescribed by the General Laws shall be extended beyond that time; provided, that all road hands in a particular district shall as far as practicable be worked a uniform time.

Each road overseer, or in case of his absence any person deputized by him, shall have full control of all road hands within his district, and see that each hand when called out shall perform a good day's work of not less than eight hours, and if any hand when so called out shall fail or refuse to do a good day's work of not less than eight hours, or to work in the manner the overseer may direct, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons.

The commissioners court may allow any overseer, who shall be engaged in the discharge of the duties of his office for more than five days during any one year, a compensation not to exceed one dollar per day for the time so served.

SEC. 9. Every person liable to work on the public roads in Panola and Llano counties who shall pay to his road overseer at any time before the day appointed to work on his road, the sum of one dollar for each day that he is summoned to work, shall be exempt from work for each day paid for.

SEC. 10. Each person summoned to work on the road shall take with him an ax, hoe, pick, shovel, spade, plow, scraper, or such other tool as may be desired and directed by the overseer; or if he has no such tools as are desired or directed by the overseer, to take with him, he shall take such other suitable tools as he may have; provided, the county shall be liable for and the commissioners court, under such regulations as they may prescribe, shall pay for all such breakage or damage to tools, as may have resulted from public road work, and not caused by the negligence of the person furnishing the same. Such overseer may also summon and require such road hand to bring with him for road work such team or teams as he may have on hand suitable for road work; provided, such

hand shall be allowed two and one-half days' time put in by hand and his team, and one and one-half days' time for such team without such hand.

SEC. 11. If any person liable to road work, after being legally summoned, shall intentionally fail or refuse to attend, either in person or by an able and competent substitute, or fail or refuse to furnish his team or tools at the time and place designated by the person summoning him, or to pay to the overseer such sum as one dollar per day for each day summoned to work, he shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined in any sum not to exceed ten dollars.

SEC. 12. At the first regular term of the commissioners court of each year, all road overseers shall make their report under oath, upon the forms to be furnished them by said court, which said report shall be examined by said court, and all accounts for service or labor performed for over work by such overseer during the past year, and of moneys had and expended by him shall be audited and settled; as soon thereafter as practicable said commissioners court shall appoint and commission said overseer for the succeeding year. Any overseer intentionally failing to perform his duties as such overseer, or failing or refusing to serve and perform the duties of overseer when appointed by said court, or to perform any other duties required of him by law or by the commissioners court, or by the commissioner of his district, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any sum not exceeding twenty-five dollars.

SEC. 13. Whenever it shall be necessary to occupy any land for the opening, widening, straightening, changing or draining any road or any part thereof, if the owner of said land cannot agree with the court as to the damages to be paid, the court may proceed to condemn the same in the same manner that a railroad company can condemn land for a right of way, and the same proceedings may be had and the same rights shall exist to each party that would exist if the proceedings were by a railroad company, except that the county shall in no case be required to give bond.

SEC. 14. Each county commissioner, when acting as road commissioner, shall not be entitled to more than two dollars per day of eight hours actual service performed, provided that he shall not receive more than fifty dollars per quarter; said per diem to be paid out of the road and bridge fund, when the account shall have been approved by the commissioners court, and the court shall not approve said account unless the commissioner presenting it shall make oath that the account is just, due and unpaid, and said account shall specify the number of days work actually performed by him, and the number of hours each day, and that the same was necessary to be done under the circumstances, and no commissioner shall be entitled to pay as road commissioner, while performing the duties of county commissioner, nor shall he receive any additional pay than that provided by this section for inspecting or riding over his roads.

SEC. 15. In all cases where the cost of material and labor exceed one hundred dollars, it shall be the duty of said court to construct, grade or otherwise improve any road or bridge by contract, the same to be advertised for as prescribed by said commissioners court.

SEC. 16. This act shall be taken notice of by all courts in the same manner as the General Laws of the State, and it shall be construed to be

cumulative of all General Laws of the State on the subject of roads and bridges, when not in conflict therewith, but in case of conflict, this act shall control as to Panola and Llano counties.

SEC. 17. The fact that there is now no sufficient general road law in force in this State, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and passed the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 4th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

Takes effect 90 days after adjournment.

NACOGDOCHES COUNTY—ROAD SYSTEM.

H. B. No. 378.]

CHAPTER LXVII.

An Act to create a more efficient road system for Nacogdoches county, Texas, and making the county commissioners of said county ex-officio road commissioners, and prescribing their duties as such, and providing for their compensation as such road commissioners; and providing for working of county convicts upon the public roads of said county, and providing for a reward to be offered for the recapture of an escaped county convict, and taxing said reward and all actual costs of capture and delivery of said convict against said convict, and providing for a penalty for the escape of a county convict; and providing the amount of compensation to be allowed to road hands for teams, plows, scrapers and wagons; and providing for the condemnation of land for public road purposes; providing for the working of delinquent poll taxpayers residing in cities and towns as well as in the country on the roads, and relieving them from the performance of said work by the payment of the sum of four dollars; providing for the ages of male persons liable to serve as overseers, and to work on the public roads of the county; providing for a special road and bridge tax to be levied for Nacogdoches county; and providing further, making this law cumulative of the General Laws, and in case of a conflict this act to govern as to Nacogdoches county, Texas, and to repeal special road law, Chapter 82, Acts of 1899, Twenty-sixth Legislature, as to Nacogdoches county, and declaring an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the members of the commissioners court of Nacogdoches county shall be ex-officio road commissioners of their respective precincts, and under the direction of the commissioners court, shall have charge of all the teams, tools, machinery and appliances belonging to the county, and placed in their hands by the said court; and it shall be their duty, under such rules and regulations as the commissioners court shall prescribe, to superintend the laying out of new roads, or changing of established roads, and the building or repairing of bridges, the working, laying out, drain-

ing, building and repairing of public roads, the control over all road overseers, and such other matters pertaining to public roads and bridges in their respective precincts as the commissioners court may require.

SEC. 2. Each of said commissioners shall, before entering upon the duties of his office, execute a bond of one thousand dollars, with two or more good and sufficient sureties payable to the county judge of said county and his successors in office, for the use and benefit of the road and bridge fund, conditioned that he will perform all the duties required of him by law, or by the commissioners court, and that he will properly account for all money or property belonging to the county, and which may come into his possession.

SEC. 3. It shall be the duty of the road commissioner to inform himself of the condition of the public roads and bridges in his precinct, and he shall determine what character of work shall be done upon said roads or bridges, and shall direct the manner of grading, draining or otherwise improving the roads, or repairing bridges, which directions shall be observed and obeyed by all road overseers and employes of his precinct.

SEC. 4. Each road commissioner shall have control over all road overseers in his precinct, and shall deliver to each of them all teams, tools and machinery necessary in working the road in the said overseer's road district, so far as he has been supplied therewith by the commissioners court, taking the receipt of said overseer therefor, specifying each item and giving its value, which receipt shall be a full answer of the liability of the commissioner, and shall fix the liability of the overseer, and any commissioner or overseer who shall have been entrusted with any team, tool or machinery belonging to said county shall be liable for any damages that may occur to the same while in his possession, caused by his negligence or misconduct.

SEC. 5. Each road commissioner shall take charge of all teams, machinery, tools and implements placed under his control by the commissioners court, and execute his receipt therefor, which shall be filed with the county clerk, and he shall be responsible for the safe keeping of all such teams, machinery, tools and implements, and the proper expenditure, and paying out of any money belonging to the road or bridge fund that may come into his hands by donation, or so far as he has been supplied therewith by the commissioners court, and upon the expiration of his term of office, or in case of his resignation or removal, he shall deliver all such property and money to his successor, or such other person as the commissioners court may direct.

SEC. 6. Each road commissioner shall see that all the roads and bridges in his precinct are kept in good repair and he may, under the direction of the commissioners court inaugurate and carry out a system of working, grading and draining the public roads in his precinct. He shall have the general supervision over all the county convicts worked on roads in his precinct, but this shall not prevent the commissioners court from employing some other person to watch and manage such convicts and direct the work to be done by them.

SEC. 7. Each road commissioner may require each road overseer in his precinct to call out the hands in such numbers as may be sufficient to perform the work, and require overseers to work all the road hands in their particular districts for the term of five days (nor more than ten days) in each year, and shall see that the overseers measure their roads,

set up mile posts, place proper index boards, and replace mile posts and index boards as required by law.

SEC. 8. Each road commissioner shall keep an accurate account of all moneys received by him on account of the road fund or bridge fund, and shall make a report under oath to the commissioners court at each regular term thereof, showing an itemized account of all money belonging to the road and bridge fund he has received, from whom or what source received, and what disposition he has made of the same; the condition of the roads, bridges and culverts in his precinct; what if any, new roads, and kind should be opened or discontinued and what, if any, bridges, culverts or other improvements are necessary to place the roads in his precinct in good condition, and the probable cost of such improvement; the name of every overseer who has failed to work the road or in any way neglected to perform his duty, and such other matters as the court may desire information upon, and shall make such other report at such times as such court may require.

SEC. 9. Each road commissioner shall obtain from the tax collector of his county, after the first day of February and before the first day of March, of each year, a full list of the delinquent poll taxpayers of his precinct for the previous year, and the persons in said list as delinquent poll taxpayers, shall be subject to road duty for the period of three days during such year, and they shall be summoned as in other cases, to work the road in the road district or precinct in which such person may reside; and the performance of the road service provided for in this article shall not exonerate the persons from any other road duty to which the person performing the same may be subject, but this shall be taken as cumulative; and all persons so appearing on said list, who are delinquent poll taxpayers, and reside in incorporated cities and towns in the county, shall also be subject to road duty for the period of three days during such year, and they shall be apportioned among the overseers in charge of roads leading out of such city or town in which they reside, as the road commissioner may deem best, to be summoned by such overseers as in other cases, to work the roads in the road precinct to which they are assigned.

It shall be the duty of the road overseer, whenever any defaulting poll taxpayer shall have discharged the poll tax by labor, to report the same to the road commissioner, who in turn reports the same to the commissioners court, to be credited to the party on the delinquent tax rolls returned by the tax collector to the court for the amount thus satisfied; said overseer shall report the same in his regular report to the commissioners court.

But any person delinquent for poll taxes summoned on the road under the provisions of this article, may satisfy said summons and be relieved from said duty by paying to the road commissioner the sum of three dollars, all of which shall go to the road fund to the credit of the commissioners precinct in which such person resides; and said road commissioner shall keep strict and accurate account of all such money received, report same to the commissioners court, and pay over the same promptly to the county treasurer, who shall credit same to the special road fund to be kept by him for such precinct.

If any person, liable under the law to work upon the public roads, shall wilfully fail or refuse to attend, either in person or by substitute, at the

time and place designated by the road overseer of his district or precinct, after being legally summoned, or shall fail, on or before the day for which he is summoned to attend, to pay such overseer the sum of one dollar per day for each day he may have been notified to work on the road, or having attended, shall fail to perform any duty required of him by law, and such overseer, he shall be deemed guilty of a misdemeanor, and on conviction shall be fined in any sum not exceeding ten dollars.

SEC. 10. Each road commissioner shall be entitled to two dollars per day for services actually performed, not to exceed seventy-five dollars in any one quarter, said per diem to be paid out of the road fund when the account shall have been approved by the commissioners court; and the court shall not approve said account unless the commissioner presenting it shall sign an affidavit to same, that the account is just, due and unpaid, and that the work was actually performed by him, and that it was necessary to be done; and said account shall specify the number of days work by him, and the dates thereof, and no commissioner shall be entitled to pay as road commissioner while he is performing the duties of county commissioner and receiving pay therefor.

SEC. 11. The commissioners court of Nacogdoches county shall have full power and authority, and it shall be its duty to adopt such system for working, laying out and draining and repairing the public roads in said county as it may deem best, and from time to time said county may change its plan and system for working the same. The commissioners court of said county shall have power to purchase such teams, tools and machinery as may be necessary for the working of its roads, or to hire all necessary road machinery, tools, and implements, teams and labor, or either, to grade, drain, build or repair the roads of such county, and to make all reasonable and necessary rules, orders and regulations not in conflict with law for laying out, working and otherwise improving the public roads, and to utilize the labor and money expended thereon, and to enforce the same. But no change in any road shall be made that lengthens the same, unless same be made to place the road on better ground.

SEC. 12. The commissioners court of said county may make contracts for all supplies and materials to be used in feeding the hands and teams employed on the public roads and in the work of the same, and may provide the necessary tents for the same.

SEC. 13. The commissioners court or road commissioners may accept donations of money, lands, labor and men, teams, tools, implements or machinery, or any other kind of property or material to aid in building roads or bridges in the county or precincts, and the court may authorize any person to make to make a drain along any public road, for the purpose of draining his lands, and require the person draining his land to do such work under the direction of the road commissioner of the precinct.

SEC. 14. The commissioners court shall see that the road and the bridge funds of their county is judiciously and equitably expended on the roads and bridges of the county, and as nearly as the conditions and necessity of the roads will permit, it shall be expended in each justice's precinct in proportion to the amount collected in such precinct; and in expending money in building permanent roads the money shall first be used only on first and second class roads.

SEC. 15. The commissioners court of said county shall have power and authority to build or construct, or cause to be built or constructed, in the county, lasting or permanent county roads and bridges of some permanent or durable material, to be selected and agreed upon by said commissioners court, and may also construct drains or ditches to carry off the water from such road or roads, and from lands adjacent thereto, whenever and wherever same can be done, and may take and condemn any land or lands necessary for the purpose of constructing roads or drains, and it may authorize the road commissioners, overseer or contractor to enter upon and take from any land adjacent to any public road, earth, gravel, stone or other material necessary for the construction and repair, grading or improvement of such road or drains, under its general powers of eminent domain.

SEC. 16. Whenever the said court shall deem it necessary or expedient to build or construct permanent roads and bridges or either, they may order such roads and bridges to be surveyed and laid out and proper profiles and estimates thereof made by a competent civil engineer, the county surveyor, or other competent person, to be employed by the county for that purpose and constructed under the supervision of the road commissioner and a civil engineer or county surveyor or other competent person.

SEC. 17. Whenever it shall be necessary to occupy any land for the purpose of opening, widening, straightening, grading, making embankments, filling or draining any road or part thereof, if the owner of such land, and the commissioners court cannot agree upon the damages to be paid, the county may proceed to condemn the same in the same manner that a railroad company, under the law now existing, and hereafter passed, may condemn land for right of way; and the same proceedings may be had and the same rights shall exist to each party as would exist if the proceedings were by a railroad company, except that the county shall in no case be required to give bond; provided, that nothing contained in this section shall be held to repeal the provisions of the General Law relating to the opening of public roads by jury of view; this section shall be held to be cumulative thereof, and the commissioners court of Nacogdoches county may act under such general law or the provisions of this section at their option in such case.

SEC. 18. The commissioners court of said county may require all county convicts, not otherwise employed, to labor upon the public roads of such county, under such regulations as they may prescribe for the working of such convicts within the limits of said county, and each convict so worked shall receive a credit of fifty cents on his fine and costs for each day he may so labor. Such court may provide such reasonable regulations and punishments as may be necessary to require such convicts to labor; but no convict shall be required to labor on Sunday. Said court may provide such reasonable remedies necessary to prevent a convict from escaping, and may provide the necessary houses, prisons, provisions, clothing, bedding, food, medicines and medical attention for the convicts, and guards for the same keeping of the convicts; and may provide a reward, not to exceed ten dollars, to be paid out of the road fund, for the recapture and delivery of any escaped convict, to be paid to any person, other than the guard or person in charge of such convict at the time of his escape, which reward shall be added to said convict's fine and costs, and he be required to work out the same.

Said court shall, at a regular term, allow to the officers and witnesses so much of the amount of their costs for the arrest and conviction of said convicts due them, and adjudging against such convicts, as has been worked out at fifty cents per day, as is provided for in Article 3742, Revised Civil Statutes of 1895. The said amount shall be paid out of the road fund upon the order of the court, when said fine and costs have been worked out as provided in this section; provided, that this act shall not be construed so as to relieve any convict from payment of all costs for which he would be liable under the General Laws of this State.

SEC. 19. Whereas a special tax for the maintenance of the public roads is levied and collected, as provided for in Section 9, of Article 8, of the Constitution or otherwise, the commissioners court of said county shall not be compelled to require persons subject to road duty to work on the roads, as prescribed in existing General Laws, but said court may cause said roads, to be worked wholly by taxation, or by taxation in connection with road service, as such court may deem best. And the said court shall have authority to employ such labor as may be necessary to work the public roads of the county, to be paid for out of the road fund; such labor shall be under the control of the road commissioner of the precinct in which the road is located; provided, that no contract shall be made that will reasonably extend beyond the term of office of commissioners making the contract.

SEC. 20. The commissioners court of said county may, when deemed best, construct, grade, gravel, drain or otherwise improve any road or bridge by contract. In such case said court or the county judge may advertise, in such manner as said court may determine for bids to do such work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond in such amount as said court may determine, with good and sufficient sureties, payable to the county judge and his successors in office, for the faithful compliance with such contract; but said court shall have the right to reject any and all bids.

SEC. 21. Whenever the commissioners court of said county may deem best to build or construct, or cause to be built or constructed, lasting or permanent roads in the county, or grade, gravel or otherwise improve such road, by contract or otherwise, and they find it necessary to widen the road or to make as straight a road as is practicable, said court shall have power and may employ a competent surveyor, who shall be an engineer; to make a proper survey of such road or so much thereof as said court may deem necessary to be built, constructed or otherwise improved, together with the frontage of each tract of land abutting on said road.

SEC. 22. The surveyor shall as soon as practicable after his employment proceed to make as accurate survey and system of levels of the necessary grade line of said roads, and shall cause substantial stakes or monuments to be placed along said lines at intervals of one hundred feet, together with such intermediate stakes as may be necessary, numbered progressively, and shall establish permanent marks along said line at intervals of one mile or less, as may be necessary, and established by stakes or monuments of a different character and appearance from all other stakes and monuments, the highest point upon said road between natural water courses crossed by the road; and surveyor shall also measure and establish suitable marks the frontage of each tract of land abutting on said road, and ascertain and give the name of each owner thereof, and if

there be a natural waterway adjacent to the line of said road and the same is necessary to be utilized as an outlet to lead the water at any point from said road, and its ditches, the surveyor shall measure the distance to same, and run the line of levels thereto, at the nearest practicable point on such road and ditch. He shall prepare a map showing the location of said road, together with the position of stakes or monuments with numbers corresponding with those on the ground, and the position of marks, with the elevations referred to. Said map shall also show the lines and distance of frontage of adjacent land, and name of the owner, and the course and distance to any adjacent water course, together with a profile of the line of the road, which shall show the assumed datum the natural grade line of the road, and the proposed grade line of the road, not to rise or fall in lineal course more than fifteen inches to the sixteen and one-half feet; and the said map, or the explanation to the same shall in tabular form give the height of the grade, width at the bottom, and the width at the top and at each one hundred feet stake or monument upon the following bases of datum: For first class roads entire width to be 60 feet, grade 20 feet wide at bottom; second class roads to be 50 feet wide, grade 16 feet at bottom; third class road 30 feet wide, grade 15 feet wide at bottom. Said map or explanation to the same shall show the total number of yards to be excavated, and the number of yards to fill, and an estimate of the cost of each portion of the road lying between each five hundred feet stake or monument, together with an estimate of total cost of the whole work for said road, and proper drainage; and the surveyor shall, as soon as the survey is completed, prepare and file, together with his report and map as herein provided for, specifications in detail for the execution of the same, together with the statement of the locality of all necessary culverts for drainage, and the dimensions, and character of the material required therefor. The survey report, map, explanation, specifications, and estimates herein provided for shall be filed by the surveyor with the clerk of the commissioners court, as soon after his employment as may be practicable, having in view an accurate and complete report upon the physical conditions to be met with in the construction of said road or section thereof.

SEC. 23. At any regular, called or special session of the commissioners court, at the filing of the surveyor's report, map, explanation, specifications and estimate of the surveyor, provided for in this act, it shall appear to the court, from such a report that it be necessary to occupy any lands adjacent to the road surveyed for the purpose of opening, widening, straightening, grading and draining, or either, any such road or any part thereof, if the owner of such land and the county cannot agree upon the damages, if any, to be paid, the county may proceed to condemn the same as herein provided for in Section 17 of this act, or the court may appoint five freeholders of the county not interested directly in the construction of the proposed work as a land owner adjacent to or abutting on said road, and not of kin to any of the parties so directly interested therein, who shall constitute a jury of view, who shall meet at a time and place to be specified by said court in the order appointing them, and the clerk of the court shall, thereupon issue to each of said jury of view a copy of the order of the court and a precept to the sheriff to serve the same upon the jurors within ten days after such order was made, and the sheriff receiving such copies shall serve the same upon

the jurors by delivering to each of them in person a copy of the order provided for, or by leaving such copy at the usual place of abode of such juror within ten days after the sheriff receives said copies, and he shall make his return to the clerk on the precept stating the date and manner of service, or if service has not been made, stating the cause of his failure to make the same; and any juror, summoned as such, who shall fail or refuse to perform the services required of him by law as such juror, shall forfeit and pay for every such failure the sum of ten dollars to be recovered by judgment upon suit of the county attorney in the name of the county in any court of competent jurisdiction of the county in which such defaulter may reside.

SEC. 24. The jury of view shall proceed with the road commissioner of the precinct where the surveyed road is located, who shall take with him the original report, map, explanation, specifications and estimate of the surveyor for the use of the jury at the time and place specified in the order of the court appointing them, after notice has been given to each abutting land owner as hereinafter provided, and after having taken the following oath before any officer authorized to administer the same, to wit. "I do solemnly swear that I am not directly interested in the construction of the proposed road, nor in any land abutting on the same, and that I will assess the damages to land owners if any there be, according to law, without bias or prejudice, malice or hatred to the best of my knowledge and ability, so help me God," and after viewing the road and abutting lands surveyed by the engineer, and after hearing all protests, claims, and remonstrances offered and presented, taking into consideration the relative amount of benefit derived by said land from the construction of such road, and they shall assess the amount of damages or compensation due to each land owner, if any, for the land to be taken necessary to be occupied, for the purpose of opening, widening, straightening, grading and draining, or either, any such road or any part thereof, or through whose land any lateral ditch or drain is or may be constructed under the order of appointment necessary to drain the road; which damage or compensation assessed, if any shall first be ordered to be paid by the county out of the road fund of the county, and the treasurer shall have paid the same, or secured its payment by a special deposit of the amount in his office, subject to the order of such owner and shall notify such owner by mail or otherwise of such deposit.

SEC. 25. The road commissioner shall issue a notice in writing to the land owner of each abutting tract of land along said road a part of whose land is sought to be taken for the road and to each land owner through whose land a ditch or drain for the road is sought to be made, or to his or their agent or attorney of the time and place where the jury shall assess the damages incidental to the taking of the land or construction of a ditch for the road, which notice shall be served by any person competent to testify, or through mail by registered letter, upon such owner, his agent or attorney at least five days before the day named therein. If such owner is a non-resident and his address is known, and has no agent or attorney in the county, the notice shall be given by registered letter through the mail ten days prior, and if his residence or address is unknown by publication for four weeks in a newspaper published in that county prior to the date named for the meeting of the jury of view. The cost of such registered mail notice and of such publication shall be

paid by the county, on an order of the court, and proper returns of said notice showing how same have been served, shall be filed with the report of the jury of view.

SEC. 26. Any person whose land may be affected by such road and its lateral drain ditches, if any, may at any time stated in such notice or previously thereto present to the jury a statement in writing of any objections to or dissatisfaction therewith, and any claim for damages which he may have sustained by reason of the taking of his land for road purposes, and the making of lateral drain ditches, and a failure to make such objections or claim for damages or compensation in writing as herein specified shall be deemed a waiver of all claim or right thereto, all of which objection or claim shall be returned to the commissioners court in connection with the report of the jury of view, provided, that any abutting land owner shall have the right also to appear before, and be heard by the commissioners court on his protest or remonstrance or claim against the action of the jury of view.

SEC. 27. The jury of view shall make a report to the commissioners court as soon as practicable after their meeting signed by at least three of said jury, and duly verified under oath, of their action and findings in the matter, and shall return with their report the name of each land owner, the number of acres and the amount of damages assessed or compensation awarded, for each land owner. The road commissioner shall carefully preserve from damage and duly return with the report of the jury of view, the map, profile, explanation, specifications and estimates of the surveyor, and all claims and objections presented by the land owners, and all notices and returns of services thereof on land owners, agents or attorneys, and the same shall be filed with the clerk of the commissioners court and shall become a public record and be preserved as such, and the court shall act upon such report at the next regular term, and approve or reject the same.

SEC. 28. If the commissioners court shall approve of the report of the jury and order that such road and lateral ditches, if any, to be opened, they shall consider the assessment and damages by the jury and claimant's statement thereof, and allow to such owner just damages or adequate compensation for the land taken, and when paid, or secured by deposit with the county treasurer to the credit of such land owner, they may proceed to have such road and lateral drain ditches, if any, opened and constructed, by contract or otherwise as they may deem best.

If the owner of the land is not satisfied with the assessment by the commissioners court, he may appeal therefrom as in cases of appeal from judgment of justices court, but such appeal shall not prevent the commissioners court from opening the road and drain ditches, if any, and improve the same, but shall be only to fix the amount of damages in controversy between the owner, and the county, and if a greater amount of damages is obtained on appeal; the county shall pay the excess and the costs, but if no greater damages are obtained the party taking the appeal shall pay all costs.

SEC. 29. The said jury of view shall each receive the sum of one dollar and fifty cents per day as compensation for their services for each day so actually engaged; and said surveyor and engineer shall receive as compensation such sum as may be allowed by the commissioners court, not to exceed five dollars per day.

SEC. 30. In all cases where the cost of material and labor exceeds the sum of two hundred dollars, it shall be the duty of said court to construct, grade, or gravel or otherwise improve any road, or bridge by contract, the same to be advertised for as provided by said commissioners court.

SEC. 31. At the regular or called term in November of each year and as soon as practicable, the commissioners court shall appoint overseers for each first, second and third class public road or for each road precinct in the county, and to remove the same at any regular or called term in the year when they prove inefficient or incapable upon the report of the road commissioner, and to appoint others in their places, and the court shall also apportion all the able-bodied male persons in the county, subject to road duty, to the several overseers, and the hands shall as nearly as practicable, be apportioned to work on the road or road precincts nearest to their place of abode giving roads of the first class the preference.

SEC. 32. The commissioners court may allow to any overseer who shall be engaged in the discharge of the duties of his office for more than five days during any one year, a compensation not to exceed one dollar and twenty-five cents per day, when such service is performed by him upon a written order or recommendation of his road commissioner; and the court may allow to any owners, who have been warned by an overseer of a public road upon the written order of the road commissioner to bring any teams and wagons, plows, scrapers or any road implements, for service on the road, pay at the rate of \$1.50 per day for double team; \$2.00 per day for double team and wagon; and \$1.50 per day for single team, and wagon or cart.

SEC. 33. In order that the intent and provisions of this bill may be carried out, and in order to raise the funds, to meet the costs of this road system, the commissioners court of Nacogdoches county, are hereby ordered to assess and collect a tax on all property of the county not to exceed fifteen cents on the one hundred dollars of valuation, this tax to be known as a road and bridge tax, and it is to be applied only to the construction, grading, graveling, draining or otherwise improving any roads or bridges in the county, and for no other purpose, and it is understood that all other funds that are now used for road and bridge purposes, are to be continued as they are now used and the tax specified and authorized by this section is to be considered supplemental thereto, and in no case shall the tax contemplated, added to any other road or bridge tax, ever exceed the sum of fifteen cents on the one hundred dollars of taxable values in this county for road and bridge purposes.

SEC. 34. As this act contemplates a system of good roads for Nacogdoches county, which will necessarily take a number of years to complete, nothing in this act is to be construed to prevent the assessment and collection of road and bridge taxes not to exceed fifteen cents per the one hundred dollars of taxable values in this county, when an election for that purpose has been held according to law as provided for in Section 9, Article 8 of the Constitution, in said county.

ROAD OVERSEERS AND ROAD HANDS.

SEC. 35. All male persons between the ages of twenty-one and fifty years shall be liable, and it is hereby made their duty, when appointed

to serve as overseer and to work on, repair, clean out and perform such labor on the public roads, under the provisions of the General Law on roads and bridges of the State, and of this act, except invalids, ministers of the gospel, members of the companies of volunteer guards organized under provisions of the title "Militia" who shall be exempt, and no person shall be compelled to serve as overseer or to work on a road who has not been residing in the county in which he is summoned to work for the space of fifteen days immediately preceding such summons.

SEC. 36. All persons liable to road duty in the county of Nacogdoches shall be compelled to serve as overseer or to work on any public road or roads five days in each year, and not less than five days in each year; but no person shall be compelled to work outside of his road precinct.

SEC. 37. The term "road," as used in this act, includes roadbed, ditches, drains, bridges, culverts, and every part of such road, and the terms "work," and "working," include the opening and laying out of new roads, widening, constructing, draining, repairing, and everything else that may be done in and about any road.

SEC. 38. Any able-bodied male person residing in this county, and subject to road duty, may, by paying the sum of four dollars to the road commissioner of his precinct, who shall give his receipt for same, expressing that it is in lieu of road service for that year, and who exhibits such receipt to the overseer of the precinct, or to the person warning him, such receipt will be sufficient excuse when shown to the overseer or person warning him to work the road, the overseer making a note of such receipt, and returning same in his report to the commissioners court. No hand is to be excused from service on the road for a term of five days in each year for any temporary sickness or disability, but each one must work at least five days in each year, and in case of removal from one section to another of the county, the road overseer shall, upon request of such road hand, give him a certificate showing the number of days he has actually worked during the year, and such hand will be due the remainder of the time to the county, wherever he may reside in it, and he must be required to work his full time out, unless excused in accordance with this act.

SEC. 39. It shall be the duty of the hands, after being warned by a proper person, as now provided for under the General Laws of the State in regard to roads and bridges, to promptly appear at the place and at the time warned to appear and report to the overseer of the road, and to obey the orders of the overseer or road commissioner, and to proceed to work under their directions; and shall bring with him an ax, grubhoe, mattock, shovel, crowbar or such other tool as the overseer may direct, or such as he may have suitable for road work.

SEC. 40. Any road overseer, who shall have been entrusted with any teams, tools, implements or machinery belonging to the county necessary in working the road in his precinct, shall be liable for any damages that may occur to the same, while in his possession, caused by his negligence or want of care of same, and he shall not use or permit the same to be used for private purposes whatever, and it shall be his duty, when he has finished work on his road, to return to the road commissioner of his precinct, all teams, tools, implements or machinery received from him and take up the receipt given therefor.

SEC. 41. Every overseer of the said county shall cause the road or roads in his precinct to be worked at least five days in each year.

SEC. 42. Each overseer shall report in writing and under oath to the commissioners court of this county at the November regular term thereof in each year, giving the number of the hands and their names, and the names of the farms or places from which he got the hands in his precinct liable to work the roads, and the number of days he has caused his road to be worked; the condition of such road and bridges, culverts and drains; number of proper mile posts set up, all sign boards put up at forks or crossings of his road with others; the amount of funds received by him for his road; from whom received and for what purpose, and to whom and for what purpose paid out or expended; and the amount, if any, of funds that remain in his hands; and he shall pay over to the road commissioner any such funds which may remain in his hands, take receipt therefor and so state in his report; also what plows, scrapers, implements, machinery or other tools belonging to the county are in his possession and where they are located, and he shall make a like report to the road commissioner of his precinct on the first Monday in February, May, August and November of each year, and such other reports as such road commissioner may require from time to time, that are reasonable and necessary to subserve the interest of the county.

SEC. 43. This law shall be cumulative of all other General Laws on the subject of roads and bridges not in conflict herewith, and where not otherwise provided herein such General Laws to apply; but in case of conflict with other General Laws the provisions of this act shall govern so far as concerns Nacogdoches county, and an act passed at the Regular Session of the Twenty-sixth Legislature — day of —, 1899, Chapter 82, Acts 1899, providing a special road law for Nacogdoches county, is hereby repealed, and this act shall be taken notice of by all courts in the same manner as the General Laws of this State.

SEC. 44. The great necessity of this law, there being no law existing upon the subject that is sufficient to enable the people of this county to improve and construct the roads and bridges as they should be, creates a public necessity and emergency requiring that the rule that bills be read on three several days in each house be suspended, and the same is hereby suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and passed the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 8th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk. Acting Secretary of State.]

WISE COUNTY ROAD LAW—AMENDMENT.

H. B. No. 387.]

CHAPTER LXVIII.

An Act to amend and extend the special road law of Wise county, as enacted by the Twenty-fifth Legislature of the State of Texas, so that Sections 6, 12, 13 shall hereafter read as herein provided and that other sections be added as herein specified.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Sections 6, 12, 13 be amended as herein provided, and that other sections be added so as to read as follows:

Section 6. Every person liable to work on public roads of Wise county who shall pay to his road overseer at any time before the day appointed to work on his road the sum of one dollar for each day that he is summoned to work shall be excused from work for each day paid for; provided also, that any such person liable to work shall be released from such duty, if he shall pay to the county judge of his county or the commissioner of the precinct in which he resides, the sum of three dollars before the first day of February of the year in which he is subject to such duty, the same to go to the credit of the road and bridge fund of the county, and such person subject to road duty, who does not see fit to pay such road tax in advance as provided by this act, shall discharge such road service under the supervision of the road overseer of his district or under the supervision of any contractor employed by the commissioners court to construct or repair roads in the precinct of his residence; provided that when such labor is done under the supervision of such contractor, said contractor shall pay to the county the sum of seventy-five cents per day for the services of each of such persons. No person shall work out his road tax under the supervision of a contractor as aforesaid only upon the recommendation of the overseer of the road district in which he resides.

Section 12. The commissioners court of the county herein named is authorized and empowered to issue bonds of said county in addition to the bonds heretofore authorized by law, to be issued as follows: For the purpose of constructing and maintaining public roads and highways within said county; provided, that at no time the bonds so issued shall exceed the limit of the county indebtedness fixed by the Constitution; provided, further, that a proposition for the issuance of such bonds shall have been submitted to a vote of the qualified voters who are property taxpayers of said county and it is shown that a majority of such voters favor the issuance of such bonds. The commissioners court of said county shall have authority to levy a tax to the limit allowed by the Constitution for the purpose of creating a sinking fund and providing for the payment of interest on the bonds issued for the building and maintaining of the public roads within said county; provided, that if the commissioners court does not deem it necessary that bonds be issued for the purpose of building and maintaining of public roads as aforesaid and no election is demanded by the property taxpayers of the county for such purposes, and no tax levy is made for the payment of sinking fund and interest as provided for above, then the commissioners court shall have authority to levy an ad valorem tax to the limit allowed by the Constitution for the purpose of creating an additional available fund to be

used for the building and repairing of such roads as the court may direct; provided, that a majority of the qualified property taxpaying voters of the county voting at an election to be held for that purpose, shall vote such tax. When such tax shall have been voted it shall be unlawful for the county commissioners court to transfer any fund from the road and bridge fund to any other fund of said county, or to use such funds for any other purpose than the construction and maintenance of the roads and bridges of said county. Should the commissioners court of said county direct any funds contrary to the provisions of this act, they and each of such court so acting or voting shall be deemed guilty of malfeasance in office and on conviction shall be punished by a fine of two hundred dollars and may be removed from office.

Section 13. The commissioners court of the county herein named is hereby authorized if it deems proper, after a special tax shall have been levied as provided for in Section 12 of this act, at any regular term of said court to appoint one road superintendent, who shall be a competent civil engineer, at a salary not to exceed one thousand dollars per year, who shall have general supervision, under authority of said court, of all the public roads and highways of said county, and shall superintend the laying out of all new roads, the making, changing and repairing of same (except where otherwise contracted) the building of bridges; over all county convicts worked on such roads and bridges and perform such other duties as the commissioners court may direct. Any road superintendent upon his appointment shall make a good and sufficient bond payable to the county judge of the county for the benefit of the road and bridge fund, in such sum as the commissioners court may prescribe, said bond to be approved by the commissioners court, and which shall be conditioned that he will properly account for all property and money that may come into his hands as road overseer, and upon the approval of said bond by the commissioners court the county clerk shall issue to said overseer his commission.

Section 14. Every insolvent poll taxpayer of Wise county who shall fail or refuse to pay his poll tax and if such tax cannot otherwise be collected by law, shall be compelled to pay such tax by working on the public county roads of such county for three full days.

In order to enforce the provisions of this section, the tax collector of the county shall furnish the several road commissioners of the county the names of all defaulting poll taxpayers of the county, on or before the first day of March of each year, giving the place of residence of such defaulting taxpayer, together with the amount due and unpaid by him.

It shall be the duty of the road overseer, whenever any defaulting poll taxpayer shall have discharged and paid the same, as herein provided, to report the same back to the tax collector, who shall credit the party on the tax roll for the amount paid. Said overseer shall also report the same in his regular report to the commissioners court.

The persons required to do road duty under the provisions of this article shall be subject to prosecution for failure to so work, and subject to the same liabilities and punishments provided by the criminal laws of the State for other cases for failure to appear and do good work when summoned so to do.

And when they are convicted for so failing to work the roads they shall satisfy the fine and costs as in other convictions of misdemeanor.

But any person summoned to work on the road under the provisions of this article, may satisfy said summons and be relieved from said duty by paying to the road overseer, road commissioner or county treasurer the sum of three dollars, all of which shall go to the road and bridge fund.

This article shall apply as well to the delinquent poll taxpayers in incorporated cities and towns as to those outside of said cities and towns.

Section 15. This act shall be cumulative of all General Laws on this subject and be taken notice of by all courts in the same manner as the General Laws of the State on the subject of roads and bridges, when not in conflict therewith, but in case of conflict this act shall control as to Wise county, and all laws conflicting herewith are hereby repealed.

SEC. 2. The fact that a more efficient road law is needed creates an emergency and imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, vote not given, and passed the Senate, vote not given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 3th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

Takes effect 90 days after adjournment.

RED RIVER COUNTY—ROAD SYSTEM—AMENDMENT.

H. B. No. 420.]

CHAPTER LXIX.

An Act to amend Chapter 106 of the General Laws of the Twenty-sixth Legislature, State of Texas, at its Regular Session, amending Chapter 65 of an act passed by the Twenty-fifth Legislature, passed at its Regular Session, said chapter being, "An Act to create a more efficient road system for Red River county, Texas, making county commissioners ex-officio road commissioners and prescribing their duties as such, and to provide for their compensation as road commissioners; and defining the powers and duties of the commissioners court of said county; to provide for working of county convicts on public roads and regulating same, providing for officers' fees in convicting convicts and recapturing convicts; for summoning teams and tools for road work and compensating for same, and providing penalty for violation of this act, and to repeal all laws and parts of laws in conflict with this act."

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Chapter 106 of the General Laws of the Twenty-sixth Legislature, State of Texas, amending Chapter 65 passed by the Twenty-fifth Legislature, Regular Session, be so amended as to read as follows:

Section 1. That each member of the commissioners court of Red River county, shall be ex-officio road commissioner of his respective district and under the direction of the commissioners court, shall have

charge of all teams, tools and machinery belonging to or under the control of the county and placed in his hands by said court, and it shall be his duty, under such rules and regulations as the commissioners court may prescribe to superintend the laying out of new roads, the making or changing of roads, and the building of bridges. Each of said commissioners shall, before entering upon the duties of said office, execute a bond of one thousand dollars, with two or more good and sufficient sureties, payable to the county judge of said county for the use and benefit of the road and bridge fund, conditioned that he will perform all the duties required of him by law or by the commissioners court, and that he will account for all money or property belonging to the county that may come into his possession; provided that with the consent of the commissioners court any one of said commissioners shall be allowed to appoint any competent person as deputy road commissioner, who shall be required to execute the same bond that is required of commissioners in this section, and such deputy road commissioners shall be entitled to the same compensation that is allowed county commissioners for the same service, provided that county commissioners shall not be allowed any compensation as road commissioner when a deputy road commissioner has been appointed and during the service of said deputy.

Section 2. The commissioners court of said county shall have full power and authority and it shall be its duty to adopt such system for working, laying out, draining and repairing the public roads in such county as it may deem best, and from time to time may change its plan or system of working. Said commissioners court shall have power to purchase such teams, tools and machinery as may be necessary for the working of its roads. Said court shall have the power to construct, grade or otherwise improve any road or bridge by contract. In such case said court or the county judge may advertise in such manner as said court may determine, for bids to do such work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond, payable to the county judge of said county for the use of the road and bridge fund, with good and sufficient sureties, to be approved by said court, and in such sum as said court may determine, for the faithful compliance with the terms of said contract, but said court shall have the right to reject any and all bids. At the time of making any such contract, the court shall direct the county treasurer to pass the amount to a particular fund for that purpose, and the treasurer shall keep a separate account of said funds, and the same shall not be used for any other purpose and can only be paid out on the order of said court, and the said court shall have authority to employ any hands or teams to work on the roads, under such regulations and for such price as they may deem best.

Section 3. The commissioners court of said county shall require all county convicts, not otherwise employed, to labor upon the public roads under such regulations as they may prescribe, and each convict so worked shall receive a credit of fifty cents a day on his fine first and then on the costs for each day he may labor. Such commissioners court may provide such regulations and punishments as may be necessary to cause such convicts to perform good labor. And may provide a reward not exceeding ten dollars to be paid out of the road and bridge fund, for the capture and delivery of any escaped convict, to be paid to any person other than the guard or person in charge of such convict at the time of his escape.

which reward shall be taxed against such convict and worked out or paid by him as part of the costs. The commissioners court may grant a reasonable commutation of time for which a convict is committed as a reward for faithful services and good behavior in no case to exceed one-tenth of the whole time. The commissioners court may at a regular term make such provision for prisons, clothing, bedding, food, medicine and medical attention and guards for the safe keeping and humane treatment of convicts, said amounts to be paid out of the road and bridge fund. The commissioners court may, at a regular term, allow to the officers and witnesses such amount of their costs for the arrest and conviction of said convicts as it may deem just and equitable; provided, that it shall not allow to any officer any greater amount than the following: county judge, three dollars, county attorney, five dollars, including commissions, county and district clerks and justices of the peace two dollars, sheriffs or constables, five dollars, which amount shall be paid to the officers out of the road and bridge fund, on the warrant of the county judge when such fine and costs shall have been worked out as provided in this section; provided, that this shall not be construed as to relieve any convict from the payment of all costs for which he shall be liable under the General Laws of this State.

Section 4. Each county commissioner shall have control over all road overseers in his district; and shall deliver to each of them all teams, tools and machinery necessary in working the roads in the district of said overseer, so far as he has been supplied therewith by the commissioners court, taking receipt of said overseer therefor, specifying each item and giving the value, which receipt shall be a full answer of the liability of the commissioner and shall fix the liability of the overseer, and any commissioner or overseer who shall have been entrusted with any teams, tools or machinery belonging to said county shall be liable for any damage to the same while in his possession, caused by his negligence or want of due care of the same, and shall not use or permit the same to be used for private purposes. It shall be the duty of the road overseer, when he has finished work on his roads, to return to said commissioner all teams, tools and machinery received from him, and take up the receipt given therefor.

Section 5. It shall be the duty of the county commissioner when acting as road commissioner to inform himself of the condition of the public roads of his district, and shall determine what character of work shall be done upon said roads, and shall direct the manner of grading, draining or otherwise improving the same, which directions shall be observed and obeyed by all road overseers of his district, and guards working convicts in the same, and the provisions of this section shall extend to work done under contract, unless by special provisions in the contract, the road commissioner is relieved of the duties herein required.

Section 6. The commissioner may require each road overseer in his district to call out the hands in such numbers as may be sufficient to perform the work, but no road hand shall be required to work exceeding five days in any one year, or two days with himself and team unless the term of service as prescribed by the General Laws of the State shall be extended beyond that time; and provided, that all road hands in any district shall as far as practicable be worked a uniform time. Each road overseer, or in his absence any one deputized by him, shall have full con-

trol of all road hands within his road district, and shall see that each hand, when he is called out performs a good day's work; if any hand when he is so called out shall fail or refuse to perform a good day's work or to work in the manner the overseer may direct, shall be liable to the same penalty as if he had failed to appear in obedience to the summons. The commissioners court may allow any overseer who shall be engaged in the discharge of the duties of his office for more than five days in any one year a compensation not to exceed one and one-quarter dollars a day for the time so served; provided, that he shall make oath that the account is just and due.

Section 7. Any citizen of Red River county liable to road duty who shall on or before the February term of the commissioners court of each year, pay to the county treasurer the sum of four dollars shall be exempt from road duty for such year. The treasurer shall receive and receipt for all money so paid him, and shall place the same to the credit of the road and bridge fund, and shall keep a separate account for each district from which it is received. The treasurer shall on the first day of the February term of the commissioners court, or as soon thereafter as practicable, furnish to each county commissioner a list of all persons in their respective districts that have paid the sum provided in this section.

Section 8. Every person liable to work on the roads by paying to his road overseer, at any time before the day appointed to work on his road, the sum of one dollar for each day that he is summoned and one dollar and fifty cents for each day that he is summoned to furnish his team for road work shall be exempt from working or furnishing his team for each day paid and also exempt from any penalties for failure to work or furnish such team for the time for which he has so paid.

Section 9. Each person summoned to work on a road shall take with him an ax, pick, spade, plow, scraper or such tool as may be desired and directed by the overseer, or if he has no such tool as is desired and directed by the overseer to take with him, he shall take such suitable tool as he may have; provided, the county shall be liable for and the commissioners court under such regulations as they may prescribe shall pay for all breakage or damage to such tools as may have resulted from public road work, and not caused by the negligence of the person furnishing the same. Such road overseer may also summon and require such road hand to bring with him for public road work such team or teams as he may have on hand suitable for road work; provided, that such hand shall be allowed two and one-half day's time for each day put in by a hand with his team and one and one-half days for his team without such hand.

Section 10. Each county commissioner when acting as road commissioner, and performing the duties imposed on him by law or by the commissioners court, shall be entitled to two dollars per day for the services actually performed, provided he shall not receive more than forty-five dollars per quarter, when the road and bridge tax has not been levied according to the law, under the amendment of 1889, as adopted in 1890, to the Constitution of the State of Texas, and when said tax shall have been levied he may receive an amount not to exceed ninety dollars per quarter, which amount shall be paid out of the road and bridge fund, when the account shall have been approved by the commissioners court, and the court shall not approve said account unless the commissioner presenting it shall sign an oath that the account is just due and unpaid.

specifying the number of days, giving date of each day's work actually performed by him, and that it was necessary to be done, and no commissioner shall be entitled to pay as road commissioner, either for himself or his deputy, while he is performing the duties of county commissioner, nor shall he receive any additional pay than that provided by this section for inspecting or riding over his roads or for any other road service.

Section 11. This act shall be cumulative of all General Laws on this subject and be taken notice of by all courts in the same manner as the General Laws of the State on the subject of roads and bridges, when not in conflict therewith, but in case of conflict this act shall control as to Red River county; and all laws conflicting herewith are hereby repealed.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate by two-thirds vote, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 5th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

CHEROKEE COUNTY—ROAD SYSTEM.

H. B. No. 516.]

CHAPTER LXX.

An Act to create a more efficient road system for Cherokee county, Texas, and making the county commissioners of said county ex-officio road commissioners; prescribing their duties, providing compensation for their services and requiring that they give bond, providing that the commissioners or overseers shall summon hands to bring teams, tools, etc., to perform work on the roads; providing compensation for overseers, teams, tools, etc.; providing for the working of county convicts on the public roads; fixing the compensation for such service; providing guards, board, lodging and medical aid for the same; giving rewards for the capture of escaped convicts; and giving commutation of sentence for faithful or meritorious service; requiring delinquent poll tax-payers to work out their poll tax on the public roads, and providing for a special road tax and requiring that no part of the road and bridge fund or of the special road tax created by this act shall ever be diverted to any other purpose, and declaring an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the members of the commissioners court of Cherokee county shall be ex-officio road commissioners of their respective precincts, and under the direction of the commissioners court, shall have supervision over all roads in their respective precincts, and shall have charge of all teams, tools and machinery belonging to the county and which are used in working the public roads of the county. It shall be their duty, under such rules and regulations as the commissioners court may prescribe, to superintend the working of the roads, the laying out of new roads, the making or changing of roads, and the building of bridges.

Each of said commissioners shall, before entering upon the duties of

his office, in addition to his bond now required by law as county commissioner, be required to execute a bond in the sum of five hundred dollars, with two or more good and sufficient sureties, payable to the county judge and his successors in office for the benefit of the road and bridge fund of the county, conditioned that he will faithfully perform, as such road commissioner, all the duties required of him by law or by the commissioners court, and that he will account for all moneys or property belonging to the county that may come into his possession.

SEC. 2. The commissioners court of Cherokee county shall have full power and authority, and it shall be its duty, to adopt such system for working, laying out, draining and repairing the public roads of said county as it may deem best, and from time to time said court may change its plans or system of working the public roads.

Said court shall have the power to construct, grade or otherwise improve any road or build or repair any bridge by contract. In case said court shall decide to have any work on public roads done by contract, or any bridge built or repaired by contract, the county judge shall advertise for bids in such manner as the court may direct, or as prescribed by the General Laws, stating the kind or character of work to be done, requiring that all bidders shall furnish plans and specifications in accordance with the conditions set forth in the advertisement of the county judge, and the court shall award the contract to the lowest responsible bidder, who shall enter into bond, payable to the county judge of said county for the benefit of the road and bridge fund, with two or more good and sufficient sureties, to be approved by said court, and in such sum as the court may determine for the faithful compliance with said contract; but said court shall have the right to reject any and all bids.

When any contract has been made for working the public roads or for building or repairing any bridge or bridges, the county treasurer shall pay the contractor, upon the completion of his contract, such sum of money as was specified in the contract; such account shall be approved by a majority of the commissioners court before payment by the county treasurer. Such account shall be paid out of the road and bridge fund of the county or out of such other funds as may come into the treasury, for the benefit of the road and bridge fund, or as may be provided for road purposes in some subsequent section of this act; and the county treasurer shall keep a correct account of all sums of money paid out by him for road and bridge work.

SEC. 3. The commissioners court of Cherokee county may require all the county convicts of said county to labor on the public roads, under such conditions and restrictions as it may deem proper. And in case the county convicts are worked on the public roads they shall be allowed such compensation as is now allowed under the General Laws of this State, Article 3742, Revised Civil Statutes of 1895, not to exceed fifty cents per day, to be applied first, to the payment of officers' costs, and second to the payment of fine.

Whenever the commissioners court shall decide to work the county convicts on the public roads they shall provide suitable and comfortable quarters and necessary medical aid, board, lodging, etc., for said convicts in each commissioners precinct where the said convicts are worked.

The said court shall furnish a guard or guards to look after the convicts, and to prevent their escape, and said guard or guards shall, in the

absence of the commissioner, act as road overseer, and shall have the convicts to perform such work on the roads as the commissioner of the precinct in which they are being worked may direct. Said court shall prescribe such rules and regulations as it may deem best for the safe keeping of the convicts, and may offer rewards for the capture and return of any convicts, such reward shall not exceed five dollars for the capture and return of any convict, and shall not be paid to any person who had charge of the convict at the time of his escape. Such reward shall be paid out of the road and bridge fund of the county by the county treasurer upon the approval of the commissioners court, and when any such reward has been paid the same shall be charged against the convict for whose recapture it was paid out, and said convict shall be required to work out the same upon the public roads of the county at fifty cents per day. The said court may grant a reasonable commutation of the time for which any convict was committed, as a reward for faithful or meritorious service, such commutation shall not be more than one-fifth of the whole time for which such convict was committed.

The provisions of this section shall not interfere with working the convicts on a county farm or hiring them out to the best responsible bidder.

SEC. 4. Each commissioner shall have control over all road overseers in his respective precinct, and he shall furnish to the overseer such tools, teams, and other machinery for working the public roads as may be furnished him by the commissioners court.

Said commissioner shall take a receipt from each road overseer for all tools, teams, implements or machinery placed in the hands of any road overseer for the purpose of having the roads worked.

Said overseers shall be responsible to the commissioner for all tools, teams, implements, or machinery placed in his hands by the commissioner, and, when said tools, teams, implements or machinery are turned back into the hands of the commissioner, he shall receipt the road overseer for the same, and said receipt of the commissioner shall relieve the road overseer of any further liability for said teams, tools, implements or machinery, and the commissioner shall be held responsible to the commissioners court for all property of the county which has been placed in his hands for the purpose of having the public roads worked.

SEC. 5. The commissioners court shall require each delinquent poll taxpayer of Cherokee county to work on the public roads of his respective precinct two days for each year that he shall fail or refuse to pay said poll tax, and this work shall be in addition to the five days work now required by law to be performed by all persons subject to road duty under the laws of the State.

Said delinquent poll taxpayers shall be summoned by the road overseer or some person deputized by him, and shall perform such work as may be required by the road overseer.

It shall be the duty of the tax collector of Cherokee county to furnish to the commissioners court between the first day of February and the first day of March of each year; a complete list of the delinquent poll taxpayers for the previous year, and the commissioners shall furnish to the road overseer of their respective precincts the names of those delinquent poll taxpayers who reside in said precinct, and from said list, those who are delinquent in the payment of their poll taxes shall be summoned

to work on the nearest public road to their residence, and those who live in any incorporated town or city shall be required to work on such roads as the commissioners may direct.

Provided, that should a constitutional provision be adopted depriving any citizen of the right to vote for the non-payment of poll taxes, the person or persons so deprived shall not be required to perform road duty for the non-payment of poll taxes.

SEC. 6. The commissioner of any precinct may require each road overseer of his respective precinct to call out the hands subject to road duty, in such numbers as may be necessary to perform the work, such hands may all be required to work on the same day, or on different days, as the judgment of the commissioner or road overseer may direct, but no hand shall be required to work more than five days in any one year, except those required to work two days for non-payment of poll taxes.

Every person subject to road duty may be relieved of said duty by the payment of three dollars to the road overseer on or before the first day he is summoned to appear for road duty.

When any person subject to road duty shall pay three dollars to the road overseer, the road overseer shall give him a receipt for the same, and the possession of said receipt shall relieve the holder thereof from further road duty during the year.

All moneys received by any overseer shall be turned into the commissioner of said precinct and a receipt for the same shall be given by the commissioner to the road overseer, and the same shall go into the road and bridge fund of the county to be paid out for contract work upon the order of the court.

SEC. 7. The overseer may summon the hands subject to road duty, or he may authorize some person subject to road duty to summon the hands, and in case some other person than the overseer shall summon hands he shall be allowed such time as may be necessary for such service, not to exceed one day. The hands so summoned shall bring such tool or tools as may be required by the overseer, and if they have no such tools they shall bring such other tool as they may be able to obtain.

The overseers shall make such arrangements with the hands as they may deem proper, for the use of plows, teams, wagons, etc., and when any person shall furnish any plow, wagon, teams, etc., he shall be allowed the following time, to be deducted from his road duty: for one horse and plow, one day's work, for two horses and plow or scraper two day's work, for wagon and team, two and one-half day's work; provided, that overseers shall not expend any money for the hire of labor, teams and tools except such moneys as they may receive for the benefit of the road and bridge fund, and overseers shall not create any debt against the county unless authorized to do so by the commissioners court.

Every person legally summoned to perform road duty who shall fail or refuse to perform such duty, shall be subject to the same penalties as are now provided by existing laws; provided that any person subject to road duty may furnish any able bodied substitute to perform such work, or he may satisfy such duty by the payment to the overseer of one dollar for each day that he shall fail or refuse to perform the work required of him by the overseer.

SEC. 8. The county commissioners who are declared by this act to be ex-officio road commissioners shall supervise and manage the working of

the public roads of their respective precincts in accordance with the provisions of this act. They shall have control over the road overseers, in the management of the public roads, and shall let out all contracts for work on the roads or for building or repairing any bridges, and they may authorize the said overseers to work more than five days in each year; provided, that said overseers shall receive one dollar per day for each day that they may, work over five days, as required by law, but in no case shall any overseer be required to work more than five additional days, and she shall not receive more than five dollars for such service.

The commissioners shall, in addition to the compensation now allowed by law, receive two dollars per day for not exceeding fifty days work each year on the public roads; provided, that said commissioners shall actually perform duty on the public roads, as supervisor for as many days as their accounts are drawn for, and said accounts shall be sworn to and approved by the commissioners court, and paid by the county treasurer.

SEC. 9. The road and bridge fund of fifteen cents on the one hundred dollars valuation of all property subject to taxation in Cherokee county which is now levied for road and bridge purposes shall be used exclusively for road and bridge purposes, and no part of this fund shall be diverted to any other fund; provided, that in cases of imperative public necessity the commissioners court may, by unanimous vote, transfer some of this fund to the jury fund.

In addition to the road and bridge fund thus provided, the commissioners court shall, under the authority granted by the Constitution Section 9, Article 8, and in accordance with Chapter 7, Article 4786, of the Revised Civil Statutes of 1895, upon the petition of two hundred qualified voters who are resident taxpayers on realty of the county asking for such an election, order an election to determine whether or not a special road tax, not to exceed fifteen cents on the one hundred dollars valuation shall be ordered, and all those voting in such an election who favor the tax, shall have written or printed on their ballot "for the road tax"; and all those who are opposed to such tax shall have written or printed on their ballot "against the road tax." And when the returns of the election are counted by the commissioners court if it is found that a majority of those voting at such election voted in favor of the tax the said court shall declare that the tax for road purposes has been adopted, and they shall order the levy and collection of such tax, in accordance with the provisions of existing laws, and if the proposition for a road tax is defeated, no such tax shall be levied by the court, and after the defeat of such a proposition to election shall for a special road tax shall be held within two years of the date of the previous election.

When a special road tax has been levied, all the money derived from such tax shall go into the road and bridge fund of the county and shall be used only for road and bridge purposes, and shall be paid out by the treasurer upon the approval of the commissioners court, in accordance with previous sections of this act, and no part of such funds shall ever be diverted to any other purpose.

SEC. 10. At the first regular term of the commissioners court of each year, the commissioner of each precinct shall make his full report to the court for road service rendered during the previous year.

The said report shall contain a full statement and an itemized account of all moneys received and paid out by him for road and bridge purposes

during the previous year, together with the number of days said commissioner has supervised the working of the roads in his respective precinct, and the amount he has received or is to receive for the same.

The commissioners court may approve said accounts or reject them, or it may approve a part of the account or reject a part of it.

These accounts may be approved at any regular term of the court, but when they are so approved, they shall be made a matter of record and shall all be included in the final term report. At the first regular term of the commissioners court in each year, all road overseers of the county shall hand in a full and complete report to the commissioner of their respective precincts, giving the condition of the road of which they are overseers, and an itemized account of all the moneys received and paid out by them.

Suitable blanks shall be furnished by the commissioners court to each commissioner and to each road overseer for the purpose of making all necessary reports.

Before the close of the first regular term of the commissioners court each year, the said court shall appoint and commission all road overseers of the county, who shall immediately enter upon the discharge of their duty, and whose term shall not expire until the first regular term of the commissioners court of the next year. In case of death or resignation of any overseer, the said court shall have the authority to fill the vacancy at any regular or special session.

SEC. 11. The commissioners court of Cherokee county shall have the right to condemn lands for public roads without the consent of the owner, under the same rules and regulations as are now provided in the General Laws, and this act shall be cumulative of all laws now on the statute books, except wherein it conflicts with the same, and in that event this law shall apply as to Cherokee county.

This act shall be taken notice of by all courts of the State, in the same manner as though it were a general law.

SEC. 12. The fact that there is now no recognized road system in Cherokee county, and the fact that good roads are necessary in the development and upbuilding of said county, and the crowded condition of the calendar of each house of the Legislature, and the near approach of the close of the present session of the Legislature, creates an imperative public necessity and an emergency requiring the suspension of the constitutional rule which requires bills to be read on three several days, and the rule is hereby suspended; and this act shall take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and was reported to the Senate where it was amended and passed, no vote given; House concurred in Senate amendments, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 8th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. VAN ZANDT COUNTY—ROAD SYSTEM.

H. B. No. 429.]

CHAPTER LXXI.

An Act creating a more efficient road system for Van Zandt county, Texas, and making the county commissioners of said county ex-officio road commissioners and prescribing their duties as such, and providing for their compensation as road commissioners, and providing for the appointment of road overseers, and defining their duties, and for the working of county convicts upon the roads of said county and upon the county farm; and to provide for the summoning of teams for road work, and for an allowance of time for road service for same and fixing a penalty for the violation of this act; and to repeal all laws in conflict with this act as to Van Zandt county; and declaring an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the members of the commissioners court of Van Zandt county shall be ex-officio road commissioners of their respective districts, and, under the direction of the commissioners court shall have charge of all teams, tools and machinery belonging to the county and placed in their hands by said county and it shall be their duty, under such rules and regulations as the commissioners court may prescribe, to superintend the laying out of new roads, the making or changing of roads and the building of bridges.

Each of said commissioners shall before entering upon the duties of his office, in addition to his regular bond as such county commissioner, execute a bond for one thousand dollars, with two or more good and sufficient sureties, payable to the county judge of said county for the use and benefit of the road and bridge fund, conditioned that he will perform all of the duties required of him by law or by the commissioners court, and that he will account for all monies or property belonging to the county that may come into his possession.

SEC. 2. The commissioners court of said county shall have full power and authority and it shall be its duty to adopt such system for working, laying out, draining and repairing the public roads of said county as it may deem best, and from time to time said court may change its plan or system of working.

Said commissioners court shall have full power to purchase or hire such teams, tools and machinery as may be necessary for the working of its roads.

Said court shall have the power to construct, grade or otherwise improve any road or bridge by contract.

In such case said court or county judge of said county may advertise in such manner as such court may determine for bids to do such work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond, payable to the county judge of said county for the use of the road and bridge fund, with good and sufficient sureties, to be approved by said court, and in such sum as said court may determine, for the faithful compliance with the terms of said contract, but said court shall have the right to reject any and all bids.

At the time of making such contract the court shall direct the county treasurer to pass the amount to a particular fund for that purpose and the treasurer shall keep a separate account of such fund, and the same shall not be used for any other purpose, and can only be paid out on order of said court, and the said court shall have authority to employ any

hands or teams to work on the road under such regulations and for such prices as they may deem best.

SEC. 3. The commissioners court of said county may require all county convicts to labor on the public roads under such regulations as they may prescribe, and each convict so worked shall receive a credit of fifty cents on his fine first and then on the cost for each day he may labor.

The commissioners court may provide such reasonable regulations and punishment as may be necessary to require such convicts to perform good work; and may provide a reward, not to exceed ten dollars to be paid out of the road and bridge fund, for the recapture and delivery of any escaped convict to be paid to any person other than the guard or person in charge of such convict at the time of his escape.

The commissioners court may grant a reasonable commutation of time for which a convict is committed, as a reward for faithful service and good behavior, in no case to exceed one-fourth of the time.

Said court may provide the necessary houses, prisons, clothing, bedding, food, medicine and medical attention and guards, for the safe and humane keeping of convicts; providing, that this shall not interfere with the working of convicts upon the county farm.

SEC. 4. Each county commissioner shall have control of all road overseers in his district, and shall deliver to each of them so far as he has been supplied by the commissioners court all, teams, tools and machinery necessary in working the roads in the district of said overseer, taking receipt of said overseer therefor, specifying each item and giving its value, which receipt shall be a full answer of the liability of the commissioner, and shall fix the liability of the overseer, and any commissioner or overseer who shall have been intrusted with any teams, tools or machinery belonging to said county shall be liable for any damage that may occur to the same while in his possession, caused by negligence or want of due care of same, and shall not use or permit the same to be used for private purposes.

It shall be the duty of the road overseer when he has finished work on his road to return to said commissioner all teams, tools and machinery received from him and take up the receipt given therefor.

SEC. 5. It shall be the duty of the commissioners when acting as road commissioners, to inform themselves of the condition of the public roads in their districts, and they shall determine what character of work shall be done upon said road, and shall direct the manner of grading, draining or otherwise improving the same, which direction shall be observed and obeyed by all overseers in their districts.

SEC. 6. The commissioners court may require each road overseer in his district to call out the hands in such numbers as may be sufficient to perform the work, but no road hand shall be required to work exceeding five days in any one year or two days with himself and team, unless the term of service as prescribed by the General Laws, shall be extended beyond that time; provided that all road hands in any particular district shall as far as practicable be worked a uniform time.

Each road overseer, or in case of his absence any person deputed by him, shall have full control of all road hands within his road district, and shall see that each hand when called out shall perform a good day's work of not less than eight hours, and if any hand when so called out shall fail, or refuse, to do a good day's work of not less than eight hours, or to work

in the manner the overseer may direct, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons. The commissioners court may allow any overseer who shall be engaged in the discharge of the duties of his office for more than five days during any one year, a compensation not to exceed one dollar and fifty cents per day for the time so served.

SEC. 7. Every person liable to work on the public roads in Van Zandt county, who shall pay to his road overseer at any time before the day appointed to work on his road the sum of one dollar for each day that he is summoned to work, shall be exempt from work for each day paid for.

SEC. 8. Each person summoned to work on the road shall take with him an ax, hoe, pick, shovel, spade, plow, scraper, or such other tool as may be desired and directed by the overseer, or if he has no such tools as may be desired or directed by the overseer to take with him, he shall take such other suitable tool as he may have; provided, the county shall be liable for and the commissioners court under such regulations as they may prescribe, shall pay for all such breakage or damaged tools, as may have resulted from public road work, and not caused by the negligence of the person furnishing the same. Such overseer may also summon and require such road hand to bring with him for road work such team or teams as he may have on hand suitable for road work; provided, such hands shall be allowed two and one-half days' time put in by hand and his team, and one and one-half days' time for such team without such hand.

SEC. 9. If any person liable to work on the public road after being legally summoned, shall intentionally fail or refuse to attend, either in person or by an able and competent substitute, or fail or refuse to furnish his team or tools at the and place designated by the person summoning him, or to pay to the overseer such sum of one dollar per day for each day summoned to work, he shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined in any sum not to exceed ten dollars.

SEC. 10. At the first regular term of the commissioners court of each year all road overseers shall make their report under oath upon the forms to be furnished by said court, which said report shall be examined by said court, and all accounts for services or labor performed for overwork by such overseer during the past year, and of moneys had and expended and expended by him shall be audited and settled; and as soon thereafter as practicable, said commissioners court shall appoint and commission road overseers for the succeeding year. Any overseer intentionally failing to perform his duties as such overseer, or failing or refusing to serve and perform the duties of overseer when appointed by said court, or to perform any other duty required of him by law or by the commissioners court, or by the commissioner of his district, shall be deemed guilty of a misdemeanor, and on conviction shall be fined in any sum not exceeding twenty-five dollars.

SEC. 11. Whenever it shall be necessary to occupy any land for the opening, widening, straightening, changing or draining of any road, or any part thereof, if the owner of said land cannot agree with the court as to the damages to be paid, the court may proceed to condemn the same in the same manner that a railroad company can condemn land for a right of way, and the same proceedings may be had and the same rights shall exist to each party that would exist, as if the proceedings were by a

railroad company, except that the county, shall in no case be required to give bond.

SEC. 12. Each county commissioner when acting as road commissioner shall be entitled to two dollars per day of eight hours actual service performed, provided, that he shall not receive more than fifty dollars per quarter, said per diem to be paid out of the road and bridge fund when the account shall have been approved by the commissioners court, and the court shall not approve said account unless the commissioner presenting it shall make oath that the account is just, due and unpaid, and said account shall specify the number of days work actually performed by him, and the number of hours each day, and that the same was necessary to be done under the circumstances, and no commissioner shall be entitled to pay as road commissioner while performing the duties of county commissioner, nor shall he receive any additional pay than that provided by this section for inspecting or riding over his road.

SEC. 13. In all cases where the cost of labor and material exceed one hundred dollars it shall be the duty of said court to construct, grade or otherwise improve any road or bridge by contract, the same to be advertised for as provided by said commissioners court.

SEC. 14. This act shall be taken notice of by all courts in the same manner as the General Laws of the State, and it shall be construed to be cumulative of all General Laws of the State on the subject of roads and bridges, when not in conflict therewith, but in case of conflict this act shall control as to Van Zandt county.

SEC. 15. The fact that there is now no sufficient general road law in force in this State, creates an emergency and imperative public necessity that the constitutional rule requiring bills to be read on three several days shall be suspended and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and passed the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 8th day of April, A. KARNES COUNTY—ROAD SYSTEM.

H. B. No. 537.]

CHAPTER LXXII.

An Act to create a more efficient road system for Karnes county, Texas, and making the county commissioners of said county ex-officio road commissioners; and prescribing their duties as such, and providing for their compensation as such road commissioners; and providing for the working of county convicts upon the public roads of said county, providing for commutation of time for good behavior, and good service, and providing for a reward to be offered for the recapture of an escaped convict, and taxing said reward and all actual of capture and delivery of said convict, against said convict; and providing for a penalty for the escape of a county convict, and providing the amount of compensation in road time to be allowed by overseers to road hands; for teams, plows, scrapers and wagons; and providing for the condemnation of land for public road purposes; and providing the character of work that road commissioners may require of overseers and hands; and providing further, making this law cumulative of the General Laws, and in case of conflict this act to govern as to Karnes, county Texas.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That each member of the commissioners court of Karnes county shall be ex-officio road commissioners of their county, and under the direction of the commissioners court shall have charge of all teams, tools and machinery belonging to said county, and placed in their hands by said court, and it shall be their duty under such rules and regulations as the commissioners court may prescribe, to superintend the laying out of new roads and the building of bridges. Each of said commissioners shall before entering upon the duties of his office, execute a bond of one thousand dollars, with two or more good and sufficient sureties, payable to the county judge of said county, for the use and benefit of the road and bridge fund, conditioned that they will perform all the duties required of them by law or by the commissioners court, and that they will account for all money or property belonging to the county that may come into their possession.

SEC. 2. The commissioners court of said county shall have full power and authority, and it shall be their duty to adopt such system for working, laying out, draining, grading, and repairing the public roads in said county as they may deem best, and from time to time said court may change its plan or system of working. Said commissioners court shall have power to purchase such teams, tools and machinery as may be deemed necessary for the working of its roads. Said court shall have power to construct, grade or otherwise improve any road or bridge by contract. In such case such court or county judge of said county may advertise in such manner as said court may determine for bids to do such work and the contract shall be awarded to the lowest responsible bidder, who shall enter into a bond payable to the county judge for the use of the road and bridge fund with good and sufficient sureties to be approved by said court and in such sum as said court may determine, for the faithful compliance with the terms of said contract, but said court shall have the right to reject any and all bids. And the said court shall have the authority to employ any hands or teams to work on the roads under such regulations and for such prices as they deem best.

SEC. 3. The commissioners court of said county shall require all county convicts, not otherwise employed, to labor upon the public roads,

under such regulations as it may prescribe, and each convict so worked shall receive a credit of fifty cents on his fine and costs for each day he may labor. The officers and witnesses shall be paid their costs as is now provided by General Laws; said costs shall be paid to the officers and witnesses out of the road and bridge fund on the warrant of the county judge, when said fine and costs shall have been worked out in full. The commissioners court may grant a reasonable commutation of time in which the convict is committed as a reward for faithful services and good behavior; provided, that such commutation in no case exceeds one-tenth of the whole time. The commissioners court may offer a reward not to exceed ten dollars for the recapture of an escaped county convict, which shall be paid out of the general fund to the person recapturing said escaped convict, except the person from whom said convict escaped. Said reward when offered and paid shall be taxed against said convict with all other actual costs for recapturing and returning said convict, and said convict shall be required to pay said reward and other costs in recapturing and returning said convict. The commissioners court may provide the necessary houses, prisons, clothing, bedding, food, medicine and medical attention, and guards, for the safe and humane keeping of convicts.

SEC. 4. Each county commissioner shall have control of all road overseers in his precinct, and shall deliver to each of them all teams, tools and machinery necessary in working the roads in the precinct of said overseer, so far as he has been supplied therewith by the commissioners court, taking the receipt of said overseer therefor, specifying each item and giving its value, which receipt shall be a full answer to the liability of the commissioner and shall fix the liability of the overseer; and any commissioner who shall have been entrusted with any teams, tools or machinery belonging to said county shall be liable for any damages that may occur to the same in his possession. It shall be the duty of the road overseer, when he has finished his work on his road to return to said commissioner all teams, tools and machinery received from him and to take up the receipt given therefor. The road commissioner of each commissioner's precinct shall have control of all persons liable to work upon the public roads, and said road commissioners shall have full power and authority to call out all or any part of said persons at any time for special work, upon one day's notice, and the overseer shall have the same power. Said road commissioner shall have full power and authority to require road overseers and road hands to perform any and all reasonable work on said public roads, and to require the removal of all obstructions that may be in the public roads, such as grubs, stumps or trees, or of whatsoever kind and nature.

SEC. 5. It shall be the duty of the county commissioner, when acting as road commissioner, to inform himself of the condition of the public roads in his district and shall determine what character of work shall be done upon said roads, and shall direct the manner of grading, draining or otherwise improving the same, which directions shall be observed and obeyed by all road overseers in his district.

SEC. 6. The commissioner may require each road overseer in his precinct to call out the hands in such numbers as may be sufficient to perform the work; but no road hand shall be required to work exceeding five days in any one year unless the term of service, as provided by the

General Laws, shall be extended beyond that time; and provided, that all road hands in any particular district shall, as far as practicable, be worked a uniform time. Each road overseer shall have control of all road hands within his precinct, and shall see that each hand, when so called out shall perform a good day's work, and if any hand when so called out shall fail or refuse to perform a good day's work, or to work in the manner the overseer may direct, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons. The commissioners court may allow to any overseer, who shall be engaged in the discharge of the duties of his office for more than five days during any one year, a compensation not to exceed one dollar per day for the time so served; provided, that such services shall be done under the written order of the road commissioner. When it shall become necessary for any road commissioner to exchange the labor of any hand or hands for plows, scrapers, wagons, or teams, as provided by General Law, said overseer shall allow fifty cents per day for a wagon, scraper or plow, and one dollar per day for a team.

SEC. 7. Any citizen of Karnes county liable for road duty who shall on or before the first day of February of any year pay to the county treasurer the sum of three dollars (\$3) shall be exempt from road duty for such year, beginning on the fifteenth day of February. The treasurer shall receive and receipt for all money so paid him, and place the same to the credit of the road and bridge fund, keeping a separate account for each commissioner's precinct. The treasurer shall, on or before, the regular meeting of the commissioners court in February of each year, furnish to each county commissioner a list of all persons, in their respective precincts, who have paid said sum as provided in this section.

SEC. 8. Whenever it shall be necessary to occupy any land for the purpose of opening, widening, straightening or draining any road or part thereof, if the owner of such land and the commissioners court cannot agree upon the damages to be paid, the county may proceed to condemn the same under the provisions now provided under the General Laws of the State, or in the same manner that a railroad company can condemn land for right of way, and the same proceedings may be had and the same rights shall exist to each party if the proceedings were by a railroad company except that the county shall in no case be required to give bond.

SEC. 9. Each county commissioner, when acting as road commissioner and performing the duties imposed upon him by law or by the commissioners court, shall be entitled to two dollars per day for the services actually performed; provided, said sum to be paid him shall not exceed \$25 per quarter, which amount shall be paid out of the road and bridge fund, when the account shall have been approved by the commissioners court, and the commissioners court shall not approve said account unless the commissioner presenting it shall sign an oath that the account is just, due and unpaid specifying the number of days labor actually performed by him, each day to consist of not less than eight hours, and that said service was necessary to be done; and no commissioner shall be entitled to pay as road commissioner while he is performing the duties of county commissioner, no shall he receive any additional pay than that provided by this section for inspecting or riding over his roads, or for other road services.

SEC. 10. If any county convict shall escape from any person or per-

sons having said convict in charge, for said county, said county convict so escaping shall be guilty of an offense and upon conviction shall be fined not less than ten, nor more than twenty-five dollars.

SEC. 11. This act shall be taken notice of by all courts in the same manner as the General Law of the State, and it shall be construed to be cumulative of all General Laws of the State on the subject of roads and bridges when not in conflict therewith; but in case of conflict this act shall control as to Karnes county, Texas.

SEC. 12. The near approach of the close of the present session and the crowded condition of the calendar, creates an emergency and an imperative public necessity requiring the suspension of the constitutional rule which requires bills to be read on three several days and said rule is hereby suspended.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and was reported to the Senate where the same was amended and passed, no vote given; House concurred in Senate amendments, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 8th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. MADISON COUNTY—ROAD SYSTEM.

H. B. No. 526.]

CHAPTER LXXIII.

An Act to create a more efficient road law for Madison county, Texas.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That each member of the commissioners court of Madison county shall be ex-officio road commissioners of their respective districts, and under the direction of the commissioners court, shall have charge of all the teams, tools and machinery belonging to the county, and placed in their hands by said county, and it shall be their duty, under such rules and regulations as the commissioners court may prescribe, to superintend the laying out of new roads, the making or changing of roads, and the building of bridges. Each of said commissioners shall, before entering upon the duties of his office, in addition to his regular bond as such county commissioner, execute a bond of one thousand dollars, with two or more good and sufficient sureties, payable to the county judge of Madison county, for the use and benefit of the road and bridge fund, conditioned that he will perform all the duties required of him by law, or by the commissioners court, and that he will account for all money or property belonging to the county that may come into his possession; provided, that with the consent of the commissioners court any one of said commissioners shall be allowed to appoint any competent person as deputy

road commissioner, who shall be required to execute the same bond that is required of commissioners in this section; and such deputy road commissioner shall be entitled to the same compensation that is allowed county commissioners for the same service; provided, that county commissioners shall not be allowed any compensation as road commissioners when a deputy road commissioner has been appointed.

SEC. 2. The commissioners court of said county shall have full power and authority, and it shall be its duty, to adopt such system for working, laying out, draining and repairing the public roads in said county as it may deem best, and from time said court may change its plan or system of working. Said commissioners court shall have power to purchase such teams, tools and machinery as may be necessary for the working of its roads. Said court shall have power to construct, grade or otherwise improve any road or bridge by contract. In such cases said court, or the county judge may advertise in such manner as said court may determine for bids to do such work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond, payable to the county judge of said county for the use of the road and bridge fund, with good and sufficient sureties, to be approved by said court, and in such sum as said court may determine, for the faithful compliance with the terms of said contract; but said court shall have the right to reject any and all bids. At the time of making such contract, the court shall direct the county treasurer to pass the amount to a particular fund for that purpose, and the treasurer shall keep a separate account of such fund, and the same shall not be used for any other purpose, and can only be paid out on the order of said court; and the said court shall have authority to employ any hands or teams to work on the roads, under such regulations and for such price as they may deem best.

SEC. 3. The commissioners court of said county shall require all county convicts, not otherwise employed, to labor upon the public roads, under such regulations as they may prescribe, and each convict so worked shall receive a credit of fifty cents on his fine first, and then on the costs, for each day he may labor. Such commissioners court may prescribe such reasonable regulations and punishment as may be necessary to require such county convict to perform good work, and may provide a reward not exceeding ten dollars, to be paid out of the road and bridge fund, for the recapture and delivery of an escaped convict, to be paid to any person, other than the guard or person in charge of such convict at the time of his escape, which reward shall be taxed against such convict and worked out or paid by him as a part of the cost. The commissioners court may grant a reasonable commutation of time for which a convict is committed, as a reward for faithful services and good behavior, in no case to exceed one-fifth of the whole time. Said court may provide the necessary houses, prisons, clothing, bedding, food, medicine and medical attention, and guards for the safe and humane keeping of convicts. The commissioners court may, at a regular term, allow to the officers and witnesses such amount of their costs for the arrest and conviction of such convict as it may deem best; provided that it shall not allow to any officer an amount greater than the following: County attorney, five dollars including commissions; county clerk, and justices of the peace, including commissions, one dollar and seventy cents; sheriffs or constables, five dollars, which amount shall be paid to the officers out of the

road and bridge fund, upon the order of said court, when said fine and costs have been worked out as provided in this section; provided, that this shall not be construed as to relieve any convict from the payment of any costs for which he would be liable under the General Laws of this State.

SEC. 4. Each county commissioner shall have control of all road overseers in his district, and shall deliver to each of them all teams, tools and machinery necessary in working the roads in the district of said overseer, so far as he has been supplied therewith, taking his receipt therefor, specifying each item and giving its value, which receipt shall be a full answer of the liability of the commissioner, and shall fix the liability of the overseer, and any commissioner or overseer who shall have been entrusted with any teams, tools or machinery belonging to said county shall be liable for any damages that may occur to the same while in his possession, caused by his negligence, or want of due care of same, and shall not use or permit the same to be used for private purposes, without the consent of the commissioners court. It shall be the duty of the road overseer when he has finished work on his roads to return to said commissioner all teams, tools and machinery received from him and take up the receipt given therefor.

SEC. 5. It shall be the duty of the county commissioner, when acting as road commissioner, to inform himself of the condition of the public roads of his district, and shall determine what character of work shall be done upon said roads, and shall direct the manner of grading, draining or otherwise improving the same, which direction shall be observed and obeyed by all road overseers of his district.

SEC. 6. The commissioners may require each road overseer in his district to call out the hands in such numbers as may be sufficient to perform the work, but no road hand shall be required to work exceeding five days in any one year, or two days with himself and team, unless the term of service as prescribed by the General Laws shall be extended beyond that time; and provided, that all road hands in any particular district shall as far as practicable, be worked a uniform time. Each road overseer, or in case of his absence any person deputized by him, shall have full control of all road hands within his road district, and shall see that each hand when called out shall perform a good day's work, and if any hand when so called shall fail or refuse to perform a good day's work or to work in the manner the overseer may direct, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons. The commissioners court may allow to any overseer who shall be engaged in the discharge of the duties of his office for more than five days during any one year a compensation not to exceed one dollar and fifty cents per day for the time so served.

SEC. 7. Any citizen of Madison county liable for road duty who shall on or before the first day of February of each year pay to the county treasurer the sum of three dollars shall be exempt from road duty for such year, beginning on the first day of February. The treasurer shall receive and receipt for all money so paid him, and place the same to the credit of the road and bridge fund, and shall keep a separate account for each road district from which it is received. The treasurer shall on the third day of February, or as soon thereafter as practicable, furnish to each county commissioner a list of all persons in their respective districts that have paid such sums as provided in this section.

SEC. 8. Every person liable to do work on roads, by paying to his road overseer at any time before the day appointed to work on the road the sum of one dollar for each day that he is summoned to work, and one dollar and fifty cents for each day that he is summoned to furnish his team for road work, shall be exempt from working or furnishing his team for each day paid for, and also be exempt from any penalties for failure to work or furnish such team for the time for which he has so paid.

SEC. 9. Each person summoned to work on the road shall take with him an ax, hoe, spade, plow, scraper or such other tool as may be desired and directed by the road overseer, or if he has no such tools as are desired and directed by the road overseer to take with him, he shall take such other suitable tool as he may have; provided, the county shall be liable for, and the commissioners court, under such regulations as they may prescribe, shall pay for all such breakage and damage to such tools as may have resulted from public road work, and not caused by the negligence of the person furnishing the same. Such overseer may also summon and require such road hand to bring with him for public road work such team or teams as he may have on hand suitable for road work; provided, such hand shall be allowed two and one-half day's time for each day put in by a hand with his team, and one and one-half day's time for his team without such hand.

SEC. 10. If any person liable to work on the public roads after being legally summoned shall intentionally fail or refuse to attend, either in person or by able and competent substitute, or fail or refuse to furnish his team or tools at the time and place designated by the person summoning him, or to pay to such overseer the sum of one dollar for each day he may have been notified to work on the road, or to pay to such overseer the sum of one dollar and fifty cents for each day he may have been notified to furnish his team for road work, or having attended, shall fail to perform good service or any other duty required of him by law, or the person under whom he may work, shall be deemed guilty of a misdemeanor, and upon conviction thereof fined in any sum not to exceed ten dollars.

SEC. 11. At a regular term of the commissioners court for February of each year all road overseers shall make their reports under oath, upon forms furnished them by said court, which said report shall be examined by said court, and all accounts for services or labor performed for overwork by such overseer during the past year, and of moneys had and expended by him, shall be audited and settled; and as soon thereafter as practicable said commissioners court shall appoint and commission road overseers for the succeeding year. Any road overseer intentionally failing to perform his duties as such overseer, or failing or refusing to make his reports as required by law, or failing or refusing to serve or perform the duties of overseer, when appointed by said court, or to perform any other duty required of him by law or by the commissioners court, or by the commissioner of his district, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any sum not exceeding twenty-five dollars.

SEC. 12. Whenever it shall be necessary to occupy any land for opening, widening, straightening or draining any road, or part thereof, if the owner of such land and the county commissioners court cannot agree

upon the damage to be paid, the county may proceed to condemn the same in the same manner that a railroad company can condemn land for right of way, and the same proceedings may be had and the same rights shall exist to each party as would exist if the proceedings were by a railroad company, except that the county shall in no case be required to give bond.

SEC. 13. It shall be lawful for any delinquent poll taxpayer in Madison county, to perform three days' service upon the public roads in his road precinct in each and every year, in discharge of his said delinquent poll tax, unless the rate of poll tax now provided for by the General Laws of Texas shall be changed, in which case a proportionate time of service shall be held to discharge said delinquent for one year's poll taxes; and provided further, that this act shall not be held to annul any law upon the general statutes of Texas for the collection of delinquent taxes, but shall be held to be as cumulative thereto in Madison county; and provided further, that such delinquent taxpayers shall perform such road service, under the direction of the road overseer, under the same regulations herein provided for parties subject to road service under the General Laws of the State.

SEC. 14. Each county commissioner when acting as road commissioner and performing the duties imposed upon him by law, or by the commissioners court, shall be entitled to two dollars per day for the services actually performed; provided, said sum to be paid him shall not exceed forty dollars per quarter, which amount shall be paid out of the road and bridge fund; when the account shall have been approved by the commissioners court; and the court shall not approve said account unless the commissioner presenting it shall sign an oath that the account is just, due and unpaid, and specifying the number of days' work actually performed by him, and that it was necessary to be done; and no commissioner shall be entitled to pay as road commissioner either for himself or his deputy while he is performing the duties of county commissioner, nor shall he receive any additional pay than that provided by this section for inspecting or riding over his road or for other road service.

SEC. 15. This act shall be taken notice of by all courts in the same manner as the General Laws of the State, and it shall be construed to be cumulative of all General Laws of the State on the subject of roads and bridges when not in conflict therewith, but in case of conflict, this act shall control as to the county of Madison.

SEC. 16. The present condition of the roads of Madison county and the fact that there is no General Law on the subject of roads and bridges adequate to give the needed relief to the county, and the further fact of the crowded condition of the calendar and the near approach of the close of the present session of the Legislature, creates an emergency and an imperative public necessity necessitating the suspension of the constitutional rule requiring bills to be read on three several days and that rule is hereby suspended and that this bill be placed on its third reading and final passage, and take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 8th day of April, A. D., 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

BRAZORIA COUNTY—ROAD SYSTEM.

II. B. No. 522.]

CHAPTER LXXIV.

An Act to create a more efficient road system for Brazoria county, Texas, and making the county commissioners of said county ex-officio road commissioners, and prescribing their duties as such, and providing for their compensation as such road commissioners; and providing for the working of county convicts upon the public roads of said county, and providing a penalty for the escape of county convicts; and providing the amount of compensation in road time to be allowed by overseers to road hands for teams, and road work, and providing for the condemnation of land for public road purposes; and providing for the working of delinquent poll taxpayers on the public roads; and relieving road hands from the performance of road work by the payment of the sum of three dollars; and providing for election, for issuance of bonds for bridge purposes; and providing for the making of this law cumulative of the General Laws, and in case of a conflict this act to govern as to Brazoria county, Texas, and creating an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the members of the commissioners court of Brazoria county, Texas, shall be ex-officio road commissioners of their respective districts, and under direction of the commissioners court shall have charge of teams, tools and machinery belonging to the county, and placed in their hands by the said court; and it shall be their duty, under such rules and regulations as the commissioners court may prescribe, to superintend the laying out of new roads, the making or changing of roads, and the building of bridges.

Each of said commissioners shall, before entering upon the duties of his office, execute a bond of one thousand dollars, with two or more good and sufficient sureties, payable to the county judge of said county, for the use and benefit of the road and bridge fund of the county, conditioned that he will perform the duties required of him by law or by the commissioners court, and that he will properly account for all money or property belonging to the county that may come into his possession. This is in addition to any other bond required of commissioners by existing laws.

SEC. 2. The commissioners court of said county shall have full power and authority, and it shall be their duty, to adopt such system of working, laying out, draining and repairing the public roads in said county as they may deem best, and from time to time the said court may change its plan or system of working. Said commissioners court shall have power to purchase such teams, tools and machinery that may be necessary for the working of its roads. Said court shall have the power to construct, grade or otherwise improve any road or bridge by contract. In such case said court, or the county judge, may advertise, in such man-

ner as said court may determine, for bids to do such work, and the contract shall be let to the lowest responsible bidder, who shall enter into bond payable to the county judge of said county, for the use of the road and bridge fund, with good and sufficient sureties, to be approved by said court, and in such amount as said court may determine, for the faithful compliance with the terms of said contract, but said court shall have the right to reject any and all bids. And the said court shall have authority to employ any hands or teams to work on the road, under such regulations and for such price as it may deem best.

SEC. 3. The commissioners court of said county may require all county convicts not otherwise employed to labor upon the public roads under such regulations as it may prescribe, and each convict so worked shall receive a credit of fifty cents on his fine first and then on the costs, for each day he may labor, and for each Sunday while confined. The commissioners court shall, at a regular term, allow to the officers and witnesses one-half of their costs for the arrest and conviction of said convict; provided, he works out his entire fine and costs, which amount shall be paid to the officers out of the road and bridge fund on the warrant of the county judge. The commissioners court may provide the necessary houses, prisons, food, medicine, medical attention and guards for the safe and humane treatment of said county convicts.

SEC. 4. The commissioners court shall lay off each road commissioner's district into a convenient number of road precincts, numbering each and defining as accurately as possible the boundaries thereof.

SEC. 5. An overseer shall be appointed by said court for each road precinct at the time of establishing the same, and at the first regular term of the court of each year, or as soon thereafter as practicable either at a regular or special term, the said court shall appoint an overseer for each road precinct in the county, who shall under the direction of the road commissioner of his district have charge of all the public roads, and all the hands liable for work on the same that are situated or reside in his precinct. It shall be his duty to call out all hands liable for road work and to cause all the roads in his respective precinct to be worked at least twice in each year, and at such other times as may be necessary. He shall also work on the public roads of his precinct any county convict that may be assigned to him under the direction of the commissioners court or county judge; and shall have authority to call out any person liable for road duty to act as guard for said convict or convicts in his precinct.

SEC. 6. Each county commissioner shall have control of all road overseers in his district, and shall deliver to each of them all teams, tools and machinery that may be necessary in working the roads in the precinct of said overseer, so far as he has been supplied therewith by the commissioners court, taking the receipt of said overseer therefor, specifying each item and giving its value; which receipt shall be a full answer for the liability of the commissioner, and shall fix the liability of the road overseer. And any commissioner or road overseer shall be liable for any damage that may occur to the same, while in his possession caused by his negligence or want of due care of the same, and shall not use or permit the same to be used for private purposes without the consent of the commissioners court. It shall be the duty of the overseer when he has finished work on his road to return to said commissioner all teams,

tools and machinery received from him and take up the receipt given therefor.

SEC. 7. It shall be the duty of the county commissioner, in acting as road commissioner, to inform himself of the conditions of the public roads of his district, and shall determine what character of work shall be done upon said roads, and shall direct the manner of grading, draining or otherwise improving the same, which directions shall be observed and obeyed by all road overseers of his district.

SEC. 8. Each road overseer shall, during each year, call out the hands subject to road duty to work five days, and he shall see that each hand, when called out, shall perform a good day's work, and if any hand, when so called out, shall fail or refuse to perform a good day's work, or to work in the manner that the overseer shall direct, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons. And any road overseer, when he deems it expedient and at the time of notifying any hand to work upon the road, may also summon such hand as may be the owner of a team suitable for road work, to bring such team with him, to be used in working upon the road during such time as the hand may be notified to work upon the road. And after such notice given, if such hand shall fail or refuse to bring his team with him as notified to do, he shall be liable to the same penalty as if he had refused to appear in obedience to the summons; provided, that any hand for so doing shall be credited with and allowed two and one-half days upon the time for which he is liable for road duty for each day he may work in connection and while furnishing such team, and one and one-half days for his team without such hand.

SEC. 9. A "good day's work" under this act shall consist of eight hours labor for road hands or for county convicts, and ten hours labor for hired hands.

SEC. 10. The commissioners court may allow to any overseer engaged in the discharge of the duties of his office for more than five days during any one year a compensation not to exceed one dollar and fifty cents per day for the time so served, when such extra work is ordered by the commissioner of the precinct. The term of service of the road overseer shall be from the time of the service of the order of appointment until the first regular term of the commissioners court of the succeeding year.

SEC. 11. Any citizen of Brazoria county liable for road duty who shall on or before the first day of February of any year, pay to the county commissioner of his precinct the sum of three dollars, shall be exempt from road duty for such year, beginning on the first day of February.

The commissioner to whom the money shall be paid shall receive the same and receipt for it, and it shall be paid to the county treasurer and placed to the credit of the road and bridge fund, to be expended in the resident precinct of such payor, and the commissioner shall keep a separate account for each road precinct from which said money is received, and each commissioner shall, at the regular term in February, furnish to the court a list of all persons in their respective precincts who have paid said sum as provided in this section.

SEC. 12. Every person liable to work on the roads, by paying to his road overseer, at any time before the day appointed to work on his road, the sum of one dollar for each day he is summoned to work, and one dollar and fifty cents for each day that he is summoned to furnish his team

for road work, shall be exempt from working or furnishing his team for each day paid for, and also exempt from any penalty for failure to work or furnish such team for the time for which he has so paid.

SEC. 13. Each person summoned to work on a road shall take with him an ax, hoe, pick, gun, spade, plow, scraper or other tools, as may be desired and directed by the overseer; or if he has no such tool as may be desired and directed by the overseer to take with him, he shall take such suitable tools as he may have; provided, the county shall be liable for, and the commissioners court under such regulations as they may prescribe, shall pay for all such breakage or damage to all such tools as may have resulted from public road work, and not caused by the negligence of the person furnishing the same.

SEC. 14. If any person liable to work on the public roads after being legally summoned, shall intentionally fail or refuse to attend either in person or by able and competent substitute, or fail or refuse to furnish his team or tools at the time and place designated by the person summoning him or to pay such overseer the sum of one dollar for each day he may have been notified to work on the road or to pay such overseer the sum of one dollar and fifty cents for each day he may have been notified to furnish his team for road work, or having attended shall fail to perform good service or any other duty required of him by law or the person under whom he may work, shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding ten dollars.

SEC. 15. At the first regular term of the commissioners court of each year, all road overseers shall make their report under oath, upon forms to be furnished by the said court, which reports shall be examined by said court and all accounts of moneys had and expended by him shall be audited and settled, and as soon thereafter as practicable said commissioners court shall appoint and commission road overseers for the succeeding year, and in the event of the removal, death, or refusal, failure or inability to act on the part of any road overseer so appointed, or on account of any vacancy in such office the commissioners court or the commissioner of the precinct shall have authority to fill the vacancy, and report his action to the county clerk, who shall record the same in the minutes of the commissioners court either in term time or vacation.

Any overseer intentionally failing to perform his duty as such overseer or failing or refusing to make his report as required by law, or to perform any other duty required of him by law, or the commissioners court or by the commissioner of the district, shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars.

SEC. 16. The county collector of Brazoria county shall as soon after the first day of February of each year as practicable, furnish to each road overseer a list of all the delinquent poll taxpayers for the previous year in their respective road precincts, and the persons so appearing on said lists and who are such delinquent poll taxpayers shall be subject to road duty for the period of three days during the ensuing year, and they shall be summoned as in other cases to work the roads in the road districts or precincts in which such persons may reside, and the performance of the road service provided for in this section shall not exonerate the person from any other road duty to which the person performing the same may be subject, but this shall be taken as cumulative. The person

subject to road duty under this section shall be subject to prosecution as provided in Section 14 of this act or other law of this State and subject to the same liabilities and punishment provided for in other cases for failing to appear and do good work when summoned to do so, as provided for in this act or other laws of this State, and all such laws shall apply to persons required to work roads under the provisions of this section, and when they are convicted they shall satisfy the fine and costs as in other misdemeanor convictions. But any person summoned to work on the road under the provisions of this section may satisfy such summons and be relieved from such duty by paying the amount of poll tax required by law, to be apportioned as the law directs, and exhibiting to the overseer or person summoning him on or before the day on which he is summoned to work, the receipt of the county collector for such poll tax.

SEC. 17. If any county convict shall escape from any person or persons having said county convicts in charge for said county, said county convict so escaping shall be guilty of an offense, and upon conviction shall be fined not less than ten nor more than twenty-five dollars.

SEC. 18. Whenever it shall be necessary to occupy any land for the purpose opening, widening, straightening, grading, making embankments, filling or draining any road or part thereof, if the owner of such land and the county commissioners court cannot agree upon the damages to be paid, the county may proceed to condemn the same in the same manner that a railroad company can condemn land for a right of way, and the same proceedings may be had and the same rights shall exist to each party as would exist if the proceedings were by a railroad company, except that the county shall in no case be required to give bond.

SEC. 19. It shall be unlawful for the commissioners court of Brazoria county to issue the bonds of said county for any amount over \$20,000.00 for the purpose of building bridges, unless a proposition for the issuance of such bonds shall have been first submitted to a vote of the qualified voters, who are property taxpayers of said county; and unless a majority of the said qualified taxpayers voting at said election is in favor of the proposition for the issuance of bonds then the said bonds shall not be issued. There shall be no bond issue exceeding \$5,000.00 without six months notice by said commissioners court, said notice to be published in a county paper in four consecutive issues before the meeting of the court authorizing any issue of road and bridge bonds exceeding \$5,000.00. If the proposition for the issuance of bonds be sustained by a majority of the said property taxpayers voting at said election, then the said bonds shall be authorized, and shall be issued by the commissioners court; provided, that this act shall not be construed to authorize and render valid bonds without being first submitted to the Attorney General, and certified to by him as now required by law.

SEC. 20. Whenever a petition, signed by fifty or more qualified voters, who are property taxpayers in the county of Brazoria, shall be presented to the commissioners court of said county at any regular session thereof, asking that the question of a bond issue be submitted to a vote of the qualified taxpayers of the county, it shall not be necessary to give any former notice before the court shall act on the same, but the court shall act thereon without notice, and at such regular term shall make an order for such election to take place at any time thereafter, not less than thirty, nor more than sixty days. Said order shall distinctly specify the pur-

pose for which the bonds are to be issued, the amount thereof, the time in which they are payable and the rate of interest; and all voters desiring to support the proposition to issue bonds shall have written or printed on their ballots the words: "For Issuance of Bonds," and those opposed shall have written or printed on their ballots the words: "Against the Issuance of Bonds."

SEC. 21. The commissioners court shall determine the time and places of holding said election, and the manner of holding same shall be governed by the laws of the State regulating general elections.

SEC. 22. This act shall not apply to funding bonds issued or to be issued in lieu of any valid, outstanding bonds of Brazoria county, nor to any issue of bonds, when for a sum less than two thousand dollars, when issued for the purpose of repairing bridges.

SEC. 23. Each county commissioner, when acting as road commissioner, and performing the duties imposed upon him by law, or by the commissioners court, shall be entitled to two dollars per day for services actually performed; provided, said sum to be paid him, shall not exceed fifty dollars per quarter, which amount shall be paid out of the road and bridge fund when the account shall have been approved by the commissioners court, and the court shall not approve said account unless the commissioner presenting it shall sign an oath that the account is just, due and unpaid, and specifying the number of days work, and date of same, actually performed by him, and that it was necessary to be done, and no commissioner shall be entitled to pay as road commissioner while he is performing the duties as a county commissioner.

SEC. 24. The county collector, for furnishing a list of the delinquent poll taxpayers to the overseer, for his services in Section 16, shall be exempted from the road service for each year that such list is furnished or service performed as compensation for such work.

SEC. 25. This act shall be taken notice of by all courts in the same manner as the General Laws of this State, and it shall be construed to be cumulative of the General Laws of this State on the subject of roads and bridges, when not in conflict therewith, but in case of conflict this act shall control as to the county of Brazoria.

SEC. 26. It shall be the duty of the district judge of this judicial district to charge the grand jury of the district court of Brazoria county to diligently inquire into and faithfully report all delinquencies of duty by the officers under this act and to indict all such delinquents in the ordinary way as other officers are indicted for negligence, inefficiency or malfeasance in office.

SEC. 27. The fact that there is now no sufficient general road law in force in this State creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 8th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objec-

tions thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

GRAYSON COUNTY—ROAD SYSTEM.

H. B. No. 519.]

CHAPTER LXXV.

An Act to create a more efficient road system for Grayson county, Texas, and making county commissioners of said county ex-officio road commissioners, and prescribing their duties as such, and providing for their compensation as road commissioners; and providing for the appointment of deputy road commissioners; and defining the powers and duties of the commissioners court of said county; and to provide for the manner of trimming hedges along any public road; and fixing a penalty for the violation of this act and to repeal all laws in conflict with this act, and declaring an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That each member of the commissioners court of Grayson county shall be ex-officio road commissioner of their respective districts, and under the direction of the commissioners court, shall have charge of all the tools, teams and machinery belonging to the county and placed in their hands by said court; and it shall be their duty, under such rules and regulations as the commissioners court may prescribe, to superintend the laying out of new roads, the making or changing of roads and the building of bridges. Each of said commissioners shall, before entering upon the duties of their office, execute a bond of one thousand dollars, with two or more good and sufficient sureties, payable to the county judge of said county for the use and benefit of the road and bridge fund, conditioned that they will perform all the duties required of them by law or by the commissioners court; and that they will account for all money or property belonging to the county that may come into their possession; provided, that with the consent of the commissioners court any one of said commissioners shall be allowed to appoint any competent person as deputy road commissioner, who shall be required to execute the same bond that is required of commissioners in this section; and such deputy road commissioner shall be entitled to the same compensation that is allowed county commissioners for the same service; provided, that commissioners shall not be allowed any compensation as road commissioner when a deputy road commissioner has been appointed.

SEC. 2. The commissioners court of said county shall have full power and authority, and it shall be their duty, to adopt such system of working, laying out, draining and repairing the public roads in said county as they may deem best, and from time to time, said court may change its plan or system of working. Said commissioners court shall have power to purchase such teams, tools and machinery as may be necessary for the working of its roads. Said court shall have the power to construct, grade or otherwise improve any road or bridge by contract. In such case said court, or the county judge, may advertise in such manner as said court may determine, for bids to do such work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond, pay-

able to the county judge of said county, for the use of the road and bridge fund, with good and sufficient sureties, to be approved by said court, and in such sum as said court may determine, for the faithful compliance with the terms of said contract, but said court shall have the right to reject any and all bids. At the time of making any such contract the court shall direct the county treasurer to pass the amount to a particular fund for that purpose, and the treasurer shall keep a separate account of such fund, and the same shall not be used for any other purpose, and can only be paid out on the order of said court; and the said court shall have authority to employ any hands or teams to work on the roads, under such regulations and for such price as they may deem best.

SEC. 3. The commissioners court of said county shall require all county convicts, not otherwise employed, to labor on the public roads, under such regulations as they may prescribe, and each convict so worked shall receive a credit of fifty cents on his fine first, and then on the cost, for each day he may labor. The commissioners court may, at a regular term, allow the officers and witnesses such amounts of their cost for the arrest and conviction of said convict as it may deem best; provided, that it shall not allow any officer an amount greater than the following: county judge, \$3.00; county attorney \$5.00 including commissions; county clerk and justice of the peace, \$1.70; sheriffs and constables, \$2.00, which amount shall be paid to the officers out of the road and bridge fund, on the warrant of the county judge, when said fine and costs shall have been worked out as provided in this section; provided, that this shall not be construed as to relieve any convict from the payment of all costs for which he would be liable under the General Laws of this State. The commissioners court may grant a reasonable commutation of time for which a convict is committed, as a reward for faithful service and good behavior; provided, that such commutation shall in no case exceed one-tenth of the whole time. The commissioners court may provide the necessary houses, prisons, clothing, bedding, food, medicine, medical attention and guards, for the safe and humane keeping of convicts.

SEC. 4. Each county commissioner shall have control of all road overseers in his district, and shall deliver to each of them all tools, teams and machinery necessary in working the roads in the district of said overseer, so far as he may have been supplied therewith by the commissioners court, taking receipt of said overseer therefor, specifying each item and giving its value, which receipt shall be a full answer of the liability of the commissioner, and shall fix the liability of the overseer; and any commissioner or overseer who shall have been entrusted with any teams, tools or machinery belonging to said county, shall be liable for any damages that may occur to the same while in his possession. It shall be the duty of the road overseer, when he has finished work on his road, to return to the said commissioner all teams, tools and machinery received from him and to take up the receipt given therefor.

SEC. 5. It shall be the duty of the county commissioner, when acting as road commissioner, to inform himself of the condition of the public roads in his district, and shall determine what character of work shall be done upon said roads, and shall direct the manner of grading, draining or otherwise improving the same, which directions shall be observed and obeyed by all road overseers of his district.

SEC. 6. The commissioner may require each road overseer in his district to call out the hands in such numbers as may be sufficient to perform the work, but no road hand shall be required to work exceeding five days in any one year, unless the term of service as prescribed by the General Laws, shall be extended beyond that time; and provided, that all road hands in a particular district shall, as far as practicable, be worked a uniform time. Each road overseer shall have full control of all road hands in his district, and he shall see that each hand, when called out, shall perform a good day's work; and if any hand, when so called out, shall fail or refuse to perform a good day's work, or to work in the manner the overseer may direct, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons. The commissioners court may allow to any overseer who shall be engaged in the discharge of the duties of his office for more than five days during any one year, a compensation, not to exceed one dollar and one-half per day for the time so served.

SEC. 7. Any citizen of Grayson county, liable for road duty who shall, on or before the first day of January of any year, pay to the county treasurer the sum of three dollars, shall be exempt from road duty for such year, beginning on the first day of January. The treasurer shall receive and receipt for all money so paid him, and place the same to the credit of the road and bridge fund, and he shall keep a separate account of each road district from which it is received. The treasurer shall, on the third day of January, or as soon thereafter as practicable, furnish each county commissioner a list of all persons in their respective districts that have paid said sum as provided in this section.

SEC. 8. Whenever it shall be necessary to occupy any land for the purpose of opening, widening, straightening, or draining any road or part thereof, if the owner of such land and the county commissioners court cannot agree upon the damage to be paid, the county may proceed to condemn the same in the same manner that a railroad company can condemn land for right of way, and the same proceedings may be had, and the same rights shall exist to each party as would exist if the proceedings were by a railroad company, except that in no case shall the county be required to give bond.

SEC. 9. Every owner of a farm or other lands, upon which a hedge of any description grows on or near the public road, shall be required to keep the same trimmed, so that the height of the same shall not exceed eight feet above the level of the ground. Any such owner who shall fail or neglect to so trim such hedge, shall be notified in writing by the road overseer of that district to trim such hedge as herein required; and in such case if such owner shall, after receiving such notice, fail or refuse to so trim such hedge within a reasonable time, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any sum not to exceed (\$20) twenty dollars per week, from and after the time that he received such notice: such fine to be paid into the county treasury and to be placed to the credit of the road and bridge fund of said county. If any owner of any farm shall fail or refuse, after being notified as herein required, to trim his hedge as required by this act, then the road overseer shall cause the same to be trimmed in accordance with the provisions of this act, to be paid out of the road and bridge fund of the county.

SEC. 10. Each county commissioner when acting as road commis-

sioner and performing the duties imposed upon him by law, or by the commissioners court, shall be entitled to two three dollars per day for the services actually performed; provided, that he shall not receive more than one hundred and thirty-five dollars (\$135) per quarter, which amount shall be paid out of the road and bridge fund, when the account shall have been approved by the commissioners court, and the court shall not approve said account unless the commissioner presenting it shall sign an oath that the account is just, due and unpaid, and specifying the number of days work actually performed by him, and that it was necessary to be done; and no commissioner shall be entitled to pay as road commissioner while he is performing the duties of county commissioner.

SEC. 11. This act shall be taken notice of by all the courts in the same manner as the General Laws of the State, and it shall be construed to be cumulative of all General Laws of the State on the subject of roads and bridges when not in conflict therewith; but in case of conflict this act shall control as to the county of Grayson, and all special road laws and amendments thereto heretofore passed are repealed, in so far as they conflict with this act.

SEC. 12. Owing to the crowded condition of the calendar and the improbability of reaching this bill before the close of the session, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate by two-thirds vote, yeas 23, nays 0.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 5th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. ERATH COUNTY—ROAD SYSTEM.

H. B. No. 541.]

CHAPTER LXXVI.

An Act to create a more efficient road system for Erath county, in this State, and making the county commissioners of said county ex-officio road commissioners, and prescribing their duties as such, and providing for their compensation as such road commissioners; and providing for the condemning of material for the construction and maintenance of public roads and to provide for the compensation for the material used, and providing for the working of county convicts on the public roads, and the purchase of supplies for such convicts, and rewards for the capture of escaped county convicts and for commutation of sentence for faithful service and good behavior; and defining the powers and duties of road overseers; and to provide for the summoning of hands and teams for road work, and the allowance for time for service of hands and teams on public roads, and fixing a penalty for the violation of same and relieving them from the payment of such work by the payment of three dollars; and providing further, for ordering an election to be held in said county by the qualified property tax-paying voters to determine whether or not an additional annual ad valorem tax for road and bridge purposes shall be levied and collected in said county; making this act cumulative of the General Laws now in force; and to repeal all laws in conflict with this act, and declaring an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That hereafter, in the county of Erath, the members of the commissioners court shall be ex-officio road commissioners of their respective precincts, and under the direction of the commissioners court shall have charge of the teams, tools and machinery belonging to the county and placed in their hands by said court, and it shall be their duty, under such rules and regulations as the commissioners court may prescribe, to superintend the laying out of new roads, the making or changing of roads, and the building of bridges. Each of the county commissioners shall, before entering upon the duties of road commissioner, execute a bond of one thousand dollars, with two or more good and sufficient sureties, payable to the county judge, for the use and benefit of the road and bridge fund, conditioned that they will perform all the duties required of them by law, or by the commissioners court, and that they will account for all money or property belonging to the county as may come into their possession.

SEC. 2. The commissioners court shall have full power and authority, and it shall be their duty to adopt such system for making, laying out, draining and repairing the public roads as they may deem best, and from time to time said court may change their plan or system of working. The commissioners court shall have the power to purchase such teams, tools, and machinery as may be necessary for the working of public roads.

Said court shall have the power to construct, grade or otherwise improve any road or bridge by contract.

In such case said court or county judge may advertise in such manner as said court may determine for bids to do the work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond payable to the county judge and his successors in office, for the use and benefit of the road and bridge fund, with two or more good and sufficient sureties, to be approved by the commissioners court, and in such sum as said court may determine, for the faithful performance of the terms of said contract, but said court shall have the right to reject any or all bids. At the time of making any such contract the court shall

direct the county treasurer to pass the amount of said contract to a particular fund for that purpose, and the treasurer shall keep a separate account of said fund, and the same shall not be used for any other purpose, and can only be paid out on the order of said court and the said court shall have authority to employ any hands and teams on the public roads under such regulations and for such prices as they may deem best.

SEC. 3. The commissioners court shall require all county convicts, not otherwise employed, to labor on the public roads, under such regulations as they may prescribe, and each convict so worked shall receive a credit of fifty cents on his fine first, and then on the costs, for each day he may labor. The commissioners court shall, at each term, allow the officers and witnesses such amount of their costs as have been satisfied in full by labor of such convicts, for the arrest and conviction of such convicts, as it may deem best, not to exceed one-half of such costs, which amount shall be paid to the officers and witnesses out of the road and bridge fund on the warrant of the county judge; provided, that this shall not be construed as to relieve any convict from the payment of all costs for which he may be liable under the laws of the State. The commissioners court may grant a reasonable commutation of time for which a convict is committed as a reward for faithful service and good behavior; provided that such commutation shall in no case exceed one-tenth of the whole time.

The commissioners court may provide the necessary houses, prisons, clothing, bedding, food, medicine, medical attention and superintendents and guards for the safe and humane keeping of the convicts. The commissioners court may provide such reasonable regulations and punishment as may be necessary to require such convicts to perform good work, and to provide a reward not to exceed ten dollars, to be paid out of the road and bridge fund, for the recapture and delivery of any escaped convict, to be paid to any person other than the guard or person in charge of such convict at the time of his escape, which reward shall be taxed against the convict and worked out by him as part of the costs.

SEC. 4. Each road commissioner shall have control of all road overseers in his precinct and shall deliver to each of them such teams, tools and machinery necessary in working the roads in the precinct of said overseer, so far as he has been supplied therewith by the commissioners court, taking a receipt therefor, specifying each item and giving its value, which receipt shall be a full answer for the liability of the road commissioner, and shall fix the liability of the road overseer; and the road commissioner or road overseer who shall have been intrusted with any teams, tools or machinery belonging to the county, shall be liable for all damages that may occur to same while in his possession, caused by his negligence or want of due care of same.

It shall be the duty of the road overseer when he has finished work on his road to return to said road commissioner all teams, tools and machinery received from him, and take up the receipt given therefor.

SEC. 5. It shall be the duty of each county commissioner, when acting as road commissioner, to inform himself of the condition of the public roads in his precinct, and shall determine what character of work shall be done on said roads; and shall direct the manner of grading, draining or otherwise improving the same; which directions shall be followed and obeyed by all road overseers of his precinct,

SEC. 6. The road commissioners may require each road overseer in his precinct to call out the hands in such numbers as may be sufficient to perform the work, but no road hand shall be required to work exceeding five days in any one year, unless the term of service as now provided by law shall be extended beyond that time; and provided, that all road hands in a particular road precinct shall, as far as practicable, be worked a uniform time. Each road overseer shall have full control of all road hands in his precinct, and shall see that each hand, when called out, shall perform a good day's work, and if any hand, when so called out, shall fail or refuse to do a good day's work, or to work in the manner the overseer may direct, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons. And the road overseer may, when he deems it expedient, or when directed so to do by the road commissioner of said commissioner's precinct, and at the time of notifying any hand to work upon the road, also summon such hand as may be the owner of a team suitable for road work, to bring such team with him to be used in working upon the public roads during such time as the hand may be notified to work upon the public roads. And after such notice is given, if such hand shall fail or refuse to bring his team with him as notified to do, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons; provided, that any hand for so doing shall be credited with and allowed two and one-half days upon the time for which he is liable for road duty for each day he may work in connection with and while furnishing such team, and one and one-half days for his team without such hand.

SEC. 7. A person liable for road duty who shall, on or before the first day of February of any year, pay to the county treasurer the sum of three dollars, shall be exempt from road duty for such year, beginning on the 1st day of February. The county treasurer shall receive and receipt for all money so paid him, and place the same to the credit of the road and bridge fund, and he shall keep a separate account for each precinct from which it is received. The county treasurer shall on the 3rd day of February, or as soon thereafter as practicable, furnish to each road commissioner a list of all persons in their respective precincts who have paid said sum, as provided in this section.

SEC. 8. When to the commissioners court it may appear expedient to build, repair or maintain any public road in their county, the timber, earth, stone, gravel or other necessary material most convenient therefor may be used, but in such case the owner thereof shall be paid out of the road and bridge fund of such county a fair compensation for the same, as may be agreed upon by the owner thereof or his agent and the commissioners court; provided however, that should said owner, or his agent, and said commissioners court fail to agree upon the compensation to be paid therefor then the county, upon the order of said court shall proceed to condemn the same in the same manner that a railroad company can condemn land for right of way, and the same proceedings shall be had as would exist if the proceedings were by a railroad company, except as hereinafter provided.

SEC. 9. The county shall not be required in proceedings to determine the compensation to be paid for material to build, repair or maintain public roads, in any case to give bond for costs; and the commissioners appointed to condemn such property necessary as aforesaid shall receive

for their services two dollars for each and every day that they may be necessarily engaged in the performance of their duties as such commissioners, to be paid out of the road and bridge fund on the order of the commissioners court, and the compensation awarded by said commissioners for the necessary material shall be paid to the owner or deposited with the county treasurer to the credit of such owner, and when so paid or deposited the county shall have the right to enter upon and use said material. If the owner of such material, or said county, is not satisfied with the compensation awarded said owner, he or said county may appeal therefrom, as in cases of appeal in proceedings by railroad companies to condemn right of way.

SEC. 10. If any person, liable to work upon the public roads, after being legally summoned, shall fail or refuse to attend, either in person or by able and competent substitute, or fail or refuse to furnish his team or tools at the time and place designated by the person summoning him, or to pay to such road overseer the sum of one dollar for each day he may have been notified to work on the public roads, or to pay to such overseer the sum of one dollar and fifty cents for each day he may have been notified to furnish his team for road work, or having attended, shall fail or refuse to perform good service, or any other duty required of him by law, or the person under whom he may work, or if any one shall fail to comply with any duty required of him as provided by law shall be deemed guilty of a misdemeanor, and upon conviction thereof fined in any sum not exceeding twenty-five dollars.

SEC. 11. Each county commissioner as compensation for his services as ex-officio road commissioner of his precinct, shall be entitled to such sum as may be prescribed by the commissioners court of his county, not to exceed two dollars and fifty cents per day for the services actually performed; provided that he shall not receive more than thirty dollars per month, which amount shall be paid monthly out of the road and bridge fund, when the account shall have been allowed by the commissioners court, and said court shall not approve said account unless the road commissioner presenting it shall sign an oath that the account is just, due and unpaid, and specifying the number of days work actually performed by him; nor shall he be entitled to any other or further compensation for supervising public roads, except what is allowed by this act.

SEC. 12. The provisions of the foregoing act shall be held and construed to be cumulative of all General Laws of this State on the subject of roads, when not in conflict therewith, but in case of conflict this act to control, and provided this act shall not be in operation in Erath county unless the commissioners court thereof, in their judgment may deem it advisable, and then only by an order of the commissioners court, when all the members are present, made at some regular term thereof, accepting the provisions of this act. Such order shall be entered on the minutes of said court, and shall not be void for want of form, but a substantial compliance with the provisions thereof shall be sufficient; provided, that the commissioners court, at any regular session, after having accepted the provisions of this act, may annul or vacate said order by which the provisions of this act were accepted, by duly entering the order vacating or annulling the same upon the minutes of the court, and thereafter this act shall no longer be in force and effect in said county.

SEC. 13. As soon as practicable after the commissioners court accepts

the provisions of this act, as above provided, said court shall order an election to be held in said county of Erath, by the qualified property tax-paying voters of said county, to determine whether or not additional annual ad valorem tax, not to exceed fifteen cents on the one hundred dollars valuation, shall be levied upon all the property in said county subject to taxation, for road and bridge purposes, in addition to the amount now authorized to be levied by general law. The officers holding said election shall receive no compensation for their services in holding the same; at said election each ballot shall have written or printed on it the following: "For additional road and bridge tax" or "Against additional road and bridge tax" as the case may be. At said election no person shall be permitted to vote unless he be a qualified property taxpaying voter of Erath county. The commissioners court of said county shall convene in special or regular session within ten days after said election and receive the returns and declare the result of said election, and if a majority of votes cast in said county shall be in favor of said addition tax, the said court shall enter an order upon its minutes duly declaring the result of said election, and thereafter as soon as practicable it shall levy an additional annual ad valorem tax for road and bridge purposes not to exceed fifteen cents on the one hundred dollars valuation upon the property in said county subject to taxation. And thereafter said additional tax shall be collected until such time as the qualified property taxpaying voters of said county, at an election held for that purpose, shall otherwise determine, which election shall be ordered by the commissioners court upon a petition of at least two hundred qualified property taxpaying voters of the county; provided, that said court may at any time, within its discretion, order such election of its own motion, without such petition.

SEC. 14. The fact that there is now no sufficient road law in force in said county of Erath, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 9th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

MILAM COUNTY—ROAD SYSTEM.

H. B. No. 405.]

CHAPTER LXXVII.

An Act to amend Chapter 118, Acts of 1897, providing for a more efficient road system for Milam county, Texas.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Chapter 118, Acts of 1897, be so amended as to hereafter read as follows:

That the members of the commissioners court of Milam county shall be ex-officio road commissioners of their respective districts, and under the direction of the commissioners court shall have charge of all teams, tools and machinery belonging to the county and placed in their hands by said county; and it shall be their duty under such rules and regulations as the commissioners court may prescribe, to superintend the laying out of new roads and the building of bridges. Each of said commissioners shall, before entering upon the duties of his office, in addition to his regular bond as such county commissioner, execute a bond of one thousand dollars, with two or more good and sufficient sureties, payable to the county judge of said county for the use and benefit of the road and bridge fund, conditioned that they will perform all the duties required of them by law and by the commissioners court, and that they will account for all the money or property belonging to the county that may come into their possession.

SEC. 2. The commissioners court of said county shall have full power and authority, and it shall be its duty, to adopt such system of working, laying out, draining and repairing the public roads in said county as it may deem best, and from time to time said court may change its plan or system of working. Said commissioners court shall have power to purchase such teams, tools and machinery as may be necessary for the working of its roads. Said court shall have the power to construct, grade and otherwise improve any road or bridge by contract. In such case said court, if they deem it necessary, or the county judge, may advertise in such manner as the court may determine, for bids to do such work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond, payable to the county judge of said county for the use of the road and bridge fund, with good and sufficient sureties, to be approved by said court, and in such sum as said court may determine. for the faithful compliance with the terms of said contract; but said court shall have the right to reject any and all bids. The said court shall have authority to employ any hands or teams to work on the roads, under such regulations and for such price as they may deem best.

SEC. 3. The commissioners court of said county shall require all county convicts not otherwise employed to labor upon the public roads. under such regulations as they may prescribe, and each convict so worked shall receive a credit of fifty cents on his fine and cost for each day he may so labor. Such commissioners court may provide such reasonable regulations and punishments as may be necessary to require such convicts to perform good work, and may provide a reward, not exceeding ten dollars, to be paid out of the road and bridge fund, for the recapture and delivery of any escaped convict, to be paid to any person other than

the guard or person in charge of such convict at the time of his escape, which reward shall be taxed against such convict and worked out or paid by him as part of the cost. The commissioners may grant a reasonable commutation of time for which a convict is committed as a reward for faithful service and good behavior, but in no case to exceed one-tenth of the whole time. Said court may provide the necessary houses, prisons, clothing, bedding, food, medicine, medical attention and guards for the safe and humane keeping of convicts. The commissioners court may at a regular term allow to the officers such amount of their costs for the arrest and conviction of said convict as it may deem best; provided, that it shall not allow to any officer a greater amount than he is now or may hereafter be allowed by General Laws; provided, that this shall not be construed as to relieve any convict from the payment of all costs for which he would be liable under the General Laws of this State.

SEC. 4. Each county commissioner shall have control of all road overseers in his district, and shall deliver to each of them all tools and machinery necessary in working the roads in the district of said overseer, as far as he has been supplied therewith by the commissioners court, taking receipt of said overseer therefor, specifying each item and giving its value, which receipt shall be a full answer of the liability of the commissioner, and shall fix the liability of the overseer, and any commissioner or overseer who shall have been entrusted with any teams, tools or machinery belonging to said county shall be liable for any damage that may occur to the same while in his possession, caused by his negligence or want of due care of the same, and shall not use or permit the same to be used for private purposes without the consent of the commissioners court. It shall be the duty of the road overseer when he has finished work on his roads to return to said commissioner all tools and machinery received from him, and take up the receipt taken therefor.

SEC. 5. It shall be the duty of the county commissioner when acting as road overseer to inform himself of the condition of the public roads of his district, and shall determine what character of work shall be done upon said roads, and shall direct the manner of grading, draining or otherwise improving the same, which direction shall be observed and obeyed by all road overseers of his district.

SEC. 6. The commissioners may require of each road overseer in his district to call out the hands in such numbers as may be sufficient to perform the work, but no road hand shall be required to work exceeding five days in any one year, or two days with himself and team, unless the term of service, as prescribed by the General Laws, shall be extended beyond that time; and provided, that all road hands in any particular district shall, as far as practicable, be worked a uniform time. Each road overseer, or in case of his absence, any person deputized by him, shall have full control of all road hands within his road district, and shall see that each hand when called out, shall perform a good day's work; and if any hand when so called out shall fail or refuse to perform a good day's work, or to work in the manner the road overseer may direct, shall be liable to the same penalty as if he had failed to appear in obedience to the summons.

SEC. 7. Any citizen of Milam county liable for road duty who shall, on or before the first day of February of each year, pay to the county treasurer the sum of three dollars, shall be exempt from all road duty

for such year, beginning on the first day of February. The treasurer shall receive and receipt for all money so paid him, and shall place the same to the credit of the road and bridge fund. The treasurer shall, on the third day of February, or as soon thereafter as practicable, furnish to each county commissioner a list of all persons in their respective districts that have paid said sum as provided in this section.

SEC. 8. Every person liable to work on roads, by paying his road overseer at any time before the day appointed to work on his road the sum of one dollar for each day he is summoned to work, and one dollar and fifty cents for each day that he is summoned to furnish his team for road work, shall be exempt from working or furnishing his team for each day paid for, and also be exempt from any penalties for failure to work or furnish such team for the time for which he has so paid.

SEC. 9. Each person summoned to work on a road shall take with him an ax, hoe, pick, spade, plow, scraper, or such other tool as may be desired and directed by the overseer, or if he has no such tools as are desired by the overseer to take with him, he shall take such other suitable tool as he may have; provided, the county shall be liable for, and the commissioners court, under such regulations as they may prescribe, shall pay for all such breakage or damage to such tools as may have resulted from public road work, and not caused by the negligence of the person furnishing the same. Such overseer may also summon and require such road hand to bring with him for public road work such team or teams as he may have on hand suitable for road work; provided, such hand shall be allowed two and one-half days' time for each day put in by a hand with his team, and one and one-half days' time for his team without such hand.

SEC. 10. If any person liable to work upon the public roads, after being legally summoned, shall intentionally fail or refuse to attend, either in person or by an able and competent substitute, or fail or refuse to furnish his team or tools at the time and place designated by the person summoning him, or to pay to such overseer the sum of one dollar for each day he may have been notified to work on the road, or to pay to such overseer the sum of one dollar and fifty cents for each day he may have been notified to furnish his team for road work, or shall fail to perform such good service or any other duty required of him by law or the person under whom he may work, shall be deemed guilty of a misdemeanor, and on conviction thereof, fined in any sum not exceeding ten dollars.

SEC. 11. At the regular term of the commissioners court in February of each year, all road overseers shall make their reports under oath, upon forms to be furnished them by said court, which said report shall be examined by said court, and all accounts of moneys had and expended by him shall be audited and settled; and as soon thereafter as practicable said commissioners court shall appoint and commission road overseers for the succeeding year; and in the event of the death, refusal or inability to act on the part of any road overseer so appointed the county commissioner of the precinct shall have authority to fill the vacancy, and report his action in writing to the county clerk, who shall record the same in the minutes of the commissioners court, either in term time or vacation. Any overseer failing to perform his duties as such overseer, or failing or refusing to make his report as required by law, or failing or refusing to serve and perform the duties of overseer when appointed by said court, or to perform any other duty required of him by law or by the commis-

sioners court, or by the commissioner of the district, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any sum not exceeding twenty-five dollars.

SEC. 12. Whenever it shall be necessary to occupy any land for opening, widening, straightening or draining any road or part thereof, if the owner of such land and the commissioners court cannot agree upon the damage to be paid, the county may proceed to condemn the same in a manner that a railroad company may condemn land for a right of way, and the same proceedings may be had, and the same rights shall exist to each party as would exist if the proceedings were by a railroad company, except that the county shall in no case be required to give bond; provided, that nothing contained in this section shall be held to repeal the provisions of the general law relating to the opening of public roads by juries of view, but this section shall be cumulative thereof, and the commissioners court of Milam county may act under such general law or the provisions of this section at their option, in such case.

SEC. 13. Every owner of a farm or other land upon which a hedge of any description grows on or near the public road, shall be required to keep the same trimmed so that the same shall not obstruct said road, and shall not be of greater height than eight feet, and any such owner who shall fail or neglect to trim such hedge shall be notified in writing by the road overseer of that district to trim such hedge as herein required; and in case if such owner shall, after receiving such notice, fail or refuse to trim such hedge within a reasonable time, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any sum not exceeding twenty dollars per week from and after the time that he receives such notice, such fine to be paid into the county treasury and be placed to the credit of the road and bridge fund of said county. If any owner of any farm shall fail or refuse, after being notified as herein required, to trim his hedge as required by this act, then the road overseer, upon an order from the county commissioner of his precinct, shall cause the same to be trimmed in accordance with the provisions of this act, to be paid for out of the road and bridge fund of the county.

SEC. 14. Each county commissioner when acting as road commissioner and performing the duties imposed upon him by law or by the commissioners court, shall be entitled to three dollars per day for the services actually performed; provided, that he shall not draw such pay for more than thirty-five days per quarter, which amount shall be paid out of the road and bridge fund when the account shall have been approved by the commissioners court; and the court shall not approve said account unless the commissioner presenting it shall sign an oath the account is just, due and unpaid, and specifying the number of days' work actually performed by him, and that it was necessary to be done, and no commissioner shall be entitled to pay as road commissioner while he is performing the duties of county commissioner, nor shall he receive any additional pay than that provided by this section for inspecting or riding over his road, or for other road service.

SEC. 15. It shall be lawful for any insolvent delinquent poll taxpayer in Milam county to perform two days service upon the public roads in his road precinct in each and every year, in discharge of his delinquent poll tax, unless the rate of poll tax now provided for by the General Laws of Texas shall be changed, in which case a proportionate term of service

shall be held to discharge said delinquent for one year's poll taxes; provided, further, that this act shall not be held to annul any laws upon the general statutes of the State of Texas for the collection of delinquent taxes, but shall be held cumulative thereto in Milam county; and provided, further, that such delinquent taxpayers shall perform such road service under the direction of the road overseer, under the same regulations herein provided for parties subject to road service under the General Laws of the State.

SEC. 16. When it shall be made to appear to the commissioners court that the same is necessary for the better drainage of any public road or roads within Milam county, that the ditches along the right of way of any railroad company in Milam county should be opened and cleaned out, and the bar pits along said right of way emptied and drained, the commissioners court may, by an order entered upon the minutes of a regular or special term of the commissioners court, require any railway company whose ditches are so faultily constructed or so out of repair as to impede the easy and rapid flow of water accumulating on, along and near their right of way, to the nearest stream, gully, outlet or water course, and it shall be the duty of said railway in reference to which said order is made and entered, within sixty days after the receipt of a certified copy of said order, served on the depot agent of such company at Cameron, or if such company has no depot agent at Cameron, then on the depot agent at the station nearest Cameron, to commence the work so ordered to be done and to continue such work with reasonable dispatch until its completion to the satisfaction of the commissioners court; and in the event that said railroad company, its officers and agents, fail to comply with the terms of said order, and fail to commence said work within sixty days, and finish the same within a reasonable time, the commissioners court shall have said work performed, keeping an accurate account of the money expended upon said work, and said money so expended may be recovered from the railroad company along whose right of way said work was done at the suit of the county for the benefit of its road and bridge fund, in any court of competent jurisdiction in Milam county.

SEC. 17. This act shall be taken notice of by all courts in the same manner as the General Laws of the State, and it shall be held to be cumulative of all General Laws of the State on the subject of roads and bridges, when not in conflict therewith, but in case of conflict, this act shall control as to the county of Milam.

SEC. 18. The fact that there is now no efficient general road law in force in this State creates an emergency and imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

TITUS COUNTY—TO RESTORE JURISDICTION TO COUNTY COURT.

H. B. No. 421.]

CHAPTER LXXVIII.

An Act to restore to and confer upon the county court of Titus county the criminal jurisdiction heretofore belonging to it under the Constitution and General Statutes of the State of Texas, to conform the jurisdiction of the district court to such change, and to repeal all laws in conflict with this act.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the county court of Titus county shall hereafter have exclusive original jurisdiction of all misdemeanors, except misdemeanors involving official misconduct, and except cases in which the highest penalty of fine that may be imposed under the law may not exceed two hundred dollars; and shall also have appellate jurisdiction in criminal cases of which justices of the peace, and other inferior tribunals of said county have original jurisdiction.

SEC. 2. Said county court shall have jurisdiction in the forfeiture and judgment of all bonds and recognizances taken in all criminal cases, of which criminal cases said court has jurisdiction.

SEC. 3. The county judge of said county shall have authority, either in term time or in vacation, to issue all writs necessary to the enforcement of the jurisdiction of said court, and to issue writs of habeas corpus in all cases in which the Constitution has not conferred power on the district court or judge thereof.

SEC. 4. The district court of said Titus county shall no longer have jurisdiction of which the county court of Titus county, by the provisions of this act, has exclusive original or appellate jurisdiction; and it shall be the duty of the district clerk of said county within thirty days after the passage of this act, to make a full and complete transcript of all orders on the dockets in cases now pending before the district court, of which cases, by the terms of this act, exclusive original or appellate jurisdiction is given to the county court, and to deliver said transcript together with the original papers to the clerk of said county court and said county clerk shall enter said case or cases on the docket for trial by said county court, and all process issued and made returnable to the district court shall have the same force and effect in the county court.

SEC. 5. The county court of said county shall hereafter hold its regular term for criminal business as provided in the Constitution and General Laws of the State of Texas, for civil and criminal terms of the county courts and all process heretofore issued from the district court of said county in cases to be transferred under this act to the county court shall be returnable to the first term of the said county court thereafter.

SEC. 6. All laws and parts of laws in conflict with the provisions of this act are hereby repealed.

[NOTE.—The enrolled bill shows that the foregoing act passed the

House of Representatives, no vote given; and passed the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 6th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

Takes effect 90 days after adjournment.

BROWN COUNTY—ROAD SYSTEM.

S. B. No. 291.]

CHAPTER LXXIX.

An Act to create a more efficient road system for Brown county, Texas, and making the county commissioners of said county ex-officio road commissioners, and prescribing their duties as such, and providing for their compensation as such road commissioners, and providing for the working of county convicts upon the public roads of said county, and providing for commutation of time for good behavior and good service, and providing for reward to be offered for the recapture of an escaped county convict, and providing for the trimming of hedges by the owner of land, and providing a penalty for failure to trim hedges, and providing the amount of compensation in road time to be allowed by overseers to road hands for teams, plows, scrapers and wagons, and providing for the condemnation of land for public road purposes and providing for the working of delinquent poll taxpayers on the public roads, and relieving them from the payment of said work by the payment of the sum of three dollars, and providing further, making this law cumulative of the General Laws, and in case of conflict this act to govern as to Brown county, Texas.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the members of the commissioners court of Brown county shall be ex-officio road commissioners of their county, and under the direction of the commissioners court, shall have charge of all the teams, tools and machinery belonging to the county and placed in their hands by said court; and it shall be their duty under such rules and regulations as the commissioners court may prescribe, to superintend the laying out of new roads, the making or changing of roads, and the building of bridges. Each of said commissioners shall before entering upon the duties of his office, execute a bond of \$1000.00 with two or more good and sufficient sureties, payable to the county judge of said county, for the use and benefit of the road and bridge fund, conditioned that he will perform all the duties required of him by law, or by the commissioners court, and that he will account for all money or property belonging to the county that may come into his possession; provided, that with the consent of the commissioners court any one of said commissioners shall be allowed to appoint any competent person as deputy road commissioner, who shall be required to execute the same bond that is required of the commissioner in this section, and such deputy road commissioner shall be entitled to the same compensation that is allowed county commissioners for the same service; provided, that county commissioners shall not be allowed any compensation as road commissioners when a deputy road commissioner has been appointed.

SEC. 2. The commissioners court of said county shall have full power and authority, and it shall be their duty to adopt such system for working, laying out, grading and repairing the public roads in said county as they may deem best, and from time to time said court may change its plan or system of working. Said commissioners court shall have power to purchase such teams, tools and machinery as may be necessary for the working of its roads. Said court shall have power to construct, grade or otherwise improve any road or bridge by contract. In such case said court or county judge of said county may advertise in such manner as said court may determine for bids to do such work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond, payable to the county judge of said county, for the use of the road and bridge fund, with good and sufficient sureties, to be approved by said court, and in such sum as said court may determine, for the faithful compliance with the terms of said contract, but said court shall have the right to reject any and all bids; and the said court shall have authority to employ any hands or teams to work on the road under such regulations and for such price as they deem best.

SEC. 3. The commissioners court of said county shall require all county convicts, not otherwise employed, to labor on the public roads, under such regulations as it may prescribe, and each convict so worked shall receive a credit of fifty cents on his fine first, and then on the cost for each day he may labor. The officers and witnesses shall be paid their costs as is now provided by the General Laws; said costs shall be paid by the officers and witnesses out of the road and bridge fund on the warrant of the county judge, when said fine and costs shall have been worked out in full. The commissioners court may grant a reasonable commutation of time for which a convict is committed as a reward for faithful service and good behavior; provided, that such commutation in no case exceeds one-tenth of the whole time. The commissioners court may after a reward, not to exceed \$10.00 for the recapture of an escaped county convict which shall be paid out of the general fund, to the person recapturing said convict, except the person from whom said convict escaped. Said reward, when offered and paid, shall be taxed against said convict, with all other actual costs for recapturing and returning said convict, and said convict shall be required to pay said reward and other costs in recapturing and returning said convict. The commissioners court may provide the necessary houses, prison, clothing, bedding, food, medicine and medical attention and guards for the safe and humane keeping of convicts.

SEC. 4. Each county commissioner shall have control of all road overseers in his precinct, and shall deliver to each of them all teams, tools and machinery necessary in making the roads in the precinct of said overseer, so far as he has been supplied therewith by the commissioners court, taking receipt of said overseer therefor, specifying each item and giving its value, which receipt shall be a full answer of the liability of the commissioner, and shall fix the liability of the overseer and any commissioner as overseer who shall have them in custody with any teams, tools or machinery belonging to said county shall be liable for any damages that may occur to the same while in his possession. It shall be the duty of the road overseer when he has finished his work on the road, to return to said commissioner all teams, tools and machinery

received from him, and to take up the receipt given therefor. The road commissioner of each commissioners precinct shall have control of all persons liable to work upon public roads, and said road commissioners shall have full power and authority to call out all or any part of said persons at any time for special work without notice, and the overseer shall have the same power.

SEC. 5. It shall be the duty of a county commissioner when acting as road commissioner, to inform himself of the condition of the public road in his district, and shall determine what character of work shall be done upon said road, and shall direct the manner of grading, draining or otherwise improving the, which direction shall be overseer and obeyed by all road overseers in his district.

SEC. 6. The commissioner may require each road overseer in his precinct to call out the hands in such numbers as may be sufficient to perform the work, but no road hand shall be required to work exceeding five days in any one year, unless the terms of services as prescribed by the Gen. Laws, shall be extended beyond that time; and provided, that all road hands in any particular district shall, as far as practicable, be marked a uniform time. Each road overseer shall have control of all hands within his precinct, and shall see that each hand, when called out shall perform a good day's work, and if any hand when so called out shall fail or refuse to perform a good day's work, or to work in the manner the overseer may direct, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons. The commissioners court may allow to any overseer who shall be engaged in the discharge of the duties of his office for more than five days during any one year, a commission not to exceed \$1.50 per day for the time so served; provided, that such service shall be done under the written order of the road commissioner. When it shall become necessary for any road overseer to exchange the labor of any hand or hands for plows, scrapers wagons or teams, as provided by General Law, said overseer shall allow fifty cents per day for a wagon, scraper or plow and one dollar a day for a team.

SEC. 7. Any citizen of Brown county liable for road duty, who shall, on or before the first day of January of any year, pay to the county treasurer the sum of three dollars shall be exempt from road duty for such year, beginning on the fifteenth day of February. The treasurer shall receive and receipt for all money so paid him and place the same to the credit of the road and bridge fund. The treasurer shall on the third day of January, or as soon thereafter as practicable, furnish to each county commissioner, a list of all persons in their respective precincts that have paid said sums as provided in this section.

SEC. 8. Whenever it shall be necessary to occupy any land for the purpose of opening, widening, straightening or draining any road, or part thereof, if the owner of such land and the county commissioners court cannot agree upon the damage to be paid, the county may proceed to condemn the same under the provisions now provided by the General Laws of the State in the same manner that a railroad company can condemn lands for right of way, and the same proceeding may be had and the same right shall exist to each party as if the proceedings were by a railroad company, except that the county shall in no case be required to give bond.

SEC. 9. Each owner of a farm, or other land, upon which a hedge of

any description grows, on or near the public road, shall be required to keep the same trimmed that the same shall not obstruct said road. Any owner who shall fail or neglect to so trim such hedge, shall be notified in writing by the road overseer of that precinct to trim such hedge as herein required, and in such case, if such owner, after receiving such notice, fail or refuse to so trim such hedge within a reasonable time, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any sum not to exceed twenty dollars per week from and after the time that he received such notice; such fine to be paid into the county treasury and to be placed to the credit of the road and bridge fund of said county.

SEC. 10. Each county commissioner, when acting as head commissioner, and performing the duties imposed upon him by law or by the commissioners court, shall be entitled to \$2.50 per day for the services actually performed; provided, said sum to be paid him shall not exceed \$100.00 per quarter, which amount shall be paid out of the road and bridge fund, when the account shall have been approved by the commissioners court and the court shall not approve said account unless the commissioner presenting it shall sign an oath that the account is just, due and unpaid, and specifying the number of days' work actually performed by him and that it was necessary to be done; and no commissioner shall be entitled to pay as road commissioner while he is performing the duties of county commissioner nor shall he receive any additional pay than that provided by this section for inspecting or riding over his road or for other road services.

SEC. 11. If any county convict shall escape from any person or persons having said county convict in charge for said county, said county convict so escaping shall be guilty of an offense and upon conviction shall be fined not less than ten or more than twenty-five dollars.

SEC. 12. This act shall be taken notice of by all courts in the same manner as the General Laws of the State, and it shall be construed cumulative of all General Laws of the State on the subject of roads and bridges when not in conflict therewith but in case of conflict, this act shall control as to Brown county.

SEC. 13. Whereas the road law of Brown county as it now exists, is so defective that the roads therein have not been and are not in good condition, and cannot be made so under the present law, creates an emergency and an imperative public necessity requiring the suspension of the constitutional rule requiring bills to be read on three several days, and the same is hereby suspended, and this act shall take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 25, nays 0; and passed the House of Representatives, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 9th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

Takes effect 90 days after adjournment.

KERR COUNTY--ROAD SYSTEM.

S. B. No. 286.]

CHAPTER LXXX.

An Act to create a more efficient road system for Kerr county, in the State of Texas and making county commissioners of said county ex-officio road commissioners, and prescribing their duties as such and providing that in case of the death refusal or inability to act, by any or all of said county commissioners then the commissioners court of said county shall appoint some competent citizen to fill such vacancy, and providing for the appointment of road overseers and their duties, and for the working of county convicts on the public roads of said county and providing for the payment of officers fees and rewards and penalties for said convicts, and for the working of delinquent poll and insolvent taxpayers on the public roads of said county, and providing for the summoning of hands for road work, and providing for the appointment of one road superintendent for each precinct for said county, or one for each commissioners precinct in said county and fixing penalties for the violation of this act.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the members of the commissioners court of Kerr county, shall be ex-officio road commissioners of their respective precincts, and under the direction of the commissioners court of said county, shall have charge of all the tools and machinery belonging to the county and placed in their hands by said county through its said commissioners court, and it shall be their duty under such rules and regulations as the commissioners court may prescribe to superintend the laying out of new roads and the building of bridges and the altering or changing of the existing roads. Each of said commissioners shall, before entering upon the duties of his office, in addition to his regular bond as such commissioner execute a bond of one thousand (1000.00) dollars, with two or more good and sufficient sureties thereon, payable to the county judge of said county, for the use and benefit of the road and bridge fund of said county, conditioned that they shall perform all the duties required of them by law or by the commissioners court, and that they will account for all money or property belonging to the county that may come into their possession. In case of the death, refusal or inability to act of either of said commissioners as herein provided, it shall be the duty of the commissioners court of said county to appoint some competent citizen of said county, residing in the precinct in which such vacancy may occur, and such appointee shall have the same powers and authority as are hereby given to road commissioners and shall receive the same pay as are provided for such commissioners and said appointment shall be for the unexpired term of such commissioner.

SEC. 2. The commissioners court of said county shall have full power and authority, and it shall be its duty to adopt such system for working laying out and draining and repairing the public roads in said county as it may deem best, and from time to time said court may change its plan or system for working the same. The commissioners court of said county shall have power to purchase such tools and machinery as may be necessary for the working of its roads, said court shall have the power to construct, grade, drain or otherwise improve any road or bridge by contract, in such case said court, if they deem it necessary, or the county judge of said county, may advertise in such manner as the court may determine, for bids to do such work, and the contract shall be

awarded to the lowest responsible bidder, who shall enter into bond payable to the county judge of said county for the use of the road and bridge fund with good and sufficient surety, to be approved by said court and in such sum as the court may determine, for the faithful compliance with the terms of said contract; but said court shall have the authority to employ any hands or teams to work on the road, under such regulations and for such price as they may deem best.

SEC. 3. The commissioners court of said county may require all able-bodied county convicts, not otherwise employed, to labor upon the public roads of said county, under such regulations as said court may prescribe for the working of county convicts within the limits of said county, and each convict so worked shall receive a credit of fifty cents on his fine and costs for each day he may so labor. Said court may provide such reasonable regulations and punishment as may be necessary to require such convicts to labor; but no convict shall be worked on Sunday or when he is physically unable to perform a day's work. The commissioners court may grant a reasonable commutation of time for which a convict is committed as a reward for faithful service, and good behavior, in no case to exceed one-fifth of the whole time. Said court may provide the necessary houses, provisions, clothing, bedding, food, medicine, medical attention and guards for the safe and humane keeping of convicts. The commissioners court may, at any regular term, allow to the officers and witnesses in a convict case where the convict has worked upon the road such portion of their lawful costs as it may determine, not to exceed in any case more than one-half of such costs, and no fees shall be paid until said fine and costs shall have been worked out by the convict as provided in this act; provided, that this shall not be construed as to relieve any convict from the payment of all costs for which he would be liable under the General Laws of this State.

SEC. 4. Each county commissioner shall have control of all road overseers in his precinct, and shall deliver to each of them all tools and machinery necessary in working the roads in the precinct of said overseer, so far as he has been supplied therewith by the commissioners court, taking receipt of said overseer therefor, specifying each item and giving its value, which receipt shall be a full answer of the liability of the commissioner and shall fix the liability of the overseer and any commissioner or overseer who shall have been entrusted with any tools or machinery belonging to said county shall be liable for any damage that may occur to the same while in his possession caused by his negligence or want of due care of same, and shall not use or permit the same to be used for private purposes without the consent of the commissioners court; it shall be the duty of the road overseer, at the expiration of his term of office, to return to said commissioner all tools and machinery received from him and take up the receipt therefor given by him.

SEC. 5. It shall be the duty of the county commissioner, when acting as road commissioner, to inform himself of the condition of the public roads in his district, and shall determine what character of work shall be done upon said roads, and shall direct the manner of grading, draining or otherwise improving the same, which direction shall be observed and obeyed by all overseers in his said district.

SEC. 6. The commissioners when acting as road commissioners in their respective precincts, may require of each road overseer in his said

precinct to call out the hands in such numbers as may be sufficient to perform the work, but no road hand shall be required to work exceeding three days in any one year or one day and a half with himself and team, unless the term of service, as prescribed by the General Laws, shall be extended beyond that time; and provided, that all road hands in the county shall, as far as practicable, be worked a uniform time. Each road overseer, or in case of his absence or inability to act, any person deputized by him with the consent and approval of the road commissioner of his precinct, shall have full control of all road hands within his precinct, and shall see that each hand when called out shall perform a fair day's work, or work in the manner the road overseer may direct; and if any hand when so called out shall fail or refuse to perform a good day's work or to work in the manner the overseer may direct, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons.

SEC. 7. Any citizen of Kerr county liable for road duty who shall, on or before the first day of February of each year, pay to the county treasurer of said county the sum of three dollars shall be exempt from all road duty for such year beginning on the first day of February. The county treasurer shall receive and receipt for all money so paid him, and shall place the same to the credit of the road and bridge fund; the county treasurer shall on the tenth day of February or as soon thereafter as practicable furnish to each commissioner a list of all persons in their respective precincts that have paid said sum as provided in this section, and each of said persons shall not be liable under any summons for work on the public roads for the ensuing year.

SEC. 8. The commissioners court of said county shall, as far as practicable, expend the money upon the roads and bridges and improvements in the public roads and bridges for the benefit of the sections of the county in proportion to the amounts paid in from the different sections of said county, and all sums of money in the road and bridge fund of the county shall, as far as practicable be so expended.

SEC. 9. Every person liable to work on roads under the General Laws of the State, by paying his road overseer, or the road commissioner, at any time on or before the day appointed to work on his road, the sum of one dollar for each day that he is summoned to work, shall be exempt from working for the time for which he has so paid.

SEC. 10. Each person summoned to work on a road shall take with him an ax, hoe, pick, spade, plow, scraper, or such other tool as may be desired and directed by the overseer, or if he has no such tools as are desired by the overseer, to take with him, he shall take such other suitable tools as he may have.

SEC. 11. If any person liable to work on the public roads, after being legally summoned, shall intentionally fail or refuse to attend, either in person or by able and competent substitute, or fail or refuse to pay to such road overseer or the road commissioner the sum of one dollar for each day he may be summoned to work on the road, or having attended shall fail to perform such fair service, or any other duty required of him by law or the person under whom he may work, shall be deemed guilty of a misdemeanor and on conviction thereof may be fined in any sum not exceeding \$10.00.

SEC. 12. The road commissioner of each precinct in said county, shall

obtain from the tax collector of said county as soon after the first day of February of each year as practicable, and before the first day of May thereafter, a full list of all persons indebted to said county for poll taxes and taxes on personal property, or either, for the previous year, and from whom said taxes cannot be otherwise collected by law, and the persons so appearing on said list and who are so delinquent shall be subject to road duty for such a time until said indebtedness shall be discharged at the rate of fifty cents per day for each day they may so work on the public roads, and they shall be summoned as in other cases, to work the roads in the precinct in which such person may reside; and the performance of the road service provided for in this section shall not exonerate the persons performing the same from any other duty to which they may be subject, but this shall be taken as cumulative. No person shall be required to so work on the roads who is not physically able to perform a day's work on such roads, or who is exempt from road duty under the General Laws of the State. The persons required to do duty under the provisions of this section shall be subject to prosecution as provided in Section 11 hereof or other laws of this State, and subject to the same liabilities and punishments provided for in other cases for failing to appear or do good work, when summoned so to do, as provided for in said Section 11 hereof, or other laws of this State, and all such laws shall apply to parties required to work under the provisions of this section. And when they are convicted for so failing to work the roads, shall satisfy the fine and costs as in other misdemeanor convictions. But any person summoned to work under the provisions of this section may satisfy such summons and be relieved from such duty by paying to the road commissioner or road overseer the full amount of the delinquent county taxes due by him with interest and penalty due thereon, as prescribed by law. Whenever any such person shall discharge his delinquent taxes, as herein provided, it shall be the duty of the road overseer or road commissioner, to report the same back to the tax collector, who shall report to the commissioners court; for making out said delinquent list and making said report to the court said tax collector shall be exempt from road duty.

SEC. 13. At the regular term in February each year of the commissioners court of said county, all road overseers of said county shall make their reports to said court, upon forms to be furnished by the commissioners court; said reports shall state the condition of their roads, number of hands, and names of each hand subject to road work, and the number of days that each hand has worked, the number of hands who have made the payment provided for in Section 7 of this act in lieu of labor, the amount of all money received and expended by him, and if there is a balance on hand it shall be turned over to his successor in office to be paid out for work on said roads; said report shall be sworn to before some officer authorized to administer oaths; said reports shall be examined by the commissioners court, and if they be found correct, shall be approved by said court, and as soon thereafter as practicable the said commissioners court shall appoint and commission road overseers for the succeeding year, and in case of the death, refusal or inability to act on the part of any road overseer so appointed, the county commissioner of the precinct shall have authority to fill the vacancy, and report his action in writing to the county clerk who shall record the same in the

minutes of the commissioners court, either in term time or vacation. Any overseer intentionally failing to perform his duty as such overseer or failing or refusing to make his report as required by law, or failing or refusing to serve and perform the duties of overseer when appointed by said court, if not legally exempt, or failing to comply with the law in any way concerning his duty as overseer, shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not more than \$25.00.

SEC. 14. Whenever it shall be necessary to occupy any land for opening, widening, straightening or draining any road or part thereof, if the owner of such land and the commissioners court cannot agree upon the damages to be paid, the county may proceed to condemn the same in the same manner that a railroad company, under the laws now existing or hereafter passed, may condemn land for right of way, and the same proceedings may be had and the same rights shall exist to such party as would exist if the proceedings were by a railroad company, except that the county shall in no case be required to give bond; provided that nothing contained in this section shall be held to repeal the provisions of the general law relating to the opening of public roads by juries of view; this section shall be held to be cumulative thereof, and the commissioners court of Kerr county may act under such general law or the provisions of this section, at their option in such case.

SEC. 15. Each county commissioner when acting as road commissioner and performing the duties imposed upon him by law or by the commissioners court, shall be entitled to \$2.00 per day for the services actually and necessarily performed; provided, that he shall not draw such pay for more than ten days per quarter nor more than \$80.00 per annum, which amount shall be paid out of the road and bridge fund, when the same shall have been approved by the commissioners court, and the court shall not approve said account unless the commissioner presenting it shall sign an oath that the said account is just due and unpaid, and itemizing the days when, and on what road he actually performed the service as road commissioner, and that the same was necessary to be done; and no commissioner shall be entitled to pay as road commissioner while he is performing the duties of county commissioner or while going to or returning from the commissioners court of said county, nor shall he receive any additional pay than that provided for by this section for inspecting the roads in his district or for other road services.

SEC. 16. The commissioners court of said county may at any regular term thereof, abolish the office of road commissioner as provided for in Section 1 hereof, and may appoint one road superintendent for such county or one superintendent in each commissioners precinct, and said court is authorized by an order made at any regular term thereof to determine whether there shall be one road superintendent for the county or one for each commissioners precinct; and said superintendent or superintendents, shall have the same power and authority as is herein given to road commissioners and shall be governed by this act as well as the General Laws of this State when not in conflict therewith.

SEC. 17. The term "road" as used in this act, includes road bed, ditches, drains, bridges, culverts, and every part of such road; the term "mark" and "marking" included the opening and laying out of new roads, widening, constructing, draining, repairing and everything else that may be done in and about any road.

SEC. 18. This act shall be taken notice of by all courts in the same manner as the General Laws of this State, and shall be construed to be cumulative of all General Laws of the State, on the subject of roads and bridges, when not in conflict therewith, but in case of conflict this act shall control as the county of Kerr.

SEC. 19. The fact that this session of the Legislature is rapidly drawing to a close and the condition of the road system of Kerr county is such as to require immediate action, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 23, nays 0; and passed the House of Representatives by two-thirds vote, yeas 102, nays 0.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 9th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. COLORADO COUNTY—ROAD SYSTEM.

S. B. No. 248.]

CHAPTER LXXXI.

An Act to create a more efficient road system for Colorado county, making the county commissioners of said county ex-officio road commissioners; prescribing their duties as such, and providing for their compensation as such road commissioners; providing for the working of county convicts on the public roads of said county; to authorize the commissioners court to enact reasonable rules, regulations and punishments necessary for the government, control and discipline of said convicts, and for effectually securing and utilizing their labor; providing for the payment of costs due officers in misdemeanor convict cases; providing for commutation of time of convicts as a reward for faithful service and good behavior; providing for a reward not to exceed ten dollars, to be offered for the arrest and conviction of escaped county convicts, and taxing such reward and all actual costs necessarily incurred in the recapture and conviction of such convict against such convict; making it a penal offense for a county convict to escape from any person having him in charge for the county, and providing for a penalty for such escape; providing for the trimming of hedges by the owners of land adjoining public roads, and providing a penalty for failure to trim such hedges; providing the amount of compensation in road time to be allowed by overseers to road hands for teams, plows, scrapers and wagons; providing for the condemnation of land for public road purposes; providing for the working of delinquent poll taxpayers on the public roads; providing for the appointment of road overseers and defining their powers and duties, and providing for penalties for persons failing to work the roads when warned, and for persons failing to do good work, or to work in the manner prescribed by the commissioner or road overseer; providing for the summoning of persons with teams, plows, scrapers and wagons to work in connection with the county's regularly organized road gang, or to repair roads in the precincts; providing for working convicts either upon the roads or the county farm, or partly upon both, in the discretion of the commissioners court; and providing for making such laws cumulative to the General Laws of the State, and in case of a conflict the special law is to apply to Colorado county Texas.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That each member of the commissioners court of Colo-

rado county shall be ex-officio road commissioner of his respective district, and under direction of the commissioners court, shall have charge of all teams, tools, implements and machinery belonging to said county and placed in his hands by said court, and it shall be his duty, under such rules and regulations as the commissioners court may prescribe, to superintend the laying out of new roads, the making or changing of roads, and the building or repairing of bridges. Each of said commissioners shall, before entering upon the duties of his office, in addition to the bond now provided by law, execute a bond in the sum of one thousand dollars, with two or more good and sufficient sureties, payable to the county judge of said county, for the use and benefit of the road and bridge fund, conditioned that he will perform all the duties required of him by law or by the commissioners court, and that he will account for all money or property belonging to the county as may come into his possession; which bond shall be approved by the county judge.

SEC. 2. The commissioners court of said county shall have full power and authority, and it shall be its duty, to adopt such system for laying out, building, grading, graveling or repairing the public roads in said county, and for building or repairing the bridges therein, as it may deem best, and to purchase such material, teams, tools, implements and machinery as may be necessary for such work, and to hire men, teams and implements when necessary, under such regulations, and for such price as it may deem best, and from time to time the said court may change its plan or system or working.

SEC. 3. The commissioners court of said county may require all county convicts not otherwise employed, to labor upon the public roads, and such convicts thus employed, shall receive a credit of twenty-five cents per day, first upon the fine, and then upon the cost, for each day he may so labor. The commissioners court may, at any regular term, allow to the officers and witnesses in a convict case such portion of their lawful cost as it may determine, not to exceed in any case, seventy-five per cent. of the legal fees due the officers, and twenty-five per cent. of legal witness fees; which allowance shall be paid out of the road and bridge fund of the county upon the warrant of the county judge, when the fine and costs adjudged against the convicts shall have been satisfied in full by labor; provided, that this shall not be construed so as to relieve any convict from the payment of all costs for which he may be liable under the General Laws of the State. Nothing in this act shall be construed so as to deprive the commissioners court of the right to have convict-labor a part or all their time upon the county farm, but authority is herein expressly given said court to require convicts to labor, in payment of fines and costs, either upon the county farm or upon the public roads, or partly upon both as to said court may seem best and the provisions of this act shall apply as far as practicable in all cases where convicts labor upon the county farm as well as upon the public roads.

SEC. 4. The commissioners court of said county may provide and enact such reasonable rules, regulations and punishments as may be deemed necessary for the government, control and discipline of said convicts and for effectually securing and utilizing their labor; and may provide such houses, tents, prisons, clothing, bedding, food, medicine and medical attention and superintendence and guards as may be deemed necessary for the humane and safe keeping of the convicts. The com-

missioners court may grant a reasonable commutation of time for which a convict is committed as a reward for faithful service and good behavior, in no case to exceed one-tenth of the whole time. The commissioners court may offer a reward not to exceed ten dollars for the recapture and conviction of an escaped county convict, which shall be paid out of the general fund of the county, to any person securing such recapture and conviction, other than the person from whom such convict escaped; said reward when paid to be taxed against the convict and to be paid by him as other costs incurred and adjudged against him upon his trial.

SEC. 5. If any county convict shall escape from any person or persons having said convict in charge for said county, said county convict so escaping shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not less than five nor more than twenty-five dollars, and may also be punished by confinement in the county jail not exceeding thirty days during which time he may be put at hard labor.

SEC. 6. It shall be the duty of each county commissioner when acting as road commissioner to inform himself of the condition of the public roads in his district and subject to the rules, regulations and orders of the commissioners court he shall determine the character of the work to be done upon the same and shall direct the manner of grading, graveling, draining or otherwise improving the same which directions shall be observed and obeyed by all road overseers in his district.

SEC. 7. The road commissioner shall have control of all road overseers in his district and such overseers shall call out the hands and teams in their respective precincts in such numbers and at such times and places as may be required by the road commissioner to work in connection with the county's regular organized road gang or in building or repairing roads and bridges; but no road hand shall be required to work exceeding five days in any one year or two days with himself and team and unless the term of service as prescribed by the General Laws shall be extended beyond that time; and provided that all road hands in any particular district shall as far as practicable be worked a uniform time. Under the direction of the commissioner each road overseer shall have full control of all road hands within his road precinct and shall see that each hand when called out, shall perform a good day's work, and if any hand, when so called out, shall fail or refuse to do a good day's work or to work in the manner the commissioner or road overseer may direct, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons.

SEC. 8. Every person liable to work on the public roads shall take with him an ax, hoe, pick, spade, shovel, plow, scraper, or such other tools as may be desired or directed by the overseer, or if he has no such tools as are desired or directed by the overseer to take with him, he shall take such other suitable tools as he may have. Such overseer shall also summons and require such road hand to bring with him for road work, such team or teams as he may have on hand, suitable for road work; provided, such hands shall be allowed $2\frac{1}{2}$ days time for each day put in by a hand and his team and $1\frac{1}{2}$ day's time for his team without such hand.

SEC. 9. If any person liable to work on the public roads, after being legally summoned as provided by the General Laws of the State, shall fail or refuse to attend in person or by an able or competent substitute or fail or refuse to furnish his team or tools at the time and place desig-

nated by the person summoning him, or to pay to the overseer the sum of one dollar for each day summoned to work, he shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not less than one nor more than ten dollars, and each day of such failure shall constitute a separate offense.

SEC. 10. At the regular term of the commissioners court in February of each year, all road overseers shall make their reports under oath upon forms to be furnished them by said court which said report shall be examined by said court and as soon thereafter as practicable, said commissioners court shall appoint and commission road overseers for the succeeding year and in the event of the removal, death, refusal, failure or inability to act on the part of any road overseer so appointed, the commissioner of the precinct shall have authority to fill the vacancy and report his action in writing to the county clerk who shall record the same in the minutes of the commissioners court, either in term time or vacation.

SEC. 11. If any road overseer shall fail or refuse to perform his duties as such, as required by law, or the commissioners court, or by the road commissioner of the district, he shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum, not less than five nor more than twenty-five dollars.

SEC. 12. Every poll taxpayer of Colorado county who shall fail to pay his poll tax, as required by law, shall be compelled to pay such tax by working upon the public roads of said county for three full days. In order to enforce the provisions of this section, the tax collector of Colorado county shall furnish the commissioners court of the county at the regular term in the month of May of each year, the names of all delinquent poll taxpayers of the county, giving the place of residence of such delinquent poll taxpayers; and each road commissioner shall require the road overseers of his district to warn and call out such delinquent poll taxpayers to work upon the public roads at such times and places as he may designate and it shall be the duty of each road commissioner, whenever any delinquent poll taxpayer shall have discharged and paid the same as herein provided, to report the same to the collector, who shall credit the party upon the tax rolls with the amount of his poll tax so paid. The road commissioner shall also report the same to the commissioners court. The persons required to do road duty under the provisions of this section shall be subject to prosecution for failure to so work, and subject to the same liabilities and punishments provided by this act for failure to appear and do good work when summoned so to do, and when they are convicted for so failing to work the roads they shall satisfy the fine and costs as in other convictions of misdemeanors; but any person summoned to work on the road under the provisions of this section, may satisfy said summons and be relieved from said duty by paying to the road commissioner of his district the sum of three dollars, all of which shall go to the road and bridge fund of the county. This section shall apply as well to the delinquent poll taxpayers in the incorporated cities and towns of Colorado county as to those outside of said cities and towns.

SEC. 13. Whenever it shall be necessary to occupy any land for the purpose of opening, widening, straightening, grading, making embankments, filling or draining any road or part thereof, if the owner of such

land and the county commissioners court can not agree upon the damage to be paid, the county may proceed to condemn the same in the same manner that a railroad company can condemn land for right of way, and the same proceedings may be had and the same rights shall exist to each party as would exist if the proceedings were by a railroad company, except that the county shall in no case be required to give bond.

SEC. 14. Each owner of a farm or other lands upon which a hedge of any description grows, on or near the public road, shall be required to keep the same so trimmed as not to obstruct said road; any such owner who shall fail or neglect to so trim such hedge shall be notified in writing by the road overseer of that precinct or the road commissioner to trim such hedge as is herein required, and if such owner shall fail to so trim such hedge within ten days after receiving such notice he shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not less than five nor more than twenty-five dollars; and each week of such failure to trim such hedge, shall constitute a separate offense; such fine or fines when collected to go to the road and bridge fund of the county.

SEC. 15. Each county commissioner, when acting as road commissioner and performing the duties imposed upon him by law or by the commissioners court, shall be entitled to two dollars and fifty cents per day for services actually performed; provided, that he shall not receive more than \$75.00 for any one quarter, which amount shall be paid out of the road and bridge fund of the county when the account shall have been approved by the commissioners court and the court shall not approve said account unless the commissioner presenting it shall sign an oath that the account is just, due and unpaid, and specify the number of days work actually performed by him and that it was necessary to be done, and no commissioner shall be entitled to pay as road commissioner while he is performing the duties of a county commissioner.

SEC. 16. This act shall be taken notice of by all the courts in the same manner as the General Laws of the State and it shall be construed to be cumulative of all General Laws of the State on the subject of roads and bridges when not in conflict therewith, but in case of conflict this act shall control in Colorado county.

SEC. 17. The fact that there is now no sufficient general road law in force in this State, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended; and this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 21, nays 0; and passed the House of Representatives by two-thirds vote, yeas 102, nays 0.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 9th day of April, A. D. 1901, but was not signed by him not returned to the house, in which it originated, with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

M'CULLOCH COUNTY—RESTORE JURISDICTION TO COUNTY COURT OF.

S. B. No. 208.]

CHAPTER LXXXII.

An Act to restore civil and criminal jurisdiction to the county court of McCulloch county, to repeal all laws and parts of laws in conflict with the provisions of this act, and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the civil and criminal jurisdiction heretofore belonging to the county court of McCulloch county under the Constitution and General Laws of the State, be and the same is hereby restored to the county court of said county and the jurisdiction of the district court of said county shall conform to this change.

SEC. 2. The near approach of the close of the present session of the Legislature and the crowded condition of the calendar, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and said rule is hereby so suspended, and this act shall be in force and take effect from and after its passage; all laws and parts of laws in conflict with the provisions of this act are hereby repealed, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 24, nays 0; and passed the House of Representatives, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 2d day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

Takes effect 90 days after adjournment.

ANGELINA COUNTY—RESTORING JURISDICTION TO COUNTY COURT.

S. B. No. 249.]

CHAPTER LXXXIII.

An Act to restore and confer upon the county court of Angelina county the civil and criminal jurisdiction heretofore belonging to said court under the Constitution and General Statutes of the State of Texas; to define the jurisdiction of said court; to conform the jurisdiction of the district court of said county to such change; to fix the time of holding court; and to repeal all laws and parts of laws in conflict with this act.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the county court of Angelina county shall hereafter have exclusive original jurisdiction in civil cases wherein the matter in controversy shall exceed in value two hundred dollars and shall not exceed five hundred dollars, exclusive of interest, and shall have concurrent jurisdiction with the district court of said county when the amount

in controversy shall exceed five hundred dollars and not exceed one thousand dollars, exclusive of interest.

SEC. 2. Said county court shall have appellate jurisdiction in civil cases over which justice's courts have original jurisdiction, when the judgment of the court appealed from or the amount in controversy shall exceed twenty dollars, exclusive of interest, and said county court shall have power to hear and determine cases brought up from justice's court by certiorari under the provisions of the title of the Revised Statutes relating thereto.

SEC. 3. The county judge of said county shall have authority either in term time or in vacation, to grant writs of injunction, sequestration, mandamus, garnishment, attachment, certiorari, supersedeas, and all other writs necessary to the enforcement of the jurisdiction of said court, and shall also have power to issue writs of habeas corpus in all cases in which the Constitution has not exclusively conferred the power on the district court, or judge thereof.

SEC. 4. That said court shall have and exercise the general jurisdiction of a probate court; shall probate wills, appoint guardians of minors, idiots, lunatics, persons non compos mentis and common drunkards; grant letters testamentary and of administration; settle accounts of executors, administrators and guardians; transact all business pertaining to the estates of deceased persons, minors, idiots, lunatics, persons non compos mentis and common drunkards, including the partition, settlement and distribution of estates of deceased persons; and to apprentice minors as provided by General Law, and to issue all writs necessary for the enforcement of its jurisdiction, orders and decrees.

SEC. 5. Said county court shall have jurisdiction in the forfeiture and judgment of all bonds and recognizances taken in criminal cases of which said court has original or appellate jurisdiction.

SEC. 6. Said county court shall have exclusive original jurisdiction of all misdemeanors, except misdemeanors involving official misconduct, and except misdemeanors in which the highest penalty that may be imposed by law is a fine that does not exceed two hundred dollars; and said court shall have concurrent jurisdiction with that of justices of the peace in criminal cases, and appellate jurisdiction with trial *de novo* in criminal cases in which justices of peace and other inferior tribunals of said county have original jurisdiction.

SEC. 7. The district court of said county shall no longer have jurisdiction of misdemeanors, except misdemeanors involving official misconduct, and shall no longer have jurisdiction of cases of which the county court of said county by provisions of this act has original or appellate jurisdiction.

SEC. 8. It shall be the duty of the district clerk of said county, within thirty days after this act shall take effect, to make full and complete transcripts of orders on the criminal and civil dockets then pending before the district court of said county, of which cases by the provisions of this act original and appellate jurisdiction is given to the said county court, and to deliver said transcript, together with the original papers and a certified bill of costs in each case, to the county clerk of said county and the said county clerk shall file the same and enter said cases as appearance cases on the respective dockets for trial by said court.

SEC. 9. The said county court shall also have the power to hear and

determine all motions against sheriffs and other officers of the court for failure to pay over monies collected under the process of said court, or other defalcations of duty in connection with such process, and shall have power to punish by fine not exceeding one hundred dollars, and by imprisonment in the county jail not exceeding three days, any person guilty of contempt of said court, and all other powers and jurisdiction conferred on county courts by the Constitution and General Laws of this State.

SEC. 10. The terms of said court shall commence on the second Monday in January and on the second Monday in April and on the second Monday in July and on the second Monday in October of each year, and may continue in session for three weeks each term; provided, that the county commissioners court of said county may hereafter change the terms of said court whenever it may be deemed necessary.

SEC. 11. All laws and parts of laws in conflict with this act be and the same are hereby repealed.

SEC. 12. The importance of restoring without delay the jurisdiction of the county court of said county, creates an emergency and an imperative public necessity that the law requiring bills to be read on three several days be suspended, and said rule is hereby suspended, and that this act take effect and be in force from and after its passage, and it is hereby so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 23, nays 0; and passed the House of Representatives by two-thirds vote, yeas 99, nays 0.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 9th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. HARRIS COUNTY—ROAD SYSTEM.

S. B. No. 280.]

CHAPTER LXXXIV.

An Act to create a more efficient road system for Harris county in the State of Texas, and authorizing the improvement by the commissioners court of the abutments and approaches to public buildings and the paving of streets connecting the county paved roads with the nearest paved street, validating a bond election authorizing the issuance of six hundred thousand (\$600,000) dollars in bonds for road and bridge purposes; emergency clause.

Be it enacted by the Legislature of the State of Texas:

That, whereas, heretofore, to-wit: on the 19th day of May, 1900, by virtue of authority of the law enacted by the Twenty-third (23) Legislature, Chapter 72, General Laws of 1893, passed in regular session and by virtue of Chapter 149 of the Laws of 1899 passed at the regular session of the 26th Legislature the commissioners court of Harris county entered of record on the minutes of the commissioners court a resolution

setting forth that public roads bridges of a lasting and permanent character should be constructed or built in said county, and that the county should issue its bonds in the sum of six hundred thousand dollars for said purpose, and

Whereas, said resolution was submitted to the vote of the property owners of said county at a regular election held thereon, on towit: the 6th day of November 1900, which election was ordered by the commissioners court for that purpose, and of which election proclamation was made and due notice given according to the law, and

Whereas, due return of said election was made by the managers of said election and returning officers thereof to the county commissioners court, which returns were opened and canvassed by the commissioners court of Harris county and the result of said election found and declared to be "for the issuance of bonds 3880 votes," and "against the issuance of bonds 1450," upon which finding said commissioners court entered an order declaring said proposition carried; and

Whereas, the proposition to issue said bonds contained the proviso that said bonds should bear interest at three (3) per cent. per annum with interest payable semi-annually while the act under which this issue of bonds was attempted to be made provides for the payment of the interest annually; and

Whereas, the proposition to issue the bonds provided that the form of the ballot should be "for the issuance of bonds" and "against the issuance of bonds" and ballots so worded were used in and at said election while the law under which these bonds were attempted to be issued provided that said ballots should contain the words "for the resolution to issue bonds to build permanent roads and bridges" and "against the resolution to issue bonds to build permanent roads and bridges." Which irregularities are trivial and technical and do not affect the *bona fide* of the transaction; and,

Whereas, the proposition to issue bonds in the sum of six hundred thousand (600,000.00) dollars for road and bridge purposes was submitted at a general election to the property taxpaying voters of Harris county and carried by a majority of 2430 votes in favor of the issuance of said bonds and said vote was returned as by law required, and the commissioners court opened and tabulated said returns and declared the result, and the county judge thereafter issued his proclamation declaring the result of said election and posted the same for at least thirty days; and

Whereas, a special road tax as authorized by Chapter No. 7, Title 97, of the Revised Statutes of 1895, has heretofore been authorized by popular vote; and,

Whereas, in the presentation to the taxpaying voters of the proposition to issue bonds it was fully and clearly explained that the fund collected for account of said special road tax would be utilized in the payment of the principal and interest of the bonds and said bonds were voted under the full belief that said special tax would be so used.

It is enacted as follows:

SECTION 1. Said resolution, acts and orders of the commissioners court, entered, done and passed in connection with or concerning the issuance of six hundred thousand dollars road and bridge bonds, and the election held under said resolutions and orders, and the return of said elec-

tion, and the tabulation thereof, and the declaration of the result of same are here now in all things validated and made of as binding force and effect as if the technical irregularities and want of strict compliance with the legislative enactment had not occurred, and the commissioners court of Harris county State of Texas, is authorized to prepare and execute the bonds of the county in the sum of six hundred thousand (\$600,000.00) dollars to bear three (3) per cent. interest per annum, payable annually; which bonds shall be redeemable not less than ten years nor more than forty (40) years from the date thereof. Said bonds shall be six hundred (600) in number and shall be numbered from one to six hundred inclusive and shall be of the denomination of one thousand (\$1,000.00) dollars each and shall have attached thereto interest coupons and shall be known and styled, "Harris county Road and Bridge Bonds."

SEC. 2. At the time of the issuance of the bonds authorized by this act, the commissioners court of Harris county shall provide for the payment of the interest on said bonds and for a sinking fund sufficient to pay off said bonds at their maturity by appropriating from the tax heretofore levied under and by authority of Chapter 7, Title 97 of the Revised Civil Statutes of 1895 for special road and bridge purposes, such amount of said tax as will be sufficient for said purposes.

SEC. 3. Said bonds shall be signed by the county judge countersigned by the county clerk and registered by the county treasurer before delivery, and the county treasurer shall keep an account of the amount of principal and interest paid on each bond and no bond shall be sold for less than par, and before said bonds shall be offered for sale they shall be approved by the Attorney General and registered by the Comptroller of the State.

SEC. 4. The commissioners court of Harris county shall have the option of disposing of the entire six hundred bonds herein authorized, or of selling any part of said issue, and in the event that they elect to dispose of only a part of such issue they shall have the power to invest in said bonds the permanent school fund of Harris county, and the excess which may now exist, or which may hereafter accumulate in the sinking fund of any of the outstanding bonds of said Harris county, (including the sinking fund which will accrue for the payment of the bonds herein authorized); provided however, that the interest coupons shall never be detached from the bonds so sold to or deposited in any sinking fund while remaining in said fund; and provided further that when said bonds have been so sold to or deposited in any of the sinking funds of said Harris county and where cash is needed for said sinking fund so invested, said bonds shall be then sold for the benefit of said sinking fund so invested.

SEC. 5. The commissioners court of Harris county may utilize the fund arising from the sale of the bonds herein authorized for the purpose of building and constructing roads and bridges of a permanent and lasting character, and the construction of necessary drain ditches and canals the site of proposed roads, and to drain established roads after their construction, and the cleaning out, straightening and deepening of the bayous, waterways and natural drains in the county, and this work or any part of it may be done by contract or by the commissioners court and under their supervision.

SEC. 6. When the work is done by contract, bids shall be invited by

publishing advertisements in a newspaper or newspapers and the contract shall be awarded to the lowest and best bidder, provided, however, the commissioners court shall have the right to reject any and all bids.

SEC. 7. The commissioners court in all cases where they may determine to build, erect or construct any road, bridge, ditch, canal or drain by other methods than by contract after advertisement, shall have the power to do so, and the power to purchase or cause to be purchased suitable appliances, paraphernalia, tools, implements and machinery, and all material necessary in the construction and to have said work done under the supervision of the commissioners court and they shall have the right to appoint such superintendent, inspectors and supervisors of said work as in their judgment may be necessary.

SEC. 8. All roads and bridges built under the provisions of this act shall be laid out and constructed under the supervision of the county commissioners court and the county surveyor or some other competent person to be employed by the county for that purpose.

SEC. 9. The commissioners court shall have the power to expend whatever may be necessary of the funds arising from the sale of the bonds herein authorized for the following purposes in addition to those hereinbefore enumerated, to wit: They may in their discretion pave the street approach to Harris county court house and jail and may pave the street on either side of the court house square in Houston upon which the court house abuts, and in their discretion and with the consent of the city council of the city of Houston, they may pave the street or streets intervening between the paved county roads and the nearest paved street in the city of Houston.

SEC. 10. When it shall be made to appear to the commissioners court that the same is necessary for the better drainage of any public road or roads within Harris county, that the ditches along the right-of-way of any railroad company in Harris county should be opened and cleaned out and the bar pits along said right-of-way emptied and drained, the commissioners court may, by an order entered upon the minutes at a regular or special term of the commissioners court require any railway company whose ditches are so faultily constructed, or so out of repair as to impede the easy and rapid flow of water accumulating on, along and near their right-of-way to the nearest bayou, gully outlet or water course, and it shall be the duty of said railway, in reference to which said order is made and entered, within sixty days after the receipt of a certified copy of said order left at the general office of the company, or served upon any one of its agents at Houston, to commence the work so ordered to be done and to continue such work with reasonable dispatch until its completion to the satisfaction of the commissioners court, and in the event that said railroad company, its officers and agents fail to comply with the terms of said order, and fail to commence said work within sixty days, and finish the same within a reasonable time, the commissioners court shall have said work performed, keeping an accurate account of the money expended upon said work, and said money so expended may be recovered from the railroad company along whose right-of-way said work was done, at the suit of the county for the benefit of its road and bridge fund, in any court of competent jurisdiction in Harris county.

SEC. 11. Whenever it shall be necessary to occupy any land for the purpose of opening, widening, straightening, grading, making embankments, filling or draining any road or part thereof, if the owner of such land and the commissioners court cannot agree upon the damages to be paid, the county may proceed to condemn the same in the same manner that a railroad company under the law now existing or hereafter passed, may condemn land for right-of-way, and the same proceedings may be had and the same rights shall exist to such party as would exist if the proceedings were by a railroad company, except that the county shall in no case be required to give bond; provided, that nothing contained in this section shall be held to repeal the provisions of the General Law relating to the opening of public roads by jury of view; this section shall be held to be cumulative thereof, and the commissioners court of Harris county may act under General Law or the provisions of this section at their option in each case.

SEC. 12. Whenever the commissioners court of said county may deem it best to build or construct, or cause to be constructed or built, lasting or permanent roads in the county, or grade, pave, gravel, or otherwise improve such road, by contract or otherwise, and they find it necessary to widen the road or to make as straight a road as is practicable, said court shall have power and may employ a competent surveyor, who shall be an engineer, to make a proper survey of such road or so much thereof as said court may deem necessary to be built, constructed or otherwise improved, together with the frontage of said tract of land abutting on said road.

SEC. 13. The surveyor shall, as soon as practicable after his employment proceed to make an accurate survey and system of levels of the necessary grade line of said road and shall cause substantial stakes to be placed along said line at intervals of 100 feet, together with such intermediate stakes as may be necessary, numbered progressively, and shall establish permanent marks along said lines at intervals of one mile or less, as may be necessary, and establish by stake or monument of a different character and appearance from all other stakes and monuments, the highest point upon said road between natural water courses crossed by the road; said surveyor shall also measure and establish by suitable marks the frontage of each tract of land abutting on said road, and ascertain and give the names of each owner thereof and if there be a natural water way adjacent to the line of said road and the same is necessary to be utilized as an outlet to lead the water at any point from said road and its ditches, the surveyor shall measure the distance to the same, and run the line of levels thereto from the nearest point on said road and ditch. He shall prepare a map showing the location of said road, together with the position of stakes or monuments with numbers corresponding with those on the ground and the position of the marks with the elevations referred to.

Said map shall also show the lines and distance of frontage of adjacent land and name of the owner and the course and distances to any adjacent water course, together with a profile of the line of the road which shall show the assumed datum, the natural grade line of the road and the proposed grade line of the road, not to rise or fall in lineal course more than fifteen inches to the sixteen and one-half feet; and the said map, or the explanation of the same shall, in tabular form, give the height

of grade, width at bottom and width at top and at each one hundred feet stake or monument upon the following basis or datum: For first-class roads entire width to be sixty feet, grade twenty feet wide at bottom; second-class roads to be fifty feet wide, grade sixteen feet at the bottom; third-class roads thirty feet wide, grade fifteen feet wide at the bottom. Said map or explanation to the same shall show the total number of yards to be excavated and number of yards to fill, and an estimate of the cost of each portion of the road lying between each five hundred feet stake or monument, together with an estimate of total cost of the whole work for said road and proper drainage; and the surveyor shall as soon as the survey is completed, prepare and file together with his report and map as herein provided for specifications in detail for the execution of the same together with the statement of the location of all necessary culverts for drainage and the dimensions and character of material required therefor. The survey, report map, explanation, specifications and estimates herein provided for shall be filed by the surveyor with the clerk of the commissioners court, as soon after his employment as may be practicable, having in view an accurate and complete report upon the physical conditions of said road or section thereof.

SEC. 14. At a regular called or special session of the commissioners court after the filing of the surveyor's report, map, explanation, specifications and estimates of the surveyor provided for in this act, if it shall appear to the court that it be necessary to occupy any lands adjacent to any public road now existing or hereafter adopted or surveyed, for the purpose of opening, widening, straightening, extending, grading and draining, or either, any such road or any part thereof, if the owner of such land and the county cannot agree upon the damages, if any, to be paid, the county may proceed to condemn the same as herein provided for in Section 11 of this act, or the court may appoint five freeholders of the county, not interested directly in the construction of the proposed work as a land owner adjacent to or abutting on said road, and not of kin to any of the parties so directly interested therein, who shall constitute a jury of view, who shall meet at a time and place to be specified by said court in the order appointing them, and the clerk of the court shall thereupon issue to each of said jury of view a copy of the order of the court and a precept to the sheriff to serve the same upon the jurors within ten days after such order was made, and the sheriff receiving such copies shall serve the same upon the jurors by delivering to each of them in person a copy of the order provided for, or by leaving such copy at the usual place of abode of such juror within ten days after the sheriff receives the copies, and he shall make his return to the clerk on the precept, stating the date and manner of service, or if service has not been made stating the cause of his failure to make the same; and any juror summoned as such who shall fail or refuse to perform the service required of him by law as such juror shall forfeit and pay for every such failure the sum of ten dollars, to be recovered by judgment upon suit of the county attorney in the name of the county in any court of competent jurisdiction of the county in which such defaulter may reside. The jury of view shall proceed with the county surveyor, who shall take with him the original report, map, explanation, specifications and estimate of the surveyor, for the use of the jury at the time and place specified in the order of the court appointing them, after notice has been given to

each abutting land owner as hereinafter provided, and after having taken the following oath before any officer authorized to administer the same, to wit: "I do solemnly swear that I am not directly interested in the construction of the proposed road, nor in any lands abutting on the same, and that I will assess the damages to the land owners, if any there be, according to law without bias or prejudice, malice or hatred, to the best of my knowledge and ability, so help me God." And after viewing the road and abutting lands surveyed by the engineer, and after hearing all protests, claims and remonstrances offered and presented, taking into consideration the relative amount of benefit derived by said land from the construction of such road, and they shall assess the amount of damages or compensation due to each land owner, if any, for land to be taken necessary to be occupied for the purpose of opening, widening, straightening, grading and draining, or either, any such road or part thereof, or through whose land any lateral ditch or drain is or may be constructed under the order of appointment necessary to drain the road; which damages or compensation assessed, if any shall first be ordered to be paid by the county out of the road fund of the county, and the treasurer shall pay the same, or secure its payment by a special deposit of the amount in his office subject to the order of such owner, and shall notify such owner by mail or otherwise, of such deposit. The county surveyor shall issue a notice in writing to the land owner of each abutting tract of land along said road a part of whose land is sought to be taken for the road to each person through whose land said road will run and to each land owner through whose land a ditch or drain for the road is sought to be made, or to his or their agent or attorney, of the time and place when the jury will assess the damages incidental to the taking of the land or construction of a ditch for the road, which notice shall be served by any person competent to testify, or through mail by registered letter, upon such owner, his agent or attorney, at least five days before the day named therein. If such owner is a non-resident, and his address is known, and has no agent or attorney, in the county, the notice shall be given by registered letter through the mail ten days prior, and if his residence or address is unknown, by publication once each week for four weeks in a newspaper published in the county prior to the date named for the meeting of the jury of view. The cost of such registered mail notice and of such publication shall be paid by the county on an order of the court, and proper returns of said notice showing how same have been served shall be filed with the report of the jury of view. Any person whose land may be effected by such road and its lateral drain ditches, if any, may at any time stated in such notice, or previously thereto, present to the jury a statement in writing of any objections to or dissatisfaction therewith, and any claim for damages which he may have sustained by reason of the taking of his land for road purposes and the making of lateral drain ditches, and a failure to make such objections or claim for damages or compensation in writing as herein specified, shall be deemed a waiver of all claim or right thereto, all of which objection or claim shall be returned to the commissioners court in connection with a report of the jury of view; provided, that any abutting land owner shall have the right also to appear before and be heard by the commissioners court on his protest or remonstrance or claim against the action of the jury of view.

SEC. 15. The jury of view shall make a report to the commissioners

court, as soon as practicable after their meeting, signed by at least three of said jury, and duly verified under oath, of their actions and findings in the matter, and shall return with their report the name of each land owner, the number of acres and the amount of damages assessed or compensation awarded for each land owner. They shall carefully preserve and duly return with the report of the jury of view the map, profile, explanation, specifications, and estimates of the surveyor, and all claims and objections presented by the land owners, and all notices and returns of service thereof on land owners, agents or attorneys, and the same shall be filed with the clerk of the commissioners court and shall become a public record and be preserved as such, and the court shall act upon such report at the next regular or special term and approve or reject the same.

SEC. 16. If the commissioners court shall approve of the report of the jury and order that such road and lateral ditches, if any, be so opened, they shall consider the assessment and damages by the jury and claimant's statement thereof, and allow to each owner just damages or adequate compensation for the land taken, and when paid, or secured by deposit with the county treasurer to the credit of such land owner, they may proceed to have such road and lateral drain ditches, if any, opened and constructed, by contract or otherwise, as they may deem best.

SEC. 17. If the owner of the land is not satisfied with the assessment by the commissioners court he may appeal therefrom as in cases of appeals from judgments of justice's court, but such appeal shall not prevent the commissioners court from opening the road and drain ditches, if any, and improve the same, but shall be only to fix the amount of damages in controversy between the owner and the county, and if a greater amount of damages is obtained on appeal the county shall pay the excess and the costs, but if no greater damages are obtained the party taking the appeal shall pay all costs.

SEC. 18. The jurors of view shall each receive the sum of two dollars per day as compensation for their services for each day so actually engaged; and said surveyor and engineer shall receive as compensation such sum as may be allowed by the commissioners court.

SEC. 19. This law shall be cumulative of all other General Laws on the subject of roads and bridges not in conflict herewith, and where not otherwise provided herein such General Laws shall apply; but in case of conflict with other General Laws the provisions of this act shall govern; and this act shall be taken notice of by all courts in the same manner as the General Laws of the State.

SEC. 20. The great necessity for this law, there being no law existing upon the subject that is sufficient to enable the people of Harris county to improve and construct the roads and bridges as they should be, creates a public necessity and emergency requiring that the rule that bills be read on three several days in each house be suspended, and the same is hereby suspended, and that this act take effect and be in force from and after its passage and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 21, nays 0; and passed the House of Representatives by two-thirds vote, yeas 101, nays 0.]

ernor is hereby authorized to contract with Elizabeth Ney for such work and is authorized to place such statues in the capitol of the State; and provided further, that this appropriation shall not lapse for two years.....\$ 8,000 00

SEC. 2. All buildings for the erection and equipment of which appropriations have been made under this act, and all improvements of and repairing of any public building shall be erected and made under the direction, management and supervision of honest and competent architects, who shall be appointed by the Governor, and whose salary shall be deducted from the respective appropriations made for such purposes; and it shall be unlawful for the Comptroller of Public Accounts to issue any warrants on the treasury, and for the Treasurer to pay any such warrants for the erection of any of the public buildings herein provided for, or for any such improvements of or repairing to any public building except upon an itemized statement of such expenditures, approved by the Governor, which itemized statement shall be filed and kept by the Comptroller for public inspection; and provided further, that a duplicate certified copy of the plans, specifications and estimates used in the erection or improvement of any of said buildings shall be filed with and kept by the Secretary of State in his office for public inspection.

SEC. 3. Provided, however, that with the exception of the appropriation made for the account of the State penitentiary and Assistant Attorney General, that the Comptroller of Public Accounts is hereby instructed to draw no warrants against any appropriation made for the various State institutions and departments of this State unless an itemized statement, under oath, be filed as a voucher in office of said Comptroller.

SEC. 4. It is hereby required of each and every institution of this State to keep an itemized account and record of all moneys received from sales of all property, products, animals and leases of property; and the managers, presidents and superintendents of all such institutions shall cause to be made semi-annually to the Comptroller of Public Accounts an itemized statement, showing all such sales and moneys received therefrom and from such leases; provided, that the Superintendent of Penitentiaries and the Regents of the University shall not be required to do more than is at present provided by law, and they are exempt from the operation of this section.

SEC. 5. The fact that there is no appropriation for the support of the State government from March 1, 1901, to August 31, 1901, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 95, nays 13; and was reported to the Senate, where same was amended and passed by two-thirds vote, yeas 20, nays 3; Free Conference Committee report adopted by House by two-thirds vote, yeas 83, nays 24, and was adopted by the Senate, no vote given.]

FRATERNAL BENEFICIARY SOCIETIES—AMENDMENT TO
LAW OF.

S. H. B. No. 124.] CHAPTER LXXXVI.

An Act to amend Section 6 of an act entitled "An Act to define and regulate fraternal beneficiary societies, orders or associations; to prescribe the terms and conditions on which such societies organized under the laws of other States or those doing business in other States may be permitted to do business in Texas; and to define the duties of the Commissioner of Insurance in this State in relation thereto; providing for the incorporation of societies," being Chapter 115 of the General Laws, passed by the Twenty-sixth Legislature at its Regular Session; and declaring an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Section 6 of the above recited act be and the same is hereby amended so as to hereafter read as follows:

Section 6. Any such association refusing or neglecting to make the report provided for in this act, (or that shall fail to pay any valid final judgment rendered against it in any of the courts of this State within sixty days after the rendition thereof), shall be excluded from doing business within this State. Said Commissioner of Insurance must within sixty days after failure to make such report, or in case any such association shall exceed its powers, or shall conduct its business fraudulently, or shall fail for a period of sixty days to pay off any valid final judgment which may be rendered against it in any of the courts of this State, or shall fail to comply with any of the provisions of this act, give notice in writing to the Attorney General, who shall immediately commence an action against any such association to enjoin the same from carrying on any business in this State; and no injunction against any such association shall be granted by any court except on application of the Attorney General, after the request of the Commissioner of Insurance, whether the State or a member or other party seeks relief. No association so enjoined shall continue business until such report shall be made. (nor until such valid final judgment shall be paid) or overt act or violation complained of shall have been corrected, nor until the costs of such action be paid by it; provided, the courts shall find that such association was in default as charged, whereupon the Commissioner of Insurance shall reinstate such association, and not until then shall such association be allowed to again do business in this State.

SEC. 2. The fact that there is no law in this State regulating fraternal beneficiary associations, whereby such associations may be compelled to pay judgments rendered against them in the courts of this State, thereby causing inconvenience to a large number of people, creates an emergency and an imperative public necessity requiring that the constitutional rule which requires bills to be read on three several days in each house be suspended and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and passed the Senate by two-thirds vote, yeas 22, nays 0.]

Approved April 15, 1901.

Takes effect 90 days after adjournment.

WAREHOUSES AND WAREHOUSEMEN—PROVIDING FOR
THE REGULATION OF.

H. B. No. 385.]

CHAPTER LXXXVII.

An Act to define public warehousemen and public warehouses, and to regulate the business of public warehousemen, public warehouses, and the issuance of public warehouse receipts; and to define and punish violations of this act..

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That all persons, firms, companies or corporations who shall receive cotton, tobacco, wheat, rye, oats, rice, whisky, oil, or any kind of produce, wares, merchandise, or any description of personal property in store for hire, under the provisions of this act, shall be deemed and taken to be public warehousemen, and all warehouses which shall be owned or controlled, conducted and managed in accordance with the provisions of this act, shall be deemed and taken to be public warehouses; provided, that a public warehouse for the storage of cotton may, within the meaning of this act, include a lot or parcel of land inclosed with a lawful fence, the gates or entrances to which shall be kept securely locked at night.

SEC. 2. That the owner, proprietor, lessee or manager of any public warehouse, whether an individual, firm or corporation, before transacting any business in such public warehouse, shall procure from the county clerk of the county in which the warehouse or warehouses are situated, a certificate that he is transacting business as a public warehouseman under the laws of the State of Texas, which certificate shall be issued by said clerk upon a written application, setting forth the location and name of such warehouse or warehouses, and the name of each person, individual, or a member of the firm, interested as owner or principal in the management of the same; or if the warehouse is owned or managed by a corporation, the names of the president, secretary and treasurer of such corporation shall be stated, which application shall be received and filed by such clerk and preserved in his office; and the said certificate shall give authority to carry on and conduct the business of a public warehouse within the meaning of this act, and shall be revokable only by the district court of the county in which the warehouse or warehouses are situated, upon a proceeding before the court, on complaint by written petition of any person, setting forth the particular violation of the law, and upon process, procedure and proof, as in other civil cases. The person receiving a certificate as herein provided for, shall file with the county clerk granting same, a bond payable to the State of Texas, with good and sufficient surety, to be approved by said clerk, in the penal sum of five thousand dollars (\$5000), conditioned for the faithful performance of his duty as a public warehouseman, which said bond shall be filed and preserved in the office of such clerk.

SEC. 3. That on application of the owner or depositor of the property stored in a public warehouse, the warehouseman shall issue over his own signature, or that of his duly authorized agent, a public warehouse receipt therefor, to the order of the person entitled thereto, which receipt shall purport to be issued by a public warehouse, shall bear date of the day of its issue, and shall state upon its face the name of the warehouse and its location, the description, quantity, number and marks of

the property stored, and the date on which it was originally received in warehouse, and that it is deliverable upon the return of the receipt properly endorsed by the person to whose order it was issued, and on payment of all charges for storage. All such receipts shall be numbered consecutively, in the order of their issue, and when such receipt is for cotton, the receipt shall state whether the cotton therein described is exposed to the weather or is under shelter; and a correct record of such receipts shall be kept in a well bound book which shall be, at all reasonable hours, open to examination by any interested person, and no two receipts bearing the same number shall be issued from the same warehouse during the same year, nor shall any duplicate receipt be issued, except in the case of a lost or destroyed receipt, in which case the new receipt shall bear the same date and number as the original, and shall be plainly marked on its face "Duplicate"; and provided that no such duplicate receipt shall be issued by the public warehouseman, until adequate security acceptable to the warehouseman, be deposited with or to the order of said warehouseman, to protect the party or parties who may finally hold the original receipt in good faith and for a valuable consideration.

SEC. 4. That no public warehouse receipt shall be issued, except upon the actual previous delivery of the goods into the public warehouse or on the premises and under the control of the public warehouseman by whom it purports to be issued, and the name of the warehouse shall invariably be specified in such receipt.

SEC. 5. That on the presentation and return to the warehouseman of any public warehouse receipt issued by him and properly endorsed, and the tender of all proper warehouse charges upon the property represented by it, such property shall be delivered immediately to the holder of such receipt; but no public warehouseman who shall issue a receipt for goods, shall under any circumstances or upon any order or guarantee whatsoever, deliver the property for which receipts have been issued, until the said receipt shall have been surrendered and canceled, except in case of lost receipts, as provided for in Section 3 hereof, and in default of the strict compliance with the provisions of this section of this act, he shall be held liable to the legal holder of the receipt for the full value of the property therein described, as it appeared on the day of the default, and shall, furthermore, be liable to the special penalty herein provided. Upon delivery of the goods from the warehouse upon any receipt, such receipt shall be plainly marked in ink across its face with the word "canceled," with the name of the person canceling the same, and shall thereafter be void, and shall not again be put in circulation.

SEC. 6. That no public warehouseman shall insert in the public warehouse receipt issued by him any language limiting or modifying his liabilities or responsibilities as imposed by the laws of this State, excepting, "not accountable for leakage or depreciation," or words of like import and meaning.

SEC. 7. That the receipt issued against property stored in public warehouses, as herein provided for, shall be negotiable and transferable by endorsement in blank or by special endorsement, and delivery in the same manner and to the same extent as bills of exchange and promissory notes now are, without other formality, and the transferee or holder of such public warehouse receipt shall be considered and held as the actual and exclusive owner, to all intents and purposes, of the property therein

described, subject only to the lien and privilege of the public warehouseman for storage and other warehouse charges; provided, however, that all such public warehouse receipts as shall have the words "not negotiable" plainly written or stamped on the face thereof, shall be exempt from the provisions of this section; and provided further, that no public warehouseman shall issue warehouse receipts against his own property in his own warehouse, but upon sale of such property in good faith, may issue to the purchaser his public warehouse receipt in form and manner as herein provided, which issue and delivery of the receipt shall be deemed to complete the sale, and shall constitute the purchaser full owner, as aforesaid, of the property therein described. Nothing in this last clause shall be construed to exempt the issuer of said receipt for his own goods in his own public warehouse, from complying with and being subject, in all respects, to all other sections and provisions of this act.

SEC. 8. That any public warehouseman who violates any of the provisions of this act shall be deemed guilty of criminal offense, and upon indictment and conviction thereof shall be punished by fine in any sum not exceeding five thousand dollars, or imprisonment in the State penitentiary not exceeding two years, or by both such fine and imprisonment. And every and all persons aggrieved by the violations aforesaid, shall have the right to maintain an action against the person or persons, corporation or corporations, so violating any of the provisions of this act, for the recovery of damages which he or they may have sustained by reason of such violation aforesaid, before any court of competent jurisdiction, whether such person or persons so violating shall have been convicted of criminal offense under this act or not.

SEC. 9. That nothing in this act shall be construed to apply to private warehouses or to the issue of receipts by their owners or managers under existing laws, or to prohibit public warehousemen from issuing such receipts as are now issued by private warehousemen under existing laws, provided, that such private warehouse receipts issued by public warehousemen shall never be written on a form or blank indicating that it is issued from a public warehouse, but shall, on the contrary, bear on its face in large characters the words, "Not a public warehouse receipt."

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate, no vote given.]

Approved April 15, 1901.

Takes effect 90 days after adjournment.

UNSURVEYED SCHOOL LANDS—SALE OF.

H. B. No. 98.]

CHAPTER LXXXVIII.

An Act to amend Section 6, Chapter 11, Acts of the Twenty-sixth Legislature, passed at the First Called Session, known as S. S. B. No. 2, and approved February 23, 1900, relating to the sale of unsurveyed school land.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:*

That Section 6, of Chapter 11, General Laws of the Twenty-sixth Legislature, First Called Session, be amended to read as follows, to-wit:

Section 6. Any person desiring to purchase any portion of the land herein appropriated to the public school fund out of a tract containing 2,560 acres or less in the counties named in Section 3 of said act, of February 23, 1900, or out of any sized tract in any county in the State other than those named in said Section 3, shall first make to the surveyor of the county or district in which the land, or a part thereof, is situated, written application, signed and sworn to by the said applicant, giving his postoffice address, and designating the land he desires to purchase by metes and bounds, as near as practicable, and stating that he desires to have said lands surveyed with the intention of purchasing the same, and that he is not acting in collusion with or attempting to acquire said land for any other person, stating therein whether or not he is claiming any preference right to purchase, and the nature of such preference right. It shall be the duty of the surveyor to file and record such application, and within sixty days of the filing thereof, to survey said land in accordance with the directions of the Commissioner of the General Land Office, into a section or sections, of one mile square each, whenever practicable, in case one or more sections are applied for; and in all cases such land shall be surveyed in a square or rectangular shape whenever practicable, and within thirty days of the date of said survey the surveyor shall certify to, record and plat the field notes of the same and return same and the application to the General Land Office, and he shall state whether or not the land is agricultural, grazing or timbered, and if timbered the probable value of the land. The applicant shall pay to the surveyor one dollar for filing and recording said application, and shall pay such other fees as are now or may be provided by law for surveying lands. If the Commissioner of the General Land Office finds that the field notes are correct, and that the survey has been made according to law, he shall at once approve and file said field notes, and classify and value the land as the law requires, and notify, by mail, the applicant that the land is on the market, for sale, stating the classification and value thereof, and within sixty days of the mailing of said notice the applicant shall make application and affidavit to purchase said land, describe said land sought to be purchased in accordance with the field notes approved by the Commissioner of the General Land Office and make first payment to the State Treasurer, and execute his obligation for the unpaid purchase money in the manner provided by law for surveyed school lands; provided, if the lands sought to be purchased are detached lands, as defined in Section 5 of this act, the affidavit shall not be required to state that he desires the same for a home or that he is actually settled thereon. If, on the expiration of sixty days from the giving of notice of classification and valuation, the Commissioner of the General Land Office shall not have received the application to purchase such lands as herein provided, then he shall place said lands on the market for sale as other surveyed school lands; provided, that where any of said lands have been surveyed prior to January 1, 1901, upon application to purchase and survey under said Act of February 23, 1900, and the field notes have been recorded by the surveyor said field notes may be recognized and accepted by the Commissioner of the General Land Office, except where in conflict with older surveys, upon the filing of

either the original field notes or certified copies of record of such surveys; provided further, that the Commissioner of the General Land Office shall in making sales of such lands carry out the preference right provisions of Section 7 of said Act of February 23, 1900; provided further, that all tracts or parcels of unsurveyed school lands containing six hundred and forty acres, or less, and which are now or may hereafter become detached from other public lands, shall be sold, at not less than one dollar per acre cash, without the conditions of actual settlement, as now provided by law relating to the sale of other public school lands, or to actual settlers on the same terms and conditions that surveyed lands are sold to actual settlers. This proviso, however, shall not apply to school lands lying west of the 97th meridian of longitude.

SEC. 2. Whereas, many citizens have gone upon the lands above referred to, established their homes and made valuable improvements believing that the same were on the market for sale and that the county surveyors were authorized under the act of February 23, 1900, to make such surveys, creates an emergency and an imperative public necessity, that the constitutional rule requiring bills to be read on three several days be suspended, and the same is hereby suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and was reported to the Senate where it was amended and passed, no vote given; House concurred in Senate amendments, no vote given.]

Approved April 15, 1901.

Takes effect 90 days after adjournment.

RAILWAY CROSSINGS—AUTHORIZING RAILROAD COMMISSION TO REGULATE.

S. B. No. 166.]

CHAPTER LXXXIX.

An Act to authorize, require and empower the Railroad Commission of the State of Texas to regulate railways crossing each other; to provide for interlocking, or other safety appliances or devices of equal security, to prevent trains colliding at such crossings, and to provide a penalty for refusal to comply with the provisions of this act; and to repeal all laws and parts of laws in conflict with this act.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That where it should become necessary for the track of one railroad company to cross the track of another railroad company, it shall be the duty of the Railroad Commission of the State of Texas to ascertain and define by its decree the mode of such crossings which will occasion the least probable injury upon the rights of the company owning the road which is intended to be crossed; and if it should appear to the said Commission that it is reasonable and practicable to avoid a grade crossing said Commission shall by its order prevent the same.

SEC. 2. That in any case where the tracks of two or more railways cross each other at a common grade in this State it shall be the duty of

such railroad company to protect such crossings by interlocking or other safety devices and regulations to be designated by the Railroad Commission of Texas, to prevent trains colliding at such crossings; provided, that all railway companies in this State shall have one year after the passage of this bill, in which to comply with the provisions hereof.

SEC. 3. In case any railway company shall hereafter seek to cross at grades with its track or tracks, the track or tracks of another railroad, the railroad seeking to cross at grade shall be compelled to interlock, or protect such crossings by safety devices to be designated by the Railroad Commission and to pay all costs of appliances together with the expense of putting them in; provided, that this act shall not apply to crossings of side tracks.

SEC. 4. Whenever interlocking or other safety devices are constructed and maintained in good order to the satisfaction of the Railroad Commission in compliance with Sections 2 and 3 of this act, then and in that case it shall be lawful for the engines and trains of such railroad or railroads to pass over such crossings without stopping.

SEC. 5. Any company, corporation, receiver, or person operating any railroad who shall refuse or neglect to comply with any order made by the said Railroad Commission in pursuance with the terms of this act shall forfeit and pay to the State of Texas a penal sum of five hundred dollars per week for each week of such refusal and neglect, which said sum may be recovered in suit or suits to be brought by the Attorney General of the State of Texas in the name of the State of Texas, upon duly verified information of such refusal and neglect, by any such railway company being lodged with said Attorney General by the said Railroad Commission.

SEC. 6. All laws and parts of laws in conflict with the provisions of this act are hereby repealed. The near approach of the end of the present session and the crowded condition of the calendar creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and said rule is hereby suspended.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given, and was reported to the House of Representatives where same was amended and passed, no vote given; Senate concurred in House amendments, no vote given.]

Approved April 15, 1901.

Takes effect 90 days after adjournment.

PUBLIC WEIGHERS—AMENDMENT.

H. B. No. 296.]

CHAPTER XC.

An Act to amend Articles 575 and 576 of Chapter 6, Title XIV, of the Penal Code of the State of Texas, relating to public weighers and to persons weighing for the public, and to punish such persons for using false balances or instruments for weighing, and for fraudulently giving a wrong weight or certifying to a wrong weight, and to prescribe a penalty for violating same.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:*

That Articles 575 and 576, Chapter 6, Title XIV, of the Penal Code of the State of Texas, be so amended so as to read as follows, to-wit:

Article 575. If any person is elected or appointed public weigher under the laws of this State, or if any person, whomsoever who is engaged in the business of weighing for the public and who holds himself out to weigh for the public shall fraudulently use any false balances, scales or instruments for weighing or shall, in the exercise of his duty as such public weigher, or as such weigher for the public, fraudulently give the wrong weight of any article whatever weighed by him, he shall be punished by fine of not less than one hundred dollars nor more than five hundred dollars, or by imprisonment in the county jail not to exceed one year.

Article 576. If any public weigher in this State, or his deputy, or if any person, whomsoever, who is engaged in the business of weighing for the public, or who holds himself out to weigh for the public shall wilfully or fraudulently certify to or sign any false weight of cotton, sugar, wool, hides or other commodity, he shall be punished by a fine of not less than \$25.00 nor more than \$100.00.

SEC. 2. The fact that there is no adequate penalty for using false instruments, or for giving false certificates of weight, and the crowded condition of the calendar, creates an emergency and an imperative public necessity justifying the suspension of the constitutional rule requiring bills to be read on three several days, and it is so suspended; and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and was reported to the Senate where same was amended and passed, no vote given; House concurred in Senate amendments, no vote given.]

Approved April 15, 1901.

Takes effect 90 days after adjournment.

RAILROAD BONDS.

S. B. No. 298.]

CHAPTER XCI.

An Act further regulating the amendment of charters of corporations incorporated for the purpose of constructing, owning, maintaining and operating railroads, and providing for the making of extensions thereof, and branch lines thereof, under and by virtue of such amendments and regulating the issuance of stocks and bonds to pay for the construction of such extensions and branch lines and terminal facilities, and to prohibit the attachment of liens theretofore existing upon the property of such extensions and branch lines and terminal properties, and to provide the manner and means of accomplishing such purposes.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That any corporation incorporated for the purpose of constructing, owning, maintaining and operating a railroad under the laws of this State and which now owns a line of railway already con-

structed, which has outstanding stocks and also outstanding bonds secured by a mortgage lien upon its property, or by any other character of lien, may amend its charter in accordance with Chapter 1, Title XCIV, of the Revised Statutes of the State of Texas, and in accordance with the Constitution and laws of this State, and may provide by such amendment for the making of any extension or extensions or branch line or lines that it may desire to construct and may issue stocks and bonds, or bonds, in an amount equal to the reasonable value of such extension or extensions or such branch line or lines and such terminal properties as it may acquire, the same to be issued in accordance with the provisions of Chapter 14, Title XCIV, of the Revised Statutes of the State of Texas, and the Railroad Commission of the State of Texas is hereby empowered to authorize the execution and issuance of such stocks and bonds, or bonds, and in determining the right to issue such stock and bonds, said Commission shall not consider the amount of outstanding stock or indebtedness or bonds previously issued and secured by lien upon the property of such corporation theretofore constructed; provided, that any existing mortgages or liens upon the property of such corporation constructed or owned prior to the time of making such amendment of its charter and to the construction of such extension or extensions or branch line or lines, or to the acquiring of such terminal properties, shall not attach to or become a lien upon the extension or extensions, branch line or lines, or terminal properties constructed or acquired under such amended charter.

SEC. 2. This act shall not be so construed as to in any wise repeal or impair the provisions of Chapter 14, Title XCIV Revised Statutes of the State of Texas, or any other statute of the State, except in so far as the same may be changed by the provisions of this act.

SEC. 3. Whereas there is no provision in the Statutes of the State of Texas, whereby an extension either of the main line or branch line of an existing railway can be provided for and stock and bonds issued for constructing the same, on many of the railways of this State there exists an imperative public necessity and emergency for the suspension of the constitutional rule requiring bills to be read on three several days in each house, and said rule is therefore suspended and this bill shall take effect and be in force from and after its passage and it is so hereby enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 31, nays 0, and passed the House of Representatives by two-thirds vote, yeas 98, nays 0.]

Approved April 15, 1901.

Became a law April 15, 1901.

RAILROADS—VALIDATING CHARTERS OF.

H. B. No. 379.]

CHAPTER XCII.

An Act to amend Article 4365, of the Revised Civil Statutes of the State of Texas, and to validate all charter amendments in accordance with this article as amended.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:*

That Article 4365 of the Revised Civil Statutes of the State of Texas, be and the same is hereby amended so that the same shall hereafter read as follows:

Article 4365. Any railroad company may by its original articles of incorporation, or by its amendments to its charter project and provide for the locating, constructing, owning and operating of branch lines from any points on its main line or from any points on its branch line (constructed or projected) to any other points making an angle of at least twenty-five degrees in the general course from the main line (if the branch commence from the same) or from the branch line if it commence at a point on the same; provided, that the same may commence at the terminus of a branch line and continue in its general course; and may by amendment to its charter, provide for the continuation in its general course of the main line; that any and all amendments of charters, acts or articles of incorporation approved by the Attorney General of the State, or his lawful representative, by which any branch railroad or railroads has or have been constructed in accordance with the provisions of this article as herein provided are authorized, validated, sanctioned and confirmed, to the same extent as though this article had always read as now amended.

SEC. 2. The fact that there is now no clear and adequate provision for the construction of branch lines of railroads, creates an emergency and an imperative public necessity requiring the suspension of the constitutional rule requiring bills to be read on three several days, and the same is hereby suspended and that this act shall take effect from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate, no vote given.]

Approved April 15, 1901.

Takes effect 90 days after adjournment.

PUBLIC SCHOOLS—CURRICULUM OF.

S. B. No. 37.]

CHAPTER XCIII.

An Act to amend Article 3909a, Title 86, Chapter 7, of the Revised Statutes of 1895, relating to the public school curriculum.

Be it enacted by the Legislature of the State of Texas:

That Chapter 7, Title 86, Article 3909a be amended so as to read as follows:

Article 3909a. All public schools in this State shall be required to have taught in them orthography, reading in English, penmanship, arithmetic, English grammar, modern geography, composition, physiology and hygiene, including the effects of alcoholic stimulants and narcotics on the human system, mental arithmetic, Texas history, United States history and civil government, and other branches as may be agreed on by the trustees or directed by the State Superintendent.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given; and was reported to the House of Representatives where same was amended and passed; the Senate refused to concur in House amendments and asked for Free Conference Committee; the report of the Free Conference Committee was adopted by the Senate by two-thirds vote, yeas 26, nays 0; and was adopted by the House no vote given.]

Approved April 16, 1901.

Takes effect 90 days after adjournment.

SCHOOL LANDS—EXTENDING TIME OF PAYMENT FOR IN
BRAZORIA, FORT BEND, WALLER, HARRIS
AND MATAGORDA COUNTIES.

H. B. No. 136.]

CHAPTER XCIV.

An Act to provide relief for purchasers of school lands in Wharton, Brazoria, Waller, Fort Bend, Harris and Matagorda counties, by relieving such purchasers from the payment of principal and interest for a period of two years.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the purchasers of school lands located in the counties of Wharton, Brazoria, Waller, Fort Bend, Harris and Matagorda be and the same are hereby granted an extension of two years on the payment of principal and interest thereon, now due and to become due and payable within said two years, dating from January 1, 1900.

SEC. 2. That under this act it is provided that no school lands situated in said counties of Wharton, Brazoria, Waller, Fort Bend, Harris and Matagorda shall be forfeited for a failure to pay, when due, of any sum of principal or interest due, or to become due thereon during such term of two years.

SEC. 3. That upon the expiration of said two years the yearly principal and interest on said school lands shall be payable as is now provided by law, it being the intention of this act to defer annual payments of principal and interest on such lands for said term of two years.

SEC. 4. Whereas by reason of the recent calamities suffered by the purchasers of school lands in said counties of Wharton, Brazoria, Waller, Fort Bend, Harris and Matagorda, rendering them unable to meet the deferred payments of principal and interest thereon, and thereby creating an emergency and imperative public necessity requiring that the constitutional rule requiring bills to be read on three several days be suspended and said rule is so suspended and this act shall take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and was reported to the Senate where same was amended and passed, no vote given; House concurred in Senate amendments, no vote given.]

Approved April 17, 1901.

Takes effect 90 days after adjournment.

MIER PRISONERS—APPROPRIATION TO ERECT VAULT FOR REMAINS OF.

H. B. No. 206.]

CHAPTER XCV.

An Act to appropriate one thousand dollars to erect a vault for the deposit of the remains of the Mier prisoners.

Whereas, The remains of the Mier prisoners, who were massacred during the war of Texas with Mexico, were many years ago, deposited in a concrete vault near LaGrange in Fayette county; and

Whereas, Said vault has fallen to pieces, and portions of said remains are being scattered upon the ground, and are being carried away as souvenirs by many people who visit said vault; therefore,

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the sum of one thousand dollars be and the same is hereby appropriated out of any money belonging to the general revenue of the State of Texas not otherwise appropriated, or so much thereof as may be necessary, for the purpose of erecting a vault at or near LaGrange, Fayette county, for the deposit of said remains, and that the Superintendent of Public Buildings and Grounds be and he is hereby authorized and empowered to contract for the erection of said vault, said contract to be approved by the Governor, and when said contract shall have been completed according to contract, the Superintendent of Public Buildings and Grounds shall receive the same, and the Comptroller is hereby authorized to draw warrants for the payment of the expenses incurred in the erection of said vault, when said claims have been approved by the Superintendent of Public Buildings and Grounds, and by the Governor.

SEC. 2. The Superintendent of Public Buildings and Grounds is hereby authorized and empowered to act in concert with a committee of three citizens of LaGrange, Fayette county, Texas, to be selected and appointed by the Governor, on erecting said vault; provided, that no such committee is to be appointed by the Governor unless the citizens of Fayette county shall have first deposited with said Superintendent the sum of one thousand dollars to be used in erecting a monument in connection with said vault.

SEC. 3. The facts stated in the preamble of this bill create an emergency requiring that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate by two-thirds vote, yeas 25, nays 0.]

Approved April 17, 1901.

Takes effect 90 days after adjournment.

UNLAWFUL SALE OF INTOXICATING LIQUOR—AMENDMENT TO LAW OF.

H. B. No. 371.]

CHAPTER XCVI.

An Act to amend Chapter 6, Title XI, of the Penal Code of the State of Texas, by adding thereto Article 402a, relating to C. O. D. shipments of intoxicating liquors into any county, justice precinct, city or town, or subdivision, in which sale thereof is prohibited by law; declaring same to be a sale at the place of delivery, and declaring a sale to be made at the point where orders are solicited in territory where the sale of intoxicating liquor is prohibited if the same be subsequently filled.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Chapter 6, Title XI, of the Penal Code of the State of Texas, be amended by adding thereto Article 402a, and that the same shall read as follows:

Article 402a. That in all contracts of sale and shipment of intoxicating liquor from any point in this State to any other point within this State located in any county, justice precinct, city or town, or subdivision in which the sale of intoxicating liquor has been prohibited under the laws of this State, where the terms of said contract is C. O. D. or "Collect on Delivery," that the same is and shall be a sale at the point where said goods are delivered and paid for; and provided further that where orders are solicited for intoxicating liquor in any territory within this State, where the sale of intoxicating liquor has been prohibited by law and such order is subsequently filled, the sale shall be construed to have been made at the place where such order was solicited.

SEC. 2. Whereas, there is now no law adequately regulating the sale of intoxicating liquor in territory where the sale of intoxicating liquor is prohibited by law, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and that said rule is hereby suspended and this act take effect and be in force from and after its passage and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and was reported to the Senate, where same was amended and passed, no vote given; House concurred in Senate amendments, no vote given.]

BRAZORIA COUNTY—AID OF.

H. B. No. 409.]

CHAPTER XCVII.

An Act to aid Brazoria county, Texas, by supplementing the road and bridge fund by donating and granting to it the State ad valorem and three-fourths of the occupation taxes collected upon property and persons in said county for a period of two years; and providing for a proper transfer to said fund.

Whereas, on the 8th day of September, A. D. 1900, there occurred in

the county of Brazoria, State of Texas, a great public calamity, same being a most terrible and destructive cyclone, or hurricane, and attended by overflowing streams, such as never occurred before in the memory of the oldest inhabitant, which, within a few hours, entirely destroyed or wrecked every dwelling or business house, school house or church, all houses, sheds, fences, bridges and culverts throughout said county; and

Whereas, this great calamity was preceded in July, 1899, by a calamitous overflow in the Brazos river, which swept through the heart of Brazoria county, twenty-five miles wide, completely destroying and washing away a large number of bridges, some of which were the most costly in said Brazoria county, and over the largest streams, which had required a great period of years to accumulate a sufficient fund to construct said bridges out of the road and bridge fund of said Brazoria county; and as a result of these two great calamities said Brazoria county is practically bankrupt; and having no road and bridge fund out of which to repair and rebuild the bridges of said Brazoria county; and the rebuilding of said bridges is an imperative and urgent necessity, and cannot be dispensed with by the people of Brazoria county; therefore,

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the net amount of all moneys received by the State from the State ad valorem and three-fourths of the occupation taxes collected upon property and from persons in the county of Brazoria, Texas, for a period of two years from January 1st, 1901, be and the same are hereby donated and granted to the county of Brazoria, for the purpose of aiding said county, by supplementing its road and bridge fund, in order to enable said county to repair and rebuild the bridges of said county.

SEC. 2. The Comptroller of the State shall keep proper accounts of all ad valorem and occupation taxes collected in said county and each month as said taxes are collected they shall be remitted to the county treasurer of Brazoria county, Texas, and the amount of said taxes herein provided for shall be placed to the credit of the road and bridge fund of said county, and become a part thereof, and shall be subject to the General Laws governing the expenditure of all road and bridge funds.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and was reported to the Senate where same was amended and passed, no vote given; House concurred in Senate amendments, no vote given.]

Approved April 17, 1901.

COTTON—TRACING ILLEGALLY DISPOSED OF.

H. B. No. 432.]

CHAPTER XCVIII.

An Act to facilitate the tracing of stolen or illegally disposed of cotton.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That hereafter every person, firm, corporation or association of persons owning, controlling or operating a public cotton gin in this State, shall

keep or caused to be kept a public record of all cotton brought to them for ginning and packing. Such record shall correctly show the amount of cotton received, date of its receipt, by whom brought to the gin and the name or names of the party or parties claiming to own the same.

SEC. 2. That said ginner after ginning and packing said cotton shall place or cause to be placed on each bale of cotton the initials of the party or parties claiming to own said cotton, under which he shall place some private ginners mark, all of which shall be put upon record in the book before mentioned.

SEC. 3. That hereafter every person, firm, corporation or association of persons who shall buy cotton in this State, shall not change alter or deface the marks and brands on such cotton.

SEC. 4. That any person, firm corporation or association of persons failing, neglecting or refusing to comply with any of the provisions of this act shall be punished by a fine in any sum not more than twenty-five dollars.

SEC. 5. The fact that there is now no statute providing for the tracing and identification of stolen or illegally disposed of cotton, creates an emergency and an imperative public necessity, that the constitutional rule requiring bill to be read on three several days be suspended and that this act take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate, no vote given.]

BLACKLISTING—DEFINING AND PRESCRIBING PENALTY THEREFOR.

S. B. No. 51.]

CHAPTER XCIX.

An Act to protect discharged employes against blacklisting, to define blacklisting, prescribing penalties therefor, and to repeal all laws in conflict with the provisions of this act.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. No corporation company, or individual shall blacklist or publish, or caused to be blacklisted or published, any employe, mechanic, or laborer discharged by such corporation, company or individual with the intent and for the purpose of preventing such employe, mechanic or laborer from engaging in or securing similar or other employment from any other corporation, company or individual.

SEC. 2. If any officer or agent of any corporation, company or individual, or other person, shall blacklist or publish or cause to be blacklisted or published any employe, mechanic or laborer discharged by such corporation, company or individual, with the intent and for the purpose of preventing such employe, mechanic or laborer from engaging in or securing similar or other employment from any other corporation, company or individual, or shall in any manner conspire or contrive by correspondence or otherwise, to prevent such discharged employe from procur-

ing employment, he shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be fined not less than fifty nor more than two hundred and fifty dollars, or be imprisoned in the county jail not less than thirty nor more than ninety days or both.

SEC. 3. But this act shall not be construed as prohibiting any corporation, company or individual, from giving in writing, on application from such discharged employe, or any corporation, company or individual who may desire to employ such discharged employe, a truthful statement of the reason for such discharge; provided, that said written cause of discharge, when so made by such person, agent, company or corporation, shall never be used as the cause for an action for libel, either civil or criminal, against the person, agent company or corporation so furnishing same.

SEC. 4. He is guilty of blacklisting who places, or causes to be placed, the name of any discharged employe, or any employe who has voluntarily left the service of any individual, firm, company, or corporation on any book or list, or publishes it in any newspaper, periodical letter or circular, with the intent to prevent said employes from securing employment of any kind with any other person, firm, corporation or company, either in a public or private capacity.

SEC. 5. All laws in conflict with the provisions of this act are hereby repealed.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given; and passed the House of Representatives, no vote given.]

Approved April 17, 1901.

Takes effect 90 days after adjournment.

RAILROAD COMMISSION—PENALTY FOR FAILURE TO OBEY ORDERS OF.

S. B. No. 54.]

CHAPTER C.

An Act to amend Article 4576 of Chapter thirteen, Title ninety-four, of the Revised Statutes of this State.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Article 4576 of Chapter Thirteen, Title Ninety-four, of the Revised Statutes of this State be amended so as to hereafter read as follows:

Article 4576. If any railway company doing business in this State shall hereafter violate any other provision of this chapter, or shall do any other act herein prohibited, or shall fail or refuse to perform any other duty enjoined upon it for which a penalty has not been provided by law, or shall fail, neglect or refuse to obey any lawful requirement, order, judgment or decree made by the Railroad Commission of Texas, for every such act of violation it shall pay to the State of Texas a penalty of not more than five thousand dollars.

QUARANTINE.

S. B. No. 56.]

CHAPTER CI.

An Act requiring disinfection of vessels arriving at ports within this State in compliance with quarantine proclamation of the Governor.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. Any vessel arriving at a port of this State and required to be disinfected by the terms of the Governor's quarantine proclamation, shall be disinfected by the quarantine officer of such port and shall pay to such quarantine officer such fees as may be prescribed by the Governor, before being released from quarantine. All vessels boarded by the quarantine officer of any port shall pay to such officer such fees as are prescribed by the Governor. The quarantine officer receiving such fees shall give bond in such sum as may be prescribed by the Governor for the safe keeping of such collection, and shall report and remit them to the State Health Officer at least once every month.

SEC. 2. Whereas there is a number of vessels continually coming to our ports that should be disinfected in compliance with quarantine proclamation of the Governor, and whereas, there is now no law requiring the disinfection of these vessels, in compliance with such proclamation, and an emergency and imperative public necessity exists for the immediate passage of this bill and for the suspension of the constitutional rule requiring bills to be read on three several days in each branch of the Legislature, and said rule is therefore suspended and this act shall be in force and effect from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given; and passed the House of Representatives, no vote given.]

UNIVERSITY MINERAL LANDS—GIVING BOARD OF REGENTS CONTROL OF.

S. B. No. 71.]

CHAPTER CII.

An Act to give the Board of Regents of the University of Texas exclusive control, management and disposition of all mineral lands belonging to the University of Texas.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the Board of Regents of the University of Texas

are hereby invested with the sole and exclusive management and control of all mineral lands within the domain which has been or may hereafter be appropriated, set aside or acquired by the University of Texas and said Board of Regents are hereby empowered and authorized to sell, lease, manage and control said mineral lands belonging to said University as may seem best to them for the interest of the University and they are further empowered with authority to explore and have explored and develop said mineral lands and to make any contract with any persons whomsoever for the exploration and development of said mineral lands and pay the expenses for such exploration or development out of the proceeds of the lease or sale of said land.

SEC. 2. That all laws and parts of laws in conflict with this act are hereby repealed.

SEC. 3. The fact that the Board of Regents of the University of Texas, have now no authority to manage, control and dispose of the mineral lands belonging to such University and said lands are being neglected for the want of proper attention, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be and the same is hereby suspended and that this act take effect and be in force from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given; and passed the House of Representatives, no vote given.]

SOUTHWEST TEXAS LUNATIC ASYLUM—AUTHORITY TO SINK ARTESIAN WELL.

S. B. No. 281.]

CHAPTER CV.

An Act authorizing the board of managers of the Southwest Texas Lunatic Asylum at San Antonio, Texas, in conjunction with the Governor of the State of Texas, to contract for the sinking of an artesian well on the grounds belonging to said asylum.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the board of managers of the Southwest Texas Lunatic Asylum, situated at San Antonio, Texas, be and they are hereby authorized and empowered in conjunction with the Governor of the State

of Texas to contract for the sinking of an artesian well on the grounds belonging to said asylum. The said board of managers, in conjunction with the Governor of the State of Texas, are authorized and empowered to provide the terms and conditions of such contract for the sinking of said artesian well, and are authorized to provide that if fresh water shall be obtained, that said water shall belong to the State and the State shall have the full and free use thereof; and that if hot sulphur water is obtained, then the said board of managers, in conjunction with the Governor, is authorized to dispose of the said sulphur water under the terms and conditions and the authority of the Act of the Twenty-sixth Legislature, approved May, 9th, 1899, providing for the leasing of the sulphur water flowing from the artesian wells on the grounds belonging to said asylum; provided, that the State of Texas shall be put to no expense by reason of the sinking of said artesian well, and the same shall be done without expense to the State.

SEC. 2. The near approach of the close of the present session of the Legislature, and the importance of having an artesian well with a supply of fresh water for the use of said asylum, creates an emergency and an imperative public necessity exists that the constitutional rule requiring bills to be read on three several days be suspended, and the same is hereby suspended, and that this act take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 22, nays 0; and passed the House of Representatives, no vote given.]

Approved April 17, 1901.

HIDES AND ANIMALS—EXEMPTING ARANSAS, HEMPHILL, HIDALGO, CARSON, DICKENS, MOTLEY AND LLANO COUNTIES FROM INSPECTION OF.

S. B. No. 147.]

CHAPTER CVI.

An Act to exempt the counties of Aransas, Hemphill, Hidalgo, Carson, Dickens, Motley and Llano from the provisions and operation of Articles 5002 to 5042, both inclusive, of Chapter six, Title CII, of the Revised Civil Statutes of 1895, relating to the inspection of hides and animals.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the counties of Aransas, Hemphill, Hidalgo, Carson, Dickens, Motley and Llano be and are hereby exempted from the provisions and operation of Articles 5002 to 5042, both inclusive, of Chapter six, Title CII, of the Revised Civil Statutes of 1895, relating to the inspection of hides and animals.

SEC. 2. That all laws and parts of laws in conflict herewith, be and the same are hereby repealed.

SEC. 3. The fact that the operation of said provisions of law in said counties entails great and unnecessary expense upon the people and stock-

raisers of Aransas, Hemphill, Hidalgo, Carson, Dickens, Motley and Llano counties, and the crowded condition of the calendar, create an emergency and an imperative public necessity, that the constitutional rule requiring bills to be read upon three several days be suspended, and that this bill be in force and take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 22, nays 0; and was reported to the House of Representatives where same was amended and passed, no vote given; Senate refused to concur in House amendments; report of Free Conference Committee adopted by the House, no vote given; and by the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 3rd day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—JOHN G. TOD, Secretary of State.]

Takes effect 90 days after adjournment.

WOOL GROWING INTERESTS—MAKING ARANSAS AND CALHOUN COUNTIES SUBJECT TO LAW OF.

S. B. No. 148.]

CHAPTER CVII.

An Act to amend Article 5364, Title CXI, of the Revised Civil Statutes of 1895, relating to the "wool growing interests of the State, so as to exclude the counties of Aransas and Calhoun from the counties exempted from operations of said title, and to repeal all laws in conflict herewith, and providing an emergency.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That Article 5364, of Title CXI, of the Revised Civil Statutes of 1895, relating to the "wool growing interests" of the State, be amended so as to hereafter read as follows:

Article 5364. The counties of Grayson, Freestone, Gonzales, Morris, Titus, Cass, Marion, Bowie, Red River, Trinity, San Jacinto, Polk, Anderson, Van Zandt, Cameron, Collin, Colorado, Grimes, Houston, Webb, Encinal, Hunt, Hopkins, Ellis, Dallas, Rockwall, Denton, Fannin, Henderson, Brazos, Smith, Panola, Gregg, Lamar, Wood, Raines, Lime-stone, Cooke, Brown, Comanche, Cherokee, Mills, Montgomery, Shelby, Lee, Burleson, Rusk, Lavaca, Milam, Upshur, Robertson, Camp, Parker, Franklin, Navarro, Karnes, Wilson, Atascosa, San Augustine, Sabine, Fayette, Austin, Leon, Madison, Hill, Bosque, Waller, Fort Bend, Washington, Guadalupe, Caldwell, Hays, Tarrant, Johnson, Clay, Montague, Erath, Hood, Somerville, Bastrop, Harris, Harrison, Camp, Orange, Jefferson, Hardin, Liberty, Chambers, Newton, Tyler, Jasper, Kaufman, Nacogdoches, DeWitt, Victoria, Jackson, Refugio and Goliad, are exempt from the provisions of this title.

SEC. 2. That all laws and parts of law in conflict herewith, be and the same are hereby repealed.

SEC. 3. The fact that there is no law now in force subjecting the counties of Aransas and Calhoun to the operation of Title CIX, of the Revised Civil Statutes of 1895, and the further fact that interests of the sheep-raisers of said counties would be greatly subversed by placing said counties under the provisions of said title, and the crowded condition of the calendar, create an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this bill be in force and effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given; and passed the House of Representatives, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 3rd day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—JOHN G. TOD, Secretary of State.]

WEIGHTS AND MEASURES—STANDARDS FOR.

S. B. No. 57.]

CHAPTER CVIII.

An Act to amend Article 5323, Title CIX, of the Revised Civil Statutes of the State of Texas, adopted at the Regular Session of the 24th Legislature, 1895 relating to the weight of a standard bushel of certain fruits and vegetables.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That Article 5323 Title CIX of the Revised Civil Statutes of the State of Texas, adopted at the Regular Session of the Twenty-fourth Legislature 1895, be and the same is amended so that it shall hereafter read as follows:

Article 5323. The following shall be the legal number of pounds per bushel: wheat, sixty pounds; corn, shelled, fifty-six pounds; corn in the ear, shucked, seventy pounds; unshucked, in the ear, seventy-two pounds; oats, thirty-two pounds; barley, forty-eight pounds; rye, fifty-six pounds; buckwheat, forty-two pounds; white beans, sixty pounds; Irish potatoes, sixty pounds; sweet potatoes, fifty-five pounds; onions, fifty-seven pounds; turnips, fifty-five pounds; dried apples, twenty-eight pounds; dried peaches, twenty-eight pounds; bran, twenty pounds; Hungarian grass seed, forty-eight pounds; hemp seed, forty-four pounds; flax seed, fifty-six pounds; stone coal, eighty pounds; charcoal, twenty-two pounds; salt, fifty pounds; clover seed, sixty pounds; timothy seed, forty-five pounds; cotton seed, thirty-two pounds; millet seed, fifty pounds; peaches, fifty pounds; tomatoes, fifty-five pounds; apples, forty-five pounds.

SEC. 2. The fact that no standard weight is now established for certain fruits and vegetables, and the time for marketing the same will soon arrive, creates an emergency and imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 25, nays 0; and passed the House of Representatives by two-thirds vote, yeas 112, nays 3.]

Approved April 18, 1901.

Became a law April 18, 1901.

EXAMINATION QUESTIONS—PROHIBITING TRAFFIC IN.

S. B. No. 58.]

CHAPTER CIX.

An Act to prohibit the traffic in examination questions used by the county school boards of examiners or by the summer normal boards of examiners in the examination of teachers, and providing a penalty for the violation thereof, and to declare an emergency.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That any person or persons who shall sell, barter or give away, prior to any forthcoming examination, to applicants for teachers' certificates, or to any other person, the questions prepared by the State Superintendent of Public Instruction to be used by the county boards of examiners or summer normal boards of examiners in the examination of teachers at said forthcoming examination, shall be deemed guilty of a misdemeanor, and on conviction thereof, shall be fined in any sum not less than twenty-five nor more than two hundred dollars.

SEC. 2. The fact that the statutes of Texas make no provision to prohibit the traffic in examination questions, and that the most important examination for teachers are held during April, June, July and August of each year creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given; and was reported to the House of Representatives, where it was amended and passed by two-thirds vote, yeas 107, nays 0; Senate concurred in House amendments by two-thirds vote, yeas 26, nays, 0.]

Approved April 18, 1901.

Became a law April 18, 1901.

PUBLIC SCHOOLS—REGULATING SCHOOL DAYS—AMENDMENT.

S. B. No. 39.]

CHAPTER CX.

An Act to amend Article 3910, Title 86, Chapter 7, of the Revised Statutes of 1895, relating to school days and school months.

Be it enacted by the Legislature of the State of Texas:

That Chapter 7, Title 86, Article 3910, be amended so as to read as follows:

Article 3910. Public schools shall be taught for five days in each week. Schools shall not be closed on legal holidays unless so ordered by the trustees. A school month shall consist of not less than twenty school days inclusive of holidays, and shall be taught for not less than seven hours each day, including intermissions and recesses.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given; and was reported to the House of Representatives, where same was amended and passed, no vote given; the Senate refused to concur in House amendments, and asked for Free Conference Committee; report of Free Conference Committee was adopted by the Senate by two-thirds vote, yeas 27, nays 0; and adopted by the House, no vote given.]

Approved April 18, 1901.

Takes effect 90 days after adjournment.

INDEPENDENT SCHOOL DISTRICTS.

S. B. No. 105.]

CHAPTER CXI.

An Act to amend Section 4, of Chapter VII, of the Act passed by the Called Session of the Twenty-sixth Legislature, approved February 21, 1900, so as to provide that school trustees in independent school districts not in a city or town having an assessor and collector shall elect from the members of the board an assessor and collector of taxes and to prescribe his powers and duties, and the duties of the board with reference to the collection of taxes also for the organization of the board and the election of officers.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That Section 4, of Chapter VII, of the Acts of the Called Session of the Twenty-sixth Legislature providing a uniform method of selecting school trustees and approved February 21st, 1900, be so amended as to hereafter read as follows, to wit:

Section 4. The trustees chosen under this act shall meet within twenty days after the election or as soon thereafter as possible, for the purpose of organizing. A majority of said board shall constitute a quorum to do business; and they shall choose from their number a president, secretary, treasurer, assessor and collector of taxes, and other necessary officers and committees. The treasurer shall be required to give bond in double the estimated amount of the receipts coming annually into his hands. Said bond shall be made payable to the president of the board or his successors in office, and be approved by the board of trustees, conditioned for the faithful discharge of his duties and the payment of

the funds received by him upon the draft of the president drawn upon order, duly entered of the board of trustees; and he shall be entitled to retain as commission for his services as such treasurer, one per cent. of all funds coming into his hands; provided, that in independent school districts in cities or towns having a city assessor and collector of taxes, such assessor and collector of taxes, shall assess and collect the taxes for school purposes; provided that in cities and towns having an assessor and collector of taxes the levy of taxes for school purposes shall be based upon the same assessment of property upon which the levy for other city purposes is based; it is further provided, that in such cities and towns the assessor and collector of taxes shall receive no other compensation for collecting school taxes than the compensation paid him for assessing and collecting other city taxes and taxes for school purposes in such cities and towns shall be assessed and collected as other city taxes are assessed and collected.

SEC. 2. The assessor and collector named in Section 1, of this act shall have the same power and shall perform the same duties with reference to the assessment and collection of taxes for free school purposes that are conferred by law upon the city marshal of incorporated towns or villages, and he shall receive such compensation for his services as the board of trustees may allow, except in cities and towns above provided for, not to exceed four per cent. of the whole amount of taxes received by him, and he shall give bond in double the estimated amount of taxes coming annually into his hands, payable to the president of the board or his successors in office, conditioned for the faithful discharge of his duties and that he will pay over to the treasurer of the board all the funds coming into his hands by virtue of his office as such assessor and collector; provided, that in the enforced collection of taxes the board of trustees shall perform the duties which now devolve in such cases upon the city council of an incorporated city or town; the president of the board of trustees shall perform the duties which devolve in such cases upon the mayor of an incorporated city or town, and the county attorney of the county in which the independent school district is located, shall perform the duties which in such cases devolve upon the city attorney of an incorporated city or town under the provisions of Chapter 103, General Laws Regular Session Twenty-fifth Legislature.

SEC. 3. All laws and parts of laws in conflict with this act be and are hereby repealed.

SEC. 4. The fact that the passage of this bill would be of much value to the public schools of this State and the crowded condition of the calendar, creates an emergency and imperative public necessity authorizing the suspension of the constitutional rule requiring bills to be read on three several days, and said rule is so suspended, and this act shall be in force and effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given; and was reported to the House of Representatives, where it was amended and passed, no vote given; Senate refused to concur in House amendments, and asked for Free Conference Committee; Senate adopted report of Free Conference Committee, no vote given; House adopted report of Free Conference Committee, no vote given.]

Approved April 18, 1901.

Takes effect 90 days after adjournment.

CORPORATIONS—ACT TO FORBID THE ISSUANCE OF MERCHANDISE CHECKS TO EMPLOYEES.

H. B. No. 157.]

CHAPTER CXII.

An Act to forbid the issuance by any person, firm, association of persons, corporations, or the agents of either, of any ticket, check, or writing obligatory, to any servant or employe for labor, redeemable or payable only in goods or merchandise by the said person, firm, associations of persons, or corporation, and to provide a penalty for the violation of this act.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That hereafter it shall be unlawful for any person, firm, association of persons, corporation, or agent of either, to issue any ticket, check or writing obligatory, to any servant or employe for labor redeemable or payable only in goods or merchandise, and all such tickets, checks or writing obligatory so issued, shall be redeemable and payable in current funds of the United States of America, or in goods or merchandise at the option of the holder thereof. And any contract or agreement to take and receive such tickets, checks or writing obligatory, redeemable only in goods or merchandise shall be null and void, and as against public policy; provided, that this act shall not apply to any person, firm or corporation having a monthly pay-day, and whose employes or laborers are paid regularly once a month in current funds of the United States, and whose checks, coupons and writings obligatory payable in merchandise only, are issued at the instance and request of such laborers or employes made during the current month and before said monthly pay-day. This act shall not apply to merchants who issue coupon books to tenants working on farms.

SEC. 2. Any person, or the agent or any person, firm, association of persons or corporation, who shall violate any provisions in the foregoing section shall be deemed guilty of a misdemeanor and on conviction shall be punished by a fine of not less than five nor more than one hundred dollars, or by imprisonment in the county jail for a period of not less than five nor more than sixty days.

SEC. 3. The fact that there is no law now which protects laborers from the imposition of their employes by the evils herein sought to be remedied, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and that this act take effect and be in force from and after its passage and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 89, nays 3; and was reported to the Senate, where same was amended and passed, no vote given; House concurred in Senate amendments, no vote given.]

Approved April 18, 1901.

Takes effect 90 days after adjournment.

INDEPENDENT SCHOOL DISTRICTS—AMENDMENT.

H. B. No. 218.]

CHAPTER CXIII.

An Act to amend Chapter 113, Section 1, Acts of the Twenty-fifth Legislature, Regular Session, by adding thereto a provision for the organization of independent school districts, which may embrace in their territory portions of two or more counties.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Chapter 113, Section 1, Acts of the Twenty-fifth Legislature, Regular Session, be so amended as to read as follows:

Section 1. All towns and villages within the State heretofore regularly incorporated for free school purposes, and which embrace within their incorporated territory towns heretofore incorporated for municipal purposes, which latter had ceased to exercise the functions of a municipal corporation, or which had not assumed control of the public schools within their limits when the former was incorporated, are hereby declared valid and lawful incorporations, for free school purposes, from the date of their incorporation, and all acts of any such town or village incorporated for free school purposes heretofore done or hereafter to be done shall have the same force and effect as the acts of a valid and lawful incorporation for such purposes; and it is further provided, that any town or village organized as an independent school district, which may embrace in its territory portions of two or more counties, is hereby declared a valid incorporation for free school purposes from the date of its incorporation.

SEC. 2. Whereas there is no law on the statute books of this State to organize independent school districts as herein provided, creates an emergency and an imperative public necessity for its immediate passage and effect, the constitutional rule requiring bills to be read upon three several days be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate, no vote given.]

Approved April 18, 1901.

Takes effect 90 days after adjournment.

ROAD LAW—GENERAL.

H. B. No. 250.]

CHAPTER CXIV.

An Act to create a more efficient road system for the counties in this State, and making county commissioners ex-officio road commissioners, and prescribing their powers and duties as such, and providing for their compensation as such road commissioners; and providing for the condemning of material for the construction and maintenance of public roads, and to provide for the compensation for the material used; and providing for the working of county convicts on the public roads and the purchase of supplies for such convicts, and rewards for the capture of escaped county convicts and for commutation of sentence for faithful service and good behavior; and defining the powers and duties of road overseers, and to provide for the summoning of hands and teams for road work and the allowance for time for services of hands and teams on public roads; and fixing a penalty for violation of same and relieving them from the payment of such work by the payment of three dollars; and providing further, making this act cumulative of the General Laws now in force; and to repeal all laws in conflict with this act; and declaring an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That hereafter in all counties of this State, as shown by the United States official national census of 1900, to contain as many as 40,000 inhabitants, the members of the commissioners court shall be ex-officio road commissioners of their respective precincts, and under the direction of the commissioners court shall have charge of the teams, tools and machinery belonging to the county and placed in their hands by said court, and it shall be their duty, under such rules and regulations as the commissioners court may prescribe, to superintend the laying out of new roads, the making or changing of roads and the building of bridges. Each of the county commissioners shall before entering upon the duties of road commissioner, execute a bond of one thousand dollars, with two or more good and sufficient sureties, payable to the county judge, and his successors in office, and to be approved by the county judge, for the use and benefit of the road and bridge fund, conditioned that they will perform all the duties required of them by law, or by the commissioners court, and that they will account for all money or other property belonging to the county that may come into their possession.

SEC. 2. The commissioners court shall have full power and authority and it shall be their duty to adopt such system for working, laying out, draining and repairing the public roads as they may deem best, and from time to time said court may change their plan or system of working. The commissioners court shall have the power to purchase such teams, tools and machinery as may be necessary for the working of public roads. Said court shall have the power to construct, grade, or otherwise improve any road or bridge by contract. In such cases, said court or county judge may advertise in such manner as said court may determine for bids to do the work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into a bond, payable to the county judge and his successors in office, for the use and benefit of the road and bridge fund, with two or more good and sufficient sureties, to be approved by the commissioners court, and in such sum as said court may determine, for the faithful performance of the terms of said contract, but said court shall have the right to reject any or all bids. At the time of making any such contract the court shall direct the county treasurer to pass the amount

of said contract to a particular fund for that purpose, and the treasurer shall keep a separate account of said fund, and the same shall not be used for any other purpose, and can only be paid out on the order of said court, and the said court shall have authority to employ any hands and teams on the public roads under such regulations and for such prices as they may deem best.

SEC. 3. The commissioners court shall require all male county convicts, not otherwise employed, to labor on the public roads, under such regulations as they may prescribe, and each convict so worked shall receive a credit of fifty cents on his fine first and then on the costs, for each day he may labor. The commissioners court shall at each term allow the officers and witnesses such amount of their costs as have been satisfied in full by labor of such convicts, for the arrest and conviction of said convicts as it may deem best, not to exceed one-half of such costs, which amount shall be paid to the officers and witnesses out of the road and bridge fund on the warrant of the county judge; provided, that this shall not be so construed as to relieve any convict from the payment of all costs for which he may be liable under the laws of this State. The commissioners court may grant a reasonable commutation of time for which a convict is committed as a reward for faithful service and good behavior; provided that such commutation shall in no case exceed one-tenth of the whole time.

The commissioners court may provide the necessary houses, prisons, clothing, bedding, food, medicine, medical attention and superintendents and guards for the safe and humane keeping of the convicts. The commissioners court may provide such reasonable regulations and punishment as may be necessary to require such convicts to perform good work, and to provide a reward not to exceed ten dollars, to be paid out of the road and bridge fund, for the recapture and delivery of any escaped convict, to be paid to any person other than the guard or person in charge of such convict at the time of his escape.

SEC. 4. Each road commissioner shall have control of all road overseers in his precinct and shall deliver to each of them such teams, tools and machinery necessary in working the roads in the precinct of said overseer, so far as he has been supplied therewith by the commissioners court, taking a receipt therefor, specifying each item and giving its value, which receipt shall be a full answer for the liability of the road commissioner, and shall fix the liability of the road overseer; and the road commissioner, or road overseer who shall have been intrusted with any teams, tools or machinery belonging to the county shall be liable for all damages that may occur to the same while in his possession caused by his negligence or want of due care of same.

It shall be the duty of the road overseer when he has finished work on his road to return to said road commissioner all teams, tools and machinery received from him and take up the receipt given therefor.

SEC. 5. It shall be the duty of each county commissioner when acting as road commissioner to inform himself of the condition of the public roads in his precinct, and shall determine what character of work shall be done on said roads, and shall direct the manner of grading, draining or otherwise improving the same, which directions shall be followed and obeyed by all road overseers of his precinct.

SEC. 6. The road commissioner may require each road overseer in his

precinct to call out the hands in such numbers as may be sufficient to perform the work, but no road hand shall be required to work exceeding five days in any one year, unless the term of service as now provided by law shall be extended beyond that time; and provided, that all road hands in a particular road precinct shall as far as practicable be worked a uniform time. Each road overseer shall have full control of all road hands in his precinct, and shall see that each hand, when called out, shall perform a good day's work; and if any hand when so called out, shall fail or refuse to do a good day's work, or to work in the manner the overseer may direct, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons. And the road overseer may, when he deems expedient or when so directed to do by the road commissioner of said commissioner's precinct, and at the time of notifying any hand to work upon the road, also summon such hand as may be the owner of a team suitable for road work, to bring such team with him to be used in working upon the public roads during such time as the hand may be notified to work upon the public roads; and after such notice given if such hand shall fail or refuse to bring his team with him as notified to do, he shall be liable to the same penalty as if he had failed to appear in obedience to the summons, provided that any hand for so doing shall be credited with, and allowed two and one-half days upon his time for which he is liable for road duty for each day he may work in connection with and while furnishing such team, and one and one-half days for his team without such hand.

SEC. 7. A person liable for road duty, who shall, on or before the first day of February of any year, pay to the county treasurer the sum of three dollars, shall be exempt from road duty for such year, beginning on the first day of February. The county treasurer shall receive and receipt for all money so paid him and place the same to the credit of the road and bridge fund, and he shall keep a separate account for each precinct from which it is received. The county treasurer shall, on the third day of February, or as soon thereafter as practicable, furnish to each road commissioner a list of all persons in their respective precincts that have paid said sums, as provided in this section.

SEC. 8. When to the commissioners court it may appear expedient to build, repair or maintain any public road in their county, the timber, earth, stone, gravel or other necessary material most convenient therefor may be used, but in such case the owner thereof shall be paid out of the road and bridge fund of such county a fair compensation for the same as may be agreed upon by the owner thereof or his agent and the commissioners court; provided, however, that should said owner or his agent and the said commissioners court fail to agree upon the compensation to be paid therefor, then the county, upon the order of said court, shall proceed to condemn the same in the same manner that a railroad company can condemn lands for right of way, and the same proceedings shall be had as would exist if the proceedings were by a railroad company, except as hereinafter provided.

SEC. 9. The county shall not be required, in proceedings to determine the compensation to be paid for material to build, repair or maintain public roads, in any case to give bond for costs, and the commissioners appointed to condemn such property necessary as aforesaid shall receive for their services two dollars for each and every day that they may be

necessarily engaged in the performance of their duties as such commissioners, to be paid out of the road and bridge fund on the order of the commissioners court, and the compensation awarded by said commissioners for the necessary material, shall be paid to the owner or deposited with the county treasurer to the credit of such owner, and when so paid or deposited the county shall have the right to enter upon and use said material. If the owner of such material or said county is not satisfied with the compensation awarded said owner, he or said county may appeal therefrom as in cases of appeal in proceedings by railroad companies to condemn right of way.

SEC. 10. If any person liable to work upon the public roads, after being legally summoned, shall fail or refuse to attend, either in person or by able and competent substitute, or fail or refuse to furnish his team or tools at the time and place designated by the person summoning him, or to pay to such road overseer the sum of one dollar for each day he may have been notified to work on the public roads, or to pay to such overseer the sum of one dollar and fifty cents for each day he may have been notified to furnish his team for road work, or having attended shall fail or refuse to perform good service or any other duty required of him by law, or the person under whom he may work, or if any one shall fail to comply with any duty required of him as provided by law shall be deemed guilty of a misdemeanor and upon conviction thereof fined in any sum not exceeding twenty-five dollars.

SEC. 11. Each county commissioner as compensation for his services as ex-officio road commissioner of his precinct shall be entitled to such sum as may be prescribed by the commissioners court of his county, not to exceed four dollars per day for the services actually performed; provided that he shall not receive more than fifty dollars per month; which amount shall be paid monthly out of the road and bridge fund, when the account shall have been allowed by the commissioners court, and said court shall not approve said account unless the road commissioner presenting it shall sign an oath that the account is just, true and unpaid, and specifying the number of days' work actually performed by him, nor shall he be entitled to any other or further compensation for supervising public roads except what is allowed by this act.

SEC. 12. The provisions of the foregoing act shall be held and construed to be cumulative of all General Laws of this State on the subject of roads, when not in conflict therewith, but in case of such conflict this act to control, and provided, this act shall not be in operation in any county of this State, unless the commissioners court thereof, in their judgment may deem it advisable, and then only by an order of the commissioners court when all the members are present, made at some regular term thereof, accepting the provisions of this act. Such order shall be entered on the minutes of said court, and shall not be void for want of form, but a substantial compliance with the provisions thereof shall be sufficient.

SEC. 13. The provisions of this act shall not apply to the counties of Fannin and Lamar, Grayson, Collin, Hunt, Dallas and Bell.

SEC. 14. The fact that there is now no sufficient road law in force in this State, creates an emergency and imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and that this act take effect and be in force from and after its passage and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and was reported to the Senate where same was amended and passed, no vote given; House concurred in Senate amendments, no vote given.]

Approved April 18, 1901.

Takes effect 90 days after adjournment.

TEXAS VOLUNTEERS—APPROPRIATION TO PAY, ETC.

S. B. No. 275.]

CHAPTER CXV.

An Act to amend Chapter CLIX, of the General Laws of Texas, relating to the appropriation of twelve thousand dollars (\$12,000.00) to pay to officers and men of the Texas volunteers, prior to the inmustering into the service of the United States, in the late war with Spain; to pay those who were rejected; to pay for the necessary supplies, subsistence and transportation prior to their being mustered into service; to authorize the Governor to collect from the United States all monies expended under this act, extending the time for filing claims under said act; and making an appropriation for payment of said claims.

Be it enacted by the Legislature of the State of Texas:

That Chapter CLIX, of General Laws of Texas, shall read and hereafter be in force as follows:

SECTION 1. That the sum of twelve thousand dollars (\$12,000.00) or so much thereof as is necessary is hereby appropriated out of any money in the State treasury, not otherwise appropriated, to pay the absolutely necessary expenses for the subsistence, supplies and equipments transportation, sheltering and general maintenance of the Texas volunteers during the interval between the enrollment and their muster into the service of the United States during the recent war with Spain; to pay the officers and men of the said Texas volunteers as appeared and remained at the place of muster which were afterwards received into the service of the United States from the period between the date of assembly at the rendezvous and date they were mustered into the United States service. The pay for officers and men shall be the same as allowed officers and men in the regular army, holding the same rank, and for such officers and men as appeared and remained at the place of muster and were afterwards received into the service of the United States from the period between the date of assembly at the rendezvous and the date they were mustered into service of the United States; to pay all officers and men who appeared at the rendezvous for muster and were rejected by the medical examiner or mustering officer at the rates as fixed, as aforesaid from the date of assembly to the date of their rejection; provided, that officers and men who have been paid in full by the United States shall not be entitled to any pay whatever under this act.

SEC. 2. The Governor and Adjutant General shall constitute a board to audit these accounts which, when properly audited, shall be paid by the treasurer, upon a warrant drawn upon him by the Comptroller; provided, the Governor and Adjutant General shall reject any and all claims which in their judgment may not be repaid to the State by the

Treasurer of the United States under an act of Congress, approved March 3, 1899. All claims under this act must be presented before October 1st, 1901, or be forever barred; provided, that the Governor and Adjutant General shall not allow and audit any claims until they have ascertained from the proper authorities at Washington City, that such claims will be paid by the national government; and provided further, that the Governor and Adjutant General shall cease to allow and audit claims when the aggregate amount thereof shall equal the amount of money appropriated therefor by this act.

SEC. 3. The Governor of Texas is hereby authorized to receive from the treasurer of the United States all monies coming to the State under an act of Congress approved March 3rd, entitled "An Act to reimburse the governors of States and Territories for expenses incurred by them in aiding the United States to raise, organize and supply and equip the volunteer army of the United States in the existing war with Spain, approved July 8, 1898, and for other purposes.

SEC. 4. The fact that officers and men and the various parties to whom the claims provided for under this act have waited patiently for over two years for their payment and that they should be paid as early as possible, creates an emergency and an imperative public necessity requiring the constitutional rule which requires bills to be read on three several days shall be suspended, and that this bill take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 22, nays 0; and passed the House of Representatives, no vote given.]

Approved April 18, 1901.

BOND INVESTMENT COMPANIES—AUTHORIZING THEM TO EXCHANGE CASH FOR SECURITIES.

H. B. No. 293.]

CHAPTER CXVI.

An Act to amend Chapter 94, of the Acts of the 25th Legislature, passed at its Regular Session 1897, by adding to said act Sections 5, 6 and 7, providing for the interchange of cash for securities, or securities for cash deposited with the State Treasurer, at the option of such companies as are mentioned in this act, and authorizing the State Treasurer upon warrant of the Comptroller, to return to any such company as is mentioned in said act the cash or securities deposited with the State Treasurer when such company ceases to do business in this State, and shall satisfy the Comptroller that it has no liabilities in this State; and declaring an emergency, and providing that this act shall take effect from and after its passage.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Chapter 94, of the Acts of the 25th Legislature be amended by adding thereto Sections 5, 6 and 7 as follows, to wit:

Section 5. At any time, when requested so to do, by any company such as is mentioned in this act, the State Treasurer is hereby authorized to permit such company to interchange cash for the securities, or securi-

ties for the cash, deposited by such company with the State Treasurer, under the provisions of this act, such securities always to be approved by the State Treasurer on the written advice of the Attorney General.

Section 6. Should any such company, such as is mentioned in this act, cease to do business in this State, and shall satisfy the Comptroller and the Attorney General, that it has no liabilities in this State, the Comptroller shall issue his warrant to the State Treasurer, and the State Treasurer is authorized and it is made his duty upon such warrant of the Comptroller, to return to such company, the cash or securities deposited by it under the provisions of this act.

Section 7. That whereas, the State Treasurer now holds cash, or securities deposited with him under the provisions of this act, and there is no law authorizing him to return such cash or securities when such companies cease to do business in this State, and have no liabilities in this State, there is thereby created and exists such an emergency and imperative public necessity as requires that the rule that bills be read on three several days be suspended and this act take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 90, nays 4; and passed the Senate by two-thirds vote, yeas 23, nays 1.]

Approved April 18, 1901.

Became a law April 18, 1901.

JOHNSON GRASS.

H. B. No. 470.]

CHAPTER CXVII.

An Act to prohibit railroad and railway companies or corporations in this State from permitting Johnson grass or Russian thistles from going to seed upon their right of way, and fixing a penalty.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* It shall hereafter be unlawful for any railroad or railway company or corporation doing business in this State to permit any Johnson grass or Russian thistle to mature or go to seed upon any right of way, owned, leased or controlled by such railroad or railway company or corporation in this State.

SEC. 2. If it shall appear upon the suit of any person owning, leasing or controlling land contiguous to the right of way of any such railroad or railway company, or corporation, that said railroad or railway company, or corporation has permitted any Johnson grass or Russian thistle to mature or go to seed upon their right of way, such person so suing shall recover from such railroad or railway company or corporation, the sum of twenty-five dollars, and any such additional sum as he may have been damaged by reason of such railroad or railway company or corporation permitting Johnson grass or Russian thistle to mature or go to seed upon their right of way. Provided, any owner of land, or any person controlling land contiguous to the right of way of any such railroad or railway

company, who permits any Johnson grass or Russian thistle to mature, or go to seed upon said land, shall have no right to recover from such railroad or railway company as provided for in this act.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate by vote, yeas 18, nays 7.]

Approved April 18, 1901.

Takes effect 90 days after adjournment.

COUNTY COMMISSIONERS—PROVIDING PAY FOR WHEN ACTING AS ROAD COMMISSIONERS.

H. B. No. 434.]

CHAPTER CXVIII.

An Act to amend Section 16, Chapter 80, of the General Laws of Texas, 1899, relating to pay of county commissioners acting as ex-officio road commissioners, and limiting the amount of such compensation.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Section 16, Chapter 80 of the General Laws of Texas, 1899, relating to the pay of county commissioners acting as ex-officio road commissioners, and limiting the amount of such compensation, be and the same is so amended as to hereafter read as follows:

Section 16. Each county commissioner, when acting as road commissioner and performing the duties imposed upon him by law or by the commissioners court, shall be entitled to \$2.00 per day for the services actually and necessarily performed; provided, that he shall not draw such pay for more than sixty days per quarter; and provided further, that the sum to be paid him as road commissioner shall not exceed \$300.00 per annum, which amount shall be paid out of the road and bridge fund, when the same shall have been approved by the commissioners court; and the court shall not approve said account unless the commissioner presenting it shall sign an oath that the said account is just, due and unpaid, and specifying the number of days of actual service performed by him as road commissioner, and that the same was necessary to be done; and no commissioner shall be entitled to pay as road commissioner while he is performing the duties of county commissioner, or while he is going to or returning from the commissioners court of said county, nor shall he receive any additional pay than that provided for by this section for inspecting the roads in his district, or for other road service.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 4th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and there-

upon became a law without his signature.—JOHN G. TOD, Secretary of State.]

Takes effect 90 days after adjournment.

SHERIFFS AND CONSTABLES—AMENDMENT TO LAW REGULATING FEES OF.

S. B. No. 206.]

CHAPTER CXIX.

An Act to amend Section 4, of Chapter 5, of the Acts of the Special Session of the Twenty-fifth Legislature of the State of Texas, approved June 16, 1897, relating to the fees of sheriffs and constables; providing the amount of such fees, and for the payment of sheriffs' and constables' costs.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That Section 4, of Chapter 5, of the Acts of the Special Session of the Twenty-fifth Legislature, approved June 16, 1897, be amended so as hereafter to read as follows:

Section 4. The sheriffs and constables in this State shall receive the following fees:

1st. For executing each warrant of arrest or capias, or for making arrest without warrant when so authorized by law, the sum of one dollar, and in all cases five cents per mile for each mile actually and necessarily traveled in going to the place of arrest, and for conveying the prisoner or prisoners to jail he shall receive the mileage provided in Subdivision 5, of this act.

2nd. For summoning or attaching each witness fifty (50) cents.

3rd. For summoning a jury in each where a jury is actually sworn in, two (\$2.00) dollars.

4th. For executing death warrant, fifty (\$50.00) dollars.

5th. For removing or conveying prisoner for each mile going and coming, including guards and all other necessary expenses, when traveling by railroad ten (10c) cents; when traveling otherwise than by railroad fourteen (14c) cents; provided, that when more than one prisoner is so conveyed or removed at the same time, in addition to the foregoing he shall only be allowed eight (8c) cents per mile for each additional prisoner; provided, that when an officer goes beyond the limits of this State after a fugitive on requisition of the Governor, he shall receive such compensation only as the Governor shall allow for such services.

6th. For each mile the officer may be compelled to travel in executing criminal process, summoning or attaching witnesses, five (5c) cents; provided, that in no case shall he be allowed to duplicate his mileage when two or more witnesses are named in the same or different writs in any case, and he shall serve process on them in the same neighborhood or vicinity during the same trip. He shall not charge mileage for serving such witness to and from the county seat, but shall charge only one mileage, and for such additional only, as are actually and necessarily traveled in summoning and attaching each additional. When process is sent by mail to any officer away from the county seat, or returned by mail by such officer, he shall only be allowed to charge mileage for the miles actually traveled by him in executing such process, and the return of the

officer shall show the character of the services and miles actually traveled in accordance with this subdivision and his account shall show the facts.

7th. To officers for service of criminal process, not otherwise provided for, the sum of five (5) cents a mile going and returning shall be allowed; provided, if two or more persons are mentioned in the same or different writs the rule prescribed in Subdivision six shall apply.

8th. For conveying witnesses attached by him to any court, or in habeas corpus proceedings out of his county, or when directed by the judge from any other county to the court where the case is pending, one (\$1.00) dollar and fifty (50) cents per day for each day actually and necessarily consumed in going to and returning from such courts, and his actual and necessary expenses by the nearest practicable route or nearest practicable public conveyance, the amount to be stated by him in an account, which shall show the place where the witness was attached, the distance to the nearest railroad station, and miles actually traveled to each court, if horses or vehicles are used, from whom hired and price paid, and length of time consumed, and amount paid out for feeding horses and to whom. If meals and lodging were provided, from whom, and when, and price paid; provided, that officers shall not be entitled to receive exceeding fifty (50) cents per meal and thirty-five (35) cents per night for lodging for any witness; and, provided, further, that no item or items for expenses shall be allowed unless the officer present with his account to the officer whose duty it is to approve same, a receipt in writing for each item of said account, except as to such items as are furnished by the officer himself; and when meals and lodging are furnished by the officer in person conveying the witnesses, he shall be allowed to receive not exceeding twenty-five (25) cents per meal and twenty-five (25) cents per night for lodging. All of the said receipts shall be filed with the clerk of the court approving such account. Said account shall also show before said officer shall be entitled to compensation for expenses of attached witnesses that before starting with said witnesses to the foreign court he carried each of them before the magistrate nearest the place of serving the attachment, giving his name and residence, and that said witness made oath in writing before said magistrate, certified copies of which shall be attached to the account, that they were unable to give bond for their appearance at court, or refused to give bond after having been advised by said officer of their right to do so. And the officer shall also present to the court the affidavit of the witness to the same effect, or shall show that the witness refused to make the affidavit, and should it appear to the court that the witness was willing and able to give bond, the sheriff shall not be entitled to any compensation for conveying such witness and all accounts for fees in criminal cases by sheriffs, shall be sworn to by the officer before any officer authorized to administer oaths, and shall state that said account is true, just and correct in every particular and be presented to the judge, who shall during such term of court, carefully examine such account and if found to be correct in whole or in part, shall so certify and allow the same for such amount as he may find to be correct; and if allowed by him, in whole or in part, he shall so certify and such account with the affidavit of the sheriff and certificate of the judge, shall be recorded by the clerk of the district court in a book kept by him for that purpose which shall constitute a part of the proceedings or minutes of the court, and the clerk shall certify to the

original account, and shall show that the same has been recorded, and said account shall then become due, and the same shall constitute a voucher on which the Comptroller is authorized to issue a warrant if such account when presented to the Comptroller, shall be accompanied by a certified copy under the hand and seal of the district clerk of the returns made on the process for which such officer is claiming fees corresponding to the amount so claimed in his account. The minutes of the court above provided for, or a certified copy thereof, may be used in evidence against the officer making the affidavit for perjury in case said affidavit shall be wilfully false. When the officer receiving the writ for the attachment of such witness, shall take a bond for the appearance of such witness he shall be entitled to receive from the State one (1.00) dollar for each bond so taken, but he shall be responsible to the court issuing said writ that said bond is in proper form and has been executed by the witness with one or more good or solvent sureties; and said bond shall in no case be less than one hundred (100.00) dollars; provided, the Comptroller may require from such officer a certified copy of all such process before auditing any account; provided, that when no inquest or examining trial has been held at which sufficient evidence was taken upon which to find an indictment, which fact, shall be certified by the grand jury, or when the grand jury shall state to the district judge that an indictment cannot be procured except upon the testimony of non-resident witnesses, the district judge may have attachments issued to other counties for witnesses, not to exceed the number, for which the sheriff may receive pay, as provided for by law, to testify before the grand juries; provided, however, that the judge shall not approve the accounts of any sheriff for more than one witness to any one fact, nor more than three witnesses to any one case pending before the grand jury, in which case the sheriff shall receive the same compensation as he does for conveying attached witnesses before the court. Subdivision 8, of Section 4, of this act, shall apply to the officers affected thereby in all counties in Texas.

9th. For attending a prisoner on habeas corpus for each day, one dollar and sixty cents (\$1.60) together with mileage, as provided in Subdivision 5, when removing such prisoner out of the county under an order issued by a district or appellate judge.

SEC. 2. The fact that under existing law there is no adequate compensation to sheriffs and constables such as to insure the proper enforcement of the laws of this State, therefore an imperative public necessity and emergency exists for the suspension of the constitutional rule requiring bills to be read on three separate days; said rule is therefore suspended, and this act, shall take effect from and after its passage.

J. N. BROWNING,

J. P. POOL,

Sec. Senate.

I hereby certify that the within S. B. No. 206, passed the House of Representatives April 6, 1901.

LEE J. ROUNTREE,

Chief Clerk H. of R.

Received in the Executive Office, this 9th day of April A. D. 1901 at 11 o'clock and 15 minutes a. m.

N. A. CRAVENS,
Private Secretary.

Now comes R. E. Prince Speaker of the House of Representatives of the Twenty-seventh Legislature, after the adjournment of said Legislature, and on this the 15th day of April 1901 at 11.10 o'clock a. m. (said Legislature having adjourned at 12 m. on April 9th, 1901) and hereto appends his signature to the above and foregoing bill *nunc pro tunc*.

R. E. PRINCE,
Speaker of the House of Representatives.

I approve the foregoing bill—it being a meritorious measure—though it was not authenticated by the signature of the Speaker of the House of Representatives when presented to me—and I do so in deference to the views of those who, contending that the Journal of the House of Representatives constitutes the exclusive evidence of the fact that the Speaker had signed the bill, believe that such action will expedite a judicial determination of the validity of the proposed law.

This the 18th day of April, 1901.

TRADE MARKS—MAKING IT AN OFFENSE TO FILL BOX OR BOTTLE WITH TRADE MARK STAMPED THEREON.

H. B. No. 303.]

CHAPTER CXX. •

An Act to amend Article 918a, Chapter 14a, Title XVII, of the Penal Code of the State of Texas, regulating the filling of bottles with compounds or defacing in any way the mark or device on bottles, syphons or other containers.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Article 918a, Chapter 14a, Title XVII of the Penal Code of the State of Texas, shall be amended so as to hereafter read as follows:

Article 918a. It is hereby declared to be unlawful for any person or persons, corporate or otherwise, other than the proprietor, or by his written consent, to fill for the purpose of traffic, or for sale, with any compound whatever, any box, syphon, bottle or other container so marked, recorded in the office of the county clerk, and published as provided in Article 318a of the Revised Civil Statutes; or to deface, erase obliterate, cover up or otherwise remove or cancel any such mark or device.

SEC. 2. Whereas the present law on the statute books of this State is incorrect and confusing, causing daily confusion in the commercial world, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate, no vote given.]

Approved April 19, 1901.

Takes effect 90 days after adjournment.

MALICIOUS MISCHIEF—AMENDMENT TO LAW OF.

H. B. No. 181.]

CHAPTER CXXI.

An Act to amend Article 787, Chapter 3, Title XVII of the Penal Code of the State of Texas.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Article 787, Chapter 3, Title XVII of the Penal Code of the State of Texas, shall be amended so as to read as follows:

Article 787. If any person shall wilfully or wantonly kill, maim, wound, disfigure, poison or cruelly and unmercifully beat or abuse any horse, ass, mule, cattle, sheep, goat, swine, dog or other domesticated animal, or any domesticated bird, he shall be fined not less than five nor more than one hundred dollars. All laws and parts of laws in conflict with this act are hereby repealed.

SEC. 2. The near approach of the adjournment of the Legislature and the fact that the passage of this bill is thus imperiled, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act shall take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and was reported to the Senate where same was amended and passed, no vote given; House concurred in Senate amendments, no vote given.]

Approved April 19, 1901.

Takes effect 90 days after adjournment.

DEPUTY MARSHALS—PROVIDING FOR APPOINTMENT OF.

S. B. No. 304.]

CHAPTER CXXII.

An Act to amend Title XVIII, Chapter 3, Article 407, so as to provide for the manner of appointing deputy marshals in cities and towns, and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That Article 407, Title XVIII, Chapter 3, of the Revised Statutes of the State of Texas, be so amended as to hereafter read as follows:

19—G. L.

Article 407. The marshal of the city shall be ex-officio chief of police and may appoint one or more deputies; the appointment of which deputies shall only be valid upon the approval of the city council. Said marshal shall, either in person or by deputy attend upon the recorder's or mayor's court while said court is in session and shall promptly and faithfully execute all writs and process issued from said court; he shall have like power with the sheriff of the county to execute the writ of search warrant; he shall be active in quelling riots, disorder and disturbances of the peace, within the limits of said city, and shall take into custody all persons so offending against the peace of the city and shall have authority to take suitable and sufficient bail for the appearance before the recorder's or mayor's court of any person charged with an offense against the ordinances or laws of the city; it shall be his duty to arrest, without warrant, all violators of the public peace and all who obstruct or interfere with him in the execution of the duties of his office, or who shall be guilty of any disorderly conduct or disturbances whatever; to prevent a breach of the peace, or preserve quiet and good order, he shall have authority to close any theatre, barroom, ballroom, drinking house, or any other place or building of public resort; and in the prevention and suppression of crime and arrest of offenders, he shall have, possess and execute like power, authority and jurisdiction as the sheriff of the county under the laws of the State. He shall receive a salary or fees of office, or both, to be fixed by the city council. The marshal shall give such bond for the faithful performance of his duties as the city council may require, and he shall perform such other duties and possess such other powers, rights and authority as the city council may by ordinance require and confer not inconsistent with the Constitution and laws of this State.

SEC. 2. Whereas, there is now no law regulating the manner of appointing deputy marshals and providing for their confirmation, and various cities and towns will shortly hold city elections, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and that said rule is hereby suspended, and this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given; and passed the House of Representatives by two-thirds vote, yeas 100, nays 1.]

Approved April 19, 1901.

Takes effect 90 days after adjournment.

STOCK LAW—AMENDMENT TO.

H. B. No. 69.]

CHAPTER CXXIII.

An Act to amend Article 4998, Title CII, Chapter 5, of the Revised Civil Statutes of the State of Texas.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Article 4998, Title CII, Chapter 5, of the Revised Civil Statutes

of the State of Texas shall be amended so as to hereafter read as follows, to wit: Should any stock, not permitted to run at large, enter any enclosure of any owner or lessee of land, entitled to the benefit of this chapter, without his or their consent, it shall be lawful for the owner or lessee of said enclosure to impound said stock; and it shall be the duty of the owner or lessee of said land to give notice immediately to the owner of said stock of their impounding and detention, and the owner of said stock shall be entitled to the possession of his or her stock on payment of expenses incurred in impounding and keeping said stock; provided that in such county or subdivision said owners or lessees shall not be required to fence against the stock not permitted to run at large; and any fence in said county or subdivision which is sufficient to keep out ordinary stock permitted to run at large under this chapter shall be deemed a lawful fence. Three barbed wires with posts not more than thirty feet apart, and one or more stays between them, or pickets four feet high and not more than six inches apart, shall constitute a lawful fence. If boards or rails are used, then three boards to be not less than five inches wide and one inch thick, or four rails shall constitute a lawful fence; provided, that all fencing built under the provisions of this act shall be four feet high.

SEC. 2. The near approach of the close of the present session and the necessity for the passage of the bill, creates an emergency and an imperative public necessity authorizing the suspension of the rule requiring bills to be read on three several days and that this act take effect from and after its passage and said rule is hereby suspended and it is enacted that this bill take effect from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and was reported to the Senate, where same was amended and passed, no vote given; House concurred in Senate amendments, no vote given.]

Approved April 19, 1901.

Takes effect 90 days after adjournment.

JUDGMENTS—APPEAL TO COUNTY COURT IN CRIMINAL CASES.

S. B. No. 52.]

CHAPTER CXXIV.

An Act to amend Article 889, Title 10, of the Code of Criminal Procedure of the State of Texas relating to appeals from the judgment of justices of the peace and other inferior courts to the county court and to repeal all laws and parts of laws in conflict therewith.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That Article 889, Title 10, of the Code of Criminal Procedure of the State of Texas be amended so as hereafter to read as follows:

Article 889. In appeals from the judgments of justices of the peace and other inferior courts to the county court, the defendant shall, if he be in custody, be committed to jail unless he give bond with good and

sufficient security to be approved by the court from whose judgment the appeal is taken, in an amount not less than double the amount of fine and costs adjudged against him payable to the State of Texas; provided said bond shall not in any case be for a less sum than fifty dollars; said bond shall describe the judgment appealed from with sufficient certainty to identify it; shall recite that in said cause the defendant was convicted on complaint, or information, charging him with a misdemeanor, and has appealed to the county court and shall be conditioned that the defendant shall well and truly make his personal appearance before the county court of said county at its next regular term, stating the time and place of holding the same, and there remain from day to day, and term to term and answer in said cause on trial in said court.

SEC. 2. That all laws and parts of laws in conflict with the provisions of this act be, and the same are hereby repealed.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given; and passed the House of Representatives, no vote given.]

Approved April 19, 1901.

Takes effect 90 days after adjournment.

PUBLIC LANDS—SALE AND LEASE OF.

F. C. C. S. for H. B. No. 71.]

CHAPTER CXXV.

An Act relating to the sale and lease of public free school and asylum lands, and to repeal all laws and parts of laws in conflict herewith.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That it shall be the duty of the Commissioner of the General Land Office to notify in writing the county clerk of each county the classification and valuation fixed upon each section of land in his county, and in each county attached to it for judicial purposes, and said Commissioner of the General Land Office shall make forthwith a correct and revised list for each county of all unsold lands therein, and he shall forward the same by registered letter to the county clerk of the county for which said list was made, or to the county clerk of the county to which said county is attached for judicial purposes, and the Commissioner of the General Land Office shall, on application therefor, furnish any citizen a copy of said list for as many counties as applied for, making a reasonable charge for such list or lists, and the Commissioner of the General Land Office shall file the return receipt for said registered letter among the papers of his office and keep the same for future reference: and said Commissioner of the General Land Office shall also notify said clerk of each and every sale as soon as said sales are made. Upon receipt of said list, or any notice required to be given under the provisions of this act, the county clerk receiving the same shall forthwith file and record said list in a well bound book to be kept for that purpose, and thereafter when notified of the sale of any section of land therein

described he shall enter opposite the description of the land so sold the name of the purchaser and the date when sold; and the said list so furnished said clerk, and said book shall be considered public records and open to public inspection, and it is hereby made the duty of the county clerk to exhibit said book and the records to any person who shall apply to him therefor. For the purpose of furnishing the several counties in this State and the clerks thereof with a revised list of all the unsold lands in this State, as provided in this act, the Commissioner of the General Land Office is hereby authorized to employ four expert clerks at a salary not to exceed one hundred dollars per month each; provided, their services shall be discontinued when said list shall have been made, and provided the employment shall not exceed six months. The sum of twenty-four hundred dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury not otherwise appropriated, for the purpose of carrying into effect the provisions of this act.

In case any county clerk of any county in this State after the receipt of the list of unsold lands or notices concerning the same hereinbefore provided to be sent to him by the Commissioner of the General Land Office shall fail to file, record or exhibit the same as hereinbefore provided, he shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined in any sum not less than one hundred dollars nor more than five hundred dollars.

SEC. 2. Any person desiring to purchase school or asylum land shall make a separate application for each tract applied for, addressed to the Commissioner of the General Land Office, describing the lands sought to be purchased, which application shall be accompanied with the affidavit of the applicant in effect that he desires to purchase the land for a home and has in good faith settled thereon, except where otherwise provided by law; and he shall also swear that he is not acting in collusion with others for the purpose of buying land for any other person or corporation, and that no other person or corporation is interested in the purchase thereof. He shall accompany said application with his obligation to the State, duly executed, binding the purchaser to pay to the State on the first day of November of each year thereafter until the whole purchase is paid one-fortieth of the aggregate price with interest at the rate of three per cent. per annum on the whole unpaid purchase money, which interest shall also be payable on the first day of November of each year. Said application, oath and obligation shall be filed in the office of the county clerk of the county in which the land is applied for or a part thereof is situated, or of the county to which said county is attached for judicial purposes; but the clerk shall not file such application until the applicant shall have deposited with him the first payment of one-fortieth of the aggregate purchase money for the particular tract of land. Upon the receipt of said application and first payment, the county clerk shall endorse officially on the application the day and the hour of filing, and record the same in full in a well bound book to be kept by him for that purpose, and shall also note on his record of unsold school lands, the name of the applicant and the date the application is filed and as soon as the application is recorded, the book and page where recorded. The county clerk shall record the application and obligation without delay, recording all applications in the order in which they are filed, and shall forthwith transmit them when recorded to the Commissioner of the Gen-

eral Land Office, and the first payment to the State Treasurer. All applications shall take effect from the time they are filed in the office of the county clerk of the proper county; and for filing and recording each application and noting the name of the applicant and date of application on the record of unsold lands and transmitting it to the Commissioner of the General Land Office and the first payment to the State Treasurer, and all other services in connection therewith, the clerk shall be entitled to a fee of one dollar for each application, to be paid by the applicant. Any failure or refusal of the county clerk to perform any duties required in this section shall be an offense and upon conviction he shall be fined not less than one hundred dollars nor more than five hundred dollars.

SEC. 3. The Commissioner of the General Land Office is hereby prohibited from selling to the same party more than four sections of land, and all applications to purchase land shall also disclose the prior lands purchased by the applicant from the State, if any, since the taking effect of this act, and the residence of the applicant at said time, and if it appear therefrom or from the records in the Land Office that said applicant has already purchased land aggregating four sections since the taking effect of this act, his application shall be rejected; provided, this shall not apply to sales made to a purchaser and afterwards canceled as invalid for some reason other than abandonment and where the purchaser himself was not at fault. Every purchaser shall be required within three years after his purchase to erect permanent and valuable improvements on the land purchase by him, which improvements shall be of the reasonable market value of three hundred dollars. If any purchaser shall fail to reside upon and improve in good faith the land purchased by him as required by law, he shall forfeit said land and all payments made thereon to the State, to the same extent as for the non-payment of interest, and such land shall be again upon the market as if no such sale and forfeiture had occurred, and all forfeitures for non-occupancy shall have the effect of placing the land upon the market without any action whatever on the part of the Commissioner of the General Land Office; and if any purchaser shall be forced to yield possession of the land purchased by him from the State on account of any writ or other judicial process issued from a court of competent jurisdiction, or be compelled to temporarily yield his possession from a well-grounded fear of death or serious bodily injury, such absence shall not work the forfeiture provided by law for non-occupancy; but no writ of injunction shall issue in any case involving the title or possession of lands herein referred to where the applicant has an adequate remedy at law by sequestration or otherwise.

SEC. 4. Any person desiring to lease any portion of the lands belonging to any of the funds mentioned in this act shall make application in writing to the Commissioner of the General Land Office, specifying and describing the particular lands he desires to lease; and thereupon the Commissioner, if the lands applied for are subject to lease, and not in immediate demand for actual settlement, shall notify the applicant in writing who first files written application therefor that his proposition to lease is accepted, and thereupon he shall execute to the lessee in the name and by the authority of the State of Texas a lease of said lands for such time as may be agreed upon, not to exceed five years; and when satisfied that the lessee has paid to the Treasurer of the State the rent for one year in advance, he shall deliver said lease to the clerk of the county

court of the county in which the land is situated, or of the county to which said county is attached for judicial purposes, and it shall be the duty of the clerk to record in a well bound book kept in his office, open to public inspection, a memorandum or abstract of said lease, showing the number of the survey or surveys leased, the name of the original grantee, the amount leased, the name of the lessee, the date of the lease and the number of years it has to run; and for entering said memorandum the clerk shall be entitled to a fee of twenty-five cents. Upon payment of said fee the clerk shall deliver the lease to the lessee and no other record of leases hereafter made shall be required except said memorandum. When any of such leases are filed for record the clerk shall make the memorandum or abstract above provided for. All lands which may be leased shall be subject to sale at any time, except where otherwise provided herein. This provision in regard to the sale of leased lands shall apply to leases heretofore made as well as to those hereafter to be made. Any section or part of a section which may be leased shall not be sold except to the lessee, nor shall the lessee be disturbed in his possession thereof during the term of his lease, when he has placed on such section or part of a section improvements to the value of two hundred dollars. In the following named counties lands heretofore leased shall not be subject to sale until said leases expire, except as herein provided, to wit: Kent, Garza, Lynn, Scurry, Borden, Dawson, Mitchell, Martin, Howard, Coke, Sterling, Glasscock, Tom Green, Irion, Schleicher, Menard, Mason, Uvalde, Frio, Kerr and Bandera, provided, that after the expiration of five years from the date this act takes effect all lands now under lease in any of the counties above named shall be subject to sale regardless of the fact as to whether or not the lease on the land has expired.

SEC. 5. The following counties shall constitute the absolute lease district, to wit: El Paso, Jeff Davis, Presidio, Brewster, Reeves, Pecos, Loving, Winkler, Ward, Yoakum, Terry, Gaines, Andrews, Ector, Midland, Upton, Crane, Crockett, Sutton, Val Verde, Edwards, Kinney, Maverick, Zavala, Dimmit, La Salle, McMullen, Webb, Duval, Nueces, Kimble, Zapata, Starr, Hidalgo and Cameron. All tracts of land lying partly inside and partly outside of the absolute lease district shall be considered for the purpose of sale and lease, as being wholly without said district. And lands situated in the absolute lease district which may be leased shall not be sold during the term of the lease, except as provided herein. On the expiration of any lease in the absolute lease district the lands shall remain subject to sale for a period of sixty days, except where there are improvements on a section of the value of two hundred dollars or more, and if it has been previously classified and valued by the Commissioner of the General Land Office, and notice given to the county clerk, it shall not be necessary to give the clerk any further notice in order to put the land on the market, but it shall be considered as already on the market and subject to sale. During said period of sixty days the Commissioner of the General Land Office shall suspend action upon any application to lease said land, and shall award it upon any legal application to purchase made during said time. And that the party purchasing any of said lands, whether inside or outside of the absolute lease district, within the inclosure of another, shall not turn loose any stock within the inclosure until he shall have provided sufficient water for the stock so turned loose, and any violation of this provision shall be an offense, and

upon conviction the party so offending shall be fined one dollar for each head of stock so turned loose, and each thirty days violation shall constitute a separate offense. If no application to purchase has been filed in the proper county clerk's office within sixty days after the expiration of the lease, then the former lessee shall have a preference right over any one else for thirty days thereafter to re-lease such lands or any part thereof, but his lease shall run from the expiration of his old lease. In all cases where the lease is terminated under any of the provisions of this act before the expiration of the term of lease, the lessee shall have a pro rata credit upon his next year's rent or the money refunded to him by the Treasurer as he may elect. On the expiration of his lease or its termination under the provisions of law, or by a final judgment of any court of competent jurisdiction, the lessee shall have the right for the period of sixty days to remove any or all improvements he shall have placed upon the leased premises. No purchaser or other person than the lessee shall be permitted to turn loose within such lessee's inclosure more than one head of horses, mules or cattle, or in lieu thereof, four head of sheep or goats, for every ten acres of land so purchased, owned or controlled by him and uninclosed. Each violation of the provisions of this act which restrict the number of stock which may be turned loose in such inclosure shall be an offense, and the offender, on conviction, shall be punished by fine of one dollar for each head of stock he may so turn loose, and each thirty days' violation of the provisions of this section shall constitute a separate offense. The Commissioner of the General Land Office is hereby prohibited from renewing any lease before its expiration, as shown on the face of the original lease contract; and no lease contract shall be canceled, except in cases where the land has been or may be sold as provided by law, or where the lessee fails to pay the annual rental due the State within sixty days from the date it becomes due. And when the lessee shall fail to pay his annual rental within sixty days after it becomes due, the Commissioner of the General Land Office shall cancel said lease and immediately notify the county clerk of the county in which the land, or a part thereof is situated, of the cancellation and the date when canceled, and the clerk shall note the date of cancellation on his lease record, and the land shall be on the market for sale for sixty days after said cancellation.

SEC. 6. Any lessee shall have sixty days prior right to purchase lands as an actual settler at expiration of his lease; and provided further that if the sections sought to be purchased have each improvements upon them of a permanent nature of the value of five hundred dollars, that then said section or sections need not be situated within the five mile radius as fixed by law, and provided further, that all lands purchased under this act that are not purchased under this preference right herein given lessees shall be situated within the five mile radius now required by law.

SEC. 7. All lands which are now or which may hereafter become detached lands shall be sold to actual settlers only on such terms conditions as are now or which may hereafter be provided by law.

SEC. 8. The Commissioner of the General Land Office shall adopt such regulations for the sale of timber on the timbered lands as may be deemed necessary and judicious. Such timber shall not be sold for less than five dollars per acre cash, except in such cases as the Commissioner may ascertain by definite examination by an approved agent appointed

by him for that purpose, to be paid by the purchaser, to be sparsely timbered or containing timber of but little value, in which case he may sell the timber on such sections or part of sections at its proper value, provided such timber is sold at not less than two dollars per acre. The purchaser shall have five years from the date of his purchase within which to remove the timber therefrom, and in case of failure to do so, such timber shall thereby be forfeited to the State without judicial ascertainment; provided, that all timbered lands from which the timber has been cut and taken off may be placed on the market and sold as agricultural or grazing lands, according to classifications to be made by the Land Commissioner; provided, that upon application of the purchaser or his vendees of any such timber made within five years from the purchase of such timber the Commissioner of the General Land Office shall have said land classified at the expense of the owner of said timber as agricultural or grazing land, and the owner of said timber shall have the right to purchase said land at the valuation fixed by said Commissioner on the same terms and conditions as other lands of like classification are sold under the provisions of this chapter.

SEC. 9. That all laws and parts of laws in conflict with this act are hereby repealed.

SEC. 10. The importance of the legislation proposed and the crowded condition of the calendar rendering it improbable that this bill can be read on three several days creates an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and that this act take effect from and after its passage; and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act was substituted for House bill No. 71 and passed the Senate by two-thirds vote, yeas 26, nays 1; and passed the House of Representatives April 9, 1901, vote not given. The House Journal, however, shows that it passed the House by two-thirds vote, yeas 96, nays 7.]

TAXES—EXTENDING TIME OF PAYMENT IN CERTAIN COUNTIES.

H. B. No. 508.]

CHAPTER CXXVI.

An Act to extend the time of payment of the State and county taxes for the years 1900 in the counties of Brazoria, Fort Bend, Wharton, Waller, Galveston, Colorado, Austin, Grimes and Jackson, until February the 1st, 1902, from and after the 1st day of May, 1901.

Whereas, the counties of Brazoria, Fort Bend, Wharton, Waller, Galveston, Colorado, Austin, Grimes and Jackson were, on the 8th day of September, 1900, visited by a storm of unprecedented calamity, whereby many lives were lost, and property of great value destroyed and damaged, and whereby a great number of people were left homeless and without resources, either of property or money, and

Whereas, it is deemed necessary at the present session of the Legislature to enact proper legislation for the permanent relief for the suffering people of the counties above named, but before such legislation can be had, the tax collector of said county will under the law, proceed to the enforced collection of the State and county taxes for the said counties of Brazoria, Fort Bend, Waller, Wharton, Galveston, Colorado, Austin, Grimes and Jackson; therefore,

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the time for the collection and payment of all county and State taxes in the counties of Brazoria, Fort Bend, Wharton, Waller, Galveston, Colorado, Austin, Grimes and Jackson, for the year 1900, be extended until February 1, 1902, from and after the first day of May, 1901.

SEC. 2. The fact that there is now no law in the State of Texas conferring upon State and county tax collectors any power and discretion extending the time for the enforced collection of taxes, and the fact that the said collectors of taxes for the counties of Brazoria, Fort Bend, Wharton, Waller, Galveston, Colorado, Austin, Grimes and Jackson, will on the first day of May, 1901, proceed to the enforced collection of the taxes of said county for the year 1900, thereby inflicting upon the taxpayers of said county great hardships and irreparable loss and damage, creates an imperative public necessity and an emergency requiring the suspension of the constitutional rule requiring bills to be read on three several days, therefore the said constitutional rule is hereby suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 96, nays 5; and was reported to the Senate, where same was amended and passed by two-thirds vote, yeas 25, nays 0; House concurred in Senate amendments by two-thirds vote, yeas 106, nays 0.]

CITY OF GALVESTON—GRANTING AID TO RAISE THE GRADE OF.

S. S. B. No. 152.]

CHAPTER CXXVII.

An Act to aid the city of Galveston in elevating and raising said city so as to protect it from calamitous overflows, by donating and granting to it the State ad valorem, and a part of the occupation and poll taxes, collected on property and from persons in said city, for a period of fifteen years, and to provide a penalty for their misapplication.

Whereas, the city of Galveston was, on the 8th day of September, A. D. 1900, devastated by a storm and calamitous overflow, whereby thousands of lives were lost, and property of the value of many millions of dollars was destroyed, which caused and constitutes a great public calamity; and

Whereas, the agricultural, commercial, manufacturing, mining and stock-raising interests of the State of Texas and of the States and Terri-

ories, a large portion of the commerce of which seeks the high seas through the port of Galveston, require the speedy protection of said city and port and with a view of the State of Texas aiding in protecting said city and the inhabitants thereof, from calamitous overflows; therefore

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That, for a period of two years, commencing with the fiscal year beginning September 1, 1901, there be and hereby are donated and granted, by the State of Texas, to the city of Galveston, the net amounts of money collected from the following State taxes:

1st. The State ad valorem taxes collected upon property and from persons, in the corporate limits of the city of Galveston.

2nd. The State ad valorem taxes collected from railroad companies upon property situated in the county of Galveston, including rolling stock, which shall be ascertained and apportioned as now provided by law.

3rd. Three-fourths of all moneys collected from State occupation taxes received from persons, firms, companies or associations of persons doing business in the city of Galveston.

4th. All State poll taxes collected from persons in the city of Galveston, except that belonging to the public school fund.

SEC. 2. The assessor of taxes for the county of Galveston shall assess all property and persons within the corporate limits of the city of Galveston separately from those in other portions of said county, and shall make and keep the assessment rolls for said city separate and distinct from the assessment rolls for the remainder of Galveston county.

SEC. 3. The Comptroller shall keep separate accounts of all taxes collected within the corporate limits of the city of Galveston, and also from that portion of Galveston county outside of the corporate limits of said city of Galveston.

SEC. 4. At the end of each month the collector of taxes for Galveston county shall, on forms to be furnished by the Comptroller of Public Accounts, make an itemized report, under oath, to said Comptroller, showing each and every item of State ad valorem, occupation and poll taxes collected by him, as provided for in the two foregoing sections, upon property and from persons within the city of Galveston, and accompany the same with a summarized statement showing full disposition of all such State taxes collected; said collector shall present such report, together with the tax receipt stubs, authorized by law to be kept, to the county clerk of Galveston county, who shall, within two days, compare said report with the said stubs, and if the same agree in every particular, as regards names, dates and amounts, he (the clerk) shall certify to its correctness, for which examination and certificate he shall be paid by the commissioners court twenty-five cents for each certificate, and twenty-five cents for each two hundred taxpayers on said report. The said collector shall then, immediately, forward his reports, so certified, to the Comptroller, and shall pay over to the city treasurer of the city of Galveston all monies collected by him, during said month, under the provisions of this act, except such amounts as are allowed by law for assessing and collecting the same, and shall forward a duplicate copy of the receipt given to him by the treasurer of the city of Galveston, for such monies, to the Comptroller.

SEC. 5. The treasurer of the corporation of the city of Galveston

shall, at the end of each month, make an itemized report, under oath, to the Comptroller of Public Accounts, showing the amount of money received by him from the collector of taxes for Galveston county, and what disbursements, if any, have been made during said month, of said monies.

SEC. 6. The municipal authorities of the city of Galveston shall, on the first of January of each year, cause to be made an itemized statement, under oath and in duplicate, showing the amount of money received by the city of Galveston, under the provisions of this act, and how the same has been expended. One copy of such statement shall be forwarded to the Governor of this State, and the other to the Comptroller of Public Accounts.

SEC. 7. The monies herein and hereby granted and donated to the city of Galveston are declared to be a trust fund, for the purpose of aiding the city of Galveston in paying the interest and sinking fund upon an issue or issues of bonds, the proceeds of which bonds are to be used exclusively for the elevation and raising of the streets, avenues, alleys, sidewalks, and lots in said city above calamitous overflows, and for securing and protecting such filling. The use or diversion of such moneys for any other purpose whatsoever is hereby prohibited. A violation of the provisions of this section shall constitute a misapplication of public money, and the person or persons so offending shall be punished as provided for in Article 96 of the Penal Code of Texas.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by vote, yeas 14, nays 8; and was reported to the House of Representatives, where same was amended and passed, no vote given; Senate concurred in House amendments, no vote given.]

Approved April 19, 1901.

Takes effect 90 days after adjournment.

AFFRAYS AND DISTURBANCES OF THE PEACE.

H. B. No. 14.]

CHAPTER CXXVIII.

An Act to amend Article 336 Chapter 3, Title IX of the Penal Code of the State of Texas, relating to affrays and disturbance of the peace.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Article 336 of Chapter 3, Title IX of the Penal Code of the State of Texas, relating to affrays and disturbance of the peace, be and the same is hereby amended so as to hereafter read as follows:

Article 336. If any person shall discharge any gun, pistol or firearms of any description, or shall discharge any cannon cracker or torpedo on or across any public square, street or alley in any city, town or village, or in any street, or within one hundred yards of any business house, in this State, he shall be fined in any sum not exceeding one hundred dollars.

SEC. 2. By the term "cannon cracker" is meant any firecracker or other combustible package more than two inches in length, and more than one inch in circumference.

SEC. 3. The fact that there is now no sufficient law on this subject and the near approach of the end of the session creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and that this act take effect and be in force from and after its passage and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 9th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—JOHN G. TOD, Secretary of State.]

Takes effect 90 days after adjournment.

WATER FOWL—PENALTY FOR SHOOTING OF AT NIGHT.

H. B. No. 328.]

CHAPTER CXXIX.

An Act to amend Chapter 5, of the Criminal Code of the State of Texas, by adding thereto Article 430b, prohibiting the shooting, hunting or killing of wild ducks, wild geese, or other wild aquatic fowl at night, in Harris, Jefferson, Galveston, Brazoria, Matagorda, Nueces, Aransas, Refugio, Lavaca, San Patricio, Cameron, Hidalgo and Calhoun counties.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Chapter 5, of the Criminal Code of the State of Texas, be so amended as to add thereto Article 430b, to read as follows, to wit:

Article 430b. If any person shall in either of the counties of Harris, Jefferson, Galveston, Brazoria, Matagorda, Nueces, Aransas, Refugio, Lavaca, San Patricio, Cameron, Hidalgo or Calhoun shoot, or shoot at, with a gun of any description, or hunt or kill in any manner, any wild duck, wild goose, or any other kind of wild aquatic fowl at night, that is between sunset and sunrise, he shall be fined not less than five, nor more than twenty dollars.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and was reported to the Senate, where same was amended and passed, no vote given; House concurred in Senate amendments, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 8th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—JOHN G. TOD, Secretary of State.]

FISH AND GAME LAW—AMENDMENT TO.

S. B. No. 140.]

CHAPTER CXXX.

An Act to amend Articles 529, 529e and 529g, and repealing Article 529l of Chapter 56 of the General Laws of the State of Texas of 1899, and adding Articles 529v and 529w to Chapter 5, Title XIII, of the Revised Penal Code of the State of Texas of 1895; and amending Article 529s of Chapter 98 of the General Laws of the State of Texas of 1897, relating to the offenses for the protection of fish, birds, game, etc., and repealing all laws in conflict herewith.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That Articles 529, 529e, and 529g of Chapter 56 of the General Laws of the State of Texas of 1899, be amended so as to hereafter read as hereinafter set forth, and that Articles 529v and 529w be added to Chapter 5, Title XIII, of the Revised Penal Code of the State of Texas of 1895, as hereinafter set forth, and that Article 529s of Chapter 98 of the General Laws of the State of Texas of 1897 be amended so as to hereafter read as hereinafter set forth, and that Article 529l of Chapter 56 of the General Laws of the State of Texas of 1899 be repealed.

Article 529. Any person who shall wilfully deface, injure, destroy, or remove any buoy or fence, or parts thereof, used to designate or enclose a private oyster bed in this State, without the consent of the owner thereof, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any sum not less than ten dollars (\$10.00) nor more than two hundred and fifty dollars (\$250.00).

Article 529e. It shall be unlawful for any person to bring to market, sell or ship any redfish of more than twelve pounds in weight, or less than one and one-half pounds in weight; any trout of less than one pound in weight; or sheep's-head of less than one pound in weight. Any person offending against this article shall upon conviction, be fined in any sum not less than ten dollars (\$10.00) nor more than two hundred and fifty dollars (\$250.00).

Article 529g. It shall be unlawful for any person, during the breeding season, consisting of the months intervening between April the 1st and September the 1st, to catch any fish, green turtle, or terrapin, by drag net seine, set net or any other device, except the ordinary hook and line and cast net, or to drag any seine or seines or set any net or nets in these waters which are hereby declared to be breeding grounds for fish, green turtle and terrapin to wit:

1. All that portion of water of Cameron and Nueces counties known and marked on the United States coast survey chart as Baffin's Bay and Aqua Dulce.

2. All that portion of water in Nueces county north of the San Antonio and Aransas Pass railroad bridge, and marked on the United States coast survey chart as Nueces Bay.

3. All that portion of water in Aransas and Refugio counties, known and marked on the United States coast survey chart as Capano Bay, Puerto Bay and St. Charles Bay.

4. All that portion of water of Lavaca Bay in Calhoun county north and west of a line starting from the extreme east end of Gallinipper Point and running in a northerly direction along Gallinipper Bar to the

extreme south point of Point Comfort, sometimes called Mitchell's Point.

5. All that portion of water marked on the United States coast survey chart as Hyne's Bay.

6. All that portion of water in Calhoun county north of a line starting from the extreme point of Marsh's Point, and running due east to the east bank of San Antonio Bay, and marked on the United States coast survey chart as Mission Bay and San Antonio Bay.

7. All that portion of water in Calhoun county marked on the United States coast survey chart as Keller's Bay and Carancahua Bay.

8. All that portion of water in Matagorda county known on the United States coast survey chart as Trespalacious Bay; also all that portion of water in said county north of a line extending from Half-moon light house in a northeasterly direction to Dog Island, and all that water lying north of a line extending from Dog Island to the mouth of Caney Creek.

9. All that portion of water in Brazoria county marked on the United States coast survey chart as Bastrop Bay and Oyster Bay.

10. All that portion of water in Galveston and Harris counties north of a line starting from the extreme southern point of Red Bluff on the west bank of Galveston Bay and running in an easterly direction to the first beacon south of Morgan's Point, thence in a northerly direction to the extreme point of Mesquite Point.

11. All that portion of water in Chambers county marked on the United States coast survey chart as Turtle Bay.

12. All that portion of water in Galveston and Harris counties known as Clear Creek and Clear Lake as far up as the G. H. & H. R. R. bridge.

13. All that portion of water in Chambers county starting from the mouth of Trinity river with all adjacent channels, bayous and lakes, up said river to include Lake Charlotte.

14. All that portion of water in San Patricio and Nueces counties lying north of a line drawn from the south end of the S. A. & A. P. R. R. bridge and running in an easterly direction to the extreme southern point of Hatch's peninsular.

15. All that portion of water lying west of a line drawn from the northwest point of Mustang Island at the old revetment (placed there by the United States government) to the first buoy south of the light house and continuing in the same direction to the east shore of Harbor Island, said body of water lies between Mustang and Harbor Islands and is commonly known as the Cove.

16. All that portion of water known as Red Fish Bay in Aransas and Nueces counties, being all that body of water lying west of and between Shell Banks, Bird Island, Hog Island, Blackberry Island and Ransom's Island on the east and the mainland on the west.

17. All that body of water on the west shore of St. Joe Island, beginning at a point on St. Joe Island called Cæsar's Point, thence in a southerly direction along the middle ground to a stake 600 feet due west of Allen's wharf, thence east to the west shore of said island, thence northerly with the meanders of said shore to the place of beginning. Any person offending against this article shall be deemed guilty of a misdemeanor and upon conviction shall be fined not less than ten dollars

(\$10.00), nor more than two hundred and fifty dollars (\$250.00). Each day shall constitute a separate offense, and in all prosecutions under this article the identification of the boat from which the violation occurred shall be prima facie evidence against the owner, or parties last in charge of such seines or nets or on such boat.

Article 529s. It shall be unlawful for any person to catch any fish, green turtle or terrapin with seine, set net or any other device (except with the ordinary hook and line) for market, in any of the bays or coast waters of this State, or gather any oysters with tongs or otherwise, for market or planting from any of the public reefs or beds in this State, without first having procured a license from the Fish and Oyster Commissioner or his deputy. And if any person or persons shall drag any seine or set any net or nets or other devices who are regularly engaged in the business of catching fish, green turtle or terrapin for market, with seine or set nets or other devices, it shall be prima facie evidence that such person or persons were fishing for market. And if any person or persons shall gather any oysters from any of the public reefs or beds of this State with tongs or otherwise, who are regularly engaged in the business of gathering oysters for market, it shall be prima facie evidence that such person or persons were gathering such oysters for market.

Any person offending against this article shall be deemed guilty of a misdemeanor and upon conviction shall be fined not less than ten dollars (\$10.00), nor more than two hundred and fifty dollars (\$250.00), and each day shall constitute a separate offense.

Article 529v. Any person who is a citizen of the United States wishing to engage in the catching of fish, green turtle or terrapin or gather any oysters for market in any of the coast waters in this State in accordance with the provisions of the fish and oyster law of this State, shall apply to the Fish and Oyster Commissioner or his deputy for registration. He shall furnish said officer on oath, his name, place of residence, the name and kind of boat, vessel or craft to be used or employed by him, and the number of men to be employed; thereupon, the said officer shall register him and his boat and prescribe for his boat a number corresponding with applicant's registered number, which number the applicant shall cause to be plainly marked or placed on each side of the prow of his vessel, boat or craft for which he shall pay the said officer a fee of fifty cents for each vessel, boat or craft registered and the said officer shall furnish him with a certificate of such registration; and any person failing to comply with the provisions of this article shall be deemed guilty of a misdemeanor and upon conviction shall be fined not less than ten dollars (\$10.00) nor more than two hundred and fifty dollars (\$250.00), and each day any person shall fish for green turtle, fish or terrapin or gather any oysters for market in any of the coast waters of this State without having complied with the provisions of this article, shall constitute a separate offense.

Article 529w. If any person shall wilfully oppose or resist any officer in discharging the duties of Fish and Oyster Commissioner or deputy Fish and Oyster Commissioner under the provisions of the fish and oyster laws of this State, he shall, upon conviction, be fined not less than twenty-five dollars (\$25.00), nor more than five hundred dollars (\$500).

SEC. 2. Whereas, the fact that the laws of this State are now inade-

quate for the protection of the subjects of the foregoing act, creates an emergency and an imperative public necessity that this act be passed under a suspension of the constitutional rule requiring bills to be read on three several days, and the said rule is therefore suspended and this act shall take effect from and after its passage, and it is so enacted.

SEC. 3. That all laws and parts of laws in conflict herewith be and the same are hereby repealed.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 21, nays 0; and passed the House of Representatives by two-thirds vote, yeas 95, nays 0.]

QUARANTINE.

H. B. No. 138.]

CHAPTER CXXXI.

An Act to amend Article 472, Chapter 6, Title XII, of the Penal Code of the State of Texas, and by adding to said chapter Articles 478a, 478b, 478c, 478d, relating to quarantine; and to repeal all laws and parts of laws in conflict herewith.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Article 472, Chapter 6, Title XII, of the Penal Code of the State of Texas, relating to quarantine, be so amended as to hereafter read as follows, and that Articles 478a, 478b, 478c, and 478d, be added to said chapter.

Article 472. After the legal establishment of any quarantine station on the coast of this State, if any vessel shall land or arrive at such station from any infected port without a bill of health from the proper officer of said port, or with a false bill of health, the master or commanding officer of such vessel shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than five hundred nor more than five thousand, dollars.

Article 478a. Any person who shall knowingly and wilfully violate any regulation of quarantine established by the Governor, the State Health Officer, or the health officer of any county or city of this State, shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than twenty, nor more than one thousand dollars.

Article 478b. If any conductor, or person in charge of any train, ship, steamboat or any other kind of common carriers, shall knowingly and wilfully bring into this State, any person or thing contrary to the quarantine regulations as proclaimed by the Governor, or State Health Officer, such conductor or person so knowingly and wilfully offending, shall be guilty of a misdemeanor, and upon conviction thereof shall be fined in any sum not to exceed five hundred dollars.

Article 478c. Any merchant or other person who shall knowingly and wilfully order the shipment, or knowingly and wilfully receive any merchandise whose shipment into the State is prohibited by the Governor's

proclamation, or any person who knowingly and wilfully sells and proceeds to deliver such merchandise or other article as above, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined in any sum not exceeding five hundred dollars.

Article 478d. Any physician who shall knowingly conceal any case of contagious disease, or who shall fail to report to the county or city health officer any case of contagious disease of which he may have knowledge, shall, upon conviction, be fined in any sum not less than twenty-five dollars, nor more than one hundred dollars.

SEC. 2. The fact that the people of the State of Texas demand a more efficient quarantine law, creates an emergency and an imperative public necessity requires the suspension of the constitutional rule requiring bills to be read on three several days, and the rule is hereby suspended, and this act shall take effect and be in force from and after its passage.

INDUSTRIAL INSTITUTE AND COLLEGE FOR WHITE GIRLS—ESTABLISHING.

H. B. No. 35.]

CHAPTER CXXXII.

An Act to create and establish an industrial institute and college in the State of Texas for the education of white girls in the arts and sciences.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That an industrial institute and college is hereby established for the education of white girls in the arts and sciences, which shall be known as the "Texas Industrial Institute and College for the Education of White Girls of the State of Texas in the Arts and Sciences," and shall be located at.....

SEC. 2. That the Governor shall nominate and appoint, by and with the consent of the Senate, seven persons to serve as a board of regents, who shall serve as such for two years, unless relieved, as provided for in Section 9 of this act. Said board, as soon as the location of said industrial institute and college is selected, as provided for in Section 9 of this act, shall contract for the erection of such buildings as they may determine upon, or improve any buildings which may be donated to the State, and properly equipping said college; and for the purpose of procuring the best and most economical plans, said board may designate one of its number, or other person, to visit other industrial colleges for girls for the purpose of investigation and furnishing information to the board on that subject, such person to be paid his actual expenses and not exceeding three dollars per day while actually engaged in said investigation and report, to be paid out of the appropriation hereinafter provided for, for the erection of buildings, and support and maintenance of said college.

SEC. 3. In all cases of vacancy, the appointment to fill such vacancy,

and to reappoint to fill the position, shall also, from time to time, be made as provided in the second section; provided, that if the Legislature be not in session, the Governor may fill such vacancy by appointment until the next session of the Legislature, when, if the Senate shall not confirm the appointment, the appointment of some other person shall be made, as provided in Section 2.

SEC. 4. That the board of regents shall have the power incident to their position, and in the same and to the same extent, so far as may be applicable, as is conferred by law on the regents of the University of Texas. Said board of regents shall at their first meeting which shall be called by the Governor, elect a president, a secretary and a treasurer, whose terms of office shall be two years. The president so elected shall convene the board of regents of said industrial institute and college to consider any business connected with the same, whenever he shall deem it expedient to do so; it shall be the duty of the secretary to record in a well bound book all of the proceedings had by said board, and he shall be paid such salary as the board may prescribe; it shall be the duty of the treasurer to receive and disburse all moneys under the direction of the board. He shall be required to give bond in such sum as may be prescribed by the board.

SEC. 5. That the board of regents shall possess all the powers necessary to accomplish and carry out the provisions of this act, the establishment and maintenance of a first-class industrial institute and college for the education of white girls in this State in the arts and sciences, at which such girls may acquire a literary education, together with a knowledge of kindergarten instruction; also a knowledge of telegraphy, stenography and photography; also a knowledge of drawing, painting, designing and engraving, in their industrial application; also a knowledge of general needle-work, including dressmaking; also a knowledge of bookkeeping; also a thorough knowledge of scientific and practical cooking, including a chemical study of food; also a knowledge of practical housekeeping; also a knowledge of trained nursing, caring for the sick; also a knowledge of the care and culture of children; with such other practical industries as from time to time may be suggested by experience, or tend to promote the general object of said institute and college, to wit: fitting and preparing such girls for the practical industries of the age.

SEC. 6. That the board of regents herein mentioned shall appoint a president and professor of the said industrial institute and college, and such other officers as they may think proper, to put the same in successful operation, and to make such rules and regulations for the government of said officers as they may deem advisable. They shall regulate rates of tuition, together with course of discipline necessary to enforce the faithful discharge of the duties of all officers, professors and students. They shall divide the course of instruction into departments, so as to secure a thorough education and the best possible instruction in all of said industrial studies, selecting careful and efficient professors in each department, and shall adopt all such rules, by-laws and regulations as they may deem necessary to carry out all the purposes and objects of said institution.

SEC. 7. The board of regents shall receive such compensation as is now allowed to the board of regents for the University of Texas, to be paid out of the appropriation for this industrial institute and college.

SEC. 8. It is the object of this act that this institution shall be established with as small outlay of public money as possible, to carry out its great importance and utility, and the said board shall prepare a general plan of said industrial institute and college after the location and selection of the site thereof, comprising the necessary departments, dormitories and outhouses; also an estimate of the cost of necessary school furniture, including cost of building and department appliances, and thus shall build and establish in any one year only such houses, dormitories and departments as they may deem for the best interest of said institute and college, and of the greatest practical importance.

SEC. 9. As soon after the passage of this act as practicable, the Governor shall appoint a commission, composed of one person from each congressional district, by and with the advice and consent of the Senate, whose duty it shall be to select a site for said industrial institute and college, and to obtain the title to the same as cheaply as possible, provided, the lasting advantages of the institution shall thereby be conserved. They may, in the selection of such site take into consideration any donation of money, lands or buildings which may be offered to the board; provided, that the site may be as good and permanently advantageous, by the acceptance of such donated lands or buildings; provided, that should said locating board be of the opinion from all the facts and circumstances that it would best subserve the interest of said industrial institute and college for girls, as well as the interest of any established institution of learning; or any institution that may be established before the location is selected for said industrial institute and college, to make the same a part of such other educational institution already established or that may be established, they are fully authorized to do so, and in the event of such action, then the entire management of the combined colleges shall be committed to the board of regents, trustees or directors, to which the girls' industrial college is attached, and the board of regents provided for in Section 2 of this act shall be relieved of any further duty or responsibility in the premises, and their offices shall cease to exist from and after said action combining the two institutions; provided further, that said locating board shall take into consideration in determining the question of establishing said industrial college for girls as a separate institution, or of combining the same with another college, the relative expense to the State, as well as the educational interest of the State generally. They shall also take into consideration the healthfulness, moral and social environments and influences, accessibility, and other facts and circumstances affecting the suitability of the site in question as a location for said industrial institute and college. Said locating board shall receive, out of the amount hereinafter appropriated, all of their necessary traveling and other expenses incurred in the discharge of said duty, and the sum of three dollars per day each for every day they are actually engaged in making said location, not to exceed thirty days. Provided further, that the powers and duties of said locating board provided for herein shall only extend to the locating of said industrial college, and when same shall have been located by said board, that their offices cease to exist, and the entire erection and management be turned over to the board of regents as provided in this act; provided further, that no offer of money for the location of said college shall be accepted by said locating board until the parties making the offer shall make and deliver to said

board a good and sufficient bond, payable to the State of Texas, conditioned for the faithful compliance with said offer of donation, and no offer of land shall be accepted by said locating board until the title to same shall have been approved by the Attorney General of the State of Texas upon abstract furnished by parties offering said land. Provided, that when said locating board, shall have located said college their offices shall cease to exist, and the entire erection of buildings and equipping same, shall be turned over to the board of regents as herein provided.

SEC. 10. That as soon as the building may be made ready for the reception of pupils or students in three or more departments of the industrial studies hereinbefore enumerated, the said regents shall apportion to each county its quota of pupils or students, on the basis of the number of the educatable white girls in the State and several counties, and the several superintendents of education of the several counties shall, after having given notice in some newspaper of the county, and three weeks after such publication, under such regulations as the board of regents may adopt, appoint such number of white girls to such industrial institute and college as such county may be entitled to.

SEC. 11. That the board of regents shall determine and fix the salary of each officer, employe and professor in said industrial institute and college; provided, that the salaries of professors in any one department shall not exceed that which is now fixed for the professors of the Agricultural and Mechanical College.

SEC. 12. That there shall be appropriated out of any money not otherwise appropriated, for the year 1901, for the purpose of erecting, improving or repairing the buildings and equipping the same, as provided in Section 2, of this act, and for the support and maintenance of said institute and college, the sum of twenty-five thousand dollars; and for the year 1902, the sum of twenty-five thousand dollars, or so much of said sums as may be necessary for said purposes.

SEC. 13. The fact that there is now no institution for the industrial training of the white girls of Texas, and that work should begin at once to prepare for the opening of said institution in the fall of the present year, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage and it is so enacted.

CALHOUN, VICTORIA, JEFFERSON AND BEE COUNTIES—
ROAD LAW FOR.

H. B. No. 325.]

CHAPTER CXXXIII.

An Act to amend Chapter 168 of the General Laws of the State of Texas, passed at the Regular Session of the Twenty-sixth Legislature, and approved June 5, 1899, entitled a bill to be entitled "An Act to render more effective and efficient the present road law of the State of Texas, in its application and operation in the counties of Calhoun and Victoria, and to authorize and empower said counties to issue bonds for the construction and maintenance of public roads and highways within the said counties," by adding the counties of Jefferson and Bee thereto.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Chapter 168, of the General Laws of the State of Texas, passed at the Regular Session of the Twenty-sixth Legislature and approved June 5, 1899, be so amended as to hereafter read as follows: That each member of the commissioners court of Calhoun, Victoria, Jefferson and Bee counties, respectively, shall be, and is hereby created road commissioner of the respective commissioners precincts of the said counties.

SEC. 2. That said commissioners courts of said counties of Calhoun, Victoria, Jefferson and Bee shall have full power and authority, and it shall be their duty to adopt such system for working, laying out, draining and repairing the public roads in said counties as they may deem best, and from time to time such courts may change their plans or system of working.

SEC. 3. That each county commissioner, when acting as road commissioner, and performing the duties imposed upon him by law or the commissioners court, shall be entitled to two dollars per day for the services actually performed; provided, that said sum to be paid shall not exceed the sum of ninety dollars per quarter, which amount shall be paid out of the road and bridge fund, when the account shall have been approved by the commissioners court.

SEC. 4. The commissioners court of the counties herein named are authorized and empowered to issue bonds of their said counties, in addition to the bonds heretofore authorized by law to be issued, as follows: For the purpose of constructing and maintaining public roads and highways within said counties; provided, that at no time the bonds so executed shall exceed the limit of the county indebtedness fixed by the Constitution.

SEC. 5. The commissioners courts in the counties herein named, shall have authority to levy a tax, to the limit allowed by the Constitution, for the purpose of creating a sinking fund, and for providing for the payment of the interest on the bonds issued for maintaining the public roads within said counties.

SEC. 6. The provisions of this act shall not be construed as in any way abridging or limiting the authority of the commissioners court in the matter of public roads as now provided by law, but the same is intended and shall be cumulative and in addition to and in aid of the present law, to render the same more efficient in its operation.

SEC. 7. The fact that the commissioners courts of the counties herein named, will soon be in session for the purpose of levying the road tax for the ensuing year, and that there is an urgent need for the issuance of

bonds for the purpose of constructing and maintaining roads in the said counties, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and the said rule is so suspended, and that this act take effect and be in force from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 8th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—JOHN G. TOD, Secretary of State.]

CHAPTER CXXXIV.

An Act to amend Article 4785a, Chapter 6, Title XCVII, of the Revised Statutes of the State of Texas.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Article 4785a, Chapter 6, Title XCVII, of the Revised Statutes of the State of Texas, be amended so as to hereafter read as follows:

Article 4785a. The counties of Grayson, Travis, Houston, Dallas, Limestone, Fayette, Galveston, Cherokee, Wood, Raines, Harrison, Shelby, San Augustine, Sabine, Newton, Jasper, Tyler, Morris, Victoria, Goliad, Refugio, Aransas, Calhoun, Jackson, DeWitt, Hopkins, Comal, Upshur, Blanco, Camp, Gillespie, Lavaca, Parker, Panola, Milam, Lamar, Hill, Smith, Gregg, McLennan, Harris, Washington, Titus, Cass, Franklin, Delta, Angelina, Nacogdoches, Bowie, Montgomery, Walker, Trinity, Red River, Henderson, Van Zandt, Tarrant and Jack counties, are exempted from the provisions of this chapter; provided, that the county commissioners courts of Dallas and Collin counties may accept and adopt the provisions of this act in lieu of the special acts for Dallas, Collin, Grayson and other counties, if in their judgment, its provisions are better suited to Dallas and Collin counties than the said special laws.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 5th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—JOHN G. PERMANENT FREE SCHOOL FUNDS—AUTHORIZING
INVESTMENT OF.

H. B. No. 169.]

CHAPTER CXXXV.

An Act to amend an act passed at the Regular Session of the Twenty-sixth Legislature, approved April 20, 1899, entitled "An Act to amend Articles 3892, 3893 and 3894, Chapter 6, Title LXXXVI, of the Revised Civil Statutes of the State of Texas, relating to the duties and extending the powers of the Board of Education in the investment of the permanent free school fund, and adding thereto Articles 3891a, and 3894a, giving the State Board of Education an option of ten days on county bonds and on the bonds of incorporated cities; and providing that when a premium is paid for bonds the Board of Education shall refund the same, and to authorize commissioners courts to invest the permanent public free school fund belonging to the counties in this State, as provided in this act for the investment of the State permanent public free school fund.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Articles 3892, 3893 and 3894, of Chapter 6, Title LXXXVI, of the Revised Civil Statutes of the State of Texas, and Articles 3891a and 3894a, as added and amended at the Regular Session of the Twenty-sixth Legislature, approved April 20, 1899, be and the same are hereby amended so as to hereafter read as follows:

Article 3891a. The Board of Education is hereby authorized and empowered to invest the permanent public free school funds of the State in bonds of the United States, the State of Texas and the bonds of the counties of the State; and in the event the Board of Education is unable to invest all of the permanent public free school fund in such securities, they are authorized and empowered, in their discretion, to invest in the bonds of independent school districts of said State.

Article 3892. Hereafter when any county bonds, or the bonds of any incorporated city or independent school district are offered for sale, the party offering or proposing to sell such bonds shall first submit them to the Attorney General of the State, who shall carefully inspect and examine the same in connection with the law under which they were issued, and shall diligently inquire into the facts and circumstances so far as may be necessary to determine the validity thereof, and upon being satisfied that such bonds were issued in conformity with law, and that they are valid and binding obligations upon the county or incorporated city or independent school district by which they purport or appear to have been issued, he shall therefore certify to their validity, and his certificate to that effect, so procured by the party offering such bonds for sale, shall be submitted to the Comptroller of Board of Education, with the bonds so offered for sale; and should the same be purchased as an investment for the permanent public free school fund from the county or incorporated city or independent school district issuing the same, or from any person authorized by said county or incorporated city or independent school district to act for it in the negotiation or sale of such bonds, they shall thereafter be held in every action or proceeding in which their validity is or may be called in question, to be valid and binding obligations of the county or incorporated city or independent school district issuing the same, unless fraudulently issued, or issued in violation of the constitutional limitation, and in every such action a certificate of the Attorney General as aforesaid (which shall be carefully preserved by the

Comptroller), shall be admitted and received as prima facie evidence of the validity of the bonds and coupons thereto, which may been so purchased; and it is further provided, that the commissioners courts of the counties of this State are hereby authorized to invest the permanent school fund belonging to their counties in the manner provided in this act for the investment of the State fund.

Article 3893. Nothing in the preceding article shall be so construed as to relieve the Comptroller or Board of Education from the duty of a careful examination of the bonds offered as an investment for the permanent public free school fund of the State, an investigation of the facts tending to show the validity thereof, and such Board of Education may decline to purchase same unless satisfied that they are a safe and proper investment for such fund, and no bonds shall be purchased as an investment for the permanent public free school fund that do not bear as great a rate of interest as at least three per cent. per annum; and no county bonds or bonds of any incorporated city or independent school district shall be purchased as an investment for the permanent public free school fund when the indebtedness of such county, incorporated city or independent school district, inclusive of the bonds so offered, shall exceed seven per cent. of the assessed value of the real estate in such county or incorporated city or independent school district, and if default be made in the payment of the interest due upon such bonds, the Board of Education may at any time prior to the payment of such overdue interest, elect to treat the principal as als due, and the same shall thereupon, at the option of the Board of Education, become due and payable, and the payment of both such principal and interest shall in all such cases be enforced in such manner as is or may be provided by law, and the right to enforce such collections shall never be barred by any law or limitation whatever.

Article 3894. In all cases where the proceeds of the sales of any bonds have been received by the proper officers of the county or incorporated city or independent school district or by the party acting for it in negotiating the sale thereof, such county or incorporated city or independent school district shall thereafter be estopped from denying the validity of such bonds so issued, and the same shall be held to be valid and binding obligations of the county or incorporated city or independent school district for the amount of bonds sued on and interest thereon, at the rate mentioned therein, deducting such amounts, if any, as have been previously paid thereon.

Article 3894a. Whenever any county or incorporated city or independent school district of this State issues any bonds, and they have been approved by the Attorney General, as is required by the previous articles of this chapter, the county judge of the county or the mayor of the incorporated city or the president of the board of trustees of the independent school district as the case may be, shall notify the State Board of Education of all bids received for such bonds, and the county judge, or mayor, or president of the board of trustees, as the case may be, shall give the State Board of Education an option of ten days in which to purchase such bonds; provided, that the said Board of Education will pay the price offered for such bonds by the best bona fide bidder, and if the Board of Education shall fail to purchase such bonds within the prescribed time, then the county judge, or mayor, or president of the board

of trustees, as the case may be, shall sell the bonds to the best bona fide bidder. In the event the State Board of Education shall pay a premium out of the permanent school fund on any bonds purchased as an investment for the permanent school fund, then the principal of such bonds and an amount of the interest last accruing on such bonds equal to the premium so paid, shall be, and be treated as the principal in such investment, and when such last interest is collected, such sum of the same shall be returned to the permanent school fund. And if they purchase said bonds for less than par, the discount they receive in the purchase of said bonds shall be paid to the available school fund when the bonds are paid off and discharged. The price paid for bonds shall be endorsed thereon at the time the same are purchased; provided, that where said board shall refuse to purchase bonds from the county, city or independent school district, or the parties to whom said bonds were issued, then in no event shall said board purchase said bonds from any subsequent owner or holder of same.

SEC. 2. The fact that there is now over one million dollars belonging to the permanent public free school fund which is uninvested, creates a public necessity and emergency, requiring the suspension of the constitutional rule requiring bills to be read on three several days, and the rule is so suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate, no vote given; report of Free Conference Committee adopted by the House, no vote given; and adopted by the Senate, no vote given.]

Approved April 25, 1901.

LIQUOR DEALERS' BOND.

S. B. No. 222.]

CHAPTER CXXXVI.

An Act to amend Article 5060g, Title CIV, Chapter 1a, of the Revised Civil Statutes of the State of Texas, of 1895, regulating bond of liquor dealers.

Be it enacted by the Legislature of the State of Texas:

That Article 5060g, Title CIV, Chapter 1a, of the Revised Civil Statutes of the State of Texas, be amended so as to hereafter read as follows:

Article 5060g. Any person, firm or association of persons, desiring to engage in the sale of spirituous, vinous or malt liquors, or medicated bitters capable of producing intoxication, to be drunk on the premises, shall, before engaging in such sale, be required to enter into bond in the sum of five thousand dollars; provided, however, that any person, firm or corporation of persons dealing exclusively in malt liquors shall be required to give bond only in the sum of one thousand dollars, with at least two good lawful and sufficient sureties, payable to the State of Texas, to be approved by the county judge, conditioned that said person, firm or association of persons so selling spirituous, vinous or malt liquors

or medicated bitters capable of producing intoxication, in any quantity, to be drunk on the premises, shall keep an open, quiet and orderly house or place for the sale of spirituous, vinous or malt liquors, or medicated bitters capable of producing intoxication; and that such person, firm, or association of persons, or his agent or their agent or employe, will not sell nor permit to be sold in his or their house or place of business, nor give nor permit to be given, any spirituous, vinous or malt liquors, or medicated bitters capable of producing intoxication, to any person under the age of twenty-one years, or to a student of any institution of learning, or to any habitual drunkard, or to any person after having been notified in writing, through the sheriff or other peace officer, by the wife, mother, daughter or sister of the person, not to sell to any such person; and that he or they will not permit any person under the age of twenty-one years to enter and remain in such house or place of business; and that he or they will not permit any games prohibited by the laws of this State to be played, dealt or exhibited in or about such house or place of business; and that he or they will not rent or let any part of the house or place in which he or they have undertaken to sell spirituous, vinous or malt liquors, or medicated bitters capable of producing intoxication, in any quantity, to be drunk on the premises to any person or persons for the purpose of running or conducting any game or games prohibited by the laws of this State; and that he or they will not adulterate the liquors sold by them in any manner, by mixing with the same any drug; and that he or they will not knowingly sell or give away any impure or adulterated liquors of any kind; which said bond shall be filed in the office of the county clerk of the county where the business is conducted, and shall be recorded by such clerk in a book to be kept for such purpose, for which service the said clerk shall be entitled to a fee of seventy-five cents; which said bond may be sued on at the instance of any person or persons aggrieved by the violation of its provisions, and such person shall be entitled to recover the sum of five hundred dollars as liquidated damages for each infraction of the condition of such bond, and the said bond shall not be void on the first recovery, but may be sued on until the full penal sum named therein shall have been recovered. In addition to civil proceedings for individual injuries, brought on said bond as above indicated, if any person, firm or association of persons shall violate any of the conditions of the bond herein required it shall be the duty of the county and district attorneys, or either of them, to institute suit thereupon in the name of the State of Texas for the use and benefit of the county, and the amount of five hundred dollars as a penalty shall be recovered from the principals and sureties upon a breach of any of the conditions thereof; and whenever the first or subsequent bond as required is exhausted by suit at the instance of individuals or for the use of the county a new similar bond shall be given and approved before the dealer shall have the right to further pursue the business of a liquor seller; or in case suit is pending on any such bond, and the county or district attorney shall make and file an affidavit with the clerk of the county court that he believes the bond of the defendant will be exhausted by said suit, the clerk shall at once notify the liquor dealer thereof, and it shall be the duty of the liquor dealer, within twenty days from the time the bond is exhausted, or in other event, within twenty days from the time the notice is given, to give a new bond similar to the first bond given, to be

approved in the same way; and until such new bond is given and approved, when it is required by this chapter, the liquor seller shall not have the right to further pursue the business of selling liquors, and any person, firm or association of persons who shall sell liquors in any quantity, to be drunk on the premises without giving the first bond, or the new bond as required by this chapter, shall be deemed guilty of a misdemeanor and on conviction shall be fined in the same amount provided for in cases where no license has been obtained. An open house in the meaning of this chapter, is one in which no screens or other device is used or placed either inside or outside of such house or place of business for the purpose of or that will obstruct the view through the open door or place of entrance into any such house or place where intoxicating liquors are sold to be drunk on the premises. A quiet house or place of business, in the meaning of this chapter, is one in which no music, loud or boisterous talking, yelling, or indecent or vulgar language is allowed, used or practiced, or any other noise calculated to disturb or annoy any person residing or doing business in the vicinity of such house or place of business, or those passing along the streets or public highways. By an orderly house is meant one in which no prostitute or lewd woman or women are allowed to enter or remain; and it is further provided, that said house must not contain any vulgar or obscene pictures. Any surety on such bond may relieve himself from further liability thereon by giving the principal in said bond notice in writing that he will no longer remain as surety on said bond and by filing with the county judge an affidavit that such notice has been given, and if within five days after such notice, if he fails to make a new bond, he shall cease to pursue said business until a new bond is given. And any person who shall continue to pursue said business after such affidavit is filed, he shall be guilty of a misdemeanor, and shall be punished as provided in cases where no license has been procured; provided, that where the sale is made in good faith, with the belief that the minor was of age and there is good ground for such belief, that shall be a valid defense to any recovery on such bond; and provided further, that where the sale to an habitual drunkard is made in good faith, with the belief that he was not an habitual drunkard, and there is good ground for such belief, that shall be a valid defense to any recovery on such bond; provided the provisions of this act shall apply to suits by the State or any individual.

EXTENDING THANKS TO THE REPUBLIC OF MEXICO FOR
DONATION TO SUFFERERS FROM THE
SEPTEMBER STORM.

H. C. R. No. 7.]

CONCURRENT RESOLUTION.

Be it resolved by the Legislature of the State of Texas:

1. That the action of the Congress of the Republic of Mexico in appropriating the sum of thirty thousand dollars (\$30,000) from the public funds for the relief of the sufferers on the Texas coast in consequence of the storm of September 8, 1900, is fully appreciated and will be gratefully remembered by the people of Texas.

2. That the Legislature of the State of Texas extends to the President and the Congress of the Republic of Mexico its sincere thanks for this most generous and fraternal action and in return it expresses the hope that prosperity may continue to the Republic and happiness gladden the hearts of its people through all the years to come.

3. That the Governor be and he is hereby requested to transmit a copy of these resolutions to the President of the Mexican Republic.

FOR INVESTIGATION OF CONDITIONS IN STORM DISTRICT.

H. C. R. No. 2.]

CONCURRENT RESOLUTION.

Whereas, many citizens in the counties of Galveston, Brazoria, Fort Bend, Harris, Waller and other counties lost all of their property by the storm of September 8, 1900; and whereas, said citizens are now in destitute circumstances and are in need of immediate aid; and whereas, it is expected of the Legislature and probably its duty to make the necessary appropriation to relieve the sufferings of said destitute citizens; and whereas, it is the duty of the Legislature to guard against any unnecessary expenditure of public funds;

Now, therefore, be it resolved by the House of Representatives of the State of Texas, the Senate concurring, that there shall be appointed a committee composed of three members of the House, to be appointed by the Speaker thereof, and three Senators to be appointed by the President of the Senate, whose duty it shall be:

1st. To notify the mayors of all cities and towns within said counties having mayors, and one citizen of all other towns and villages in said counties of the time and place or places at which they will meet for the purpose of gathering information in regard to the needs of such destitute people, said meetings to be held at such times and places as determined by said committee, which said meeting shall not be held earlier than fifteen days after said notices have been given to the parties heretofore mentioned.

2nd. To take evidence of the condition of the people reported to be in destitute circumstances, and to compile such data as they can to assist and as to what has been contributed towards the relief of such person, and how same has been distributed, and aid the Legislature in determining what appropriation is necessary to be made, and to whom aid shall be given.

3rd. Said committee is hereby authorized and empowered to hold such meetings or sessions at such places as may be designated by them in said notices for the term of six days unless their duties should be sooner performed.

4th. They shall within thirty days after their appointment report to the House and Senate:

1st. The number and names of those found to be destitute by reason of the storm of September, 1900, and who are in need of State aid, and to set opposite the name of such person the amount thought necessary to relieve said person's sufferings and necessities, and

2nd. To file with such report all testimony and evidence of the destitution of said people, together with all evidence of those applying for aid, whether found by said committee to be destitute or not.

Be it further resolved that the mayors and citizens to be notified as required in the first section of this resolution be and they are hereby requested to gather such information, evidence and data as they can, in regard to the destitute of their respective localities in the city of Galveston and other places at the times named by said committee to the end that said committee may make a full and careful investigation of the matters referred to them by this resolution in the six days allotted to them within which to make such investigation.

Be it further resolved that the Governor be and is hereby requested to furnish the committee appointed under this resolution with any and all data in his possession, which would enable them to make a full and fair investigation as provided herein.

SEC. 5. Nothing in this resolution shall be construed as committing the Legislature to either the policy or the principle of granting aid to the persons named therein out of the State revenue, but as an aid to the Legislature in determining the whole question in the light of the facts as they exist.

The expenses of said committee shall be paid out of the contingent fund of the House and Senate respectively.

EXTENDING THANKS TO THE AMERICAN RED CROSS SOCIETY.

H. C. R. No. 8.]

CONCURRENT RESOLUTION.

Be it resolved by the Legislature of the State of Texas:

1. In behalf of the people of Texas the Legislature extends to the American Red Cross Society its most grateful acknowledgments for the relief extended through the society to the sufferers in Texas by the storm of September 8, 1900; and especially does the Legislature thank Miss Clara Barton, the President of the society, for her visit to the State and her personal supervision and direction of relief to those who were in need and in distress.

2. That the Governor be and he is hereby requested to transmit a copy of this resolution to Miss Clara Barton.

STORM OF SEPTEMBER 8, 1900—EXTENDING THANKS TO THOSE WHO CONTRIBUTED TO RELIEF OF SUFFERERS FROM.

H. C. R. No. 9.]

CONCURRENT RESOLUTION.

Be it resolved by the Legislature of the State of Texas:

1. That the Legislature of Texas tenders its sincere thanks and most profound acknowledgments to every one wherever residing, who contributed to the relief of those who suffered in the storm that visited the Texas coast on September 8, 1900.

2. That such generous action will be forever borne in grateful remembrance by the people of Texas.

3. That the press everywhere is requested to publish these resolutions.

[NOTE.—The enrolled bill shows that the foregoing resolution passed the House of Representatives, no vote given; and passed the Senate, no vote given.]

EXPRESSING GRATITUDE TO THOSE DONATING TO SUFFERERS FROM SEPTEMBER STORM.

S. C. R. No. 7.] CONCURRENT RESOLUTION.

Whereas, a large area of the coast section of Texas, including and adjoining the city of Galveston, was on September 8, 1900, visited by a hurricane of unparalleled severity, causing the death of thousands of persons, and the loss of many millions of property; and,

Whereas, a sympathetic world, including all lands and all civilized peoples, made prompt and generous contributions of money, food, clothing, supplies and service, to the end that hunger was appeased, nakedness covered, shelter provided, and comfort afforded, whereby a brave people were sustained in their distress and inspired to efforts of recovery and rehabilitation; therefore, be it

Resolved that the Senate and House of Representatives of the State of Texas recognize and applaud these acts of charity and mercy, and in the name of the State and of the stricken people, hereby express their lasting gratitude.

SUBMITTING CONSTITUTIONAL AMENDMENT TO VOTE OF
THE PEOPLE.

S. J. R. No. 3.] JOINT RESOLUTION.

Amending Article 6, Section 2, of the Constitution of the State of Texas, requiring all persons subject to a poll tax to have paid a poll tax and to hold a receipt for same before they offer to vote at any election in this State, and fixing the time of payment of said tax.

Be it resolved by the Legislature of the State of Texas:

SECTION 1. That Article 6, Section 2 of the Constitution of the State of Texas be amended so as to hereafter read as follows:

SEC. 2. Every male person subject to none of the foregoing disqualifications, who shall have attained the age of twenty-one years and who shall be a citizen of the United States, and who shall have resided in this State one year next preceding an election and the last six months within the district or county in which he offers to vote, shall be deemed a qualified elector and every male person of foreign birth subject to none of the foregoing disqualifications who not less than six months before any election at which he offers to vote, shall have declared his intention to become a citizen of the United States in accordance with the Federal Naturalization Laws, and shall have resided in this State one year next preceding such election and the last six months in the county in which he offers to vote, shall also be deemed a qualified elector; and all electors shall vote in the election precinct of their residence; provided, that electors living in any unorganized county may vote at any election precinct in the county to which such county is attached for judicial purposes; and provided further, that any voter who is subject to pay a poll tax under the laws of the State of Texas shall have paid said tax before he offers

to vote at any election in this State and hold a receipt showing his poll tax paid before the first day of February next preceding such election. Or if said voter shall have lost or misplaced said tax receipt, he shall be entitled to vote upon making affidavit before any officer authorized to administer oaths that such tax receipt has been lost. Such affidavit shall be made in writing and left with the judge of the election, and this provision of the Constitution shall be self-enacting without the necessity of further legislation.

SEC. 3. The Governor of this State is hereby directed to issue the necessary proclamation submitting this amendment to the qualified voters of Texas at the next general election.

[NOTE.—The enrolled bill shows that the foregoing resolution passed the Senate by two-thirds vote, yeas 23, nays 6, and was reported to the House of Representatives where it was amended and passed by two-thirds vote, yeas 87, nays 15; the Senate concurred in House amendments by two-thirds vote, yeas 26, nays 0.]

[NOTE.—The enrolled bill shows that the foregoing resolution was presented to the Governor of Texas for his approval on the 6th day of March, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—JOHN G. TOD, Secretary of State.]

TO PROVIDE FOR PRINTING RULES OF HOUSE AND SENATE.

H. C. R. No. 18.] CONCURRENT RESOLUTION.

Be it resolved by the House of Representatives, the Senate concurring, that of the three hundred copies of the Texas Legislative Manual for 1901, heretofore authorized by concurrent resolution for the use of the Senate and House, two hundred copies be bound in flexible Morocco covers at an extra cost of not exceeding twenty-five cents per copy, above the cost of the same book in flexible cloth and that the remaining hundred copies be bound in flexible cloth according to the specifications of the contract with the public printer.

AUTHORIZING RECONVEYANCE TO RUFUS HARDY OF
LAND CONVEYED BY HIM TO THE STATE.

H. C. R. No. 20.] CONCURRENT RESOLUTION.

Whereas, the Twenty-sixth Legislature authorized and empowered the trustees of the State Orphan Home at Corsicana to purchase for said Home, in the name of the State, certain lands contiguous to said Home, 38.6 acres of which belonged to Rufus Hardy, a citizen of Navarro county;

And whereas, by mistake a deed to this 38.6 acres of land was executed by said Rufus Hardy to the State of Texas and placed of record before certain objections raised by the Attorney General of Texas to the title had been cured, and by reason of which objections the State of Texas refused to accept said land, and declined to pay therefor, and never accepted or consented to accept title thereto and therefore acquired no title to said land;

And whereas the execution and record of said deed from Rufus Hardy to the State of Texas creates a cloud upon the title of said 38.6 acres hereafter described, which the State of Texas is unwilling to permit to remain;

Therefore be it resolved by the House of Representatives, the Senate concurring, that the Governor of this State, the Hon. Joseph D. Sayers, or his successor in office, be and he is hereby empowered and instructed for and in the name of the State of Texas, for the purpose of removing said cloud to said title, to execute immediately to said Rufus Hardy a quit-claim deed to the following described tract of land to wit:

All that certain tract or parcel of land situated in the county of Navarro and State of Texas, and being a part of the John W. Williams survey, described as follows to wit:

Beginning at a stake at the southeast corner of a one hundred acre tract known formerly as James Kerr, Sr., tract, thence N. 30 W. 484 vrs. to a stake. Thence S. 60 W. 76 vrs. to a stake; thence N. 30 W. 139.4 vrs. to a stake. Thence S. 60 W. 290.7 vrs. to a stake. Thence S. 30 E. 623.4 vrs. to a rock. Thence N. 60 E. 366.7 vrs. to the place of beginning, containing thirty-eight and 60/100 acres of land more or less.

**AUTHORIZING THE COMPTROLLER TO REFUSE TO
DELIVER PENSION WARRANTS TO AGENTS.**

H. C. R. No. 16.] CONCURRENT RESOLUTION.

Whereas, it is known that so-called claim agents have induced about one thousand Confederate soldiers, or their widows, who are entitled to pensions under the laws of this State, to pay them a fee for collecting their quarterly pensions, and,

Whereas, the originators of the amendments to the Constitution, under which these pensions are granted, never contemplated that the beneficiaries should be forced to pay a fee for collecting the small amount which is granted them, and,

Whereas, the system adopted by the Comptroller of Public Accounts, for the distribution of pensions every quarter, is so simple that the payment of a fee to collect the same is an unnecessary waste of money for which the pensioner receives neither value nor advantage.

And, whereas, the honorable Comptroller of Public Accounts is endeavoring to avoid the payment of these pensions through claim agents, therefore, be it resolved by the House of Representatives, the Senate concurring, that the efforts of the Comptroller in this matter are endorsed, and that he be and is hereby instructed to refuse to deliver any pension or warrant for same to any person other than the original pensioner.

**AUTHORIZING SUPERINTENDENT OF PUBLIC GROUNDS TO
LEASE SOUTH HALF OF BLOCK FIFTY-NINE.**

H. C. R. No. 21.] CONCURRENT RESOLUTION.

Authorizing the Superintendent of Public Buildings and Grounds to lease the south one-half of Block 59, Division E; bounded on the east by Neches street, and on the west by Trinity street, and on the south by Fifth street; known as Market Square; and other property situated in the city of Austin, Travis county, Texas; and to repeal all laws in conflict therewith.

Be it resolved by the House of Representatives, the Senate concurring: That the Superintendent of Public Buildings and Grounds is hereby authorized and empowered to lease the south half of Block 59, Division E; bounded on the east by Neches street, and on the west by Trinity street, and on the south by Fifth street; known as Market Square, and situated in the city of Austin, Travis county, Texas, to the persons offering the highest amount therefor for a term of ten years, to begin at the expiration of the lease now held by A. Basnet of the city of Austin. Said amount agreed upon to be paid in advance, in quarterly installments of one-fourth the annual rental, and in case of the refusal or failure of said

lessee to pay said rent as above set out, the Superintendent of Public Buildings and Grounds is hereby authorized to take possession of the above described premises, and to declare the lease contract null and void; the rental, when so collected, shall be paid to the State Treasurer, and entered to the credit of the available school fund.

All laws and parts of laws in conflict with the provisions of this act be and the same are hereby repealed.

The Superintendent of Public Buildings and Grounds is also authorized to lease for the same period and on the best terms obtainable other property in Austin, under his control and belonging to the State, not now held under lease or donation acts, subject to the approval of the Governor.

INVITING THE PRESIDENT TO VISIT AUSTIN.

H. C. R. No. 24.] CONCURRENT RESOLUTION.

Be it resolved by the House of Representatives, the Senate concurring, that we extend an invitation to his Excellency, the President, Wm. McKinley, to visit the city of Austin during his contemplated tour of the Western States, and that the Secretary of the Senate and the Chief Clerk of the House of Representatives be instructed to forward a copy of this resolution to his Excellency, the said President McKinley.

INVITING THE PRESIDENT OF THE REPUBLIC OF MEXICO
TO MEET THE PRESIDENT OF THIS REPUBLIC
AT EL PASO.

H. C. R. No. 26.] HOUSE CONCURRENT RESOLUTION.

Whereas, his Excellency, President William McKinley, will visit Texas on the occasion of his Southern and Western tour of the United States, and whereas it is known that the citizens of El Paso, Texas, are desirous of arranging a meeting at said city between the Presidents of the Republic of Mexico and the United States, and, whereas, the citizens of the State of Texas and of the United States are anxious to encourage and promote the most amicable relations between the sister Republics of the United States of Mexico and the United States of America, and whereas, President McKinley has signified his intention of stopping at said city of El Paso, and whereas said city of El Paso affords a convenient and accessible point where said meeting might occur should his Excellency President Porfirio Diaz of Mexico consider that his health and convenience would permit of such meeting on his part, now, therefore, be it

Resolved by the House of Representatives, the Senate concurring, that it is the earnest wish and desire of the Legislature of the State of Texas, for and on behalf of the people of this State, that his Excellency, Porfirio Diaz, President of the Republic of Mexico, and his Excellency, William McKinley, President of the United States, should meet at said city of El Paso on the occasion of President McKinley's visit to that city.

Resolved, that said meeting would be regarded as expressive of and as emphasizing the cordial relationship which has existed between the said republics under the administration of the said executives. Resolved, that a copy of these resolutions be transmitted by wire to President Porfirio Diaz, and to President William McKinley by the secretaries of the House and Senate.

RELATING TO ELECTION OF UNITED STATES SENATORS.

H. C. R. No. 22.] CONCURRENT RESOLUTION.

Whereas, under the present method of the election of United States Senators by the Legislatures of the several States protracted contests frequently result in no election at all, and in all cases interfering with needed State legislation; and,

Whereas, Oregon, in common with many of the other States, has asked Congress to adopt an amendment to the Constitution of the United States providing for the election of United States Senators by a direct vote of the people, and said amendment has passed the House of Representatives on several occasions, but the Senate of the United States has continually refused to adopt said amendments; therefore,

Be it resolved by the House of Representatives of the State of Texas, the Senate concurring:

That the Congress of the United States is hereby asked and urgently requested to call a constitutional convention for proposing amendments to the Constitution of the United States, as provided in Article 5, of the said Constitution of the United States.

Resolved, that we hereby ask and urgently request that the Legislative Assembly of each of the other States in the Union unite with us in asking and urgently requesting the Congress of the United States to call a constitutional convention for the purpose of proposing amendments to the Constitution of the United States.

Resolved, that the Secretary of State be and is hereby authorized and directed to send a certified copy of this concurrent resolution to the President of the United States Senate, the Speaker of the House of Representatives of the United States, and to the Legislative Assembly of each and every of the other States of the Union.

CONCURRENT RESOLUTION.

Whereas, the report of the committee appointed to count the cash and bonds in the Treasurer's office shows that there is now on hand in said office counterfeit currency to the amount of \$1,774.00, and

Whereas, request has been made of him by the Federal authorities that said counterfeit money be forwarded to the United States government.

Therefore, be it resolved by the House of Representatives of the State of Texas, the Senate concurring, that the State Treasurer and Comptroller be and they are hereby authorized and directed to forward said counterfeit money to the authorized agent of the United States government with the request that receipt be issued therefor in duplicate for so much as may be condemned, one to be sent to the Comptroller and one to the Treasurer, and that upon the return of said receipts each of said officers be and they are hereby authorized and directed to credit their books with said amount, or so much thereof as may be condemned, and the same be no longer carried upon their books.

AUTHORIZING THE STATE PRINTING BOARD TO EX-
CHANGE CERTAIN BOOKS AND TO PROVIDE FOR
PRINTING LAWS AND COURT REPORTS.

S. C. R. No. 12.] SENATE CONCURRENT RESOLUTION.

Authorizing and instructing the Printing Board, with the approval of

the Governor to exchange certain, books, pamphlets, journals, reports, statutes and stereotype plates, belonging to the State in charge of the office of Secretary of State for copies of the session laws, general and special of the State of Texas, and the laws of the Republic, bound in sheep; and by said exchange to provide for the publishing the Supreme Reports, the reports of the Civil Court, and the reports of the Criminal Court reports of Texas free to the State and to the public for a price not to exceed \$2.00 a volume for a term of years.

Be it resolved by the Legislature of the State of Texas:

SECTION 1. That the Printing Board be and are hereby authorized to exchange the books, pamphlets, journals, reports, statutes bound or unbound, the stereotype or electrotpe plates now stored away in the basement of the capitol and controlled by the Secretary of State, or so many of them as in their judgment is deemed for the best interest of the State for three hundred sets containing three thousand volumes of the session laws, general and special of the State of Texas and of the Republic of Texas, bound in law sheep, and for such exchange to provide for the printing, binding and publication of the Supreme Court Reports, of the several Courts of Civil Appeals, and of the Court of Criminal Appeals of Texas, to be furnished the State free of charge, for the State's use and free distribution as now provided or may be hereafter provided by law, not to exceed three hundred sets, and to provide for the sale of all such reports to the public for a price not exceeding \$2.00 per volume for a term not to exceed twenty years; and to further provide for the issuance of at least two thousand copies of such reports; and further provided, that when additional courts are created by the Legislature that said contractors shall furnish free to the State for such courts copies of all reports published or sold by him.

A set of the session laws, general and special, shall be furnished by the State to each of the organized counties in the State free for the use of the several courts of said counties, the same to remain the property of the State of Texas.

SEC. 2. Any and all contracts under this resolution shall be made with the residents of the State of Texas, and the work shall be done in Texas.

SEC. 3. The stereotype or electrotpe plates, after the expiration of the contract, as contemplated by Section 1 of this act shall be returned to the State in good condition, reasonable wear in usage excepted, and the State shall not part with any copyright to the several reports mentioned in Section 1, or to the State's ownership in and to the stereotype or electrotpe plates therein mentioned.

SEC. 4. The Printing Board shall require a good and sufficient bond in the sum of not less than \$10,000, conditioned upon the faithful performance of this contract, said bond to be renewed as often as the Printing Board shall deem necessary. If any contractor shall fail or refuse to give a new bond when required to do so by the Printing Board then his contract shall be terminated without further notice.

SEC. 5. Provided however that said contract shall be subject to the approval and ratification of the Governor.

[NOTE.—The enrolled bill shows that the foregoing resolution passed the Senate, no vote given; and was reported to the House of Representa-

tives where it was amended and passed, no vote given; and was again reported to the Senate where it was amended and passed, no vote given; House concurred in Senate amendments, no vote given.]

Approved April 26, 1901.

CERTIFICATE.

THE STATE OF TEXAS, }
DEPARTMENT OF STATE. }

I, John G. Tod, Secretary of State of the State of Texas, do hereby certify that the foregoing laws and resolutions, passed at the regular session of the Twenty-seventh Legislature, have been carefully examined and compared by me with the original enrolled bills now on file in this department, and are true copies of said original enrolled bills.

I do hereby further certify that the Twenty-seventh Legislature convened in the city of Austin on the eighth day of January, A. D. 1901, and adjourned on the ninth day of April, A. D. 1901.

In testimony whereof, I have hereunto subscribed my name,
[SEAL.] and have hereto affixed the seal of the State of Texas, in the city of Austin, this eighth day of May, A. D. 1901.

JOHN G. TOD,
Secretary of State.

An Act to authorize the International & Great Northern Railroad Company to purchase, own and operate as a part of its line the railroad of the Calvert, Waco & Brazos Valley Railroad Company, together with all the franchises and property incident or appertaining thereto; and to authorize the Calvert, Waco & Brazos Valley Railroad Company to sell its said railroad, together with all the franchises and property incident or appertaining thereto to the International & Great Northern Railroad Company; and to authorize said International & Great Northern Railroad Company to issue and negotiate its bonds, secured or to be secured by mortgage or mortgages, subject to the laws of the State of Texas governing the issuance and negotiation of bonds by railroad companies; and to authorize said International & Great Northern Railroad Company to construct, own and operate as part of its line the unfinished portion of the railroad of said Calvert, Waco & Brazos Valley Railroad Company, between the termini of the latter company as defined in its charter and amendments thereto, and to construct, own and operate as part of its line extensions and branches thereof under or as authorized in and by the charter of said International & Great Northern Railroad Company, or any amendment thereof made or to be made in pursuance of general laws of the State of Texas; to regulate reports of the property to be purchased from said Calvert, Waco & Brazos Valley Railroad Company and the operation thereof, after the purchase thereof by said International & Great Northern Railroad Company; and to prescribe the conditions upon which said purchase and sale shall take effect and be dependent; and to authorize said companies to execute all necessary contracts, agreements and conveyances to accomplish said purchase and sale.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the International & Great Northern Railroad Company be, and it is hereby authorized to purchase, own and operate as part of its line of railroad, the railroad of the Calvert, Waco & Brazos Valley Railroad Company, extending or to extend from Spring, a station on the International & Great Northern Railroad, in Harris county, Texas, through the counties of Harris, Montgomery, Waller, Grimes and Brazos to its present southern terminus in the town of Bryan; thence extending along the line of railroad as now constructed in and through the counties of Brazos, Robertson and Falls to its present northern terminus in the town of Marlin; thence extending from said present northern terminus through the counties of Falls, McLennan, Limestone, Hill, Navarro, Ellis, Johnson and Tarrant, to the city of Fort Worth, in Tarrant county, Texas, together with all the franchises and property incident or appertaining thereto, and said Calvert, Waco & Brazos Valley Railroad Company be, and it is hereby authorized to sell said railroad franchises and property to said International & Great Northern Railroad Company;

and said railroad companies are hereby authorized to execute all necessary contracts, agreements and conveyances to accomplish said purchase and sale.

SEC. 2. That in case said International & Great Northern Railroad Company shall purchase, and said Calvert, Waco & Brazos Valley Railroad Company shall sell said railroad, together with all the franchises and property incident or appertaining thereto, the said International & Great Northern Railroad Company shall be authorized to issue and negotiate bonds, from time to time, subject to the laws of the State of Texas governing the issuance of bonds by railroad companies, secured or to be secured by mortgage or mortgages upon the railroad property and franchises authorized by this act to be purchased, and upon the railroad that may hereafter be constructed, as authorized by this act, and the property and franchises incident or appertaining thereto, or secured, or to be secured by any of the existing mortgages of the International & Great Northern Railroad Company, as it may elect and determine, the amount of such bonds to be the value of the railroad, franchises and property authorized by this act to be purchased, and of the railroad that may hereafter be constructed as authorized by this act, and the franchises and property incident or appertaining thereto, as such value shall be ascertained by the Railroad Commission of Texas, proceeding under the law in reference to the issuance, approval and registration of bonds by railroad companies in the State of Texas; provided, that before said International & Great Northern Railroad Company shall be authorized to issue the said bonds, secured or to be secured by mortgage or mortgages as above mentioned, the outstanding capital stock and stock subscriptions of said Calvert, Waco & Brazos Valley Railroad Company shall be canceled and extinguished; and the Railroad Commission of Texas shall require satisfactory evidence of such cancellation and extinguishment, before authorizing the issuance of such bonds or approving the same or directing their registration by the Secretary of State.

SEC. 3. That when so much of the bonds mentioned in the second section of this act, as are applicable to and authorized for the purchase of the railroad property and franchises of the Calvert, Waco & Brazos Valley Railroad Company, shall have been issued, approved and registered, the same or the proceeds of the sale thereof shall be used by said International & Great Northern Railroad Company in payment of the purchase money of the railroad, franchises and property incident or appertaining thereto, to be purchased by it from said Calvert, Waco & Brazos Valley Railroad Company, such purchase money to include, among other things, the debts and liabilities of said Calvert, Waco & Brazos Valley Railroad Company, the payment of which said International & Great Northern Railroad Company is required to assume, as in this act hereinafter provided.

SEC. 4. That in case the railroad of said Calvert, Waco & Brazos Valley Railroad Company, together with the franchises and property incident or appertaining thereto, shall be purchased by said International & Great Northern Railroad Company, the latter company shall, and it is hereby authorized and required to assume the payment of all the existing indebtedness and liabilities, including as well indebtedness and liabilities reduced to judgment as those not reduced to judgment, of said Calvert, Waco & Brazos Valley Railroad Company, whether aris-

ing from contract, tort or otherwise; and all the railroad, together with franchises and property incident or appertaining thereto so purchased, shall be subject to sale under execution for the satisfaction of judgment that may have heretofore been or may hereafter be obtained upon such assumed indebtedness and liabilities, or any part thereof, in the same manner and to the same extent as now subject, if said International & Great Northern Railroad Company shall not satisfy said indebtedness, liabilities and judgments to prevent execution sales.

SEC. 5. That said International & Great Northern Railroad Company shall be, and is hereby authorized to construct, own and operate as part of its line the unfinished portion of the railroad of said Calvert, Waco & Brazos Valley Railroad Company between the termini as defined in the charter and amendments to the charter of the latter company, and shall be, and is hereby, authorized to construct, own and operate as part of its line, extensions and branches of said Calvert, Waco & Brazos Valley Railroad, under or as authorized in and by the charter of said International & Great Northern Railroad Company, or any amendment thereof made or which shall be made in pursuance of general laws of the State of Texas.

SEC. 6. That said purchase and sale shall be valid and binding only when approved by the assent of the holders of at least four-fifths of the outstanding capital stock of the said International & Great Northern Railroad Company and of the said Calvert, Waco Brazos Valley Railroad Company given at meetings of the stockholders of said companies and a copy of the resolutions of each company signifying its assent to said purchase and sale, duly certified to by its secretary under its corporate seal, shall be filed by its secretary in the office of the Secretary of State of the State of Texas; and the filing of such certified copies in the office of the Secretary of State shall be deemed and taken as conclusive evidence of the acceptance of the terms, provisions and conditions of this act by the said companies.

SEC. 7. That after the purchase and sale authorized by this act and the filing in the office of the Secretary of State of certified copies showing assent as prescribed in the sixth section of this act, said International & Great Northern Railroad Company shall, without any further corporate action or conveyance, include the railroad, franchises and property incident or appertaining thereto purchased by it from said Calvert, Waco & Brazos Valley Railroad Company, and also the railroad to be constructed by it under the provisions of this act and the franchises and property incident or appertaining thereto and the operation thereof, in the reports required to be made by railroad companies to the Railroad Commission of Texas, or to any other department or officer of the State of Texas; and the said Calvert, Waco & Brazos Valley Railroad Company shall not be required to make any report in respect to the same or any part thereof; that the rights and privileges granted and conferred by the provisions of this act shall be subject to forfeiture, unless the International & Great Northern Railroad Company shall construct and complete the line designated in this act by the first day of March, 1905. This being one of the principal conditions upon which said rights and privileges are herein granted.

SEC. 8. That the courts within this State are required to take judicial notice of this act and of the powers and privileges herein granted in the same manner as if the same were a General Law.

SEC. 9. The fact that the public interest will be subserved by the speedy construction and operation of the additional railroad mileage which will be secured to the people of Texas by the passage of this act, and the crowded condition of the calendar, create an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days shall be suspended, and accordingly such rule is hereby suspended, and this act shall take effect from and after its passage.

CONFEDERATE HOME—AUTHORIZING THE SALE OF ITS
INTEREST IN CERTAIN LANDS ACQUIRED IN
WILL OF J. E. ALLEN, DECEASED.

S. B. No. 118.]

CHAPTER II.

An Act to authorize the sale and release of all the interest which the State of Texas, or the Confederate Home situated in the city of Austin, or either of them, acquired under the last will of J. E. Allen, deceased, late of Hunt county, Texas, to certain lands situated in said county of Texas.

Whereas, J. E. Allen, late of Hunt county, Texas, made his last will and testament on the 24th day of August, 1896; which said will was admitted to probate in said county on the 28th day of January, A. D. 1897;—

And, whereas, the third item of said will is as follows: "I give and bequeath to my said wife, Emma, during her natural life, all of my real estate which consists of a home where I now reside, and one lot in College Hill addition to the City of Greenville; with remainder to the Home established in the city of Austin, Travis county, Texas, for ex-Confederate soldiers."

And, whereas, the home of said Allen referred to consists of 160 acres of land in Hunt county, Texas, which together with the lot in College Hill, referred to, were the community property of said Allen and wife, they having no children.

And, whereas, it is uncertain whether any title passed by said will: the same is a cloud on the title of the surviving wife who is now the wife of W. T. Lewalling; and whereas Mrs. Emma Lewalling offers to pay to the State of Texas, for the use of said Confederate Home, the sum of six hundred (\$600.00) dollars, in consideration of the release of all the interest of the State, and the Confederate Home, for the purpose of removing the cloud from the title aforesaid.

And, whereas, said property is described as follows, to-wit: The west half of 320 acres of land being part of a survey patented to Lewis

Moody, assignee of James S. Blythe by patent No. 254, volume 6, dated the 30th day of November, A. D. 1849. Beginning at the S. W. corner of the original survey; thence north 1344 varas to the N. W. corner of same; thence east with the north boundary line 672 varas; thence south 1344 varas to the south line of the original survey; thence west 672 varas to the place of beginning. Second tract being lot No. 3 in block No. 41 of the College Hill addition to the city of Greenville, Texas, situated about one mile northwest from the public square, and being 70 by 130 feet; therefore,

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That all the interest which the State of Texas and the Confederate Home, situated in the city of Austin, or either of them, acquired in and to said lands before described, under and by virtue of the last will and testament of the said J. E. Allen, deceased, shall be and is hereby released to and shall vest in the said Emma Lewalling on payment by her to the president of the board of managers of said Confederate Home, the said sum of six hundred (\$600.00) dollars; and the president of the board of managers of said Confederate Home, and the superintendent thereof are hereby appointed commissioners therefor, and are hereby authorized and empowered to execute a deed conveying said property to said Emma Lewalling, on payment by her of said sum of six hundred (600.00) dollars, as hereinbefore provided; and said deed, when so executed, shall pass all the right, title and interest, whether present or future, of the State of Texas and of the said Confederate Home, in and to the aforesaid lands acquired as aforesaid, by and under said will.

SEC. 2. Said money when so paid shall become the property of the said Confederate Home, and shall be used for the benefit of said Home, under the direction of the board of managers thereof, in such manner and for such purposes as said board may deem proper.

SEC. 3. The fact that the will aforesaid is a cloud on the title aforesaid, and the further fact that the large amount of business on the calendar renders it improbable that this bill can be read and considered on three several days in each house, create an emergency and imperative public necessity requiring that the constitutional rule which requires that bills be read on three several days in each house, shall be suspended and that this bill be placed on its third reading and final passage, and it is so enacted.

SEC. 4. That this act shall take effect, and be in force from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 27, nays 0; and passed the House of Representatives by two-thirds vote, yeas 88, nays 0.]

Approved February 18, 1901.

SHERMAN—AMENDMENT TO CHARTER.

H. B. No. 44.]

CHAPTER III.

An Act to amend Sections 91, 93 and 176, of an act entitled "An Act to incorporate the city of Sherman, in Grayson county, Texas, and to fix the boundaries thereof, and to provide for its government, and the management of its affairs," passed by the 24th Legislature.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Sections 91, 93 and 176 of an act entitled "An Act to incorporate the city of Sherman in Grayson county, Texas, and to fix the boundaries thereof and to provide for its government, and the management of its affairs," passed by the Twenty-fourth Legislature, be and the same are hereby amended so that they shall hereafter read as follows:

Section 91. To appropriate so much of the revenue of the city emanating from whatever source, for the purpose of retiring and discharging bonded indebtedness of the city, and for the purpose of improving the public markets and streets, erecting, repairing, additions to and conducting the city hospitals, city halls, school houses, waterworks, electric lights, sewers and all other public improvements, as they may from time to time deem expedient; and in furtherance of these purposes they shall have the power to borrow money upon the credit of the city, and issue coupon bonds of the city therefor in such sum or sums as they may deem expedient, to bear interest not exceeding six per cent. per annum, payable annually or semi-annually, at such place as may be fixed by ordinance; provided that the aggregate amount of bonds issued or to be issued by the city council not to include, but exclusive of bonds in aid and to pay off bonds in aid of Texas and Pacific and Houston and Texas Central Railway Companies, shall at no time exceed five per cent. of the value of the property within said city subject to ad valorem tax.

Section 93. The city council shall have the power at any time to issue bonds for the purpose of paying off and retiring outstanding bonds against the city; and such bonds issued for this purpose shall not be then, while both issues are outstanding construed or considered in determining whether the amount of bonds then issued by the city is in excess of the limit of five per cent. of the value of the property within the city subject to ad valorem tax, as provided for by Section 91 of this charter. Such bonds shall state upon their face the purpose for which they are issued, and the money realized from their sale shall be used for the purpose of paying off and retiring other bonds of the city.

Section 176. The city council shall never extend the time for the payment of taxes, and all taxes due the city shall be payable at the office of the assessor and collector without demand; shall be a lien upon the property until paid; and the city is limited to five years in bringing suits for the collection of all delinquent taxes now due it, and any suit instituted for the purpose of collecting taxes hereafter delinquent, shall be commenced within five years next after such taxes were due, and not afterwards.

SEC. 2. The necessity of issuing bonds for sewer purposes, and the need of the amendments to the charter of the city of Sherman creates an emergency and imperative public necessity that the constitutional

rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 86, nays 0; and passed the Senate by two-thirds vote, yeas 22, nays 0.]

Approved February 28, 1901.

HOUSTON & TEXAS CENTRAL RAILROAD—AUTHORIZED TO PURCHASE AND OPERATE CERTAIN RAIL- ROADS AND THEIR FRANCHISES.

H. B. No. 291.]

CHAPTER IV.

An Act to authorize the Houston and Texas Central Railroad Company to purchase, own and operate the railroad of the Central Texas and Northwestern Railway Company, with its franchises and appurtenances; the railroad of the Fort Worth and New Orleans Railway Company, with its franchises and appurtenances; the Lancaster Tap Railroad, with its franchises and appurtenances; the railroad of the Austin and Northwestern Railroad Company, with its franchises and appurtenances, upon certain conditions; and the railroad of the Granite Mountain and Marble Falls City Railroad Company, with its franchises and appurtenances; or either or any of such railroads, with its or their franchises and appurtenances; and to authorize the owners of each of said railroads and its or their franchises and appurtenances to sell the same; to authorize said Houston and Texas Central Railroad Company to issue additional mortgage bonds to the amount of the value of the railways, franchises and appurtenances so purchased, and to the amount of the value of the railroad hereafter constructed by it under the provisions of this act as fixed or as the same may be fixed by the Railroad Commission of Texas; and to regulate the reports of such properties and the operations thereof; to provide for the dismissal without prejudice of the pending suit to forfeit the charter of the Austin and Northwestern Railroad Company; and to authorize the Houston and Texas Central Railroad Company, to construct, own, operate and maintain, or to amend its articles of incorporation so as to authorize it to construct, own, operate and maintain a railroad from a connection with the Austin and Northwestern Railroad in Burnet county to the town of Lampasas.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the Houston and Texas Central Railroad Company be and it is hereby authorized to purchase, own and operate the railroad of the Central Texas and Northwestern Railway Company, extending from Garrett Station to the town of Waxahachie, in Ellis county, with its franchises and appurtenances; the railroad of the Fort Worth and New Orleans Railway Company, extending from the town of Waxahachie, in Ellis county, to the city of Fort Worth, in Tarrant county, with its franchises and appurtenances; and the railroad commonly known as the Lancaster Tap Railroad, extending from Hutchins Station to the town of Lancaster, in Dallas county, with its franchises and appurtenances; or either or any of such railroads, with its or their franchises and appurtenances; and the owners of each of said railroads and its franchises and appurtenances are hereby authorized and empowered to sell the same to said Houston and Texas Central Railroad Company.

SEC. 2. That said Houston and Texas Central Railroad Company be, and it is hereby authorized to purchase, own and operate the railroad of the Austin and Northwestern Railroad Company, extending from the city of Austin, in Travis county to the town of Llano, in Llano county, with its franchises and appurtenances; and the railroad of the Granite Mountain and Marble Falls City Railroad Company, extending from a point of connection with the Austin and Northwestern Railroad in Burnet county to the town of Marble Falls in Burnet county, with its franchises and appurtenances; or either of such railroads with its franchises and appurtenances; and the owners of each of said railroads and its franchises and appurtenances are hereby authorized and empowered to sell the same to said Houston and Texas Central Railroad Company. And said Houston and Texas Central Railroad Company be, and it is hereby authorized to construct, own, operate and maintain or to amend its charter or articles of incorporation so as to authorize it to construct, own, operate and maintain a railroad from a point of connection with the railroad now owned by the said Austin and Northwestern Railroad Company, to the town of Lampasas, in Lampasas county. And if within six months from the time this act takes effect, there shall be donated to said Houston and Texas Central Railroad Company a right of way two hundred feet in width along such new line from the intersection of the same with the boundary line between Burnet and Lampasas counties to the town of Lampasas, and a reasonably adequate right of way through, and station and yard grounds within said town of Lampasas, then said Houston and Texas Central Railroad Company shall construct and put in operation such railroad from such connection with the existing Austin and Northwestern Railroad to said town of Lampasas by the first day of December, 1902; otherwise, the power, right and privilege of purchasing, owning and operating the railroad of the Austin and Northwestern Railroad Company, with its franchises and appurtenances, and the railroad of said Granite Mountain and Marble Falls City Railroad Company, with its franchises and appurtenances, shall be revoked and become null and void. And if said Houston and Texas Central Railroad Company shall within said time construct and put in operation such railroad from such connection with the existing Austin and Northwestern Railroad to the town of Lampasas, the suit heretofore instituted by the Attorney General, in the name and on behalf of the State of Texas, against the Austin and Northwestern Railroad Company, and now pending in the Twenty-sixth Judicial District court, in and for Travis county, being No. 15,455, upon the docket of said court, entitled, "State of Texas vs. Austin and Northwestern Railroad Company," shall thereupon be dismissed at the cost of defendant; provided that such dismissal shall not operate, nor shall anything in this act operate to the prejudice of the State should a similar suit be subsequently instituted; and if said Houston and Texas Central Railroad Company shall fail to construct and put in operation such railroad to said town of Lampasas within the time aforesaid, then upon such failure said suit may be prosecuted with the same effect and be enforced in the same way as if this act had not been passed, if in the judgment of the Governor and the Attorney General the same should be so prosecuted; provided, that said Houston and Texas Central Railroad Company shall establish and maintain division headquarters in the city of Austin; and if the city of Austin, shall, within

sixty days after the taking effect of this act, grant it the right to lay and maintain suitable tracks therefor, said Houston and Texas Central Railroad Company shall by the first day of December, 1902, construct and complete a comfortable and commodious brick passenger station adjacent to Congress avenue, and in said city of Austin.

SEC. 3. That in case said railroads with their franchises and appurtenances, or either or any thereof, shall be purchased by said Houston and Texas Central Railroad Company, the said Houston and Texas Central Railroad Company shall be, and is hereby authorized to issue additional mortgage bonds to the amount of the value of such railroads and franchises and appurtenances so purchased, or of such of them as shall be so purchased, and to the further amount of the value of any railroad or railroads which it may hereafter construct under the provisions of this act, or under amendments of its charter or articles of incorporation, as such value has been or shall be ascertained and determined by the Railroad Commission of Texas, under the provisions of the act of the Legislature of the State of Texas entitled, "An Act to define franchises; to make public the value of railroads; to make effective, Section 6, Article 12, of the Constitution of the State of Texas; to declare the effect of judicial and other sales of railroads; to limit the amount of stocks and bonds and other indebtedness that may be issued by railroad companies, and to regulate the manner of issuing, registering and securing the same; to prescribe penalties for violating the provisions of this act, and to prescribe the duties of the Railroad Commission and the Attorney General in relation thereto," approved April 8, 1893, and any amendments made, or which may be made thereto, but not otherwise. But before said Houston and Texas Central Railroad Company shall be authorized to issue such additional mortgage bonds in respect to any such railway, its franchises and appurtenances so purchased, the existing mortgage bonds and the outstanding capital stock of the company now owning such railway, its franchises and appurtenances shall be reduced by cancellation thereof to an amount below the value of such railway, its franchises and appurtenances, as such value has been or shall be ascertained and determined by the Railroad Commission of Texas, and satisfactory evidence shall be furnished to the Railroad Commission of Texas of such reduction, and said Railroad Commission of Texas shall approve and order the registration of such additional mortgage bonds in respect to each of said railways so purchased for an amount not exceeding the value of such railway, its franchises and appurtenances, so purchased, after deducting from such value the aggregate amount of such existing mortgage bonds and such outstanding capital stock against the line so purchased as shall remain uncanceled at the time such additional mortgage bonds are tendered to said Railroad Commission of Texas for approval; provided, that neither of said railroads with its franchises and appurtenances so purchased, shall be subject to any mortgages or mortgage bonds heretofore executed by the Houston and Texas Central Railroad Company.

SEC. 4. That no sale of the railroad of the Central Texas and Northwestern Railway Company, with its franchises and appurtenances, nor the railroad of the Fort Worth and New Orleans Railway Company, with its franchises and appurtenances, nor of the railroad of the Austin and Northwestern Railroad Company, with its franchises and appurtenances, to said Houston and Texas Central Railroad Company shall be made

unless authorized by a vote, in person or by proxy, of the holders of at least three-fourths of the outstanding capital stock of said companies, or of such of said companies as shall avail of the powers conferred by this act, at a special meeting of such stockholders, to be called for that purpose, nor unless such purchase shall be authorized by a like vote of the holders of the outstanding capital stock of said Houston and Texas Central Railroad Company.

A copy of the minutes of any such stockholders meeting to authorize any such sale and purchase, duly certified to by the chairman of such meeting, and the secretary of the company, under its corporate seal, shall be filed in the office of the Secretary of State of the State of Texas within sixty days after such meeting is held, and when so filed the same shall be recorded by the Secretary of State, and such record shall constitute sufficient evidence of such vote and proceedings, and be deemed and taken as sufficient evidence of the acceptance of the terms, provisions and conditions of this act by such corporation. And any deed or deeds conveying any railroad with its franchises and appurtenances, authorized by this act to be sold, shall be filed in the office of the Secretary of State within sixty days after the execution of the same, and when so filed the same shall be deemed and taken to be sufficient evidence of such sale and conveyance, and of the acceptance of the terms, provisions and conditions of this act by the parties thereto.

SEC. 5. That after any such purchase said Houston and Texas Central Railroad Company shall embrace such properties purchased by it, and the operation thereof in the reports required to be made to the Railroad Commission of Texas, or to any other officer or department of the government of the State by railroad companies and persons operating railroads and the former owners of said properties so sold shall not be required to make reports in respect thereof; provided, that upon the purchase of the railroad of the Fort Worth and New Orleans Railroad Company, with its franchises and appurtenances, by the Houston and Texas Central Railroad Company as authorized by this act, the right of way for that portion of the existing track of the Fort Worth and New Orleans Railway Company, extending from the westerly line of Ferris street to the southeasterly line of Kaufman street, in the town of Waxahachie, and depot grounds adjacent to said track between said points, which right of way and depot grounds were heretofore donated to said Fort Worth and New Orleans Railway Company, or occupied by it without conveyances thereof, shall, without any further act upon the part of either of the companies named in this act, revert to and become vested in the persons donating or paying for, and donating the same to said Fort Worth and New Orleans Railway Company, or to the persons from whom the same was appropriated, in fee simple, according to the respective interests therein, as the same may be equitably determined as between them, and the said railway company shall have no further interest therein; and the depot buildings upon said grounds, together with the rails, ties and other material in said track, may be removed by said railway company, or its assigns, and said track shall be abandoned and discontinued.

SEC. 6. That all and singular the railways and their franchises and appurtenances, so sold, shall be bound and liable upon and after any such sale to the same extent that each is now bound or liable, and no debt or claim against the owners at the time of such sale of any of the

properties, franchises and appurtenances so sold, on said properties, whether arising upon contract or from tort, or otherwise, shall be in any way affected or impaired by such sale; and except as herein otherwise expressly provided, any claim, suit or action of any character whatsoever, existing by or against the owners of either of said properties so sold, at the time of such sale thereof, shall or may be prosecuted after any such sale in the same manner and to the same effect, and enforced in the same way as if no such sale had been effected.

SEC. 7. In any suit or action of any character against any company authorized by this act to sell its railway, with its franchises and appurtenances, upon any cause of action or ground of forfeiture existing at the time of such purchase and sale, a citation may be issued to such company, and be served upon the last president, vice-president or secretary of such company, or upon the president, vice-president, secretary or any local agent, of said Houston and Texas Central Railroad Company, and when so issued and served shall have the same force and effect as if served upon such selling company prior to such sale and purchase; and any judgment for any debt of or claim against any such company may be satisfied by sale of any of the property which said company is authorized by this act to sell to said Houston and Texas Central Railroad Company; provided, said Houston and Texas Central Railroad Company shall not be personally liable for any debts of or claims against either of the companies now owning any of the properties authorized by this act to be sold.

SEC. 8. That the near approach of the close of this session, and the large amount of business remaining to be disposed of at this session, and the public benefit to be derived from the passage of this act, create an imperative public necessity and emergency authorizing the suspension of the constitutional rule requiring bills to be read on three several days in each house, and such rule is hereby suspended.

[NOTE.—The enrolled bill shows that the foregoing act passed House of Representatives, no vote given; and was reported to the Senate, where it was amended and passed, no vote given; House concurred in Senate amendments, no vote given.]

Approved March 28, 1901.

Takes effect 90 days after adjournment.

SAN PATRICIO—REPEALING INCORPORATION OF.

S. B. No. 253.]

CHAPTER V.

An Act to repeal an act entitled "An Act to incorporate the town of San Patricio, in San Patricio county, Texas," approved February 7, 1853.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That Chapter 21, of the General Laws of the Fourth Legislature, entitled "An Act to incorporate the town of San Patricio, in the county of San Patricio," and approved February 7, 1853, be and the same is hereby repealed.

SEC. 2. The fact that the continuance of said incorporation would

impose upon the people and taxpayers thereof unnecessary burdens of taxation, and the fact that the citizens of said town unanimously desire the abolishment of said corporation, and the further fact of the crowded condition of the calendar, and the near approach of the end of this session creates an emergency and an imperative public necessity exists for the suspension of the constitutional rule requiring bills to be read upon three several days in each house, and said constitutional rule is hereby suspended, and that this act be in force and take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate, no vote given; and passed the House of Representatives, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 2nd day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.—GEO. T. KEEBLE, Chief Clerk, Acting Secretary of State.]

Takes effect 90 days after adjournment.

MARY E. BATCHELOR—GRANTED RELIEF.

S. B: No. 100.]

CHAPTER VI.

An Act for the relief of Mary E. Batchelor, widow of James W. Batchelor.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. Said Mary E. Batchelor being the surviving widow of said James W. Batchelor and continuing unmarried and being in indigent circumstances is entitled to a pension of one hundred and fifty dollars per annum, and the State Treasurer is hereby directed to pay to her the sum of one hundred and fifty dollars per annum during her natural life.

SEC. 2. The near approach of the adjournment of the Legislature and the tardiness with which the State discharges this just obligation, creates an emergency and imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act shall take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 23, nays 0; and reported to House of Representatives, where same was amended and passed, no vote given; Senate concurred in House amendments, no vote given.]

Approved April 10, 1901.

Takes effect 90 days after adjournment.

FORT WORTH—GRANTING IT A NEW CHARTER.

H. B. No. 316.]

CHAPTER VII.

An Act to incorporate the city of Fort Worth and to grant a new charter to said city.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That all the inhabitants of the city of Fort Worth as the same is hereinafter limited and bounded be, and they and their successors are hereby organized as a municipal corporation and are created and constituted a body politic and corporate with perpetual succession under the name and style of the "City of Fort Worth," and as such they and their successors shall succeed to, own and possess all the property, whether real, personal or mixed, and all the franchises, rights, privileges, powers and immunities now belonging to, possessed or enjoyed by the present corporation known as the "City of Fort Worth," which present corporation was created and now exists under and by virtue of an act of the Legislature of the State of Texas, approved May 9, 1899; and shall become and be subject to and liable for all bonds, notes and other obligations, and all judgments and other debts for which the present corporation is now in law liable and bound, and the said inhabitants and their said successors, as a corporation and by and under their corporate name aforesaid, shall sue and be sued, implead and be impleaded, complain, intervene and defend in all courts, whether of law or equity, and in all actions and suits of whatsoever kind or character without hinderance or impediment of any kind or character, and under said name may purchase or otherwise acquire and hold and may sell, lease or otherwise alienate or dispose of any real, personal or mixed property either within or without the limits of said city, and may condemn and upon compensation duly paid may thereby acquire such real estate or personal property or both, whether within or without the limits of said city as in judgment of its city council is or may become necessary or requisite for creating and preserving a supply of water for said city or for carrying and conducting the same to consumers, or in any way to facilitate and assist in supplying water to said city and its inhabitants, or for hospital purposes, or to establish and maintain a place for the reception of persons exposed to, or infected with contagious and other diseases or suspected of such infection, or to establish places for the deposit, consumption or destruction of garbage, filth and refuse or in any way to aid in the preservation of the public health, and said inhabitants as a corporation and under the corporate name aforesaid may also condemn and thereby acquire real and personal property within said city for any other lawful public purpose and shall also have, exercise, enjoy and possess such other, further and additional powers, rights, privileges, franchises, and immunities as are granted and conferred in any other part or parts of this act and charter, and may make, have and use a corporate seal, and may change and alter the same and make a new seal at the pleasure of the city council of said city.

SEC. 2. That the limits of said city of Fort Worth, as constituted and created by this act and charter, shall hereafter be as follows, and shall

embrace all the territory included in the following boundary lines, to-wit: Beginning at the northwest corner of the A. Gohenant survey, thence south to the northwest bank of the Clear Fork of the Trinity river; thence up along the said bank of the Clear Fork to the north line of the J. M. C. Lynch survey, thence west 1450 feet; thence south to the said northwest bank of the Clear Fork of the Trinity river; thence up the northwest bank of said Clear Fork to the south line of the George Shields survey; thence east to the southeast corner of the George Shields survey; thence south along the west line of the S. G. Jennings, W. M. Welch, Peter Rouche and J. N. Ellis surveys, to where the south line of the street on the south of Blocks 25, 26, 27 and 28 of Fairmount Addition intersects the said west line of the J. N. Ellis survey; thence east on the said south line of said street and south line of Jessamine street, and continuing east in a line with the south line of Jessamine street to the east line of the M. K. & T. right of way; thence northwardly with the east line of said right of way to the south side of Elmwood street to a point three-fourths of a mile south of the southeast corner of the M. A. Jackson survey; thence north to the southeast corner of the M. A. Jackson survey, continuing north along the east line of the M. A. Jackson and the B. F. Crowley surveys to the northeast corner of the B. F. Crowley survey; thence west along the north line of the B. F. Crowley and R. Briggs survey to a point one-fourth of a mile east of the northwest corner of the R. Briggs survey; thence north 1200 feet; thence west to the west bank of the Trinity river; thence up along said west bank to the north line of the M. Baugh survey; thence west to the point of beginning.

SEC. 3. The said city of Fort Worth is hereby divided into nine (9) wards, being the same number now existing in the present corporation, and the boundaries of each of said wards shall be and remain the same as those existing at the time of the enactment of this law, but it is expressly provided that the city council of said city shall have power by a two-thirds vote of all the aldermen elected to change the boundaries of the present wards, so that each ward will contain as nearly the same number of the male inhabitants as, in the judgment of the city council, is practicable, but no such change shall be made unless it be done not less than six months before the next ensuing election for aldermen.

SEC. 4. The municipal government of said city is hereby vested in a city council, which shall be composed of the mayor and one (1) alderman from each ward. A majority of the aldermen elected shall constitute a quorum of the council for the transaction of business, except at called meetings, at which the presence of not less than two-thirds of the aldermen elected shall be required, and no taxes shall be imposed nor shall any bonds of said city be ordered issued unless at a regular meeting with at least two-thirds of the aldermen of the city present, and a two-thirds vote of all the aldermen elected shall be required in the levy of all taxes and in ordering the issuance of the bonds of the city.

SEC. 5. The other officers of said city shall be a treasurer, an assessor and collector of taxes, a city secretary, a city attorney, a marshal, a recorder, a city engineer, a street commissioner, a chief of fire department, a superintendent of waterworks, an inspector of waterworks, a secretary of waterworks, a city auditor, and a city physician, who shall also be the city health officer, and such other officers and agents as the city council may from time to time establish by ordinance.

SEC. 6. The mayor, and one alderman from each ward of the city of Fort Worth and the city assessor and collector of taxes, and the city marshal, shall constitute the only officers of said city to be elected by vote of the people, and they and each of them shall hold their respective offices for two years, and until the election and qualification of their successors. The mayor, the city assessor and collector of taxes, and the city marshal shall be elected by the qualified voters of said city, as herein-after provided, and the city secretary, the city attorney, the recorder, the city engineer, the street commissioner, the chief of fire department, the superintendent of waterworks, the secretary of waterworks, the inspector of waterworks, the city auditor, the city physician and all such officers and agents as the city council may establish, shall be appointed by the vote of the majority of the aldermen composing the city council, and in case of a tie the mayor shall be entitled to cast the deciding vote.

SEC. 7. The city council shall, at its first regular meeting in April, 1901, and every two years thereafter, elect a city secretary, a city attorney, a recorder, a city engineer, a street commissioner, a chief of the fire department, a superintendent and an inspector of waterworks, and a secretary of waterworks, and a city auditor, and a city physician and health officer, each of whom shall hold office for two years, and until his successor shall have been elected and qualified. Should said city council fail to elect all or any of said officers at its first regular meeting in April of any year, then it shall do so at the next regular meeting, or as soon thereafter as practicable. The city council shall also elect such other officers and agents as it may from time to time constitute, and shall provide by ordinance for the time and manner of their election, but the term of office of such officers and agents shall in no case exceed two years.

SEC. 8. An election shall be held in each of the wards of said city on the first Tuesday in April, 1901, and every two years thereafter, and at each such election there shall be elected by the qualified voters of the entire city, a city assessor and collector of taxes, and a city marshal, each of whom shall hold his office for two years and until his successor is elected and qualified. An election shall also be held in each of the wards of said city on the first Tuesday in April, 1902, and every two years thereafter, and at each such election there shall be elected by the qualified voters of the entire city a mayor of said city, and by the qualified voters of each separate ward an alderman for such ward, and said mayor and each of said aldermen shall hold office for two years and until his successor is elected and qualified. Each of the several officers of the heretofore existing corporation, unless theretofore removed, shall continue to hold his office under this charter until his successor shall have been elected or appointed as herein provided, and until such successor shall have qualified according to law.

SEC. 9. All elections by popular vote shall be ordered by the city council, and when any such election shall have been ordered the council shall cause 20 days notice thereof to be given in one or more newspapers published in said city, which notice shall state the officer or officers to be elected, the places where said election shall be held and the names of the various presiding officers of election. Should the city council for any reason fail to order an election or to give notice thereof the mayor shall make such orders or give such notice.

SEC. 10. At the first regular meeting in March each year, or earlier, the council shall designate some suitable place in each ward at which the ensuing election for that year shall be held; and if the council shall neglect or refuse to designate such places or any of them, or if from any cause the places so designated or any of them cannot be procured for the purpose hereinbefore specified, then the mayor at any time before the next ensuing election shall designate such places, and the mayor shall appoint a suitable qualified voter of each ward to serve as presiding officer of election in the ward in which he is entitled to vote. As soon as practicable after the appointment of presiding officers, the city secretary shall give notice of his appointment to each person so appointed. In case a person appointed presiding officer of election fails to attend on the day of election or fails or refuses to act, or in case no presiding officer has been appointed, it shall be lawful for the voters of the ward present on that day at the ward voting place to select from among their number a presiding officer to act as such at that election, and the person so selected shall have the same power and authority as if he had been appointed by the mayor or city council; but in such case the managers of the election shall in their returns certify that the presiding officer was appointed from and by the voters at the ward voting place on the day of such election, because there was no regular presiding officer in attendance, or because the regular presiding officer failed or refused to act, as the case may be.

SEC. 11. The presiding officer of each ward shall on or before the day of election, select from among the qualified voters of the ward three judges and four clerks, and such selections shall be made as nearly as practicable from different political parties, if this be demanded, and if there be present a sufficient number of the party making the demand, who are willing and competent to serve in said position, and said judges and clerks together with the presiding officers shall be the managers of election. Managers of election shall receive two dollars per day for each day of twelve hours, or a fraction thereof, while engaged in their official duties.

SEC. 12. At all elections held under this law the ballots of each ward shall be taken separately and the polls shall be opened for one day only from eight o'clock a. m. to six o'clock p. m. Should the polls not be opened promptly at eight o'clock, the time shall be extended beyond the hour of six o'clock, so as to secure the full period of ten hours for voting purposes. The managers of election shall count and cast up the votes for each candidate in accordance with the State laws, and shall sign and certify to the return in duplicate, one of which shall be sealed up and retained by the presiding officer for use by the city council or the courts of the country in any legal investigation of the election; the other copy shall be sealed up with the name of the presiding officer written across the seal, and shall be by one of the managers of the election delivered in open session to the council the next day or as soon thereafter as practicable. The officer so delivering the same shall make oath before the mayor or one of the aldermen that the returns delivered by him have not been altered or opened since being signed and sealed as aforesaid. As received the city council shall immediately open the returns from each ward and estimate the results, causing the same to be recorded in tabular form in the minutes of the council. Persons receiving the high-

est number of votes for the various offices shall be declared elected to the offices for which they were respectively voted. The newly elected officers may enter on their duties on the fifth day after election, Sundays excepted; provided, that any officer-elect shall qualify at any time within thirty days; otherwise the office shall be deemed vacant. It shall be the duty of the city secretary to notify all persons elected or appointed to office of their election or appointment and the aldermen-elect shall convene at the usual place of meeting for the city council on the fifth day, Sundays excepted, after their election or as soon thereafter as practicable and shall be installed under the provisions of this law.

SEC. 13. Every person entitled to vote for members of the Legislature of this State, who shall have resided within the limits of the city for six months and in the ward in which he offers to vote for thirty days next preceding any city election, shall be entitled to vote at such election.

SEC. 14. The managers of the election shall be sworn well and truly to conduct the election without partiality or prejudice and agreeable to law, according to the best of their skill and understanding. The oath shall be administered by the presiding officer to the judges and clerks, and one of the judges, after being sworn, shall administer the same oath to the presiding officer.

SEC. 15. Whenever it happens in any election that there is a tie vote between two or more candidates for the same office, the council shall declare such election void as between such candidates only, and immediately order a new election for the office, giving not less than five days notice thereof. In the event of the failure of the council to meet to examine the election returns and declare the result, the mayor shall discharge that duty.

SEC. 16. No person shall be eligible to any office of said city, whether elected by the voters or by the council, unless he possesses the qualifications of an elector and shall have resided in the limits of the city for twelve months next preceding the election at which he is a candidate, and no person shall be eligible to the office of alderman unless in addition to the above prescribed qualifications, he shall have been a resident of the ward in which he is a candidate for at least one year next before such election, and a permanent removal from said ward during the term for which he is elected shall vacate his office.

SEC. 17. In case there is a vacancy in the office of mayor or of alderman, or of any other elective officer, by refusal to accept, or failure to qualify, or by death, resignation or otherwise, the city council shall order a new election to fill such vacancy, and all special elections shall be conducted as herein provided for in annual elections. Provided, that in all such special elections to fill vacancies, ten days notice shall be deemed sufficient. If there is a vacancy in any other office in the city other than mayor and alderman, or other elective officer, or if any person elected to any such other office shall refuse to accept, or fail to qualify, then in any such case the city council shall fill such vacancy, a majority of the council being necessary for the purpose.

SEC. 18. The manner of holding and voting at elections to be held under this act, and the powers and duties of the managers thereof, and the counting of votes, shall be according to the General Laws of this State in force at the time, as far as the same shall be applicable, and not in conflict with this act; provided, that the city council shall have

full power and authority to pass such laws as it shall deem expedient in respect to conducting elections and voting thereat, as well as to making returns thereof and prescribing the mode and manner of determining contested elections, not in conflict with the laws of this State.

SEC. 19. Every person elected by the voters of said city or by the city council to fill any office under this act, shall, before entering on the duties of his office, take and subscribe the official oath provided by the Constitution of this State, and the city council may by ordinance require such additional oath as it may deem proper.

SEC. 20. The mayor of the city shall be the chief executive officer, of the corporation and shall be vigilant and active at all times, causing the laws and ordinances of said city to be faithfully executed and enforced, and see that all contracts are fully performed in which the city is interested, and shall cause all limitations and requirements in all grants and franchises conferred by the city council to be strictly complied with, and shall prevent the violation thereof. He shall inspect the conduct of all subordinate officers in the government thereof, and as far as it may be in his power shall cause all negligence, carelessness and positive violation of duty to be prosecuted and punished, and if in his discretion he considers it necessary, he may suspend any official or employe until the next meeting of the city council. He shall have power, when in his judgment the good of the city may require it, to summon meetings of the city council, and he shall, from time to time, communicate to that body such information and recommend all such measures as may tend to the improvement of the finances, the police, health, security, cleanliness, comfort, ornament and good government of said city; he shall when present preside over all meetings of the city council and in case of a tie shall cast the deciding vote, but he shall not vote in any other case.

SEC. 21. Whenever the mayor shall deem it necessary in order to enforce the laws of the city or to avoid danger or protect life or property in case of riot or other outbreak or any public calamity or disturbance, or to prevent any contagious or infectious diseases, or when he has reason to fear any serious violation of law and order, or any other danger to said city or the inhabitants thereof, he shall summon into service as a special police force all or as many of the citizens as in his discretion he may believe to be necessary and proper, and such summons may be by proclamation or order addressed to the citizens generally or those of any ward or subdivision thereof, or the summons may be by personal notification. Such special police force while in service, shall be subject to the orders of the mayor, shall perform such duties as he may require, and shall have the same powers while on duty as the regular police force of the city; and any person so summoned and failing to obey, or appearing and failing to perform any duty that may be required by the mayor or by this act, shall be fined in any sum not exceeding one hundred dollars. But it is expressly provided that said city shall not become or be liable or held for any damages or injuries to persons or property arising from the failure of the mayor or any police or other officer or employe to enforce the provisions of this charter or any law of this State, or any ordinance of said city or from his or their negligence.

SEC. 22. The mayor shall have like power with a justice of the peace to administer oaths of office. He shall have authority in case of riots

or unlawful assembly, or with a view to preserve the peace and good order in said city, to order and enforce the closing of any theater, ball-room, grog shop, tippling house, barroom or other place of resort, or public room or building, and may order the arrest of any person violating in his presence the laws of the State or any ordinance of the city; and he shall perform such other duties and possess and exercise such other powers as may be prescribed and conferred by the city council.

SEC. 23. All ordinances, resolutions, motions, orders and contracts adopted by the city council shall, before they take effect, be placed in the office of the city secretary, and if the mayor approves thereof he shall sign the same, and such as he shall not sign he shall return to the city council with his objections thereto. Upon the return of any ordinance, resolution, motion, order or contract by the mayor, the vote by which the same was passed shall be reconsidered; and if at a reconsideration two-thirds of the whole number of aldermen elected agree to pass the same, and their votes are so entered upon the journal of proceedings, it shall be in force from that time or after publication, or the time expressed for taking effect, as the case may be; and if the mayor shall neglect to approve or object to any proceedings of the city council for a longer period than three days after the same shall have been placed in the secretary's office as aforesaid, the same shall go into effect from that time, or after publication, or the time expressed for taking effect, as the case may be.

SEC. 24. The mayor of said city shall receive a salary, payable in monthly installments, of the sum of \$2000.00 per annum.

SEC. 25. In case of absence from the city of the mayor thereof, or if the mayor is from any cause unable or fails or refuses to perform the duties of said office, then the president of the city council shall become and be for the time being vested with all the powers, rights and privileges, and shall perform and discharge all the duties and obligations in this charter conferred upon the mayor, and if both the mayor and president of the council are absent from the city or unable, or fail, or refuse to discharge the duties of mayor of said city, then and in such case the city council shall appoint one of its members to act as mayor for the time being, and the said president of the city council or other acting member as mayor under the provisions of this section, shall receive the compensation herein provided to be paid to such mayor for the time or times during which such president or acting mayor may be so acting.

SEC. 26. There is hereby created and established a court to be held in the city of Fort Worth, Tarrant county, Texas, which shall be known as the "corporation court of the city of Fort Worth," and it shall have exclusive jurisdiction within the territorial limits of said city of all criminal cases arising under the ordinances of said city, and shall also have jurisdiction concurrently with the justices of the peace of the precinct or precincts in which said city is or may be situated of all criminal cases arising under the penal laws of the State of Texas where the offense was committed within the territorial limits of said city and the punishment is by fine and the maximum of such fine under the laws of said State may not exceed \$200.00. Said court shall have no civil jurisdiction except for the forfeiture and collection of bonds given in cases or proceedings pending therein. All fines collected upon judgments rendered

in said court shall be paid into the city treasury for the use and benefit of said city.

SEC. 27. There shall be no terms of said court, and said court shall be deemed open from nine o'clock a. m. until six o'clock p. m. of every day, Sundays alone being excepted, and all applicable rules relating to process, pleading, practice and procedure now established for the county courts of Texas shall apply in said corporation court in Fort Worth, except that all criminal proceedings and prosecutions in said last named court shall be commenced by complaint, shall run in the name of the State of Texas, and shall conclude "against the peace and dignity of the State," or if any offense is charged under an ordinance of said city, the complaint may also conclude "against the ordinance of said city in such cases made and provided." Every complaint filed in said court shall be verified by affidavit, and such complaint may be sworn to before the recorder, the city secretary, the city attorney or any assistant city attorney, and for the purpose aforesaid each and every one of such officers are hereby empowered to administer oaths, or such complaints may be sworn to before any officer authorized by law to administer oaths. Except as herein otherwise provided, the rules and regulations now in force regulating complaints in criminal cases in justice courts shall apply to and govern complaints in the Fort Worth corporation court. Said last named court shall have a seal, upon which there shall be engraved a five pointed star and the words "corporation court in Fort Worth, Texas," and the impress of said seal shall be affixed to all process except subpoenas issued out of said court, and shall be used to authenticate the official acts of the secretary as clerk of said court and of the recorder as judge thereof, and the said city secretary is hereby constituted the clerk of said court, and it shall be his duty to keep a record and minutes showing all the orders and proceedings of said court, and to collect and receive all fines, costs and fees imposed in said court, and to pay the same over to the city treasurer.

SEC. 28. All prosecutions and proceedings of a criminal nature in said court, whether under a city ordinance or under a State penal statute, and all process issued out of said court shall run in the name of the State of Texas, and all such process shall be executed and served by the marshal, deputy marshal or any policeman of said city under the rules and regulations as are provided by law for the service by sheriffs and constables of process issued by county courts, in so far as such rules and regulations are applicable to process from the corporation court in Fort Worth, and there shall be taxed against and collected of each defendant in the case of his conviction in said court the same costs and fees for the recorder and marshal and for the city attorney as are now provided by law for the justices and constables and for the county attorney, respectively, in criminal cases in justices' courts, and for the city secretary, acting as clerk, there shall be taxed and collected the same fees and costs as are now allowed by law to the county clerk for like services in criminal cases in the county courts, and said fees and costs shall be paid into the city treasury and disposed of as the city council shall direct. The judgments of said court shall be enforced by imprisonment of any defendant or defendants adjudged guilty therein, until the fine, costs and fees assessed against said defendant shall have been paid, or until the same shall have been satisfied, at such rate per day during imprisonment at

hard labor as the city council of said city may provide, and any such judgment may also be enforced by execution against the property of the defendant or defendants adjudged guilty therein.

SEC. 29. Said court shall be presided over by a judge, who shall be known as the "recorder," and said recorder shall be elected by the city council of the city of Fort Worth, and unless sooner removed shall hold office for two years and until his successor has been elected and qualified. The recorder shall reside within and be a qualified voter of said city, and he shall also be a person learned in law, and he shall have full power and authority to enforce all process of said court and punish witnesses for failing to obey subpoenas and to compel their attendance by process or attachment and to punish all contempts of his court by fine or imprisonment or both, and he may require of any person or persons arrested a bond or bonds for good behavior binding such person or persons to keep the peace, or he may require of such person or persons a bond or bonds for his or their appearance before said court, and no such bond shall be taken except it be executed by a person in whose behalf it is made, with two or more good and sufficient sureties, to be approved by said recorder, and all bonds taken in proceedings in said court shall be payable to the city of Fort Worth. Said city secretary shall also have power and authority to administer official oaths and affirmations and to give certificates thereof, and either the said recorder or the city secretary acting as ex-officio clerk of said court, shall have full power and authority to issue subpoenas, writs of *capias*, warrants of arrest, search warrants, executions and all other process known to the law which justice courts are by law authorized to issue in similar cases. If for any cause the recorder shall temporarily fail to act, then and in such case the mayor, or in his absence, inability or disqualification, the acting mayor of said city is hereby authorized to appoint some qualified person who shall act in the place and stead of said recorder, and who shall have all the powers and discharge all the duties of said office and shall receive the compensation therefor accruing while he is so acting.

SEC. 30. The recorder shall receive a salary of twelve hundred dollars per annum, payable in monthly installments.

SEC. 31. All jurors in said court shall be residents of, and qualified voters within, the city of Fort Worth, and shall be otherwise possessed of all qualifications required of jurors in county courts, and they shall be summoned and selected in such manner as the city council of said city has provided or at any time hereafter may provide by ordinance.

SEC. 32. Appeals to the county court of Tarrant county from conviction in said corporation court in Fort Worth, shall lie in all cases, and such appeals shall be governed by the same rules of practice and procedure as are now provided by law in cases of appeals from a justice court to the said county court, in so far as said rules are applicable.

SEC. 32a. The foregoing seven sections are hereby declared to be cumulative of an act passed by the Twenty-sixth Legislature, entitled "An Act to establish and create in each of the cities, towns and villages of this State a State court, to be known as the corporation court in such city, town or village, and to prescribe the jurisdiction and organization thereof, and to abolish municipal courts."

SEC. 33. The marshal of the city shall be ex-officio chief of police and shall have power to appoint one deputy, who shall be paid by the

city, and he may appoint additional deputies to be paid by himself, and shall appoint all policemen of said city, and all deputies and policemen shall be subject to the confirmation of the city council, and he shall in person or by deputy attend upon the corporation court while in session and upon the meetings of the city council, and he shall promptly and faithfully execute all writs and process issued from said court. He shall have like power with the sheriff of the county to execute the writ of search warrant. He shall be active in quieting riots, disorders and disturbances of the peace within the limits of the city, and he shall take into custody all persons offending against the ordinances of the city or committing an offense within the jurisdiction of the corporation court in Fort Worth, and shall have authority to take suitable and sufficient bail for the appearance before said court of any person charged with an offense within its cognizance and jurisdiction. It shall be his duty to arrest without warrant all persons violating the public peace, and all who shall obstruct or interfere with him in the execution of the duties of his office, and all persons guilty of any disorderly or unlawful act or offense whether in his presence or upon the complaint of any citizen. To prevent a breach of the peace or preserve quiet and good order he shall have authority to close any theater, barroom, drinking house or any other place or building of public resort, and in the prosecution and suppression of crime and arrest of offenders he shall have, possess and exercise like power, authority and jurisdiction with the sheriff of the county under the laws of the State. He shall have power to suspend the policemen, subject to ratification by the council. He shall receive a salary of two thousand dollars per annum, payable in monthly installments. He shall give a bond, payable to the city, with good security, conditioned for the faithful performance of his duties in accordance with this charter and ordinances of the city, in such amount as the city council may require, said bond to be approved by the city council, and he shall perform such other duties and possess such other powers, rights, and authority as the council may by ordinance require or confer.

SEC. 33a. Policemen of the city of Fort Worth may make arrest without warrant, and without warrant may arrest any offender or person or persons charged with an offense in any of the following cases, to wit: When any felony or disturbance, affray, or breach of peace, or violation of any city ordinance is committed in the presence or within the view of the policeman making the arrest; when a felony or breach of the peace has been committed within the presence or within the view of a magistrate and such magistrate shall verbally order the arrest of the offender. When it is represented to the policeman by some credible person that a felony or disturbance, affray, or breach of the peace, or violation of some city ordinance has been committed, and that the offender probably will escape if the arrest is delayed to procure a warrant. The city council may establish rules authorizing the arrest without warrant of any person of persons found in suspicious places or under circumstances reasonably tending to show that such person or persons have been guilty of some felony or breach of the peace, or violation of some municipal ordinance, or about to commit some offense against some State law or against some municipal ordinance. In all the cases enumerated in this section arrest may be lawfully made by said policeman without warrant, and the policeman making the arrest is justified

in adopting and may adopt and use any and all measures which a sheriff might adopt in making arrests under warrant as provided by the State statutes, and in every case of an arrest made without warrant, the policeman making the same shall immediately take the person arrested before that magistrate who ordered the arrest, or if the arrest was made without an order, then before the nearest or most accessible magistrate having jurisdiction, where a complaint may be made and a warrant issued, or such other action taken as is provided by law.

SEC. 34. It shall be the duty of the city secretary to attend every meeting of the city council, and keep accurate minutes and records of the proceedings thereof in a book provided for that purpose, and to engross and enroll all laws, ordinances and resolutions of the city council; to keep the corporate seal and the seal of the corporation court, to take charge of, preserve and keep in order all books records, papers, documents and files which have been submitted to the city council, to countersign all commissions issued to the city officers and licenses by the mayor, and to keep a record or register thereof, and to make all notices required under any resolution or ordinance of the city. He shall draw all warrants on the city funds and moneys as directed by the city council, and countersign the same and keep an accurate account thereof in books provided for that purpose. He shall keep in books regular accounts of the receipts and disbursements of the city, showing separately under proper heads each cause of receipt or disbursement; and he shall also keep accurate accounts with each person, crediting amounts allowed by proper authority, and specifying the particular transaction to which such entries apply. He shall also keep a register of bonds and bills issued by the city and all evidences of debt due and payable to it, noting the particulars thereof, and all facts connected therewith, as they occur. He shall carefully keep all contracts made by the city, and he shall do and perform all such other duties as may be required of him by law or ordinance, resolution or order of the city council. He shall receive a salary of two thousand dollars per annum, payable in monthly installments, and he shall give bond with good security, payable to the city in such amount as the city council may prescribe, and conditioned for the faithful discharge of his duties in accordance with the charter and ordinances of the city, the same to be approved by the city council. He shall have such assistants, to be paid by the city, as may be needed for the transaction of business relating to his office, the necessity of such assistants to be determined by the council.

SEC. 35. The city treasurer shall be selected by the city council, who shall appoint to such office the highest and best bidder therefor being the person bidding the best rate of interest on daily balances of city funds in his hands, to be determined by said council upon the submission of sealed bids, which shall be opened only in the presence of said council and at some regular meeting thereof, and the city council shall have the right to reject any and all bids, and the person so selected shall be city treasurer, and he shall hold such office for the term of two years and until his successor is elected and qualified. The first city treasurer under this charter shall be selected at the first regular meeting of the city council held after the city election in the year 1901, and the person so selected and his successors in office shall give bond and shall be officers of said city. The treasurer shall receive and keep the money of the city

and pay out the same on warrants drawn by the mayor or acting mayor and attested by the secretary under the seal of the city, and he shall pay out no money except upon such warrants, nor shall any warrant be paid unless it shall show upon its face that the city council has directed it to be issued, and for what purpose. The treasurer shall also render a full and correct statement of his receipts and payments to the city council at its first regular meeting in every quarter, and at all other times whenever he is requested by the city council so to do. At the end of every half year he shall cause to be published at the expense of the city a report showing the receipts and expenditures for the half year preceding such report, and showing also the general condition of the treasury, and he shall also do and perform all such other acts and duties as the city council may require.

SEC. 36. The city treasurer shall execute a bond, payable to the city, in such an amount and in such form as the city council may require, with sufficient security to be approved by the council, and said bond shall be conditioned for the faithful discharge by the city treasurer of his duties in accordance with the charter and ordinances of the city, and shall contain such other conditions as the city council may require. The city treasurer shall also be treasurer, and hold and pay out all moneys belonging to the public school fund of said city, and he shall give another bond, payable to the city, in such amount and of such form as may be required by the city council, and with sufficient security to be approved by the city council, and shall contain such other conditions as the city council may require; and said last mentioned bond shall be conditioned for the faithful discharge by the treasurer of his duties as treasurer by reason of all school funds, from any source, coming into his hands. The bond of the city treasurer for school funds, and his bond for city funds, shall be kept at all times, in excess of the amount of funds in his hands, secured by said respective bonds. And the city council shall require of the city treasurer that such bonds be signed by at least one guaranty or surety company, authorized to do business in this State.

SEC. 37. The city council may at any time require of the city treasurer a new bond, whenever for any reason, said council shall deem the existing bond to be insufficient, or a new bond may be required by said city council without any reason being assigned therefor. The amount of the bond required of the said city treasurer may be increased or decreased at the pleasure of the city council, and whenever any new or additional bond shall be required, said treasurer shall perform no official act until the same shall have been given, and if he shall fail for a period of ten (10) days after such order shall have been made to comply with such order, and to give the new or additional bond required thereby to the satisfaction of the city council, as evidenced by its approval of such new or additional bond, then and in every such case, the office of city treasurer shall, by virtue of that fact and without notice, or any further action whatever, shall become and be vacant, and a new treasurer shall be selected by the city council for the unexpired term only, and the old treasurer shall forthwith pay over and deliver to said new treasurer, as soon as the latter has qualified and given bond, all such funds and moneys with which said old treasurer is chargeable, and all papers, vouchers and belonging or pertaining to his office.

SEC. 38. The assessor and collector shall make up the assessment of

all taxable property within the limits of said city, and collect all taxes due the city, and shall make sales of property for due and delinquent taxes thereon, and shall have such other powers and perform such other duties as are prescribed in this act and charter, and shall in the performance of his duties observe the provisions of this act and the ordinances of the city relating thereto. He shall give bond, payable to said city, in such an amount and in such form as the council may require, with good and sufficient sureties, and said council may require one of said sureties to be a surety or guarantee company authorized to do business in this State; conditioned for the faithful performance of his duties in accordance with the charter and ordinances of the city, the same to be approved by the council. The council may require of him a new bond, either for the same or for a greater amount whenever they deem the existing bond for any reason insufficient, and whenever such new bond shall be required, he shall perform no official act until the same is given and approved. He shall, at the expiration of every week, pay into the city treasury all money collected by him by virtue of his office, and he shall, at the first meeting in every month, report to the council the money so collected and paid. He shall do and perform all the duties of his office in such manner and according to such rules and regulations as the council may prescribe, not in conflict with the provisions of this act. He is authorized to require the owners of personal property, subject to taxation, to render a correct statement thereof under oath, to be administered by him or one of his deputies, and for this purpose he and his deputies are authorized to administer oaths. He is empowered to appoint one or more deputies subject to confirmation of the city council, but the salaries of such deputies shall be paid by himself, and not by the city. He shall receive as compensation for the services of himself and his deputies, one per cent of the amount of taxes collected from real estate, and three and one-half per cent of the amount of taxes collected from personal property, and five per cent of the amount of occupation taxes collected for said city, and ten per cent of the amount of poll taxes collected, to be retained in each case out of the money so collected.

SEC. 39. The city engineer shall possess such powers and perform such duties as the city council may require and prescribe, and he shall receive a salary of thirteen hundred and fifty dollars per annum, payable in monthly installments. He shall execute a bond, payable to the city, in such amount as the council may prescribe, with sufficient security, to be approved by the council, and conditioned for the faithful discharge of his duties in accordance with the charter and ordinances of the city.

SEC. 40. The city attorney shall represent the city of Fort Worth in all cases now pending or hereafter to be brought, in any court in favor of or against said city. He shall attend all meetings of the city council and give his advice and counsel when called upon to do so, and he shall render such other professional services as the council may require. He shall have the power to administer oaths in any matter pertaining to the duties of his office. He shall receive a salary of twenty-five hundred dollars per annum, from and after the passage of this act, payable in monthly installments. The council may, when it deems it necessary, employ assistant counsel to assist the city attorney in any matters or suits affecting the city, and may pay said assistants such compensation as may be agreed upon. The city attorney shall give such bond as the city council may require.

SEC. 41. The city auditor of the city of Fort Worth shall examine, adjust and audit all unsettled accounts, claims and demands against said city for the payment of which any money be required or turned over to the city treasurer, and whenever he thinks proper he shall require accounts, claims, demands or settlements to be verified by affidavit, and after having examined the same, with all the accompanying documents and evidence, such as he finds to be correct and to be duly authorized by law or by some ordinance, resolution, or proceeding of the city council, he shall certify the amount owing by the city thereon and the true state thereof, and report the same to the city council, and no account, claim or demand whatsoever, against the said city, shall be paid, without the same first shall have been submitted to and examined and approved by said auditor. He shall also examine all the principal records of the several city officers and point out any error or irregularity he may detect in the same, and he shall examine the official books, accounts and reports of every officer of the city who receives or pays out any money of said city and report to the city council any mistake, illegal charge or irregularity discovered by him therein. He shall also examine into the rates charged to customers of water, and from time to time shall report to the council whether such rates are regular, uniform, and scaled as required by the ordinances of said city council. At least once a month he shall make out and present to the city council a statement of the revenues, funds and income of the city, and of its expenditures and disbursements since last reporting. It shall be his duty, whenever he is so required, to furnish in writing to the city council information upon any subject connected with his office, and to suggest plans for the management of the income and the liquidation of debts, claims and demands for which the city is liable. He shall also furnish to the mayor or city council, or to any committee thereof, any information in his possession relating to his office or to the revenues of the city, and he shall at all times permit the mayor or any alderman or any other officer interested to examine any books, papers or documents of any kind in his office. He shall at all times have free access to the books, records, reports, papers, accounts, receipts, permits and estimates of any office of the city government, and do every other thing necessary to give him full information upon matters being investigated by him. He shall keep all books necessary to show the transactions of his office, and with the approval of the city council, he shall establish proper rules for the government of his office, and prescribe the forms of accounts and all certificates and receipts to be attached thereto. He shall keep his office in such place as is designated by the city council, and shall give such bond as the council may prescribe, to be approved by the mayor, conditioned for the faithful performance of all his official duties. He shall be paid a salary of fifteen hundred dollars per annum, and the same shall be paid in monthly installments.

SEC. 42. The city council may from time to time require other and further duties of all officers whose duties are herein prescribed, and fix, if need be, compensation for such extra duties and powers of all officers appointed or elected to any office of the city, and whose duties are not specially herein mentioned, and fix their compensation, when not herein fixed. They may also require bonds to be given to said city by all officers for the faithful performance of their official duties. The council shall

also provide for the filling of vacancies in all offices not herein provided for, and in all cases of vacancies the same shall be filled for the unexpired term only.

SEC. 43. The city council shall be composed of the mayor and aldermen of said city, and shall meet at such times and places as it may from time to time designate, either by resolution or ordinance. At the first meeting of each new council, or as soon thereafter as may be practicable, it shall select one of its own members to be president of the council, who shall be mayor pro tem, and the president so selected shall hold his office for the term of one year. In case both the mayor and the president are absent from any meeting, the council shall appoint some one of its members then present to act as mayor and to preside at such meeting, and said member so selected shall act as mayor until the mayor, or mayor pro tem, returns to duty, or until such next meeting of the city council.

SEC. 44. Special meetings of the city council may be called by the mayor, and the same shall be called by the mayor upon the written application of any three or more of the aldermen. If in any case the mayor when requested so to do by three or more aldermen shall fail or refuse to call a meeting of the council, then such meeting may be called by a majority of the aldermen, who shall give the same notice as the mayor is required to give, and shall also notify the mayor. Written notices of special meetings shall be served personally upon or left at the usual place of business or at the residence of each member of the city council, and the city secretary and the city attorney. The council shall determine the rules of its proceedings, and be the sole judge of the election and qualification of its members, and have the power to compel the attendance of absent members and punish any member for disorderly conduct. Petitions and remonstrances may be presented to the council in writing only, and all process required by law to be served upon the city shall be served upon the mayor or city secretary.

SEC. 45. The city council of said city shall have, possess, exercise and enjoy the following expressed powers, upon which its judgment shall be final and conclusive, to-wit:

To manage and control the finances of the city and all of its property, whether real, personal or mixed.

To appropriate money, to provide for and direct the payment of the debts and expenses of the city.

To provide by ordinance special funds for special purposes and to make the same disbursable only for the purposes for which the fund was created, and to impose penalties for disbursing said special funds for any purpose other than as provided by ordinance.

To provide by ordinance for the payment of any existing or outstanding indebtedness of the city, and for the payment of any bonds that from time to time may be issued, and to assess, levy and collect a special tax for that purpose.

To provide by ordinance for refunding all or any part of the present or any future bonded debt of the city of Fort Worth and for that purpose the city council is hereby given express power to authorize and to provide for the issuance of the funding debt bonds of the said city, in an amount not to exceed the actual bonded debt of the said city, exclusive of the bonds held as a part of its sinking fund, to mature at not to exceed

forty (40) years from the date of issue, bearing interest at not more than four (4) per centum per annum, payable semi-annually at such place as the city council may designate, both principal and interest payable in gold coin of the United States of America of the present standard of weight and fineness, and all such funding bonds shall recite that they are issued to fund a like amount of the legal bonded indebtedness of the said city, and they shall be presented to and examined by the Attorney General of the State of Texas and approved by him before being issued, and they shall be registered by the Comptroller of said State in like manner and with same effect as is now provided by the General Laws of the State in the case of county bonds, and said funding bonds shall be deposited with said Comptroller, who shall issue the same from time whenever a like amount of the old bonds of the said city are presented to said Comptroller for collection, and not otherwise. Said new funding bonds shall not be exchanged or sold at less than par and accrued interest, nor shall more than par and accrued interest be paid or allowed in exchange for any of the old or outstanding bonds of the said city. The city council shall annually assess, levy and collect an ad valorem tax on all property in said city subject to taxation, and said tax shall be sufficient to pay the interest on all funding bonds issued, to create a sinking fund of not less than two (2) per centum of the same, and the said tax shall be collected and the proceeds kept by the city treasurer as separate accounts for interest and for sinking fund as aforesaid, and neither of said accounts shall be drawn upon for any purpose other than that for which is was created, and the city treasurer shall be personally liable, and he and his bondsmen shall be liable upon his official bond should he honor drafts or warrants upon said funds or make payments out of the same for any purpose other than that for which said funds are created.

To appropriate so much of the revenues of the city emanating from any source whatever, and not herein otherwise expressly appropriated, and to use the same for the purpose of retiring and discharging the accrued indebtedness of this city, and for the purpose of providing and maintaining a wholesome and sufficient supply of water for the use of its inhabitants, and of improving its streets, and of erecting and maintaining a city hall, city hospital, school houses, waterworks, fire halls, sewers and such other public improvements as said council from time to time may deem expedient.

SEC. 46. That no bonds, save those for refunding purposes, shall ever be issued by said city in excess of five per cent of the total assessed values of the property in said city, and then only upon the vote of the taxpayers of said city. And before any such election shall be held, the same shall be ordered by two-thirds of all the elected city council, at a regular meeting held by such council; and after ten days has been allowed for the registration of the qualified voters, taxpayers of said city, and the said council shall make provision for such registration and give due notice thereof, and of the time and place of registration, and of the time and place of voting, and shall in such notice specify the purpose of such election. At such election none but duly registered taxpayers of said city shall be entitled to vote, and a majority of all such registered voters at such elections, shall be necessary to carry such election. The said bonds, when issued, shall not run for a longer period than twenty years, and

shall be redeemable at the option of the city, after five years from the date of issuance; shall bear no greater interest than five per centum per annum, and shall never be sold for less than per value, accrued interest included, and all bond issues authorized as herein provided for, shall provide for the levy and assessment of a sufficient tax to pay the annual interest and create a sinking fund sufficient to pay off bonds at maturity. The city of Fort Worth shall not have power to issue or have outstanding the promissory notes of said city for any greater amount than twenty-five thousand dollars, and the promissory notes of said city shall not bear a greater rate of interest than eight per centum per annum; provided, that said city council shall have the right, in case of public calamity threatening or affecting the people of said city, to issue notes in an additional sum of twenty-five thousand dollars, to bear interest not to exceed eight per cent per annum. Provided, that nothing contained in this section shall apply to or restrict the issue of refunding bonds.

SEC. 47. Each bond issued under the provisions of this charter shall be payable at such place or places as may be fixed by ordinance and shall specify the purpose for which it was issued and shall not be invalid if sold at less than par, and the proceeds of every series of such bonds shall be used for the purpose for which it was issued and for no other purpose whatever, and each such bond shall be signed by the mayor, and countersigned by the city secretary, with the impress of the city seal affixed thereto.

SEC. 48. When any bond or notes are issued under the provisions of this charter, the city council shall, at the same time, make provision to assess and collect annually a sufficient sum to pay the interest thereon and create a sinking fund of at least two (2) per cent thereon, and the fund so provided, for interest and sinking fund, shall not be diverted nor drawn upon for any purpose, and no drafts or warrants upon said fund shall be honored except such as are drawn to pay interest on the bonds or to invest the sinking fund in some manner authorized by law.

SEC. 49. The city council shall have power to invest any sinking fund provided for the payment of any of its bonds, in bonds of the United States, or in bonds of the State of Texas, or in the bonds of any county within the said State, or in bonds of the city of Fort Worth, but only after such State, county or city bonds have been approved by the Attorney General and registered by the Comptroller, as required by law.

SEC. 50. Before the delivery of any bonds issued under the provisions of this charter, it shall be the duty of the mayor, whenever any such bonds are issued, to forward the same to the Comptroller of Public Accounts of the State of Texas for registration, and to send with them a statement of the value of all taxable property, real and personal within said city, and a statement of the amount of tax levied for the payment of interest and to create a sinking fund, and the mayor shall also furnish and forward any other or further information required by the Comptroller, and in any way affecting the validity of said bonds.

SEC. 51. If any bonds presented to the Comptroller for registration shall, after full investigation and inquiry appear to have been illegally issued, the Comptroller shall refuse to register the same, and shall return them to the mayor with a statement of the reasons assigned for refusing to register said bonds, but if said bonds or any of them shall appear to have been issued according to law, then the bonds so issued shall be

registered by the Comptroller in a book kept for that purpose and the Comptroller shall indorse his certificate of registration upon each bond so registered, and at the request of the mayor or city council, shall give a certificate showing the amount of bonds so registered in said Comptroller's office up to date of such certificate, and the purpose for which issued, and any other information respecting the same which appears upon the books, files and records of his office.

SEC. 52. Bonds registered as herein provided and afterwards delivered, shall not be subject, after such registration and delivery to any defense or defenses that may have existed prior to said registration and delivery, and this shall be stated on the face of the bonds, and it is hereby made the duty of said Comptroller to see that a tax is levied and collected annually by the city sufficient to pay the interest on its bonded indebtedness and to create a sinking fund therefor, as required by law, and he shall also see that the sinking fund is invested in good interest-bearing securities of the kind herein specified.

SEC. 53. Whenever any bonds of the said city shall have been redeemed, paid and canceled, then the city may issue other bonds in like sum or for like sums of money, up to the amount of the bonds so redeemed, paid and canceled.

SEC. 54. No debt shall ever be created by said city unless at the same time provision be made to assess and collect annually a sufficient sum to pay the interest thereon and create a sinking fund of at least two per cent thereon.

SEC. 55. The city council shall, not more than ten days after the expiration of each municipal year, cause to be published in the official paper of the city, if it has one, and if not, then in any newspaper published in said city, a full and correct statement of all receipts and disbursements of the city, since the last annual report together with the sources from which the funds were derived and showing for what purpose disbursed and the condition of the treasury and of the several special funds, together with such other information as may be necessary to a full understanding of the financial condition of the city.

SEC. 56. The city council shall also have power to provide the city with water, or to cause the same to be provided, and for this purpose may make, establish and regulate public wells, pumps, cisterns, hydrants, reservoirs and standpipes in the street or at such other place or places as to said council may seem proper, either within the city or beyond the limits thereof, and shall have full control of the same and of all necessary streams and water courses within the city, and for a distance of ten miles beyond the limits, and said council may establish and maintain a waterworks department and may appoint officers, agents and employes for the operation thereof, and clothe and vest them with such power and authority as in the discretion of such council may or shall seem proper, and the waterworks department heretofore established, and the ordinances, resolutions, rules and regulations now in force for the establishment, government and maintenance of said department, and all other ordinances of said city, shall continue in full force and effect until and except as the same may or shall be altered, changed or modified by said council. The superintendent of waterworks and electric light department shall be the chief executive officer of the waterworks and electric light department, and shall have such powers and be subject

to such duties as the city council may prescribe, and for such services he shall receive a salary of two thousand dollars per annum to be paid in monthly installments. The secretary of the waterworks shall be the accountant and bookkeeper of the waterworks department, and shall have the custody and care of all books and papers relating thereto, and shall collect and account for and turn over all moneys owing to said department. He shall also perform such other duties as the city council may prescribe, and shall receive for his services a salary of fifteen hundred dollars per annum, to be paid in monthly installments. The inspector of waterworks shall examine, inspect and report upon the condition of all waterworks property and fixtures, and perform and discharge such other duties as the city council may prescribe, and for his services shall receive a salary of twelve hundred dollars per annum, to be paid in monthly installments. The superintendent of waterworks, the secretary of waterworks and the inspector of waterworks shall each give bond in such sum and with such conditions as the city council may require.

SEC. 57. Whenever in the opinion of the city council it becomes or is necessary to take any private real estate or other property, situated either within or outside of the limits of said city, for use in the construction of water mains, dams or reservoirs, or to use in any way for impounding and storing water and to increase the water supply for said city, then said real estate and other property may be taken for any or either of said purposes by first making just compensation for the same to the owners thereof. If the amount of such compensation cannot be agreed upon, it shall be the duty of the city council to cause proceedings to be had for the condemnation of said real estate or other property as in the case of property taken for streets or for sewer purposes.

SEC. 58. The city council shall also have exclusive control and power over the streets, alleys, crossings, highways, and public grounds in the city, and shall have full power to abate and remove all encroachments or obstructions thereon, and to open, alter, widen, close, extend, establish, regulate, grade, pave, clean or otherwise improve said streets. The city council shall also have power and authority to make contracts and agreements with any railroad company having a line of railroad in said city, for the erection and maintenance of viaducts at the intersection of any streets or highways in said city by the line of any such railroad, and it may require any street car, or other like company, that may desire to cross any such viaduct, to assist in erecting and maintaining the same, as a condition precedent to the right of such street car, or other like company, to use such viaduct by running its cars over the same.

The city council shall also have the power to put drains and sewers in said streets, alleys, crossings, highways and public grounds, and to prevent the encumbering thereof in any manner, and to protect the same from any encroachment or injury. And to abolish, erect, construct, regulate and keep in repair bridges, culverts, sewers and crossways, and to regulate the construction and use of the same, and to abate and punish any obstruction and encroachments thereon, and any obstructions or encroachments on the sidewalks, curbing and gutters of said city. And to regulate the plumbing in said city, and the use and mode and manner of supplying electricity and the use of electrical machinery, fixtures and appliances.

SEC. 59. The city council shall also have full power to establish,

regulate and change the grade of streets, alleys and sidewalks, and to require the same to be raised and lowered as in the judgment of said council may be or become necessary, and to regulate and alter the grade of premises within the limits of said city, and to require the same to be raised or lowered so as to conform to the grade of any street or streets on which it abuts.

To prevent any street, alley, sidewalk or other place from being dug up, and to prevent the making of excavations therein, unless the same be with the permission of the city council or such officer or officers as it may designate, and under the direction and supervision of the city engineer, and to require such street, alley, sidewalk or other public place to be repaired and restored to the satisfaction of said engineer.

To establish stands for hacks, carriages and other vehicles engaged in carrying goods or passengers for hire, and to prevent the drivers of such hacks, carriages and other vehicles, stopping, standing or detaining the same, and from soliciting or waiting for employment at any place, on any street, alley, highway or other public grounds in said city, except at such stands as said council may establish, and the existing ordinances of said city establishing hack stands and regulating the same are hereby validated and declared reasonable and binding.

To prevent the encumbering of the streets, alleys, sidewalks and public grounds with carriages, wagons, carts, hacks, buggies or any vehicles whatsoever, or with boxes, lumber, firewood, posts, awning signs, or any other substance or material whatever, or in any other manner whatever; to compel all persons to keep all weeds, filth and any kind of rubbish from the sidewalks and streets and gutters in front of the premises occupied by them, and to require and compel the owners of any real estate to fill up, grade, gravel or otherwise improve the sidewalks in front and adjoining their property.

To permit and regulate, or to prohibit and prevent, as in its judgment seems best the laying and repairing of gas and water mains and pipes in said streets, alleys, crossings, highways, and public grounds, and to compel any person or persons laying or repairing gas, water, sewer or any other pipes or mains therein, or using such places for building or other purposes, to repair, restore and clean up the streets, alleys, sidewalks or other public places so used.

To provide for the lighting of streets, public grounds and public buildings, and to erect and maintain all necessary lamp posts, lamps and other fixtures, and to furnish the citizens of said city with light, and to erect, own, use and operate all necessary machinery, fixtures, appliances and appurtenances of every nature whatever, necessary for said purpose, and to demand and receive compensation for lights furnished for private purposes, and to provide for the location and regulation of such lights.

To exclusively permit, prevent, regulate, and direct and control the establishment and maintenance of electric and other lights, and the carrying of electric currents, and the controlling of such currents, and the closing of circuits therefor, and the grounding of electric currents, and the erection of telegraph, telephone and electric light or power poles in the streets, alleys, sidewalks and other public grounds, and the construction and maintenance of such poles, and of all wires and appliances, and to provide, fix and enforce rules and regulations therefor, and to impose such terms as they deem proper for the use for any such purpose of the

streets, alleys and sidewalks, and to demand and collect for the use of same such compensation as the city council may think proper.

To provide for enclosing, regulating and improving all public grounds and cemeteries belonging to the city, and to direct and regulate the planting and preserving of ornamental and shade trees in the streets, sidewalks and public grounds.

To provide for sprinkling any and all streets of the city, and the further power to assess, levy and collect a special tax on the property fronting on said streets and against the owner or owners of such property to cover the entire expense of such sprinkling, but no such tax shall be assessed, unless by two-thirds vote of the entire city council, and the council shall have full power by ordinance to provide for the assessment, levy and collection of said special tax, and the same shall not be considered within the tax limits hereinafter provided.

SEC. 60. The city council shall also have the sole and exclusive power to prevent, permit, direct and control the laying, construction, and maintenance of steam railroad tracks, bridges, viaducts, turnouts and switches in the streets, alleys and public grounds of said city; to require that all such tracks, bridges, viaducts, turnouts and switches shall be so constructed, laid and maintained as to interfere as little as possible with the ordinary travel upon and use of said streets, alleys and public grounds, and that if possible sufficient space shall be left on either side of said tracks and other structures for the safe and convenient passage of teams and persons; to require railroad companies using such streets, alleys or other public grounds for any of said purposes to keep in repair and to light, patrol and guard the same so far as they are used, and to require such companies to construct and maintain, in good repair, suitable crossings at the intersection of their tracks with any streets, alleys or other public grounds, and to light and guard such crossings; to direct and control the use and regulate the speed of locomotive engines and cars within the limits of said city.

SEC. 61. The city council shall also have sole and exclusive power and authority to compel horse and electric railroads, or other city street railroad companies, to keep their roads in repair, and to make them conform to the grade of the streets upon which their tracks may be laid, whenever said streets shall have been graded by the city, and to restrain the rate of speed so as not to exceed seven miles per hour, and to compel said city railroads to supply ample accommodation for the safe and convenient travel of the people on the streets where their tracks may run, and to compel said city railroads to furnish safe, comfortable and convenient cars for the transportation of passengers; to declare their franchises forfeited upon the non-compliance by said companies with the ordinances of the city, or the condition or agreement under which said franchises were granted, and to forthwith remove their tracks from any of the streets of the city; to compel street railway companies to permit other companies to use their tracks for the purpose of traffic thereon, for a distance not exceeding three hundred feet, when in the discretion of the city council it may be deemed necessary to the use and convenience of the city and traveling public; provided, that the provision as to the use of tracks shall apply to tracks now existing around the court house square for their entire length or width.

SEC. 62. It shall be the duty of the street commissioner to supervise

and look after all streets, alleys, avenues, highways and public places in said city, and report to the city council or such committee as it may direct, all necessary repairs and improvements, and to make the same under the direction of said city council or committee.

He shall have control of the calaboose or chain gang of the city, and of all laborers on the city streets, and shall direct their work and employ and discharge laborers, under such directions as the city council may give; he shall have no other business or employment. He shall give bond for such an amount and with such conditions as said city council may require. He shall also perform and discharge such other duties as the council may prescribe, and for his services shall receive a salary of twelve hundred dollars per annum, to be paid in monthly installments.

SEC. 63. The city council shall also fix and determine the necessity, nature and extent of street and sidewalk improvements, repairs and reconstruction, and may, at its discretion, cause all or any part of such streets and sidewalks to be constructed, reconstructed, graded, regraded, paved, repaved, or in any other way repaired, improved, or maintained, and said council shall have full power and authority to provide, by ordinance, for the determination, after notice and by due process of law, of the amounts of benefits to each parcel of abutting property by reason of any such improvement, repair or reconstruction, and of a fair and just proportion and of the amount of the cost of the same to be paid by each abutting owner, and the amount of cost so adjudged shall be a personal liability against such owner, as well as a first and prior lien and charge upon his abutting property. All assessments of benefits and of the proportion and amount of cost to be paid by the owner shall be determined by a commission of three citizens, to be appointed in the same manner as in the condemnation of right of way for railroads, and the procedure and practice established by law in such condemnation cases, so far as applicable shall govern assessments for street and sidewalk improvements. The assessment of cost against an abutting owner shall in no case exceed the benefit to his abutting property, as established by the judgment of the commission, but the owner shall be entitled to no reduction for benefits received by him in common with others, and the total cost, not in excess of the total benefits to abutting owners, shall be fairly distributed by said commissioners among such owners, first deducting the cost of street crossings, and of such portions of said improvements, if any, as may be paid for by street railroad companies, occupying portions of the street under improvement.

SEC. 64. Whenever the city council of said city shall deem it necessary to take any private property, in order to open, change, alter or widen any public street, avenue, or alley, for the construction of water mains or sewers within or without the limits of the city, or for the construction of dams or reservoirs, or for the storage of water within or without the limits of the city, such property may be taken for such purpose by first making just compensation to the owners thereof. If the amount of such compensation cannot be agreed upon, it shall be the duty of the city council to cause the city attorney to state in writing the real estate or property so sought to be taken, the name of the owner, and his residence, if known, and file such statement with the county judge of Tarrant county, who shall then proceed as the law directs in condemnation proceedings under the laws of this State, and the city

council is expressly authorized and empowered to condemn the right of way, real estate, or any interest therein, and the roadbed and railroad tracks of any railroad company whose right of way, real estate, or roadbed and tracks extend within the corporate limits of said city, whenever such condemnation is deemed necessary and so declared by a majority of the members present at any meeting of said city council for the purpose of opening, widening or extending any street or other public highway of said city or for the purpose of constructing water mains, or sewers, or for the construction of dams or reservoirs for the storage of water.

SEC. 65. Upon the filing of such statement, it shall be the duty of the county judge, in term time or in vacation, to appoint three disinterested freeholders and qualified voters of the county as special commissioners to assess the damages to accrue to the owner by reason of such proposed condemnation.

SEC. 66. The commissioners so appointed shall in their proceedings be governed and controlled by the State laws in force in reference to the condemnation of right of way for railroad companies and the assessment of damages therefor, the city occupying the position of the railroad company and the laws with reference to application for condemnation of right of way for railroad companies, including the measure of damages, the right of appeal and the like shall apply to an application by said city under this act for the condemnation of property for the purpose of opening, changing or widening streets, avenues, or alleys, or for the construction of water mains or sewers, dams or reservoirs or for the storage of water, the city to occupy the position of the railroad company.

SEC. 67. The city council shall also have full power and authority to make and provide for the enforcement of regulations to prevent the introduction into the city of any contagious or infectious disease, and may make quarantine laws, and all other necessary or expedient laws, rules and regulations for the promotion of health and the suppression of disease, and may enforce them or cause them to be enforced at any place within the city or outside of its limits and within ten miles thereof, and may erect or establish such hospitals and such pest houses and places of detention for persons infected or suspected of infection with contagious disease as may be thought necessary, and may control and regulate the same.

SEC. 68. The city council may appoint as many health inspectors as are deemed necessary, and may by ordinance prescribe the powers, duties and compensation of such health inspectors, and may authorize them, or any of them, or any other of its officers or employes to stop, examine and detain any person or persons coming or suspected of coming from any place infected or believed to be infected with any infectious or contagious disease, and to prevent any such person or persons from entering the city; and said council may also authorize and empower such inspectors, officers and employes, or any of them, to cause any person suspected of being infected with any contagious or infectious disease to be sent to the city hospital or pest house, or such other place of detention as the council may provide, or said council may cause any such person or persons to be confined and isolated in the rooms or premises where they are found; and to remove from the city, disinfect, or destroy any furniture, wearing apparel or property tainted or infected with or exposed to infec-

tion from any contagious or infectious disease, or which shall be likely in the opinion of the city physician, to pass into such a state as to propagate, generate or communicate disease.

SEC. 69. The city council shall provide by ordinance for abating all nuisances of every description, which are or may become injurious to the health or comfort of any of the inhabitants of the said city, and shall make and provide for the enforcement of all necessary rules and regulations for the preservation of health and to suppress disease, and to prevent its spread within the said city, and shall not in any case whatsoever, be liable or held for injuries to persons or property, or for any damages in any manner occasioned in the enforcement or attempted enforcement of any of its rules, regulations or ordinances, or of the provisions of this charter for the preservation of the health of said city, or to prevent the entrance or spread within said city of infectious or contagious diseases.

SEC. 70. The owner, driver or conductor in charge of any stage, railroad cars or other public conveyance, which shall enter the city, having on board any person sick of a malignant fever or pestilential, contagious or infectious disease, unless such person became sick on the way and could not be left, shall be guilty of a misdemeanor punishable with fine: and such owner, driver, conductor or person in charge shall, within three hours after the arrival of such sick person, report in writing the facts, with the name of such person and the house where he was put down in the city, to the city physician, and every neglect to comply with these provisions shall be a misdemeanor and punishable by fine.

SEC. 71. Any person who shall knowingly bring or cause to be brought into the city any person or property of any kind tainted or infected with any pestilential, infectious, or contagious disease shall be guilty of a misdemeanor, and punished by fine.

SEC. 72. Every keeper of an inn, hotel, tavern, boarding or lodging house in the city, in which any inmate thereof shall be sick with small-pox, varioloid, yellow fever, or other infectious, contagious or pestilential disease, shall upon such facts coming to his or her knowledge forthwith report the same to the city physician. Every physician in the city shall report under his hand to the officer above named the residence and disease of every patient whom he shall have sick of any infectious, contagious or pestilential disease within six hours after he shall have visited such patient. A violation of either of the provisions of this section or any part of either of them shall be a misdemeanor punishable by fine.

SEC. 73. The city council shall also have power to require the filling up, draining and regulating of any lot or lots, grounds or yards, or any other places in the city, which shall be or become unwholesome or offensive, or have stagnant water therein, or from any other cause be in such condition as to be liable to produce disease, and to cause all premises to be inspected and to impose fines on the owners and occupants of houses under which or about which such stagnant water may be found, and to pass such ordinances as they may deem necessary for the purposes aforesaid, and for the making, filling up, altering or repairing and the constructing of sewers and compelling cleanliness of all sinks, privies and water closets, and directing the mode and material for constructing them in future, and for regulating the plumbing thereof, and the connections with the water and sewer system: provided, that no preference shall ever be given any manufacturer or dealer in sinks, closets or material used

therein, and for cleansing and disinfecting the same, and for the cleansing of any house, building, establishment, yard or ground from filthy, impure or unwholesome matter of any kind, and to punish any owner or occupant violating the provisions of any ordinance so passed as aforesaid, and the city council shall also have full power to cause any of the improvements above mentioned to be done at the expense of the city on account of the owners and to cause the expenses to be assessed on the real estate or lot or lots benefited thereby, and on filing with the county clerk of Tarrant county, a statement by the mayor of such expenses, shall have a first and privileged lien on such property to secure such expenditures and ten per cent interest per annum thereon. For any such expenditures and interest as aforesaid suit may be instituted and recovery had in the name of the corporation in any court having jurisdiction.

SEC. 74. It shall be the duty of the city physician to visit and treat as often as necessary and in a skillful and scientific manner all parties sent to the city hospital by the city authorities and all persons confined or detained in any pest house or house of detention, and when directed by any committee of the city council to visit such persons as are indigent and unable to pay for medical attention, and to render all necessary attention to such indigent persons, and to perform such other duties as the council may from time to time direct, and for his services he shall receive a salary of fifteen hundred dollars per annum, payable in monthly installments. The city council may in their discretion require the city physician to give bond in such amount and with such conditions as it may prescribe. The city physician may be authorized by the city council, when the public interest requires, to exercise for the time being such of the powers and perform such of the duties of the chief of police as the city council may direct and authorize, and he may also be authorized by the city council to enter all houses, buildings and places, public or private, at any and all times, in the discharge of his duties under this charter or under any ordinance of the city after first asking permission of the owners or occupants. The city council shall have power to punish by fine any neglect or refusal to observe the orders and regulations of the city physician.

SEC. 75. The city council may co-operate with the commissioners court in making such improvements connected with the city and county as may be deemed by the city council and commissioners court necessary to improve the public health and promote efficient sanitary regulations, and by mutual arrangement they may provide for the construction of said improvements and the payment thereof.

SEC. 76. The city council may by ordinance compel the owner or occupant of any grocery, soap, tallow or chandler establishment, or blacksmith shop, tannery, stable, slaughter house, distillery, brewery, sewer, privy, hide house, or any unwholesome or nauseous house or place, to cleanse, remove or abate the same, as may be necessary for the health, comfort and convenience of the inhabitants, and direct the abatement thereof and provide for the punishment by fine of any one found guilty of maintaining a nuisance within the limits of said city.

SEC. 77. The city council may prohibit by ordinance any person from bringing, depositing or having within the limits of said city any dead carcass, or any other offensive or unwholesome substance or matter, and may require the removal or destruction by any person who shall have

placed or caused to be placed upon or near his premises or elsewhere, of any substance, or matter, filth, or any putrid or unsound beef, pork or fish, hides or skins of any kind, and on his default, may authorize the removal or destruction thereof by some officer of the city, and require the owners of any dead animal to remove the same to such place as may be designated.

SEC. 78. The city council may also, by ordinance require owners of private drains, and sinks that are, or are liable to become offensive, or injurious to health, to fill up, cleanse, drain, alter, relay, repair, fix and improve the same, and in the event of any failure, neglect or refusal to comply with any such orders, the party so failing shall be liable to fine. In the event of there being no person in the city on whom such order can be served, the city may have such work done, and such improvement made on the account of the owner thereof, and all costs, charges and expenses shall be a lien on the property on the filing of the memorandum by the mayor under the corporate seal of the city, and recording the same with the clerk of the county court; and the city may enforce said lien and institute suit in the corporate name, and obtain judgment against said party for the amount so due as aforesaid, in any court having jurisdiction.

SEC. 79. The city council is hereby given full power to regulate the burial of the dead, to purchase, establish, and regulate one or more cemeteries; to require and regulate registration of births, marriages and deaths, and to direct the returning and keeping of bills of mortality.

SEC. 80. The city council is also authorized to direct the location of tanneries, blacksmith shops, foundries, livery stables and manufacturing establishments, to direct the location, regulate the management and construction, restrain, abate and prohibit within the city limits, slaughtering establishments and hide houses, or establishments for keeping and curing hides, establishments for making soap, for steaming or rendering lard, tallow, offal, and such other substances as may be rendered, and all other establishments or places where any nauseous, offensive or unwholesome business may be carried on.

SEC. 81. The city of Fort Worth is constituted a separate and independent school district, and the city council is furthermore authorized to pass such ordinances, rules and regulations which may be necessary to establish new schools, purchase building sites, construct school houses, and generally to promote free public education within its limits.

SEC. 82. The city council of said city shall elect six persons of good moral character, and qualified voters of said city, as a board of trustees of the public free schools, and the mayor of said city shall be ex-officio chairman of said board, and shall vote in the case of a tie only. The present school trustees of said city shall serve until their respective terms of office, as provided in the charter under which they were elected shall have expired, and until their respective successors shall have been elected and qualified.

SEC. 83. All school trustees shall serve without compensation, and except as herein otherwise provided, they shall hold office for a term of two years, and until their successors are elected and qualified. Elections to fill vacancies shall be for the unexpired term only. The successors of outgoing trustees shall be elected by the city council at its first regular meeting prior to the expiration of the term of office of such outgoing trustees, or as soon thereafter as may be practicable.

SEC. 84. Before any trustee enters upon the duties of his office he shall swear that he will faithfully and impartially discharge the duties of his office, and he shall take any other oath that may be prescribed by the city council, and file such affidavit with the city secretary.

SEC. 85. Said board of trustees may adopt such rules, regulations and by-laws for their own government as they may deem proper.

SEC. 86. The public free schools of said city shall be under the control and supervision of such board of trustees, and said board when appointed shall have power to control, manage and govern said schools in all things and matters, and order the payment of school funds for school purposes, and shall have power to elect a superintendent of the public schools in said city, and to select all teachers and fix the salaries thereof.

SEC. 87. Said city shall receive from the State such pro rata of the available school fund as its scholastic population may entitle it to, and shall receive from Tarrant county such pro rata of the interest arising from the permanent school fund of Tarrant county as its scholastic population shall entitle it to.

SEC. 88. The city council in its discretion may provide by ordinance for the levy and collection of an annual special ad valorem tax for school purposes, not to exceed one-half of one per cent, and the proceeds of such tax shall be used for school purposes, and no such tax shall be levied for an amount more than will be reasonably necessary in addition to the pro rata of the available school funds received from the State and the pro rata of the interest on the permanent school fund of Tarrant county to carry on the schools of said city for ten months in each year. All taxes heretofore levied for school purposes by any former city council shall be collected by the city and used for school purposes, and all such former levies for school purposes are hereby validated, and are appropriated for use in conducting the city schools.

SEC. 89. The city council shall have power to provide for the maintenance of a fire department and to make all needful rules and regulations for governing said department, and for preventing and extinguishing fires.

SEC. 90. The city council may procure fire engines and other apparatus for the extinguishment of fires, and have the control thereof, and provide engine houses for the keeping and preserving of same, and shall have power to organize, regulate and maintain fire, hook and ladder, hose and axe companies, and fire brigades, and to provide and regulate and maintain fire halls, and the said companies and the members thereof shall observe and be governed by the ordinances, rules and regulations of the city council relating to the fire department. All firemen and employees of the fire department shall be appointed by the chief of the said department, subject to confirmation by the city council.

SEC. 91. The chief of the fire department shall be entitled to one assistant chief, who shall be selected by the chief, and who shall be paid by the city. The chief of the fire department, and in his absence the assistant chief, or if the chief and assistant are both absent, then the senior captain present shall have full and absolute control over the entire department, and over the engineers, drivers, and other employees thereof, and they and said employees shall conform to all rules and regulations as the city council may prescribe, either by the committee on fire depart-

ment, or otherwise. The chief of the fire department shall report to the city council, annually, and at such times as may be required by the council, showing the condition of the engines, hose, hook and ladders and other fire apparatus, and of the buildings in which same are kept, and shall in such report recommend such additions, alterations and improvements to the same as may be deemed expedient. Said chief of the fire department shall give bond, with two or more good and sufficient sureties, payable to the city of Fort Worth, in the sum of twenty-five hundred dollars, subject to the approval of the city council, and conditioned for the careful, efficient and faithful performance of the duties of his office. He shall have all such other powers and be subject to such other duties, in connection with the fire department of said city as may be prescribed by the city council, and he and all subordinates and employes of said department shall have the same police powers at fires as a city policeman. The chief of the fire department shall receive a salary of \$1500 per annum, payable in monthly installments, and the assistant chief shall receive a salary of \$1200 per annum, payable in monthly installments.

SEC. 92. The mayor, the chief of the fire department, and all subordinates and employes of said department, and all officers of said city, are authorized, and it is made their duty to keep away from the vicinity of any fire, all idle, disorderly and suspicious persons, and to arrest and imprison the same, and to compel all officers of the city and all other persons to aid in the extinguishment of fires, and in the preservation of property exposed to danger thereat, and in preventing property from being stolen.

SEC. 93. When any building in the city is on fire it shall be lawful for the chief or acting chief, with the concurrence of the mayor, or, in his absence, of two aldermen, to direct such building, or any other buildings which they may deem hazardous and likely to take fire and to communicate fire to other buildings, to be torn down, or blown up, or otherwise destroyed, and no action shall be maintained against any person, or against the city therefor; but any person interested in any such building so destroyed or injured, may, within two months and not thereafter, apply in writing to the city council to assess and pay the damages he has sustained; and if the city council and the claimant cannot agree on the terms of adjustment, then the application of such claimant shall be referred to three commissioners, one to be appointed by the claimant, one by the city council and the third by both commissioners, and the decision of the majority shall constitute the award in the case. They shall be sworn faithfully to execute their duty according to the best of their ability; shall have power to subpoena and swear witnesses, and shall give all parties a fair and impartial hearing, and give notice of the time and place of meeting. Said commissioners shall be qualified voters, and owners of real estate in the city, and shall take into account the probabilities whether the said building would have been destroyed by fire if it had not been so pulled down and destroyed, and the loss of insurance upon said property, if any, caused by pulling down or blowing up or destroying said building, and may report that no damage should equitably be allowed to such claimant.

SEC. 94. Whenever a report shall be made and finally confirmed for the appraising of said damages, a compliance with the terms thereof by

the city council shall be deemed a full satisfaction of said damages, and no suit shall enter and be maintained for or on account of such damages in the absence of fraud or gross mistake not chargeable to the complainant for any other purpose than the enforcement of the award as made by the commissioners.

SEC. 95. The city council shall have power by ordinance to prohibit the erecting, placing, moving or repairing of buildings, or other structures of wood or other combustible material, within such limits in said city as may be prescribed by ordinance, and to direct that all buildings and structures within the limits prescribed shall be made or constructed of some fire-proof material, and to declare all dilapidated buildings to be nuisances, and to direct and require the same to be repaired, removed or otherwise abated in such manner as the council may prescribe, and to declare all wooden buildings and other structures within the fire limit, which are deemed dangerous to contiguous buildings or structures in causing or promoting fires, to be removed or otherwise abated, in such manner and under such penalties to the owners, proprietors or occupants thereof as may be provided by ordinance. The city council may also prohibit the rebuilding, or repairing of wooden buildings or other structures within the fire limits when the same shall have been damaged one-half of its original value by fire, wind, water, long use, or in any manner whatsoever.

SEC. 96. The city council shall have power to prevent and prohibit the dangerous condition of chimneys, flues, fireplaces, stove pipes, ovens, or any other apparatus used in or about any building or manufactory, and to cause the same to be removed or placed in a secure or safe condition when considered dangerous.

SEC. 97. The city council shall have power to prevent the deposit of ashes in places where they would be liable to produce fire, or in any wood box or barrel, or within any wooden building, and to appoint one or more officers to enter into all buildings and enclosures to examine and discover whether the same are in a dangerous state, and to cause such as may be dangerous to be put in a safe condition; and the said city council may also require the inhabitants to keep and provide as many fire buckets, and as many stairs, ladders or other means to reach the roof, and as many scuttles or other openings therein as they shall prescribe, and may regulate the use thereof in times of fire.

SEC. 98. The city council may also regulate or prohibit and prevent the carrying on of work and manufactures that are dangerous in promoting or causing fires, and may prohibit the building or erection of cotton presses and sheds, or may restrict the same to such limits as are prescribed by ordinance; and may regulate or prohibit and prevent the use of fireworks and firearms, or the keeping and management of houses or other structures or places for storing gunpowder, dynamite, or other combustible, explosive, or dangerous material or substances within the city, and may regulate the keeping and conveying of the same.

SEC. 99. The city council shall by ordinance levy and provide for assessing and collecting an annual special ad valorem tax for street improvements, and to increase the water supply of said city, of 25¢ on every one hundred dollars valuation for any single fiscal year, upon all property in said city liable for taxation for State and county purposes, and not by some general law exempt from municipal taxation, and the

proceeds of such tax are hereby appropriated and set apart for use in street improvements, and in securing an increased supply of water for the use of said city in such proportions to each purpose, as the city council may direct.

The city council shall also have power by ordinance to levy and provide for assessing and collecting an additional ad valorem tax for such other purposes as are authorized by this charter, but such additional tax shall not exceed one dollar and fifty cents on every one hundred dollars of valuation for any single fiscal year, and the same shall be assessed, levied and collected upon all property in said city liable for taxation for State and county purposes, and not by some general law exempt from municipal taxation.

SEC. 100. Every male inhabitant over the age of twenty-one years and under sixty years, residing within said city on the first day of January of any year shall pay an annual poll tax not to exceed one dollar for any one year, which shall be levied and collected in the same manner as are other taxes.

SEC. 101. The city council shall have full power and authority to levy and provide for the collection of an annual wheel tax on all drays, floats, wagons, hacks, carriages, buggies, bicycles and other wheeled vehicles, held for use within said city, but no such tax shall ever be levied or collected in excess of one dollar per annum upon each and every dray, float and wagon so held for use in said city, nor in excess of one dollar per annum upon each and every hack, carriage, buggy or other wheeled vehicle not herein expressly named, nor in excess of one dollar per annum on each and every bicycle, and the proceeds of such taxes are hereby set apart for street improvements, and the same shall not be appropriated, used or paid out for any other purpose, nor shall any such proceeds be transferred either temporarily or permanently to any other fund or funds; provided, that this section shall not apply to buggies owned or held by livery stables for hire.

SEC. 102. The city council shall have power to levy, assess and cause to be collected occupation taxes, commonly known as licenses, upon all trades, professions, occupations, callings and other kinds of business carried on in said city on which a license or occupation tax is levied by this State, and for the same period for which such State tax is levied; but unless it is otherwise expressly provided by this charter, the city license or occupation tax shall in no case exceed one-half of the license or occupation tax levied by the State for the same trade, profession, occupation, calling or other kind of business, and no person shall ever be required to pay any license or occupation tax to said city upon any agricultural or mechanical pursuit. All license or occupation taxes shall be received and collected by the city assessor and collector of taxes, and shall be paid to that officer by each and every person chargeable therewith, before engaging upon any trade, profession, occupation, calling or other kind of business upon which said tax is charged, and the city council shall provide suitable penalties for violations or evasions of this section, and in addition thereto the city may collect such taxes by suit in any court having jurisdiction of the amount. Any person pursuing more than one trade, profession, occupation, calling or other kind of business, subject to the payment of occupation taxes, shall pay a license or occupation tax on each, and no license shall extend to more than one profession, occupation, calling or other kinds of business.

SEC. 103. Every person who, on the first day of January of any calendar year, owns or holds property within said city subject to taxation for municipal purposes, shall be liable for taxes thereon for the ensuing year, and nothing contained in this charter shall be held or construed to prevent the city council from imposing, levying and collecting special taxes and assessments, or from issuing certificates to contractors for the same, for work done on the streets, alleys, avenues, and other high-ways of the city, as is elsewhere provided for in this charter.

SEC. 104. The terms "real estate," or "property," as used in this act shall be construed to embrace lots, land, and all buildings, machinery, fixtures and structures of every kind erected upon and affixed to the same.

SEC. 105. The terms "personal estate" or "property," as used in this act, shall be construed to embrace household furniture, goods, capital, chattels, stock and stocks of corporations, moneys or otherwise, and all credits, bonds, and other evidences of debt owned by residents of said city, and all evidences of debt owned by non-residents against residents of this city, whether the same be in or out of said city; all money at interest within or without said city, due the person to be taxed, over and above what he pays interest for, and all other debts due residents of the city over and above what he pays interest for, and all other debts due residents of the city over and above their indebtedness, and other things denominated as personal property under existing or future State tax laws; provided, however, that two hundred and fifty dollars (\$250.00) worth of household and kitchen furniture, belonging to each family in said city, shall be exempt from municipal taxation.

SEC. 106. The city council shall have power to provide by ordinance for the assessing and levying of the taxes aforesaid, and to determine when taxes shall be paid by corporations, and when by the individual incorporators; provided, that no tax shall be levied except by consent of two-thirds of the aldermen elected.

SEC. 107. The city assessor and collector of taxes shall have charge of, and keep in his office all maps, plats, books, papers, records and other property provided by the city to aid in the assessment of property, and the same are hereby constituted records and archives of his office, for the preservation of which and the delivery thereof to his successor in office, he and the sureties upon his official bond are and shall always be liable and bound.

SEC. 108. From and after the first day of January of each year until the taxes are paid, a lien shall exist in favor of said city upon all property, real and personal, subject to municipal taxation, to secure the payment of all taxes levied and assessed for that year against said property, and of all penalties, interest and cost accrued or that may accrue thereon, and the lien hereby created shall be prior to all other liens upon such property, and no gift, sale, assignment, trust deed, transfer, or incumbrance, or judicial writ of any kind, or other disposition of such property shall ever defeat such lien, or have or give precedence over the same, and the city assessor and collector of taxes shall have full power and authority to pursue such property and to seize and sell all or enough of the same to satisfy and to pay all taxes, penalties, interest and costs thereon. And all persons who purchase, or receive any such property, or acquire any lien upon or right therein, shall be held to have had full prior notice of the existence of said tax lien, and said lien, after accruing

as aforesaid shall continue from year to year until the taxes have been fully paid.

SEC. 109. In all cases where a person owing taxes on personal property shall make an assignment of his property, or any part thereof, or deed of trust or other conveyance of the same for the payment of his debts, or if his property or any part thereof is seized under any attachment or other judicial process, or if he shall have removed or be about to remove out of the city, or shall have removed or be about to remove his personal property out of the city, or if the estate of decedent is or becomes insolvent and any taxes levied or assessed against any such person or estate shall be unpaid in any part, then in any or either such case, said taxes shall forthwith become and be due and delinquent, notwithstanding any and all provisions to the contrary in this charter elsewhere contained, and if the said property be not in the custody of the officer of some court, the city assessor and collector of taxes shall proceed at once to seize and sell enough of said personal property wherever it may be found in this State to pay the taxes owing, with all accrued penalties, interest, costs and expenses, and if the property is in the custody of any officer of court, then and in every such case the lien shall follow such property, and the taxes, penalties, interest, costs and all expenses shall be paid by such officer out of the proceeds of said property, and if he shall fail to pay the same he shall be liable therefor, or if the property be not sold by the officer holding the same, then upon its release by such officer the assessor and collector of taxes shall at once seize and sell enough thereof to pay said taxes, penalties, interest, costs and expenses.

SEC. 110. On and after the first day of January of each year the city assessor and collector of taxes shall attend in person or by deputy at his office, and shall keep said office open from the hour of eight o'clock in the forenoon until six o'clock in the afternoon in every week day, up to and including the 15th day of May, and shall receive the list of property delivered to him, and he shall at all times keep on hand and furnish to persons lawfully requiring the same all necessary blanks and forms for list and statement required by this charter, but no default of said assessor and collector of taxes, in performing the duties incumbent upon him under this section, shall have any effect to invalidate any assessment or proceeding had in or about the levy and collecting of taxes for said city.

SEC. 111. It shall be and is hereby made the duty of every person, copartnership, joint stock association, and corporation owning, holding, or having under his, their or its control, any personal property subject to taxation for municipal purposes for any year to deliver to the city assessor and collector of taxes at his office on or before the 15th day of May of such year a true and complete list thereof, with the actual cash value of such property, and of each item thereof; and the city council shall by ordinance prescribe the form of said list, which form shall thereafter be followed in all renditions of personal property, and until the form of such list shall have been prescribed by the city council, the city assessor and collector of taxes shall use such form or forms as he may deem proper.

SEC. 112. The assessor and his deputies shall be authorized to administer oaths and affirmations, and shall require all persons to verify by

affidavit all lists made by them, and may also examine upon oath any person touching the personal property for which he is liable to be assessed, or the value thereof, and may, by a notice delivered to any person, or left at his residence, office or place of business, require such person within five days to deliver to him at the assessor's office any list or statement necessary for the purpose of making the assessment and to verify the same by affidavit, and any person failing or refusing to verify such list when thereto requested by the assessor to be examined, or answer on oath regarding his property and merchandise when thereto requested by the assessor, or to deliver and verify such list and statement when notified by the assessor so to do, shall forfeit to the city the sum of one hundred dollars to be recovered in an action therefor, in the name of the city, to be instituted by the city attorney in any court of competent jurisdiction, and the assessor shall assess such person according to the best information he can get.

SEC. 113. The city council shall have power by ordinance to provide for the assessment of the property and shares of capital stock of corporations, companies, banks and other like institutions, and of their notes and bills receivable, and to determine when taxes shall be paid by corporations, and when by the individual shareholder, but until provision is made by said council, the property and shares of such corporation, companies and banks shall be assessed and taxed in the same manner as is now provided by the laws of this State for State and county taxes.

SEC. 114. It shall be the duty of the city assessor and collector of taxes between the 1st day of January and the 30th day of May of each year, to make and return to the city council a full and complete list and assessment of all property, both real and personal, held, owned or situated in said city on the 1st day of January of each year, and not by law exempt from municipal taxation, and also a list of all national banks and other corporations whose capital stock is liable to taxation, with the cash value of the shares of stock of each corporation, and the names of the owners thereof. All real estate listed and assessed shall be returned in the book or books separate from those in which personal property is listed and assessed, and the assessor may make as many books as may be necessary for conveniently handling, but no real estate shall be listed, assessed or returned in any book containing a list or lists of personal property. Each book shall contain blank columns appropriate and suitable for the extension of all taxes therein, and the list and assessments shall be certified, verified and returned as hereinafter provided. But the failure of the said assessor and collector of taxes to make or return any list and the assessment within the time or in the manner herein provided, shall not affect or invalidate the assessment or any proceeding had in levying or collecting for said city, or in selling property for such taxes, or the title taken by any purchaser at any such sale.

SEC. 115. The city assessor and collector of taxes shall return in tabular form on his book or books for the assessment of real estate each parcel of real estate subject to taxation, with such a description thereof as would be sufficient in a conveyance of such parcel of land between individuals, and with the statement of the value thereof so far as he finds it reasonably practicable. Said assessor and collector of taxes shall list said real estate in numerical order as to lots and blocks, and shall place in a separate column the value attached by him to each lot, tract

or parcel listed by him. When any property is not laid off in lots or blocks by some duly recorded plat, the assessor shall describe the same by any pertinent description and for the purpose of securing the same he may, but shall not be compelled to, require the owner thereof to furnish such description, and it is hereby made the duty of all owners of property not so laid off of record into lots or blocks, to furnish said assessor and collector a sufficient written description thereof within not less than fifteen days within the time fixed by this charter for the return of the assessment list and books to the city council, and in case any owner shall fail to furnish such description within the time aforesaid, said assessor and collector may require the city engineer to make and return to him a survey of such property, or he may use any other means he may think proper to obtain such description, and in any such case no assessment shall be invalid or in any wise affected, nor shall any objection be made to the title or right of any purchaser at a tax sale because the said property is not separately assessed.

SEC. 116. The city assessor and collector of taxes shall not be required to make separate assessments of undivided or joint, common or conflicting interest in any real estate, but the owner of any such interest may furnish to said assessor and collector at any time before the 15th day of May of each year, and not thereafter, a written description of any parcel of land in which he has an interest less than the whole, showing the amount of his interest therein, and the said assessor and collector may thereupon assess such interest as a separate parcel, and the remaining interest as a different parcel, and proceed to fix the value of each.

SEC. 117. The omission from the tax rolls of property, whether real or personal, by law subject to municipal taxation, or the failure of the city for any cause to collect taxes for any year on any such property, shall have no effect to invalidate taxes on property listed on such rolls, nor shall any objection be made or considered to the title or right of any purchaser at a tax sale because of any omission or failure, but if the city assessor and collector of taxes shall discover that any real or personal property subject to municipal taxation for any previous year was not assessed, or for any cause escaped taxation for such year, it shall be his duty, in addition to the assessment for the ensuing year, to assess such property for the year or years in which the same was not taxed.

SEC. 118. Upon the completion of his assessment for each year the assessor shall indorse at the foot of his real estate books the following affidavit, to wit: "I,, do solemnly swear that I am the assessor and collector of taxes for the city of Fort Worth and that I have made a diligent effort to ascertain all taxable real estate, and value thereof, for the year, being or situated in the city of Fort Worth, and so far as I have been able to ascertain the same are correctly set forth in the foregoing real estate assessment books." Said certificate shall be signed by the said city assessor and collector of taxes, and he shall make affidavit thereto. A similar affidavit, made applicable, however, to personal property instead of to real estate, shall be indorsed and made by said assessor and collector of taxes at the foot of his personal property book, and the said assessment books, with said affidavit indorsed thereon, shall be returned by the said assessor and collector of taxes to the city council, by delivering the same to the city secretary at his office, and said secretary shall indorse upon each of said books the day and date upon which the same were delivered to him.

SEC. 119. A board of equalization for the city of Fort Worth to be composed of three qualified voters of said city, each of whom shall be the owner of real estate subject to taxation and situated therein, shall be appointed as follows, to-wit: One by the county judge of Tarrant county, one by the judge of the district court of Tarrant county which meets first after the first week in January, and one by the city council. All of the members of said board of equalization shall be appointed in the month of January or as vacancies may occur, and they shall hold their offices for two years, and until their successors are appointed and have qualified. The board of equalization last heretofore acting for the city of Fort Worth under its former charter shall continue in office, with all the powers and subject to all the duties herein conferred, until January, 1902, when a full board shall be appointed under the provisions of this charter. The said board of equalization shall constitute a board of appeals, for the hearing of appeals and complaints of parties aggrieved by the assessment as made by the assessor, and said board shall not act upon any assessment unless appealed to by a taxpayer who complains of over-valuation, or by the city complaining of under-valuation or omission. A majority of the members of such board shall constitute a quorum for the transaction of business, and said board shall assemble for the purpose of hearing complaints regarding the assessment rolls of any year, upon the third Monday in June of that year, and shall continue in session, adjourning from day to day, and from time to time, until all business coming before them shall have been disposed of.

SEC. 120. In case of an appeal by the city from any assessment made by the city assessor and collector to the board of equalization, the city secretary shall issue notice in writing to the owner or owners, or their agents, if non-residents, of the property on account of the assessment of which the appeal is taken, of the date and place at which such appeal will be heard, at least five days before such hearing, and such notice shall be served by any policeman.

SEC. 121. The city secretary shall deliver the assessment books to the board of equalization on the first day of the first session of said board, or as soon thereafter as may be practicable. Any person aggrieved by any act of the assessor and collector of taxes in making up the assessment, may make his complaint or appeal to the said board orally or in writing, and the said board shall hear and determine the same summarily, and may examine the person appealing, and any other person on oath touching the matters complained of and may compel the attendance of witnesses and the production of books and papers. Appeals by the city may be presented by the assessor and collector of taxes and by any other officer or agent designated by the city council. If the board shall find any error in any assessment complained of, they may order the same to be changed and corrected. The assessor and collector of taxes shall attend all sessions of the board, and make such corrections on the assessments as may be ordered by the board. Corrections shall not be made by erasures or interlineations, but by a brief separate memorandum, to be entered on the assessment by the assessor.

SEC. 122. The hearing of complaints and appeals for the current year shall be concluded not later than the 1st day of September of that year, and at the first meeting of the city council held after that date, or as soon thereafter as is practicable, the city assessor and collector of

taxes shall present to the city council the corrected assessment and an abstract or summary thereof, showing the gross amount of valuation of real estate and personal property subject to municipal taxation, upon which said city council shall proceed, by ordinance, to levy taxes for the current year.

SEC. 123. The action of the board of equalization shall be final in all cases, unless an appeal is taken therefrom to the district court of Tarrant county, Texas, which may be done by any person, or the agent or attorney aggrieved by the action of the board, by giving notice in writing to said board of such appeal and the grounds thereof, within ten days after the final approval of the assessment rolls by said board, and giving bond, payable to the city, to be approved by the said city assessor and collector of taxes, in the sum of fifty dollars, conditioned that the appellant will pay all costs of such appeal if the action of the board of equalization should be sustained by the court, or if the valuation of the property of such appellant should be raised over the amount at which it stands assessed. A copy of such bond and such notice of appeal, and a description made by the assessor and collector of taxes, of the property of appellant involved therein shall be filed in said district court by the assessor and collector, on the application of the party aggrieved, and the case shall be docketed upon the civil docket thereof in the name of the appellant as plaintiff, against the board of equalization of the city of Fort Worth as defendant, and all such appeals shall be presented to the first term of the district court after notice of appeal is given, and shall take precedence for trial of all civil cases in said court, and the decision of the district court in such matters shall be final; provided, however, that if such appeal has not been finally adjudicated by the 31st day of December of the current year, it shall be the duty of the appellant to pay all of said taxes assessed by the board of equalization against him, and in case he fails to pay said taxes by said time said appeal shall be dismissed and the action of said board of equalization held to be final. But in the event the appellant pays all taxes assessed against him by the board of equalization on or before December 31st of such current year, then and in that event, if the court shall on final adjudication, place a valuation upon appellant's property lower than the valuation placed by said board of equalization, the amount of taxes paid on the valuation which is found to be in excess of the valuation fixed by the court, shall be refunded to him by warrant, drawn by order of the city council; and said district court shall compel the issuance and payment of such warrant. The lists of property and the value thereof as settled by the board of equalization, or a copy of so much thereof as may be pertinent to the questions at issue, may be produced in court to be read in evidence on such trial.

SEC. 124. Immediately after the passage and approval, or taking effect without approval, of an ordinance levying a tax for any year, the city secretary shall deliver a corrected assessment for such year to the city auditor, with a certified copy of the ordinance levying the taxes for that year, and the assessor and collector of taxes, under the supervision of the auditor, shall forthwith proceed to extend the taxes for the year upon the assessment books, in appropriate columns to be left therein for that purpose and shall also extend upon said books the amount of taxes for any previous year or years against any property returned as untaxed

for such previous year or years. In extending taxes upon personal property, it shall be sufficient to extend the same upon the gross amount assessed against the person, but taxes upon real estate shall be extended upon the value affixed to each separate parcel. After all taxes have been so extended, the gross amount shall be footed up of all taxes as shown by the books upon real estate, and the gross amount of all taxes upon personal property, and of all taxes for previous years for which property was untaxed, and such footing shall be entered in said books, and the assessor and collector of taxes shall also enter therein his certificate to the effect that the taxes in said books are truly and correctly extended and entered according to the assessment of the property and the tax levy ordinance for the current year; and the auditor shall approve the same and shall thereupon deliver said books to the city assessor and collector of taxes, who shall execute his receipt therefor, showing the gross amount of taxes contained in said books, and the amount of taxes of each separate class, which receipt the auditor shall safely keep in his office.

SEC. 125. No demand for taxes shall be necessary, but it is hereby made the duty of every person subject, or owning property subject to taxation, to attend at the office of the assessor and collector of taxes, unless otherwise provided by ordinance, at some time between the first day of October of the current year and the first day of January of the year following, and pay his taxes, and if anyone neglects to pay such taxes before said first day of January following the levy, said taxes shall be delinquent and shall bear such penalty as may be provided by the city council by ordinance, but such penalty shall not exceed two per cent on the amount of such delinquent taxes for each and every month and part of month during which said taxes continue delinquent and unpaid, and the assessor and collector of taxes shall continue to receive taxes, with lawful penalties and costs added, after said taxes shall have become delinquent, until collected by seizure and sale. And the city council may allow rebates at a rate not to exceed one per cent a month on taxes paid before the maturity thereof.

SEC. 126. The city assessor and collector of taxes may receive taxes on parts of any lots or parcels of real property, or on an undivided interest therein, but no such taxes shall be received until the person tendering the same shall have furnished to said assessor and collector a particular description of the part or interest on which payment is tendered, and the assessor and collector shall enter such specification and the name of the person paying, at its proper place in the assessment books, so that the part or interest on which payment has been made, and the part or interest on which taxes remain unpaid, may clearly appear.

SEC. 127. The city council shall adopt rules and regulations to govern the giving of tax receipts by the assessor and collector of taxes, and shall approve assessment sheets, and fix and determine in what manner the auditor shall check and regulate the accounts of such assessor and collector.

SEC. 128. If any taxes on personal property shall be suffered to become delinquent, the city assessor and collector of taxes shall proceed at once to make the same by the seizure and sale of the property on which such taxes were levied, or of any other personal property belonging to the same owner, and not exempt by law, and the tax books shall be suffi-

cient warrant for such seizure and sale. All goods and personal property seized by said assessor and collector shall be kept by him at the cost and expense of the delinquent owner; and said assessor and collector shall give notice of the time and place of sale, and of the sale, and of the property to be sold, within five days after seizure. Notice shall be given by posting written or printed notices for not less than five consecutive days prior to the day of sale, at three public places in the city of Fort Worth, and the time of sale shall not be more than fifteen days from the date of the seizure. Sale shall be made by public auction, to the highest bidder for cash, and no period shall be allowed for redemption of any property so sold. The city assessor and collector of taxes may appoint one or more deputies to aid him in the speedy collection of delinquent taxes, and any person resisting or impeding said assessor and collector, of any of his deputies, in the performance of any of the duties required of him or them by the provisions of this section, shall be liable to be fined in any sum not exceeding one hundred dollars.

The assessor and collector shall be allowed fees for the seizure of personal property for delinquent taxes, and for keeping the same in custody, and for preparing and posting notices of the sale thereof, and for selling such property and executing to the purchaser proper bills of sale, and the city council shall by ordinance fix the amount of such fees, which shall not exceed the amount allowed to sheriffs for like service, under execution from a court of record.

SEC. 129. The city council shall provide by ordinance for settlement with the assessor and collector of taxes for delinquent taxes on personal property which said assessor and collector has been unable to collect, and for delinquent taxes on real estate sold for taxes to the city, or otherwise remaining uncollected without fault on part of said assessor and collector.

SEC. 130. On the first Monday in September of each year the assessor and collector of taxes shall begin, and from day to day, excepting only such days as are legal holidays, shall continue to offer for sale, and to sell at public auction, at the door of the court house of Tarrant county, all real property on which any taxes then remain due and unpaid, and such sale shall be made for the total amount of taxes, penalties and costs due and unpaid on such real property. Notice of the sale of real property for city taxes shall be given by publishing the same once in some daily newspaper published in the city of Fort Worth, and such publication shall be made not less than ten nor more than twenty days before the day on which sale begins. The notice shall state the time and place of sale, and shall contain a description substantially of the property as is contained in the tax book of the separate parcels of land to be sold, and of the amount of taxes thereon, and of the amount of penalties and costs accrued against each such parcel. The city assessor and collector shall charge and collect, in addition to the taxes and penalties on each lot, tract or parcel of real estate advertised for sale, a sum representing as near as practicable the proportional cost of publishing such notice of sale, and he shall carefully examine and correct the proof of said notice, and obtain a copy of the paper containing said notice, together with a certificate of the due publication of the same, from the manager or publisher of the newspaper in which the same was published, and shall file the said copy and certificate in the office of the city auditor,

and said certificate shall be in such form as said auditor may prescribe, after advising with the city attorney. Said assessor and collector shall also charge one dollar for each and every tax deed executed, acknowledged and delivered under the provisions of this charter, but the cost of said deed must not be included in the aforesaid advertisement, and no charge shall be made for the same unless it be actually executed and acknowledged. If the purchaser so requests, any number of lots or parcels of real estate bought by said purchaser may be included in one tax deed, and in every case the purchaser shall pay an additional fee of ten cents for every additional lot or parcel included in said deed.

SEC. 131. On each day of sale, the city assessor and collector of taxes shall offer for sale at public auction at the door of the court house of said Tarrant county, in said city, each separate tract and parcel of land advertised for sale, on which the taxes, penalties and costs have not been paid, beginning at the hour of ten o'clock a. m. and continuing, with such intermissions as said assessor and collector may think proper and advisable, to the hour of five o'clock p. m., and said assessor and collector of taxes may adjourn or continue said sale from day to day, excepting only such legal holidays as may intervene, until all the taxes have been paid, or all the real property sold. The person who offers to pay taxes, penalties and costs on any separate tract or parcel of real estate for the smallest portion of same, shall be considered the successful bidder therefor, and the purchaser thereof, and the amount of every successful bid shall be paid at once in cash, and upon failure so to pay such amount, the said tract or parcel of real estate shall be again at once offered for sale, as if no sale had been made. The person who will pay taxes, penalties and costs for the least number of feet or inches in width, beginning at and calculated from the most southerly boundary line of the tract or parcel of real estate offered for sale, shall be taken and held to be the purchaser for the smallest portion of such tract or parcel, and all bids for less than the whole tract or parcel shall be made in feet and inches, to begin and be calculated as aforesaid.

SEC. 132. If any tract or parcel of land cannot be sold for the amount of taxes, penalties and costs thereon, the same shall be struck off to the city for that amount, and the city assessor and collector of taxes shall make a record in a proper book or books of all sales of real estate for taxes, penalties and costs, describing as in the tax books, each separate tract or parcel of real estate sold, and stating the amount of taxes, penalties and costs thereon, and showing how much and what part of such tract or parcel was sold and to whom sold, and the date of sale. Sales may be made and tax deeds executed by the city assessor and collector of taxes either in person or by deputy, and the rights and interests conveyed by any such tax deed may be sold, conveyed and transferred in the same manner as is provided by law in the case of the sale, conveyance or transfer of any other interest in land.

SEC. 133. Upon the payment of the amount of taxes, penalties and cost therein, the said assessor and collector of taxes shall execute, acknowledge and deliver to the purchaser a deed for the tract or parcel of real estate, or portion of such tract or parcel to such purchaser, and said deed, which shall be styled and designated a "tax deed," shall vest in the grantee therein named an absolute estate and title in fee simple to the property thereby conveyed, free from any and all incumbrances, of

whatsoever kind and nature, and subject alone to all unpaid taxes, which are a lien thereon, and to the right of redemption as hereinafter provided, and said tax deed shall be, and shall be taken and held in all courts and in all suits and controversies to be presumptive and prima facie evidence of title in the said grantee, and in those holding under him, subject alone to the aforesaid lien for unpaid taxes and right of redemption, and in all suits and controversy as to the right, title, or any interest of the grantee in any such deed, or the heirs or assigns of any such grantee, said deed shall be admitted and received and shall be taken and held as presumptive evidence that said grantee, his heirs or assigns, have an absolute estate and title in fee simple in and to the premises and property conveyed by such deed, subject only to the right of redemption, and to the lien for unpaid taxes, if any, and no such deed shall ever be defeated, unless the person claiming adversely thereto shall first prove by legal evidence, to the satisfaction of the court or jury, that he or some one whose right and title he has legally acquired had title at the time of the assessment to the land or real estate conveyed by said deed; and until proof shall also have been made that said land or real estate was not subject to taxation at the date for which the assessment and levy under which sale was made relate; or that the taxes were paid before the sale; or that the land was never listed or assessed for the taxes for which it was sold; or that said land was redeemed within two years after sale, or that redemption was tendered within said period, under the provisions of this charter; and in case of a tender of redemption, the tender must be made good in court; and in case of redemption or tender of redemption, it must further appear that the same was made or tendered for the use or benefit of some person having the right of redemption under this charter; and no failure or default in any other respect than as is in this section expressly specified, shall invalidate or in any wise affect any tax deed executed by said assessor and collector of taxes; or the right, title or interest of grantee, his heirs and assigns thereunder. Every tax deed executed under the provisions of this charter shall be filed for record in the office of the county clerk of Tarrant county, Texas, within not to exceed six months after the date of sale, or the same shall become and be null and void.

SEC. 134. The owner of real estate sold for taxes, his heirs or assigns or legal representatives may, within two years from the date of sale and not thereafter, redeem the estate and premises sold, by paying or tendering payment to the purchaser, his heirs, assigns, or legal representatives, of double the amount of money paid for land, and in case where sales have been made to the city, redemption may be made by paying the amount required to redeem as aforesaid to the city assessor and collector of taxes, who shall issue a redemption receipt therefor, which receipt shall not be valid or admissible in evidence until it shall have first been countersigned by the city auditor.

SEC. 135. Tax deeds executed under this charter where redemption has not been actually made under the provisions hereof, can be avoided only by some action, plea, interplea or cross bill, showing facts sufficient to avoid such tax deed and praying for its cancellation, and all suits and proceedings, whether by petition, intervention, answer, cross bill or in any other manner whatever, purposed or intended, to defeat or avoid any such tax deed, or to defend against the same or any irregularity, defect

or default in such deed, or in any preliminary thereto, or in any proceeding from the assessment to the sale and execution of such deed or for any other matter or thing affecting the validity of such deed, or the title and right vested in the grantee thereunder, shall be commenced within three years from the time of the filing of such deed for record, and not thereafter. And any person filing a tax deed for record shall be taken and held to have set up such a claim of title to the real estate described in said deed and to have such apparent title thereto, as will enable any person claiming to own said real estate to maintain an action for the cancellation of said tax deed, and said tax deed, when offered, shall be admitted and received in evidence without further proof to sustain said deed or the right, title and interest thereby conveyed.

SEC. 136. If any unredeemed tax deed be held void or of no effect to convey the real estate described therein or the interest in such real estate, which such deed purports to convey, the grantee in such deed, or his heirs, assigns or legal representatives, as the case may be, shall nevertheless be held to be subrogated to the right and liens of the city against the said real estate, and the owner thereof, and shall recover against said owner twice the amount of all taxes, penalties and costs paid to the city for such tax deed, with interest thereon from the date of such payment at the rate of eight per centum per annum, and with a foreclosure of a first and prior lien upon said real estate and an order for the sale thereof.

SEC. 137. Each assessment, land tax book, personal tax book, notice, advertisement, deed, paper and document of every nature and description, made or executed under or pursuant to this article, shall be liberally construed to affect the purposes and objects of this article, and in determining the validity thereof. No error or irregularity in any assessment, land tax book, personal tax book, notice, advertisement, deed, paper or document aforesaid, relating to the assessment, levy or collection of the taxes of the city, shall in any manner affect or impair the validity of any tax or of any sale or other proceedings for their collection. This charter shall be taken and held to be a full and sufficient notice of all acts and proceedings for the assessment, levying and collecting of taxes of the city of Fort Worth.

SEC. 138. If any real estate conveyed by any tax deed is held adversely to the grantee therein, suit under such tax deed for the recovery of said real estate shall be commenced within five years next succeeding the date of sale and not thereafter.

SEC. 139. No license or permit shall ever be granted by the said city, or by the city council, to any person, firm, joint stock association or corporation to sell spirituous, vinous or malt liquors or any other intoxicating beverage at retail within two hundred feet of any public school building in said city.

SEC. 140. The city council shall also have and possess the following express powers, in the exercise of which their judgment and opinion as expressed in any ordinances passed and adopted by them shall be final and conclusive; to wit: to license, tax and regulate hackmen, draymen, omnibus drivers, baggage wagon drivers, and drivers and owners of vehicles of every kind, and all others pursuing like occupations, with or without vehicles, and prescribe their compensation, and make it a misdemeanor for any person to attempt to defraud them of any legal charge

for services rendered; and to provide and regulate stands for vehicles, and to prohibit the standing of such vehicles at other places; and regulate, license and restrain runners for railroads, vehicles of any kind, hotels, public houses of any kind, or other business of any kind. To restrain and prohibit the selling or giving away indirectly, to evade a tax or penalty, of intoxicating or malt liquors by any person within the city, except by persons duly licensed. To forbid or punish the selling or giving away of any intoxicating or malt liquors to any minor, apprentice or habitual drunkard; to close drinking houses, saloons, barrooms, beer saloons and all places or establishments where intoxicating or fermented liquors are sold, on Sundays, also all places of amusement and business. To restrain and prevent the sale, bargaining or giving away of any intoxicating liquors in any houses or place where any theatrical or dramatic representation is given; to restrain and prevent the same from being brought in or to such places under any pretext whatever. All rooms or buildings or apartments of any kind inside the rooms where such representations are given, or being a part of it, or joining or connecting therewith by any door or doors, dumb waiter or opening of any kind, shall be held to be within the places inhibited by this section.

To prevent and punish the keeping of houses where indecent, lewd or immodest theatrical representations are given, or houses of prostitution within the city, and to adopt summary measures for the removal or suppression of all such establishments. To prevent all trespasses, breaches of the peace and good order, assault and batteries, fighting, quarreling, using abusive, obscene and profane and insulting language, misdemeanors and all disorderly conduct, and to punish all persons thus offending. To suppress and prevent any riot, affray, noise, disturbance or disorderly assembly in any public or private place in the city. To prohibit and restrain, or to regulate the firing of firecrackers, guns and pistols, or the use of velocipedes or bicycles or of any pyrotechnic or other amusements or practices tending to annoy persons passing in the streets or sidewalks, or to frighten horses or teams. To restrain and prohibit the ringing of bells, blowing of horns and bugles, crying of goods, and all other noises, practices and performances tending to the collection of persons on the streets and sidewalks by auctioneers and others for the purposes of business or amusement or otherwise. To regulate, restrain and punish mendicants, street beggars and prostitutes. To prevent, prohibit and suppress horse racing, immoderate or careless riding and driving in the streets. To prohibit and punish the abuse of animals and to compel persons to fasten their horses or other animals attached to vehicles or otherwise while standing or remaining in the streets. To prevent, regulate and control the driving of cattle, horses and all other animals into or through the city. To establish and regulate public pounds and to regulate, restrain and prohibit the running at large of horses, mules, cattle, sheep, swine, goats and all other animals, and to authorize the distraining, impounding and sale of same for the cost of the proceeding and penalty incurred, and to order their destruction when they cannot be sold, and to impose penalties on the owners thereof for a violation of any ordinance relating thereto.

To require pawnbrokers, dealers in second-hand goods, wares and merchandise of any kind, and junk dealers, to keep a book in which shall be entered in ink a minute description of every article purchased by or

pawned with such pawnbroker, dealer in second-hand goods, or junk dealers, including the number of such article, if the same bears a number, and the name of the person from whom such article was purchased or received in pawn, and the hour of the day and the date of the same, which book shall be subject to inspection at all times by the marshal and deputy marshal and any policeman of said city and to any sheriff and deputy sheriff or constable or deputy of Tarrant county, and to provide adequate penalties for the failure to keep such book or to submit the same to the inspection of such officers.

To require the street car companies or other owners of street car tracks or railroad tracks in said city occupying or using any street, alley, avenue or other highway or any public ground within the said city, or operating or maintaining tracks for its street cars or other cars thereof shall keep in repair to the entire satisfaction of the city engineer and of the city council of said city the streets, alleys, avenues, highways and public grounds or the parts thereof occupied or used by said company or person for tracks as aforesaid, and three feet on each side of the outer rail of each such track, and where there are double tracks the street between such tracks shall also be kept in repair by the company or person maintaining or using such double tracks. To tax, regulate or restrain and prohibit the running at large of dogs, and to authorize their destruction when permitted to run at large contrary to ordinances, and to impose penalties on keepers thereof for violation of such ordinances. To establish or erect or cause to be established markets or market houses. To designate, control and regulate market places and privileges; to inspect and determine the mode of inspecting meat, fish, vegetables and all produce and every article and thing therein brought for sale. To license, tax and make such rules and regulations in relation to butchers as they deem necessary and proper. To regulate the inspection of beef, pork, flour, meal, salt, milk, oleomargarine and other provisions, whisky and liquors to be sold in barrels, hogsheads and other vessels and packages; to appoint weighers, gaugers and inspectors and prescribe their duties and regulate their compensation. To regulate the weight and quality of the bread to be sold or used within the city. To establish a free library, and to adopt rules and regulations for the proper management thereof, and to appropriate such part of the revenue of the city for the management and increase of such free library as the city council may determine. To create, establish and regulate the police of the city, to appoint watchmen and policemen on recommendation of the city marshal, and to prescribe their duties and powers and compensation. To erect and establish one or more work houses or houses of correction within or without the city limits, make all necessary rules and regulations therefor and appoint all necessary keepers or assistants. In such work houses or houses of correction may be confined all vagrants, stragglers, idlers, suspicious or disorderly persons who may be committed by the recorder; and any person who shall fail or refuse to pay the fine, penalty or cost imposed for any misdemeanor or breach of any ordinance of the city may, instead of being committed to jail, be kept therein, subject to hard labor and confinement. To compel and force all offenders against any of the ordinances of the city found guilty by the city judge and sentenced to pay a fine, who shall fail or refuse to pay such fine and all costs and penalties, to labor on the streets or alleys of the city, or on

any public works, under such rules and regulations as may by ordinance be established. The city council shall also have power to prohibit or regulate the carrying of firearms and deadly weapons upon or about the person within the said city, and to restrain or prohibit all games of chance and to prohibit betting at games or the keeping or exhibiting for the purpose of game any gaming table, bank or device of any kind whatever.

The city council may also compel the consumption of smoke and may enforce by fine all such rules and regulations as in its judgment may be necessary to prevent the escape of smoke and steam in such manner or in such quantity as will be deleterious or injurious to the health or comfort of the inhabitants of said city, and said city council may also regulate and direct the size, construction and maintenance of boilers, smoke flues, chimneys, smokestacks and all other contrivances for the escape of smoke, and may prescribe the height thereof, and may regulate the escape of steam and may fix rules and regulations governing the same, and may enforce such rules and regulations by a fine not to exceed \$200.00 for each and every offense.

SEC. 141. Whenever in the opinion of the city engineer or the city council, any building, fence, shed, awning or any structure of any kind, or any part thereof, is liable to fall down and endanger persons or property, said city engineer or city council may order any owner or agent of the same, or any owner or occupant of the premises on which such buildings, shed, awning or other structure stands or to which it is attached, to brace and support or to take down and remove the same or any part thereof within such time as may be directed, and the city council may provide by ordinance for punishing by fine any neglect, failure or refusal to comply with any such order.

The city council shall in addition have the power to brace and support or to remove any such structure at the expense of the city on account of the owner of the property or premises and assess the expense on the land on which it stood or to which it was attached, and shall by ordinance provide for such assessment, the mode and manner of giving notice, and the means of recovering such expense.

SEC. 142. The city council shall have power to pass, publish, amend or repeal all ordinances, rules and police regulations not contrary to the Constitution of this State, for the good government, peace and order of the city and the trade and commerce thereof that may be necessary or proper to carry into effect the powers vested by this charter in the corporation, the city government or any department or officer thereof; to enforce the observance of all such rules, ordinances and police regulations, and to punish violations thereof by fine, penalties and costs; but no fine or penalty shall exceed two hundred dollars; and for any fine, penalty and costs imposed by the recorder in the trial of any cause or complaint before him, execution may issue to collect such fine, penalty and costs, to be levied and executed in the same manner that execution is levied from the district or county court. The same shall be issued by the recorder to the marshal, who, in levying on the property and selling, shall have like power and authority as the sheriff in execution issued from the district or county court, and the laws of the State, so far as applicable, shall apply to and be in full force and effect as to the execution issued from the corporation court in Fort Worth, and any person

upon whom any fine or penalty is imposed may be committed until the payment of the same with costs, and in default thereof may be imprisoned in the city prison or work house or house of correction, or may be required to work on the streets or other public work of the city for such time and in such manner as may be provided by ordinance or by law.

SEC. 143. The style of ordinances shall be, "Be it ordained by the city council of the city of Fort Worth," but it may be omitted when published in the form of a book or pamphlet.

SEC. 144. Every ordinance imposing any fine or penalty for forfeiture for violation of its provisions, shall, after the passage thereof, be published in every issue of the official paper for ten days, and affidavit of such publication by the printer or publishers of such paper taken before any officer authorized to administer oaths and to file with the secretary, shall be conclusive evidence of such publication; provided, that any other competent evidence may be received to establish the fact of publication. Ordinances requiring publication shall be enforced after ten days publication; provided that the same shall be published for a longer time if therein expressly provided. Ordinances not requiring publication, (and none shall require publication but those imposing some fine, penalty or forfeiture), shall take effect from and after passage, unless otherwise expressly provided. Revised or digested ordinances published in pamphlet form by authority of the city council need not be published in any newspaper, and the publication in pamphlet form of such ordinances shall be held and taken as a sufficient publication, even though ordinances, or any of them, impose a fine, penalty or forfeiture.

SEC. 145. All ordinances of the city published in book or pamphlet form shall be presumed to have been published by authority of the city council, and shall be admitted in evidence in all courts and places without further proof, and copies of ordinances, resolutions and proceedings of the city council, certified by the city secretary to be true copies, with the city seal affixed, shall also be admitted in evidence without further proof, in all courts and in all matters where the original would be admissible.

SEC. 146. All ordinances, resolutions, rules and regulations of said city not repealed at the time of the taking effect of this law, and not in conflict herewith, are hereby recognized as valid and binding, and shall be and remain in full force until altered, amended or repealed by the city council after this law shall take effect.

SEC. 147. The city council shall have power to remove any officer for incompetency, corruption, misconduct, habitual drunkenness, or malfeasance in office, after due notice and an opportunity to be heard in his defense; provided, that two-thirds of the aldermen elected shall vote for said removal. In addition to the foregoing power by removal, the city council shall have power at any time to remove any officer elected by them by resolution declaratory of its want of confidence in such officer; provided, that two-thirds of the aldermen elected vote in favor of said resolution.

SEC. 148. Any officer intrusted with the collection or custody of funds belonging to the city, who shall be in default to the city, besides being liable to criminal prosecution, and a civil action for debt, shall thereafter be incapable of holding any office under said city until the amount of his defalcation, with eight per cent interest per annum, have

been fully paid. And in case such defalcation has been paid by the bondsmen of such officer, then until he shall have fully paid and settled with his bondsmen and shall have filed his affidavit with the city secretary stating such payment and settlement.

SEC. 149. Resignations by any officer to be elected or appointed under this law shall be made to the city council in writing, subject to their approval and acceptance; provided, that no officer shall be released from the duties and responsibilities of his office until his successor has been chosen and qualified.

SEC. 150. Whenever any person shall be removed from any office, or his term shall expire or he shall resign, or for any reason he shall cease to act in his official capacity, he shall deliver over to his successor all books, papers and effects in any way appertaining to his office. In case of his failure or refusal to do so upon demand from his successor, he shall be deemed guilty of a misdemeanor and be fined in any sum not exceeding two hundred dollars, after complaint and trial before the corporation court.

SEC. 151. No member of the city council shall hold any other office under the city while he is a member of the city council, unless herein otherwise provided, and no member of the city council nor any other officer of the city shall be directly or indirectly interested in any work, business or contract, the expense, price or consideration of which is to be paid by the city, nor shall any such member be surety of any person having any contract, work or business with the city, for the performance of which surety may be required, or surety on the official bonds of any officer of the city.

SEC. 152. Each alderman shall receive a salary of four dollars for each regular and two dollars for each called or adjourned meeting of the city council.

SEC. 153. Each alderman shall be fined three dollars for each meeting he fails to attend, unless absent on account of his own sickness or that of members of his family. Any member remaining absent from three regular meetings of the board, unless prevented by sickness, or the sickness of the members of his family, without having first obtained leave of absence at a regular meeting, shall be deemed to have vacated his office, and the vacancy shall be filled as other vacancies in the office of aldermen.

SEC. 154. The city council shall have power to prescribe the duties of all officers and persons appointed by them or elected to any office or place whatever, subject to the provisions of this law, and to remit in whole or in part on such conditions as may be deemed proper, by a vote of two-thirds of the members present, any fine or penalty or cost belonging to the city.

SEC. 155. It shall not be necessary, in any action, suit or proceeding in which the city of Fort Worth shall be a party, for any bond, undertaking or security to be executed in behalf of the city, either in a trial court, or on appeal or writ of error or certiorari; but all such actions, suits and proceedings shall be conducted in the same manner as if such bond, undertaking or security had been given, and for all the purposes of such actions, suits and proceedings the city shall be liable in the same manner and to the same extent as if the bond, undertaking or security in ordinary cases had been duly executed.

SEC. 156. Before the city of Fort Worth shall be liable for any damage of any kind, the person claiming damages, or some one for such person, shall give to the city secretary or mayor notice in writing of such injury within not to exceed thirty days after the same shall have been received, stating in such notice when and how the injury occurred, and the cause and extent thereof, and the city shall not be liable unless notice shall have been given within the time and in the manner herein provided.

SEC. 157. The property, real and personal, belonging to the city shall not be liable to be sold or appropriated under any writ of execution or cost bill, nor shall the funds or property belonging to said city in the hands of any person be liable to garnishment on account of any debts it may owe, nor shall the city or any of its officers or agents be required to answer to any writ of garnishment.

SEC. 158. The cemetery lots which have been or may hereafter be laid out and sold within said city for private places of burial shall, with their appurtenances, be forever exempt from taxes and forced sales.

SEC. 159. All property, real and personal, belonging to the city of Fort Worth, is hereby vested in the corporation created by this act, and the officers of said city now in office shall continue to exercise the powers, functions and duties and to receive the emoluments and compensation herein prescribed until they shall have been severally superseded by the election or appointment and qualification of their respective successors as herein provided.

SEC. 160. All suits, taxes, penalties, fines, forfeitures and other rights, claims and demands which have accrued under the laws heretofore enforced governing said city, shall belong to, and be vested in, and shall be prosecuted by and for the use and benefit of the corporation hereby created, and shall be in no wise affected by the passage, adoption and taking effect of this act and charter.

SEC. 161. The ordinances of said city which are of a general nature shall be revised, digested and published under the direction and supervision of the city council within not to exceed five years after this act shall have taken effect, and a like digest shall be made and published at the expiration of every period of ten years thereafter, and it is also made the duty of the city council to cause to be printed in pamphlet form at end of each calendar year all ordinances, general and special, passed and adopted during said year.

SEC. 162. This act shall be taken and held to be a public law, and all courts and tribunals shall take judicial cognizance and knowledge of the contents and provisions hereof, and it shall not be necessary to plead or prove such contents or provisions.

SEC. 163. Whenever any person or persons shall offer himself or themselves as a surety, or as sureties upon any bond or contract of indemnity to the city, they shall, if thereunto requested by the city council, appear before said council and make satisfactory proof of their sufficiency as such sureties, and the opinion and judgment of the said city council upon the sufficiency of any such surety or sureties shall be final and conclusive, and shall not be subject to review by any court or tribunal, or in any proceeding of any character whatever. And said city council shall have the right to require at least one surety on any or all bonds so presented to be a guaranty or surety company authorized to do business in this State.

SEC. 164. "The special act of the Legislature of Texas entitled "An Act to incorporate the city of Fort Worth, and to grant a new charter to said city," approved May 9, 1899, and all other laws and parts in conflict with the provisions of this act are hereby expressly repealed.

SEC. 165. Whereas, there are no adequate laws now in force providing for the paving, repaving, improving and repairing of the streets and sidewalks of the said city of Fort Worth, and said city has defaulted in the payment of interest on its bonds because of an inadequacy of the revenue derived from taxing to meet the existing rates of interest, and there is an opportunity now to refund said bonds, or a large portion thereof, at a much lower rate of interest, which can be met by its revenues, there exists an imperative public necessity for suspending the constitutional rule requiring bills to be read on three several days, and an emergency exists which requires that this act become and be in effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 98, nays 0; and reported to the Senate, where it was amended and passed by two-thirds vote, yeas 22, nays 0; House concurred in Senate amendments by two-thirds vote, yeas 103, nays 2.]

AUSTIN—GRANTING IT A NEW CHARTER.

H. B. No. 347.]

CHAPTER VIII.

An Act to incorporate the city of Austin, to grant it a new charter; and to fix its boundaries.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the inhabitants of the city of Austin, in Travis county, and State of Texas, residing within the territory herein described shall continue to be and are hereby constituted a body politic and corporate by the name and style of the "City of Austin," and by that name shall have perpetual succession, and shall have all the rights, property (real, personal and mixed) immunities, powers, privileges and franchises now possessed and enjoyed by said city, or herein granted, and be subject to all its present liabilities, and may have a common seal, and alter the same at pleasure, and may sue or be sued; plead or be impleaded in all courts of law and equity; may contract and be contracted with; may take, hold and convey, lease, or acquire or dispose of any property whatever for corporate purposes, within the city limits; provided, that the city shall not have power to dispose of any part of the water and light system of the city of Austin: the dam across the Colorado river owned by the city; or any property now owned or used or which may hereafter be owned or used as a part of said system, and which may be necessary or incident to the operation thereof.

SEC. 2. The boundaries of the city of Austin shall be as follows:

Beginning on the bank of the Colorado river, at the southwest corner of out lot No. 64, in Division O; thence northerly in a straight line to the northwest corner of out lot No. 16, in Division C, being the northeast corner of the Wells tract of land, northeast of the Old Fair Grounds tract; thence northwesterly with the northeast line of said Wells tract and the State Lunatic Asylum grounds and north boundary of out lot 83, Division D; thence southerly along the east side of the George W. Spear league to the northeast corner of Block 15, Division Z, being the southeast corner of the E. M. Pease tract; thence westerly with the south line of the E. M. Pease tract and north line of Blocks 15, 14, 13, 12 in Division Z, to the northwest corner of Block 12, Division Z; thence southerly along the west line of Blocks 12, 11 and 3 in Division Z, to a point on the west side of Block 3, where the south line of the R. Krause ten-acre tract intersects, which is the southeast corner of said Krause tract; thence westerly with the south lines of the R. Krause and E. M. Pease tracts to the southwest corner of the E. M. Pease tract; thence northwesterly along the division line between the George W. Brackenridge and the McDonald and Brackenridge property, to the northwest corner of the McDonald and Brackenridge 29-acre tract; thence northwesterly through the George W. P. Kinney tract, on said Decker league; thence to the southwest corner of the H. J. Doughty tract on said Isaac Decker league; thence easterly in a straight line to the northeast corner of Mrs. E. V. Blunn's 213-acre tract, being the southeast corner of the subdivision known as Southside; thence in a northerly direction, with the east boundary line of said subdivision, and the east boundary line of John D. McCall and D. C. Stone tracts, to the center of the channel of Colorado river; thence down said river in a straight line to the place of beginning.

SEC. 3. The city of Austin shall be divided into seven wards. The first ward shall embrace all the territory of the city of Austin south of the center of the Colorado river.

The second ward shall embrace all of the following territory: Beginning at a point in the center of the bridge over the Colorado river and extension of Congress avenue, and running north with the line in the center of said Congress avenue, to a point in the center of Seventh street;

thence west with a line in the center of Seventh street to a point in the center of West avenue; thence south with a line in the center of West avenue to a point in the center of West Sixth street; thence west with a line in the center of West Sixth street, to a point in the center of Blanco street; thence north with a line in the center of Blanco street to a point in the center of West Ninth street; thence west with a line in the center of West Ninth street to a point in the center of West Lynn street; thence north with a line in the center of West Lynn street to a point due east of the northeast corner of the Texas Confederate Home property; thence due west to said corner of said property; thence with the north boundary line of said property to its northwest corner; thence south with the west boundary line of said property to a point in the center of West Sixth street; thence west with the center of West Sixth street and of the boulevard continuation thereof to a point opposite the dam; thence west to the center of the dam; thence down the center of the Colorado river with its meanders to the beginning point, in the center of said bridge over the Colorado river.

The third ward shall embrace the following territory: Beginning at a point in the center of Congress avenue at its intersection with Seventh street; thence north with a line in the center of Congress avenue to a point in the center of Nineteenth street; thence east with a line in the center of Nineteenth street to a point in the center of Lampasas street; thence north with a line in the center of Lampasas street to a point in the center of Twenty-first street; thence west with a line in the center of Twenty-first street to the center of Rio Grande street; thence south with a line in the center of Rio Grande street to the center of Nineteenth street; thence west with a line in the center of Nineteenth street to a point in the east line of the George W. Spear league; thence southward following said Spear league line, to the northeast corner of Block No. 15, Division Z; thence west to the northwest corner of Block No. 12, Division Z; thence south to the southeast corner of the R. Krause ten-acre tract; thence following the city boundary line in a westerly direction to the southwest corner of the William Walsh tract; thence down the Colorado river to the northwest corner of the second ward; thence following the north boundary line of the second ward in an easterly direction to the place of beginning:

The fourth ward shall embrace the following territory: Beginning at a point in the center of Lampasas street, at its intersection with Nineteenth street; thence east with a line in the center of Nineteenth street to a point in the center of Waller creek, to the junction of East and West Waller creek; thence north with the meanders of East Waller creek to the north boundary line of the city; thence northwest with the boundary line of the city to the northeast corner of the city boundaries; thence west with the north boundary line of the city to the northwest corner of lot No. 82 in Division D; thence south with the George W. Spear league line to a point in the center of Nineteenth street; thence with the north boundary line of the third ward in an easterly direction to the place of beginning.

The fifth ward shall embrace the following territory: Beginning at a point in the center of Congress avenue, at the intersection of Twelfth street; thence east with a line in the center of Twelfth street to the center of East avenue; thence south with a line in the center of East

avenue to a point in the center of East Eleventh street; thence east with a line in the center of said Eleventh street and its continuation, Chinca-pin street, to the east boundary line of the city; thence north with said east boundary line to a point where East Waller creek intersects said boundary line; thence south down said East Waller creek with its meanderings to the center of East Nineteenth street; thence west along the center of Nineteenth street to a point in the center of Nineteenth street and Congress avenue; thence south with a line in the center of Congress avenue to the place of beginning.

The sixth ward shall embrace the following territory: Beginning at a point in the center of Congress avenue, at the intersection of Sixth street; thence east with a line in the center of Sixth street to a point in the center of East avenue; thence south with the center of said East avenue to its intersection with the line of the Houston and Texas Central Railroad; thence with said railroad to the east boundary line of the city; thence north with the said east boundary line of the city to the southeast corner of the fifth ward; thence west with the south boundary line of the fifth ward to a point in the center of Congress avenue; thence south with a line in the center of Congress avenue to the place of beginning.

The seventh ward shall embrace the following territory: Beginning at a point in the center of Congress avenue, at the intersection of Sixth street; thence south with a line in the center of Congress avenue and the bridge over the Colorado river, a continuation of Congress avenue, to a point in the center of said bridge; thence down the center of the channel of said river with its meanders to the boundary line of the city, the northeast corner of the first ward; thence northeast with the boundary line of the city to the southwest corner of out lot No. 64, Division O; thence with the boundary line of the city to the southeast corner of the sixth ward; thence with the south boundary line of the sixth ward to place of beginning:

Provided, that for the purpose of establishing voting places for the first election held under this act, the council shall be authorized to respect the ward lines established by the ordinances of the city of Austin in force at the time of the adoption of this act.

ORGANIZATION AND PROCEDURE OF THE CITY COUNCIL.

SEC. 4. The city council shall consist of a mayor and a board of aldermen, who shall hold their offices for a term of two years from their installment, and until their successors are elected and qualified.

SEC. 5. The board of aldermen shall consist of fourteen members, two from each ward, who shall be residents of the wards from which they are elected. One alderman from each ward shall be elected by the qualified voters of the ward, and one alderman from each ward shall be elected by the qualified voters of the entire city. They shall possess the qualifications required by this charter for mayor. Each alderman shall receive as compensation five dollars for each regular meeting of the council at which he is present, not to exceed ten dollars per month.

SEC. 6. That if any alderman shall, after his election, remove from the ward from which he was chosen, his office shall thereupon become vacant.

SEC. 7. The city council shall be the judge of the election and quali-

fication of its members, and all other city officers, and shall determine contested elections of all city officers, made elective under this act, in such manner as may be provided by ordinance; provided, that no city officer shall be allowed to qualify, or requalify, if he succeeds himself in office, until at a session of the city council, to be held on or after the Saturday next succeeding the election, which shall in all cases occur on Monday, unless his opponent in the election, or all opponents, if more than one, shall sooner file a statement with the city clerk that he or they will not contest the election of his or their opponent, naming him. If, prior to the time of installing newly elected officers, a contest of his election is filed in writing with the city clerk, stating the grounds for the contest he shall not be installed until such contest is determined; provided, that all contested elections shall be decided within fifteen days from the date of election. The city council shall prescribe rules of procedure in cases of contest.

SEC. 8. That a majority of the city council shall constitute a quorum to do business, but a smaller number may adjourn from day to day, and may compel the attendance of absent members by arrest or in such manner and under such further penalties as they may prescribe.

SEC. 9. The city council may determine the rules of its proceedings; punish its members for a willful violation of its rules, or other disorderly behavior; and, with the consent of two-thirds of its members elected, expel an alderman, but not a second time for the same offense.

SEC. 10. The city council shall keep a journal of its proceedings, and, whenever the council may so direct the same or synopsis thereof may be published in some newspaper published in the city; but such proceedings shall not be published unless it be by direction of the city council; and any alderman shall have the right to have the yeas and nays of the members recorded in the journal of its proceedings, upon any question voted upon by such members.

SEC. 11. That upon the passage of ordinances appropriating money, imposing taxes, increasing, lessing or abolishing licenses, and of ordinances for borrowing money, the yeas and nays shall be entered on the journal, but no ordinance for borrowing money shall pass except by a vote of two-thirds of the whole council.

SEC. 12. That all ordinances and resolutions of a general character shall be read in the council on three separate days, unless two-thirds of the council elected shall dispense therewith.

SEC. 13. That a majority of the members of the whole council shall be necessary to pass an ordinance for any purpose, appropriating the sum of five hundred dollars or upwards, or for passing an ordinance in anywise diminishing or increasing the city revenues.

SEC. 14. That no city officer shall, during the term for which he is elected, hold or be eligible to any other office under the city; nor shall he during his term of office, be interested, directly or indirectly, in any contract or agreement for work to be done, or material furnished, or services to be performed, for which the city directly or through any board or commission exercising authority on behalf of the city, is to pay a consideration; or in the purchase or sale of any property by the city for any purpose whatever; and for the violation of any part of this section, the penalty shall be expulsion from office, on an affirmative vote of two-thirds of the whole board of aldermen; provided, that members of

the water, light and power commission and board of school trustees, shall be deemed city officers within the meaning of this section, as shall also all members of other boards created by or under this act.

SEC. 15. That all vacancies, except by expiration of term of office shall be filled in such manner as may be provided for by ordinance. Each alderman shall, before entering upon the duties of his office take the oath prescribed by the Constitution of the State of Texas, and that he will faithfully discharge the duties of his office.

SEC. 16. That at the first meeting of the city council after each general election and after contests of election if any there be, are disposed of, the council shall elect one of its members president of the board of aldermen, who shall hold his office for two years from the date of his election, and until his successor is elected and qualified.

SEC. 17. That the president of the board of aldermen, in case of the absence of the mayor, from a session of the council, shall act as presiding officer of the council.

SEC. 18. That in case of the death, resignation or inability to act, or absence of the mayor from the city the president of the council shall perform all the duties of the mayor.

SEC. 19. That in the absence of the mayor and the president of the council, any alderman may be elected by the members present to preside, who shall exercise all the rights of the president of the council in such cases.

SEC. 20. That the president of the board of aldermen shall vote only as an alderman.

SEC. 21. There shall be a regular meeting of the city council at least once a month, and such special meetings as the mayor and any three aldermen may deem necessary.

SEC. 22. That calls for special meetings shall state the nature of the business to be transacted at the meeting, and shall be read to each alderman to be found in the city, or if any alderman is out of the city a copy thereof left at the place of business of such alderman, as may not be seen in person, by the policeman of the city of Austin, serving the notice, who shall report in writing to the council at the hour set for the meeting, whom he has served, and how he has served such notice, and the reason for not serving each alderman in person. If it shall appear that two-thirds of the aldermen have been served personally, the council may proceed to transact the business mentioned in the call, as if all the aldermen had been personally notified of the meeting. The said notice, and the return of the officer, shall be recorded in the minutes of the meeting of the council and shall be evidence of the nature of the call, and the service of the notice thereof.

SEC. 23. That all ordinances and resolutions of a general character, adopted by the city council, and all acts of the council authorizing or making any contracts, grants or concessions whether such an act be had or passed in response to petition or proposition or in any manner whatsoever, and irrespective of form of such act, shall be subject to the veto of the mayor.

SEC. 24. The mayor may veto any one or more of the items in an appropriation ordinance, and approve the remainder.

SEC. 25. That all ordinances, resolutions and acts of the council, together with such papers as may pertain thereto shall be placed in the

office of the city clerk, and if the mayor approve thereof, he shall endorse the same "Approved," and sign his name to such endorsement, and thereupon such ordinances, resolutions and acts shall go into effect.

SEC. 26. That if the mayor shall fail to approve any such ordinance, resolution or act for a longer period than ten days after it shall be placed in the office of the city clerk, it shall go into effect, unless he shall have within the said period signified his disapproval thereof, or of items of an appropriation ordinance, by written objections there filed with the city clerk for the consideration of the city council.

SEC. 27. That the veto by which any ordinance, resolution or act so disapproved by the mayor was passed shall be reconsidered by the city council, either at the next regular meeting thereof held after such disapproval is filed in the clerk's office, or at any special meeting called earlier for that purpose; and if after such reconsideration, two-thirds of the aldermen elected agree to pass such ordinance, resolution, or act, in items of an appropriation ordinance, it shall be in force, but not otherwise.

SEC. 28. The style of the ordinances of the city shall be: "Be it ordained by the city council of the city of Austin."

SEC. 29. That every ordinance imposing a penalty, fine, imprisonment or forfeiture for violation of the provisions shall, after the passage thereof, be published in every issue of a daily paper published in said city for ten days, and shall not take effect until such publication has been completed. The city clerk shall note on such ordinances, as are required to be published the fact that the same have been published as required by the charter, and the date of such publication, which shall be prima facie evidence of such publication; provided, that the provisions of this section shall not apply to revision and codification of the ordinances of the city, as the council may from time to time adopt.

SEC. 30. All ordinances and resolutions shall take effect on being approved by the mayor, or on the termination of the time allowed for vetoing ordinances, without being vetoed, unless another time for taking effect be fixed for the ordinance or resolution.

SEC. 31. That in case of a tie vote by the council the mayor shall have the casting vote.

GENERAL POWERS OF THE CITY COUNCIL.

SEC. 32. The city council shall have the care, management and control of the city and its property and finances, except as may be herein otherwise specially provided for, and shall the power to enact and ordain any and all ordinances not repugnant to the Constitution and laws of the State, and such ordinances to alter, modify or repeal.

SEC. 33. The city council shall have the power within the city, by ordinance, to levy and collect an annual tax not exceeding for all purposes, including taxes levied for the support of public schools, two and one-half per cent. of property values within the said city, and such taxes shall be levied at the first regular meeting in May of each year, as follows:

1. An annual tax not exceeding one per cent. on all property within the limits of the said city, made taxable by law for State and county purposes, the money raised by said taxes to be used for current expenses,

and for general improvement of the city or its property, and at least one-fourth thereof shall be set apart and devoted to the improvement of streets and building of bridges within the city.

2. To raise such further amount as may be necessary to pay interest and two per cent. sinking fund annually on all bonded debts of the city.

The city treasurer shall keep the interest fund and sinking fund separately, and shall honor no draft on the interest fund except to pay the interest on such bonds, and shall honor no draft on said sinking fund except to redeem such bonds, or to purchase interest bearing bonds of the United States or the State of Texas, or the city of Austin as hereinafter provided.

3. To raise money on the credit of the city for a special and definite purpose by issuing bonds of the city or otherwise; provided, the bonded debt of the city shall only be increased by a special act of the Legislature, or by consent of two-thirds of the qualified voters in said city, who pay taxes on property, real or personal, in said city.

All persons owning property, real or personal, subject to taxation in the said city on the first day of January next preceding any election that may held to obtain such consent shall be deemed to be persons who pay taxes on property in said city. Such election shall be ordered by the city council, and notice thereof shall be given for at least thirty days by the mayor, in such manner as may be prescribed by the city council; provided, that whatever power the city council may have possessed or acquired under the charter in force in said city prior to the passage of this act, through any election held under said charter to increase the indebtedness of said city is hereby continued and perpetuated in said council, and may be exercised under this act with the same effect that such power might have been exercised under said charter, if this act had not been passed, and to no further extent and with no further force or effect under this act than might have been done without the passage of this act; provided, that lands within the limits of the city which have not been laid off into blocks and lots shall not be assessed for taxes otherwise than by the acre, and shall continue to be so assessed and taxed until laid off into lots and blocks by the owners thereof, and the owners of such lands in laying off the same into lots and blocks shall so arrange the streets that they shall correspond as nearly as practicable with previously established streets of the city.

SEC. 34. That all such bonds shall specify for what purpose they are issued. Provision shall be made to pay the interest, and not less than two per cent. annually of the principal to redeem or pay the bonds.

SEC. 35. Neither the money for which such bonds may be sold, nor the money raised to pay the interest and sinking fund thereof shall be diverted to any other purposes, and the city treasurer shall not honor any draft drawn on said interest and sinking fund except to pay the interest on said bonds, or to redeem the same, except as hereinafter provided.

SEC. 36. Whenever the accumulated sinking fund upon any issue of bonds shall amount to as much as one thousand dollars, the same shall be applied at once to the discharge of a like amount of said bonds, and should the city not be entitled to redeem any of such series, and the holders be unwilling to surrender the same, said fund shall be invested in other valid interest bearing bonds of the city of Austin, or of the

United States, or of the State of Texas, as the council may determine, and when so invested the bonds purchased and the interest thereon shall be held as a trust for the particular fund from which the money was taken, and shall not be sold or otherwise used except for the purpose of retiring the original bonds for whose use the fund was created.

SEC. 37. The city council shall have power and authority to scale or settle any part of, or all of the valid bonded indebtedness of the city by compromise or adjustment with the holders of the bonds of the city: and shall have power to fund any part or all of the bonded indebtedness of the city, at the same or a lower rate of interest and to issue and sell new bonds, to raise the money to pay existing bonds or exchange the new bonds for those now in existence, as the council may determine.

SEC. 38. The city council shall have power by ordinance to regulate the manner and mode of making out tax lists, inventories and appraisements of property for taxation, and to prescribe the oath that shall be administered to each person on such rendition of his property, and to prescribe how, when and where property shall be rendered, and to prescribe the number and form of assessment rolls, and fix the duties and to define the powers of the city assessor and collector, and adopt such measures as the council may deem advisable to secure the assessment of all property subject to taxation within the city, and to collect the taxes due thereon: and may, by ordinance provide that any person, firm or agent, in control, having property subject to taxation, or being liable for any tax under the provisions of this charter, and neglecting, failing or refusing to render a list, inventory and appraisal thereof, or failing or refusing to make oath thereto, as required by the ordinance of said city, shall be liable to fine and imprisonment, or either as may be prescribed.

SEC. 39. There shall be a board of equalization, composed of three resident freeholders of the city of Austin, who shall be appointed by the mayor, and confirmed by the city council after each election in said city, each of whom shall take the oath of office prescribed by the Constitution of the State of Texas, who shall hold their office for the term of two years from their appointment and qualification. They shall receive such compensation as may be allowed by the city council: said board shall have power and it shall be the duty of said board to equalize the taxable values of property, real and personal, within the city of Austin, and in the exercise of this power, it may raise or lower the valuation at which property may be assessed or rendered to the assessor, or assessed by him, with or without being rendered for taxes; and it shall further be the duty of said board, if it shall have reason to believe from information gained by its members, from the assessor of taxes, or from other sources, that any person residing within the city, has failed or refused to render for taxation any personal property owned by him and subject to taxation under the laws of the State, or has refused to give information concerning such property so that the same may be assessed by the assessor of taxes, to have such person brought before it and interrogated under oath as to such property. And said board shall have full power to enforce the attendance of all witnesses necessary, and any member thereof shall have the power to administer oaths to such witnesses, and to punish them for failure or refusal to answer any question pertinent to the inquiry. And if the said board should discover any property not rendered for taxation to the city assessor of taxes, it shall have the power and it shall be its

duty, to direct the assessor of taxes, to list the same for taxation, in like manner and with like effect as if it had been originally rendered for taxation by the owner thereof. After said board shall have passed upon and equalized the values of property assessed by the assessor originally and upon suggestion of the board, the board of equalization shall give notice that it has made changes in the valuation at which property has been assessed for taxes, and cause additional property to be assessed and valued for taxation, by publication in a daily newspaper published in the city of Austin, for three successive days. Said notice shall be sufficient if it state that the board has held a session and made changes in the assessments and valuations of property, affecting certain persons, whose names shall be given, without describing the property affected or stating the nature of the changes made, but referring the person whose name shall be given to the office of the assessor and collector of taxes, for details as to changes, a record of which shall be left by said board on deposit with said assessor, subject to inspection by the public. The notice shall also state that a further session of the board will be held at a place, and to begin at a time named in the notice, and continue for a certain number of days, or longer, when complaints as to renditions and valuations will be heard, and that such corrections will be made as may be, in the opinion of the board, just and proper; such session shall commence not earlier than one week after such notice shall have been published; such other notices may be given as the board or city council may prescribe, but the failure to give such other notice shall in no manner affect the validity of the assessment or equalization thereof. The city council shall by ordinance prescribe the rules to govern the said board of equalization, and all the determinations of such board shall be final, unless an appeal is taken therefrom to the county court of Travis county, which may be done by any person, or the agent or attorney of any person aggrieved at the action of the board, by giving notice in writing to said board of such appeal, and the grounds thereof, within five days after such board shall have concluded its labors and returned the tax list to the office of the assessor and collector of taxes, and by giving a bond payable to the city assessor and collector, for the sum of fifty dollars, conditioned that said appellant will pay all the costs of such appeal if the action of the board of appraisers should be sustained by the county court, or if the valuation of the property of such appellant shall be raised above the amount at which it was assessed by said board of appraisers. A copy of such bond and such notice of appeal, and a description, made by the assessor and collector, of the property of the appellant involved therein shall be filed in said county court, and said case shall be docketed on the civil docket of said court in the name of the appellant as plaintiff, against the board of appraisers of the city of Austin, and all such appeals shall be prosecuted to the first term of the county court after the notice of appeal is given, and shall have precedence for trial of all civil cases in said court, and the decision of said court in such matters shall be final. The list of property and the values thereof as settled by the board of appraisers, or a copy thereof, or so much thereof as may be pertinent to the question at issue, may be produced in court to be used in such trials.

SEC. 40. The city council shall have full power and authority to provide by ordinance for the seizure and sale by the city assessor and collector of a sufficient amount of personal property of any delinquent tax-

payer to pay all taxes due by such delinquent to the city, together with all interest, penalties and costs, which seizure and sale shall be made without the necessity of any writ, and by virtue of the tax rolls of said city which shall be sufficient warrant for said purpose, and such sale shall be conducted and notice given in the same manner as now provided by law for sale of personal property by county tax collectors, and at such sale the purchaser shall acquire absolute title to the property sold.

SEC. 41. The city council shall have full power and authority to pass all ordinances necessary to regulate advertisements and sales by the assessor and collector of property upon which taxes may be unpaid, and to provide for the perpetuation of all proceedings with reference to such advertisements and sales and for execution of title to purchasers of property at tax sales, and to pass all ordinances necessary to enforce the collection of taxes; provided, that such ordinances shall allow any person whose real property has been sold for taxes, at least two years from the date of the collector's deed to redeem the same by paying double the amount paid for same; provided further, that any such proceeding so perpetuated shall be received in evidence in any court when the title conferred by the collector shall be called in question.

SEC. 42. All taxes due the city of Austin shall be payable at the office of the city assessor and collector, and may be paid at any time after the tax rolls for the year have been completed and approved, and no demand shall be required to be made upon any taxpayer whose duty it shall be to attend at the collector's office and pay the same as aforesaid. All taxes levied and now uncollected for the year 1898, shall be paid by July 1st, 1899, or thereafter bear interest at the rate of six per cent. per annum, and all taxes hereafter to be levied for the year 1899, and subsequent years, shall be paid by the first day of April of the year succeeding the levy, and when not so paid by April first, shall thereafter bear interest at the rate of six per cent. per annum, and in addition, the city council may provide by ordinance, that there shall be collected an additional five per cent. upon the amount of such taxes as a penalty against the person, firm or corporation failing, neglecting or refusing to pay such taxes by the time when the same begins to bear interest as aforesaid, which penalty shall be collected by seizure and sale of property of the delinquent, or by suit, the same as herein provided for the collection of taxes, but the city council shall not have the power of repealing any tax levy after it has once finally passed same, and after taxes have been partially collected thereunder.

SEC. 43. All property of railroad companies, of whatever description, lying or being within the city of Austin on the first day of January of each year, shall bear its proportionate share of municipal taxation, and if any such property shall not have been heretofore rendered for taxation for any year, the same shall be assessed and taxes collected thereon in the same manner as herein provided for other unrendered property of previous years.

SEC. 44. The annual assessment of taxes made by the city of Austin upon landed property shall be a special lien thereon, and all property, both real and personal, belonging to any delinquent taxpayer shall be liable to seizure and sale for the payment of all taxes, and penalties due by such delinquent; provided, that the homestead of such delinquent shall only be liable for the taxes due thereon.

SEC. 45. If it comes to the knowledge of the city assessor and collector at any time after the levy of taxes for the year, that any personal property subject to taxation in the city, is about to be removed from the city, and the owner of such property has not other tangible property in the city sufficient to satisfy all assessments against him, the assessor and collector shall, if said property has not been assessed, proceed at once to assess the same, and he shall thereupon levy upon a sufficiency of such property to satisfy such taxes, and all costs, and sell the same as provided in the preceding section, and the ordinance levying taxes for the year, and the assessment made upon such property shall be sufficient warrant for so doing, and to vest perfect title in the purchaser.

SEC. 46. All real and personal property in the city of Austin upon the first day of January of each year, and subject to taxation by said city, shall stand charged with a special lien in favor of the city for all taxes levied against the owner thereof during the year, superior to all mortgages and other liens thereupon, except the liens for State and county taxes, and all persons purchasing the same after the first day of January of any year shall take the same subject to such lien, and the city may intervene in any suit for the foreclosure of any other lien and assert its right, or may institute an independent suit, and make all mortgages and lienholders and subsequent purchasers parties, for the purpose of enforcing its lien, or recovering personal judgment for the conversion of the security here given it, for the collection of its taxes, and the said city shall be authorized, and it is here made the duty of the city assessor and collectors to file the proper statement of its taxes in any court of bankruptcy administering the estate of any bankrupt taxpayer.

SEC. 47. The city of Austin shall be authorized, and it is here given the right, to institute suit in any court in Travis county having jurisdiction under the Constitution and laws of the State, at any time after taxes become due and are delinquent, as herein provided, and recover personal judgment for the amount of taxes remaining unpaid by any person, firm or corporation, together with all interest, penalties and costs, and if any part of any such delinquent tax shall be due upon any landed property the city shall have the right in the same, or any subsequent suit to have its lien thereon foreclosed, and such property sold, as provided by law in the foreclosure and sale of property under mortgage or other lien; provided that in all cases where lands are sold the owner shall have the right, within two years of the day of sale to redeem his land from the purchaser under such judgment upon the payment of double the amount of money paid for the land, and failing so to do, the title of the purchaser shall become absolute, without further act or proceeding. The privilege of redemption shall constitute part of the judgment and deed made to the purchaser, and in such cases need not be inserted therein.

SEC. 48. In all suits for the foreclosure of a lien upon lands or lots by the city, if the defendants, or any of them be alleged to reside in any other county of the State of Texas, it shall not be necessary to serve such person with a copy of the petition; and service of citation shall be made by delivering a copy thereof in the manner provided by law for service of citation upon persons residing in the county where suit is brought, and if the defendants or any of them are alleged to be non-residents of the State, or if it be alleged that the residence of such

defendant is unknown, or the owner or owners of said land or lots are unknown, and the city assessor and collector shall make oath to that effect, at the time of filing the petition, or at the time subsequent thereto, the clerk of the court shall thereupon issue notice in substantially the following form:

"The State of Texas.—To the owner or owners and all persons claiming any interest in the lands hereinafter described: You are hereby notified that the city of Austin filed suit in the district court in Travis county (.....District) on the day of.....A. D.,....., No.... claiming that taxes, interest and penalties are due it by you upon the following described land, situated in the city as follows, viz.: (here set out description of the land as contained in the petition and state the aggregate amount claimed against each tract for each year)."

You are therefore commanded to appear and answer in said court at the next regular term to be held at the court house of said county in the city of Austin, beginning on theday of.....A. D.,....., and show cause why judgment shall not be rendered condemning said lands, and ordering foreclosure and sale thereof for said taxes, interest, penalties and costs of suit."

Which said notice shall be dated and signed by the clerk with the seal of the court, as other writs, and shall be delivered to the sheriff, and executed by causing the same to be published in some newspaper published in the city of Austin once a week for four successive weeks prior to the return day thereof. Publication of said notice shall be shown by the return of the sheriff, or his deputy, endorsed or attached thereto, which shall show when the same was executed and the manner thereof, specifying the dates of such publication, and shall be accompanied by a printed copy of such publication, and shall be signed by him officially.

SEC. 49. In case of service of notice by publication as provided in the preceding section, the case shall stand for trial at the second term of the court. The suit shall be held in all respects to be a proceeding in rem, and the court shall hear proof and render judgment in favor of the city of Austin against each parcel of land for the amount of the tax, interest, penalty and costs legally chargeable against the same, and shall foreclose the lien of the city thereon and condemn the land to be sold as under execution for the purpose of satisfying such judgment; provided, that for the purpose of foreclosing the lien of the city on all lands and lots where the owner or owners thereof are alleged to be unknown, it shall be necessary to institute a separate suit against each piece of property, and all such property may be embraced in one suit and judgment entered against each parcel and condemning the same to be sold as aforesaid; and provided further, that in all cases where lands are sold under judgment based upon service by publication, the owner shall have the right within two years from the day of sale, to redeem his land from the purchaser under such judgment, upon the payment of double the amount of money paid for the land, and failing so to do, the title of the purchaser shall become absolute without further act or proceeding. The privilege of redemption here given shall constitute a part of the judgment and deed made to the purchaser in such case, and need not be inserted therein.

SEC. 50. It shall be competent in all cases to supplement the description contained in the assessment rolls with full proof of the identity

of lot, tract or parcel of land therein assessed, and in suits to enforce collection of taxes by the city, such additional matters may be inserted in petition, and reference may be made to any map, plat or survey of said city, or of any addition or subdivision made thereto, or to any deed, decree or other instrument describing the same, which may be on file or of record in the General Land Office of Texas, or in the office of the district or county court of Travis county, and such reference shall constitute part of such petition, and all proceedings had in said suit.

SEC. 51. When any property, real or personal, is sold to enforce the collection of taxes, the city of Austin shall not become the purchaser thereof unless no one else is present who will purchase the same and pay the full amount due the city, including all costs and penalties, and it is hereby made the duty of the mayor, or the person acting as such, to attend all sales, and bid thereat for the city and upon such sale the officer making the same shall execute to the city or other purchaser proper evidence of title and to place the purchaser in possession as provided by law.

SEC. 52. All levies of ad valorem taxes heretofore made by the city of Austin and all assessments heretofore made and all assessment rolls heretofore made and placed in the hands of the city assessor and collector for collection are hereby validated, and the same shall be legal and binding regardless of any irregularity that may exist in the manner of making such levies, and the making and returning of such assessment rolls; provided, that this section shall not be construed as an attempt to validate any penalty heretofore imposed or tax levied in excess of the amount which the city could levy under the Constitution; and provided further, that all the provisions of this section shall not be construed as to affect the result of any suit filed by the city of Austin prior to the passage of this act.

SEC. 53. The action of the city of Austin in taking charge of public free schools within its limits by proceedings had in the month of August, 1880, is hereby validated and the city is hereby constituted a separate and independent school district under the Constitution and laws of the State. The action taken in placing the control of the free schools, and all property pertaining thereto, in a board of trustees is hereby confirmed, and all property, real and personal, heretofore acquired and now being administered by said board of trustees in connection with the management of said free schools is hereby confirmed in said board, and all levies of taxes heretofore made for the support and maintenance of said public free schools in said city, and which remain uncollected, are hereby validated and declared legal and binding upon the persons and property subject to taxation in said city, and the city council shall continue to levy and collect the rate of special taxation adopted or which may be adopted by vote of the people for said purpose, and deliver the same to the said board of trustees, in accordance with the General Laws of the State upon the subject.

SEC. 54. If the city assessor and collector shall discover any property, real or personal, which was subject to taxation for any year heretofore and which from any cause, has escaped taxation, he shall require the same to be listed and assessed according to the rate of taxation levied for the year or years it was omitted, and enter the same as a supplement to his next roll, stating the year, and the taxes thereon shall be collected in the

same manner as other assessments; provided, that such supplement roll, may be made at any time, and reported to the city council for its approval; and any number of such rolls may be made that may be necessary. The taxes assessed upon such supplemental rolls shall be due at once upon the approval of such rolls by the city council, and if not paid within sixty days thereafter, shall bear interest at the rate of six per cent. per annum, and may be collected by seizure and sale, or suit, as herein provided for the collection of other taxes.

SEC. 55. The city assessor shall list all property which for any cause has not been rendered to him for taxation, in such form as may be prescribed by ordinance, and place such valuation thereon as he may deem just. If the owners of such property are unknown to the assessor he shall so state, and such assessment shall be sufficient warrant for the collection of taxes due upon said property by seizure and sale, or suit, as herein provided for the collection of taxes on other property.

SEC. 56. No taxes due the city of Austin shall ever be held to be barred by any statute of limitation, and no irregularity in the time or manner of making the annual levy of taxes, or in making any inventory, list or appraisement or in making or returning the city assessment rolls, or the approval thereof, shall ever be held to invalidate any assessment, and all taxes heretofore levied by the city council of said city, and which are unpaid, are hereby continued in force, and may be collected by seizure and sale of the property of the person owning the same, or by suit, as herein provided.

SEC. 57. In all suits for the collection of taxes, which have been heretofore or which may be hereafter levied upon, the tax rolls of said city or a certified statement made therefrom by the assessor and collector, shall be prima facie evidence of the truth of all recitations and facts shown by said rolls, and shall be held to be sufficient proof (subject to rebuttal only by pleading and proof by defendant) of the following facts, viz.:

1. That the person, firm or corporation therein shown to be a taxpayer, was such, and owned the property therein listed, and that such property was subject to taxation in said city, and was rendered by such person, firm or corporation, or by his or its agent, at the value placed thereon in such rolls.

2. That the taxes due upon such property were duly and legally levied for the purposes shown in such rolls, and that the same are valid and unpaid.

3. That all acts and proceedings required by law or by ordinance of said city, in the manner of rendering, appraising and fixing of values upon such property, and the giving of all notices to such taxpayer have each and all been performed and complied with, at the time and in the manner and form required, and that all things which might be construed as conditions precedent to the lawful demand upon such taxpayer to pay the amount of taxes in such rolls shown to be due by him or them, have been performed, at the time and in the manner required by law; provided, that in the event the defendant shall show that his property was voluntarily rendered by him, and that the valuation of the same was subsequently changed by the assessor or board of equalization without notice to him or his agent, or shall show that the said rate of taxation for any purpose was, to any extent illegal, judgment shall thereupon be rendered

against him for the proper amount due, based upon the value of his property as rendered by him, and the amount of tax which is found to be legal.

SEC. 58. All provisions of the charter validating the tax levies and assessments of property, and making the assessment rolls prima facie evidence, and prescribing the rules of procedure for the collection of taxes by suit or otherwise shall be held to apply only in suits which may be brought for the collection of taxes levied since 1897.

SEC. 59. All property, real, personal or mixed, made taxable by the laws of the State of Texas, which is situated in the city of Austin on the first day of January of each year, and all personal property owned or controlled by persons residing herein, and taxable by law at the place where the owner, or agent in charge may reside, shall be subject to taxation by said city for all purposes provided in this charter, including the support of the public free schools of said city.

SEC. 60. The city council shall have power to levy and collect an occupation tax on all occupations, callings, business and professions taxed by the State of Texas, from time to time to the amount of one-half of the occupation tax levied by the State, and shall have power by ordinance, to provide adequate means for enforcing collection of the same.

SEC. 61. That the city council shall have the power to provide by ordinance for the assessing and levying of the taxes aforesaid, and to determine when taxes shall be paid.

SEC. 62. That no money shall be paid by the city upon any account whatever to any person or corporation who is in arrears to the city for taxes due. The city council shall not have the power to compromise back taxes.

STREETS AND SEWERS.

SEC. 63. That the city council shall have exclusive control and regulation of all streets, alleys, sidewalks and highways, and public squares within the corporate limits of the city, and shall have power:

1. To abate and remove encroachments thereon in summary manner.
2. To put drains and sewers therein, and when necessary, to appropriate private property for that purpose; for the purpose of establishing streets and alleys, to be condemned according to the laws relating to condemnation of property by railroad corporations, the city occupying the place of the railroad corporation in such cases.
3. To permit and regulate the laying of gas and water mains therein, and the erection of telegraph and telephone and electric light poles therein.
4. To regulate, establish and change the grade of all sidewalks, streets and alleys, and to require and compel the cutting down or filling up and raising of such streets, sidewalks and alleys.
5. To construct, regulate and keep in repair all culverts, sewers and crossings, and to control and regulate the use of same.
6. To construct, regulate and keep in repair all necessary sidewalks, footways and streets.
7. To grade, cut down and fill up the same.
8. To regulate the use of the same and abate and remove encroachments and obstructions thereon, and to compel the same; provided, that when the city council has once established a grade for any street, side-

walk, alley or park, and any owner of property abutting thereon has improved such property to conform to such grade, then the council shall not have authority to change such grade, except by consent of a majority of the owners by feet frontage of the property in front of which it is proposed to change such established grade.

SEC. 64. That the city council shall fix and determine the nature of all sidewalks, streets, drainage and sewerage improvements, and decide as to the kind of material to be used.

SEC. 65. That there be appointed by the city council, five citizens of Austin, who shall constitute a board of street and sewer commissioners. They shall hold office until the next general election and shall act gratuitously. The board shall be allowed, however, the sum of five hundred dollars annually, or such portion of the same as they may require to cover expenses, if any, which they may incur in performing the duties of their office.

SEC. 66. That it shall be their duty to prepare and recommend to the city council comprehensive plans for streets, sidewalks, sewers and drainage improvements, including material to be used and all other matters pertaining to the construction of the improvements.

SEC. 67. That all matters involving an outlay of as much as five hundred dollars, pertaining to any improvement of the character above mentioned shall first be referred to them, and an interval of not less than ten days, after such reference is formally made by the city council, shall be allowed them in which to report on the same to the said council; and it shall be their duty to examine, pass upon and report to the city council all plans and specifications relating to such improvement before the same are finally approved by the city council.

SEC. 68. That they shall also pass upon all bids received on matters relating to said improvements, and recommend such action with reference to the same, to the city council, as they may deem expedient. They shall also examine and pass upon all street work for the city, where the contract exceeds five hundred dollars, and such work shall not be accepted by the city council until their report on the same has been made to the city council; or until after the expiration of fifteen days from the time when the matter shall have been referred to them.

SEC. 69. The city council shall have power to employ and fix the compensation of such agents as it may deem for the best interest of the city; provided, that the compensation of such agents shall not be increased during the time of their employment; and provided further, that the city council may abolish any place created by it, and also discharge any person employed by it, at any time that it may deem that the best interest of the city require such action; and the city shall not be liable for the salary of such person after the place to which he has been elected has been abolished or he has been discharged by the city council.

SEC. 70. That the city council shall have power by ordinance:

1. To make regulations to prevent the introduction or spreading of any contagious disease within the city; to make quarantine ordinances for that purpose and to enforce them within the city and within ten miles thereof, and to enforce vaccination and to establish hospitals and to make regulations for the government thereof within and without the city limits; and to make and enforce all other necessary regulations to secure the general health of its inhabitants.

2. To establish or erect, or cause to be established or erected, market and market houses; to designate, regulate and control market places and privileges, and to inspect within or beyond the city limits and determine the mode of inspecting, cattle, meats, birds, fowl, fish, vegetables, fruits, milk, and to seize and destroy any decayed or unwholesome fruit or vegetables, any impure or unhealthy or unwholesome meats, birds, fowl, or fish, and to regulate, license, control or prevent the sale or keeping for sale on public streets, squares, and alleys of any article of food or drink, or any goods, wares and merchandise of any kind whatever.

3. To regulate, restrain, locate, abate, or prohibit slaughter houses, glue factories, bone boilers, hide houses or establishments for curing hides, soap factories, places for rendering lard, tallow, offal and other substances that can be rendered and all other establishments where any nauseous, dangerous, offensive, or unwholesome business may be carried on.

4. To define what shall be a nuisance in the city, and to punish the authors thereof by penalties, fines and imprisonment.

5. To do all acts and make all regulations which may be necessary or expedient for the promotion of health or suppression of disease.

6. To co-operate with the commissioners court of Travis county in making such improvements connected with the city and county as may be deemed by the city council and commissioners court necessary to improve the public health and to promote efficient sanitary regulations, and by mutual agreement they may provide for the construction of such improvements and the payment therefor.

7. To regulate the burial of the dead and to prohibit public funerals in cases of death from contagious or infectious diseases; to purchase, establish and regulate one or more cemeteries within or without the city limits; to regulate the registration of marriages, births and deaths; to direct the returning and keeping of bills of mortality, and to impose penalties on physicians, ministers, sextons and others for any default in the premises.

8. To provide for the erection of all needful buildings for the use of the city, within its limits, and to determine when it is necessary to acquire property or the use thereof, by the power of eminent domain for all purposes for which the city may lawfully exercise such power.

9. To license and regulate auctioneers, grocers, merchants, retailers, hotels, boarding houses and bakeries, and to license and regulate or suppress by ordinance, hawkers, peddlers, brokers, pawnbrokers and money changers.

10. To license and regulate hacks, carriages, omnibuses, wagons and drays and to fix the rate to be charged for carriage of persons and for wagonage, cartage and drayage of property.

11. To license and regulate theatrical and other exhibitions, shows and amusements.

12. To license and regulate billiard tables, bowling alleys, restaurants, drinking houses and saloons and all places and establishments where intoxicating or fermented liquors are sold, and to regulate their location; and to restrain and suppress street beggars, disorderly houses, lotteries and all fraudulent devices and practices.

13. To suppress gaming and gambling of all kinds and description and to prevent the same.

14. To prohibit bawdy houses, houses of prostitution and assignation houses, and to punish prostitutes and keepers of houses of prostitution within the city.

15. To provide for the prevention and extinguishment of fires and to organize and establish fire companies; also to regulate, restrain, and prohibit the erection and repair and maintenance of wooden buildings in any part of the city, and to declare all wooden buildings which they may deem dangerous on account of fire, nuisances, and to require the same to be removed in such manner as the council may direct.

16. To regulate and prevent the carrying on of manufactories dangerous in causing or producing fires; to appoint fire wardens and property guards with power to remove and keep away from the vicinity of any fire any suspicious person lurking near the same, and to compel any person or persons present to aid in extinguishing the fire, or in the preservation of property exposed to the same, and to prevent goods from being purloined thereat, and with such other powers and duties as may be prescribed by ordinance.

17. To compel the owners of houses and other buildings to have scuttles upon the roof of any such buildings or houses, and stairs and ladders leading to the same.

18. To create a board of fire commissioners.

19. To regulate and prescribe the manner of building partition and parapet walls and of partition fences.

20. To establish standard weights and measures and to regulate the weights and measures to be used in the city in all cases not otherwise provided by law.

21. To provide for the inspection of lumber, the measurement thereof and other building materials.

22. To provide for the inspection and weights of hay, the measure of charcoal and other fuel to be used in the city.

23. To regulate and prescribe the duties and powers, and compensation of all officers and employes of the city in accordance with limitations of this charter and to require bonds from them.

24. To provide for the taking of an enumeration of the inhabitants of the city.

25. To provide for the removal from office of any person holding an office created by this act or by ordinance not otherwise provided for.

26. To fix the compensation and regulate the fees of all jurors and witnesses, to impose fines, forfeitures and penalties for the breach of any ordinance, and to provide for the recovery and appropriating of such fines and forfeitures and the enforcement of such penalties; provided, that no penalty shall exceed a fine of two hundred dollars or imprisonment not exceeding fifteen days for any one offense, or both.

27. To erect a workhouse and prison and a house of correction, and to provide for the regulations and government thereof.

29. To prevent and restrain any riot, disturbance or disorderly assembly in any street, house or place in the city.

30. To use, regulate, improve, grade and control all grounds owned by the city within its limits.

31. To regulate the size, number and manner of construction of doors, and stairways of theaters, tenement houses, audience rooms, public halls, and all buildings used for the gathering of large numbers of people, whether now built or hereafter to be built, so that there may be convenient, safe and speedy exits in case of fire.

32. To require the construction of suitable fire escapes on or in hotels, lodging houses, factories and other buildings, whether now or hereafter to be built.

33. To authorize one or more officers, agents or employees of the city, to enter into and open all buildings and premises for the purpose of examining and discovering whether or not the same are dangerous on account of fire or in an unclean state, and cause the defect to be remedied and filth and trash to be removed; and generally the council shall have the power to establish such regulations for the prevention and extinguishment of fires as it may deem expedient.

34. To prevent, prohibit and suppress horse racing, immoderate riding or driving in the streets; and prohibit and punish abuse of and cruelty to animals of every kind; to compel persons to fasten their horses or animals attached to vehicles, while standing or remaining in the streets or other public places.

35. To prohibit, the rolling of hoops, flying of kites, firing of fire-crackers or fireworks of any kind, or any other amusement having a tendency to annoy persons passing in the streets or on the sidewalks; to restrain and prohibit or regulate the ringing of bells, the blowing of horns, whistles or bugles, the crying of goods and all other noises, practices or performances tending to collect persons on the streets or sidewalks by auctioneers or others for the purpose of business of otherwise.

36. To, prevent all boxing matches, sparring exhibitions, cock fighting and dog fighting, and punish all persons making such exhibitions.

37. To regulate and prevent drumming on the streets or sidewalks, railroad platforms or other public places.

38. To require the owners of private drains, sinks, and privies to fill up, clean, drain, relay, alter, repair, fix and improve the same as they may be ordered by resolution or ordinance, so as to prevent the same being or becoming a nuisance, and to impose penalties on persons not doing the same; and if there be no person in the city upon whom such order can be served, the city can have the work done and the cost of the same shall be a lien on the property taxed up against and collected in such manner as the city council may direct.

39. To build, own and operate street railroads within and beyond the city limits.

40. To preserve order and prevent noise and confusion in and about the several depots on the arrival and departure of trains, and to make and regulate stands for vehicles at said depots and other public places.

41. To prohibit and regulate the driving of cattle or other animals through the streets of the city.

42. To inspect the construction of all buildings in said city and to compel the connection of all buildings with sewers, when such buildings

are in the sewerage districts where sewers are in operation, and to prescribe the rates charged for such sewerage.

43. To regulate and locate the erection of all poles in the city, and cause the same to be changed, whether telegraph, telephone, electric light or otherwise.

44. To regulate the speed of locomotives, engines and other cars and vehicles in the city.

45. To direct and control the laying of railroad tracks, turnouts and switches, and require that they be constructed and laid so as to interfere as little as possible with the ordinary travel and use of the streets, and to require that they be kept in repair.

46. To erect, construct, build, operate and maintain a water and electric light system to supply the city and its inhabitants with water and electric lights, by constructing and maintaining a reservoir of water in and about the channel of the Colorado river, within and without the city limits by means of the dam across the same, as the same is now constructed, to serve as a reservoir and to furnish power to operate an electric light system, and build such other reservoirs as may be necessary at such an elevated point within and without the city as may be necessary to supply the higher portions of the city with water. That for the purpose of constructing and maintaining such water and light system, the city shall have the power to take, hold and acquire such property within or without the limits of the city as may be necessary for the city to obtain in order to build such system or any part thereof, but no property shall be taken, overflowed with water or otherwise damaged by the city within or without the limits for such purpose, without the consent of the owner thereof, except by due process of law, and upon making adequate compensation for the property so taken or damaged or overflowed. When the owner of property which shall be overflowed or damaged by the construction of such system of water and light works, or which it may be necessary for the city to acquire, cannot agree with the city as to the amount to be paid for injury to property or for overflowing same, or the price which the city should pay to acquire such property, the city may condemn such property as it may deem necessary for it to acquire for such purposes, and have the damages assessed which the city should pay for injury to property to be overflowed by water or otherwise injured in the manner that railroad corporations are now or may from time to time be authorized to condemn property, and may in like manner have the damages to be paid for the property injured or overflowed, assessed and established; the city occupying the place of the railroad corporation in such proceedings.

47. Each of them shall hold his office for a term of two years, and until his successor has been elected and qualified. They shall each, together with the aldermen of said city, be elected at a regular city election to be held on the first Monday in April of each alternate year, the first election to be held hereunder on the first Monday in April, 1899. Each of said officers shall take the oath of office prescribed by the Constitution of the State of Texas.

SEC. 72. The council shall provide for such policemen as may be necessary for the proper policing of the city, which policemen shall receive such compensation as may be provided by the council. The policemen shall be appointed by the marshal and confirmed by the council, but the right of confirmation shall not be held to give the right of substituting other names in the place of those nominated, nor shall a name once rejected be presented again within six months. Any policeman who shall take any part in any election, whether city, county, State, or national, other than voting, shall forfeit his position and the council upon proof shall so declare and the vacancy shall be filled as in case of first appointment.

SEC. 73. That when two or more persons shall have an equal number of votes for any office a new election shall be ordered, except when the election is contested, and whenever an election is contested the city council shall determine the same.

SEC. 74. That whenever any vacancy shall happen in the office of mayor or alderman within six months before time for holding a general election it shall be filled by election by the city council of some person

not a member of the council, in which case such officer shall hold office for unexpired term of office only vacancies occurring in said offices more than six months before a general election shall be filled by a special election by the qualified voters of the city.

SEC. 75. That any officer of the city may be removed from office, for any malfeasance in office, by a majority of two-thirds of the full board of aldermen, after trial and conviction. The council shall be the judge of what shall constitute malfeasance in office.

THE MAYOR.

SEC. 76. That the mayor shall sign the commission and appointments of all persons elected by the city council.

SEC. 77. That the mayor shall have power, when he deems it necessary, to require any officer of the city to exhibit his accounts or other papers; it shall be his duty to make a report to the council in writing regarding any error or deficiency he may discover in said accounts and papers.

SEC. 78. That the mayor shall preside at all meetings of the city council except as herein otherwise provided, and shall have a casting vote when the council is equally divided and not otherwise.

SEC. 79. That the mayor shall from time to time communicate to the city council information and recommend such measures as in his opinion may tend to the improvement of the finances, health, security, ornament and general prosperity of the city.

SEC. 80. That the mayor shall take care that the laws of the State and the ordinances of the city are duly enforced, respected and observed within the city, and he is hereby authorized to call upon every male inhabitant of the city over eighteen years of age and under the age of fifty years to aid in enforcing the laws and ordinances of the city, and any person who shall not obey such call shall forfeit to the city a fine not to exceed two hundred dollars.

SEC. 81. That the mayor, by and with the consent of the city council, shall have the power to remit fines, forfeitures and penalties, and to grant reprieves and pardons for all offenses arising under the ordinances of the city.

SEC. 82. That the mayor shall have power to solemnize marriages and to administer oaths of office.

SEC. 83. That the mayor shall try all cases of violation of the city ordinances.

CITY MARSHAL.

SEC. 84. That the marshal of the city shall be ex-officio chief of police, and shall be the chief police officer of the city under the mayor, and he shall, either in person or by deputy, attend upon the mayor's court while in session, and upon meetings of the city council and shall promptly and faithfully execute all writs and processes issued to him. He shall have like power with the sheriff of the county to execute the writ of search warrant. He shall be active in quieting riots, disorders and disturbances of the peace within the limits of the city, and shall take into custody all persons so offending against the peace of the city, and shall have the authority to take suitable and sufficient bail for the

appearance before the mayor's court of any person charged with an offense against the ordinances or laws of the city. It shall be his duty to arrest without warrant all violators of the public peace, and all who obstruct or interfere with him in the execution of the duties of his office, or who shall be guilty of any disorderly conduct or disturbance whatever in his presence, or upon complaint of any citizen. To prevent a breach of the peace or preserve quiet and good order, he shall have authority to close any theater, barroom, drinking house, or any other place or building of public resort, and in the prosecution and suppression of crime and arrest of offenders, he shall have, possess and exercise like authority and jurisdiction as the sheriff of the county under the laws of the State. He shall give a bond payable to the said city, and in such amount as the city council may require, said bond to be approved by the city council. He shall perform such other duties, possess such other powers, rights and authority as the council may by ordinance require and confer.

CITY CLERK.

SEC. 85. That it shall be the duty of the city clerk to attend all meetings of the city council and to keep accurate minutes of the proceedings thereof in a book to be provided for that purpose, to preserve and keep in order all books, papers, documents, records and files of said council, to countersign all commissions and licenses issued by the mayor, and to keep a record of them, and to draw all warrants on the treasurer, and countersign the same, and to keep accurate accounts thereof, in a book provided for that purpose.

SEC. 86. That he shall have the custody of all ordinances of said city, and of all seals of the corporation, and shall only affix the same to the obligations of the city by order of the proper authority of the city.

SEC. 87. That the city clerk shall perform such other and further duties as may be required of him by the council, by resolution or ordinance or otherwise, and give such bond as the city council may prescribe.

CITY ATTORNEY.

SEC. 88. That the city attorney shall be a regular licensed lawyer, who shall have received his license to practice law in this State more than five years before his election. He shall attend all cases in any court in the State wherein the city may be a party in interest, unless by the council otherwise provided. He shall draw all ordinances, when requested to do so by the mayor or any alderman, and inspect and advise upon all papers and documents involving any interest of the city. He shall be the legal adviser of the mayor, the city council or any committee or board of the city, and of all city officers, and authorities upon legal questions touching their official duties.

CITY ENGINEER AND EX-OFFICIO STREET COMMISSIONER.

SEC. 89. The city engineer and ex-officio street commissioner shall, with the advice of the mayor, have general supervision of all work on the streets and bridges of the city, within such limits of expense as the city council may, under the terms of this act, prescribe, and shall also

perform the duties of city engineer as fixed by the charter in force prior to the passage of this act, and such other duties as the council shall direct.

CITY ASSESSOR AND COLLECTOR.

SEC. 90. That the city assessor and collector shall assess and collect the city taxes and occupation licenses, and shall pay the same over to the city treasurer promptly as collected, taking duplicate receipts therefor, one of which he shall retain and the other he shall return to the council. He shall, monthly or oftener if required, make a detailed report to the city council of all collections made by him.

SEC. 91. That he shall be vigilant and see that no business is carried on without the license or occupation tax due thereon shall have first been paid. He shall be responsible for all acts of his deputies. He shall be vigilant in collecting all delinquent taxes, and enforce their collection as herein provided, and as may be provided by ordinance. He shall give bond in such amount and in such form as the council may prescribe, with good and sufficient security.

SEC. 92. That the city council may require a new bond if, in their opinion, the existing bond is insufficient, and whenever such bond is required, he shall perform no official act until such bond shall have been approved.

SEC. 93. That he shall have all the powers and perform all the duties herein provided, and such others as the council may confer and prescribe.

TREASURER.

SEC. 94. That the city treasurer shall give such bond or bonds as may be required, conditioned for the faithful discharge of his duties. He shall receive and keep all money belonging to the city, and make all payments of the same upon warrants of the mayor, attested by the city clerk.

SEC. 95. That he shall render a full and correct statement of his receipts and payments to the city council at their first regular meeting of every month, and at such other times as the council may require.

CITY PHYSICIAN.

SEC. 95½. The city physician shall perform the duties of city hospital physician, and such other duties as may be directed by ordinance.

SEC. 96. The mayor shall receive an annual salary of two thousand dollars; the city marshal shall receive an annual salary of one thousand five hundred dollars; the city clerk shall receive an annual salary of twelve hundred dollars; the city assessor and collector of taxes shall receive an annual salary of one thousand, seven hundred dollars; and he may employ an assistant at an annual salary of not exceeding eleven hundred dollars; the city physician shall receive an annual salary of twelve hundred dollars; the city treasurer shall receive an annual salary of one hundred dollars; the city attorney shall receive an annual salary of fifteen hundred dollars; and the city engineer and ex-officio street commissioner shall receive an annual salary of twelve hundred dollars.

THE MAYOR'S COURT.

SEC. 97. That the mayor shall be the chief judicial magistrate of the city, and as such shall hold a court within the city by the name of the mayor's court of the city of Austin, which said court shall have jurisdiction and cognizance of all misdemeanors, breaches of the peace, infractions of the ordinances of the city, subject, however, to an appeal to the county court, in the same manner as appeals are taken and granted from justices courts to the county courts under the General Laws of the State. Nothing herein shall be construed to repeal or in anywise affect the present law providing for corporation courts as provided for in Chapter 33, pages 40-44 of the General Laws of 1899.

SEC. 98. That the mayor may require of any person arrested under this act, or the ordinances of the city, a bond to keep the peace, with two good and sufficient securities, which bond shall be payable to the city of Austin. He shall have full power and authority to issue subpoenas for witnesses, and compel their attendance by process of attachment. He may issue warrants of arrest, search warrants, executions, and other process known to law that justices of the peace of this State may lawfully issue, and he may punish all contempt by fine or imprisonment, or both.

SEC. 99. That he shall have full power to administer official oaths and all other oaths or affirmations, and give certificate thereof. The mayor shall be ex-officio justice of the peace, and shall possess, within the city limits in criminal cases, all the powers and duties of such officer; but in no case shall he entertain jurisdiction of civil suits.

SEC. 100. That the mayor shall be conservator of the peace, and his court shall be open every day except Sunday, and legal holidays, to hear and determine any and all cases cognizable before him, and shall have power to bring persons before him forthwith for trial. Parties arraigned for violation of city ordinances, demanding a trial by jury shall deposit with the court the sum of three dollars security for the payment of the cost of such jury, unless they shall make oath that they are unable to pay or secure the same; any person convicted of an offense under the provisions of this act, or the ordinances of the city, shall be punished as may be prescribed by ordinance, not to exceed the punishment which the Legislature may lawfully authorize a mayor of a city to impose.

SEC. 101. That the fines imposed in the mayor's court for violations of the city ordinances, shall not be less than five dollars, nor more than two hundred dollars, for each and every offense, and no costs shall be taxed against any person convicted therein.

SEC. 102. That there shall be a board designated, and known as "The Austin Water, Light and Power Commission of the City of Austin," composed of four commissioners possessing the qualifications required for mayor of said city, and the mayor of the city of Austin, who shall ex-officio be a member thereof. Said commissioners to be elected by the qualified voters of the city, and to serve without compensation, and shall hold their offices for a term of two years, and until the election and qualification of their successors. They shall qualify within twenty days after their election, take the oath prescribed by the Constitution of the State; provided, the first election for said commissioners shall be at the general election to be held on the first Monday in April, 1901, and the com-

missioners heretofore elected, and now qualified and acting, shall continue in office for the period for which they were respectively elected, at the expiration of which time the city council on the nomination of the mayor, shall elect their successors, who shall serve until the commissioners elected on the first Monday in April, 1901, shall have qualified.

SEC. 103. The board and their successors shall take, and hold possession of, and have and receive general exclusive supervision, management and control of the system of waterworks, electric lights, and power plants of the city of Austin, and all property, funds and business belonging or appertaining thereto; and it shall have the exclusive power, and it is charged with the duty as a branch of the city government, to furnish all water, light and power adequate to the requirements of the city of Austin for public use, and for such compensation to be paid by the city as hereinafter provided; and said board shall have power to make and enforce, any and all contracts deemed proper by it, and not prohibited by law or this act, in connection with its duties and powers hereby given it. Said board shall further have the power and is hereby given the right to use the same banks of the Colorado river within the limits of the city of Austin for the purpose of maintaining and constructing wells, canals and such other improvements as may be deemed needful by the board, for properly carrying on its business in pursuance of its powers as such board; and the city of Austin is hereby invested with the right of eminent domain to be exercised by said board for the city of Austin, in the acquisition of any property necessary for the maintenance of said system, and shall have the power to improve, extend, add to or change said system under its control, as the board may from time to time determine, and to dispose of all property not needed for the proper management of the plant and system.

SEC. 104. The said commission shall have the power to employ and discharge at pleasure the persons necessary to successfully operate said water, light and power system, and to fix salaries and amounts of compensation each employe shall receive, with power to reduce or change such compensation at its pleasure; and when deemed necessary by it, to require of employes such bonds as may be deemed proper.

SEC. 105. That said commission shall have the power, and it shall be its duty to make and enforce all rules and regulations necessary for the protection of said property, and the operation of said business, and to fix all rates and charges for water, light and power, to be paid by all consumers; provided, that the charges to be paid for water by the city, and for the light and power for the public use, shall be as follows: For each fire hydrant, not more than thirty dollars per year. For each watering trough, not more than forty dollars per year. For flushing gutters and supply of public grounds and property with water, not more than one thousand dollars per year. For water used by the city for all other purposes and for lights and power, at a rate not to exceed one half of the meter rates fixed from time to time for other consumers generally; and provided that the rates charged by said commission shall at no time be so high that the proceeds exceed in amount a sufficiency to pay interest and sinking fund on the water and light bonds of the city of Austin, operating expenses and general expenses deemed proper for the benefit of the system; and the commission shall have the power and it is its duty to provide the method and fix the time when payment of rates and

charges shall be made, and to receive and collect all money due from said system; and it may in its own name institute and conduct any suit in the courts having jurisdiction thereof, for the collection of debts due it, for the recovery or protection of said property or for damages thereto; that said commission shall keep a record of its proceedings, and a list of rates, both of which shall be subject to inspection at all times during office hours; and it shall make report to the city council quarterly, showing the revenues and expenditures had, made and contracted for during the last preceding three months, and at the end of each fiscal year a report showing additionally the condition of the system, the property, funds, and securities which have come into its hands during said year, and the disposition thereof; which report shall be audited under the direction of the city council; and shall be published in such manner as the council may direct.

SEC. 106. That the commission shall, at the first meeting after each election and qualification of members of the board, elect one of their members president and another vice-president, who shall, unless they sooner vacate the same, hold their offices until the next meeting of the board after the next election and qualification of members of said board; and in case of vacancy in either position the board shall elect from its members a member to fill such vacancy for the unexpired term. Any three members of said board shall constitute a quorum for the transaction of business in regular meeting, and at least one regular meeting shall be held each month. The board shall keep on file vouchers for all expenditures, and may prescribe such further rules for the conduct of its business as from time to time it may deem proper; provided, that no money shall be paid out except after appropriation made therefor at a regular meeting of said commission; and provided, that the treasurer shall only pay out money upon the draft against such appropriation of the president or vice-president, if, under the rules of the commission, he is acting for the president, and no other member of the commission; and providing further, that the revenue arising from the said water, light and power plant shall be applied by said commission: First: To the payment of the current expenses of the business, and second, to all reasonable improvements and additions to said system, and third, the surplus shall be transferred by the commission to the interest and sinking fund of the water and light bonds of the city of Austin. Such transfer to be made at least ten days prior to the time at which any installment of the interest or sinking fund shall become due and payable upon the water and light bonds of said city, toward the payment of which such surplus fund shall be applied, and it shall be the duty of said commission, at least thirty days prior to the annual levy of taxes by said city to report to the city council an estimate of such surplus for the year for which taxes are to be levied.

SEC. 107. The treasurer of the city of Austin is hereby made the ex-officio treasurer of the water, light and power commission of the city of Austin; and as such treasurer for said commission he shall give bond payable to the city of Austin, and subject to the approval of the commission, in a sum to be fixed by said commission, and not less than twenty-five thousand dollars, conditioned for the faithful performance of all duties devolving upon him as said treasurer of said commission; any guaranty company having complied with the provisions of the laws or Texas in that respect may become surety upon such bond.

SEC. 108. The said commission shall have a seal with its name inscribed thereon, which shall be kept by the person designated by the commission as secretary, and copies of all records and official books, and accounts of the said commission, certified under the hand of the president and attested by its secretary and seal shall be admitted in evidence in all courts.

SEC. 109. The commission may lease any surplus of power for such periods of time not exceeding twenty years and for such prices as it may deem expedient, subject always to the right of the city to use of sufficient water to properly operate the plant; provided, that all contracts for the lease of such power or any part thereof shall contain stipulations fixing the time within which such power shall be used and for what purpose, and that the right to use the same shall be forfeited upon the failure to use the same within the time stipulated in such contract for the purpose therein specified, or for the abandonment of the usage of the same for a period to be specified in such contract, or for sub-leasing or assigning the same or parts thereof, or charging others for the use thereof without the written consent of said commission, or for failure to pay for same at such time as may be fixed for the payment in such contract, and the contract shall provide that the commission may discontinue the supply of power to such lessees, whenever, in its discretion, it may be necessary to do so; in order that said system may be properly operated; and such lessees shall not have a right of action against the city of Austin for any damages arising out of such discontinuance; but shall be entitled to a proportionate rebate on their contract price for such power.

SEC. 110. That it shall be unlawful for any commissioner to be interested either directly or indirectly in any contract or transaction by said commission with any person or persons, or in the purchase of any material or supplies made by such commission.

SEC. 111. If any person shall wilfully do or cause to be done any act whereby any work, material or property whatever, erected within or without the city of Austin, or used by the board, or by any person acting under its authority, for the purpose of securing or keeping a supply of water, light or power shall be injured or shall wilfully throw or place or cause to be thrown or placed, any carcass of any dead animal or person, or any other deleterious or filthy substance whatever, in any reservoir, pipe or aqueduct of said system through which water for public or private use is conveyed, or shall throw or place, or caused to be thrown or placed, in the Colorado river, or any of its branches, any such substance above the city dam across the Colorado river within the city limits, or wilfully do, or cause to be done, any act to pollute said water, he shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than ten dollars and not exceeding two hundred dollars.

SEC. 112. That if any person without the written consent of the commission or its agent duly thereunto authorized, shall perforate above, or cause to be perforated or bored, any distributing pipe, main, or aqueduct, or cut, remove or otherwise injure any pole or attachment to either, or shall wilfully injure any reservoir or other appliances, or machinery used as a part of or in connection with the said water, light and power plant or system, or make or cause to be made any connection with said pipe, aqueduct, or works, or appliances without such written authority previously

obtained, the person so offending shall be guilty of a misdemeanor and shall, upon conviction thereof be punished by a fine of not less than ten nor more than two hundred dollars.

SEC. 113. No prosecution herein provided shall preclude the commission from recovering damages in any civil action.

GENERAL PROVISIONS.

SEC. 114. That the city council shall have power subject to the restrictions herein contained, to make all ordinances which may be necessary and proper for carrying into effect the powers specified herein; provided, that the council shall have no power to prohibit the owners of property abutting on the Colorado river, from fishing in that river, and resorting thereto for water, and having access thereto for themselves and stock.

SEC. 115. That all ordinances of the city of Austin and rules and regulations of the city council, and other departments of the city, which shall be in force when this act takes effect, and which are not in conflict with the same, shall remain in full force and effect until amended, altered, or repealed by the city council.

SEC. 116. That the mayor, members of the city council and other officers of the city who shall be elected at the city election ordered under the old charter, and to be held on the first Monday in April, 1901, shall continue in office until the next general election in said city, to be held on the first Monday in April, 1903, and until their successors are elected and qualified as provided for in this act, and until such time shall receive the compensation now paid them, respectively. That the city council, shall within twenty days after this act becomes a law, order a special election to elect from each ward by the voters of said ward one alderman, who shall hold office until the next general election for city officers, and together with the seven aldermen elected by the city at large at the election held on the first Monday in April shall constitute the city council.

SEC. 117. That the fiscal year of the city shall be from and including the first day of January of each year, to and including the thirty-first day of December of said year; and all receipts of money during such fiscal year shall be regarded as funds belonging to such fiscal year, whether collected from the taxes or other dues of a previous year or not, and all taxes and other dues remaining due and uncollected at the expiration of one fiscal year shall be regarded as resources of the next succeeding fiscal year.

SEC. 118. That the receipts of money during any fiscal year, either from special funds provided to pay interest and sinking fund, or bonds of the city, shall be applied to the payment of expenses and indebtedness incurred during such fiscal year; and no debt other than such as may be authorized by a vote of taxpayers, as is provided for in this act shall be incurred to be paid after the end of the fiscal year in which it may be incurred.

SEC. 119. That no contract shall be made involving the payment of money by the city after the termination of the fiscal year in which it is made, except for constructing public works, or other improvements, which in the judgment of the council, cannot be practically completed before the end of the fiscal year; but no contract made for such public

works or improvements, shall in any event involve the payment of a greater sum, after the close of the fiscal year in which such contract is made, than may be paid out of the fund belonging to such fiscal year, and in all such cases an appropriation shall be made out of the funds for the pending fiscal year for the payment of the amount the city will become liable for if such contract is performed; such appropriation shall be made at the time such contract shall be executed, or the contract shall not be valid; provided that this section shall not apply to the expenditures of any special funds raised by the issuance of bonds for special purposes.

SEC. 120. That in order to make these restrictions effective, the council shall within two months after the beginning of each fiscal year, and after the salaries of officers and regular employes shall have been fixed for the year, cause to be made, or adopt an estimate of the probable income from all sources, which will be collected for the general fund during the fiscal year; and of the expenditures to pay salaries and wages of officers and regular employes, and of the amount required to meet the other ordinary expenses of the city government, not including work on streets and bridges, or other public improvements; said estimate shall be spread upon the minutes of the council when adopted, and may be amended when the council may deem them incorrect.

SEC. 121. That after the adoption of the said estimate it shall be unlawful for the city council to so appropriate sums out of the general funds as to reduce the general fund below the amount which if said estimate be taken as correct, will pay the said estimated expenses of the city government for the pending fiscal year.

SEC. 122. That after two months from the beginning of any fiscal year, no appropriation shall be made for any other purpose, other than to pay the regular salaries of officers and employees, and expenses of the hospital, without such estimate of the city council being in force as provided for in this act.

SEC. 123. That the city clerk shall keep posted in a conspicuous place in the council room a copy of the estimate provided for in the preceding sections and shall note in connection therewith the aggregate of each appropriation ordinance affecting the general funds, passed by the city council after the same takes effect.

SEC. 124. That the unexpended balance of appropriations remaining after the purposes for which they were made have been accomplished, or abandoned, shall be reported to the city clerk by the committee or officers of the city, having the subject in charge, and when so reported such unexpended balances of appropriations shall be noted in connection with said estimates so posted in the council room.

SEC. 125. That no money shall be paid out of the city treasury except by warrants signed by the mayor and attested by the city clerk.

SEC. 126. That the inhabitants of the city of Austin are hereby exempted from working on public roads beyond the limits of the city.

SEC. 127. That the ordinances, resolutions and by-laws of the city council may be proved *prima facie* by a book of printed ordinances of the city appearing to be printed by the authority of the city, or by copies of ordinances certified by the city clerk to be true copies of such ordinances or the record thereof.

SEC. 128. That the city of Austin may institute and prosecute suits

without giving security for costs, and may appeal from judgment without supersedeas or cost bond.

SEC. 129. That the board of trustees of the public free schools of the city of Austin, now acting under elections heretofore held shall continue in office until their successors shall qualify, and the terms of office of the members of said board respectively are hereby changed to conform to the change in the time of the general election of city officers, so that the members of the board, whose terms would have expired in December, 1899, shall expire with the first general election of city officers undis this charter, and the terms of the remaining members shall expire with the second general election held thereafter, and at each general election of officers under this act members of said board of trustees shall be elected in conformity with the laws of the State upon the subject, and the said board of trustees shall continue to manage and control the public free schools of the city of Austin in accordance with the General Laws applicable to cities which have acquired exclusive control of the public free schools within their limits.

SEC. 130. Nothing herein contained shall ever be construed to in any manner suspend, modify or abridge any penal laws of this State; but the penal laws of this State shall ever be in full force and effect, and in no manner repealed or suspended by any provision of this act; but the council may enact any ordinance not in conflict with the penal laws of this State.

SEC. 131. That the territory of the city of Austin not embraced within its corporate limits, prior to the first day of May, 1890, shall not be charged with or liable for any debts of the city of Austin incurred prior to said date.

SEC. 132. That the jurisdiction and powers conferred on the city of Austin by this act shall supersede the authority of each and all other municipal corporations heretofore exercising any authority over any part of the territory included within the boundaries of the city of Austin as prescribed by this act.

SEC. 133. That the city council shall cause to be published within a month after the end of each fiscal year, a full, complete and detailed statement of all moneys received and expended, classifying each receipt and expenditure under its proper head.

SEC. 134. That this act is declared a public act and may be read in evidence in all courts of law and equity in this State without proof.

SEC. 135. That all laws and parts of laws which are in conflict with this act be and the same are hereby repealed.

SEC. 136. That any official or other bond required or permitted under this act may be made in any surety or guaranty company authorized to do business in this State.

SEC. 137. Eight hours shall be and constitute a day's labor on all work performed for the city by mechanics, artisans and laborers, whether performed directly for the city or indirectly by contract.

SEC. 138. The fact that the regular city election is fast approaching creates an imperative public necessity and emergency requiring the suspension of the constitutional rule which provides that bills shall be read on three several days, which said rule is accordingly suspended, and it is therefore enacted that this act shall take effect and be in force from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 97, nays 0; and was reported to the Senate, where same was amended and passed by two-thirds vote, yeas 26, nays 3; House concurred in Senate amendments by two-thirds vote, yeas 106, nays 2.]

TEXAS, SABINE VALLEY & NORTHWESTERN RAILWAY CO.,
 TEXAS & SABINE VALLEY RAILWAY CO., MARSHALL,
 TIMPSON & SABINE PASS RAILROAD CO.—
 AUTHORITY TO SELL PROPERTY
 AND FRANCHISES.

S. B. No. 273.]

CHAPTER IX.

An Act to authorize the Texas, Sabine Valley & Northwestern Railway Company, the Texas & Sabine Valley Railway Company and the Marshall, Timpson & Sabine Pass Railroad Company, or either of them, or any two of them, to sell their railroads, together with all their property, franchises and rights, incident or appertaining thereto, to any railroad corporation to be chartered for the purpose of building and constructing a railroad from either the terminus of the Texas & Sabine Valley Railway at Boren, in Panola county, Texas, by way of Teneha, in Shelby county, Texas, through the counties of Panola, Shelby, San Augustine, Jasper, Orange and Jefferson, in Texas, to some point in Texas on the Gulf of Mexico, or from the terminus of the Marshall, Timpson & Sabine Pass Railroad at Timpson, Shelby county, Texas, through the counties of Shelby, San Augustine, Jasper, Orange and Jefferson, in Texas, to some point in Texas on the Gulf of Mexico, and from the terminus of the Texas, Sabine Valley & Northwestern Railway at Longview, in Gregg county, Texas, through the counties of Gregg, Upshur, Camp, Wood, Franklin, Hopkins, Delta and Lamar, in Texas, to some point on the line between Texas and the Indian Territory, and to authorize the new company to purchase the railroads, property, rights and franchises of either one, two, or all of said railway companies; the purchasing company to assume all the obligations of the selling companies except their bonded indebtedness, and to prescribe the conditions and terms of the sale, and to authorize the selling companies to execute all necessary contracts, agreements and conveyances to accomplish the purchase and sale, and to allow the purchasing company to build and construct branch lines to its line of railway by amendments to its charter in accordance with law.

Whereas, the same persons are the owners of practically all the stock of the Texas, Sabine Valley and Northwestern Railway Company, the Texas and Sabine Valley Railway Company, and the Marshall, Timpson and Sabine Pass Railroad Company, and that said Texas, Sabine Valley and Northwestern Railway extends from a point at Longview, in Gregg county, Texas, through the counties of Gregg, Harrison, Rusk and Panola, in Texas, to a point at Carthage, in Panola county, Texas, a distance of about thirty-eight miles, and that said Texas and Sabine Valley Railway extends from the terminus of the Texas, Sabine Valley and Northwestern Railway at Carthage, in Panola county, Texas, to Boren, in Panola county, Texas, a distance of about two miles, and that said Marshall, Timpson and Sabine Pass Railroad extends from the terminus of the Texas, Sabine Valley and Northwestern Railway at Carthage, in Panola county, Texas, through the counties of Panola and

Shelby to Timpson in Shelby county, Texas, a distance of about twenty miles, and,

Whereas, the stockholders owning the stock of the Texas, Sabine Valley and Northwestern Railway Company, the Texas and Sabine Valley Railway Company and the Marshall, Timpson and Sabine Pass Railroad Company are desirous of extending their railroad by constructing a railroad either from the terminus of the Texas and Sabine Valley Railway at Boren in Panola county, Texas, through the counties of Panola, Shelby, San Augustine, Jasper, Orange and Jefferson counties, in Texas, to some point in Texas on the Gulf of Mexico, or from the terminus of the Marshall, Timpson and Sabine Pass Railroad at Timpson in Shelby county, Texas, through the counties of Shelby, San Augustine, Jasper, Orange and Jefferson, in Texas, to some point in Texas on the Gulf of Mexico, and from the terminus of the Texas, Sabine Valley and Northwestern Railway at Longview, in Gregg county, Texas, through the counties of Gregg, Upshur, Camp, Wood, Franklin, Hopkins, Delta and Lamar, in Texas, to some point on the line between Texas and the Indian Territory, and

Whereas, in order to effect this extension the stockholders of the Texas, Sabine Valley & Northwestern Railway Company, the Texas & Sabine Valley Railway Company, and the Marshall, Timpson & Sabine Pass Railroad Company are desirous of selling the rights, franchises and property of the said companies to some railroad company to be organized for the purpose of building and constructing a railway from either Boren, in Panola county, Texas, through the counties of Panola, Shelby, San Augustine, Jasper, Orange and Jefferson, to some point in Texas on the Gulf of Mexico, or from Timpson, in Shelby county, Texas, through the counties of Shelby, San Augustine, Jasper, Orange and Jefferson, in Texas, to some point in Texas on the Gulf of Mexico, and from Longview, in Gregg county, Texas, through through the counties of Gregg, Upshur, Camp, Wood, Franklin, Hopkins, Delta and Lamar, in Texas, to some point on the line between Texas and the Indian Territory, and

Whereas, if an extension should be built and constructed over the proposed route from the terminus of the Texas & Sabine Valley Railway from Boren, in Panola county, Texas, the angle formed by such extension with either the Marshall, Timpson & Sabine Pass Railroad or the Texas, Sabine Valley & Northwestern Railway, would be greater than twenty-five degrees, and

Whereas, the said railway companies have duly given notice of their intention to apply to the Legislature of the State of Texas for the passage of this special law by having a statement of the substance thereof duly published as required by the Constitution and laws of this State; and the evidence of such notice having been so published, has been duly exhibited and shown to the Legislature; now therefore

Be it enacted by the Legislature of the State of Texas:

SECTION 1. The Texas, Sabine Valley & Northwestern Railway Company, the Texas & Sabine Valley Railway Company, and the Marshall, Timpson & Sabine Pass Railroad Company (all corporations organized and existing under the laws of this State), or either of them, or any two of them, are hereby authorized and empowered to sell, transfer and convey their railroads and all property, real, personal and mixed, franchises and rights, incident or appertaining thereto to any railroad

company obtaining a charter to build and construct a railroad from either the terminus of the Texas & Sabine Valley Railway at Boren, in Panola county, Texas, by way of Teneha in Shelby county, Texas, through the counties of Panola, Shelby, San Augustine, Jasper, Orange and Jefferson, in Texas, to some point in Texas on the Gulf of Mexico, or from the terminus of the Marshall, Timpson & Sabine Pass Railroad at Timpson, in Shelby county, Texas, through the counties of Shelby, San Augustine, Jasper, Orange and Jefferson, in Texas, to some point in Texas on the Gulf of Mexico, and from the terminus of the Texas, Sabine Valley & Northwestern Railway at Longview, in Gregg county, Texas, through the counties of Gregg, Upshur, Camp, Wood, Franklin, Hopkins, Delta and Lamar, in Texas, to some point on the line between Texas and the Indian Territory, and said new railroad corporation is hereby authorized and empowered to purchase the railroads heretofore mentioned and all property, real, personal and mixed, and all franchises and rights incident or appertaining thereto, and when the said property is so purchased the said purchasing company shall, and it is hereby authorized to own and operate the same under its charter as a part of its own line, and shall have the right by amendment to its charter made under the General Laws of this State, to extend and construct branches to the lines of railroad hereinbefore mentioned, or to the extensions thereof in accordance with the laws of this State; and power is hereby conferred upon each and all of said railway companies to make all necessary contracts and conveyances to accomplish such sale and purchase.

SEC. 2. The sale and purchase herein authorized to be made shall be subject to all just and legal suits or actions for debt and for damages, rights of way, judgments and debts contracted or incurred by any one of the railway companies herein named, except that no bonded indebtedness, or suit thereon, existing against any one of the railway companies herein named at the time of the sale and purchase shall be assumed by the purchasing company, and such bonded indebtedness shall not be a debt against the new company, and shall not be a lien on any of the property of the new company except such property as it has a lien on prior to the sale and purchase; all other indebtedness or liabilities outstanding against either of the railway companies at the time of the sale and purchase, except the bonded indebtedness, is to be assumed by the purchasing company.

SEC. 3. The owners of the stock of the said companies making the sales may accept the stock in the purchasing company as compensation for the property so conveyed, if they so desire.

SEC. 4. The sale and purchase herein authorized shall be valid and binding only when approved by the assent of the holders of at least four-fifths of the outstanding capital stock of the company or companies selling, and four-fifths of the outstanding capital stock of the company purchasing, given in writing, or at a meeting of the said stockholders of the said railway companies, respectively, and certified copies of the records of the proceedings of such corporate meetings authorizing the same under the hands of the secretaries of said railway companies, and the corporate seal of said companies shall be filed with the Secretary of State of this State; provided that the sale and conveyance contemplated by this act shall not be valid unless the purchasing company, (if it extends its road from Boren, in Panola county, Texas,) shall complete

said road and put it in good running order to the town of Teneha, in Shelby county, Texas, within two years from the time this act shall take effect, or, if said extension shall be made from Timpson, in Shelby county, Texas, or from Longview, in Gregg county, Texas, said company shall construct its said extension a distance of at least fifteen miles within said two years.

The fact that important public interests are to be subserved by the passage of this act, and that a necessity exists for the immediate building of railroads in the counties mentioned in this act, so as to improve the transportation facilities in such counties, and the great number of bills now pending before the Legislature, creates an imperative public necessity and an emergency which justifies a suspension of the constitutional rule requiring bills to be read in each house on three several days, and such rule is therefore so suspended and that this act take and be in force from and after its passage, and it is therefore so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by vote, yeas 19, nays 3; and passed the House of Representatives, no vote given.]

Approved April 15, 1901.

Takes effect 90 days after adjournment.

DALLAS—AMENDMENT TO CHARTER.

S. B. No. 258.]

CHAPTER X.

An Act to amend the charter of the city of Dallas entitled "An Act to incorporate the city of Dallas and to grant it a new charter," approved May 9th, 1890, as amended by an act entitled "An Act to amend Sections 12, 56, 77, 119 and 120 of "An act to incorporate the city of Dallas, and to grant it a new charter, approved May 9, 1899, passed by the First Called Session of the Twenty-sixth Legislature, and to provide a just and effective law for making necessary street improvements and paying the cost of the same, by adding to said city charter of the city of Dallas, Sections 1a to 30a inclusive, and by repealing all laws and parts of laws in conflict with such added sections, and to declare an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1a. That an act entitled "An Act to incorporate the city of Dallas and to grant it a new charter," approved May 9, 1899, as amended by an act entitled an act to amend Sections 12, 56, 77, 119 and 120 of "An Act to incorporate the city of Dallas, and to grant it a new charter, approved May 9, 1899, passed by the First Called Session of the 26th Legislature, and the same is hereby amended by adding thereto Sections 1a to 30a, inclusive, of this act.

Section 2a. Whenever the city council shall deem it necessary to grade, fill, raise, repair, macadamize, remacadamize, pave, repave or otherwise improve any avenue, street or alley, or portion thereof, or to make, repair or improve any gutter or gutters, curb or curbs, or sidewalk or sidewalks on any avenue, street or alley, or portion thereof, and shall be of the opinion that certain real estate abutting on or in the vicinity

of such proposed improvement or improvements will be specially benefited thereby, and shall deem it just for the owner or owners of such real estate so specially benefited to pay the cost of such proposed improvement or improvements, or a portion of such cost, the city council shall by resolution so declare, such resolution to define the limits within which all real estate will be so specially benefited by such proposed improvement or improvements. All real estate within such limits, as such limits may be finally established as hereinafter provided, shall be known as an improvement district, and when so established, shall be designated by a certain number.

Section 3a. An improvement district shall include all such real estate, and only such real estate, as in the opinion of the city council will be specially benefited by such proposed improvement or improvements, in proportion to its value, and to an amount at least as great as its pro rata of the cost of such proposed improvement or improvements, or so much of such cost as shall be paid solely by the owners of the real estate within such improvement district.

Section 4a. Such resolution of the city council, hereinbefore provided for, shall also specify the general nature and character of the proposed improvement or improvements and shall direct the city engineer to prepare and submit to the city council an estimate of the cost of the same.

Section 5a. Such resolution of the city council, hereinbefore provided for, shall also direct the city tax assessor to report in writing to the city council the total assessed value of all the real estate within such improvement district, according to the last annual assessment.

In case the records of the city tax assessor do not show the assessed value of all the real estate within such improvement district, the city tax assessor shall estimate the actual value of all such real estate within such improvement district whose assessed value is not separately shown by his records, and shall include such estimated value in his report hereinbefore provided for.

Section 6a. The reports of the city engineer and the city tax assessor hereinbefore provided for shall be advisory only, their purpose being to furnish the city council with information that will aid the city council in finally determining whether or not such proposed improvement or improvements shall be made, and how and by whom the cost of the same shall be paid; and no errors or omissions in such reports, or either of them, shall validate any of the proceedings of the city council, or any proceedings that may be had under the order or authority of the city council.

Section 7a. After receiving and considering the reports from the city engineer and city tax assessor hereinbefore provided for, if the city council is then of the opinion that the proposed improvement or improvements should be made, the city council shall direct the city engineer to prepare complete specifications for the same, which specifications shall prescribe the manner in which the work shall be done, and the nature, quality and character of the materials to be used, and shall also contain such other provisions as the city council may deem proper. When such specifications are submitted to the city council by the city engineer, they may be amended by the city council to whatever extent may be deemed proper, subject to the provisions of this act, and may then be adopted by the city council. If a majority in value of the resident real estate owners within

any such improvement district shall in writing petition the city council to make any such improvement or improvements according to specifications or of materials designated in such petition, or shall by petition specify how the cost of the same taxable against the owners of real estate within such improvement district shall be paid, within the authority and the limitations prescribed by this act, it shall be mandatory on the city council, if such improvement or improvements shall be made at all, to comply with such petition, and, in that event, such improvement or improvements shall be made of the materials and according to the specifications designated in such petition, the city council to have the power to add such details and other provisions to such specifications, not inconsistent with such petition, as the city council may deem proper.

Section 8a. Before the construction of such proposed improvement or improvements shall be finally ordered, and subject to the provisions of this act, the city council shall by resolution or otherwise determine how the cost of the same shall be paid, whether wholly by the owners of the real estate within such improvement district, or in part by such owners and in part out of the general revenues of the city or other revenues or resources that may be properly appropriated for that purpose.

Section 9a. After the proceedings hereinbefore provided for the city council shall cause at least ten days notice to be given to all persons and corporations owning any real estate within such improvement district, or any interest in such real estate and any and all other persons and corporations in any way interested in such proposed improvement or improvements, or in the manner in which the cost of the same is to be paid, which notice shall briefly state the nature of such proposed improvement or improvements, and shall refer to the specifications for further particulars, and shall state the limits of such improvement district, and shall notify all such persons and corporations to file in writing with the city secretary any objections they may have either to the making of such improvement or improvements, or to the manner in which the cost of the same is to be paid, or to the manner in which said improvement district is constituted, or any other objections any such persons or corporations may desire to present. Such notice shall state the time when such objections shall be filed, which time shall be after the final publication of such notice, and such notice shall be served by causing the same to be published for at least ten days in a daily newspaper of general circulation in the city. A newspaper published on all week days but not on Sunday shall be deemed a daily newspaper within the meaning of this act.

Section 10a. At any regular or adjourned meeting of the city council, or any special meeting called for that purpose, after the lapse of the time provided for receiving objections as hereinbefore provided, the city council shall hear and determine all objections that may have been filed, and such hearings may be continued from time to time until all such objections are fully considered and disposed of. At such hearing or hearings full opportunity shall be given to the parties filing such objections, to present the same to the city council, together with any proper evidence in support of such objections that they may desire to offer, and the city council shall thereupon make such orders and directions on such objections as may be just and proper, and any and all objections not so presented shall in any subsequent judicial or other proceedings be considered as waived.

Section 11a. If it shall appear from such objections filed that the owners of two-fifths in value of real estate within such improvement district are opposed to the making of such improvement or improvements, the cost of which is to be charged in whole or in part against them, in that event the city council shall so declare, and shall not order said improvement or improvements made. If a majority in interest shall fail to object, in the time and manner hereinbefore specified, the city council shall have the power to order such improvement or improvements made, and to provide for the payment of the cost of the same as provided in this act, and as otherwise provided in said city charter.

Section 12a. If it shall appear upon the hearing of such objections that any real estate within such proposed improvement district will not be specially benefited by such proposed improvement or improvements in proportion to its value, and to an amount at least as great as its pro rate of the cost of such proposed improvement or improvements (or its pro rate of so much of such cost as is to be paid by the owners of the real estate within such improvement district), in either of such events such real estate shall be excluded from such proposed improvement district, and the remaining real estate shall be constituted and established as such improvement district. If no such objections shall be made, or if no such objections that are made shall be sustained, in either of such events the real estate within the limits originally proposed shall be constituted and established as such improvement district.

Section 13a. No real estate of any kind within any such improvement district shall be exempt from any of the taxes, assessments and charges authorized by this act.

Section 14a. After hearing and disposing of any and all objections, remonstrances and petitions that may have been filed in accordance with Sections 9a, 10a, 11a, and 12a of this act, and after finally settling the limits of such improvement district, and after adopting the specifications for such improvement or improvements, and after determining how the cost of the same shall be paid, the city council shall order an advertisement for sealed bids for the work. Such advertisement shall be published for at least ten days in some daily newspaper designated by the city council, having a general circulation in the city of Dallas, and may also be otherwise and elsewhere published if the city council shall so direct, and such advertisement shall state when and where bids shall be received, and shall contain such other information and direction as may be deemed proper. All bids shall be opened at a regular or special public session of the city council, and in the presence of such bidders or their agents or representatives as desire to attend. The contract for the work shall be awarded by the city council to the bidder whose bid is in their judgment most advantageous to the city and to the property owners who are to contribute to the payment of the cost of the work. The city council shall have the power in its discretion to reject any or all bids, or parts of bids, and shall reject any bid or bids if requested so to do by written petition of a majority in value of the real estate owners within such improvement district, and one week shall be allowed after opening bids for the filing of any such petition or petitions.

Section 15a. At any time within one week after the contract for the work has been awarded by the city council, any person or persons, corporation or corporations having any interest in any real estate within

such improvement district, or otherwise having any financial interest in such improvement or improvements or in the manner in which the cost of the same is to be paid, and who desire to contest on any ground or grounds whatsoever, the validity of any of the proceedings that may have been had or ordered, or the validity of the lien for the cost or any part of the cost of any such improvement or improvements upon any property that the city council may have declared to be subject to such lien, may institute suit for that purpose in any court of competent jurisdiction.

Any person or persons, corporation or corporations, who shall fail to institute such suit within one week after such contract has been awarded, or who shall fail to diligently prosecute in good faith any such suit to final judgment, shall be forever barred and estopped from making any such contest or contests, and this estoppel shall also bind their heirs, successors, executors, and administrators and assigns. The city of Dallas and the person or persons to whom the contract has been awarded shall be made defendants in any such suit, and such other parties may also be joined as plaintiffs or defendants as may be proper. The plaintiff or plaintiffs in any such suit shall, when the suit is instituted, also file a bond with at least two good and sufficient sureties, to be approved by the clerk or judge of the court where such suit is filed, payable to the defendants, conditioned that the plaintiffs will diligently and in good faith prosecute such suit to final judgment, and will abide the judgment, sentence or decree of the court. If, upon final hearing, the judgment shall be against the plaintiff or plaintiffs in such suit, he or they, and the sureties on said bond, shall be liable to defendants for all costs, damages, and reasonable expenses and attorneys fees that may have been incurred on account of such suit, and the same may be recovered either by cross-action in the same suit, or by an independent suit, as defendants may elect. There shall be attached to plaintiff's petition in such suit an affidavit to the truth of the matters alleged in the petition, and that such suit is brought in good faith, and not to injure or delay the city or the contractor of any real estate owners within such improvement district. Unless the provisions of this section are complied with by plaintiff or plaintiffs, such suit shall be dismissed on motion of defendant or defendants, and in that event plaintiff or plaintiffs shall be barred and estopped to the same extent as if such suit had not been filed.

Section 16a. If within one week after the awarding of the contract any such suit or suits shall be brought, as provided in Section 15a, the performance of the work shall be suspended, at the election of either the city or the contractor, until such suit shall be finally determined in the court of original jurisdiction or any appellate court to which the same may be taken by appeal or writ of error; provided, that any appeal shall be perfected within ten days after final judgment in the court of original jurisdiction, and no appeal or writ of error to review the judgment of such court shall be thereafter taken or sued out by either party, and any such suit shall be entitled to precedence in the courts of this State, both of original and appellate jurisdiction, and shall be heard and determined as promptly as practicable; and to that end, in case of an appeal, either party may, as soon as practicable, cause a transcript of the record to be filed in the proper Court of Civil Appeals and move for an order setting said cause for an early hearing.

Section 17a. At or before the time the contract for the work is awarded the city council shall, by ordinance or resolution make due and proper provision for the payment of the costs thereof. The amount, if any, to be paid by the city at large, shall be duly appropriated for that purpose out of available funds or resources properly applicable thereto; and the amount to be paid by the owners of real estate within such improvement district, together with all interest that may accrue thereon, and the cost of levying, assessing and collecting taxes on such real estate, for the payment thereof, shall be declared a lien upon such real estate, and to be levied, assessed and collected from time to time, according to the assessed value of such real estate, until such amount and all interest thereon shall be fully paid and discharged.

Section 18a. The city of Dallas shall have the right, at the election of the city council and subject to the provisions of this act, and without any vote of qualified voters or taxpayers, except as provided in this act, to issue either street improvement district warrants or street improvement district bonds in payment for so much of the cost of the work as may be chargeable against the owners of real estate within such improvement district, or for the purpose of obtaining money to make such payment; and such warrants or bonds may be issued direct to the contractor in payment for the work, or such warrants or bonds may be sold, and the proceeds paid to the contractor in payment for the work. Whether bonds or warrants are issued in either event, no tax shall be levied for any one year on any real estate within such improvement district for the purpose of paying the same in whole or in part or any interest thereon, or for the purpose of providing for interest and a sinking fund, which, including all other city taxes, shall exceed two and one-half per cent. of the assessed value of such real estate; but, for the purposes aforesaid taxes, including all other city taxes, may be annually levied to an amount not exceeding two and one-half per cent. of such assessed value, without any vote of qualified voters or taxpayers, except as provided in this act. When bonds or warrants are issued direct to the contractor, they shall be issued in such denominations as the contractor may, in writing, request.

Section 19a. Bonds authorized by this act to be issued shall be payable, principal and interest, at such time and place and shall bear such rate of interest as the city council may direct. They shall state the purpose for which they are issued, and the number of the improvement district on account of which they are issued. They shall not be issued until the amount chargeable against the real estate within such improvement district shall be ascertained, and shall not be issued in excess of such amount. Due provisions shall be made to assess and collect annually upon and from the real estate within such improvement district, a sufficient amount to pay the interest thereon and create a sinking fund of at least two per cent. thereon.

Section 20a. Warrants authorized by this act to be issued may be issued, subject to the provisions of this act, in such denominations and bearing such rate of interest as the city council may direct. They may consist of different series, each series to mature annually until they all become due. Such series shall be so arranged that so far as practicable, in the judgment of the city council, the annual charge for interest and principal shall be approximately the same. Such warrants may be

divided into as many annual series as the city council may direct. They shall state the purpose for which they are issued, and the number of the improvement district on account of which they are issued. They shall not be issued until the amount chargeable against the real estate within such improvement district shall be ascertained and shall not be issued in excess of such amount. Due provision shall be made to assess and collect annually upon and from the real estate within such improvement district a sufficient amount to pay the principal and interest on such warrants as they mature, which amount shall be not less than sufficient to pay the interest and at least two per cent. of the total principal of said warrant. Such bonds or warrants shall be in such form as the city council may direct or approve, subject to the provisions of this act, and shall be signed by the mayor and attested by the city secretary and the seal of the city, and shall be assignable, negotiable and collectible in all respects as other valid obligations of the city.

Section 21a. Any contract for the paving or repaving of any avenue, street or alley or portion thereof, shall provide that the contractor shall at his own cost and expense maintain such pavement in perfect repair for ten years from and after the completion and acceptance of the work, and at the same time the contractor shall execute to the city of Dallas a bond with an approved surety company as surety, in an amount equal to at least twenty per cent. of the total contract price, conditioned for the full and faithful performance of such contract by the contractor; and as additional security for the full and faithful performance of such contract by the contractor, the city of Dallas shall retain for ten years, fifteen per cent. of the total contract price, to be invested in interest-bearing bonds or warrants of the city of Dallas, selected by the contractor, or in other interest-bearing securities satisfactory to the contractor and the city of Dallas, the periodical interest to be paid to the contractor as long as he complies with the terms of such contract and maintains such pavement in perfect repair. Suit may be brought from time to time by the city of Dallas on such contract and bond, for successive breaches of the same, but no person or corporation, other than the city of Dallas, shall have any cause of action against the contractor or the surety or sureties on his bond on account of any alleged breach of contract or bond.

Section 22a. The city council shall have the power to determine any and all questions of fact necessary to the exercise and discharge of its duties and powers, and it shall be presumed that all such questions of fact have been properly determined in such a manner as to support the validity and regularity of any and all proceedings of the city council.

Section 23a. For all tax purposes real estate shall be deemed sufficiently and legally described if the description of the same is sufficient to identify the same with reasonable certainty, and the failure to state the name of the owner, or any error in stating the owner's name, shall not invalidate any assessment, or any proceedings in reference to any tax or the collection of the same; and the city council shall have the power by ordinance or resolution, to make provisions for the brief and certain description of real estate for purposes of taxation.

Section 24a. If in the construction of sidewalks, curbs or other street improvements any owner of any real estate in any improvement district shall have improved his own property in such manner that his improvement may properly be made a part of the general improvement of the

kind in the district, the city engineer shall appraise its value, and such appraisement shall be submitted to the city council for approval or revision, and the value of the same as approved by the city council shall be allowed as a set-off against the assessments against his said property to pay for such improvement or improvements.

Section 25a. It shall be lawful for separate contracts to be made at the same time or at different times, for different kinds of street improvements in any district; that is to say, one contract for paving, another contract for sidewalks or for curbs, or two or more kinds of such improvements may be embraced in one contract. It shall also be lawful to organize street improvement districts for one or more kinds of street improvements, and the boundaries of a district organized for the construction of one or more kinds of street improvements may overlap in whole or in part the boundaries of a district or districts organized for the construction of a different kind or kinds of street improvement.

Section 26a. Nothing in this act shall be construed as repealing Sections 54, 59, 116 and 118 of said city charter of the city of Dallas, but said sections are expressly continued in force.

Section 27a. The provisions of the city charter of the city of Dallas limiting the bonded debt of the city shall not apply to street improvement district bonds or warrants issued under the provisions of this act.

Section 28a. All laws requiring the registration of city bonds with the Comptroller of the State, and the approval of such bonds by the Attorney General of the State, and regulating and determining the effect of such registration and approval, shall apply to street improvement district bonds and warrants issued under the provisions of this act.

Section 29a. All laws and parts of laws in conflict with any of the provisions of this act are hereby repealed.

Section 30a. The fact that there is no effective and just law enabling the city of Dallas to make necessary street improvements, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and it is so suspended, and that this act take effect from and after its passage, and it is so enacted.

BRYAN—AUTHORITY TO DISPOSE OF CERTAIN LANDS.

H. B. No. 484.]

CHAPTER XI.

An Act to authorize the city of Bryan to dispose of certain public grounds within
said city.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the city of Bryan be and it is hereby authorized to sell and convey the public grounds within said city described as follows, to-wit:

1st. All that lot or parcel of land lying between the Houston & Texas Central Railroad track and the track of the Calvert, Waco & Brazos Valley Railroad Company, and bounded on the north by the property of the Bryan Compress Company, and on the east by the said Houston & Texas Central Railroad track, and on the west and south by the track of the Calvert, Waco & Brazos Valley Railroad Company.

2nd. All that lot or parcel of property bounded on the west by the Houston & Texas Central Railroad track, and on the east by Lower Cheap Side street and on the south by the old corporation line, and on the north by Fannin street.

3rd. All those certain lots or parcels of land bounded on the south by Austin street, and on the east by the Houston & Texas Central Railroad track, on the north by Jefferson street, and on the west by city blocks Nos. 104, 105, 106, 260 Bryan street, and block No. 107.

4th. Also all that certain lot or parcel of land bounded on the south by Fannin street, on the east by Houston & Texas Central Railroad property, on the north by Anderson street, and on the west by Main street. All of said property situated within the corporate limits of the city of Bryan, Brazos county, Texas.

SEC. 2. The crowded condition of the calendar and the fact that this bill will allow the city of Bryan to sell certain property belonging to said city, creates an emergency and an imperative public necessity requiring the suspension of the constitutional rule requiring bills to be read on three several days, and the same is so suspended, and this act shall take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and reported to the Senate where same was amended and passed, no vote given; House concurred in Senate amendments, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 8th day of April, A. D. 1901, but was not signed by him nor returned to the house in which it originated with his objections thereto within the time prescribed by the Constitution, and thereupon became a law without his signature.—JOHN G. TOD, Secretary of State.]

Takes effect 90 days after adjournment.

GALVESTON—GRANTING IT A NEW CHARTER.

H. B. No. 224.]

CHAPTER XII.

An Act to incorporate the city of Galveston and to grant it a new charter: and to repeal all pre-existing charters.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That all the inhabitants of the city of Galveston shall continue to be a body politic and corporate, with perpetual succession, by the name and style of the "City of Galveston," and as such they and their successors by that name shall have, exercise and enjoy all the rights, immunities, powers, privileges and franchises now possessed and enjoyed by said city, and herein granted and conferred; and shall be subject to all the duties and obligations now pertaining to or incumbent on said city as a corporation, not inconsistent with this act, and may ordain and establish such acts, laws, regulations and ordinances, not inconsistent with the Constitution and laws of this State, as shall be needful for the government, interest, welfare and good order of said body politic; and under the same name shall be known in law; and be capable of contracting and being contracted with, suing and being sued, implead and being impleaded, answering and being answered unto, in all courts and places, and in all matters whatever; may take, hold and purchase, lease, grant and convey, such real and personal or mixed property or estate as the purposes of the corporation may require, within or without the limits thereof; and may make, have and use a corporate seal, and change and renew the same at pleasure.

SEC. 2. That the limits of said city shall embrace so much of the Island of Galveston from the point thereof on the east to Fifty-sixth street, or to include the league and labor of land known as the Menard grant; provided, that said league and labor shall extend beyond Fifty-sixth street; thence to include Galveston Bay and Pelican Island, and one mile north thereof; and the waters of the Gulf of Mexico extending south one marine league from the shore, from the channel and anchorage on the eastern end of Galveston Island to the western boundary of the city, so as to extend the police authority and jurisdiction, inclusive of Pelican Island, over all the area and territory aforesaid; provided, nevertheless, that jurisdiction shall extend from the eastern boundary of said city over all real estate beyond said limits purchased or in any manner acquired by said city for the use of the corporation; and provided, furthermore, that all the municipal regulations of said city shall apply to, extend and be in full force over the harbor and anchorage of Galveston, and to the bar at the entrance of said harbor; and the corporate authority and jurisdiction shall extend from the eastern boundary of said city over the east end of Galveston Island, and over all real estate beyond said limits purchased or in any manner acquired by said city for the use of the corporation; and provided further, that the said limits may be hereafter extended, including and adding more territory to the same, whenever a majority of the inhabitants of said territory shall indicate a desire to be included within the limits of said city; and provided, further, that neither the corporate limits nor the jurisdiction of said city

shall extend to any point of the mainland so as to interfere or conflict in any wise with the riparian rights and privileges of the owners of the mainland, or any part thereof bordering upon the waters of said bay; and provided, further, that the jurisdiction of said city shall not extend over Bolivar channel, except for police and sanitary purposes.

SEC. 3. The territory contained within the boundary of the city of Galveston shall be divided into 12 wards, as follows:

The first ward shall contain all the territory lying north of Avenue G and east of Thirteenth street.

The second ward shall contain all the territory lying north of Avenue G, between Thirteenth and Seventeenth streets.

The third ward shall contain all the territory lying north of Broadway, between Seventeenth and Twenty-first streets.

The fourth ward shall contain all the territory lying north of Broadway, between Twenty-first and Twenty-fifth streets.

The fifth ward shall contain all the territory lying north of Broadway, between Twenty-fifth and Twenty-ninth streets.

The sixth ward shall contain all the territory lying north of Broadway, between Twenty-ninth street and the western boundary of the city.

The seventh ward shall contain all the territory lying south of Broadway, between Twenty-ninth street and the western boundary of the city.

The eighth ward shall contain all the territory lying south of Broadway, between Twenty-fifth and Twenty-ninth streets.

The ninth ward shall contain all the territory lying south of Broadway, between Twenty-first and Twenty-fifth streets.

The tenth ward shall contain all the territory lying south of Broadway, between Seventeenth and Twenty-first streets.

The eleventh ward shall contain all the territory lying south of Avenue G, between Thirteenth and Seventeenth streets.

The twelfth ward shall contain all the territory lying south of Avenue G and east of Thirteenth street; provided, that the board of commissioners of said city shall have power from time to time by ordinance to cause a division of said city to be made into as many wards (not less than twelve) as they may deem necessary, and for the good of the inhabitants of said city.

SEC. 4. The waterworks and sewerage plants, fire engines, fire alarm telegraph system, hose and hose carriages, horses and wagons, engine houses, school houses, public buildings, public squares, parks, promenades, wharves, streets, alleys, all stock and interest in any incorporated company, held or used for public purposes or in trust for the public, and all property which may have been granted or released to said city of Galveston by the State, through a general or special law or joint resolution of the Legislature, and any judgment or judgments or causes of action in favor of said city of Galveston, and the electric light plant or other plant used for public purposes, and all other property, real and personal, held, controlled or used by said city of Galveston for the purposes of government, including all property of whatsoever character or description, whether of the same nature or not as the property heretofore specified, which may have been held, controlled or used by said city of Galveston for public uses or in trust for the public, or which may have been vested in the city of Galveston under and by virtue of any laws of the State of Texas, shall vest in and remain and inure to the said corporation under this act.

SEC. 5. There shall be appointed by the Governor of the State, as soon as possible after the passage of this act, three commissioners, one of whom he shall select and designate as president of the board of commissioners provided for herein, and within ten days after the passage of this act it shall be the duty of the commissioners court of Galveston county to order an election to be held in the city of Galveston, at which election the qualified voters of the city of Galveston shall select two other commissioners, who, together with the three commissioners appointed by the Governor, shall constitute the board of commissioners of the city of Galveston.

In ordering such election, the commissioners court shall determine the time and the places in the city of Galveston for holding such election, and the manner of holding the same shall be governed by the laws of the State regulating general elections. Each of said five commissioners shall be over the age of 25 years, citizens of the United States and for five years immediately preceding their appointment or election residents of the city of Galveston. Each of said five commissioners shall hold office for two years from and after the date of his qualification and until his successor shall have been duly appointed or elected, as the case may be, and duly qualified.

Said board of commissioners shall constitute the municipal government of the city of Galveston.

SEC. 6. The first president and the other members of the first board of commissioners appointed and elected under this act, shall be held and deemed, in law and in fact, the successors of the mayor and aldermen of said city of Galveston, and upon the qualification of said president and the other members of said board of commissioners, all the powers, rights and duties of the mayor and board of aldermen of the said city shall cease; and wherever the said city has heretofore, under the decree or judgment of any court, or under any law, ordinance or resolution, been entitled to representation through the mayor of said city and one or more of the aldermen thereof, on the board of directors of any incorporated company in which the said city may own stock or be interested, it shall hereafter be represented on any such board of directors by the president of said board of commissioners, and by two other members of said board, to be selected by said board.

SEC. 7. Said commissioners shall collectively constitute and be known as the "Board of Commissioners of the City of Galveston." They shall take an oath to faithfully perform the duties of their said office, and each shall receive as compensation for his said services the sum of five hundred (500) dollars per annum, payable in equal monthly installments, except that the president of said board shall receive a salary of three thousand (3000) dollars per annum, payable in equal monthly installments, and said president shall devote at least six hours a day to the duties of his office and to the affairs of said city.

SEC. 8. That each commissioner, before entering upon the duties of his office, shall give bond, payable to the Governor of the State, for the use and benefit of said city, in the sum of five thousand (5000) dollars, for the faithful discharge of his duty, with two or more good and sufficient sureties, to be approved by the county judge of Galveston county, and shall in addition to taking the oath prescribed by the Constitution of the State, also take an oath that he is not under any direct

or indirect obligation to appoint or elect any person to the office of policeman or fireman, or to any other office, position or employment under said government. The said commissioners shall by a majority vote of all the commissioners appointed and elected under this act have the power to appoint all officers and subordinates in all of the departments of said city, and to suspend and to discharge the same for cause, at will, under the limitations hereinafter provided. Each commissioner appointed by the Governor of the State shall qualify as provided by this section within ten days after his appointment, and each commissioner elected under the provisions of this act shall qualify, as provided by this section, within ten days after the delivery to him by the county judge of Galveston county of a certificate of his election.

SEC. 9. Any member of said board of commissioners who holds his office by virtue of appointment by the Governor of the State, may be removed by the Governor of the State for good and sufficient cause, to be spread on the records of his office, and to be reported by him to the next session of the Legislature thereafter. But in no case shall the Governor of the State remove the two commissioners, or either of them, that have been elected under the provisions of this charter. Such two members may be removed for the same reasons and in the same manner as county officers.

SEC. 10. Resignation by any of the commissioners appointed or elected under this act shall be made in writing to the Governor for his action, and resignation by any of the other officers of said city shall be made in writing to the said board of commissioners for their action thereupon. In case of the removal of any commissioner from the territorial limits of such city, such removal shall ipso facto be deemed to create a vacancy in the office of such commissioner. In case of the death, resignation, removal from office, or removal from the territorial limits of the said city of any member of the board of commissioners, appointed by the Governor, the Governor of the State upon being informed of the fact of such vacancy shall fill any such vacancy for the unexpired term by appointment. In case of the death, resignation, removal from office, or removal from the territorial limits of said city, of either or both of the two commissioners elected, any such vacancy shall be filled in the manner provided by the Constitution of this State, for filling vacancies in State or district offices other than members of the Legislature.

SEC. 11. Said board shall, at the first meeting after their qualification, or as soon thereafter as practicable, organize by the election of some competent man to be the secretary of said board, who shall keep the minutes and records of all their proceedings in a well bound book kept for that purpose, and shall perform such other duties as may be required of him by said board, and shall receive a salary not to exceed twelve hundred (1200) dollars per annum. The president of said board shall have the right to vote, as a member thereof, on all questions which may arise. Said board of commissioners shall have the power to summon and compel the attendance of witnesses, and the production of books and papers before them, whenever it may be necessary for the more effective discharge of their duties; and shall have the power to punish for contempt of said board with the same fines and penalties as the county judge may punish for contempt of the county court. All process necessary to enforce the powers conferred by this section shall

be signed by the president of the board, and attested by the secretary thereof, and shall be served by any member of the police force of said city.

SEC. 12. Said board of commissioners so constituted shall have control and supervision over all the departments of such city and to that end shall have power to make all such rules and regulations as they may see fit and proper, concerning the organization, management and operation of such departments; and shall have power, under such rules and regulations as they shall make, to appoint, and, for cause which to said board shall seem sufficient, and after an opportunity to be heard, to discharge all employes, including the chiefs of the departments respectively. Said commissioners shall have sole authority to pass and adopt all such rules and regulations concerning all of the departments of such city and the other agencies created by them for the administration of its affairs.

And in addition to the powers aforesaid, the said commissioners shall have the right, and it shall be their duty, by a majority vote of all the said commissioners appointed and elected, to designate from among their members one commissioner, who shall be known as "Police and Fire Commissioner," and who shall have under his special charge the enforcement of all police regulations of such city and general supervision over the fire department of such city; and one commissioner to be known as the "Commissioner of Streets and of Public Improvements," who shall have under his special charge the supervision of the streets and alleys of such city, and be charged with the duty of lighting such streets, and keeping the said streets and alleys in a clean and sanitary condition, and with the enforcement of all rules and regulations necessary to that end, for the preservation of the health of the inhabitants of such city, and who shall also have under his special charge the supervision of all public improvements, and shall see that all contracts therefor are faithfully complied with, and that the conditions of the grant of any franchise or privilege are faithfully complied with and performed; and one commissioner to be known as the "Waterworks and Sewerage Commissioner," who shall have under his special charge the waterworks and sewerage departments of such city, and shall see to the enforcement of all regulations with respect to said departments, and with respect to all the revenues pertaining thereto; and one commissioner who shall be known as the "Commissioner of Finance and Revenue," who shall have under his special charge the enforcement of all laws for the assessment and collection of taxes of every kind and the collection of all revenues belonging to such city, from whatsoever source the same may be derived; and who shall also examine into and keep informed as to the finances of such city.

SEC. 13. That the president of said board of commissioners shall be the executive officer of said city, and shall see that all the laws thereof are enforced. The commissioner named as the head of each department shall audit all accounts against it, but before payment they shall be acted upon and approved by at least two members of said board of commissioners. Said board shall require a statement to be published in January, April, July and October of each year, in the official newspaper of said city, showing a full, clear and complete statement of all taxes and other revenues collected and expended, indicating the respective sources from which the moneys are derived, and also indicating the disposition made thereof. All legislative sessions of said board, whether regular or called, shall be open to the public.

SEC. 14. That whenever the president of the board of commissioners shall deem it necessary, in order to enforce the laws of the city, or to avert danger, or protect life or property, in case of a riot or any outbreak, or calamity or public disturbance, or when he has reason to fear any serious violation of law or order, or any outbreak, or any other danger to said city or the inhabitants thereof, he shall summon into service, as a special police force, all, or as many of the citizens as in his judgment and discretion may be necessary and proper; and such summons may be by proclamation or order, addressed to the citizens generally, or those of any ward of the city or subdivision thereof, or such summons may be by personal notification; such special police, while in service, shall be subject to the orders of the president of the board of commissioners, shall perform such duties as he may require, and shall have the same power while on duty as the regular police force of said city; and any person so summoned, and failing to obey, or appearing and failing to perform any duty that may be required by this act, shall be fined in any sum not exceeding one hundred dollars.

SEC. 15. In case the president of said board is unable to perform the duties of his office by reason of temporary or continued absence or sickness, the said board shall appoint, by ballot, by a majority vote of all the members thereof, one of their number to act in his stead, whose official designation shall be "Acting President of the Board of Commissioners," and the commissioner so appointed shall be invested with all the powers, and shall perform all the duties of the president of said board, during such absence or sickness, and shall receive the salary of the said president during such vacancy; provided, that it shall continue for ten days or longer, and during that time the president shall receive no salary.

SEC. 16. Said board of commissioners shall meet at least once every week in regular meeting, at such time as shall be fixed by said board, at the city hall or other designated place in such city, to consider and take under advisement and act upon, such business as may come before them. A majority of such board as appointed and elected shall constitute a quorum for the transaction of all business, but no action of said commissioners shall be effective unless upon a vote of a majority of such quorum; and no final action shall be taken in any matter concerning the special department of any absent commissioner, unless such business has been made a special order of the day, or such action is taken at a regular meeting of the board. Special meetings may be called by the president of such board, or by any two members thereof, at any time, to consider only such matters as shall be mentioned in the call for said meeting, and written notice thereof shall be given to each member of said board.

SEC. 17. The board of commissioners of such city shall be vested with the power and charged with the duty of making all laws or ordinances not inconsistent with the Constitution and laws of this State, touching every object, matter and subject within the local government instituted by this act.

Every ordinance imposing any penalty, fine, imprisonment or forfeiture for a violation of its provisions, shall, after the passage thereof, be published in every issue of the official newspaper for ten (10) days successively (excluding Sundays) and proof of such publication by the printer or publisher of such newspaper made before any officer authorized to administer oaths, and filed with the secretary of the board of commis-

sioners or any other competent proof of such publication shall in all courts be conclusive evidence of the legal publication and promulgation of such ordinances.

Ordinances passed by the board of commissioners and requiring publication, shall take effect and be in force from and after the tenth publication thereof, unless it be otherwise expressly provided in such ordinance. Ordinances passed by the board of commissioners, and not requiring publication, shall take effect and be in force from and after their passage, unless it shall therein otherwise expressly be provided.

SEC. 18. The style of all ordinances shall be "Be it ordained by the Board of Commissioners of the city of Galveston," but said caption may be omitted when said ordinances are published in book form, or are revised and digested.

SEC. 19. The board of commissioners at their first meeting after their qualification, or as soon thereafter as possible, shall select the following officers, to-wit: A treasurer; an attorney; a recorder; an assessor and collector of taxes; a chief of police; a chief of the fire department; and if deemed necessary by said board also an assistant chief of the fire department; an engineer, who shall also be superintendent of streets; an inspector of buildings; an auditor; a health physician; a harbor master; a sexton; a superintendent of the waterworks; and an engineer of the waterworks; and such other officers and agents as said board of commissioners shall direct. All said officers so elected shall hold their offices for two years, and until the election and qualification of their successors, unless removed by the said board of commissioners, under the authority vested in it by this act.

The treasurer shall give bond, in such amount and in such form as may be required by the said board, in a sum not less than one hundred thousand (100,000) dollars, and with two or more good and sufficient sureties, to be approved by the president of the board and the commissioner on finance and revenue, said bond to be conditioned for the faithful discharge of his duties. It shall be his duty to receive and keep, as herein provided, all money belonging to said city, and to pay out the same only on warrants drawn by the auditor, and signed by the president of said board, and countersigned by the commissioner of finance and revenue under the seal of said board, and not otherwise. All moneys belonging to said city, and received by any officer or agent thereof, either from collections, fines or any other sources whatsoever, shall be by him deposited with the said treasurer daily. For all moneys received, the treasurer shall give duplicate receipts in all cases, one to the party paying the said money into the treasury and one for the auditor. All persons charged with the collection of any money under this act, or ordinances passed in pursuance thereof, shall promptly pay the same over to the treasurer, under such penalty as may be prescribed by ordinance, and shall forthwith hand the treasurer's receipts to the auditor, who shall countersign the original receipt, and retain the duplicate; and the party paying shall then hold said original receipt. Said treasurer shall render a full and correct statement of his receipts and payments to the board of commissioners at the first regular meeting of the board of commissioners in each month, and whensoever at other times he may be required by any member of said board so to do.

The board of commissioners shall have the right to require of the treas-

urer a new bond, whenever in their opinion the existing bond is insufficient, and whenever such new bond is required he shall perform no official act until said bond shall be given and approved in the manner aforesaid.

The said treasurer shall make daily deposits of such sums of money as shall be received by him from all sources of revenue, whatsoever, to his credit as treasurer of said city, in one or more banks situated in said city, to be selected by the president of said board of commissioners, the commissioner of finance and revenue, and the treasurer of such city, or by any two of them, and any such bank, before any such deposit is made therein, shall be required to enter into an obligation with the said board of commissioners to pay into the treasury of such city interest on the monthly balances of such deposits at a rate to be fixed by the president of said board of commissioners, the commissioner of finance and revenue, and the treasurer, or by any two of them, and which rate may be changed in the same manner—such rate to be not less than three (3) per centum per annum, and shall also execute a good and sufficient bond, with sureties to be approved by the president of said board of commissioners, and conditioned that such bank will safely keep and account for, and pay over said money. Said president of the board of commissioners, the commissioner of finance and revenue, and the treasurer, in the selection of any such depository bank, shall take into consideration the reputation and solvency thereof, and the sufficiency of the security offered by such bank. All interest paid by any such bank upon such balances shall be collected by the treasurer of said city, and shall be by him reported in his next statement following such collection, and shall be considered and treated as part of the general fund of such city, subject to use for any legitimate municipal purpose; and said treasurer shall do and perform such other acts as such board of commissioners may require of him, and for all such services he shall receive such salary as may be fixed by the board, not exceeding the sum of twelve hundred dollars (1200) per annum, payable in equal monthly installments.

The assessor and collector shall make up all the assessments of all property for taxation in said city, including the license and occupation taxes, and make rolls thereof, and on completion of the said rolls he shall report the same to said board of commissioners for their action. It shall be the duty of said board, or a committee thereof, designated for that purpose, one of whom shall be the commissioner of finance and revenue, to, as soon as the assessment rolls of taxes due the city are completed, sit as a board of equalization, to equalize the taxes assessed on said rolls; and in addition to the powers granted them by this act, they shall also have the same powers and perform the same duties as the county commissioners courts of this State in regard to the assessment of property for taxation, and the equalization thereof, and shall be governed in their procedure and acts in this respect as is now provided by the laws of this State relating to the equalization of State and county taxes by the said commissioners courts; provided, however, that said board shall not sit for more than thirty (30) days in performing the duties herein described. It shall also be the duty of the said assessor and collector to make out a list of all property, real and personal, which has not been given in for assessment, according to the provisions of this act, and ordinances made in pursuance thereof, and to assess the same in the name of the owner, if he be known, and if not, then it shall

be assessed by description of the property, and by the name of the last known owner; and the value of such property shall be determined by said board of commissioners, sitting as a board of equalization; and such action may be taken to enforce the collection of taxes so assessed, if the same are not paid, as is herein prescribed for the collection of taxes on property given in for assessment. It shall also be the duty of the assessor and collector, at the expiration of the time fixed by ordinance, for the rendition of property, to ascertain what property subject to taxation shall be by him presented to said board of commissioners for equalization and valuation by said board, and the same shall by him be entered in a supplement to the assessment rolls as "unknown," specifying the year for which said tax is not paid within the time prescribed by law, and such proceedings may be had to enforce the collection of taxes on such property as are by the terms of this act provided for with respect to property which has been given in for assessment. Said assessor and collector shall also collect all taxes levied by this act, including any tax levied for public schools, and in the collection of the same in the event of non-payment, he shall proceed in accordance with the provisions of the laws of the State governing the collection of taxes, and shall have the right to employ said remedies to enforce such collections. He shall give bond in such amount and in such form as said board of commissioners may provide, in a sum not less than twenty-five thousand (25,000) dollars, with two or more good and sufficient sureties, to be approved by the president of said board and the commissioner of finance and revenue; and the board of commissioners shall have the right to require a new bond whenever in their opinion the existing bond is insufficient, and whenever such new bond is required he shall perform no official act until said bond shall be given and approved, in the manner aforesaid. He shall daily pay over to the treasurer all money by him collected, and shall report to said board of commissioners at the first meeting of that body in every month a full statement of all moneys so collected and paid over by him and shall perform all such other duties, and in such manner, according to such rules and regulations, as the said board of commissioners may prescribe. He shall receive for his services an annual salary not to exceed the sum of eighteen hundred (1800) dollars. He is authorized to require the owners of all property subject to taxation to render a correct account of the same under oath, which shall be administered by him.

It shall be the duty of the attorney to represent the said board of commissioners in all cases brought for or against said city in the courts of the State or of the United States in the county of Galveston or elsewhere, and in the corporation court of said city. When requested by the said board of commissioners, or any member thereof, he shall in writing give legal advice on all questions that may be referred to him, and shall also in writing advise the officers of said city as and when he may be called on for said advice. He shall, when requested, prepare all ordinances; and examine, supervise, prepare, and approve as to form, all contracts made by or with the said board of commissioners. He shall receive an annual salary not to exceed twelve hundred (\$1200) dollars, and such commissions as may be allowed by said board of commissioners; provided, that no commissions shall be allowed said attorney for the collection of taxes except in such suits as may be designated to be brought

by the commissioner of finance and revenue, and in such cases no commission shall be allowed exceeding five (5) per cent on the amount of taxes collected after the institution of such suits. He shall give bond for the faithful performance of his duties in the sum of five thousand (5000) dollars.

It shall be the duty of the auditor to examine in detail all bills, accounts and claims against the said city, and if found correct sign his name in approval thereof, but if found incorrect he shall return them to the party presenting the same for correction. He shall be the general accountant of the said city, and shall keep in books regular accounts of all real, personal or mixed property of the said city; of all receipts and disbursements of money; and under proper heads, separately, each source of receipt and the cause of each disbursement; and shall also keep an account with each person, including the officers, who have money transactions with the said city, crediting amounts allowed by proper authority, and specifying the particular transaction to which such entries apply. It shall also be his duty at least once in each month to examine the books of account of all officers of said city charged with the receipt and disbursement of money, and if they be found incorrect to at once make a report in writing of the same to the commissioner of finance and revenue. It shall also be his duty to examine all warrants, and countersign the same after appropriation has been duly made to pay the same by said board of commissioners; and he shall render such other services from time to time as said board of commissioners may direct. He shall receive for his services such compensation as said board may determine, not to exceed fifteen hundred (\$1500) dollars per annum, and shall give bond for the faithful performance of his duties in the sum of ten thousand dollars (\$10,000) with two or more good and sufficient sureties, to be approved by the president of the board and by the commissioner of finance and revenue.

The health physician shall be a physician in active practice, and shall be charged with the duty of enforcing all quarantine regulations and of keeping the streets, alleys and sidewalks of said city in a sanitary condition, and he shall be authorized to enter all houses and other places, private or public, at all times, in the discharge of his duties, for improving the sanitation of said city and the prevention and suppression of disease, and he shall have the power to abate, or cause to be abated, all nuisances which may endanger or affect the health or comfort of said city, and generally to do all acts and make all regulations that may be necessary or expedient for the promotion of health or the suppression of disease. He shall receive an annual salary of not to exceed one thousand (\$1000) dollars. He shall give bond for the faithful performance of his duties in the sum of five thousand (\$5000) dollars, with two or more good and sufficient sureties, to be approved by the president of the board and by the commissioner of finance and revenue; and shall perform such other duties as may be prescribed by said board of commissioners.

The engineer of said city shall be a professional civil engineer, and it shall be his duty to ascertain the established monuments of such city, and from them to extend the surveys thereof and establish others; and to locate, establish and survey all private property, streets and alleys within the territorial limits of said city when called on or required so to do. He shall also maintain the grade of all streets and alleys in such city, and

exercise general supervision and superintendence over all work undertaken on the streets, alleys and public squares thereof, make estimates and plans and give instructions as to grading or otherwise improving the same, and with respect to the construction of sidewalks so as to secure and preserve proper proportion and uniformity in the height and width thereof; and also superintend and direct the construction of all culverts, bridges, drains, ditches and other improvements projected by said board; and he shall see that all parties contracting with said board to do any work as aforesaid shall faithfully perform their contract, and in the event of their failure so to do it shall be his duty to report the same to the president of said board. He shall also have and exercise general supervision over the construction of all railways which may at any time be constructed through the streets of said city, requiring them to conform to the established grade so as not to impede the use and passage of said streets. He shall have the right and it shall also be his duty to employ all laborers and workmen upon the streets and alleys, and upon other work that may be under his superintendence, to the number prescribed by said board, and for the compensation fixed by it, and to discharge such laborers and workmen, and generally to have charge of all work done on such streets and alleys, and from time to time to make recommendations to said board as to necessary improvements in said city; and he shall perform such other duties as may be prescribed by said board. He shall receive for his services a salary to be prescribed by said board, not to exceed twelve hundred (\$1200) dollars per annum, and such fees as may be prescribed by said board for making surveys and fixing boundaries of private property, which fees shall be paid by the owners of such private property.

The inspector of buildings shall be an architect or builder of at least five years' experience in the active practice of his profession, and shall have had responsible charge of work for at least that length of time. He shall have the supervision of the construction of all buildings erected in the said city, and shall see that the building laws relating to the construction of said buildings and the materials out of which said buildings are constructed, shall be fully complied with; and he shall perform such other duties as may be prescribed by ordinance, not inconsistent with this act. He shall be paid a salary of nine hundred dollars (\$900) per annum, payable monthly. It shall be the duty of said inspector to visit and inspect all theaters, hotels, public halls, churches, school houses and buildings used for public assemblages, and all manufactories employing twenty-five (25) or more persons, now erected, or that may hereafter be erected in the said city, for the purpose of ascertaining if said buildings have the proper means of exit in case of fire or panic, and if, on examination, the said inspector shall determine that said building have not the proper means of exit for the purposes herein prescribed, then it shall be his duty to notify in writing the owners, trustees or lessees of said buildings to so improve the same as to provide a proper means of exit in case of fire or panic, as in the judgment of said inspector may be deemed proper and necessary; failure or refusal to comply with such notice to be punished as may be provided by ordinance.

The harbor master shall have the power to regulate and station all ships or other vessels in the harbor or harbors of said city, and at the wharves thereof, or moored or anchored near thereto, and to superintend

and enforce the execution of all rules and ordinances regulating the clearing of the docks in said city, and to prevent and remove all nuisances about them; to prevent the filling up of the harbor and channel in said city and generally to direct and control the manner of loading and unloading the vessels at the docks or wharves in said city. He shall receive an annual salary of not exceeding one thousand dollars (\$1000.) He shall give bond for the faithful performance of his duties in the sum of five thousand dollars (\$5000) with two or more good and sufficient sureties, to be approved by the president of said board and by the commissioner of finance and revenue, and to perform such other duties as may be prescribed by said board of commissioners.

The superintendent of waterworks shall have full charge of the city waterworks and city sewerage system and all property connected therewith, and shall manage and control the same. He shall inspect all parts of said waterworks and sewerage system and see that they are maintained in good condition for use and are being properly cared for, and that all employes of the waterworks and sewerage department are attending to their respective duties. He shall keep in good repair the pumps, machinery, hydrants and all other waterworks and sewerage fixtures and property. He shall employ all laborers in said department, except the engineer of said waterworks, to the number prescribed by said board and for the compensation provided by law or ordinance or resolution, and shall have power to discharge the same. The superintendent shall perform all such other duties as may be prescribed by the board of commissioners by ordinance or resolution, and shall receive for his services the sum of twelve hundred dollars (\$1200) per annum, payable in equal monthly installments. The engineer of said waterworks shall perform such duties as may be prescribed by the board of commissioners, by ordinance or resolution, and shall receive for his services the sum of twelve hundred dollars (\$1200) per annum, payable in equal monthly installments.

It shall be the duty of the sexton to exercise a general superintendence over all cemeteries in such city, whether belonging to said city or not. He shall keep a registry of all burials and the location thereof in said cemeteries, of all persons buried within the territorial limits of said city, and keep all walks in the cemeteries belonging to said city in good condition and free from rubbish and generally to have charge of the interment of all bodies within said city. He shall perform such other duties as may be required of him by said board of commissioners, and shall receive for his services not more than one thousand dollars (\$1000) per annum, to be paid in equal monthly installments, and such fees as may be allowed by ordinance.

SEC. 20. Said board of commissioners shall have full power and authority to establish and maintain a police department, to be composed of a chief of police, two sergeants and such number of patrolmen or policemen as such board may deem necessary, said officers and members of said police department to be appointed, and their compensation and duties to be fixed, defined and regulated as hereinafter provided, and shall also have power and authority to establish and maintain a fire department, to procure fire engines and other apparatus for the extinguishment of fires, and provide engine houses for keeping and preserving the same; and said fire department shall be composed of a chief of the

fire department, an assistant chief of the fire department, and such number of firemen as said board may deem necessary, the officers and members of said fire department to be appointed and their compensation and duties to be fixed, defined and regulated as hereinafter provided. At the first meeting of said board of commissioners after their qualification, or as soon as possible thereafter, it shall be the duty of the commissioner who may be selected as police and fire commissioner to prepare and present to the board of commissioners, in writing, his recommendations of persons for appointment, both in said police and fire departments, based on the integrity of character and physical and intellectual capacities of the applicants for such positions, and the said board of commissioners shall, upon receiving such recommendations, select therefrom proper persons to fill such positions in the departments respectively as may be by them deemed wise and necessary; and upon the failure or refusal of said police and fire commissioner to present said recommendations at the second regular meeting of said board, it shall thereafter proceed to elect proper persons to fill such positions; provided, however, that so far as it may be practicable and consistent with good order, discipline and improvement of the public service, it shall be the duty of said police and fire commissioner to prefer in recommendations to said board, for appointment to the police and fire departments, respectively, those men who have proved themselves capable, good and efficient in the performance of their duties, and the said board shall give due weight to such recommendations; provided, however, that the chief of police and chief of the fire department shall have the power to temporarily suspend any subordinate officer or member of their departments, respectively, for reasons satisfactory to said chief of police or fire department, as the case may be, and to appoint some person to discharge the duties of such suspended officer or member until the grounds of such suspension can be inquired into by the police and fire commissioner; and it shall be the duty of the chief in whose department such suspension shall occur, to report the same in writing within three (3) days, with the reasons therefor, to the said police and fire commissioner, and also to furnish such suspended officer or member with a copy thereof within like time. Said police and fire commissioner is hereby invested with exclusive jurisdiction to hear and determine any and all charges against any member of the police and fire department for infractions of discipline, disobedience of orders, incompetency, corruption, malfeasance or nonfeasance in office, for violation of any of the rules or regulations prescribed for the government of said police and fire department, or for any conduct unbecoming an officer or member of the said departments, respectively, and every officer and member of the police and fire departments shall obey all lawful rules and regulations prescribed by said board of commissioners for the government of said police and fire departments on pain of dismissal, or such lighter punishment, either by suspension, reduction, or forfeiture of pay, or otherwise; as the said police and fire commissioner may adjudge; provided, however, that all charges or complaints against the chief of police or the chief of fire department shall be heard and determined by said board of commissioners as provided in this act in case of trials before said board of commissioners. In case of any charges or complaints made under the provisions of this section against any member of said fire or police department, within the jurisdiction of the

police and fire commissioner, he shall have the power to administer oaths, to summon and compel the attendance of witnesses before him, and to examine such witnesses upon any matter where it may be necessary to the discharge of his duties. The chief of police shall attend upon the court which may be designated by law for the trial of offenses arising under this act, or under any ordinance, rule or regulation enacted by the board of commissioners pursuant to this act, and shall promptly and faithfully execute all writs and process issuing from said court. He shall be the chief police officer of said city and shall have like power with the sheriff of the county to execute the writ of search warrant; he shall be active in quelling riots, disorders and disturbances of the peace within the limits of the said city, and shall take into custody all persons so offending against the public peace; and shall have the authority to take suitable and sufficient bail for the appearance before said court of any person charged with an offense within the jurisdiction of said court; and it shall be his duty to arrest all persons who shall obstruct or interfere with him in the execution of the duties of his office, or who shall be guilty of disorderly conduct, or any disturbance whatever. To prevent a breach of the peace, or to preserve quiet and good order, he shall have authority to close any theater, barroom, ballroom, drinking house or any other place or building of public resort, and in the prevention and suppression of crime and the arrest of offenders within said city, he shall have, possess, and execute like power, authority and jurisdiction as a sheriff of a county under the laws of this State. He shall receive a salary of not exceeding fifteen hundred (\$1500) dollars per annum. He shall give such bond for the faithful performance of his duties, and perform such other duties, and possess such other powers, rights and authority, in addition to those herein provided, as the board of commissioners may require and confer upon him, not inconsistent with the Constitution and laws of this State, and the provisions of this act. In case of the absence, sickness or inability to act, of the chief of police, said police and fire commissioner shall have the power, and it shall be his duty, to designate some other member of said police department as acting chief of police during the period of such absence, sickness or inability to act, of said chief of police. The chief of the fire department shall be charged with the duty of superintending and directing the extinguishing of fires and the preservation and safe keeping of all fire engines, hose and other apparatus used in connection therewith; he shall have the power, and it is hereby made his duty, to keep away from the vicinity of any fire all idle, disorderly and suspicious persons, and to compel all officers of the city and all other persons to aid in the extinguishment of fires and the preservation of property exposed to danger thereat, and in preventing goods from being stolen, and, generally, to carry out and enforce such regulations for the prevention and extinguishment of fires as may be by said board of commissioners deemed expedient.

The chief of the fire department shall receive as compensation for his services the sum of fifteen hundred dollars (\$1500) per annum, and the assistant chief of the fire department shall receive as compensation for his services the sum of twelve hundred dollars per annum (\$1200) payable in equal monthly installments.

SEC. 21. Said board of commissioners shall have power from time to time to require further and other duties of all officers whose duties are

herein prescribed, and to define and prescribe the powers and duties of all officers elected to any office under this act, whose duties are not herein specially mentioned, and to fix their compensation when not herein fixed. They shall also require bonds to be given to said city by all officers for the faithful performance of their duties, and shall require a new bond from any officer, whenever in the judgment of said board, the existing bond is insufficient, and whenever such new bond is required he shall perform no official act until said bond shall be given and approved as provided in this act. The board of commissioners shall provide for the filling of vacancies in all offices not herein provided for, and in all cases of vacancy the same shall be filled only for the unexpired term.

SEC. 22. That the present officers and employes of said city of Galveston shall continue in office and in the exercise of their functions until the board of commissioners provided for herein are appointed and elected as herein provided and qualified and shall otherwise provide.

SEC. 23. All ordinances, regulations or resolutions now in force in the city of Galveston and not in conflict with this act, shall remain in force under this act until altered, modified or repealed by the board of commissioners.

SEC. 24. No salary not fixed or limited in this act shall ever exceed nine hundred dollars (\$900) per annum for any office which said board of commissioners are authorized to create under the provisions hereof, and no officer shall receive fees or commissions except as herein provided.

SEC. 25. The duration of all offices created by this act, or by any ordinance pursuant to this act, passed by the board of commissioners of said city, shall never exceed two years; provided, nevertheless, that the incumbent of any such office shall continue to perform the duties thereof until his successor is duly qualified. In case of vacancy in the board of commissioners of said city such vacancy shall be filled in the manner provided in section ten of this act for the unexpired term, and in case of vacancy in any other office in said city the board of commissioners thereof shall fill such vacancy for the unexpired term.

SEC. 26. The health physician, attorney, engineer, auditor and chiefs of police and fire departments shall attend all regular meetings of the board of commissioners and any special meeting of said board at which their presence may be requested by any member of the board. They shall have the privilege of participating in the discussion of matters relating to their respective departments, but shall have no vote.

SEC. 27. All official bonds required under this act, except the bonds of the members of the board of commissioners, shall be made payable to the city of Galveston, and shall be in such form and with such sureties as the board of commissioners may prescribe.

SEC. 28. It shall not be necessary in any action, suit or proceeding of any kind in which the city of Galveston is a party, for any bond, undertaking or security to be executed by or in behalf of said city, but all such actions, suits, appeals or proceedings shall be conducted in the same manner as if such bond, undertaking or security had been given, and said city shall be liable to the same extent as if they had been duly given and executed.

SEC. 29. Said board of commissioners are hereby authorized to reduce the number of employes in any department of said city, to remove from office in accordance with the provisions of this act any officer or employe

appointed by said board, and to make appointments to any office under them authorized by this act, in the manner herein provided.

SEC. 30. All funds, evidences of indebtedness, books, papers and other property belonging to said city, in the hands of the city treasurer at the time this act takes effect, shall be held and retained by him, and he and his sureties shall be held responsible therefor until the same be paid or delivered to the treasurer elected by said board of commissioners.

SEC. 31. All of the officials of said city charged with disbursing, safe keeping, or performing any other acts touching the taxes or other revenues of said city, now due or that may hereafter become due, shall be liable for any and all breaches of duty touching the same, as are the State and county officials in regard to like services and acts; and may be proceeded against criminally and civilly in the same way. It shall be the duty of the district attorney of the district in which said city of Galveston is situated, to enforce all such remedies, civilly and criminally, just as in the case of State officers; provided, that nothing in this section shall impair the jurisdiction of the board of commissioners in respect to such offenses, as provided in this act, but all such remedies shall be deemed and held to be cumulative.

SEC. 32. The board of commissioners shall have power to remove any officer for incompetency, inefficiency, corruption, malconduct, malfeasance or nonfeasance in office, or such other causes as may be prescribed by ordinance, after due notice in writing and opportunity to be heard in his defense, under the rules and regulations hereinafter set forth; provided, however, that by the word "officer" as used in this section, is meant all officers appointed or selected by said board of commissioners, except policemen and firemen.

That whenever charges are preferred in writing and filed with the president of said board by any person against any such officer for any or all of the offenses named or provided for as above, it shall be his duty to have the accused duly served with a copy of such charges, and shall set a day to inquire into the truth of such charges, and shall notify the accused and the other members of said board, and the witnesses for and against the accused, to be present, and the said board of commissioners shall constitute a court to try and determine said case, and they are hereby invested with exclusive jurisdiction to hear and determine said charges, and may continue the investigation from day to day, upon proper showing, to enable the accused or prosecutor to get material evidence before said board. The accused shall have the right to be heard in person or by counsel, and said board shall likewise be represented by counsel, if they desire it. Upon the conclusion of the investigation and argument of the case a vote shall be taken on each charge and specification, and if a majority of all the members of said board vote to sustain either of the charges against the accused, it shall be the duty of the president of said board to enter up the judgment of the court, in which he shall record the vote of each member of said board upon the several charges and specifications, and shall also include in said judgment an order removing the accused from his office and declaring the same vacant, but if the vote is otherwise the accused shall be declared "not guilty," and judgment entered accordingly.

SEC. 33. The hospital in said city known as the John Sealy Hospital shall, so long as the same is under lease from the State to the city, be

under the exclusive control of a board of managers to be known as the "John Sealy Hospital Board," and to consist of five members, to be chosen or appointed as hereinafter provided every two years, and within thirty days after the installation of each new board of commissioners. Two of the members of the said hospital board shall be selected from said board of commissioners, the members so selected to be the commissioner of finance and revenue and commissioner of streets, alleys, etc., two to be named or selected by the board of regents of the University of the State, and the fifth member to be named or selected by these four; provided, however, that all members of said John Sealy Hospital board shall be resident citizens of the city of Galveston; and provided further, that in case a majority of said four can not agree upon the fifth member, then such fifth member shall be named or designated by the president of the board of commissioners. The said John Sealy Hospital board shall have the exclusive right to appoint the house surgeon, steward, matron, nurses and such other subordinate officers and employes of said hospital as may be required for properly carrying on or conducting the same; to designate the duties of such subordinate officers and employes; to determine their salaries and compensation, and to change the same, and to suspend or discharge them; provided always, that the said hospital board shall, in no event, exceed in any one year in their expenditures the annual allowance set apart by the board of commissioners for defraying the expenses thereof; and the said board of commissioners, as long as said hospital is under lease from the State to the said city, or is in any way responsible for such expenses, shall have the exclusive right to determine and regulate the amount to be expended in carrying on or in conducting the said hospital. The said John Sealy Hospital board shall have the exclusive right to prescribe rules and regulations for the management and conduct of the hospital, and shall have the exclusive management and control of its internal government. The board of health of the city of Galveston, acting through the health physician of said city, shall have the sole and exclusive right and authority, whilst the city is such lessee, to determine and designate what person or persons may be admitted as charity patients into said hospital. Patients who pay for hospital services rendered them may, however, be received into said hospital under rules and regulations to be prescribed by said hospital board; provided always, that applications for admittance into said hospital for treatment as charity patients, with written permits to that effect signed by the health physician of the city of Galveston, shall have precedence over all others applying for admittance therein.

The financial affairs of said hospital, so long as the city of Galveston is such lessee, shall be under the exclusive control of said board of commissioners, and the said hospital board shall furnish to the said board of commissioners at its regular meeting in February of each year during said lease an itemized statement or estimate of the various officers and assistants and the nurses and other employes and their salaries and wages, and the nature and amount of all other expenses necessary to the proper management and maintenance of said hospital for the twelve months next thereafter ensuing, which statement or estimate shall be subject to revision, alteration, modification and reduction by said board of commissioners; and no expense or liability not provided for in said estimate or statement as finally approved and adopted by said board

of commissioners shall be incurred by said hospital board, or any subordinate in the management of said hospital, unless the approval of the board of commissioners in that regard shall have first been obtained. All moneys or revenues arising from hospital service in said institution during such lease shall, as collected, be paid into the city treasury as a part of the revenues of said city.

The said hospital board shall keep and preserve or cause to be kept and preserved, in well-bound books, accurate minutes of its meetings and proceedings; also, in like manner a roster of all visiting physicians and surgeons, and all officers, employes and internes of said hospital, and in what capacity serving, with dates of entering service and of discharge therefrom, length of time employed and salaries and wages allowed; and also a hospital register, showing name, age, sex, nationality and residence of each and every person admitted as a patient, disease at the date of admittance or supervening while in hospital, dates of admittance, dates of discharge or death of all patients admitted into said hospital for treatment, the authority for the admittance of each patient, and the rate charged each and every pay patient; and the house surgeon or other officer in charge of said hospital shall keep, or cause to be kept, in well-bound books, correct and accurate accounts of all receipts and disbursements for account of said hospital, and shall render, under oath, to the said board of commissioners, through the said hospital board, monthly reports or statements showing, for the month then ending all receipts and disbursements, with proper vouchers; also the number and names of all patients received, the respective dates of admittance, and whether charity patients or pay patients; the number and name of all patients that have been discharged, or have died during the month; the disposition made of the bodies of all patients who have died during the month, and the names of all officers and employes, in what capacity serving, and at what salary or wages, respectively. The medical staff of the John Sealy Hospital shall be constituted of the house surgeon, to be selected as above provided, and during said lease compensated by the city; of the visiting physicians and surgeons, to be designated by the board of regents of the University of the State of Texas, from the faculty of the medical department thereof, but who are to receive no compensation from the city for their services; and of two or more students from the medical branch of said University, to serve as internes, and to be selected by said board of regents; the number and duties of the internes to be determined by said hospital board, and said internes to receive for their services only their board and lodging in said hospital. The officers in charge of said hospital shall, at all times, admit for the purpose of inspection, any member of the board of commissioners, or any member of the board of health of said city, charged with the duty of visiting or inspecting said hospital, and in like manner the regents of the said University or their authorized agents. All the members of said hospital board, as also the house surgeon, shall before entering upon their respective duties, take the oath of office as prescribed by the Constitution of the State of Texas.

SEC. 34. That the local government established by this act shall have power:

To make regulations to prevent the introduction of contagious diseases into the city; to make quarantining laws for that purpose and to enforce them within the city and within ten (10) miles thereof.

To have the exclusive control and power over the streets, alleys, highways and public grounds, and to abate and remove encroachments or obstructions thereon: to open, alter, widen, extend, establish, regulate, grade, clean and otherwise improve the same; and to put drains and sewers therein, and to prevent the incumbering thereof in any manner, and to protect the same from any encroachment or injury, and to regulate and alter the grade of premises, and to require the filling up and raising of the same to such grade as may be established under the provisions of this act.

To provide for lighting the streets and to regulate the lighting thereof, and to exclusively regulate, direct and control the laying and repairing of gas pipes and fixtures in the streets, alleys, and sidewalks thereof.

To erect and establish hospitals, and control and regulate the same.

To regulate the inspection and vending of fresh meats and all other provisions, and to make such rules and regulations in relation to butchers and other vendors of provisions as may be deemed necessary and proper.

To prevent, prohibit, and suppress immoderate riding or driving in the streets, and to prohibit and punish the abuse of animals, and to compel persons to fasten horses and other animals while standing or remaining in the streets.

To restrain and punish vagrants, mendicants, beggars and prostitutes, and to cause the arrest of all vagrants, tramps, drunken or disorderly persons within said city, and to provide for the punishment of the same by fine or otherwise.

To arrest and confine for trial, or take bond for the appearance at trial, of all persons charged with offenses which are punished as misdemeanors by the laws of the State of Texas, or said local government.

To compel all owners, tenants or occupants of improved property in all instances that may be deemed necessary for good sanitation, to construct sanitary appliances, and to connect the same with water and sewer mains or pipes.

To direct and determine in what part of said city buildings of wood shall not be erected; to regulate and establish the size of bricks that are to be used in houses to be built in said city, and to prescribe the material out of which the mortar used in said houses is to be made and the proportions of such material; to provide for the taking down and removal of buildings, walls, structures, or superstructures, that are or may become dangerous, and to require owners to remove them, or put them in a safe and sound condition at their own expense; to regulate the building and maintenance of party walls, partition fences, parapet and fire walls, smoke flues and fire places, hot air flues, boilers, kettles, smokestacks and stove pipes; to provide for and regulate the safe construction, inspection and repair of all private and public buildings within the said city, and to regulate, restrain or prohibit the erection of wooden or frame buildings within the limits of said city, or any part thereof, and remove the same at the owner's expense when erected or suffered to remain contrary to law or ordinance; to regulate the height, construction and inspection of all new buildings hereafter erected in said city, and the alteration and repair of any buildings already erected, or hereafter to be erected, in said city, and to regulate the limits within which it shall be lawful to erect steps, porticoes, bay windows, sheds, galleries, awnings or other structural ornaments to houses fronting on any of the streets or alleys of said city.

To prohibit by fine the introduction of paupers into the city by steam-boats, railroads or other carriers of persons; to regulate, control and suppress disorderly houses and houses of ill fame; to regulate, control and suppress houses of assignation and gaming houses, and to punish gaming as provided by the Penal Code of the State of Texas; to pass all laws to preserve the health of the city; to define, prevent and remove nuisances within the city, and for a distance of five miles outside of the same; to prohibit the erection of houses for curing green hides, or slaughter pens, or factories, and all houses of like character; to have the power to require all owners, tenants, or occupants of improved property, which may be located upon or near any street or alley along which may extend any sewer or system of sewerage that the said city may construct, own or control, to connect with such sewer or system of sewerage, all water closets, sinks or drains upon their respective properties or premises, so that their contents may be made to empty into such sewer or system of sewerage; provided, that whenever any tenant or occupant shall be required under any ordinance of the city to make sewer connection, or to do any other thing of which the board of commissioners has the power to compel the performance, such tenant or occupant shall have a lien upon the property occupied for reimbursement and reasonable attorney's fees, if the primary obligation to do the same was on the landlord, said lien to be enforced by competent proceedings in any court of competent jurisdiction, and the tenant or occupant may, when so entitled under the general principles of set-off, use such claim against his liability for rent; and to have power to condemn as nuisances all buildings, cisterns, wells, privies and other erections in the city which, on inspection, shall be found to be unhealthy, unsanitary or dangerous to persons or property, and cause the same to be abated or removed, unless the owners thereof, at their own expense, upon notice, shall reconstruct the same in such manner as shall be prescribed by the laws of the city; and as to all buildings, cisterns, wells, privies and other private improvements to be constructed in future, they shall have the power, and it shall be their duty, to have the same so constructed as not to interfere with the health of persons, or the safety of persons or property, within the city.

Said board shall have the power, and it shall be their duty, to provide that the city is kept in a clean and healthy condition, the yard and premises of every occupant of every dwelling, outhouse, office, store, shop, or other place of business, are cleaned and so kept by such occupant, every day, at his own expense, and to prohibit, by proper laws and penalties, every such occupant from throwing or putting any trash or improper material in the streets, alleys or sidewalks, except for the purpose of removal; to require such occupant daily to deposit all unsanitary material in the street near by, in some suitable vessel to be provided by the occupant at his or her own expense, to be carried off by the public carts; to have power to prohibit the erection, building, placing, moving or repairing, of wooden buildings within such limits in said city as for the purpose of guarding against the calamity of fire may be designated and prescribed, and may also within said limits prohibit the moving or putting up, of any wooden buildings from without said limits, and may also prohibit the removal of any wooden buildings from one place to another within said limits, and may direct, require and prescribe that all buildings within the limits so designated and prescribed as aforesaid,

shall be made or constructed of fire-proof materials, and to prohibit the rebuilding or repairing of wooden buildings within the fire limits when the same shall have been damaged to the extent of thirty-three and one-third per cent ($33\frac{1}{3}\%$) of the value thereof, and may prescribe the manner of ascertaining such damage, and may declare all dilapidated buildings to be nuisances, and direct the same to be repaired, removed or abated in such a manner as they shall prescribe and direct, and to declare all wooden buildings in the fire limits which they deem dangerous to contiguous buildings, or in causing or promoting fires, to be nuisances, and require and cause the same to be removed in such manner as they shall prescribe.

To have the power to prevent and prohibit the dangerous condition of chimneys, flues, fire places, stove pipes, or any other apparatus used in or about any building or manufactory, and to cause the same to be removed, or placed in a secure and safe condition, when considered dangerous, and generally to establish such regulations for the prevention and extinguishment of fires as said board of commissioners may deem expedient.

To regulate and control plumbers, and plumbing works, and to enforce efficiency of the same.

To direct, control and prohibit the keeping and management of houses, or any building for the storing of gunpowder and other combustible explosives, or dangerous materials within the city, and to regulate the keeping and conveying of the same, and to regulate and prevent and prohibit the use of fireworks within the said limits.

To regulate and prescribe the mode and speed of vessels, steamboats and other craft on entering and leaving the harbors of said city, and of coming to and departing from the wharves thereof, and the disposition of the sails, yards, anchors and other such appurtenances of such vessels, while entering, leaving or abiding in such harbors, and to regulate and prescribe the location of every steamboat, steamship, or other craft, ship, vessel, barge, boat or float, and such changes of station and use of the harbor as may be necessary to promote order therein, and in the safety and equal convenience, as near as may be, of all steamboats, steamships or other craft, ship, vessel, barge, boat or float, and may impose penalties for any offense against such ordinance, and may appoint a harbor master to carry out the powers herein granted, and to report any violation of such regulations to the court having jurisdiction thereof.

To direct and control the laying of railroad tracks, turnouts and switches, or to prohibit the same in the streets, avenues and alleys, unless the same shall have been authorized by ordinance; to require that all railroads, turnouts and switches shall be so constructed as to interfere as little as possible with the ordinary travel and use of streets, avenues and alleys, and that sufficient space shall be left on either side of said track for the safe and convenient passage of persons, teams, carriages and other vehicles, and to construct and keep in repair suitable crossings at the intersections of streets, avenues and alleys, and ditches, sewers and culverts, when the said commissioners shall deem it necessary; and to direct the use and regulate the speed of locomotive engines within said city, or to prevent and prohibit the use or running of the same within the said city.

To make all suitable and proper regulations in regard to the use of the

streets for street cars, and to regulate the running of the same so as to prevent injury or inconvenience to the public.

To regulate or forbid the opening and digging up of the streets or alleys by gas, telephone or other companies to the public detriment.

To provide the city with water; to make, regulate and establish public wells, pumps, cisterns, hydrants and reservoirs in the streets or elsewhere within said city, or beyond the limits thereof, for the extinguishment of fires and the convenience and health of the inhabitants thereof, and to prevent the unnecessary waste of water, or any injury to said water-works; and to pass ordinances for the condemnation of property for the purpose of establishing, enlarging or maintaining a system of water-works, whether within or without the limits of such city, conforming the mode and manner of the same to the rules now prescribed for cities and towns by the General Laws of the State in the condemnation of property for the construction of sewers or sewerage systems.

To authorize and regulate the laying of pipes and the location and construction of tanks, reservoirs and pumping stations for the storage and conveyance of oil and gas.

To regulate the inspection and vending of fresh meats, fish and other provisions, and to prohibit the sale of any tainted or unwholesome meat, fish or other provisions, and to make such rules and regulations in relation to butchers as they may deem necessary and proper.

To erect and repair all necessary public buildings.

To repair and keep in repair streets, alleys, sidewalks and other public grounds and places in the city.

To open and widen streets, to change the location thereof, or to close the same, and to lay off new streets and alleys when necessary, and to have and exercise control over all streets and other public property of the city, as well that without as that within the city.

To accept any money or property for the purpose of any public or corporate use.

To provide by ordinance special funds for special purposes, and to make the same disburseable only for the purpose for which the fund was created and any officer of said city misapplying said special fund shall be deemed guilty of malfeasance in office, and shall, on complaint of any one interested in said fund so misapplied, or any taxpayer of said city, be removed therefrom, and shall be incapable thereafter to hold any office in said city, and shall, on conviction before any court of competent jurisdiction, be fined in a sum not exceeding five thousand (5000) dollars, and be imprisoned in the county jail not exceeding six (6) months.

To provide for the inclosing, regulating and improving of all public grounds, parks and esplanades belonging to the city, and to direct and regulate the planting and preserving of ornamental and shade trees in the streets, sidewalks and public grounds thereof.

To regulate the carrying of weapons, and to prevent the carrying of the same concealed.

To authorize the proper officer of said city to grant and issue licenses and to direct the manner of issuing and the registering thereof, and the fees and charges to be paid therefor; provided, that no license shall be issued for a longer period than one year, and shall not be assignable, except by permission of the board of commissioners.

To establish and regulate public pounds, and to regulate, restrain and

prohibit the running at large of horses, mules, cattle, sheep, swine, goats and geese, and to authorize the distraining, impounding and sale of the same for the costs of the proceeding and the penalty incurred, and to order their destruction when they can not be sold, and to impose penalties on the owners thereof for violation of any ordinance, and also to impose penalties on the owners or keepers thereof, and to tax, regulate, restrain and prohibit the running at large of dogs, and to authorize their destruction when at large contrary to ordinance, and to impose penalties on the owners or keepers thereof.

To regulate the burial of the dead, and to regulate the registration of deaths, marriages and births. No person shall be buried without a certificate of the physician or post-mortem examination, or after a coroner's inquest.

To compel and force all offenders against any ordinance of the city found guilty by any court of competent jurisdiction and sentenced by it to imprisonment, to labor on the streets and alleys of said city, or on any public works thereof, under such regulations as may by ordinance be established.

The board of commissioners, as established by this act, shall be invested with the power and charged with the duty of making all laws or ordinances not inconsistent with the Constitution of this State, that may be necessary and proper to accomplish the general object of this act, and to pass all ordinances, rules and regulations necessary for the good government, peace and order of said city and the trade and commerce thereof, and to adopt rules for the government of its proceedings.

Said board shall have the power to establish, erect, construct, regulate and keep in repair bridges, culverts, sidewalks and crossways, and to regulate the construction and use of the same, and to abate and punish any obstructions or encroachments thereon, and the cost of the construction of sidewalks shall be defrayed by the owners of the lot or part of lot or block fronting on the sidewalk.

To establish and erect markets and market houses, designate, control and regulate market places and privileges, inspect and determine the mode of inspecting meat, fish, vegetables and all produce and every article and thing therein brought for sale.

To provide for the suppression and prevention of any riot, rout, affray, noise, disturbance or disorderly assembly in any public or private place within the city.

To prohibit and restrain the firing of firecrackers, or use of any pyrotechnic or any other amusement or practice tending to annoy persons passing in the streets or sidewalks or to frighten horses or teams; to restrain and prohibit the ringing of bells or the blowing of horns and bugles, crying of goods and all other noises, practices and performances tending to the collection of persons on the streets and sidewalks, by auctioneers and others, for the purpose of amusement, business or otherwise.

SEC. 35. To prevent, regulate and control the driving of cattle, horse and all other animals into or through the city.

SEC. 36. To prevent any person from bringing, depositing or having within the limits of said city any dead carcass or other offensive or unwholesome substance or matters, and to require the removal or destruction by any person who shall have placed, or caused the same to be placed, upon or near his premises or elsewhere, of any substance or

matter, filth or any putrid or unsound beef, pork or fish, hides or skins of any kind, and on his default, to authorize the removal or destruction thereof by some officer of the city, and require the owner of any dead animal to remove the same to such place as may be designated.

SEC. 37. The said board of commissioners shall have the power to do any and all acts necessary to preserve the harbor, and to dredge out, widen or deepen the channel of the harbor of the city of Galveston, to prevent any use of the same or any act in relation thereto inconsistent with the public health, or calculated to render the waters of the same, or any part thereof, impure or offensive, or tending in any degree to fill up or obstruct the said channel; and to prevent and punish the casting, throwing or depositing therein of any stone, shell or other substance, logs or floating matter, and to prevent and remove all obstructions therein and to punish the authors thereof. It shall also have the power to erect and to regulate the erection of wharves fronting the channel, or their extension in such manner as may be by it deemed for the public interest, to fill or cause to be filled or otherwise improved, any property belonging to said city of Galveston, or under its control, and to do any and all acts necessary and proper to promote the use and availability of such property for the purposes of commerce and in aid of the preservation and protection of the said harbor of Galveston and the channel therein.

SEC. 38. To prevent all trespasses, breaches of the peace and good order, assaults, assaults and batteries, fighting, quarreling, using abusive and insulting language, misdemeanors and disorderly conduct, and to punish all persons thus offending.

SEC. 39. To prevent all prize fighting, cock and dog fighting, and punish all persons thus offending.

SEC. 40. To regulate and determine the time and place of bathing and swimming in the waters adjoining or within said city, and to prevent any obscene or indecent exposition, exposure or conduct.

SEC. 41. The board of commissioners shall have power to require on due notice all railway companies owning track within the city limits, which may have been or may hereafter be abandoned by them, by non-user, to remove such tracks and to restore at their own expense the street or way upon which such abandoned track is located to proper grade. The board of commissioners shall have power at any time to change the location or remove the railway track or tracks on any street or avenue from one portion of the street to another, and to enforce such change of location in mode to be prescribed by ordinance.

SEC. 42. The board of commissioners shall, as soon as may be, after the commencement of each fiscal year, contract as they may by ordinance or resolution determine, with a public newspaper of such city, as the official paper thereof, and to continue as such until another is selected, and shall cause to be published therein all ordinances, notices and other matter required by this act, or by the ordinances of said city to be published.

SEC. 43. The board of commissioners shall have authority, by ordinance duly enacted, to provide for the establishment and maintenance of a free public library in the city of Galveston, and to this end may make appropriations in amounts within their discretion; and may receive donations of books, papers, magazines, periodicals, or other property, or money, for the benefit of and maintenance of such public library.

SEC. 44. The board of commissioners shall have power to appropriate money to provide for the expenses of said city. In the month of February of each year, or as soon thereafter as practicable, it shall make a careful estimate of the probable revenues of said city for the ensuing year, and shall provide for the disbursement and expenditure of the same and shall at the same time fix the salaries of all officers and employes appointed or elected under the provisions of this act, except those whose compensation is fixed herein, said apportionment to be made as follows, to wit:

1. It shall reserve and set apart a fund of twenty-five thousand (25,000) dollars, to be used only in case of extraordinary emergencies, which could not have been foreseen before their occurrence, but in no event to be used for the ordinary expenses of said city; and whenever there shall remain unexpended any portion of such reserve fund the same shall constitute a part of such reserve fund for the next ensuing year.

2. It shall then apportion the remainder of the estimated revenue to the several departments of the said city for the general expenses thereof.

Any member of said board of commissioners who shall knowingly vote for, or in any manner aid or promote, the passage or adoption of any ordinance, legislation or other act of said board increasing the appropriation for the expenses of said city beyond the estimate aforesaid, unless the actual revenue shall have exceeded such estimate, and, in such event, beyond such actual revenue, shall thereby vacate his office, and shall be guilty of malfeasance in office, and shall be removed from his office in the manner provided for in this act.

Said estimate or budget shall be prepared in such detail, as to the aggregate sum and the items thereof, as the said board shall deem advisable, and in order to enable the said board to properly prepare such estimate, the heads of all departments shall, at least thirty (30) days before the said estimate is hereby required to be made, send to the said board, in writing, estimates of the amounts needed for the conduct, respectively, of each department of said city for the next ensuing fiscal year. Such estimates shall be verified by the oath or affirmation of the parties making them, and a wilfully false statement made in a material matter, contained in said estimates so made to said board, shall be perjury and punishable as provided by the Penal Code of the State of Texas. The said estimates shall specify in detail the objects thereof and items required for the respective departments, including a statement of each of the salaries of the officers, employes, deputies and subordinates in each department. It shall be the duty of said board of commissioners, when assembled for the consideration of and appropriation for said budget, to consider and investigate the estimates prepared by said officers, and to hold daily sessions for the consideration and adoption of said budget. After said budget shall have been duly passed and adopted, said board of commissioners shall not have the power to increase the amounts fixed therein, in order to insert any new items therein during such current year, and the said several sums, as therein fixed, shall be and become appropriated after the beginning of the next ensuing fiscal year for the several purposes therein named, to be used by the said board of commissioners and the several departments of said government for the purposes therein named, and for no other purposes or uses whatever. And said

board of commissioners shall not have the power, by any ordinance or resolution, to enlarge any item contained in said budget after the same is duly passed. No appropriation provided for in said budget shall be diverted or used under any circumstances for any other purpose than that named therein; and no temporary loan shall be authorized or made to pay any deficiency arising from a failure to realize sufficient income from taxation to meet the amounts provided for in said budget, but the said board of commissioners may borrow money for its use in anticipation of the receipt of taxes levied for any one year, and pledge as security therefor the uncollected taxes for any such year; provided, however, that the money so borrowed for this purpose shall not exceed in any one year the sum of \$100,000. In case of any such deficiency there shall be a pro rata abatement of all appropriations contained in said budget; and in case of any surplus arising in any fiscal year by reason of an excess of income received from the estimated revenues over the expenditures for such year, the said surplus shall be credited to the general fund of said city and shall form part of the general fund for the next ensuing fiscal year. The fiscal year of the city of Galveston shall begin on the first day of March in each year; provided, however, that the first board of commissioners appointed and elected under this act shall, within thirty days after their qualification, make up a budget in compliance with the provisions of this section for the period ending February 28, 1902.

SEC. 45. No franchise or right in relation to any highway, avenue, street, lane or alley, either on, above or below the surface of the same, and no franchise or right in relation to any island or land covered by water that may belong to or be claimed by the city of Galveston, shall be granted by the board of commissioners to any person or corporation for a longer period than fifty (50) years. Every grant of any such franchise or right may make provision by way of forfeiture of the grant or otherwise for the purpose of compelling compliance with the terms of the grant, and to secure efficiency of public service at reasonable rates, and the maintenance of the property in good condition throughout the full term of the grant. Before any grant of any such franchise or right shall be made, the proposed specific grant, embodied in the form of a brief advertisement, prepared as may be directed by ordinance of the board of commissioners, shall be published at the expense of the applicant, for at least three (3) days in the official journal of said city. When the grant of any such franchise or right is made, the city shall not part with, but shall expressly reserve the right and duty at all times, to exercise in the interest of the public, full superintendence, regulation and control in respect to all matters connected with the police powers of said city. Before any such grant of any such franchise or right shall be made, the proposed specific grant shall be embodied in the form of an ordinance, with all such terms and conditions as may be right and proper, including a provision as to the rates, fares and charges, if the grant provides for the charging of rates, fares and charges. All legal ordinances, resolutions or acts heretofore passed or had by the said city, making any grant or concession, or vesting any property right, interest or franchise, shall remain unaffected by the repeal of the charter of said city, and amendments thereto, hereinafter provided for.

SEC. 46. Said board of commissioners shall have the power and it is made their duty to adopt rules and regulations for the management of

the waterworks and sewerage systems, and they shall make and establish a schedule of water and sewer rates and tolls, and prescribe the mode and manner of the construction of the surface pipes, alley laterals and house connections, with the water mains and sewer pipes; and the said board of commissioners shall pass all ordinances necessary for the protection and preservation of the said waterworks and sewerage system, and for the prevention of waste and damage thereto; and said board of commissioners shall have power to require all property owners whose property may be located upon or near any street or alley along which may extend any sewer or system of sewerage that the said city may construct or authorize to be constructed, or that it may acquire by purchase or otherwise, to connect with such sewer or system of sewerage all water closets, sinks and drains located upon their respective property or premises, so that their contents may be made to empty into such sewer or system of sewerage, whether said system is constructed by said city or is acquired by it by purchase or otherwise.

SEC. 47. That neither the said commissioners nor the said city of Galveston shall be liable in damages, except for negligence, for any injury or injuries to persons or to property caused by filling, raising, grading or elevating any property within the city of Galveston, or in the prosecution of any public improvement in said city.

SEC. 48. The board of commissioners shall have power, and they are hereby authorized, to impose additional uses and burdens upon the streets, avenues, alleys and public grounds of said city, for the location, construction and maintenance of breakwaters and other like works for the protection of the city of Galveston, whether constructed by the United States government, the State of Texas or the city of Galveston, with the right to take and appropriate such land and other property as may be deemed necessary for the establishment, location, construction and maintenance of said breakwaters and other like works for the protection of the city of Galveston from encroachment or overflow by the waters of the gulf; and for such other purpose to define the area of land needed and to acquire, take, hold and enjoy the same, and for that purpose shall have the right to exercise the right of eminent domain and to condemn lands for said purposes and uses, in the manner and under conditions provided by law in the case of railroad corporations.

SEC. 49. To pass ordinances for the condemnation of property for the purpose of opening streets in the city, conforming the mode and the manner of the same to the rules prescribed for cities and towns by the General Laws of the State; and to regulate, prohibit or remove all buildings or structures on the shores or in the waters within the limits of the city where the same are not authorized by law.

SEC. 50. That said commissioners shall not issue any bonds, notes, scrip or other evidence of indebtedness, except as provided in this act, and shall in no event contract for work, material or services in excess of the amount of the estimated revenues for the current year and the funds on hand applicable to such purposes; and all parties contracting with said commissioners for work, material or services shall look alone to the revenues for that year, and to such funds as may be applicable for such purposes at the date of any such contract, and the revenues of no subsequent year shall be appropriated or used to meet any such deficit, and no property, real or personal, owned or held by said city of Galves-

ton for public use, for governmental purposes, or in trust for the public, shall ever be subject to execution or attachment, or seizure under any legal process, for any debt heretofore or hereafter created by said city of Galveston; and all taxes due, or money in the hands of the officers charged with the collection of taxes or any other revenues belonging to said city, shall be exempt from seizure, under attachment, execution, garnishment or any other legal process.

SEC. 51. To license and tax the owners of all vehicles in the city of Galveston used or kept for private or public uses, and to license, tax and regulate hackmen, draymen, omnibus drivers and drivers of baggage wagons, porters and all others pursuing like occupations, with or without vehicles, and prescribe their compensation, and provide for their protection, and make it a misdemeanor for any person to attempt to defraud them of any legal charge for services rendered, and to regulate, license and restrain runners for steamboats, railroads, stages and public houses; and enforce the collection of all such taxes by proper ordinances; and all revenues collected under the provisions of this section, or any ordinance passed in pursuance thereof, shall be used only for the improvement of the streets and alleys of said city.

SEC. 52. That the said board of commissioners of said city is authorized to appropriate all delinquent taxes against which no demands are outstanding, and after the purposes for which said taxes were levied have been fulfilled and satisfied, to any proper municipal purposes, and the said board is empowered, at the end of each fiscal year thereafter, to declare such residue of all said delinquent taxes a surplus fund, and to direct that the same, when collected, be carried in bulk as a surplus account, subject to appropriation by said board for proper municipal purposes, under the provisions of this act.

SEC. 53. The following property in said city shall be exempt from taxation, to wit: All lands used exclusively for graveyards, or grounds for burying the dead, except such as are held or owned by any person, company or corporation with a view to profit, or for the purpose of speculation in the sale thereof; all buildings belonging to institutions of purely public charity, together with the lands belonging to and occupied by such institutions not leased or otherwise used, with a view to profit, and all moneys and credits appropriated solely to sustaining such institutions, together with such other property as is exempt from taxation by the Constitution and laws of the State of Texas or of the United States.

SEC. 54. The board of commissioners shall have power and they are hereby authorized to levy for general purposes an annual ad valorem tax on all real, personal and mixed property within the territorial limits of said city, not exempt from taxation by the Constitution and laws of the State of Texas, of and at the rate of not exceeding seventy (70) cents on the one hundred (100) dollars cash valuation of said property. The meaning of the term "real property," as used in this act, shall be construed to include lots, lands and all buildings or machinery and structures of every kind erected upon or affixed to the same; and the meaning of the term "personal property," as used in this act, shall be construed to include all household furniture, moneys, goods, capital and chattels, all ships, steamboats and vessels, whether at home or abroad, all stocks of corporations, moneyed or otherwise, and, generally, all property which is not real. That the taxes herein and hereby authorized to be levied shall

become due and payable on September first of each year, and shall bear interest at the rate of six per cent per annum from October first following the said levy, until the same are paid, and said taxes are hereby made payable in the currency or coin of the United States.

Said board shall also have the power to annually levy and collect a poll tax of one (1) dollar of and from every male inhabitant of such city over the age of twenty-one (21) years and under sixty (60) years of age, who shall have resided therein six (6) months previous to the levy of such tax.

Said board of commissioners shall have power to provide by ordinance for the assessing and prompt collecting of all of the taxes aforesaid, and to determine when taxes shall be paid by corporations and when by individual corporators. The license and occupation taxes authorized to be levied by this act shall be collected by the assessor and collector of taxes, and shall be paid to that officer by each and every person and firm before engaging in any trade, profession, business, calling, vocation or occupation subject to said tax, as is provided by the terms of this act.

Said board of commissioners shall have the power to regulate the manner and mode of making out tax lists or inventories, and the appraisalment of property therein, and to prescribe how and when property shall thus be rendered; and shall also prescribe the number and form of assessment rolls and fix and define the duties and powers of the assessor and collector, and adopt such measures as they may deem advisable, to secure the assessment of all property within the limits of said city, and to collect the taxes thereupon, conforming the said manner and mode of rendering property for assessment, and the assessment thereof, as near as may be, to that provided by law for the rendition and assessing of property for State and county purposes, and until the passage of such ordinances the said board of commissioners and the assessor and collector of taxes shall be governed in their procedure and acts in relation to the assessment and collection of said taxes as is provided by the laws of this State relating to the assessment and collection of State and county taxes.

When any real or personal property situated within the territorial limits of said city has been returned delinquent, or reported sold to said city for the taxes due thereon, the board of commissioners may cause to be prepared lists of delinquents in the same manner as is provided for in Section 3 of the act of the Twenty-fifth Legislature of the State of Texas, and set out in Chapter 103 of the General Laws of said Twenty-fifth Legislature, and when such list shall be certified to as correct by the president of said board of commissioners, the said board of commissioners may direct the city attorney to file suit in the district court of Galveston county for the recovery of the taxes due on said property, together with the penalty, interest and costs of suit, which suits may be brought in the same manner as is provided in Section 5 of said act of the Twenty-fifth Legislature above mentioned, for the bringing of suits by the county attorney, and the provisions of said act of the Twenty-fifth Legislature, as contained in Chapter 103 of the General Laws of said Legislature, shall be in force as to such taxes so far as the same are applicable.

Sec. 55. The board of commissioners shall have power to provide by ordinance for the levy and assessment of taxes on the property or shares of the capital stock of all corporations, companies, banks and other like

institutions, and on their notes and bills receivable, and all of said property or shares of such corporations, companies and banks shall be assessed and taxed in the same manner as is provided by the laws of the State of Texas for State and county taxes.

SEC. 56. All taxes levied by this act shall be a lien on all property upon which they are assessed, both real and personal, until the same shall have been paid, and in addition to the other remedies provided by this act for the collection of such taxes suits may be instituted to recover the same and the said liens foreclosed in any court of competent jurisdiction.

SEC. 57. Any and all descriptions of real estate, blocks, outlots, lots, or any parts or fractions thereof, and of all personal property, and any and all dates, years, valuations, taxations, numbers, quantities, or amounts contained in any assessment roll, land tax book, personal tax book, or descriptions contained in any book or roll used for the purpose of assessing property, shall be sufficient and valid when made or stated in whole or part in abbreviations or contractions of words, letters, characters, or figures; and when so made or stated shall be deemed and held to be fully and fairly made and stated, as though the same had been written out in full. No error or irregularity in any assessment roll, tax book, or other document relating to the levy, assessment, equalization, or collection of the taxes of the city shall in any manner affect or impair the validity of any tax, or affect the proceedings for the collection thereof, but every such assessment shall be liberally construed to effect the purposes and objects of this section in determining the validity thereof.

SEC. 58. That in all cases where any dealer in goods, or merchandise of any kind, subject to either ad valorem or occupation taxes, or both, under the provisions of this act, shall, after the rendition of said goods, wares, or merchandise, for taxation or after becoming liable for any occupation tax, become, or be adjudged, bankrupt, or make an assignment of said goods, wares or merchandise, or sell out or transfer the same in bulk, then the assessor and collector of taxes shall at once present to the trustee in bankruptcy, receiver, assignee, or vendee of said dealer, for payment, a statement of the amount due for said occupation or ad valorem taxes by said dealer, and in case of the failure of said trustee in bankruptcy, receiver, assignee, or vendee to at once pay the amount of said taxes, the said assessor and collector shall, by virtue of his assessment roll, levy upon, seize and sell from the said goods, wares, or merchandise, enough to satisfy the amount of said taxes, interest and costs, such sale to be conducted in the manner now prescribed for the sale of personal property under execution; and said taxes, until paid, shall be and constitute a prior lien on all of said merchandise, goods and wares, in default of the payment of said taxes; and whenever any goods, wares, or merchandise shall be levied upon or seized under any writ of attachment or execution, upon which the said city has a claim for ad valorem or occupation taxes unpaid, said assessor and collector shall present for payment to the officer levying said writ of attachment or execution, the amount due for said taxes, interest and costs on said goods, wares or merchandise, and in case of the failure of said officer, or of the plaintiff in said writ, to at once pay the amount of said taxes, said assessor and collector shall proceed to levy upon, seize and sell enough of said goods, wares or merchandise, to satisfy the amount of said taxes, interest and costs, as hereinbefore provided.

SEC. 59. No demand for the payment of any taxes due the city shall be necessary, but it is hereby made the duty of every person or corporation subject to taxation to attend at the office of the assessor and collector of taxes at the time when said taxes may be made payable by ordinance, and pay all such taxes. If any one fails to pay said taxes before the first day of October the same shall be and become delinquent within the meaning of this act.

SEC. 60. All taxes due by property owners on any and all property for the year 1884 and up to and including the year 1899, and for all years to come until otherwise provided by charter, as appears upon the tax rolls of said city, may be collected by suit from delinquent and foreclosure of the lien thereon be had in any court having jurisdiction of the same, and any person who shall purchase property encumbered with a lien for taxes shall be deemed as to such taxes a delinquent taxpayer, and such purchaser takes the property charged with the lien, and he can not interpose any defense which his vendor might not have interposed had he continued to be the owner thereof. And no delinquent taxpayer shall have the right to plead in any court, or in any manner rely upon, any statute of limitation by way of defense against the payment of any taxes or assessments due from him or her to the city of Galveston.

SEC. 61. In all cases where the State has instituted suit for taxes, where taxes are due the city on the same property for the same years, the city of Galveston shall have the right to intervene in such pending suits and have judgment for its taxes and to enforce and foreclose its lien for said taxes, and in cases where the city has first instituted suits for taxes the State shall have the same right to intervene.

SEC. 62. Said board of commissioners shall have the power to license, tax and regulate merchants, commission merchants, hotel and innkeepers, drinking houses or saloons, barrooms, beer saloons and all places or establishments where intoxicating or fermented liquors are sold, brokers, money brokers, real estate agents, insurance agents, insurance brokers, and all other trades, professions, occupations and callings of every kind not specially mentioned herein as may be taxed or licensed by the laws of the State, but no assessment or license tax levied under this section shall exceed one-half of the amount levied by the State for the same period on such profession or occupation, and the same may be regulated, levied and collected in the same manner as said taxes are regulated and collected by the State.

Said board shall also have the power to license and regulate any itinerant or transient vendor of clothing or wearing apparel, or article of bedding or merchandise of any description whatever. To license and regulate dealers in bankrupt or fire stocks, or damaged stocks of any kind, second hand dealers, pawnbrokers, junk shops and dealers in junk, or any other business or occupation which in the opinion of said board shall be the proper subject of police regulation.

SEC. 63. The board of commissioners of said city, by the unanimous vote of the full board, shall have the power, and are hereby authorized, to correct, adjust and reduce any assessment upon property heretofore made, and in cases of financial inability, or acute financial distress, caused by the hurricane of September 8, 1900, to compromise, adjust and settle any uncollected taxes, interest and penalty levied for the year 1900, by said city upon such property, and also to compromise and settle any

judgment for taxes, interest and penalty. The power and authority conferred by this section upon said board of commissioners may also be exercised and enforced by any court of competent jurisdiction.

SEC. 64. That all revenue arising from assessments or real and personal property, that have been heretofore or may hereafter be made or levied on account of public schools or public education in the said city, shall be and remain for the use and benefit of the public schools of said city, and when the said tax is collected it shall be paid over, weekly, to the treasurer of the board of public school trustees of the said city.

SEC. 65. The board of commissioners of said city of Galveston shall, annually, levy and assess the special tax for the support of the public free schools in said city that has heretofore been or may be hereafter voted for that purpose by the qualified voters in the city of Galveston, by an ordinance duly passed by said board upon the requisition of the board of trustees of the public schools of the city of Galveston, said tax to be levied and assessed in the same manner as is required by this act in the levy and assessment of taxes for general purposes.

SEC. 66. The board of commissioners shall have power to assess and collect the ordinary municipal taxes upon city or horse railroads, and to compel the said city railroad companies to keep their roads in repair, and to restrain the rate of travel so as not to exceed seven miles per hour, and to compel said city railroads to supply ample accommodation for the safe and convenient travel of the people on any street where their tracks may run. The board of commissioners may enforce these regulations by proper ordinance, with suitable penalties for any violation of said ordinances.

Whenever the said board of commissioners shall determine to fill, grade, pave, or otherwise improve any street or avenue, and over and upon which, or any portion thereof, there may be the tracks and roadbed of any railroad company, the said railroad company shall, upon notice, fill, grade, pave or otherwise improve the portion of said street or avenue so occupied by it, between the rails of said tracks and for one foot on each side of said rails, with such material and in such manner as has or may be provided by said commissioners for the improvement of the other portions of such street or avenue. Upon failure so to do, after thirty days' notice, the said board may so improve such street or avenue between said rails and for one foot on each side thereof for account of said railroad company, and for all sums so expended, and legal interest thereon, the city of Galveston shall have a first lien on the roadbed, franchises and other property of said railroad company; and if not paid upon demand, suit may be brought by said city to recover said indebtedness and for the foreclosure of said lien.

SEC. 67. The city of Galveston shall have the power to issue bonds to the amount of not exceeding \$3,100,000.00 of such denomination as the board of commissioners may determine, payable at such time, not to exceed fifty years, as they may determine and as may be agreed to by the holders of such bonds, bearing interest, payable semi-annually, at a rate to be agreed on by the holders of such bonds and the board of commissioners; said interest rate, however, not to exceed five per cent per annum, but the city of Galveston shall have the right to select by lot as interest coupons on said bonds mature, sufficient of the bonds to retire at not exceeding par, not less than two per cent per annum of the total bonds

outstanding of each issue into the sinking fund thereof. These bonds are to be issued for the purpose of refunding such of the outstanding bond issues of the city of Galveston as are hereinafter specified; that is to say, a sufficient number of said bonds so authorized to be issued, shall be in lieu and instead of the outstanding forty-year limited debt bonds of 1881; a sufficient number of said bonds so authorized to be issued, shall be in lieu and instead of the waterworks, street improvement and city hall bonds outstanding; a sufficient number thereof shall be in lieu and instead of the forty-year limited debt bonds of 1891 outstanding; a sufficient number thereof shall be in lieu and instead of the general indebtedness funding bonds of 1895 outstanding; a sufficient number thereof shall be in lieu and instead of the general indebtedness funding bonds approved September 8, 1897, outstanding; a sufficient number thereof shall be in lieu and instead of bonds outstanding, issued for the establishment and maintenance of a sewerage system in pursuance of an ordinance of the city of Galveston passed December 16, 1897, and the amendment thereof, passed August 21, 1899.

The board of commissioners of the city of Galveston shall have power to levy, assess and collect an annual ad valorem tax not exceeding twenty cents on the one hundred dollars valuation of all property subject to taxation within said city, in order to provide for the payment of interest at such rate as may hereafter be determined by the board of commissioners of said city of Galveston, not to exceed five per cent per annum, and to create a sinking fund of not less than two per cent per annum on such amount of the total bonds remaining unpaid, of the issue of what is known as the forty-year limited debt bonds of 1881, and refunding bonds, respectively issued in lieu of same.

The board of commissioners of the city of Galveston shall have the power to levy, assess and collect an annual ad valorem tax not exceeding sixteen and four-tenths cents on the one hundred dollars valuation of all property subject to taxation within said city in order to provide for the payment of interest at such rate as may hereafter be determined by the board of commissioners, not to exceed five per cent per annum, and to create a sinking fund of not less than two per cent per annum on such amount of the total bonds remaining unpaid of the issue of what is known as the waterworks, street improvement and city hall bonds, and refunding bonds, respectively issued in lieu of same.

The board of commissioners of the city of Galveston shall have the power to levy, assess and collect an annual ad valorem tax not exceeding thirty-three cents on the one hundred dollars valuation of all property subject to taxation within said city, in order to provide for the payment of interest at such rate as may hereafter be determined by the board of commissioners, not to exceed five per cent per annum, and to create a sinking fund of not less than two per cent per annum on such amount of the total bonds remaining unpaid of the issue of what is known as the forty-year limited debt bonds of 1891, and refunding bonds, respectively, issued in lieu of same.

The board of commissioners of the city of Galveston shall have power to levy, assess and collect an annual ad valorem tax of not exceeding five and five-tenths cents on the one hundred dollars valuation of all property subject to taxation within said city, in order to provide for the payment of interest at such rate as may hereafter be determined by the board of

commissioners, not to exceed five per cent per annum, and to create a sinking fund of not less than two per cent per annum on such amount of the total bonds remaining unpaid of the issue of what is known as the general indebtedness refunding bonds of 1895, and refunding bonds, respectively, issued in lieu of same.

The board of commissioners of the city of Galveston shall have power to levy, assess and collect an annual ad valorem tax not exceeding five cents on the one hundred dollars valuation of all property subject to taxation within said city in order to provide for the payment of interest at such rate as may hereafter be determined by the board of commissioners, not to exceed five per cent per annum, and to create a sinking fund of not less than two per cent per annum on such amount of the total bonds remaining unpaid, of the issue of what is known as the general indebtedness refunding bonds of 1897, and refunding bonds, respectively, issued in lieu of same.

The board of commissioners of the city of Galveston shall have power to levy, assess and collect an annual ad valorem tax, not exceeding ten cents on the one hundred dollars valuation of all property subject to taxation within said city, in order to provide for the payment of interest at such rate as may hereafter be determined by the board of commissioners, not to exceed five per cent per annum, and to create a sinking fund of not less than two per cent per annum on such amount of the total bonds remaining unpaid of the issue of what is known as the sewer bonds and refunding bonds, respectively, issued in lieu of same. Provided, however, that the said board of commissioners shall not determine upon a less rate of interest than five per cent per annum upon any outstanding legal bonds of the city of Galveston, except and unless, with the consent of the holder or holders of such bonds, respectively, and if the holder or holders of any of such bonds do not so consent to a less rate of interest than five per cent per annum, then, and in that case, the bond or bonds of any such holder or holders, not so consenting, shall bear interest at the rate of five per cent per annum.

This act shall not be so construed as to authorize the board of commissioners of the city of Galveston to levy or to assess or to collect any tax in excess of the rates mentioned in this section, for the purpose or paying the interest on, or creating a sinking fund for, any series of either the outstanding bonds or the refunding bonds mentioned in this section; provided, however, that if any of such outstanding bonds be not refunded, then, and in that case, said board of commissioners shall have power to levy, assess and collect such rate of taxation to pay the interest on, and to create a sinking fund for, such bonds not refunded, as does not exceed the rate of taxation prescribed in any legal ordinances, resolution or act heretofore passed by the city council of the city of Galveston or act of the Legislature heretofore passed relating thereto, providing for the issuance and payment of either principal or interest of any such outstanding, legal, unpaid and unrefunded bonds of the city of Galveston.

Each of said funds so created shall be a special fund for the purposes aforesaid and shall not be drawn upon or diverted for any other purpose, and the city treasurer of said city of Galveston shall honor no drafts upon said fund, except to pay the interest upon, or to redeem the bonds for which each or either of said funds was created under the provisions of this section. All bonds issued as refunding bonds, shall be signed by

the president of the board of commissioners and countersigned by the secretary of said board and shall be payable at such place as may be fixed by ordinance of said board of commissioners. It shall be the duty of the president of said board of commissioners, when such bonds are issued, to forward the same to the Comptroller of the State of Texas, whose duty it shall be to register them in a book kept for that purpose, and to indorse on each bond registered his certificate of registration.

Immediately upon the qualification of the commissioners of the city of Galveston to be appointed and elected as provided in this act, or as soon thereafter as practicable, it shall be their duty to make publication of the terms of this funding act; but the passage of this act shall be and is hereby deemed sufficient notice to the holders of the present bonds of the city of Galveston now outstanding.

The manner of exchange of refunding bonds, their date of issuance, rate of interest, maturity and all other details of the issuance of the new bonds is hereby left to the board of commissioners under such rules and regulations as a majority of them shall prescribe, not inconsistent with the provisions of this act.

The acceptance and consummation by any creditor of the exchange of bonds provided by this act shall of itself operate to assign and transfer to said municipal corporation, all his rights to, and claims against the uncollected taxes or other assets whatever, of said municipal corporation, including whatever funds there may be, either in bonds, money or other securities, held in either interest or sinking funds of the issue so exchanged or refunded, with the right in said municipal corporation to enforce the same either in its own name or in the name of the creditor; and the funds that may be realized therefrom are to be paid to the treasurer of said municipal corporation, and they are hereby devoted and appropriated to the payment of the present floating debt of the city of Galveston; and after that is paid to go in the general fund for any proper municipal purposes, so far as is not inconsistent with the terms of this act.

Said board of commissioners shall have the power and it is made their duty, from time to time, as they may determine, whenever as much as two thousand dollars shall have accumulated in the sinking fund of any of the proposed series of refunding bonds, to invest the same in bonds of any such series, in bonds of said city of Galveston, in bonds of the State of Texas, or in bonds of the United States, as may be deemed most advantageous by said board; provided, however, that when bonds of any particular series are purchased for the sinking fund of the same series, said bonds shall be canceled and retired. It shall be the duty of said board of commissioners, upon the surrender of any evidence of indebtedness, for which a new bond is to be issued, under the provisions of this act, and before the said bond is delivered, to cancel the evidence of indebtedness so surrendered, with a punch or by writing across the face thereof, that it is canceled, so that it cannot be again used. All matured interest coupons shall be surrendered with the bonds, and no bond shall be received or refunded from which unmatured interest coupons are detached, unless such coupons are produced and surrendered with the bond.

Said board of commissioners shall also keep, or cause to be kept, for and on behalf of the city of Galveston, a complete bond registry and set

of books, showing all bonds issued, the date and amount thereof, the rate of interest, maturity, etc., of all bonds or other indebtedness surrendered under the provisions of this act, and all the other transactions of such board having reference to the refunding of the indebtedness of said city. When bonds or their coupons are paid, their payment or cancellation shall be noted in said registry, and the said book so required shall be kept safely among the records of the said city of Galveston.

No other taxing power whatever, for any other purpose than is set forth in this act, shall be exercised by the board of commissioners of the city of Galveston under this act.

That for any violation of the trusts imposed upon the officers or agents of the city of Galveston employed under this act, the same consequences shall follow civilly and criminally, that result from any breach of trust or willful violation of duty imposed by law upon any of the officers of the State of Texas, charged with the discharge of like duties, and for a breach of trust or willful violation of duty in respect thereof, upon conviction, they shall be punished in like manner as is or may be provided by the penal laws of the State of Texas.

SEC. 68. The board of commissioners of said city of Galveston shall have the power and they are hereby authorized to appoint a board of engineers, to consist of three competent and skilled engineers, who shall devise and report to said board of commissioners plans and specifications, with estimates of the cost, for elevating, filling and grading the avenues, streets, sidewalks, alleys and lots of the city of Galveston, so as to protect said city from overflow from the waters of the gulf and to secure sufficient elevation for drainage and sewerage. When the report of said board of engineers has been adopted by the board of commissioners, all filling, raising and grading in said city shall be done with reference to the grades thus established. The board of commissioners are authorized to spend out of the general revenue of the city a sum not to exceed ten thousand (10,000) dollars to pay for the expenses of said board of engineers.

SEC. 69. The board of commissioners shall have the power and are authorized in addition to the powers granted by this act, to issue other bonds; also to issue, from time to time, bonds of the city of Galveston, in the denomination of one hundred (100) dollars or multiples thereof, to the amount of one million, five hundred thousand (1,500,000) dollars, payable not more than fifty years after their date, with the right of the city at any time to select by lot and redeem with the sinking fund any of them, and bearing interest, payable semi-annually, at the rate of not to exceed five (5) per cent per annum. Said bonds shall not be sold or otherwise disposed of at less than par, and their proceeds shall be used and expended for raising and filling to grade the avenues, streets, sidewalks, alleys and lots in the following localities in said city, viz.:

First, that part of the city lying east of the west line of Thirteenth street and south of Market street; and, second, that part of the city lying west of Thirteenth street and south of the north line of Broadway, or such portions of said localities as may be designated by the board of commissioners upon the recommendation of the board of engineers provided for in the foregoing Section No. 68.

Said board of commissioners may also expend and use not to exceed

one hundred thousand (100,000) dollars of the proceeds of said bonds in raising and filling to grade the streets and avenues in any locality in said city. All lots and blocks in the portions of the city above designated, that are below the grades that may be established for those localities, are hereby declared to be dangerous to the health and safety of the inhabitants of said city and a public necessity exists for raising and filling the same to grade, and said board of commissioners shall have the power and are hereby authorized to cause the same to be raised and filled to grade and to pay for the same out of the proceeds of the bonds herein authorized to be issued.

SEC. 70. All moneys that may be donated or appropriated by the State of Texas to the city of Galveston shall be applied to and used for the purpose of paying the interest upon and providing a sinking fund of not less than two per cent per annum, for the redemption of the one million five hundred thousand (1,500,000) dollars of bonds the issuance of which is provided for in the preceding Section No. 69, and said board of commissioners shall have the power and are hereby authorized to levy and cause to be assessed and collected for the year 1902 and annually thereafter an ad valorem tax of not to exceed forty cents on the hundred dollars cash value of all real, personal and mixed property within the corporate limits of said city of Galveston, or that may be taxable therein on the first day of January of each and every year, except so much thereof as may be exempted by the Constitution and laws of this State or of the United States.

SEC. 71. In addition to the ad valorem tax provided for in Section No. 70 of this act, said board of commissioners may, except in so far as the same are otherwise disposed of by this act, also hypothecate and pledge the annual dividends and income that may be received by the city from its stock in the Galveston Wharf Company, or so much thereof as will, when added to the money received each year from the ad valorem tax provided for in said Section No. 70, be sufficient to pay the interest and sinking fund upon the bonds authorized to be issued under said Section No. 69 that are then outstanding.

SEC. 72. Each tax authorized under this act to be levied, assessed and collected for the purpose of paying the interest and sinking fund upon any bond issued under this act shall be, and the same is hereby, declared to be a trust fund for the purpose of paying the interest upon and providing a sinking fund for the redemption of the respective bonds for which it was levied; and when collected the money therefrom shall never be diverted from the purpose for which it was levied, nor used for any other purpose. Any dividend or income that may be pledged to secure the interest and sinking fund upon any of the bonds authorized to be issued under this act shall also be, and is hereby, declared to be a trust fund, and shall never be used for any other purpose than that for which the same may be hypothecated or pledged.

SEC. 73. The president of said board of commissioners shall cause to be prepared and make stated financial reports at least as often as once every six (6) months to the Comptroller of the State of Texas, in accordance with forms and methods to be prescribed by said Comptroller. All such reports shall be certified as to their correctness by the auditor of said city. Such reports shall be printed as a part of the public documents of the State and be submitted by the Comptroller of the State to

the Legislature at each regular session next succeeding the making of such reports. Such reports shall contain an accurate statement in summarized form, and also in detail, of the financial receipts of the city from all sources, and of the expenditures of the city for all purposes, together with a statement in detail of the debt of said city at the date of said report, and of the purposes for which said debt has been incurred, as well as such other information as may be required by said Comptroller of the State. Said Comptroller of the State shall have power, and it is also made his duty, by himself or by some competent person or persons appointed by him, to examine into the affairs of the financial department of said city; on every such examination, inquiry shall be made as to the financial condition and resources of the city, and whether the requirements of the Constitution and laws have been complied with, and into the methods and accuracy of the accounts of the said city, and as to such other matters as the said Comptroller may prescribe. The Comptroller of the State and every such examiner appointed by him shall have power to administer an oath to any person whose testimony may be required on any such examination, and to compel the appearance and attendance of any such person for the purpose of any such examination and the production of books and papers. A report of each such examination shall be made and shall be a matter of public record in the office of said Comptroller.

SEC. 74. That the said board of commissioners shall, in every case, before entering into any contract involving the expenditure of more than five hundred (500) dollars, advertise daily, for one week or more, in the official newspaper of said city, to be designated as provided in this act, for proposals for work to be done, or materials to be furnished, and shall open all bids on the day named in the advertisements, or as soon thereafter as practicable, in the presence of not less than three (3) members of said board, and shall enter such bids with the names of the bidders, in a book to be kept for that purpose, which book shall at all times be open for the inspection of citizens, and every bid shall remain at least one day open for discussion before any contract shall be awarded upon it, and after that time the award shall be made, if at all, to the lowest responsible bidder, who shall in all cases be required to give ample bond and security for its performance, the bond and security to be approved by the members of said board, or a majority thereof. No contract shall be made which does not receive the assent of a majority of all said board; and all such contracts involving an expenditure of said sum shall be in writing, and shall be executed by the president and secretary of said board, and shall also be executed by the other contracting party, and shall be recorded in full in a well-bound book to be kept for that purpose, open to the inspection of citizens at all times. The commissioner designated as the head of each department shall in every case involving an expenditure of over five hundred (500) dollars, before any advertisement be made for proposals, submit to the said board a statement in writing, with an estimate by him of the cost of the proposed work to be done, or materials to be furnished, and unless the same receive the sanction of at least three members of said board it shall not be advertised, nor undertaken; said written sanction to be endorsed on the statement with the estimate made by said commissioner, and to be kept on file in the office of said board. It shall be a felony for any member of

said board to become interested, directly or indirectly, nearly or remotely, in any contract of any kind made in behalf of said city, and upon conviction the guilty party shall be punished as provided by Article 266 of the Penal Code of the State of Texas, governing such matters; provided, however, that nothing in this section shall be construed to prohibit said board from having work done by day labor, or materials purchased under such rules and regulations as said board may by ordinance prescribe.

SEC. 75. That no person shall be an incompetent judge, justice, witness or juror by reason of his being an inhabitant or freeholder in the city of Galveston, in any action or proceeding in which said city may be a party interested; and all officers and employes of said city shall be exempt from jury service while holding office or in the employ of said city.

SEC. 76. At the end of each fiscal year if an amount should have accrued from taxation, or revenue received from dividends on stocks or surplus receipts, or earnings from any source, which are now or will be hereafter pledged to be applied to the interest and sinking funds for the protection of all classes of outstanding bonds, or bonds to be hereafter issued, should exceed two per cent for sinking fund, then and in that event the surplus, if any, over and above said two per cent sinking fund, can be used for the purpose of making general improvements, or otherwise, as the commissioners may determine.

SEC. 77. All ordinances of the city, when printed and published by authority of the board of commissioners, shall be admitted and received in evidence in all courts and places without any further proof whatever, and all ordinances thus printed in book or pamphlet form shall be presumed to have been printed by authority of the said board, and shall be prima facie evidence of that fact. Certified copies of ordinances shall also be received in evidence. All ordinances, resolutions, rules and regulations now in force in the city of Galveston and not in conflict with the provisions of this act, shall remain in force under this act until altered, amended or repealed by said board, after this act takes effect.

SEC. 78. There is hereby created and established in said city of Galveston a court to be known as the recorder's court in such city, which shall have the jurisdiction and organization hereinafter prescribed.

SEC. 79. Said court shall have jurisdiction within the territorial limits of said city in all criminal cases arising under this act or under the ordinances of the board of commissioners made in pursuance of this act, and shall also have jurisdiction, concurrently, with any justice of the peace in any precinct in which said city is situated, in all original cases arising under the criminal laws of this State in which the punishment is by fine only, and where the maximum of such fine may not exceed two hundred (200) dollars, and arising within the territorial limits of said city. Such court shall be known as the recorder's court of the city of Galveston.

SEC. 80. Such court shall be presided over by a judge, to be known as the recorder of such court, who shall be elected by the board of commissioners of said city as soon as practicable after their organization, and who shall hold his office for two years after his election and until his successor shall be elected and shall qualify. The secretary of the board of commissioners shall be ex-officio clerk of such court. The clerk of

said court shall hold his office as clerk of said court during his term as secretary of such board of commissioners, and until his successor as secretary of said board is elected and qualified. It shall be the duty of such clerk to keep a minute of the proceedings of the said court; to issue all process, and generally to do and perform all of the duties of a clerk of a court as prescribed by law for the clerk of the county court, in so far as the said provisions may be applicable. The judge of said court shall receive such annual salary, to be paid monthly out of the treasury of said city, as may be fixed by said board of commissioners, not exceeding the annual sum of six hundred (600) dollars.

In case of vacancy in the office of recorder or clerk of such court, the same shall be filled by the board of commissioners, sitting as a board, for the unexpired term only.

SEC. 81. All rules of pleading, practice and procedure now established for the county court shall apply in said recorder's court, in so far as the same are applicable, except that the proceedings in said court shall be commenced by complaint, in the manner and under the regulations as now prescribed by law in cases prosecuted before justices of the peace, and except that the recorder need not charge the jury except upon charges requested in writing by the defendant or his attorney, which such charges he shall have power to give or refuse, under the same rules and regulations now applicable to the granting or refusing of such charges by the county judge in criminal cases. That complaints before such court, hereby created and established, may be sworn to before the recorder, the clerk of said court, or the attorney for said board, each and every one of which officers, for that purpose, shall have power to administer oaths.

SEC. 82. The said recorder's court of said city shall have a seal, to be supplied by the board of commissioners, having engraved thereon a star of five points in the center, and the words "Recorder's Court for the City of Galveston, Texas," the impress of which seal shall be attached to all proceedings, except subpoenas, issued out of said court, and shall be used to authenticate the official acts of the clerk and the recorder, where he is authorized or required to use the seal of office.

SEC. 83. That all prosecutions in said court, whether under this act or under the provisions of the Penal Code, or under an ordinance of the board of commissioners, shall be commenced in the name of the State of Texas, and shall conclude "against the peace and dignity of the State," and where the offense is covered by an ordinance of the board of commissioners of said city, the complaint may also conclude, "as contrary to the said ordinances," and all prosecutions in such court shall be conducted by the attorney for said board of commissioners; provided, however, that the county attorney of Galveston county shall represent the State of Texas in any prosecution in said court arising under the Penal Code, and in all such cases the said county attorney shall be entitled to receive such fees, or other compensation, for said services as are or may be allowed by law in case of prosecutions before a justice of the peace; and in no case shall the said county attorney have the power to dismiss any prosecution pending in said court, unless for reasons filed and approved by the recorder of said court.

SEC. 84. That the board of commissioners shall, from time to time, by ordinance, prescribe such rules, not inconsistent with the provisions

of this act nor with the laws of this State, as in the discretion of said board of commissioners may be proper, to enforce, by execution against the property of the defendant, or by imprisonment of the defendant's person, the collection of all costs and fines imposed by such recorder's court, and shall also have power to adopt such rules and regulations concerning the practice and procedure in such court as said board of commissioners may deem proper, not inconsistent with the provisions of this act, nor with any other law of this State; and until the passage of such ordinance all rules and regulations of the city of Galveston now in force concerning the municipal court therein, and the enforcement of the collection of the fines and costs imposed by such court, shall apply to the court hereby created and established for said city of Galveston so far as the same may be applicable.

SEC. 85. That all costs and fines imposed by the said recorder's court in any prosecution therein, shall be paid, when collected, into the treasury of said city, for the use and benefit of said city; provided, however, that all costs and fines imposed by said court in any prosecution therein under the Penal Code of the State shall be disposed of as directed by law in like cases in a justice's court.

SEC. 86. That there shall be taxed against and collected of each defendant, in case of his conviction before such recorder's court, such costs as may be provided for by the ordinance of the said board of commissioners for said city; but in no case shall the board of commissioners prescribe the collection of greater costs than is prescribed by law to be collected of defendants convicted before justices of the peace.

SEC. 87. That the provisions of the Code of Criminal Procedure now in force, regulating the amount and collection of jury and witness fees and for enforcing the attendance of witnesses in criminal cases tried before a justice of the peace shall, so far as applicable, govern and be applicable to the trial of cases before the recorder's court created and established by this act.

SEC. 88. That the judge of said recorder's court shall have the power to punish for contempt to the same extent and under the same circumstances as the county judge may punish for contempt of the county court. He shall have power to take recognizances, admit to bail and forfeit recognizances and bail bonds under such rules and regulations as now govern the taking and forfeiture of the same in the county court.

SEC. 89. That all process issuing out of said recorder's court shall be served by the chief of police or any policeman of the city, under the same rules and regulations as are now provided by law for the service by sheriffs and constables of process issuing out of the county court, so far as the same are applicable. Such recorder's court shall hold no terms, but shall be deemed at all times open for the transaction of business, but each defendant shall be entitled to at least one day's notice of any complaint against him, if such time be demanded.

SEC. 90. In all cases begun in such recorder's court and thence appealed, the fines imposed on appeal, together with the costs imposed in the recorder's court and in the court to which the appeal is taken, shall be collected of the defendant and his bondsmen, and such fine and the cost of recorder's court shall, when collected, be paid into the treasury of the city of Galveston for the use and benefit of said city. When the defendant in such cases is committed to custody he shall be commit-

ted to the custody of the chief of police of said city, to be held by him in accordance with the ordinance of the city providing for the custody of prisoners convicted before such recorder's court, and said city shall be liable to the officers of the court to which the appeal is taken for the costs due them when such defendant has fully discharged such fine and costs.

SEC. 91. Appeals from judgments rendered by such recorder's court shall be from such recorder's court to the criminal district court of Galveston county, and in all such appeals to such criminal district court the trial shall be *de novo*, the same as if the prosecution had been originally commenced in that court. Said appeals shall be governed by the rules of practice and procedure for appeals from justice's courts to the county court, as far as the same may be applicable.

SEC. 92. That until the due and legal organization of said recorder's court in said city as herein provided for, the corporation court, or other municipal court of the city, as now established, shall continue to exercise its powers and jurisdictions; that, upon the due and legal organization of said recorder's court for said city, the said corporation court, or other municipal court, and the offices of the judge and clerk thereof, shall be, and the same are hereby, abolished, and the said corporation court, or other municipal court, shall be entirely superseded in said city by the recorder's court, and such offices as are herein created and established.

SEC. 93. That an act entitled: "An Act to incorporate the city of Galveston and grant it a new charter," passed on the 2nd day of August, 1876, and all other acts relative to the incorporation of the city of Galveston, as well as all amendments to the charter of said city, be and the same are hereby repealed. Excepting, however, all legal ordinances, resolutions or acts heretofore passed by the city council of Galveston and any provisions of said charter of 1876, and amendments and acts relating thereto providing for the issuance and payment of either principal or interest of outstanding legal unpaid bonds of the city of Galveston. Provided, that the rate of taxation hereafter fixed in any ordinance providing for the issuance of refunding bonds, shall not exceed the rate levied in the ordinance under which the bonds to be refunded were issued; provided further, that nothing in this act shall be taken or construed to impair the obligations of outstanding legal contracts of the city of Galveston.

SEC. 94. This act shall be taken and held to be a public law and all courts and tribunals shall take judicial cognizance and knowledge of the contents and provisions hereof, and it shall not be necessary to plead or prove such contents or provisions.

SEC. 95. Whereas the inhabitants of the territory within the limits of the "City of Galveston" have suffered a great public calamity through the storm of September 8, 1900, and there exists a necessity for immediate action by the Legislature for their relief; therefore an emergency and imperative public necessity exists requiring that the constitutional rule requiring bills to be read on three several days, be suspended, and said rule is so suspended and this act shall take effect and be in force from and after its passage, and it is so enacted; provided, that the commissioners appointed and elected, respectively under this act, shall not qualify before the first Monday in June, 1901.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given; and passed the Senate by two-thirds vote, ayes 28, nays 0.]

Approved April 18, 1901.

Takes effect 90 days after adjournment.

CERTIFICATE.

THE STATE OF TEXAS, }
DEPARTMENT OF STATE. }

I, John G. Tod, Secretary of State of the State of Texas, do hereby certify that the foregoing Special Laws passed at the Regular Session of the Twenty-seventh Legislature, have been carefully examined and compared by me, with the original enrolled bills now on file in this department, and are true copies of said original enrolled bills.

I do hereby further certify that the Twenty-seventh Legislature convened in the city of Austin, on the eighth day of January, A. D. 1901, and adjourned on the ninth day of April, A. D. 1901.

In testimony whereof, I hereunto subscribe my name, and
[SEAL.] have hereto affixed the seal of the State of Texas, in the city of Austin, this eleventh day of July, A. D. 1901.

JOHN G. TOD,
Secretary of State.

PROCLAMATION.

EXECUTIVE OFFICE,
STATE OF TEXAS.

I, Joseph D. Sayers, Governor of the State of Texas, by virtue of the authority vested in me by the Constitution thereof, do hereby call a special session of the Twenty-seventh Legislature, to convene in the city of Austin beginning at noon, Tuesday, August 6, 1901, for the following purposes, to wit:

1. To make appropriations for the support of the State government and for the public service for the fiscal years beginning September 1, 1901, and ending August 31, 1903.

2. To apportion the State for congressional, senatorial, representative and judicial purposes.

3. To consider and act upon such other matters as may be presented by the Executive pursuant to Section 40, Article 3, of the Constitution.

In witness whereof, I have hereunto set my hand and caused

[SEAL.] the seal of State to be affixed at Austin this 21st day of June, A. D. 1901.

JOSEPH D. SAYERS,
Governor.

By the Governor:

JOHN G. TOD,
Secretary of State.

DEPARTMENT OF STATE,
STATE OF TEXAS.

I, John G. Tod, Secretary of State of the State of Texas, do hereby certify that the above and foregoing is a true and correct copy of the proclamation issued on the 21st day of June, A. D. 1901, by the Governor of the State of Texas, convening the Twenty-seventh Legislature in special session on the 6th day of August, A. D. 1901, as now appears of record on page No. 498, in Book No. 293, Executive Record, "Proclamations."

In testimony whereof, I hereunto sign my name and affix the
[SEAL.] seal of State at the city of Austin on this the 3rd day of August, A. D. 1901.

JOHN G. TOD,
Secretary of State.

MESSAGES FROM THE GOVERNOR.

To the Legislature:

The following subjects are hereby submitted to the Legislature for its consideration:

1. To re-enact Senate bill No. 206, entitled "An Act to amend Section 4, of Chapter 5, of the Acts of the Special Session of the Twenty-fifth Legislature of the State of Texas, approved June 16, 1897, relating to the fees of sheriffs and constables; providing the amount of such fees and for the payment of sheriffs and constables' costs," which bill was received in the executive office on April 9, 1901, without the signature of the Speaker of the House of Representatives.

2. The redemption of lands and city and town lots sold to the State for taxes.

3. The settlement of titles to lands held adversely to the State under claims which originate from the Spanish and Mexican governments.

4. To grant to the Attorney General authority to withdraw from the office of Comptroller of Public Accounts such original vouchers, papers and accounts as may be necessary to enable him to properly present the claims of the State of Texas against the United States government on account of expenses incurred by the State in behalf of Greer county.

5. To amend the law relating to minerals.

6. To amend Chapter 18, approved March 17, 1901, of the General Laws.

7. To amend the charter of the city of Austin.

8. To provide a better road law for the county of Cass.

9. For the better care, protection and maintenance of the blind children of the State.

10. To enable such counties, cities and towns as have suffered through destruction of property and depreciation of values because of storms, floods or other great disasters, to compromise, refund or pay off their bonded and floating indebtedness.

11. To enable the counties, cities and towns bordering on the coast of the Gulf of Mexico to levy and collect a tax for the construction of seawalls and breakwater and for sanitary purposes, and to create a debt for such works, and to issue bonds therefor.

12. To provide for the proper care and maintenance of children who are deaf, dumb and blind.

13. To provide for taxation upon the output of oil wells.

14. To amend Chapter 113, approved April 18, 1901, General Laws.

15. To validate the incorporation of the town of Childress, Childress county, for school purposes only.

16. For the preservation of health in unincorporated towns and villages.

JOSEPH D. SAYERS,
Governor.

To the Legislature:

It is a matter of essential importance that there should be immediate legislation, so as to insure and expedite the recovery of the moneys belonging to the State and in the custody of the First National Bank of Austin, Texas, at the time it was placed in the hands of a receiver by the Comptroller of the Currency. Unless such legislation be had, it is quite certain that the liquidation of the affairs of the bank will be accomplished only through the long and expensive process of a receivership. At present no authority exists for any official of the State to do otherwise than to receive the moneys that may be due.

From the best information obtainable, it is believed that there is about fifty per cent. of the private deposits and of the moneys due the State in cash, and that there are assets sufficient, if properly handled, to insure the balance that may be due from the bank, provided that its affairs be carefully administered. It is also believed that, in addition to the assets of the bank, resources of another character will be obtainable, in order to enable the bank to settle in full all demands that may be against it.

I, therefore, herewith transmit to the Legislature for its immediate consideration, copies of a resolution which, in my judgment, should receive immediate attention, and should be enacted into law at the earliest practicable moment.

JOSEPH D. SAYERS,
Governor.

To the Legislature:

The following additional subjects are hereby submitted for the consideration of the Legislature:

1. To amend Section 3, Chapter 75, General Laws, Twenty-seventh Legislature.
2. To amend Articles 402 and 406, Chapter 6, Title XI, Penal Code.
3. To validate the incorporation of the town of Athens, Henderson county.
4. To validate the incorporation of Moody, McLennan county.
5. To authorize the Superintendent of Public Buildings and Grounds to lease that part of the Old Court House Block, formerly occupied by the Austin Dam and Suburban Railroad Company.
6. To increase the amount of the bond of the State Treasurer.
7. To amend Article 386c, Title XVIII, Chapter 1, Revised Statutes.

JOSEPH D. SAYERS,
Governor.

To the Legislature:

I herewith transmit for the consideration of the Legislature and for such action as it may deem proper to take thereon, a copy of a communication addressed me by several citizens of Austin. The property to which it refers yields no revenue to the State and is entirely suitable for the purpose indicated in the communication.

JOSEPH D. SAYERS,
Governor.

AUSTIN, TEXAS, August 22, 1901.

To His Excellency, Joseph D. Sayers, Governor of Texas, Austin, Texas:

SIR: The undersigned are a committee representing the Masonic bodies of Austin, Texas, and in the matter of this address are a committee representing the citizenship of this community at large.

We respectfully represent to your Excellency that, for reasons deemed sufficient to themselves, the Grand Lodge of the State of Texas proposes to remove the temple of the Grand Lodge of the Masons of Texas from Houston to some more central point in the State, and has invited proposals from communities desiring to obtain the location of said temple.

Austin desires to become the home of the Masonic Grand Lodge of Texas and wishes to purchase of the State of Texas and to offer to the Grand Lodge of Masons the eastern half of the late Temporary Capitol Block, as a site for its temple.

Should the Masonic temple be located upon the site proposed, it is believed an imposing edifice will be erected upon this site—a credit and ornament to this city and to the entire State of Texas.

Premises considered, the undersigned committee offers to your Excellency, and through you to the State of Texas, the sum of twenty thousand dollars for the east half of the north half of Block No. 124 in the city of Austin, Texas. Said purchase to be consummated and said price to be paid only in the event Austin be selected for the site of the temple of the Masonic Grand Lodge of Texas.

We respectfully memorialize your Excellency to communicate the substance of this address to the Legislature of Texas, now in session, by special message.

Respectfully,

A. P. WOOLDRIDGE, General Chairman,
H. P. HILLIARD, General Secretary,
A. J. EILERS,
IRA H. EVANS,

GENERAL LAWS OF TEXAS

FIRST CALLED SESSION

TWENTY-SEVENTH LEGISLATURE, 1901.

MILEAGE AND PER DIEM OF MEMBERS—TWENTY-SEVENTH LEGISLATURE.

S. B. No. 1.]

CHAPTER I.

An Act making an appropriation to pay mileage and per diem pay of members, and per diem pay of officers and employes of the First Called Session of the Twenty-seventh Legislature of the State of Texas, convened August 6th, 1901, by proclamation of the Governor.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the sum of forty-five thousand dollars, or so much thereof as may be necessary, be and the same is hereby appropriated out of any money in the State treasury, not otherwise appropriated, for the payment of mileage and per diem pay of members, and per diem pay of officers and employes of the First Called Session of the Twenty-seventh Legislature.

SEC. 2. The certificate of the Secretary of the Senate, approved by the President thereof, or of the Chief Clerk of the House, approved by the Speaker thereof, shall be sufficient evidence to the Comptroller upon which he shall audit the claims and issue warrants upon the Treasurer for the respective amounts.

SEC. 3. And, whereas, the First Called Session of the Twenty-seventh Legislature is now in session, and public policy requires their payment; therefore, an imperative public necessity exists that the constitutional rule requiring bills to be read on three several days be suspended, and it is so suspended, and this act shall take effect from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 26, nays 1; and passed the House of Representatives by a two-thirds vote, yeas 107, nays 0.]

Approved August 8, 1901.

Became a law August 8, 1901.

CONTINGENT EXPENSES—TWENTY-SEVENTH LEGISLATURE.

S. B. No. 2.]

CHAPTER II.

An Act making an appropriation to defray the contingent expenses of the First Called Session of the Twenty-seventh Legislature of the State of Texas, convened August 6th, 1901, by proclamation of the Governor.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the sum of ten thousand dollars, or so much thereof as may be necessary, is hereby appropriated out of any money in the State treasury, not otherwise appropriated, to pay the contingent expenses of the First Called Session of the Twenty-seventh Legislature, convened August the 6th, 1901, by proclamation of the Governor, and that the approval by the chairman of the Committee on Contingent Expenses of either house, countersigned by the President of the Senate, or Speaker of the House, as the case may be, shall be sufficient authority to authorize the Comptroller to issue his warrant on the State Treasurer for the payment of any account so drawn against said fund.

SEC. 2. That the public importance of the object herein contemplated creates an imperative public necessity and emergency fully authorizing the suspension of the constitutional rule requiring all bills to be read on three several days in each house, and said rule is hereby suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 26, nays 1: and passed the House of Representatives by two-thirds vote, yeas 101, nays 0.]

Approved August 8, 1901.

Became a law August 8, 1901.

FIFTY-EIGHTH JUDICIAL DISTRICT—ESTABLISHMENT OF.

S. B. No. 10.]

CHAPTER III.

An Act to amend Section One of an act entitled 'An Act to redistrict the State into judicial districts and fix the times for holding court therein and to provide for the election of judges and district attorneys in said districts at the next general election to be held on the first Tuesday after the first Monday in November 1884, approved April 9th, 1883; to amend an act entitled 'An Act to regulate the terms and fix the times for holding district courts in the First Judicial District of Texas, composed of Jasper, Newton, Orange, Jefferson and Tyler counties, so as to change the terms in Tyler and Jefferson counties, approved April 10th, 1899;' to create the Fifty-eighth Judicial District of the State of Texas; to fix the times for holding court therein, and to provide for the appointment of a district judge and a district attorney for said Fifty-eighth Judicial District, and to validate all writs and other process heretofore issued out of the district court of said First Judicial District and to repeal all laws and parts of laws in conflict herewith, and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That from and after the passage and taking effect of this

act, the First Judicial District of the State of Texas shall be composed of the counties of Tyler, Jasper, Newton and Orange.

SEC. 2. One term of said court of the First Judicial District shall begin in the county of Jasper on the second Monday in October and May, and may remain in session five weeks; one term shall begin in the county of Newton on the sixth Monday after the first Monday in October and May, and may remain in session four weeks, and one term shall begin in the county of Tyler on the eleventh Monday after the first Monday in October and May, and may remain in session eight weeks. One term shall begin in the county of Orange on the twentieth Monday after the first Monday in October and May, and may remain in session until the first Saturday before the second Monday in October and May.

SEC. 3. All writs heretofore issued out of the district court of Tyler, Jasper, Newton and Orange counties, as they have heretofore existed, shall be held valid to the first term of said courts, as provided for in this act; provided, said writs are otherwise valid in law, and the clerks of said court shall on the passage and taking effect of this act, make all writs returnable to the said courts as they meet under this act.

SEC. 4. The county of Jefferson shall constitute the Fifty-eighth Judicial District of the State of Texas.

SEC. 5. The terms of the district court of the Fifty-eighth District shall be begun and held in said district as follows: one term of said court shall begin on the third Monday in September, and may continue in session for eleven weeks. One term thereof shall begin on the second Monday in December, and may continue in session for ten weeks. One term thereof shall begin on the first Monday in March, and may continue in session for eight weeks. One term shall begin on the first Monday in May, and may continue in session until the first Saturday before the third Monday in September.

SEC. 6. All writs heretofore issued out of the district court of the First Judicial District for Jefferson county, returnable to the December term of said court, as now constituted, shall be valid and of the same effect as though issued out of the court created by this act, and the service thereof shall be held valid and sufficient; provided, such writs and service are in other respects in compliance with law.

SEC. 7. Immediately on the passage and taking effect of this act, the Governor shall appoint a judge for the Fifty-eighth Judicial District, who shall hold his office until the next general election held for State and county officers, and until his successor is elected and qualified.

SEC. 8. This law shall remain in effect until the first day of January, A. D. 1907, when the Fifty-eighth Judicial District and the offices created by this act shall cease to exist, and there shall be no election of a district judge or district attorney for said district at the general election in 1906, and from and after the first day of January, A. D. 1907, the counties now composing the First Judicial District of Texas, shall again compose that district, and the courts shall be held therein as provided by law immediately prior to the passage of this act.

SEC. 9. All laws and parts of laws in conflict with the provisions of this act, shall be and the same are hereby repealed.

SEC. 10. Whereas, the docket of the district court of Jefferson county is now greatly congested and important cases are pending which should be disposed of, and the present condition greatly impedes the progress of the development of said county and the State generally; and whereas,

the important litigation now pending before the Extra Session renders it doubtful if this bill could be disposed of by regular methods, therefore, such a condition creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and it is so suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 24, nays 1; and reported to the House of Representatives, where it was amended and passed by two-thirds vote, yeas 88, nays 1; Senate concurred in House amendments by two-thirds vote, yeas 23, nays 1.]

Approved September 2, 1901.

Became a law September 2, 1901.

SPANISH AND MEXICAN LAND GRANTS—ACT TO PROVIDE FOR TESTING VALIDITY OF.

H. B. No. 19.]

CHAPTER IV.

An Act to provide for ascertaining and adjudicating certain claims against or in favor of the State for lands, titles to which are claimed to have emanated from the Spanish or Mexican government; to adjust and settle the rights of the State and the owners or claimants respectively of such lands, and if found valid, to confirm as against the State, the right and title of such claimants or owners, and to provide for the patenting of the same when title thereto has been confirmed by suit or otherwise; and for the recovery thereof by the State when the claimant has no title thereto.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That any person or persons who may be the original grantee, heir, legal assign, or in any manner the owner or claimant of any grant, tract or survey of land, or part thereof, situated between the Nueces and Rio Grande rivers and below a line drawn from the northern boundary of Webb county to the mouth of Moros creek, where the same empties into the Nueces river, and emanating or claimed to have emanated from the Spanish or Mexican governments, and having its origin at such time as to be, and being within the protection guaranteed by the treaty of Guadalupe Hidalgo entered into between the United States and Mexico, and proclaimed on the 4th day of July, A. D. 1848, may file a petition in the district court of Travis county, Texas, against the State of Texas as defendant for the confirmation of the title thereto, and also for the adjudication of his, her or their title, right, interest or claim therein and thereto, as against the State; which petition shall be filed with the district clerk of the county in which suit is brought, at least twenty days before the time of holding the next succeeding term of the district court in and for such county, and shall contain a full description of the grant, tract or survey of land claimed, setting forth particularly its situation, boundaries and extent, and the ownership, right, interest or claim of the plaintiff or plaintiffs, and each of them in and to said land, and the source from which such said ownership, right, interest or claim emanates, and shall accompany and file with such petition the titles or evidences of titles, or right or true copies thereof, and if in a foreign

language, in addition true translations thereof, under which the same is held or claimed, or if such ownership, right, interest or claim of plaintiff does not have its origin in or is not based upon such written evidences of title, right, interest or claim, then a statement in writing, setting forth substantially the facts upon which such said ownership, right, interest or claim is based and of which it consists; and the district court shall thereafter at a regular term thereof investigate the same, and try said cause in accordance with the laws of nations, the laws, usages and customs of the government from which such said ownership, right, interest or claim emanates or is derived, and the Constitution, laws and treaties of the United States of America and of this, the State of Texas, and the principles of equity, so far as the same are applicable, and if in accordance therewith, the plaintiff (or plaintiffs as the case may be) shall by a preponderance of the testimony show that he is entitled thereto, shall give judgment in favor of such plaintiff or plaintiffs, against the State in favor of and for the confirmation of the title to said land, describing the same by metes and bounds, or in favor of the State against such claimant or claimants, as the facts may warrant.

SEC. 2. That the original petition against the State, in any such suit as is provided for in Section 1, of this act, shall, at the time of filing, have annexed thereto, or be accompanied by an affidavit of one or more of the plaintiffs in said cause, made before some competent officer, stating that the title, or evidences of title or right, or the claim so submitted for investigation, is not forged or antedated, but that the same is, of the knowledge, or according to the information and belief of the affiant, genuine, and that he, or they, are the true and lawful owner or owners, or part owner or owners, thereof, and that all the facts set forth in said petition are true, to the best of the affiant's knowledge and belief.

SEC. 3. That upon the filing of any such petition, it shall be the duty of the clerk of the district court of the county in which any such suit against the State as is in this act provided for is brought, to issue citations to be served upon the Attorney General of this State. All such citations and their service, and the return thereon to conform to and be governed by the laws now in force in this State in other civil causes, and said citation shall be accompanied by a certified copy of the plaintiff's petition, and also by certified copies of all such said titles or evidences of title or right, or copies thereof and their translations, if any, or statement of facts upon which such claim is based, as shall have been filed with such said petition.

SEC. 4. It is hereby made the duty of the Attorney General to represent the State in all suits which may be brought under this act.

SEC. 5. Upon the trial of any cause brought by any person or persons under this act against the State of Texas any claim of title or right to land, or copy thereof, which has been spread upon the records of the county or land district where the land was situated at the time of such record for thirty years, accompanied by proof of claim in good faith under such title or right during such time, shall be admissible in evidence as if duly recorded as is provided by and subject to the conditions prescribed in Article 2312, of the Revised Statutes of Texas.

SEC. 6. That for all claims finally confirmed under the provisions of this act a patent shall issue in the name of the original grantee, his heirs and legal assigns upon presentation at the General Land Office of an authenticated certificate of such confirmation, and the field notes of

the county surveyor of the county within which the land may be situated, accompanied with the legal vouchers showing that the taxes due on said land have been paid to the State and county, in accordance with Section 13, Chapter 103, of the acts of the Twenty-fifth Legislature.

SEC. 7. That all persons owning grants for lands which emanated from the government of Spain or that of Mexico, which grants have been recognized and validated by the State by acts of the Legislature approved February 10, 1852, or which have been confirmed by a decree of court under the acts approved February 11, 1860, of August 15, 1870, or other acts, and who have returned their field notes to the General Land Office, as required by law, shall be entitled to a patent for said lands. And in case the Commissioner of the General Land Office has refused or shall hereafter refuse to issue a patent for said land, then the owner of the same may institute suit against the State, in the district court of Travis county, for the purpose of determining by decree of court the metes and bounds of the land covered by his grant. The said cause shall be governed by the rules prescribed in this act, except that the owner shall not be required to establish his right to the land further than to show that the title to the same has been validated or confirmed under some one of the acts mentioned in this section.

SEC. 8. That upon presentation at the Land Office of an authenticated copy of the judgment establishing the boundaries of said land together with proper evidence of the right of the claimant thereto, patent shall be issued to the claimant for the land embraced within the metes and bounds described in the judgment.

SEC. 9. That claimants under this act shall give bond for costs, as required in other cases; and shall pay all costs incurred in the district court, and all other costs that may be incurred in the case; provided, that nothing in this act shall be so construed as to hold the State of Texas liable for any expense that may accrue in locating or surveying any of the lands mentioned in this act, except such as the State may seek to recover to itself.

SEC. 10. All claimants of titles to be ascertained and adjudicated under the provisions of this act shall have two years from and after the passage of this act within which to bring suit; and all such claimants shall have six months after the rendition of a final judgment in their favor within which to file in the General Land Office a copy of said judgment and the field notes, as provided in Section 6 of this act. And failing to institute such suit within the time prescribed such claimants shall be forever barred of any rights conferred upon them by this act. Upon failure to file in the General Land Office the authenticated copy of the judgment and the field notes of the land, within the time provided for in this act, the claimant shall forfeit all right he may have acquired by virtue of such judgment.

SEC. 11. The Attorney General of this State is hereby directed and required to institute and prosecute, in the name of the State of Texas, such suits as may be necessary to recover from the person or persons in possession thereof or claiming title thereto, all lands which are held or claimed under titles emanating from the Spanish or Mexican governments where no valid evidence of such grants are to be found in the records or among the files of the General Land Office; and also such suits as may be necessary to determine the exact location and boundaries of such lands, where the evidence on file in the General Land Office does

not sufficiently identify the land claimed; and such suits shall be brought, prosecuted and tried in the district court of Travis county, Texas.

SEC. 12. The fact that there is now no law under which claimants of land under Spanish or Mexican grants can have their rights adjudicated and determined, and the importance of having the validity of such grants speedily ascertained, creates an emergency and an imperative public necessity, that the rule requiring bills to be read on three several days be suspended and the same is so suspended, and that this act be in force from and after its passage and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, yeas 69, nays 22; and passed the Senate, no vote given.]

Approved September 3, 1901.

Takes effect 90 days after adjournment.

SALE OF PART OF BLOCK ONE HUNDRED AND TWENTY-FOUR TO THE GRAND LODGE OF MASONS AUTHORIZED.

H. B. No. 33.]

CHAPTER VII.

An Act to authorize the sale of the northeast quarter of Block No. 124, in the city of Austin Travis county Texas, to the Grand Lodge of Texas.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* The Governor of the State is hereby authorized to sell at the price of twenty thousand dollars the northeast quarter of Block No. 124 in the city of Austin Travis county Texas fronting on Congress avenue 128 feet, and running westward 170 feet, and now the property of the State, to The Grand Lodge of Texas" being the Grand Lodge of Ancient Free and Accepted Masons and a corporation duly incorporated under the laws of this State by articles of incorporation duly filed in the office of the Secretary of State on the 10th day of January A. D. 1901, for the purpose of erecting thereon its building to be known as the Masonic Temple.

SEC. 2. And whenever there shall be filed in the General Land Office of the State the certificate of the Governor that the said property has been sold in accordance with this act, together with the certificate of the Treasurer that the said sum of twenty thousand dollars has been deposited in the State treasury for the purchase money of said property, it shall be, and is hereby made the duty of the Commissioner of the General Land Office to issue to the purchaser, the Grand Lodge of Texas, a patent for said property, as in the case of the sale of other lots in the said city of Austin.

SEC. 3. That the sale of said property shall be completed within two years, and the said building shall be in course erection within five years from the date this act takes effect, and in case the sale is made within said two years and the said building is not in course of erection at the end of said five years, then the State shall have the right to rescind the said sale upon the return of the said sum of twenty thousand dollars without interest.

SEC. 4. The near approach of the end of the present session of the Legislature creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and the same is so suspended.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and passed the Senate, no vote given.]

Approved September 6, 1901.

Takes effect 90 days after adjournment.

COUNTIES AND CITIES DAMAGED BY STORM AUTHORIZED TO REFUND INDEBTEDNESS.

S. B. No. 7.]

CHAPTER IX.

An Act to amend Chapter 2, Title XXV, of the Revised Statutes of Texas, 1895, by adding Articles 884, 885 and 886, authorizing counties and cities in which there has been heretofore, or may be hereafter, great destruction or damage of property and depreciation of taxable values occasioned by storms, floods, or other great disasters, to compromise, settle, fund or refund their valid, subsisting bonded and floating indebtedness, and for such purpose to issue bonds without submitting the question of issuance to a vote of the taxpayers, and to exchange said bonds for valid, outstanding bonds, warrants or scrip, or to sell said bonds and apply the proceeds in settlement of said indebtedness; also to repeal all laws in conflict with the provisions of this act.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That Chapter 2, Title XXV, of the Revised Statutes of Texas, 1895, be amended by the enactment and addition of Articles 884, 885 and 886, to read as follows:

Article 884. Any county or city incorporated under the general laws of the State, in which there has been heretofore, or may be hereafter great destruction or damage of property or depreciation of the value of taxable property by reason of storms, floods, or other great disasters, is hereby authorized and empowered to fund or refund, compromise or settle its valid outstanding bonded and floating indebtedness in such manner as may be deemed to the best interest of such county or city.

Article 885. For the purpose of effecting the compromise or settlement, authorized by the preceding article, the said counties and cities are hereby severally authorized and empowered to issue bonds in denominations of not less than one hundred dollars, nor more than one thousand dollars each for an amount sufficient to consummate such compromise or settlement not to exceed the amount unpaid on the outstanding indebtedness, and the bonds hereby authorized may be exchanged for bonds, warrants, scrip, or other evidences of outstanding indebtedness of such county or city, or said bonds may be sold and the proceeds applied in the purchase of outstanding bonds or the payment of outstanding floating indebtedness; and said bonds may be issued without submitting the question of issuance to a vote of the tax payers, and may be exchanged or sold from time to time in such amounts as may be required for refunding said outstanding bonds and funding or settling said floating debts, and said bonds may be issued, if deemed necessary, to an aggregate amount not exceeding six per cent. of the taxable value of the remaining taxable property in such county or city.

Article 886. Before issuing any bonds, authorized by the two preceding articles, and not later than two years from and after the date of the storm or other disaster, the commissioners court of the county, or the city council of the city, in which such storm or other disaster has occurred shall, by an order or ordinance, as the case may be, duly entered on the minutes, recite the nature and the date of such disaster, the taxable value of the remaining property subject to taxation in said city or county, as shown by the first approved assessment roll of such county or city made after such storm, flood, or other great disaster, and the amount of said bonds that will in the judgment of said commissioners court, or the city council, be sufficient to fund, refund or compromise, or

settle the outstanding valid bonded and floating indebtedness of such county or city, stating, also, the amount of said new bonds that will be required in refunding or settling each outstanding issue of bonds, and the amount of said new bonds that will be required in funding or settling the outstanding indebtedness charged against each particular fund. Separate classes of bonds shall be issued to refund or settle, respectively, each separate issue of outstanding bonds, and to fund or settle, respectively, the indebtedness against each particular fund, and said court, or council, shall determine and record in the minutes the proportion of the several annual ad valorem taxes authorized by law that can be applied, respectively, in payment of the interest and sinking funds of the several classes of bonds without depriving the city, or county, of the funds which in the judgment of said court, or city council, will be required to meet the necessary current annual expenses of such county, or city, and a levy in proportion to such excess or excesses beyond the amount required for current annual expenses may be made to pay the interest and sinking fund, respectively, of the said several classes of bonds; provided, however, that the constitutional limitation as to the rates and purposes of the several taxes shall not be exceeded or disregarded. Said commissioners court, or city council, shall, also, by said order, or ordinance, prescribe the form and the classes of said bonds, and provide for the issuance thereof at such dates as may be expedient, and said bonds may be made payable at any date deemed expedient by such commissioners court, or city council, not later than forty years from the date of the execution, and provision may be made for the redemption of said bonds after five years, or after such longer period as may be deemed expedient, and said bonds shall bear interest as stipulated and specified in coupons attached thereto, not to exceed four per cent. per annum. And said bonds shall be issued under and subject to all requirements of Articles 918a to 918f, inclusive, of the Revised Statutes of 1895, which are not in conflict with the requirements and provisions of this act, and said bonds shall be signed by the county judge, or mayor, and attested by the county, or city, clerk, as the case may be, and when examined and certified by the Attorney General in compliance with said Article 918d said bond shall be registered by the Comptroller without requiring the old bonds, warrants or other evidence of indebtedness to be presented to him for cancellation, and said bonds shall be delivered to the county, or city, treasurer, as the case may be, and said officer shall register said bonds in a book kept for that purpose, and said bonds may thereafter be sold or exchanged as herein authorized; provided, however, that said bonds shall never be sold or exchanged for less than their face value and accrued interest, and before delivery of the bonds issued hereunder the date of sale or exchange of said bonds shall be endorsed and certified on such bond by the county judge, or mayor, whose signature shall be attested by the county, or city, clerk, as the case may be.

SEC. 2. All laws in conflict herewith are hereby repealed, and this act having a specific purpose, namely, the relief of counties and cities which have had, or may have, their revenues and resources impaired by great disasters, shall be amended or repealed only by express declaration of the legislative intent to amend or repeal said act.

SEC. 3. The fact that the coast counties have suffered great loss of property and depreciation of values by a recent storm, and the further fact that the laws now in force do not authorize said counties and cities

to fund or settle their outstanding indebtedness, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and said rule is so suspended, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 23, nays 0, and reported to the House of Representatives, where it was amended and passed by two-thirds vote, yeas 102, nays 3; Senate concurred in House amendments by two-thirds vote, yeas 24, nays 1.]

DEAF, DUMB AND BLIND CHILDREN—PROVISION FOR.

S. B. No. 24.]

CHAPTER X.

An Act to provide for the maintenance, care and education of children who are deaf, dumb and blind.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the Superintendent of the Deaf and Dumb Asylum is hereby authorized and directed to make such provisions as he may deem necessary for the maintenance, care and education of all children in the State who are deaf, dumb and blind.

SEC. 2. That application for the maintenance, care and education of all such children shall be made by the parent or guardian of such child or children to the Superintendent of the Deaf and Dumb Asylum, under such rules as may be prescribed by him; provided, said children shall be placed in a reputable school established for the purposes herein mentioned.

SEC. 3. That the sum of three thousand dollars, or so much thereof as may be necessary, be hereby appropriated per annum for the next two years out of any monies not otherwise appropriated for the purpose of carrying into effect the provisions of this act, said amount to be paid out upon the approval of the Superintendent and Board of Trustees of the Deaf and Dumb Asylum.

SEC. 4. Whereas, there exists no law in this State for the maintenance, care and education of children deaf, dumb and blind, thereby creates an emergency and imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 22, nays 1, and passed the House of Representatives by two-thirds vote, yeas 89, nays 2.]

Approved September 6, 1901.

SHERIFFS AND CONSTABLES—FEES OF.

S. B. No. 9.]

CHAPTER XI.

An Act to amend Section 4, of Chapter 5, of the Acts of the Special Session of the Twenty-fifth Legislature of the State of Texas, approved June 16, 1897, relating to the fees of sheriffs and constables; providing the amount of such fees, and for the payment of sheriffs' and constables' costs.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That Section 4, of Chapter 5, of the acts of the Special Session of the Twenty-fifth Legislature, approved June 16, 1897, be amended so as hereafter to read as follows:

Section 4. The sheriffs and constables in this State shall receive the following fees:

1st. For executing each warrant of arrest or capias, for making arrest without warrant, when so authorized by law, the sum of one dollar, and in all cases five cents per mile for each mile actually and necessarily traveled in going to the place of arrest, and for conveying the prisoner or prisoners to jail, he shall receive the mileage provided in Subdivision Five of this act.

2nd. For summoning or attaching each witness fifty (50) cents.

3rd. For summoning a jury in each case where a jury is actually sworn in, two dollars (\$2.)

4th. For executing death warrant fifty dollars (\$50.)

5th. For removing or conveying prisoners, for each mile going and coming, including guards, and all other necessary expenses when traveling by railroad, ten (10) cents. When traveling otherwise than by railroad fourteen (14) cents; provided, that where more than one prisoner is so conveyed or removed at the same time, in addition to the foregoing he shall only be allowed eight (8) cents per mile for each additional prisoner; provided, that when an officer goes beyond the limits of this State after a fugitive on requisition of the Governor, he shall receive such compensation only, as the Governor shall allow for such services.

6th. For each mile the officer may be compelled to travel in executing criminal process, summoning or attaching witnesses five (5) cents; provided, that in no case shall he be allowed to duplicate his mileage when two or more witnesses are named in the same or different writs in any case, and he shall serve process on them in the same neighborhood or vicinity during the same trip he shall not charge mileage for serving such witness to or from the county seat, but shall charge only one mileage, and for such additional only, as are actually and necessarily traveled in summoning and attaching each additional. When process is sent by mail to any officer away from the county seat or returned by mail by such officer, he shall only be allowed to charge mileage for the miles actually traveled by him in executing such process; and the return of the officer shall show the character of the services, and miles actually traveled in accordance with this subdivision, and his account shall show the facts.

7th. To officers for service of criminal process, not otherwise provided for, the sum of five (5) cents a mile going and returning shall be allowed; provided, if two or more persons are mentioned in the same or different writs, the rule prescribed in Subdivision 6 shall apply.

8th. For conveying witnesses attached by him to any court, or in habeas corpus proceedings out of his county, or when directed by the

judge from any other county to the court where the case is pending, one dollar and fifty cents (\$1.50) per day, for each day actually and necessarily consumed in going to and returning from such courts, and his actual and necessary expenses by the nearest practical route, or nearest practical public conveyance, the amount to be stated by him in an account which shall show the place where the witness was attached, the distance to the nearest railroad station and miles actually traveled to each court. If horses or vehicles are used, from whom hired and price paid, and length of time consumed, and amount paid out for feeding horses, and to whom. If meals and lodging were provided, from whom and when, and price paid; provided, that officers shall not be entitled to receive exceeding fifty (50) cents per meal, and thirty-five (35) cents per night for lodging for any witness; and, provided, further, that no item or items for expenses shall be allowed, unless the officer present with his account to the officer whose duty it is to approve the same, a receipt in writing for each item of said account, except as to such items as are furnished by the officer himself. And when meals and lodging are furnished by the officer in person conveying the witnesses he shall be allowed to receive not exceeding twenty-five (25) cents per meal, and twenty-five (25) cents per night for lodging. All of the said receipts shall be filed with the clerk of the court approving such accounts. Said accounts shall also show before said officer shall be entitled to compensation for expenses of attached witnesses, that, before starting with said witnesses to the foreign court, he carried each of them before the magistrate nearest the place of serving the attachment, giving his name and residence, and that said witness made oath in writing before said magistrate, certified copies of which shall be attached to the account, that they were unable to give bond for their appearance at court, or refused to give bond after having been advised by said officer of their right to do so. And the officer shall also present to the court the affidavit of the witness to the same effect, or shall show that the witness refused to make the affidavit; and should it appear to the court that the witness was willing and able to give bond the sheriff shall not be entitled to any compensation for conveying such witness. And all accounts for fees in criminal cases by sheriffs shall be sworn to by the officer before any officer authorized to administer oaths; and shall state that said account is true, just and correct in every particular, and be presented to the judge, who shall during such term of court carefully examine such account, and if found to be correct in whole or in part shall so certify and allow the same for such amount as he may find to be correct. And if allowed by him in whole or in part, he shall so certify, and such account, with the affidavit of the sheriff, and certificate of the judge, shall be recorded by the clerk of the District Court in a book kept by him for that purpose, which shall constitute a part of the proceedings or minutes of the court. And the clerk shall certify to the original account, and shall show that the same has been recorded, and said account shall then become due, and the same shall constitute a voucher on which the Comptroller is authorized to issue a warrant, if such account when presented to the Comptroller, shall be accompanied by a certified copy under the hand and seal of the district clerk, of the returns made on the process for which such officer is claiming fees, corresponding to the amount so claimed in his account. The minutes of the court above provided for or a certified copy thereof, may be used in evidence against the officer making the affidavit for perjury

in case said affidavit shall be wilfully false. When the officer receiving the writ for the attachment of such witness, shall take a bond for the appearance of such witness, he shall be entitled to receive from the State one dollar (\$1.00) for each bond so taken, but he shall be responsible to the court issuing said writ, that said bond is in proper form, and has been executed by the witness with one or more good and solvent sureties, and said bond shall in no case be less than one hundred dollars (\$100); provided, the Comptroller may require from such officer a certified copy of all such process before auditing any account; provided, that when no inquest or examining trial has been held, at which sufficient evidence was taken upon which to find an indictment, which fact shall be certified by the grand jury, or when the grand jury shall state to the district judge that an indictment cannot be procured, except upon the testimony of non-resident witnesses, the district judge may have attachments issued to other counties for witnesses not to exceed the number for which the sheriff may receive pay as provided for by law, to testify before the grand juries; provided, however, that the judge shall not approve the accounts of any sheriff for more than one witness to any one fact, nor more than three witnesses to any one case pending before the grand jury, in which case the sheriff shall receive the same compensation as he does for conveying attached witnesses before the court. Subdivision 8 of Section 4 of this act shall apply to the officers affected thereby in all counties in Texas.

9th. For attending a prisoner on habeas corpus, for each day, one dollar and sixty cents (\$1.60) together with mileage as provided in Subdivision 5, when removing such prisoner out of the county under an order issued by a district or appellate judge.

SEC. 2. The fact that under existing law there is no compensation to sheriffs and constables such as to insure the proper enforcement of the laws of this State; therefore, an imperative public necessity and emergency exists, for the suspension of the constitutional rule requiring bills to be read on three several days. Said rule is therefore suspended and this act shall take effect from and after its passage.

SEA WALLS—AUTHORIZING ERECTION OF BY CITIES AND COUNTIES.

S. B. No. 13.]

CHAPTER XII.

An Act to give effect to Section VII, Article XI, of the Constitution, authorizing all counties and cities bordering on the coast of the Gulf of Mexico to construct seawalls and breakwaters, to issue bonds therefor, and levy a tax for the payment thereof; and to further provide for construction and maintenance of said works, and payment of said bonds by sale or rent of lands reclaimed from the sea, or otherwise acquired for breakwater purposes.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the County Commissioners Court of all counties and

the municipal authorities of all cities bordering on the coast of the Gulf of Mexico, shall have the power and are hereby authorized to establish, locate, erect, construct, maintain and keep in repair sea walls and breakwaters, and to incur indebtedness and issue bonds therefor, and to levy taxes not to exceed in any one year fifty cents on the \$100.00 of taxable values of said county or city, for the payment thereof as hereinafter provided.

SEC. 2. That said County Commissioners Court and municipal authorities shall have the power, and they are hereby authorized to impose such additional uses and burdens upon all streets, alleys, public highways and other public grounds as they may deem necessary for the location, erection, construction and maintenance of sea walls and breakwaters, and to license, regulate, or grant such additional uses of said sea walls or breakwaters as will not impair their efficiency.

SEC. 3. Said counties and cities shall have the power, and they are hereby authorized to take and appropriate such land and other property as may be deemed necessary for the establishment, location, construction and maintenance of said sea walls and breakwaters, and to define the area of land needed, and to acquire, take, hold and enjoy the same for the purposes aforesaid, and to that end shall have the right to exercise the right of eminent domain and to condemn lands for the uses and purposes aforesaid, in the manner and under the conditions provided by law in case of railroad corporations; provided, nevertheless, that said County Commissioners Court or said municipal authorities shall be empowered to take the fee simple estate [estate] to the land condemned or acquired hereunder, whenever deemed necessary for the purposes of this act; and, provided, further, that before exercising the power of eminent domain hereunder said County Commissioners Court, or said municipal authorities, shall, by order, ordinance or resolution duly entered on the minutes of the County Commissioners Court, or the City Council, define and describe lands needed, and determine whether an easement or fee simple estate in said land shall be taken.

SEC. 4. Before incurring any indebtedness, and before issuing the bonds of the county, or city, for the purposes authorized by this act, said county commissioners courts, or municipal authorities, shall prescribe the amount of the bonds to be issued, the rate of interest thereon, and provide for an election, at which all tax payers who are qualified voters, entitled to vote in said county, or city, shall be allowed to vote for or against the proposed taxation for the payment of said bonds and interest thereon.

SEC. 5. For the purpose of ascertaining whether two-thirds of the taxpayers of said county, or city, have voted in favor of the proposed taxation the county judge, the county assessor and the county collector, or three members of their own body selected by the municipal authorities, as the case may be, are hereby constituted and appointed a board of inquiry. Whenever an election is ordered hereunder said board shall make out from the latest completed assessment rolls of said county, or city, a list of all tax payers of said county, or city, who are qualified voters and taxpayers entitled to vote hereunder, and from the date of the notice of said election until five days before the day thereof said board shall sit daily for the purpose of making additions to and corrections of said list, and all tax payers being qualified voters shall, during said period, have the right to apply to said board and to have their names

entered on said list. During the period of five days before said election said board shall make out under certificate and file with the county, or city, clerk, as the case may be, a complete alphabetical list of all taxpayers who are qualified voters at said election, and shall furnish printed copies of said list to the officers at each poll at said election. Said printed list furnished by said board, and the returns and poll lists of said election shall be returned to the county, or city, clerk, as the case may be. The ballots [ballots] at said election shall be printed or written on white paper, without any outward mark, or devise [device] to distinguish the same, and shall contain the words, in substance, "In favor of the proposed tax", or "Against the proposed tax". Said election shall, except as herein otherwise provided, be ordered and conducted in the same manner in all respects as are general State and county, or municipal elections, so far as the same are applicable, not including, however, registration, and provisions incidental thereto, and the returns thereof shall be made in like manner, as far as may be; provided, nevertheless, that said election may be held on thirty days notice thereof at any time fixed by the county commissioners court or municipal authorities. And the proposition to levy a tax hereunder may be renewed until the power to tax hereunder shall have been exhausted.

SEC. 6. The county commissioners court or municipal authorities shall, as soon as practicable after said election, meet and canvass the returns thereof, and with the aid of the returns and lists herein provided for, together with such other evidence as may be required, ascertain and record in the minutes of the commissioners court or of the municipal authorities the total number of tax payers of said county or city who are qualified voters on the day of said election, the number of said tax payers voting in favor of the proposed taxation, and the number of said tax payers voting against the same. In the event that two-thirds of the tax payers of said county or city who are qualified voters therein, shall have voted in favor of the proposed tax, the said county or city shall, thereupon have power to issue its bonds for the construction and maintenance of sea walls and breakwaters.

SEC. 7. Whenever bonds are issued under the preceding section, the county commissioners court or municipal authorities shall, annually levy, assess and collect, in the mode prescribed by law for other county or municipal taxes, a tax on the real estate and personal or mixed property in said county or city sufficient to pay the interest and provide a sinking fund of not less than two per cent. of the principal of all of said bonds, and all taxes collected by virtue hereof shall be held in trust by said county or city as a special and inviolable fund for the payment of interest and principal of said bonds; provided, however, that any surplus above the amount required to meet the annual interest may be invested for the benefit of the sinking fund in the bonds issued hereunder, or in bonds of the State of Texas, or of the United States.

SEC. 8. The better to enable said counties and cities to secure the protection herein provided for and to aid in the construction of said works the right to the use and control for the purposes prescribed by this act, of so much of the land or sea bottom below high tide as may be deemed necessary by said county commissioners court or municipal authorities, is hereby ceded by the State of Texas to counties and cities availing themselves of the provisions of this act.

SEC. 9. All funds, revenues and moneys derived from the sale of the

bonds herein authorized and from the sale or rent of reclaimed or other lands acquired under this act, and from additional uses of said works as herein authorized shall be deposited with the county or city treasurer, as the case may be, and shall be held in trust exclusively for the construction and maintenance of sea walls and breakwaters, including the purchase of the right-of-way therefor, and all moneys derived from the assessment and levy of taxes as aforesaid are declared to be a trust fund for the payment of interest and principal of bonds to be issued under this act; and the use or diversion of such moneys for any other purposes whatsoever is hereby prohibited, and a violation of this section shall constitute a misapplication of public money, and the person or persons so offending shall be punished as provided in Article 96, of the Penal Code of the State of Texas.

SEC. 10. All bonds issued hereunder shall be issued under and subject to the provisions of Articles 918a to 918f, inclusive, of the Revised Statutes of this State now in force, in so far as said articles do not conflict with the provisions of this act and this act shall apply to all cities bordering on the coast of the Gulf of Mexico, whether said cities are incorporated by general or special laws, and all laws and parts of laws in conflict herewith are hereby repealed.

SEC. 11. The fact that there is no law authorizing the counties and cities on the Gulf coast to levy and collect taxes for the construction of sea walls or breakwaters so as to protect them from calamitous overflows, and the near approach of the end of the session, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 21, nays 1, and was reported to the House where it was amended and passed by two-thirds vote, yeas 91, nays 2; Senate concurred in House amendments by two-thirds vote, yeas 21, nays 1.]

LANDS SOLD TO STATE FOR TAXES—REDEMPTION OF.

S. B. No. 6.]

CHAPTER XIII.

An Act to permit owners of real estate sold to the State of Texas for taxes to redeem the same.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the owner or any one having an interest in land or lots heretofore sold to the State, or which may hereafter be sold to the State for taxes under decree of court, as provided in Acts of 1895, Chapter 42, 1897, Chapter 103, and 1899, Chapter 65, shall have the right within two years from the date of such sale to redeem the same upon payment of double the amount of taxes and penalty for which sale was

made, together with all costs and interest now required by law; provided, that at any time within twelve months from the date of such sale redemption may be made upon the payment of the amount of taxes, penalty and interest for which judgment has been rendered, with six per cent. interest thereon from date of judgment, and all costs adjudged against the land; provided, that where lands have been heretofore sold to the State for taxes under order of court, and two years have already expired since such sale, the owner of such land shall have the right to redeem said land within two years after the passage of this act upon payment of all costs and interest and double the amount of the delinquent tax.

SEC. 2. That all parts of laws in conflict herewith are hereby repealed.

SEC. 3. The near approach of the close of the present session of the Legislature, and the crowded condition of the calendar, creates an emergency and an imperative public necessity requiring the suspension of the constitutional rule requiring bills to be read on three several days, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 26, nays 0, and passed the House of Representatives by two-thirds vote, yeas 91, nays 7.]

FIFTY-FIRST JUDICIAL DISTRICT.

S. B. No. 20.]

CHAPTER XIV.

An Act to name the several counties composing the Fifty-first Judicial District, and to fix the time for holding the district courts therein, and to repeal all laws and parts of laws in conflict herewith.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the 51st Judicial District of this State shall be composed of the following counties: Irion, Coke, Sterling, Crockett, Sutton, Menard, Schleicher, and Tom Green, and the terms of the District Court shall be holden therein each year:

In the county of Irion on the first Mondays in September and February, and may continue in session two weeks.

In the county of Coke on the third Mondays in September and February, and may continue in session two weeks.

In the county of Sterling on the fourth Mondays after the first Mondays in September and February, and may continue in session two weeks.

In the county of Crockett on the sixth Mondays after the first Mondays in September and February, and may continue in session two weeks.

In the county of Sutton on the eighth Mondays after the first Mondays in September and February, and may continue in session two weeks.

In the county of Menard on the tenth Mondays after the first Mondays in September and February, and may continue in session two weeks.

In the county of Schleicher on the twelfth Mondays after the first

Mondays in September and February, and may continue in session two weeks.

In the county of Tom Green on the fourteenth Mondays after the first Mondays in September and February, and may continue in session until the business is disposed of.

SEC. 2. That all process issued or served before this act goes into effect returnable to the District Court in said Judicial District shall be returnable to said District Courts as fixed by the terms of this act, and said process is hereby legalized and validated, and all grand and petit jurors selected and drawn under existing laws in any of the said courts of said Judicial District shall be considered lawfully drawn and selected for the next term of the District Court of their respective counties held after this act takes effect, and all appearance bonds and recognizance taken in and for said Courts shall bind the parties obligated to appear at the next term of such Court held under this act.

SEC. 3. That all laws and parts of laws in conflict with this act shall be and the same are hereby repealed; provided, however, that in the event any term of District Courts in any county herein effected [affected] be in session when this act takes effect the same shall in no manner effect [affect] said term of court, but the same shall continue in session under the old law for said term, and this act shall only affect subsequent terms of court in said county.

SEC. 4. The fact that Schleicher county has been recently organized and under the present law there is no provision for holding a term of court in said county, and an imperative public necessity and emergency justifying the suspension of the constitutional rule requiring bills to be read on three several days, it is so suspended, and that this act take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 23, nays 0, and passed the House of Representatives, no vote given.]

Approved September 16, 1901.

Takes effect 90 days after adjournment.

TOWNS AND VILLAGES—INCORPORATION OF FOR FREE SCHOOL PURPOSES.

H. B. No. 36.]

CHAPTER XV.

An Act to amend Chapter 113, of the General Laws passed at the Regular Session of the Twenty-seventh Legislature, by adding thereto a provision allowing certain towns or villages to incorporate for free school purposes only.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Chapter 113, Acts of the Twenty-Seventh Legislature, Regular Session, be so amended as to read as follows: All towns and villages within the State heretofore regularly incorporated for free school purposes, and which embrace within their incorporated territory towns heretofore incorporated for municipal purposes, which latter had ceased to exercise the functions of a municipal corporation or which had not assumed control of the public schools within their limits when the former was incor-

porated, are hereby declared valid and lawful incorporations, for free school purposes from the date of their incorporation, and all acts of any such town or village incorporated for free school purposes heretofore done or hereafter to be done shall have the same force and effect as the acts of a valid and lawful incorporation for such purposes; and it is further provided, that any town or village organized as an independent school district, which may embrace in its territory portions of two or more counties, is hereby declared a valid incorporation for free school purposes, from the date of its incorporation.

SEC. 2. Any town or village mentioned in Article 616a, as amended by acts of the Twenty-fifth Legislature, Laws of 1897, page 45, whether such town or village be situated on both sides of a line dividing two counties or not, may form such incorporation for free school purposes only in the manner now provided by law, and the territory so incorporated may extend to and include within its boundaries territory in one or more counties, not exceeding an area of twenty-five square miles; provided that application shall be made to the judge of the County Court of the county in which such town or village is situated.

SEC. 3. Whereas there is no law on the statute books of this State allowing certain towns or villages to incorporate for school purposes as herein provided, creates an emergency and an imperative public necessity for the constitutional rule requiring bills to be read upon three several days to be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, vote not given, and passed the Senate, vote not given.]

Approved September 23, 1901.

Takes effect 90 days after adjournment.

BOARDS OF HEALTH IN UNINCORPORATED TOWNS AND VILLAGES.

H. B. No. 25.]

CHAPTER XVI.

An Act to amend Chapter 169, of the Acts of the Regular Session of the Twenty-sixth Legislature of the State of Texas, amending Article 1544, of the Revised Civil Statutes of Texas, relating to boards of health in unincorporated towns and villages; and to repeal all laws and parts of laws in conflict therewith; and to declare an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Chapter 169, of the acts of the Regular Session of the Twenty-sixth Legislature, being "An act to amend Article 1544, Chapter 2, Title XXXII, of the Revised Civil Statutes of Texas, be so amended as to hereafter read as follows:

Article 1544. The Commissioners Court of any county in which an unincorporated town or village may be situated, shall have power to designate the lines of such town or village, and may appoint a board of health for such town, consisting of three persons, not less than two of

whom shall be regular practicing physicians. Said court when such appointments are made shall immediately notify the State Health Officer.

SEC. 2. All laws and parts of laws in conflict herewith are hereby repealed.

SEC. 3. The fact that there is now no law for the enforcement of sanitary regulations in unincorporated towns and villages in this State, creates an emergency and an imperative public necessity, authorizing the suspension of the constitutional rule requiring bills to be read on three several days in each House, and said rule is hereby suspended, and this act shall take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 90, nays 0, and passed the Senate, vote not given.]

Approved September 23, 1901.

Takes effect 90 days after adjournment.

FISH AND GAME LAW—AMENDMENT OF.

H. B. No. 23.]

CHAPTER XVII.

An Act to amend Chapter 18, of the General Laws of the State of Texas, enacted at the Regular Session of the Twenty-seventh Legislature, approved March 7, 1901, relating to the fish law; and to exempt certain counties from the provisions of said act; and to repeal all laws and parts of laws in conflict herewith and to declare an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Chapter 153 of the General Laws of the State of Texas, enacted at the regular session of the Twenty-fifth Legislature, and amended at the regular session of the Twenty-sixth and Twenty-seventh Legislature, be so amended as hereafter to read as follows:

Chap. 153. That if any person shall at any time during the year take, catch, ensnare or entrap any fish, except minnows for bait, by means of nets, traps, poison or dynamite, or in any other manner than by the ordinary hook and line, or trot line, in any of the fresh waters, lakes or streams of this State, such person shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined in any sum not less than twenty-five dollars, nor more than one hundred dollars; provided, that minnows for bait shall not be taken by poison or dynamite; and provided further that the following counties are hereby exempt from the provisions of this act: Cherokee, Stephens, Eastland, Comanche, Knox, Shackelford, Young, Archer, Throckmorton, Baylor, Delta, Franklin, Camp, Red River, Burnet, San Jacinto, Polk, Cooke, Collin, Ellis, Hill, Kaufman, Mason, Llano, Nacogdoches, Coryell, Fannin, Rockwall, Johnson, Trinity, Lavaca, Bosque, Hamilton, Brazos, Gregg, Shelby, Sabine, Zapata, Starr, Hidalgo, Cameron, Hardin, Jefferson, Tyler, Liberty, Grimes, Jasper, Newton, Montgomery, Caldwell, Goliad, DeWitt, Montague, San Augustine, Wood, Cass, Upshur, Falls, McLennan, Somervell, Limestone, Jack, Hopkins, Harrison, Walker, Webb, Galveston, Brazoria, Wharton, Chambers, Matagorda, Freestone, Lamar.

Hunt, Austin, Rains, Brown, Denton and Angelina; provided, that the counties of Titus and Morris are hereby exempted from the provisions of this act which prohibit the entrapping or ensnaring of fish by means of nets or seines in lakes; provided the counties of Panola, Hood and Harris are exempted from all the provisions of this act except as refer to the taking, catching or ensnaring of fish or minnows by means of poison or dynamite. Provided, further that any person who shall take, catch or kill or attempt to catch or kill any fish by means of poison or dynamite or other explosive substance, in any of the waters of this State shall be subject to the penalty hereinbefore prescribed in this section; provided, further, that any person who shall take, catch, ensnare or entrap any fish by means of nets or seines, or by muddying ditching or draining in any lake, pool or pond in this State, without the consent of the owner of such lake, pool or pond, shall be subject to the penalty hereinbefore prescribed in this section; and in all prosecutions under this act the burden of proof of such consent of the owner shall devolve and be upon the defendant.

SEC. 2. All laws and parts of laws in conflict herewith are hereby repealed.

SEC. 3. The fact that many counties of this State have been exempt from the provisions of this law, and through some error or oversight in the enactment of this statute in the Twenty-seventh Legislature the said counties were not exempted creates an imperative public necessity requiring the suspension of the constitutional rule requiring bills to be read on three several days, and the rule is hereby suspended, and this act shall take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and was reported to the Senate no vote given. Free Conference Committee report adopted by House, no vote given, and was adopted by the Senate, no vote given.]

Approved September 23, 1901.

Takes effect 90 days after adjournment.

BLIND TIGERS—KEEPING OF PROHIBITED.

H. B. No. 39.]

CHAPTER XVIII.

An Act to amend Title XI Chapter 6 Article 406 of the Penal Code of the State of Texas of 1895, relating to the sale of intoxicating liquors; and to repeal all laws and parts of laws in conflict herewith; and to declare an emergency.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Article 406 of the Penal Code of the State of Texas be so amended so as to hereafter read as follows:

Article 406. If any person shall keep or run, or shall be in any manner interested in keeping or running a blind tiger in any county, or in any justice precinct, city, town, school district, or any other subdivision of the county, in which the sale of intoxicating liquor has been prohibited under the laws of this State, he shall be punished by confinement in the county jail not less than two or more than twelve months and by a fine of not less than one hundred nor more than five hundred dollars. Each

and every day such blind tiger is run or kept shall be a separate offense. A blind tiger within the meaning of this article, is any place in which intoxicating liquors are sold by any device whereby the party selling or delivering the same is concealed from the person buying or to whom the same is delivered. Upon complaint being filed to any justice of peace describing the place where any blind tiger is kept or run, such justice shall issue his warrant directed to and commanding the sheriff or any constable of his county to search such place, and if the law is being violated to arrest the person so violating it; and it shall be the duty of the officer to whom such warrant is delivered to search the place described in the warrant, and to arrest and bring before the justice who issued the writ all persons found by him therein; and if admission into said place is refused, the officer executing said warrant is hereby authorized to force open the same. In prosecutions under this article where it is proven that there is posted up at the place where such blind tiger is kept or run United States internal revenue liquor or malt license, to any one, it shall be prima facie proof that the person to whom such license is issued is keeping or running such blind tiger.

SEC. 2. The fact that there is now no law prohibiting the keeping or running of blind tigers in school districts in which the sale of intoxicating liquors have been prohibited under the laws of this State, creates an emergency and an imperative public necessity that this act shall take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and was reported to the Senate where it was amended and passed, no vote given; House of Representatives concurred in Senate amendments, no vote given.]

Approved September 23, 1901.

Takes effect 90 days after adjournment.

CITIES AND TOWNS—VALIDATING INCORPORATION OF.

S. B. No. 15.]

CHAPTER XIX.

An Act to amend Article 386c, Chapter 1, Title XVIII, of the Revised Civil Statutes of Texas, of 1895, relating to cities and towns.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That Article 386c, Title XVIII, Chapter 1, Revised Statutes of Texas, 1895, be so amended as hereafter to read as follows:

Article 386c. All cities and towns in this State whose charters may be void by reason of a failure to properly define their limits, or that may have included in such limits more territory than is provided for in Article 386a, or whose incorporation may be invalid by reason of having incorporated pastoral, agricultural or other lands adjacent to such cities and towns, including thereby more territory than is provided for in Article 386a, that shall, before January 1st, 1902, comply with Article 386b; and all cities and towns in this State heretofore incorporated, that may be invalid by reason of having incorporated pastoral, agricultural or other lands adjacent to such cities and towns, but which cities and towns

do not include more territory than is provided for in Article 386a, be and such charter and incorporation of all such cities and towns referred to in this article, are hereby in all things declared valid, and all acts of any such incorporated cities and towns are held to be binding, and full force and effect given thereto.

SEC. 2. Whereas, there is no law in Texas, validating the incorporation of cities and towns heretofore incorporated which have no more territory than provided for in Article 386a, and, whereas, there are cities and towns in Texas which have not restricted their limits, so as not to include more territory than allowed by Article 386a; and, whereas, the corporate existence of many of such cities and towns is threatened by legal proceedings whereby the public interests would be greatly injured, and many such cities and towns wish to refund their bonded indebtedness at lower rates of interest; therefore, an emergency and imperative public necessity exists for the suspension of the constitutional rules requiring bills to be read on three several days in each House, and the same is hereby suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 26, nays 1; and passed the House of Representatives by two-thirds vote, yeas 103, nays 0.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 28th day of August, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.]

CHILDRESS INDEPENDENT SCHOOL DISTRICT—INCORPORATION OF VALIDATED.

S. B. No. 8.]

CHAPTER XX.

An Act validating the incorporation for school purposes only of the town of Childress independent school district, heretofore incorporated as an independent school district in Childress county; validating the acts of the board of trustees thereof, and providing for the control of the public schools and the erection and purchase of sites and school buildings therein, as now provided by law for independent school districts in towns and villages incorporated for free school purposes only, and validating the levy of tax heretofore made for the support and maintenance of public schools and the levy of the tax heretofore made for purchase of school house sites and purchase and erection of school buildings in said district, and the issuance of bonds by said trustees.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. The incorporation by election held by order of the county judge of Childress county on the 26th day of May, A. D. 1900, at which a majority of the votes cast were in favor of incorporation of an independent incorporated school district in the county of Childress, named the town of Childress independent school district, comprising twenty-five square miles of territory, and including within its limits the town of

Childress, which town has not assumed jurisdiction or control of the public schools therein, is hereby in all things validated, and said incorporation is hereby given full control of the public schools within its limits as now provided by law for independent school districts in towns and villages incorporated for free school purposes only.

SEC. 2. That all lawful official acts of the board of trustees of said independent school district, composed of Stovall Johnson, H. J. King, R. H. Norris, U. S. Weddington, W. L. Underwood, L. E. Haskett and E. E. Diggs, and their successors in office, elected and qualified as such trustees by virtue of the incorporation of said independent school district, are hereby validated and said board of trustees, and its successors in office, are hereby authorized and empowered to manage and control the public schools in said independent school district, levy taxes for the support and maintenance of the public schools, and for the purchase of sites and buildings and the issuance of bonds therefor, and to do any and all other acts as provided by law for boards of trustees of independent school districts in towns and villages incorporated for free school purposes only under the general law.

SEC. 3. That the levy of a tax of 30 cents on the \$100.00 valuation of property for the support and maintenance of the public schools, and the levy of a tax of 20 cents on the \$100.00 valuation of property for the purchase of sites and purchase and erection of school buildings, and the issuance of \$8,000.00 of coupon bonds, having been made by the board of trustees of said independent school district after an election at which more than two-thirds of the qualified voters of said district voted in favor of such levy of tax, the said levies of tax and issuance of bonds is hereby in all things validated.

SEC. 4. The necessity for an early solution of the uncertain condition in which the schools in said independent school district are now placed, and the benefit to be derived to said school district by having its incorporation immediately validated, create an imperative public necessity authorizing the suspension of the rule requiring bills to be read on three several days in each house, and a case of emergency that this act should take effect and be in force from and after its passage, and such rule is hereby suspended, and this act shall take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 22, nays 0; and passed the House of Representatives by two-thirds vote, yeas 98, nays 0.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 31st day of August, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.]

CASS COUNTY ROAD LAW.

H. B. No. 28.]

CHAPTER XXI.

An Act to create a more efficient road system for Cass county, Texas; and making the county commissioners of said county ex-officio road commissioners, and prescribing their duties as such, and providing for their compensation as road commissioners; and providing for the appointment of road overseers, and defining their duties; and for working of county convicts upon the roads of said county; and providing for officers' fees and rewards for the capture of escaped convicts, and authorizing the working of county convicts partly upon the poor farm as well as upon the public roads, or partly upon both, in the discretion of the commissioners court; and making provisions applicable as far as practicable to convicts when worked on county farms; and to provide for the summoning of teams for road work, and for the allowance of time for same; and fixing a penalty for violation of this act; and repealing all laws in conflict with this act as to Cass county; and to authorize the commissioners court of Cass county to create the office of superintendent of public roads and bridges for Cass county, and defining his duties, and providing for compensation of said superintendent, and prescribing bond to be given by said officer; providing that delinquent poll taxpayers shall be subject to three days road duty; providing for the condemnation of any land needed for the widening, straightening, changing or draining of roads; providing for the taking of timber, gravel, earth, stone or other necessary material; and giving persons summoned to work on roads the right to be relieved as from the discharge of such duty on payment of specific sums of money herein stipulated; and to authorize and empower the said county of Cass to issue bonds for the construction and maintenance of public roads and highways within said county, and to provide for a tax to create a sinking fund to pay same.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the members of the commissioners court of Cass county shall be ex-officio road commissioners of their respective districts, and under the direction of the commissioners court shall have charge of all the teams, camping outfits, tools and machinery belonging to the county, and placed in their hands by said county; and it shall be their duty, under such rules and regulations as the commissioners court may prescribe, to superintend the laying out of such roads, and the making or changing of roads and the building of bridges. Each of said commissioners shall before entering upon the duties of his office in addition to his regular bond as commissioner, execute a bond of one thousand dollars, with two or more good and sufficient sureties, payable to the county judge of Cass county for the use and benefit of the road and bridge fund, conditioned that he shall well and faithfully perform all the duties required of him by law or by the commissioners court of Cass county, and that he will account for all money or property belonging to the county that may come into his possession; provided, that with the consent of the commissioners court, any one of said commissioners shall be allowed to appoint any competent person as deputy road commissioner, who shall be required to execute the same bond that is required by commissioners in this section, and such deputy road commissioner shall be entitled to the same compensation that is herein allowed county commissioners for the same service; provided, that county commissioners shall not be allowed any commission when a deputy road commissioner has been appointed.

SEC. 2. The commissioners court of said county shall have full power and authority, and it shall be its duty, to adopt such system for working, laying out, draining and repairing public roads of said county as it may

deem best, and from time to time said court may change its plan or system of working, all of which shall be recorded in the minutes of said court. Said commissioners court shall have full power to purchase such teams, camping outfits, tools and machinery as may be necessary for the working of its roads. Said court shall have power and authority to employ competent civil engineers for the purpose of laying out new roads or straightening roads heretofore laid out. Said court shall have full power and authority to kill all roads heretofore laid out not deemed necessary or of real benefit to the county. Said court shall have full power to construct, create or otherwise improve any road or bridge by contract. In such case said court or county judge of Cass county may advertise in such manner as said court may determine for bids to do such work, and the contract shall be awarded to the lowest responsible bidder, who shall enter into bond, payable to the county judge of said county, for the use of the road and bridge fund, with two or more good and sufficient sureties, to be approved by said court, and in such sum as said court may determine, for the faithful compliance with the terms of said contract. but said court shall have the right to reject any and all bids, and said contract shall be in writing, and recorded in the minutes of the court. At the time of making such contract, the court shall direct the county treasurer to pass the amount to a particular fund for that purpose, and the treasurer shall keep a separate account of such funds; same shall not be used for any other purpose and can only be paid out on the order of the court; provided, that hereafter all money or tax collected for the road and bridge fund shall be used for that purpose and none other. Said court shall have authority to employ any hands or teams to work on the road, under such regulations and for such price as they may deem best, not to exceed two dollars and one half per day of ten hours per day for a team and driver, and not to exceed one dollar per day for day hands, and no road hand when working out his time shall be required to work but eight hours per day, but when hands are hired by the day they shall be required to work ten hours per day.

SEC. 3. The commissioners court of said county shall require all male county convicts not otherwise employed to labor upon the public roads, under such regulations as they may prescribe, and each convict so worked shall receive a credit of fifty cents per day on his fine first and then on the cost, for each day he may labor. The commissioners court may provide such reasonable regulations or punishment as may be necessary to require such convict to perform good work, and may provide a reward, not to exceed ten dollars, to be paid out of the road and bridge fund, for the recapture and delivery of any escaped convict, to be paid to any person other than the guard or person in charge of such convict at the time of his escape. The commissioners court may grant a reasonable commutation of time for which a convict is convicted as a reward for faithful service and good behavior in no case to exceed one-fourth of the time. Said court may provide the necessary houses, prisons, clothing, bedding, food, medicine and medical attention, and guards for the safe and humane keeping of the convicts. The commissioners court may at a regular meeting allow the officers such amount of their costs for the arrest and conviction of said convicts as is now provided by law; provided that said court shall not allow any officer more than one-half of the costs due him and adjudged against such convict. The aforesaid amount shall be paid out of the road and bridge fund, upon the order of said court, when

said fine and costs have been worked out as provided in this section; provided, that this act shall not be construed so as to relieve any convict from the payment of all costs for which he would be liable under the general laws of the State. Nothing in this section shall be construed so as to deprive the commissioners court of the right to have convicts work a part or all of the time on the county convict or poor farm, but authority is herein expressly given said court to require convicts to labor in payment of fines and costs either upon said farm or upon the public roads, or partly upon both, as said court may deem best, and the provisions of this section shall apply as far as practicable in all cases, where convicts labor upon the convict or poor farm.

SEC. 4. Each county commissioner shall have charge of all road overseers in his district, and shall deliver to each of them all teams, tools and machinery necessary to working of roads in the district of said overseer, so far as he has been supplied therewith by the commissioners court, taking receipt of his overseer therefor, specifying each item and giving its value, which receipt shall be full answer for the liability of the commissioner, and shall fix the liability of the overseer, and any commissioner or overseer who has been intrusted with any teams, tools, or machinery belonging to said county shall be liable for any damages that may occur to the same while in his possession caused by negligence or want of due care of same, and shall not use or permit the same to be used for private purposes. It shall be the duty of the road overseer when he has finished work on his road to return to said commissioners all teams, tools and machinery received by him from them, and take up the receipt given therefor.

SEC. 5. It shall be the duty of the commissioners when acting as road commissioners to inform themselves of the condition of the public roads in their districts, and they shall determine what character of work shall be done upon said road, and shall direct the manner of grading, draining or otherwise improving the same, which direction shall be observed and obeyed by all overseers of their districts.

SEC. 6. The commissioners may require each overseer in his district to call out the hands in such number as may be sufficient to perform the work, but no road hand shall be required to work exceeding five days in any one year, or two and one-half days with himself and team, unless the term of service as prescribed by the general laws shall be extended beyond that time; and provided, that all road hands in any district shall as far as practicable be worked a uniform time. Each road overseer, or in case of his absence, any person deputized by him, shall have full control of all road hands within his district and shall see that each hand when called out shall perform a good day's work, and that if any hand when so called out shall refuse to do a good day's work, or to work in the manner the overseer may direct, shall be liable to the same penalty as if he had failed to appear in obedience to the summon. The commissioners court may allow any overseer who shall be engaged in the discharge of the duties of his office for more than five days during one year, a compensation of not to exceed one dollar per day for each day served over five days during any one year.

SEC. 7. Any citizen of Cass county who is subject to road duty who shall on or before the first day of February of any year pay to the county treasurer of said county the sum of three dollars or who shall pay the overseer of his respective district said sum on or before said time shall

be exempt from road duty for such year, beginning on the first day of February. Overseers shall receipt for all moneys so paid them, and shall immediately, or within ten days of the receipt of same, pay all amounts so received over to the county treasurer, taking receipt therefor, and shall furnish the county treasurer a statement under oath, showing the amount so collected, and by whom paid. Any overseer who shall fail to comply, or neglect any provision of this section as herein set forth, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than ten nor more than two hundred dollars, or imprisonment in the county jail not exceeding sixty days, or by both fine and imprisonment. The treasurer shall receive and receipt for all moneys so paid him, and place the same to the credit of the road and bridge fund, for which purpose alone same shall be expended. The treasurer shall on the third day of February of each year, or as soon thereafter as practicable, furnish the commissioners court with a list of all persons who have paid said sums as provided in this section, and said court shall immediately through the sheriff of the county, notify the overseers in districts where said sum has been paid of the payment, of the amount of said sum, and by whom paid.

SEC. 8. Every person liable to work on the public roads of Cass county, who shall pay the road overseer at any time before the day appointed to work on his road the sum of one dollar for each day that he is summoned to work shall be exempt from work for each day paid for.

SEC. 9. Each person summoned to work on the road shall take with him an axe, hoe, pick, spade, shovel, plow, scraper or such other tools as may be desired or directed by the overseer or if he has no such tools as are desired and directed by the overseer to take with him, he shall take such other tools as he may have, provided the county shall be liable for, and the commissioners court under such regulations as they may prescribe shall pay for all breakage or damage to tools as may have resulted from road work, and not caused by the negligence or carelessness of the person furnishing the same. Such overseer shall also summons and require such road hand to bring with him for road work such team or teams as he may have on hand suitable for road work, provided, that such hand shall be allowed two days time for each day put in by hand and his team, and one day's time for his team without such hand; provided, it shall be unlawful for any road overseer, superintendent of public roads and highways or county commissioners, when acting in the place of ex-officio road commissioner to work or use any team or teams of which he is the owner upon the public county roads at an expense to the county, and the commissioners court shall not allow any compensation for such services so rendered.

SEC. 10. If any person liable to work on the public roads after being legally summoned, shall wilfully refuse or fail to attend, either in person or by competent an able substitute, or fail or refuse to his team, or tools at the time and place designated by the person summoning him, or to pay the overseer one dollar per day for each day summoned to work, he shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined a sum not to exceed ten dollars.

SEC. 11. At the first regular term of the commissioners court of each year, all road overseers shall make their report under oath upon the forms to be furnished them by said court, and all accounts for services

or labor performed for overwork by such overseers during the past year, and of moneys had and expended by him, shall be audited and settled. As soon thereafter as practicable the commissioners court shall appoint and commission road overseers for the succeeding year, and such appointment shall not be made at the suggestion of the hands upon the road, but the commissioners shall select one known to be of good moral character, competent and able to perform the work of such road overseer. Any overseer intentionally failing to perform his duties as such overseer, or failing or refusing to perform the duties of such overseer when appointed by said court, or to perform any duties required of them by law, or by the commissioner of his district, or county superintendent of public roads and highways, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any sum not less than five dollars nor exceeding twenty-five dollars.

SEC. 12. Whenever it shall be necessary to occupy any land for the opening, widening, straightening, changing or draining any road, or any part thereof, if the owner of said land cannot agree with the court as to damages to be paid, the court may proceed to condemn the same in accordance with the provisions of the general statutes of Texas, and the county in no case shall be required to give bond.

SEC. 13. When to the overseer it may appear expedient to make causeways and build bridges, or to gravel any public road, the timber, gravel, or earth, or any other necessary material most convenient therefor, may be used, but in such case the owner of such timber or gravel, earth, stone or other necessary material, shall be paid out of the county treasury, a fair compensation for same to be determined by the commissioners court upon application of such owner.

SEC. 14. Each county commissioner, when acting as road commissioner, shall be entitled to two dollars per day for services actually performed; provided, that he shall not receive more than thirty dollars per quarter. Said per diem shall be paid out of the road and bridge fund, when the account shall have been approved by the commissioners court, and the court shall not approve said account unless the commissioner presenting it shall make oath that the account is just, due, and unpaid, and said account [shall] specify the number of days' work actually performed by him, and that it was necessary to be done under the circumstances, and if he worked only a part of a day, the number of hours worked shall be stated, and no commissioner shall be entitled to pay as road commissioner, either for himself or deputy, while he is performing the duties of county commissioner, nor shall he receive any additional pay than that provided by this section for inspecting over his road or other road services.

SEC. 15. In all cases where the cost of material and labor exceeds two hundred dollars it shall be the duty of said court to construct, grade, or gravel, or otherwise improve any road or bridge by contract, the same to be advertised for as provided by commissioners.

SEC. 16. The office of county superintendent of public roads and bridges is hereby created, and the commissioners court of Cass county shall, at its first regular term after this law shall have taken effect, appoint a county superintendent of public roads and bridges, who shall hold his office until removed by said court, in which case there shall be another appointed to fill such vacancy. Such county superintendent of roads and bridges shall be a person of good character, executive ability,

and versed in road working, and shall be a free-holder in the county of Cass. Such superintendent shall have charge of, shall direct the labor of county convicts when doing road duty, and all the hands placed under him, and may through the direction of the commissioners court, employ other hands to labor on the public roads, provided, that such hand or hands shall not cost at the rate of more than one dollar per day. The commissioners court shall supply said superintendent with such teams camping outfit, tools and machinery as in his judgment is necessary to prosecute the work to the best interest of the county, either by purchase, lease, hire, or rent. Such superintendent shall perform the duties of his office from time to time under such regulations as in the judgment of the commissioners court may seem best, and said superintendent shall at all times be subject to the direction or immediate control of the commissioners court, and when in discharge of his duties shall labor ten hours per day. Such superintendent of public roads and bridges, before entering upon the discharge of his duties, shall take the oath of office prescribed by law, and shall enter into bond in the sum of two thousand dollars with two or more good and sufficient sureties, to be approved by the commissioners court, and to be filed by the county clerk of Cass county, and said bond shall be made payable to the county judge of Cass county and his successor in office in trust for the road and bridge fund of Cass county, and be conditioned for the faithful performance of all the duties of his office. In case said bond is forfeited and collected, the sum so collected shall become a part of the road and bridge fund of Cass county. Such superintendent while actually engaged in discharge of the duties of his office, shall receive from the road and bridge fund of Cass county a salary not to exceed eight hundred dollars per annum. Said superintendent shall make a quarterly report to the commissioners court of Cass county, showing the number of miles worked, amount of money paid for labor, number of hands performing labor under provisions of this statute, teams hired, and a full statement of all expenses of every character and kind incurred in working said road, which said report shall be under oath.

SEC. 17. The county superintendent or the overseers of the various precincts or districts as the case may be, shall obtain from the tax collector of Cass county as soon after the first day of January of each year as practicable and before the first day of May thereafter, a full list of delinquent poll taxpayers of Cass county for the previous year, and the persons so appearing on said list, and who are such delinquent poll taxpayers, shall be subject to road duty for a period of three days during such year, and they shall be summoned as in other cases to work the roads in the road district or precinct in which said person shall reside. and the performance of the road service provided for in this section shall not exonerate the person from any other road duty to which the person performing the same may be subject, but they shall be taken as cumulative. The persons required to perform road duty as provided under this section shall be subject to prosecution as provided in Section 10 of this act, or other laws of this State, and subject to the same liabilities, penalties and punishments provided for in other cases for failing to appear and do good work when summoned to do so as provided for in this act, or other laws of this State, and all such laws shall apply to parties required to work roads under provisions of this section. And when they are convicted for failure to work roads, they shall satisfy the

fine and costs as in other misdemeanor cases. But any person summoned to work on the road under the provisions of this section may satisfy such summons and be relieved from such duty by paying said sum of three dollars which shall be apportioned as the law directs.

SEC. 18. The commissioners court of Cass county are hereby authorized and empowered in addition to the bonds heretofore authorized by law to be issued for the purpose of constructing and maintaining public roads and highways and bridges in said county to borrow money and issue bonds, not to exceed limit of county indebtedness fixed by the Constitution of the State.

SEC. 19. The commissioners court of Cass county shall have authority to levy a tax to the limit allowed by the Constitution for the purpose of creating a sinking fund, and to provide for the payment of the interest on the bonds issued for the purpose of maintaining the public roads of said county. The bonds authorized to be issued by this and the preceding section shall be issued in conformity with the General Laws of the State relating to the issuance of county bonds; provided no election shall be required to authorize the commissioners court to issue such bonds.

SEC. 20. This act shall be taken notice of by all courts in the same manner as the general laws of the State on the subject of roads and bridges and when not in conflict therewith, but in case of conflict this act shall control as to the county of Cass, and all local and special laws in conflict herewith are hereby repealed.

SEC. 21. The fact that there is no sufficient general law in force in this State creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and passed the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 4th day of September, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.]

Takes effect 90 days after adjournment.

GRAYSON COUNTY ROAD LAW—AMENDMENT TO.

H. B. No. 35.]

CHAPTER XXII.

An Act to amend Section 3, Chapter 75, Laws of the Regular Session of the Twenty-seventh Legislature, being the Grayson county road law.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Section 3, Chapter 75, Laws of 1901, passed at the regular session of the Twenty-seventh Legislature, be and the same is so amended as to hereafter read as follows:

SEC. 3. The commissioners court of said county shall require all

county convicts not otherwise employed to labor on the public roads, under such regulations as they may prescribe, and each convict so worked shall receive a credit of fifty cents on his fine first, and the on the cost, for each day he may labor; provided, that this shall not be so construed as to relieve any convict from the payment of all costs for which he would be liable under the general laws of this State. The commissioners court may grant a reasonable commutation of time for which a convict is committed, as a reward for faithful service and good behavior; provided that such commutation shall in no case exceed one-tenth of the whole time. The commissioners court may provide the necessary houses, prisons, clothing, bedding, food, medicine, medical attention and guards for the safe and humane keeping of convicts; provided whenever a convict who has been committed to jail in default of payment of fine and costs adjudged against him, has satisfied such fine and costs in full by labor in the work house, on the county farm, on the public roads of the county, or upon any public works of the county, said county in which said conviction was had shall be liable to each officer and witness having cats [costs] in the case against said convict for only one-half of such costs, and the county judge of said county shall issue his warrant upon the county treasurer in favor of each officer and witness for one-half of all such legal costs as may have been taxed against said convict, not to include commissions, and the same shall be paid out of the road and bridge fund of the county or out of any other county funds not otherwise appropriated.

SEC. 2. The near approach of the close of the present session of the Legislature, and the crowded conditioned of calendar, creates an emergency and an imperative public necessity requiring the suspension of the constitutional rule requiring bills to be read on three several days, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives by two-thirds vote, yeas 96, nays 1; and passed the Senate by two-thirds vote, yeas 24, nays 1.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 4th day of September, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.]

RESOLUTIONS.

MAJOR LUTHER R. HARE—RECOMMENDING HIM FOR POSITION OF BRIGADIER GENERAL.

S. C. R. No. 1.] SENATE CONCURRENT RESOLUTION.

Whereas, Major Luther R. Hare, of the 12th Cavalry, Regular Army of the U. S., graduated from West Point in June, 1874, with the rank of 2nd Lieutenant of Cavalry, since which time he has, by courage, ability and devotion to duty reflected credit upon himself and honor upon Texas, as is shown by the record of his services as follows: Two years as 2nd Lieutenant of Cavalry, fourteen years as 1st Lieutenant of Cavalry, and eleven years as Captain of Cavalry in the Regular Army, with intermediate and concurrent service as Lieutenant-Colonel and Colonel of the 1st Texas Volunteer Cavalry in 1898; Colonel of 33rd Volunteer Infantry in 1899; and Brigadier-General of Volunteers in 1900; during which years he participated in the following battles, engagements, etc.: Little Big Horn, Montana, in 1876; Canon Creek, Montana, in 1877, Landing at San Fabian, 1899, San Jacinto, 1899, Taynadan Pass, 1899, San Jose, 1899, In mountains, 1899, Licuan in 1900; besides leading the perilous and successful expedition for the rescue of Lieutenant Gilmore from Dec. 13th, 1899, to Jan. 6th, 1900, one of the most daring achievements of modern warfare, and leading also the expedition for the rescue of Captain Shields and his men from Oct. 6th to Oct. 12th, 1900; a record of daring and successful service rarely equaled in the annals of the American army, and which, in the judgment of the Legislature of the State of Texas, justly entitles the distinguished soldier to a rank which will be a fit reward for more than a quarter of a century of uninterrupted and arduous service, in which he has manifested the possession of every quality required of a capable commander; therefore, be it

Resolved, That upon the record Major Hare has made for himself, the Legislature of the State of Texas does most earnestly and cordially commend him to the President of the United States for promotion to the rank of Brigadier-General in the Regular Army of the United States, and does request that he be so appointed, believing that his faithful and valiant services entitle him to that reward, as they also entitle Texas to the honor that will be conferred upon her by such promotion.

Resolved, further, That duly enrolled and attested copies of this resolution be by the Governor transmitted to the President of the United States, to Nelson A. Miles, General in command of the United States army, to each of the delegation representing Texas in Congress, and a like copy be transmitted to Major Hare.

[NOTE.—The enrolled bill shows that the foregoing resolution passed the Senate, no vote given, and passed the House of Representatives, no vote given.]

MAC. STEWART—RECOMMENDED PARDON OF.

H. C. R. No. 1.] HOUSE CONCURRENT RESOLUTION.

Whereas, On the 31st day of May 1895, Mac. Stewart was convicted of murder and sentenced to be shot at Parral in the State of Chihuahua Republic of Mexico, which said sentence was commuted to imprisonment for the term of twenty years; and,

Whereas, The said Mac Stewart faithfully and honorably served this State as a soldier in the army of the Southern Confederacy and thereby endeared himself to his comrades in arms, many of whom still survive and deeply sympathize with him in his trouble; and

Whereas, To serve out the full term of said imprisonment would result in his confinement until May, 1915, at which time if he shall live so long he will have attained the age of 71 years, which said term would be equivalent to imprisonment for life; and

Whereas, His old comrades in arms, fully appreciating the generosity of the Mexican government in sparing his life by commuting his sentence are convinced of his sincere desire to return to his native land and there resume his citizenship and to spend his declining years among former friends and associates; and

Whereas This body is fully satisfied of the good faith of the said Stewart and his friends, and desire on their behalf that he be released from imprisonment. Now therefore be it

Resolved by the House of Representatives, the Senate concurring; (1) That the Legislature of the State of Texas hereby give its endorsement and approval to the efforts of the friends of said Stewart in getting his release.

(2) They hereby join in a request to his Excellency Porfirio Diaz, the honorable President of the Republic of Mexico, and to his Excellency Miguel Ahumada, Governor of the State of Chihuahua, for a pardon for the crime of which he was convicted and a release from the penalties which attach thereto.

(3) That this resolution be presented to the Honorable Powell Clayton, Ambassador to the Republic of Mexico with the request that they be properly presented to the consideration of the officials above mentioned.

[NOTE.—The enrolled bill shows that the foregoing resolution passed the House of Representatives, no vote given, and passed the Senate. no vote given.]

COMPTROLLER'S DEPARTMENT—AUTHORIZING ATTORNEY GENERAL TO WITHDRAW CERTAIN PAPERS THEREFROM.

H. C. R. No. 2.] HOUSE CONCURRENT RESOLUTION.

To permit the Attorney General to withdraw from the Comptroller's office such original vouchers, papers and accounts as may be necessary to enable him to properly present the claims of the State of Texas, for payment by the United States, under act of Congress approved January 15th, 1901.

SECTION 1. Whereas, By act of Congress approved January 15th, 1901, the Secretary of the Interior was authorized and directed to inquire and ascertain the total taxes collected by the State of Texas for any and all purposes from the inhabitants of Greer county, upon lands or other property located therein from 1860 to 1896, the total amount paid by the State of Texas to Greer county or its officers or agents, for school purposes, other than lands, from 1860 to 1896, and the disposition made thereof by said county, the total of all other expenses incurred by the State of Texas from 1860 to 1896 in the enforcement of law and order, the care of the deaf, dumb, blind and insane, and generally for the protection of life, liberty and property in said county, and the establishment and maintenance of the government for the inhabitants thereof, or a fair estimate of the same, and

Whereas, It may be necessary in presenting the aforesaid claim of the State of Texas, for the Secretary of Interior to have the original vouchers, papers and accounts which are evidence of said claims for the purpose of establishing the validity thereof as against the United States.

Now therefore, the Comptroller is hereby authorized and directed to deliver to the Attorney General all such original vouchers, papers and accounts as may be necessary in the opinion of the Attorney General to

support the claim of the State of Texas against the United States Government.

BOARD OF LIQUIDATION TO COLLECT MONEY FROM FIRST NATIONAL BANK OF AUSTIN.

H. J. R. No. 1.] HOUSE JOINT RESOLUTION.

Joint resolution constituting the Governor, Comptroller and Attorney General a board and authorizing said board to make and enter into any agreement which in its judgment may be necessary in order to secure the return to the proper officials of the moneys now in the custody of the First National Bank of Austin, Texas, or the receiver thereof, and belonging to the State.

Whereas, The First National Bank of Austin, Texas, has been placed in the hands of a receiver by the Comptroller of the Currency; and

Whereas, There was in the custody of said bank at the time such action was taken certain large sums of money, the property of the State of Texas; and

Whereas, Negotiations are pending for either the resumption of business by, or the voluntary liquidation of the said bank; and

Whereas, If the affairs of said bank are wound up by a receiver, considerable time must elapse before the moneys belonging to the State can be returned to the proper officials; now, therefore,

Be it resolved by the Legislature of the State of Texas:

SECTION 1. That the Governor, Comptroller and Attorney-General be, and they are hereby constituted a board, and that such board is authorized to make and enter into such agreement as in their judgment may be necessary to secure the return to the proper officials of all moneys in the custody of the First National Bank of Austin, Texas, or the receiver thereof.

SEC. 2. Nothing in this resolution shall be construed as a waiver of any rights, liens, claims or demands which the State now has, or as affecting the liability of the Treasurer or the Secretary of State, or the sureties upon the official bonds of such officers; provided, that said board is authorized to accept a bond or bonds with good and sufficient sureties for the full and faithful compliance with the provisions of any agreement that may be made in pursuance of this resolution, and said bond or bonds shall be made payable to the State of Texas, and when approved by said board shall be filed in the office of the Comptroller of Public Accounts, to be recovered upon as other official bonds.

SEC. 3. The fact that no one is clothed with authority to make any agreement of the character provided for in this resolution, creates an emergency and an imperative public necessity that the constitutional rule requiring resolutions to be read on three several days be suspended, and the same is so suspended, and that this resolution take effect and be in force from and after its passage; and it is so resolved.

[NOTE.—The enrolled bill shows that the foregoing resolution passed

the House of Representatives by two-thirds vote, yeas 89, nays 9, and passed the Senate by two-thirds vote, yeas 25, nays 1.]

AUTHORIZING LEASE OF PORTION OF OLD COURT HOUSE SITE.

H. C. R. No. 3.] HOUSE CONCURRENT RESOLUTION.

Whereas, Heretofore, towit, on the 19th day of July, 1899, the Superintendent of Public Buildings and Grounds in pursuance of House Concurrent Resolution No. 35, passed by the Twenty-sixth Legislature, leased to the Austin Dam and Suburban Railway Company, a corporation, a portion of what is known as the old court house site, situated in the City of Austin in Travis county, Texas, for a period of ten (10) years from the 20th day of June, 1899, and

Whereas, The said Austin Dam and Suburban Railway Company has defaulted in the payment of the rent agreed to be paid in said contract, and,

Whereas, In pursuance of the terms of said contract, the Superintendent of Public Buildings and Grounds because of the non-payment of the rent as above stated, has forfeited said lease contract and the same has been canceled, and

Whereas, It is desirable that said property be leased in order that some revenue to the State may be obtained, now therefore,

Be it resolved by the House of Representatives of the State of Texas, the Senate concurring, That the Superintendent of Public Buildings and Grounds be, and he is hereby empowered and directed to lease that portion of said property heretofore leased to the Austin Dam and Suburban Railway Company to such party or parties, and for such price as may be deemed best by him and for the best interest of the State, not less than two hundred dollars per year for a term not extending beyond the 20th day of June, 1909; that said contract shall provide for quarterly payments in advance of the amount agreed upon and that the said Superintendent of Public Buildings and Grounds shall have the power and authority to forfeit and cancel such lease upon the failure to pay the rent so agreed, provided the State reserves the right to cancel the contract at the expiration of five years.

[NOTE.—The enrolled bill shows that the foregoing resolution passed the House of Representatives, no vote given, and passed the Senate, no vote given.]

NATIONAL PARK—RESOLUTION ASKING THE PRESIDENT
AND CONGRESS TO ESTABLISH ONE IN THE
SACRAMENTO MOUNTAINS.

S. C. R. No. 4.] SENATE CONCURRENT RESOLUTION.

Whereas, A study of the physical and meteorological conditions of that vast area of Texas between the Brazos and Pecos rivers, including especially the staked plains or table lands of Texas and New Mexico, and their close relations to the Sacramento mountains in the southeastern portions of New Mexico, discloses the fact that the summer torrential rains that with unfailing regularity have, within the memory and traditions of the oldest inhabitants, fallen upon the aforesaid entire chain, and that in connection with the heavy fall, winter and spring snows have caused these great mountain ranges to be densely covered by magnificent forests of white and yellow pine, spruce, fir, cedar and other forest trees; and,

Whereas, It is obvious that the cold, high altitudes of these mountains ranging from 8,500 to 14,200 feet, and distant in places less than one hundred and fifty miles from the Texas line, is the first object the prevailing southeast winds of Texas, laden with gulf moisture, meet with, that causes this immense precipitation of summer rain; and,

Whereas, As a natural result of the snows and rains innumerable perennial springs and mountain streams cleave the sides of the Sacramento ranges for hundreds of miles, finding their way in part to the Pecos river, and more largely into the table lands referred to, forming thereby a vast reservoir for all Northwest, West and Southwest Texas; and,

Whereas, All the larger streams within that area have their origin at or near the base of the staked plains or table lands of Texas; that is, near the great bluffs that for three hundred miles mark the line of demarcation between the table lands and semi-mountainous region of Northwest and Southwest Texas; and

Whereas, The normal rainfall of all the region included in the staked plains and semi-mountainous region south of them is wholly insufficient to support any one of the principal streams of Southwest Texas; and,

Whereas, These plains are found to be underlaid with the same semi-freestone water that is found in the streams that flow from the Sacramento range, and yet no living stream empties into them over their surface; and,

Whereas, Their physical meteorological conditions make it of the utmost importance to every interest of the entire State, and especially of vital importance to the entire region embraced within the limit aforesaid, to preserve the natural or physical features that, according to well established natural laws, serve to perpetuate the original sources of the water supply of the region referred to; and,

Whereas, It is currently known that a rapid destruction of the vast forests upon the lower portion of the Sacramento ranges is taking place by large lumber companies, causing the denudation of thousands of acres of their deeply covered moisture-laden soil, the inevitable result of which denudation will be to cause the springs and streams to dry up, and the streams of Texas to rapidly drain the reservoir in the table lands, and in turn cease to flow except in case of local rains; and,

Whereas, There are now persistent and systematic efforts being made

by parties interested in the lumber business to get the government of the United States to remove the Mescalero Apache Indians from their immense reservation situated in the central part of the Sacramento ranges, in its highest altitudes and finest timbered and watered regions, so as to throw open these vast forests, ostensibly to the settler, but in reality to the woodman's axe, as soon as the present forest supply is exhausted where they are now operating, estimated to be about twelve years; therefore be it

Resolved by the Senate of Texas, the House of Representatives concurring: That in view of the premises aforesaid, the President and Congress of the United States be and they are hereby most earnestly requested to take such prompt and efficient action as will prevent further destruction of these vast primeval forests, and insure their perpetual preservation, and the consequent preservation of the meteorological and physical conditions of the large and important area of Texas referred to, together with the great material interests of Texas, inseparably bound up in these conditions, and do earnestly recommend that the government segregate all public lands owned by it, including the Indian reservation referred to, for the purpose of a grand national park, a park that it is conceded would be surpassed by none in the United States, and only equaled by the Yellowstone for scenic grandeur and picturesque beauty.

[NOTE.—The enrolled bill shows that the foregoing resolution passed the Senate, no vote given, and passed the House of Representatives, no vote given.]

ALAMO MONUMENT—RESOLUTION OF APPROVAL.

S. C. R. No. 3.] SENATE CONCURRENT RESOLUTION.

Whereas, There is an earnest movement among the citizens of the State of Texas to form an association to build upon the site of the historic Alamo a fitting monument to the martyrs of 1836; to establish a fund in perpetuity for the preservation of the premises and the maintenance of a park surrounding the battle ground; to form a board of trustees and officers composed of the Governor and representative citizens from the various portions of the State who shall have control of the affairs of said association; and

Whereas, Said Alamo, monument and park will forever be a sacred memorial to the noble heroes who died that Texas might be free; a profound lesson in patriotism to the remotest generations of Texas youth; a fitting tribute to a heroism that has had but one parallel in all history; therefore

Be it resolved by the Senate, the House of Representatives concurring: That the Legislature of the State of Texas hereby expresses its hearty approval of the permanent establishment of a monument and park upon the Alamo battle ground and its cordial endorsement of the movement among the public spirited and patriotic citizens who are working to that end.

INDIAN CLAIMS—RESOLUTION ASKING EXTENSION OF TIME TO PROVE.

H. C. R. No. 4.] HOUSE CONCURRENT RESOLUTION.

Whereas, The citizens of Texas, from the years 1858 to 1876, suffered great losses at the hands of the Indians, against whom they were not afforded protection by the presence of the Federal troops; and

Whereas, These losses fell upon that portion of our citizens who were on the frontier, and were extending the civilization and settlement of the State; and

Whereas, These losses reduced very many such citizens from affluence to poverty; and

Whereas, The present law which gave jurisdiction of claims on account of such depredations to the court of claims, known as the Act of March 3rd, 1891, expressly forbids the said court of claims to take jurisdiction of claims for losses accruing during the period when the tribes to which Indians belong were not in amity with the United States; and

Whereas, Under said prohibition the court of claims had found that Comanche Indians, which tribe committed most of the depredations in Texas, were hostile in this State in 1860, and again in 1864, and 1865, and again in 1868 and 1869, and again in 1874 and 1875; and

Whereas, While there may have been during these said periods a lack of peaceable relations between the said Indians and the citizens of Texas, there was nevertheless, no status which could be properly defined to be warfare between the said Indians and the United States; and

Whereas, The same law also forbids the court of claims to assume jurisdiction of claims on behalf of those who were not citizens of the United States at the date of the depredations, and

Whereas, Many citizens of this State who had been citizens of the Republic of Texas, had never been naturalized but believed themselves by virtue of the annexation of Texas to be citizens thereof, and also citizens of the United States; and

Whereas, There were many citizens of this State who had meritorious claims and who failed to file said claims on March 3rd, 1894, such failure, in most cases, being attributable to the fact that such citizens were not apprised of the limited time given under the law in which such claims could be filed; and

Whereas, Many of these were among the foremost and best citizens of the State, and contributed very considerably to the extension of the frontier in the settlement of the State, and should also be entitled equally with those who were bona fide citizens, and with those who were so fortunate as to file their claims before March 3rd, 1894, to the protection of the United States, and to recompense for the losses incurred by them: therefore be it

Resolved by the House of Representatives, the Senate concurring, That the Congress of the United States be, and the same is earnestly petitioned by the Legislature of the State of Texas, to so amend the present law, known as the Act of March 3rd, 1891, as to include within the jurisdiction of the court all claims whether committed during a period of amity or a period of hostility, and also all claims on behalf of those who were permanent bona fide residents of the United States; also be it further

Resolved That the Congress of the United States is requested to further amend the Act of March 3rd, 1891, by extending the time in which claims may be filed one year from the date of such emendation; and providing also that any affidavits or depositions of claimants or witnesses heretofore or hereafter taken shall be admitted as evidence before the court of claims.

[NOTE.—The enrolled bill shows that the foregoing resolution passed the House of Representatives, no vote given, and passed the Senate, no vote given.]

Approved September 6, 1901.

THE STATE OF TEXAS, }
DEPARTMENT OF STATE. }

I, John G. Tod, Secretary of State of the State of Texas, do hereby certify that the foregoing laws and resolutions, passed at the first called session of the Twenty-seventh Legislature, have been carefully examined and compared by me with the original enrolled bills now on file in this department, and are true copies of said original enrolled bills.

I do hereby further certify that the first called session of the Twenty-seventh Legislature convened in the city of Austin on the sixth day of August, A. D. 1901, and adjourned on the fourth day of September, A. D. 1901.

In testimony whereof, I have hereunto subscribed my name,
[SEAL.] and have hereto affixed the seal of the State of Texas, in the city of Austin, this 12th day of October, A. D. 1901.

JOHN G. TOD,
Secretary of State.

PROCLAMATION.

I, Joseph D. Sayers, Governor of the State of Texas, by virtue of the authority vested in me by the Constitution thereof, do hereby call a special session of the Twenty-seventh Legislature to convene in the city of Austin, beginning at ten o'clock a. m., Thursday, September 5, 1901, for the following purpose, to-wit:

To make appropriations for the support of the State government and for the public service for the fiscal years beginning September 1, 1901, and ending August 31, 1903.

In witness whereof, I have hereunto set my hand and caused
[SEAL.] the seal of the State to be affixed at Austin, this 4th day of
September, A. D. 1901.

By the Governor:

GEO. T. KEEBLE, Chief Clerk,
Acting Secretary of State.

JOSEPH D. SAYERS,
Governor.

DEPARTMENT OF STATE, STATE OF TEXAS.

I, George T. Keeble, Chief Clerk, Acting Secretary of State of the State of Texas, do hereby certify that the foregoing is a true and correct copy of the proclamation by the Governor of the State of Texas, convening the Twenty-seventh Legislature in special session, to begin at ten o'clock a. m., Thursday, September 5, 1901, as is shown by the original now on file in this department.

In testimony whereof, I have hereunto set my hand and
[SEAL.] affixed the seal of the State, this 4th day of September,
A. D. 1901.

GEO. T. KEEBLE,
Chief Clerk, Acting Secretary of State.

MESSAGE FROM THE GOVERNOR.

EXECUTIVE OFFICE,
STATE OF TEXAS.

To the Legislature:

I hereby present to the Legislature for its consideration, the desirability of providing for the appointment of a committee to investigate into the administration of each and every department of the government and of the public service in all its branches and of every institution that is in whole or in part supported and maintained from the general revenue, said committee to be clothed with the authority necessary to render it effective.

JOSEPH D. SAYERS,
Governor.

GENERAL LAWS OF TEXAS

SECOND CALLED SESSION

TWENTY-SEVENTH LEGISLATURE, 1901.

PER DIEM OF MEMBERS—TWENTY-SEVENTH LEGISLATURE.

S. B. No. 3.]

CHAPTER I.

An Act making an appropriation to pay per diem pay of members and per diem pay of officers and employes of the Second Called Session of the Twenty-seventh Legislature of the State of Texas, convened September 5, 1901, by proclamation of the Governor.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the sum of thirty-five thousand dollars, or so much thereof as may be necessary, be and the same is hereby appropriated out of any money in the State treasury, not otherwise appropriated, for the payment of per diem pay of members and per diem pay of officers and employes of the Second Called Session of the Twenty-seventh Legislature.

SEC. 2. The certificate of the Secretary of the Senate, approved by the President thereof, or of the Chief Clerk of the House, approved by the Speaker thereof, shall be sufficient evidence to the Comptroller upon which he shall audit the claims and issue his warrants upon the Treasurer for the respective amounts.

SEC. 3. And, whereas, the Second Called Session of the Twenty-seventh Legislature is now in session, and public policy requires their payment; therefore, an imperative public necessity exists that the constitutional rule requiring bills to be read on three several days be suspended, and it is so suspended, and that this act shall take effect from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 22, nays 0, and passed the House of Representatives by two-thirds vote, yeas 99, nays 0.]

Approved September 11, 1901.

Became a law September 11, 1901.

CONTINGENT EXPENSES—TWENTY-SEVENTH
LEGISLATURE.

S. B. No. 2.]

CHAPTER II.

An Act making an appropriation to defray the contingent expenses of the Second Called Session of the Twenty-seventh Legislature, of the State of Texas, convened September 5, 1901, by proclamation of the Governor.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the sum of ten thousand dollars, or so much thereof as may be necessary, is hereby appropriated out of any money in the State treasury, not otherwise appropriated, to pay the contingent expenses of the Second Called Session of the Twenty-seventh Legislature, convened September 5, 1901, by proclamation of the Governor, and that the approval by the chairman of the Committee on Contingent Expenses of either house, countersigned by the President of the Senate, or Speaker of the House, as the case may be, shall be sufficient authority to authorize the Comptroller to issue his warrant on the State Treasurer for the payment of any account so drawn against said fund.

SEC. 2. That the public importance of the object herein contemplated creates an imperative public necessity and emergency fully authorizing the suspension of the constitutional rule requiring bills to be read on three several days in each house, and said rule is hereby suspended, and that this act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 21, nays 0, and passed the House of Representatives by two-thirds vote, yeas 98, nays 0.]

Approved September 11, 1901.

Became a law September 11, 1901.

DEFICIENCY APPROPRIATION FOR MILEAGE AND PER
DIEM—TWENTY-SEVENTH LEGISLATURE.

S. B. No. 4.]

CHAPTER III.

An Act to make a deficiency appropriation of \$5000 to pay members mileage and per diem and per diem of officers and employes of the First Called Session of the Twenty-seventh Legislature.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the sum of five thousand dollars, (\$5,000.00), or so much thereof as may be necessary, is hereby appropriated out of the money in the treasury, not otherwise appropriated, for the payment of a deficiency of mileage and per diem pay of members and per diem pay of officers and employes of the First Called Session of the Twenty-seventh Legislature.

SEC. 2. The certificate of the Secretary of the Senate, approved by the President thereof, or of the Chief Clerk of the House, approved by

e Speaker thereof, shall be sufficient evidence to the Comptroller upon which he shall audit the claim and issue his warrant upon the Treasurer for the respective amounts.

SEC. 3. Whereas, the First Called Session of the Twenty-seventh Legislature has expired, and there is a deficiency, and, whereas, the members, officers and employes of the First Called Session of the Twenty-seventh Legislature cannot be paid by the Treasurer without a special appropriation, and, whereas, public policy requires that such members, officers and employes shall be paid; therefore, an imperative public necessity exists that the constitutional rule requiring bills to be read on three several days be suspended, and it is so suspended, and that this act shall have effect from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 21, nays 1, and passed the House of Representatives by two-thirds vote, yeas 92, nays 0.]

Approved September 20, 1901.

Became a law September 20, 1901.

For the payment of bonds, certificates and other evidences of indebtedness of the Republic of Texas which constituted, or might have constituted under proof and presentation, legal and valid claims against the United States government by virtue of an Act of Congress approved February 28, 1855, entitled "An Act to provide for the payment of such creditors of the late Republic of Texas as are comprehended in the Act of Congress of September 9, 1850," and also an Act of the Legislature of the State of Texas, approved February 1, 1856, entitled "An Act giving the assent of the State of Texas to 'An Act to provide for the payment of such creditors of the late Republic of Texas as are comprehended in the Act of Congress of September 9, 1850,' which was passed at the second session of the Thirty-third Congress of the United States, and approved February 28, 1855," the sum of . . . 15,000 00

Provided, that the bonds, certificates or other evidences of indebtedness, subject to payment under this act, as well as the amount to be paid and interest on the same, shall be such as is provided for in said act, and provided further, that the promissory notes referred to in said Act of the Legislature of Texas, approved February 1, 1856, as being under an act of Congress of the Republic of Texas of the date June 7, 1837, but being really issued under the Act of Congress of said Republic, approved June 9, 1837, are understood to be within provisions of this act: and provided further, that all valid bonds, certificates and other evidences of indebtedness issued by David G. Burnet, President of the Republic of Texas, ad interim, between the sixteenth day of March, 1836, and the third day of October, 1836, are understood to be within the provisions of this act; provided, that no claims shall be paid that have been heretofore rejected by

the government of the United States, and the claimant shall show by his affidavit that no such rejection has been made so far as he knows or can ascertain; provided, that the holder of such bond, certificate or other evidence of indebtedness desiring to collect the same, shall present the same to the Comptroller of this State, together with his application for the payment thereof, supported by his own affidavit of its genuineness, and that he is the legal and bona fide owner thereof, and further supported by the affidavit of two credible persons, resident citizens of the same county as the applicant, that they know the applicant, and that he is the person he represents himself to be, and that they verily believe such bond, certificate or other evidence of indebtedness to be genuine, and that they further believe that the applicant is the legal and bona fide holder and owner of the same; provided, that the county judge of the county where said applicant resides, if satisfied that the claim is genuine and that the applicant is the legal and bona fide owner thereof, shall make endorsement on such application, so stating; and provided, that upon presentation of such bond, certificate or other evidence of indebtedness to the Comptroller, supported and verified as above required, and the surrender of the same to him, it shall be the duty of the Comptroller, if satisfied of the genuineness of the same, to draw his warrant in favor of the owner upon the Treasurer of the State, for the amount due on such bond, certificate, or other evidence of indebtedness, as said amount is defined and determined and provided for by said Act of Congress, approved February 28, 1855, and said Act of the Legislature of this State, approved February 1, 1856. No interest shall be paid on any bond, note, certificate or other evidence of indebtedness for any period subsequent to February 1, 1856.

SEC. 2. All buildings for the erection and equipment of which appropriations have been made under this act, and all improvements of and repairing of any public buildings, shall be erected and made under the direction, management and supervision of honest and competent architects, who shall be appointed by the Governor and whose fees or salary shall be deducted from the respective appropriations made for such purposes; and it shall be unlawful for the Comptroller of Public Accounts

to issue any warrants on the treasury, and for the Treasurer to pay any such warrants for the erection of any of the public buildings herein provided for, or for any such improvements of or repairing to any public building, except upon an itemized statement of such expenditures, approved by the Governor with his written approval thereon, which itemized statement shall be filed and kept by the Comptroller for public inspection; and provided further, that a duplicate certified copy of the plans, specifications and estimates used in the erection or improvement of any of said buildings shall be filed with and kept by the Secretary of State in his office for public inspection; and provided further, that any appropriation made under this act for the erection of new buildings and improvement of old buildings, and the purchase of machinery and equipments shall be withheld by the Governor if in his opinion the condition of the treasury will not warrant the expenditure of any such sum or sums.

SEC. 3. Provided, however, that with the exception of the appropriation made for the account of the State Penitentiary and Assistant Attorney General, that the Comptroller of Public Accounts is hereby instructed to draw no warrants against any appropriation made for the various State institutions and departments of this State, unless an itemized statement under oath be filed as a voucher in the office of said Comptroller.

SEC. 4. It is hereby required of each and every institution of this State to keep an itemized account and record of all moneys received from sales of all property, products, animals and leases of property, and the managers, presidents and superintendents of all such institutions shall cause to be made semi-annually to the Comptroller of Public Accounts an itemized statement, showing all such sales and moneys received therefrom and from such leases; provided, that the Superintendent of Penitentiaries and the Regents of the University shall not be required to do more than is at present provided by law, and they are exempt from the operation of this section.

SEC. 5. The fact that there is no appropriation for the support of the State government from August 31, 1901, to September 1, 1903, creates an emergency and imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this act take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, yeas 68, nays 32, and was reported to the Senate, where same was passed, no vote given; Free Conference Committee report adopted by House, no vote given, and was adopted by the Senate, no vote given.]

RESOLUTIONS.

FORT BROWN — RESOLUTION REQUESTING THE PRESIDENT AND SECRETARY OF WAR TO CONTINUE AS A MILITARY POST.

S. C. R. No. 8.] SENATE CONCURRENT RESOLUTION.

Whereas, It has come to the knowledge of the Texas Legislature that the Federal government contemplates the early abandonment of Fort Brown, located in the town of Brownsville, Texas, and,

Whereas, The abandonment of said fort would mean the removal of one of the most important Federal posts on the Mexican frontier, it being at the mouth of the Rio Grande and guarding the frontier for more than one hundred and forty miles, and,

Whereas, The town of Brownsville and the town of Matamoras are important to the commercial world, and especially the town of Brownsville, which receives a goodly amount of ocean traffic, and,

Whereas, The Mexican government considers the town of Matamoras and country tributary thereto as of sufficient commercial, military strategic importance to justify said government in maintaining at the said town of Matamoras a strong military post; therefore, be it

Resolved by the Senate of the State of Texas, the House of Representatives concurring: That we do hereby protest against the contemplated action of the Federal government, and most earnestly request of the President of the United States and the Secretary of War to continue said post, and all other military posts on the Rio Grande.

Be it further resolved: That our Senators and Representatives in Congress, and the Governor of this State, be and they are hereby requested to take up this matter with the proper officials of the Federal government and urge the continuation of the military post at Fort Brown; and,

Resolved, further: That the Secretary of the Senate be and he is hereby instructed to immediately mail a copy of this resolution to the President of the United States, the Secretary of War, each of our Senators and Representatives in Congress, and to the Governor of this State.

[NOTE.—The enrolled bill shows that the foregoing resolution passed the Senate, no vote given, and was reported to the House of Representatives, where it was amended and passed, no vote given; Senate concurred in House amendments, no vote given.]

Approved October 2, 1901.

HON. RICE MAXEY—LEAVE OF ABSENCE GRANTED.

H. C. R. No. 3.] HOUSE CONCURRENT RESOLUTION.

Whereas, The Hon. Rice Maxey, judge of the 15th Judicial District of

Texas, has important business outside of the State demanding his personal attention,

Therefore, be it resolved by the House of Representatives of the Twenty-seventh Legislature, the Senate concurring, that the said Rice Maxey, judge as aforesaid, be and he is hereby permitted to go beyond the limits of the State of Texas for a period of sixty days, at any time from July 1st, to Oct. 1st, 1902.

[NOTE.—The enrolled bill shows that the foregoing resolution passed the House of Representatives, no vote given, and passed the Senate, no vote given.]

Approved October 2, 1901.

TURNER-FRANKLIN WEDDING—JOINT SESSION OF THE TWO HOUSES TO ATTEND.

S. C. R. No. 5.] SENATE CONCURRENT RESOLUTION.

Whereas, It is the pleasure of the Legislature to accept an invitation to witness the ceremonies uniting in marriage the esteemed and worthy Senator, Hon. D. McNeil Turner, and his most estimable and accomplished companion, Mrs. S. M. Franklin, Postmistress of the House, and,

Whereas, It is the sense of the members of each house to extend to them our best wishes, and lasting regards by expressing the same in an orderly way; therefore, be it

Resolved by the Senate, the House of Representatives concurring: That a joint session of both houses be held on next Tuesday, at 12 o'clock for the purpose above named.

[NOTE.—The enrolled bill shows that the foregoing resolution passed the Senate, no vote given, and passed the House of Representatives, no vote given.]

INVESTIGATING COMMITTEE—PROVIDING FOR APPOINTMENT OF.

S. J. R. No. 1.] SENATE JOINT RESOLUTION.

To provide for the appointment of a joint committee to investigate the various departments of the State government during vacation and to report to the Governor and the next Legislature such data as may be gathered by them, and to make such recommendations as they see proper, and to make an appropriation to defray the expenses of such committee.

SECTION 1. Whereas, It is essential to the proper conduct of government that uniformity of service with commensurate pay should be had in all the State departments to the end that efficiency may be fairly awarded, and favoritism suppressed; and,

Whereas, The constantly increasing cost of the government demands a rigid investigation of the method of expending the public money in the different institutions and departments to the end that the Legislature

and the executive may be fully informed as to where expenditures may be curtailed and efficiency promoted; and,

Whereas, The Constitution of the State of Texas clearly implies that all positions of trust and emolument in this State should be created by, and compensation fixed by, legislative enactment, and to that end that so far as it is practicable civil service reform may be had in our several departments and institutions, thereby securing to the State the maximum of efficiency in results, together with the now generally expressed belief that irregularity prevails in the management of many of said institutions.

SEC. 2. Therefore, be it resolved by the Senate, the House of Representatives concurring, that a joint committee of five, to be composed of two Senators and three members of the House of Representatives be appointed by the presiding officers of the two houses respectively. Said committee shall be authorized to act during vacation, and shall have the power to send for persons and papers, administer oaths and compel the attendance of witnesses. Said committee shall have the power, and it is hereby made its duty to visit and thoroughly investigate each and every department and institution which is or may be in any way or manner connected with the State either by the Constitution, statute or contract, and to this end said committee is hereby authorized and empowered to examine books and papers, administer oaths and compel the attendance of witnesses to testify relative to all matters pertaining to the affairs of State within the scope of their power, now granted; provided, that said committee shall have the power and authority to punish for contempt any person who fails to attend its sessions after summons, duly served, or to answer questions after their appearance, and the authority of such committee to punish shall be the same as now given by law to the district judges in this State. Said committee shall have authority to employ such service as in its discretion may be regarded as essential to the speedy carrying into effect this resolution; provided, that not more than one stenographer shall be employed at one time by said committee, unless said committee work in sections, and in that case one stenographer to each section, each of whom shall be an expert stenographer and typewriter. The committee herein provided for will make a report in full of its findings of facts, recommendations and conclusions, together with the original testimony of witnesses, as provided for in this resolution.

SEC. 3. Said committee shall be convened at the call of the chairman, who shall be chosen by a majority of said joint committee; or said call may be had by a majority of said committee making a written request of said chairman, whereupon it shall become his duty to make such call. As compensation for services rendered, said members of said joint committee shall be paid five dollars (\$5) per day for actual services, and two dollars (\$2) per day for each day after the first sixty days, and such necessary expenses, not including board and lodging, as are actually incurred, and the itemized account of such members filed under oath, properly approved by the chairman of such committee, with the Comptroller, shall be sufficient authority for him to draw his warrant against the Treasurer for the amount so due.

SEC. 4. Said committee may in its discretion, sit as a whole or in sections for the purpose of investigation; provided, however, that all findings, recommendations and conclusions shall emanate from the committee sitting as a whole.

SEC. 5. The work of the committee provided for in this resolution shall not exceed one hundred and twenty days.

SEC. 6. All witnesses not in the employ of the State, appearing before said committee or any section thereof, shall be entitled and shall receive for such attendance and service the fees and per diem provided by law for witnesses in felony cases, and their account for such service approved by chairman of said committee shall be sufficient authority for the Comptroller to issue his warrant therefor.

SEC. 7. That the sum of ten thousand dollars or so much thereof as may be necessary is hereby appropriated out of any monies which may be in the treasury not otherwise appropriated for the purpose of carrying out the provisions of this resolution.

SEC. 8. Said committee shall have authority to select a person when needed to act in summoning witnesses and to execute all processes, and such person so chosen shall have the same authority as is given peace officers and he shall receive the same compensation as is now allowed sheriffs in the performance of similar duties.

SEC. 9. The near approach of the close of this session and the supreme importance to the people of the investigation herein provided for, creates an emergency and an imperative public necessity for the suspension of the constitutional rule requiring bills and joint resolutions to be read on three several days in each house, and the same is hereby suspended, and that this resolution take effect and be in force from and after its passage, and it is so resolved.

[NOTE.—The enrolled bill shows that the foregoing resolution passed the Senate by two-thirds vote, yeas 28, nays 0, and passed the House of Representatives with amendments, no vote given; Senate concurred in House amendments by two-thirds vote, yeas 23, nays 3.]

Approved October 21, 1901.

Takes effect 90 days after adjournment.

S. C. R. No. 7.]

Resolved by the Senate, the House of Representatives concurring: That in case of the appointment of a committee provided for in Senate Joint Resolution No. 1, known as the committee to investigate the various institutions of the State, that the Superintendent of Buildings and Grounds is hereby instructed to set aside the Finance Committee Room of the Senate together with a sufficient amount of stationery for their use and benefit in pursuing and completing their work.

[NOTE.—The enrolled bill shows that the foregoing resolution passed the Senate, no vote given, and passed the House of Representatives, no vote given.]

Approved October 21, 1901.

Takes effect 90 days after adjournment.

SECOND CALLED SESSION

TWENTY-SEVENTH LEGISLATURE, 1901.

CITY OF ATHENS—VALIDATING INCORPORATION OF.

S. B. No. 19.]

CHAPTER I.

An Act to validate the incorporation of the city of Athens, Henderson county, Texas.

Whereas, towit: on the —— day of —— month, 1901, there was presented a petition to the county judge of Henderson county, Texas, signed by more than fifty qualified voters, residents of the City of Athens, asking that an election be ordered to determine whether or not the City of Athens should be incorporated in the corporate name of The City of Athens; and, whereas, said petition represented that the City of Athens contained one thousand inhabitants and over, and said petition was accompanied with the field notes and diagrams of the territory sought to be incorporated, and it described and took in a territory boundary of four square miles; and, whereas, in pursuance of an order of the county judge of Henderson county, an election was held in the town of Athens on the 10th day of May, 1901, to determine whether or not said town should be incorporated as prayed for, and a majority of the votes cast was in favor of incorporation, and the county judge so found, and adjudged that the inhabitants of the City of Athens within said boundaries of said four square miles be incorporated in the corporate name of the City of Athens, and the county judge ordered an election to be held to elect officers for said corporation viz.: a mayor, city marshal, five aldermen, city attorney, assessor and collector, city engineer and treasurer, all of whom were elected and qualified according to law; and whereas, the city council consisting of the mayor and five aldermen, afterwards appointed a recorder, city secretary and clerk of said recorder's court; and whereas, there is some doubt as to whether the incorporation of the city of Athens as incorporated, is valid under the law of the State of Texas, and there is also a doubt as to whether the city council had the power and authority under the law to appoint a recorder to hold said corporation court, created by the laws of the State of Texas; therefore,

Be it enacted by the Legislature of the State of Texas:

SECTION 1. That the corporation of the City of Athens as it now stands incorporated, be and the same is hereby in all things validated, and this validation act shall heal and cure all irregularities in petitioning for said election or in ordering or holding the same, or in declaring the result thereof, and also in taking in and including the territory of

four square miles within the territory limits of said corporate limits of the City of Athens. And the citizens of the City of Athens, Henderson county, Texas, are hereby declared a body corporate by the name and style of The City of Athens, within the limits of four square miles as is hereinbefore set out in this act.

SEC. 2. That all of the officers elected for the City of Athens as set forth in Section 1, of this bill, are hereby declared to be the legally qualified officers for said various positions, and their said election to the several places named are hereby validated.

SEC. 3. That the appointment of a recorder for the City of Athens by the city council as provided in Section 1, of this act, be, and the same is hereby validated, and the said recorder so appointed shall have all the power that he would have if duly elected to said position, until the next general election in the City of Athens.

SEC. 4. The fact that there exists grave doubts as to the validity of the corporation of the City of Athens; and whereas, it is a growing city and stands greatly in need of a city government; and whereas, there are doubts as to whether the officers now acting under the city government as created, have authority and power to perform legally the functions of their several offices, and if said corporation is not validated by an act of the Legislature, the city will be greatly injured by delays on account of lawsuits which are now threatened against its existence, all of which create an emergency and imperative public necessity requiring the suspension of the constitutional rule requiring bills to be read on three several days in each house, and said rule is hereby suspended, and this bill shall take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 23, nays 1, and passed the House of Representatives by two-thirds vote, yeas 101, nays 0.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 31st day of August, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.]

Takes effect 90 days after adjournment.

TOWN OF MOODY—ACT TO INCORPORATE.

H. B. No. 37.]

CHAPTER II.

An Act to validate the incorporation of the town of Moody, McLennan, county, Texas.

Whereas, towit: on the 18th day of March, 1901, there was presented a petition to the county judge of McClennan county, Texas, signed by more than fifty qualified voters, residents of the town of Moody, asking that an election be ordered to determine whether or not the town of Moody should be incorporated in the corporate name of the "Town of Moody" and

Whereas, said petition represented that the town of Moody contained one thousand inhabitants and over, and said petition was accompanied with the field notes and diagram of the territory sought to be incorporated, and it described and took in territory boundary of three hundred thirty acres; and whereas, in pursuance to an order of the county judge of McLennan county, an election was held in the town of Moody on the 6th day of April, 1901, to determine whether or not said town should be incorporated, as prayed for, and a majority of the votes cast was in favor of incorporation, and the county judge so found and adjudged that the inhabitants of the town of Moody, within said boundaries of said three hundred thirty acres, be incorporated, in the corporate name of the "Town of Moody," and the county judge ordered an election to be held to elect officers for said incorporation, viz.: A mayor, five aldermen and city marshal, all of whom were elected and qualified according to law; and

Whereas, The city council, consisting of the mayor and five aldermen, afterwards appointed a secretary and attorney for the town of Moody; and

Whereas, There is some doubt as to whether the incorporation of the town of Moody, as incorporated, is valid under the law of the State of Texas, and there is also a doubt as to whether the city council had the power and authority under the law to appoint said secretary and attorney; therefore

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That the corporation of the town of Moody, as it now stands incorporated, be and the same is hereby in all things validated; and this validating act shall heal and cure all irregularities in petitioning for said election, or in ordering or holding the same or in declaring the result thereof, and also in taking in and including territory of three hundred thirty acres within the territory limits of said corporate limits of the town of Moody. And the citizens of the town of Moody, McLennan county, Texas is hereby declared a body corporate, by the name and style of the "Town of Moody," within the limits of three hundred thirty acres as is hereinbefore set out in this act.

SEC. 2. That all of the officers elected for the town of Moody, as set forth in this act, are hereby declared to be the legally qualified officers for said various positions, and their said election to the several places named are hereby validated.

SEC. 3. That the appointment of a secretary and city attorney for the town of Moody by the town council, as provided for in this act, be and the same is hereby validated, and the said secretary and city attorney so appointed shall have all the power that he would have if duly elected to said position, until the next general election in the town of Moody.

SEC. 4. The fact that there exists grave doubts as to the validity of the corporation of the town of Moody, and whereas, it is a growing city and stands greatly in need of a city government; and whereas there are doubts as to whether the officers now acting under the city government, as created have authority and power to perform legally the functions of their several offices; and if said corporation is not validated by an act of the Legislature, the town will be greatly injured by delays on account of lawsuits which are now threatened against its existence; all of which creates an emergency and an imperative public necessity requiring the suspension of the constitutional rule requiring bills to be read on three

several days in each house, and said rule is hereby suspended, and this act shall take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and passed the Senate, no vote given.]

[NOTE.—The foregoing act was presented to the Governor of Texas for his approval on the 4th day of September, A. D. 1901, but was not signed by him nor returned to the house in which it originated, with his objections thereto, within the time prescribed by the Constitution, and thereupon became a law without his signature.]

Takes effect 90 days after adjournment.

CITY OF AUSTIN—AMENDMENT TO CHARTER.

H. B. No. 32.]

CHAPTER III.

An Act to amend an act entitled "An Act to incorporate the city of Austin, to grant it a new charter, and to fix its boundaries," passed at the Regular Session of the Twenty-seventh Legislature; and to repeal all laws in conflict therewith.

SECTION 1. *Be it enacted by the Legislature of the State of Texas:* That Section 2, of an act entitled "An Act to incorporate the City of Austin, to grant it a new charter and to fix its boundaries," passed at the regular session of the Twenty-seventh Legislature, and to repeal all laws in conflict therewith be so amended as to hereafter read as follows:

Sec. 2. The boundaries of the city shall be as follows: Beginning on the bank of the Colorado river at the southwest corner of outlot No. 64, in division O, thence northerly in a straight line to the northwest corner of outlot No. 16, in division C, being the northeast corner of the Wells tract of land northeast of the old fair grounds tract; thence northwesterly with the northeast line of said Wells tract and the State Lunatic Asylum grounds, and the north boundary of outlot 83, division D, thence southwesterly about 1275 varas to the most easterly southeast corner of the State Deaf and Dumb Asylum 100-acre tract; thence south 30° west about 1425 varas to the southwest corner of lot No. 1, of Seider's subdivision of the Spear league; thence south 60° east about 20, varas to the northwest corner of lot No. 11, Jones and Sedgwick subdivision of 87, acres of the Spear league; thence south 30° west with the west line of blocks 11, 12, 13 and 5, about 725 varas to the southwest corner of lot No. 5, and the southwest corner of said subdivision. Thence south 60 east about 975, varas with the north line of the J. W. Harris tract, to the northeast corner of same, thence south 30° west with the east line of the George W. P. Kinney tract on said Decker league thence to the southwest corner of the H. J. Doughty tract; on said Isaac Decker league, thence southerly with the west line of block A in the Live Oak Grove subdivision a part of the said Isaac Decker league, for 135 feet more or less, to the southwest corner of said block A in said subdivision, thence easterly 440 feet more or less with the south line of said block A in said subdivision, to the east line thereof. Thence northerly 135 feet more or less, with the east line of said block A on said subdivision to the south line of the H. J. Doughty tract: thence easterly in a straight line to the northeast corner of Mrs. E. V. Blum's 213-acre tract, being the southeast corner of the subdivision known as Southside; thence in a northerly direction with the east boundary line of said subdivision and the east boundary line of the Jno. D. McCall and D. C. Stone tracts to the center of the channel of the Colorado river; thence down said river in a straight line to the place of beginning.

Section 3. The city of Austin shall be divided into seven wards. The First ward shall embrace all the territory of the city of Austin south of the center of the Colorado river.

The Second ward shall embrace all of the following territory: Beginning at a point in the center of the bridge over the Colorado river and extension of Congress avenue and running north with the line in the center of said Congress Avenue to a point in the center of Seventh street; thence west with a line in the center of Seventh street to a point in the center of West avenue; thence south with a line in the center of West avenue to a point in the center of West Sixth street; thence west with a line in the center of West Sixth street to a point in the center of Blanco street; thence north with a line in the center of Blanco street to a point in the center of West Ninth street; thence west with a line in the center

of West Ninth street to a point in the center of West Lynn street; thence north with a line in the center of West Lynn street to a point due east of the northeast corner of the Texas Confederate Home property; thence due west to said corner of said property; thence with the north boundary line of said property to its northwest corner; thence south with the west boundary line of said property to a point in the center of West Sixth street; thence west with the center of West Sixth street and of the boulevard continuation thereof to a point opposite the dam; thence west to the center of the dam; thence down the center of the Colorado river with its meanders to the beginning point in the center of said bridge over the Colorado river.

The Third ward shall embrace the following territory: Beginning at a point in the center of Congress avenue at its intersection with Seventh street; thence north with a line in the center of Congress avenue to a point in Nineteenth street; thence east with a line in the center of Nineteenth street to a point in the center of Lampasas street; thence north with a line in the center of Lampasas street to a point in the center of Twenty-first street, thence west with a line in the center of Twenty-first street to the center of Rio Grande street; thence south with a line in the center of Rio Grande street to the center of Nineteenth street, thence west with a line in the center of Nineteenth street to a point in the east line of the George W. Spear league; thence southward following the east line of the said Spear league to the southeast corner of the E. M. SECTION 3. The fact that the present session of the Legislature is fast drawing to a close creates an emergency and an imperative public necessity requiring the suspension of the constitutional rule requiring bills to be read on three several days in order that this bill may be put on its final passage, and said rule is so suspended, and this act shall take effect from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing act passed the House of Representatives, no vote given, and passed the Senate, no vote given.]

Approved September 18, 1901.

Takes effect 90 days after adjournment.

CITY OF AUSTIN—AMENDMENT TO CHARTER.

S. B. No. 17.]

CHAPTER IV.

An Act to amend Sections thirty-three (33) thirty-four (34) thirty-six (36) thirty-seven (37) and sixty-three (63) of an act entitled "An Act to incorporate the city of Austin, to grant it a new charter, and to fix its boundaries," approved April 13, 1901, so as to provide for the refunding of its bonded debt to further define its powers and duties relative to its bonded indebtedness, to define the powers of said city with reference to streets and highways within its corporate limits, and to authorize said city to pledge not exceeding one-fourth of its general revenue for the payment and security of judgments and claims herein specified.

Be it enacted by the Legislature of the State of Texas:

"SECTION 1. That Sections thirty-three (33) thirty-four (34) thirty-six (36), thirty-seven (37) and sixty-three (63) of an act entitled "An Act to incorporate the City of Austin, grant it a new charter and to fix its boundaries," approved April 13, 1901, be, and the same is hereby amended so as to hereafter read as follows:

Section 33. The City Council shall have the power within the City by ordinance to levy and collect an annual tax, not exceeding for all purposes including taxes levied for the support of public schools, two and one-half per cent. of property values within the said City, and such taxes shall be levied at the first regular meeting in May of each year as follows:

1. An annual tax not exceeding one per cent. on all property within the limits of said City, made taxable by law for State and county purposes, the money raised by said taxes to be used for current expenses, and for general improvement of the City and its property, and at least one-fourth thereof shall be set apart and devoted to the improvement of streets and building of bridges within the City; and a part of said general revenue, not to exceed one-fourth of one per cent. of the total taxable values as aforesaid of said City may, by the City Council, be appropriated and pledged for the liquidation, settlement and payment of the money to become due by virtue of the terms of any contract which may be by said City made for the purchase of any water, light or power plant at present owned and operated in said City by private persons or corporations. Whenever the City Council shall, by ordinance enacted in pursuance of the power above granted, pledge and set aside any specific portion of its general revenues, not exceeding the proportion above mentioned, for the payment of money due by virtue of the terms of such contract, such pledge and appropriation shall continue to be a binding and irrevocable contract as to the owners of the claim which it is pledged to secure, until the claim thereby secured shall be fully paid and discharged: the provisions herein contained are not applicable to the contracts or claims or judgments which may result or have resulted from or in the issuance of bonds.

2. To raise such further amount as may be necessary to pay interest and two per cent. sinking fund annually on all bonded debts of the City.

3. To raise money on the credit of the City for a special and definite purpose, by issuing bonds of the City or otherwise; provided, the bonded debt of the City shall only be increased by a special act of the Legisla-

ture or by consent of two-thirds of the qualified voters in said City who pay taxes on property, real or personal, in said City. All persons owning property, real or personal, subject to taxation in the said City, on the 1st day of January next preceding any election that may be held to obtain such consent, shall be deemed to be persons who pay taxes on property in said City. Such election shall be ordered by the City Council, and notice thereof shall be given for at least thirty days by the Mayor, in such manner as may be prescribed by the City Council; provided, that whatever power the City Council may have possessed or acquired under the charter in force in said City prior to the passage of this act, through any election held under said charter to increase the indebtedness of said City, is hereby continued and perpetuated in said Council, and may be exercised under this act with the same effect that such power might have been exercised under said charter, if this act had not been passed and to no further extent, and with no further force or extent under this act than might have been done without the passage of this act; provided, that lands within the limits of the City which have not been laid off into blocks and lots shall not be assessed for taxes otherwise than by the acre, and shall continue to be so assessed and taxed, until laid off into lots and blocks by the owners thereof, and the owners of such lands in laying off the same into lots and blocks, shall so arrange the streets that they shall correspond as nearly as practicable with previously established streets of the City.

Section 34. That all such bonds shall specify for what purpose they are issued, and provision shall be made to pay the interest and the sinking fund of two per centum annually of the principal to redeem or pay the bonds.

Section 36. Whenever the accumulated sinking fund upon any issue of bonds, shall amount to as much as one thousand dollars, the same shall be applied at once to the discharge of a like amount of said bonds, and should the City not be entitled to redeem any of such series, and the holders be unwilling to surrender the same, said fund shall be invested in other valid interest bearing bonds of the City of Austin, or of the United States, or of the State of Texas, as the Council may determine, and when so invested the bonds purchased and the interest thereon shall be held as a trust for the particular fund from which the money was taken, and shall not be sold or otherwise used except for the purpose of retiring the original bonds for whose use the fund was created; but all moneys collected on account of the sinking fund shall be annually applied exclusively to the redemption and retirement of the refunding bonds to be issued hereunder. If such refunding bonds cannot be purchased in the market at or below par, then such sinking fund shall be used to retire such refunding bonds by drawing the same by lot under regulations to be prescribed by the City Council.

Section 37. The said City Council shall have power and authority to fund, refund, compromise, adjust, scale or settle all or any part of the bonded indebtedness of said City, and for that purpose shall have the power and it is hereby specially authorized without any election to obtain the consent of the qualified voters in said City who pay taxes on property therein to forthwith issue refunding bonds; such bonds to be entitled Refunding Bonds of the City of Austin, Texas, and all of such refunding bonds shall be dated July 1st, 1901, and shall be payable July 1st, 1931; redeemable however, at the option of the City, on any interest

payment date at par and accrued interest to date of redemption. Said bonds shall bear interest at the rate of three per centum (3%) per annum for the period of five (5) years from July 1st, 1901, that is to July 1st, 1906, thereafter said bonds shall bear interest at the rate of four per centum (4%) per annum for a period of ten (10) years, that is to July 1st, 1916, and thereafter until the maturity of said bonds they shall draw interest at the rate of five per centum (5%) per annum. Said interest shall be payable semi-annually on the first days of January and July of each and every year, and both principal and interest of said bonds shall be payable, at the option of the holder, in either the City of New York or the City of Austin, and may be made payable in gold coin of the United States of America of or equivalent to the present standard of weight and fineness. In form said bonds may be either registered bonds or negotiable coupon bonds, with or without the privilege of registration as to both principal and interest, or part may be registered bonds and part negotiable coupon bonds; and for the purpose of registering the principal and interest of the negotiable coupon bonds, the Treasurer of the City is hereby authorized and directed to register such principal and interest or both, under such rules and regulations as may be provided by the City Council; after which registration the principal, or interest as the case may be or both, shall be payable only to the registered holder. Said bonds may be of such denomination or denominations as the City Council may determine. Said bonds may be authorized at any regular or special meeting of the City Council by a majority vote of all the members of the City Council, and the ordinance authorizing said bonds may be introduced and finally passed at the same meeting. A certified copy of the ordinance of said City providing for the issuance of said refunding bonds, and of the ordinance levying a tax to pay the interest upon and provide a sinking fund for the redemption of said bonds together with the said bonds duly executed by the Mayor and Clerk of said City shall be submitted to the Attorney General whose duty it shall be to examine the same, and if he finds that said bonds have been issued in accordance with the provisions of this act and not in contravention of the Constitution of this State, the Attorney General shall officially so certify to the Comptroller, and such certificate shall be preserved by the Comptroller as a record of his department and for use as evidence. The Comptroller shall then register said bonds in the book kept for the purpose of registering bonds issued under the provisions of Chapter 64, of the General Laws passed in 1893, and shall affix to each of said bonds his certificate under his official seal, to the effect that the same have been duly registered in his department. Said refunding bonds shall then be delivered to the Treasurer of the said City of Austin, upon the order of the Mayor of said City, and the Mayor and Treasurer of said City acting jointly are hereby constituted the agents of said City to thereafter issue and dispose of said bonds under the provisions of this act. Said refunding bonds shall be exchangeable from time to time for the outstanding bonds of the City of Austin, adjustment of accrued interest as between the refunding bonds and the bonds for which they are exchanged to be made in cash, and at the time of exchange all overdue coupons on the refunding bonds shall be detached and canceled. In making the exchange herein provided for the face value or principal amount of the outstanding City bonds received on such exchange, shall be at least equal to the face value or principal

amount of the refunding bonds issued on such exchange. The City Council and the Attorney General of the State are expressly authorized to provide that such exchange may take place in the City of New York, or such other place as may be most convenient for effecting such exchange. The said refunding bonds may be sold and the proceeds thereof used to take up the outstanding bonds of the City of Austin; provided, that such refunding bonds shall not be sold for less than the sum for which an equal amount in par value of the outstanding bonds can be purchased, nor shall any sale or delivery of such refunding bonds take place until a contract has been entered into for the purchase of at least an equal amount in par value of the outstanding bonds. The bonds of said City now outstanding, when exchanged or taken up by said City under the provisions of this act, shall be by said Mayor and Treasurer, immediately canceled by mutilating the signatures thereto, and a report of the numbers and series thereof shall be made by the Mayor and Treasurer at the next meeting of the City Council, and the said bonds so canceled, shall be then destroyed in the presence of the City Council and a minute thereof be made upon its record. The ordinance or ordinances providing for the issue of said refunding bonds shall make provision for the annual assessment and collection of a tax sufficient to pay the interest thereon and to create an annual sinking fund of two per centum (2%) of the principal thereof, and nothing herein or in any other statute of this State shall make it incumbent upon the City Council to provide for a sinking fund of more than two per centum (2%) per annum of the principal of such refunding bonds as may be issued under such ordinance or ordinances. For the payment of interest and the creation of such sinking fund, the City Council of the City of Austin is authorized to levy a tax of one and sixteen and two-thirds hundredths 1.1666 per centum, or so much thereof as may be necessary for said purpose, and while any of said refunding bonds are outstanding, the power to levy said tax shall not be decreased, impaired or curtailed. The right of the City of Austin to levy said tax shall enter into and become part of the contract in the issuance of said bonds; such tax to be levied when and as other taxes of the City are levied, and in the event of the failure of the City Council to levy such tax, either of the district courts in and for Travis county, or the United States Circuit Court, or a judge of the United States Circuit Court for the circuit in which is located the City of Austin is authorized to make and grant on the application of any holder of any said refunding bonds a mandamus to compel such levy, and such mandamus may be granted without judgment being first had on account of such bonds. If at any time, for any reason whatsoever, the maximum tax possible of collection shall not be sufficient to pay the interest and also provide for the sinking fund, then and in that event the taxes collected shall first be appropriated and used to pay all accrued interest or interest to accrue during the year for which such tax levy is made in full before any part thereof shall be appropriated for the sinking fund. In case any suit or suits shall at any time be instituted against the City of Austin to enforce the payment of the principal or interest of said refunding bonds, or to compel the levy and collection of the taxes herein prescribed, no defense, either in law or in equity shall be admitted in any of the courts of this State, except such as originated upon or subsequent to the issuance of such refunding bonds. Any public institution in the State of Texas or

any sinking fund commission holding any of the bonds of the City of Austin are hereby authorized and directed to exchange such bonds for refunding bonds which may be authorized pursuant to this act. The payment of the principal or interest of any bonds which may be issued by the City of Austin after the due authorization of the refunding bonds provided for herein shall be subject to the payment in full of the principal and interest and the creation of the sinking fund of two per centum (2%) per annum of all such refunding bonds issued under such authorization, or which may be thereafter issued under such authorization, before any part of the tax collected by the said City shall be applied to such other bonds of the City. While any of said refunding bonds shall be outstanding the City of Austin shall not sell, lease, rent or otherwise part with the possession of its water, light and power properties and all monies net income derived from the operation of such plants, shall be paid into and become a part of the sinking fund for the redemption of such refunding bonds, and shall be applied in the same manner as the sinking fund derived from the collection of taxes; subject however, to the pledge of such net income contained in the bonds of the City of Austin known as the Water Works and Electric Light Bonds of 1890, and in the ordinance authorizing them, while any of such bonds shall remain outstanding, provided however that nothing in the charter of the City or in these amendments thereto, shall be so construed as to prohibit the City from selling disused property formerly purchased and used by it in the operation of its water power plant, situated at and near the dam of the City across the Colorado river, and the right to sell such disused property as may not be necessary for the present operation of its steam water, light and power plant is hereby expressly conferred upon the said City, to be exercised whenever same shall be by it deemed expedient and desirable, but nothing herein contained shall be so construed as to make it the duty of the City to sell any of said material or property until such sale shall by it be deemed expedient and desirable; and all of said material and property shall be deemed to be held for public use until so sold and shall never be subject to execution sale or other forced sale at the instance of any creditor or creditors of the City. While any of said refunding bonds shall be outstanding the corporate limits of the City of Austin as at present defined shall not be decreased or lessened for taxing purposes or otherwise.

Section 63. That the City Council shall have exclusive control and regulation of all streets alleys, sidewalks and highways and public squares within the corporate limits of the city, and shall have power:

1. To abate and remove encroachments thereon in summary manner.
2. To put drains and sewers therein, and when necessary to appropriate private property for that purpose; for the purpose of establishing streets and alleys to be condemned according to the laws relating to the condemnation of property by railroad corporations, the City occupying the place of the railroad corporation in such cases.
3. To permit and regulate the laying of gas and water mains therein. and the erection of telegraph and telephone and electric light poles therein.
4. To regulate, retabish and change the grade of all sidewalks. streets and alleys, and to require and compel the cutting down or filling up and raising of such streets, sidewalks and alleys.

5. To construct, regulate and keep in repair all culverts, sewers and crossings, and to control and regulate the use of same.

6. To construct regulate and keep in repair all necessary sidewalks, footways and streets.

7. To grade, cut down and fill up the same.

8th. To regulate the use of the same and abate and remove encroachments and obstructions thereon, and to compel the same; provided, that when the City Council has once established a grade for any street, sidewalk, alley or park, and any owner of property abutting thereon has improved such property to conform to such grade, then the City Council shall not have authority to change such grade, except by consent of a majority of the owners by feet frontage of the property in front of which it is proposed to change such established grade.

9th. To vacate streets and alleys.

SEC. 2. The facts that the City of Austin is at the present obligated to pay interest on its bonded indebtedness at an unreasonably high rate, and that the holders of such indebtedness have agreed to accept in lieu of the bonds at present held by them, refunding bonds leaving a lower rate of interest so soon as the charter of said City shall be so amended as to adequately provide for the issuance of such refunding bonds, create an imperative public necessity requiring the suspension of the constitutional rule which provides that bills shall be read on three several days, which said rule is accordingly suspended, and it is therefore enacted that this act shall take effect and be in force from and after its passage.

[NOTE.—The enrolled bill shows that the foregoing act passed the Senate by two-thirds vote, yeas 25, nays 0; and reported to the House of Representatives, where it was amended and passed by two-thirds vote, yeas 107, nays 0; Senate concurred in House amendments, yeas 23, nays 0.]
